AN ACT to amend the public health law, in relation to requiring notifi-
cation and the informed consent of the patient prior to prescribing
psychiatric drugs

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 3346 to read as follows:

3 § 3346. Psychiatric drug informed consent. No doctor shall prescribe
4 an antipsychotic, antidepressant, hallucinogen, or mood stabilizer drug,
5 brand or generic, as defined in section thirty-three hundred six of this
6 article, for the treatment of psychiatric disorders or conditions with-
7 out the prior notification and the signed informed consent of the
8 patient informing the patient of any possible adverse effects of the
9 drug and the interaction with other medications the patient is currently
10 prescribed.

11 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
