AN ACT to amend the general municipal law, in relation to electronic bell jar games

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and purpose. 1. The legislature hereby finds that:

2 (a) bell jar games are a popular and profitable fundraising mechanism  
3 for bona fide not-for-profit organizations across the state, generating  
4 millions of dollars in net revenues for charitable purposes every year;

5 (b) authorized organizations that offer bell jars and other games of  
6 chance must meet strict standards established by the New York state  
7 general municipal law and the New York state gaming commission, including  
8 receiving a license to conduct charitable gaming activities; and

9 (c) while other types of gaming in New York state have continued to  
10 expand and improve, the operation of charitable gaming activities has  
11 largely remained the same over the last several decades.

12 2. For the aforementioned reasons, the legislature hereby declares  
13 that authorized organizations licensed by the New York state gaming  
14 commission to conduct charitable gaming would greatly benefit from the  
15 ability to operate electronic bell jar vending machines, which display  
16 and dispense pre-printed bell jar tickets that have predetermined  
17 winners and predetermined values for prizes, in order to help increase  
18 charitable gaming profits across the state and attract more members to  
19 join such organizations.

§ 2. Subdivision 3-a of section 186 of the general municipal law, as amended by chapter 531 of the laws of 2011, is amended to read as follows:

3-a. "Bell jars" shall mean and include those games in which a participant shall draw a card from a jar, vending machine, including an electronic bell jar vending machine, or other suitable device or container which contains numbers, colors or symbols that are covered and which, when uncovered, may reveal that a prize shall be awarded on the basis of a designated winning number, color or symbol or combination of numbers, colors or symbols. Bell jars shall also include seal cards, coin boards, event games, and merchandise boards. An electronic bell jar vending machine shall use electronic features to display and dispense pre-printed bell jar tickets, including audio and video features to display information about a ticket being dispensed, provided that such features do not affect the outcome of the game.

§ 3. Subdivision 9 of section 188-a of the general municipal law, as added by chapter 960 of the laws of 1976, is amended to read as follows:

9. (a) The ~~[board]~~ commission shall have the power to approve and establish a standard set of games of chance equipment and shall by its rules and regulations prescribe the manner in which such equipment is to be reproduced and distributed to licensed authorized organizations. The sale or distribution to a licensed authorized organization of any equipment other than that contained in the standard set of games of chance equipment shall constitute a violation of this section.

(b) After the effective date of the chapter of the laws of two thousand eighteen that amended this subdivision, no electronic bell jar vending machine shall be sold, leased, distributed, installed, or operated by any manufacturer, distributor, or charitable organization until such machine has been approved by the commission. No electronic bell jar vending machine shall be approved by the commission unless the operation of the game demonstrates that there is a finite probability basis of having a predetermined quantity of chances among which there is a predetermined quantity of winners that pay a fixed and predetermined value of prizes, regardless of the symbols that are used or how those symbols are displayed on pre-printed bell jar tickets.

§ 4. Subdivision 3 of section 189 of the general municipal law, as amended by chapter 337 of the laws of 1998, is amended to read as follows:

3. Lease terms and conditions shall be subject to rules and regulations promulgated by the board. The provisions of this article shall not be construed to authorize or permit an authorized organization to engage in the business of leasing games of chance, supplies, or equipment. Furthermore, no organization shall purchase bell jar tickets~~[r]~~ or deals of bell jar tickets, or purchase or lease any electronic bell jar vending machine, from any other person or organization other than those specifically authorized under sections one hundred ninety-five-n and one hundred ninety-five-o of this article.

2 license therefor upon written application made, verified and filed with

14 under this section shall be stated the name and address of the appli-  
15 cant; the names and addresses of its officers, directors, shareholders  
16 or partners; the amount of gross receipts realized on the sale and  
17 rental of games of chance supplies and equipment to duly licensed  
18 authorized organizations during the last preceding calendar or fiscal  
19 year, and such other information as shall be prescribed by such rules
