2 231 to read as follows:

5 services, or any combination thereof, through cable or broadband  
6 connection shall provide at least forty-eight hours notice to subscri-  
7 ers affected by any service outage resulting from scheduled maintenance.

8 2. Such notice may be provided through email, mail, telephone communi-  
9 cation or text messaging, but shall include, at a minimum:

10 (a) what the scheduled maintenance entails;

11 (b) an estimate of when and the duration of such maintenance; and

16 al time lost. All credits shall be applied to a subscriber's account  
17 within two billing cycles after the service outage and shall be  
18 reflected on the subscriber's billing statement. The billing statement  
19 shall set forth the method by which the credit was calculated.

20 4. This section shall not apply to any interruption in service that  
21 occurs as a result of nonpayment of a previously due account.

22 § 2. This act shall take effect on the one hundred twentieth day after  
23 it shall have become a law. Provided, that the public service commission  
24 is immediately authorized and directed to take any and all actions,  
25 including but not limited to the promulgation of any rules, necessary to  
26 fully implement the provisions of this act on its effective date.
