f. Criminal history records search. (1) Upon receipt of an application for registration pursuant to this subdivision, the commissioner shall, subject to the rules and regulations of the division of criminal justice services, initiate a criminal history records search of the persons identified in paragraph e of this subdivision. Prior to initiating the background checks and fingerprinting process, the commissioner shall furnish the applicant with the form described in paragraph g of this subdivision and shall obtain the applicant's consent to the criminal history records search. The commissioner shall obtain from each applicant two sets of fingerprints and the division of criminal justice services processing fee imposed pursuant to subdivision eight-a of section eight hundred thirty-seven of the executive law and any fee imposed by the federal bureau of investigation for a national criminal history record check. The commissioner shall promptly transmit such fingerprints and fees to the division of criminal justice services for its full search and retain processing. 3 (2) The commissioner, in cooperation with the division of criminal  
4 justice services, shall promulgate a form to be provided to all appli-  
5 cants for registration pursuant to this subdivision that shall:

29 (vi) been informed that in the event the wholesaler's or manufactur-  
30 er's registration pursuant to this subdivision has expired or otherwise

33 criminal justice services shall destroy the fingerprints of the individ-  
34 ual or individuals associated with such wholesaler's or manufacturer's

46 pursuant to the regulations and procedures established by the division  
47 of criminal justice services.

48 h. Performance or surety bond. Every wholesaler shall submit a  
49 performance or surety bond of not less than one hundred thousand dollars  
50 to the department to ensure compliance with the provisions of this arti-  
51 cle, except that the department may waive such bond for certain not-for-  
52 profit entities such as hospitals and correctional facilities that limit  
53 distribution to their own facilities and do not return such medications  
54 to other entities. The department may also exempt a wholesaler from the  
55 surety bond requirement when such wholesaler is owned and operated by a  
56 facility, subject to the provisions of article twenty-eight of the

1 public health law and other facilities governed by a state agency that  
2 limits its distribution of prescription drugs to facilities and practi-  
3 tioners within the institution's network and operations and does not  
4 sell or return such medications to manufacturers or to other whole-  
5 salers.

6 i. Wholesaler registration. The department may promulgate rules and  
7 regulations to exempt from the requirements of paragraphs e, f, g and h  
8 of this subdivision a wholesaler that has received accreditation from a  
9 nationally recognized accreditation body approved by the commissioner  
10 and that meets the licensing standards under this subdivision. The stan-  
11 dards shall be defined by the commissioner pursuant to regulations.

12 j. Manufacturer registration. Notwithstanding the requirements for  
13 registration under this subdivision, the commissioner shall exempt a  
14 manufacturer licensed or approved by the federal food and drug adminis-  
15 tration (FDA) or its successor agency to manufacture drugs or devices  
16 with regard to such drugs or devices from the requirements of paragraphs  
17 e, f, g and h of this subdivision in the event that such requirements  
18 are not required by federal law or regulation unless the commissioner  
19 determines that such requirements are necessary to prevent a risk to  
20 prescription drug distribution in the state.

21 § 4. This act shall take effect on the one hundred eightieth day after  
22 it shall have become a law.
