Introduced by M. of A. DILAN -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to including senior citizens as vulnerable populations eligible for supportive housing programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2823 of the public health law, as added by section 2 1 of part D of chapter 56 of the laws of 2012, is amended to read as 3 follows:

§ 2823. Supportive housing development program. 1. For the purposes of this section "eligible applicant" shall mean (a) a unit of local government, or (b) a not-for-profit corporation that has been in existence for a period of at least one year prior to application and has been engaged in supportive housing programs for vulnerable populations, such as senior citizens. Senior citizens shall be defined in this section to mean any person sixty-two years of age or older.

2. Grants provided pursuant to this section shall be used only to fund 11 12 housing development activities and other general programmatic activities 13 to help ensure a stable system of supportive housing for vulnerable 14 persons, including senior citizens, in the community. Reinvestment funds for supportive housing for vulnerable populations, such as senior citi-15 zens, which are general fund savings directly related to inpatient 16 hospital and nursing home bed decertification and/or facility closure, 17 shall be allocated annually by the commissioner based upon the following 18 19 criteria:

20 (a) the efficiency and effectiveness of the use of funding for the 21 development of adequate and accessible housing to support vulnerable 22 persons, such as senior citizens, in the community and to ensure access 23 to support processing to maximize expected outgement; and

23 to supports necessary to maximize expected outcomes; and

1 (b) other relevant factors relating to the maintenance of existing 2 supportive housing and the development of new supportive housing and 3 associated services. 4 3. The commissioner shall establish an application process by which 5 eligible applicants may apply for a grant under this section. The appliб cation shall include: 7 (a) the geographic area in which the housing/services shall be 8 provided; 9 (b) a detailed description of the housing/services to be provided; 10 (c) a plan for the efficient and effective use of funding for the 11 development of adequate and accessible housing to support vulnerable persons, including senior citizens, in the community; 12 (d) other relevant factors relating to the need for maintenance of 13 14 existing supportive housing and the development of new supportive hous-15 ing and associated services; and 16 (e) any other information that the commissioner deems relevant and 17 appropriate. 18 4. Grantees under this section shall file an annual report with the 19 commissioner, in such form and with such information and data as the 20 commissioner prescribes detailing the expenditure of grant funds. In 21 the commissioner is authorized and empowered to make addition, inspections and examine records of any entity funded pursuant to subdi-22 vision two of this section. Such examination shall include all medical, 23 24 service and financial records, receipts, disbursements, contracts, loans 25 and other moneys relating to the financial operation of the provider. 26 5. The amount of supportive housing development reinvestment funds for 27 the department shall be subject to annual appropriation. The methodologies used to calculate the savings shall be developed by the commis-28 sioner and the director of the budget. In no event shall the full annual 29 30 value of supportive housing development reinvestment programs attribut-31 able to inpatient hospital and nursing home bed decertification and/or 32 facility closure exceed the twelve month value of the department of 33 health general fund reductions resulting from such decertification 34 and/or facility closure. 35 6. The annual supportive housing development reinvestment appropri-36 ation shall reflect a proportion of the amount of general fund savings 37 resulting from subdivision five of this section. Within any fiscal year where appropriation increases are recommended for the supportive housing 38 39 development reinvestment program, insofar as projected bed decertification and/or facility closures do not occur as estimated, and general 40 41 fund savings do not result, then the reinvestment appropriations may be 42 reduced in the next year's annual budget itemization. 43 7. No provision in this section shall create or be deemed to create 44 any right, interest or entitlement to services or funds that are subject 45 to this section, or to any other services or funds, whether to individ-46 uals, localities, providers or others, individually or collectively. 47 8. The commissioner shall promulgate regulations, and may promulgate 48 emergency regulations, to effectuate the provisions of this section.

49 § 2. This act shall take effect immediately.
