1 this section no later than the sixteenth day of December of every such
2 year.

3 3. a. The school authorities shall cause any fire inspection pursuant
4 to this section to be made by one of the following methods, or any
5 combination of such methods:

6 (1) ~~[Employing, either regularly or specially, persons who, in the~~
7 ~~judgment of the school authorities, are qualified to make such an~~
8 ~~inspection, or any phase thereof.~~

9 ~~(2) Contracting for the making of such inspections, or any phase ther-~~
10 ~~eof, by persons who, in the judgment of the school authorities, are~~
11 ~~qualified.~~

12 ~~(3)]~~ Requesting inspection by the fire department of any city, town,
13 village or fire district in which the building is located.

14 ~~[(4)]~~ (2) Requesting inspection by a fire corporation which is subject
15 to the provisions of section fourteen hundred two of the not-for-profit
16 corporation law, if such building is located within the area described
17 in the certificate of incorporation of any such corporation.

18 ~~[(5)]~~ (3) Requesting inspection by the county fire coordinator, or the
19 officer performing the powers and duties of a county fire coordinator
20 pursuant to a local law, of the county in which the building is located,
21 or by any deputy county fire coordinator or deputy of such other officer
22 so performing the powers and duties of a county fire coordinator desig-
23 nated to make the inspection by the county fire coordinator or such
24 other officer so performing the powers and duties of a county fire coor-
25 dinator, if the building is located outside a city, town, village, or
26 fire district, which has its own fire department and outside the area
27 described in the certificate of incorporation of any fire corporation
28 which is subject to the provisions of section fourteen hundred two of
29 the not-for-profit corporation law.

30 (4) Requesting inspection by a fire inspector, who holds a valid
31 certification.

32 b. ~~[If any such inspection, or phase thereof, is to be made by either~~
33 ~~of the methods specified in subparagraphs (1) and (2) of paragraph a of~~
34 ~~this subdivision, the school authorities shall give reasonable notice of~~
35 ~~the date and time such inspection is to be made to the chief, or other~~
36 ~~comparable officer, of any fire department, or fire corporation, which~~
37 ~~has the regular duty of fighting fire in the building to be inspected.~~
38 ~~Such officer, or any subordinate designated by him, may be present~~
39 ~~during the inspection and may also file a report of inspection in the~~
40 ~~manner provided in this section.~~

41 ~~e.]~~ If any fire department, certified fire inspector or fire corpo-
42 ration described in subparagraphs ~~[(3)]~~ (1), (2) and (4) of paragraph a
43 of this subdivision shall fail or refuse to make a fire inspection
44 promptly after having been requested to do so by the school authorities,
45 the request must be denied in writing to the school authorities ~~[may~~
46 ~~request the county fire coordinator, or the officer performing the~~
47 ~~powers and duties of a county fire coordinator pursuant to a local law,~~
48 ~~of the county in which the building is located to make such inspection.~~
49 ~~It shall be the duty of the county fire coordinator, or such other offi-~~
50 ~~cer so performing the powers and duties of a county fire coordinator, in~~
51 ~~such case to make such inspection or cause it to be made by a deputy~~
52 ~~whom he shall designate]~~ with an explanation of why such request was
53 denied. In no event may an authority who is otherwise required by law to
54 conduct fire inspections in such municipality or a county fire coordina-
55 tor refuse a request by a school administrator for such inspection.

1 ~~[d.]~~ c. Regardless of the method or methods used to accomplish the
2 inspection required by this section, the person making the inspection
3 shall file the report thereof with the school authorities no later than
4 the first day of December.

5 4. The state fire administrator shall prescribe the form of the fire
6 inspection report and the commissioner of education shall furnish a
7 supply of such form to school authorities annually, either by mail or
8 electronically. In prescribing such form the state fire administrator
9 shall consider standards for fire safety set forth in the state building
10 construction code, the state building conservation and fire prevention
11 code, the regulations of the commissioner of education and other safety
12 standards.

13 5. a. The report of any fire inspection shall be filed in the office
14 of the school authorities and with the commissioner of education. All
15 such reports so filed in any public office shall be kept as public
16 records for at least three years after which period they may be
17 destroyed.

18 b. Within twenty days after the filing of the report with the school
19 authorities, the school authorities shall cause public notice of the
20 filing of such report to be given in substantially the following form:
21 "Notice is hereby given that the annual inspection for (year) of
22 the school building (or of the
23 and school buildings) of (name of school district or private
24 school) for fire hazards which might endanger the lives of students,
25 teachers and employees therein, has been completed and the report there-
26 of is available at the office of (school district or private school)
27 at for inspection by all interested persons". If the inspection
28 was not made for the school authorities by the fire department or fire
29 company responsible for fire protection of the building, such authori-
30 ties shall cause a copy of such notice to be mailed or electronically
31 transmitted to the chief of such fire department or company.

32 c. The school authorities of public schools shall cause such notice to
33 be published at least once in the official newspaper, or if there is no
34 official newspaper, in a newspaper having general circulation in the
35 school district, and if there is no newspaper having general circulation
36 in the district, shall cause such notice to be posted in ten conspicuous
37 places in the district or may be posted on the school's website. Proof
38 of publication or posting of such notice and of the mailing of a copy of
39 such notice to the fire chief shall be filed in the office of the
40 district.

41 d. The school authorities of private schools shall cause such notice
42 to be published at least once in a newspaper having general circulation
43 in the postal area in which the school building is located, and if there
44 is no newspaper having general circulation in such postal area, shall
45 cause such notice to be posted in ten conspicuous places in such postal
46 area, or may be posted on the school's website. Proof of posting or
47 publication of such notice and of the mailing of a copy of such notice
48 to the fire chief shall be filed in the school office.

49 e. If the report shows any alleged deficiencies, the school authori-
50 ties shall ~~[give at least five days notice by mail to the chief of the~~
51 ~~fire department or fire company responsible for fire protection of the~~
52 ~~school building of the date and place of a meeting of the trustees,~~
53 ~~board of education, or corresponding officers by whatever name known, to~~
54 ~~be held within thirty days following the publication or posting required~~
55 ~~by this section, and shall at such meeting confer with the fire chief~~
56 ~~concerning the alleged deficiencies appearing on the inspection report~~

~~and the measures proposed to be taken by the school authorities to correct such deficiencies.~~

~~f. In each such school district subject to the jurisdiction of a district superintendent under the provisions of article forty-five of the education law, such district superintendent shall ascertain that the notices required by this subdivision have been published or posted, and mailed, and any conference with the fire chief required by this subdivision has been had]~~ provide the details of such deficiencies and the proposed actions to be taken to correct such deficiencies to the local government that administers and enforces the uniform fire prevention and building code for the municipality in which the building is located.

6. a. It shall be the duty of the commissioner to ascertain annually whether the inspections of school buildings required by this section have been made and the reports of the inspection have been filed in their respective offices. The commissioner shall review the reports of inspection filed pursuant to this section and may make recommendations to the school authorities with respect to any problems relating to school fire safety noted in such reports. The commissioner shall require a re-inspection of school buildings where a report of inspection identified violations ~~[that, if uncorrected, would cause the department to]~~ until it is demonstrated to the satisfaction of the commissioner that said violations have been corrected. In the event that a public school fails to correct violations following a re-inspection, the commissioner may deny an annual certificate of occupancy to such school building[~~r and shall require additional re-inspections until it is demonstrated to the satisfaction of the commissioner that said violations have been corrected]~~. The commissioner may inspect or cause to be inspected at any reasonable time for fire prevention and fire protection purposes the school buildings required to be inspected by this section.

b. In the event a private school has failed to file an annual fire safety report with the department within ninety days of the sixteenth of December, the commissioner shall inspect or request an appropriate local authority, described in subdivision seven of this section, to inspect the school. The commissioner shall withhold any apportionment of mandated services aid including reimbursement for the comprehensive attendance policy, to any private school which has either refused access for an inspection pursuant to this paragraph, or which has not corrected violations identified in such report in a timely manner. No such apportionment shall be released until the commissioner has determined that the private school has fully complied with this subdivision. In addition, the commissioner may notify the local government, who issues the certificate of occupancy for the school, of their failure to file a fire safety report.

7. a. Every public or private school required to be inspected as hereinabove provided may be inspected for fire prevention and fire protection purposes at any reasonable time by:

(1) the chief of the fire department of the city, town, village or fire district in which the school is located,

(2) the chief of a fire corporation having its headquarters outside a village or fire district, if the school is located in the area described in the certificate of incorporation of such company,

(3) the chief of the fire department or fire company affording fire protection to a fire district, fire protection district, or fire alarm district pursuant to a contract, if the school is located in any such district,

(4) the member of any fire department or fire company listed in subparagraph one, two or three of this paragraph assigned by the chief thereof the duty of inspecting school buildings[~~+~~],

(5) the fire inspector, who holds a valid certification, of any city, town, village or fire district in which the building is located,

(6) the county fire coordinator, or the officer performing the powers and duties of a county fire coordinator pursuant to a local law, of the county in which the building is located.

b. In no event shall the school authorities of any public or private school, required to be inspected as hereinabove provided, refuse access at any reasonable time to any person described in subparagraphs one, two, three [~~and~~], four, five or six of paragraph a of this subdivision, who appears for the purpose of conducting an inspection for fire prevention or fire protection purposes; provided, however, that the administrator or the designee of the administrator of the school to be inspected shall be given the opportunity to be present during the inspection.

~~8. [Any person, or any public or other corporation for which any such person acts, shall not be liable for any error, omission or lack of thoroughness in the making of the inspection and report required or permitted by this section.~~

~~9-]~~ The term "school authorities", as used in this section, means, in relation to public schools, the trustees, or board of education, or corresponding officers, whether one or more, and by whatever name known of a city school district, or other school district however created, or, in relation to private schools, the board of trustees, board of directors, or other governing board in general charge of the operation of any such school.

~~[10-]~~ 9. The term "private school", as used in this section, means:

a. Any nursery school or kindergarten attended by six or more pupils three years of age or older which may apply for registration by the New York state education department pursuant to part one hundred twenty-five of title eight of the official compilation of codes, rules and regulations of the state of New York; provided, however, that this section shall not apply to day care facilities possessing a valid permit as required by section three hundred ninety of the social services law; or

b. Any establishment, other than a public school, attended by twenty-five or more pupils for the purpose of receiving the instruction of academic grade at the elementary or secondary level required by part one of article sixty-five of this chapter.

~~[11-]~~ 10. This section shall not apply to the school authorities in the cities of New York, Buffalo, Rochester, Syracuse and Yonkers or to colleges and universities.

§ 2. Subdivision 1 of section 807-c of the education law, as amended by chapter 1015 of the laws of 1974, is amended to read as follows:

1. The school authorities designated in subdivision [~~nine~~] eight of section eight hundred seven-a of this [~~chapter~~] article in charge of the operation of any public school or of any private school designated in subdivision [~~ten~~] nine of such section, located in an area within which a fire department or fire company is responsible for fire protection and within which there is no electrically or electronically operated fire alarm reporting system provided for public use may cause the internal fire alarm, fire detection, or fire extinguishing system of each building in which is contained classroom, dormitory, laboratory, physical education, dining or recreational facilities for student use to be interconnected with the fire alarm reporting location or system which is

1 provided for such fire department or fire company to receive alarms from
2 the public so that upon activation of such internal fire alarm, fire
3 detection, or fire extinguishing system a signal will be automatically
4 transmitted to such fire alarm reporting location or system.
5 § 3. This act shall take effect on the sixtieth day after it shall
6 have become a law.
