# IN ASSEMBLY

January 23, 2017

Introduced by M. of A. CURRAN -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to the apportionment of expenses

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. Subdivision 1 of section 1908 of the education law is amended to read as follows:

1. The board of education of such central high school district shall cause to be apportioned among the school districts included in such central high school district the amount required for the payment of the principal and interest of all obligations issued for the purchase or acquisition of a school site, the erection thereon of a new school building and the construction of improvements and other structures on such site, and for the payment of the authorized expenditures for the maintenance, support and expenses of such high school during the ensuing school year. There shall be apportioned to each such district such portion of such amount as the assessed valuation of the taxable property in such district bears to the total assessed valuation of all the school districts included in such central high school district, **including the total assessed value of payment in lieu of taxes,** as appears from the last preceding assessment roll. The board of education of such central high school district shall on or before July first of each year present to the board of education of each union free school district and to the trustee or board of trustees of each common school district in such central high school district a certified statement of the portion of such amount to be paid by each of such districts, except that in a central high school district where the board of education has by resolution pursuant to section nineteen hundred six **of this article** determined that the annual meeting of such central high school district shall be held on the last Tuesday in April, and where the annual meeting has

been so held, the board of education of such central high school district must present the above mentioned certified statement in the manner above set out on or before May tenth of each year, and the said boards of education, boards of trustees or trustees shall cause the same to be raised by tax on the taxable property in such districts in the same manner as other taxes for the support and maintenance of the schools therein.

§ 2. This act shall take effect immediately.
