19 (c) Where school district taxes are payable to the collecting officer
20 of a city or town that has acted to allow partial payments, the govern-

40 be authorized to accept partial payments of school district taxes under
41 the same conditions as may apply to city or town taxes, unless the

9 ~~es of municipal corporations to which it applies, it shall be deemed to~~
10 ~~apply only to the towns in the county.~~

11 ~~3-]~~ After any partial payment authorized pursuant to this section has
12 been paid, interest and penalties shall be charged against the unpaid
13 balance only. The acceptance of a partial payment by any official pursu-

39 with the provisions of section one thousand eighty-six of this chapter.
40 Provided, further, the provisions of subsection (c) of section one thou-

23 and determines that the pending applications from eligible applicants
24 for the empire state film post production tax credit pursuant to section
25 thirty-one of this article is insufficient to utilize the balance of
26 unallocated empire state film post production tax credits from such
27 pool, the remainder, after such pending applications are considered,
28 shall be made available for allocation in the empire state film tax
29 credit pursuant to this section, subdivision twenty of section two

45 claim a credit must report the allocation year directly on their empire
46 state film production credit tax form for each year a credit is claimed
47 and include a copy of the certificate with their tax return. In the case
48 of a qualified film that receives funds from additional pool 2, no

50 the taxable year the production of the qualified film is complete, or
51 the taxable year immediately following the allocation year for which the

Such aggregate amount of credits shall be allocated by the governor's office for motion picture and television development among taxpayers in order of priority based upon the date of filing an application for allocation of post production credit with such office. If the total amount of allocated credits applied for under this paragraph in any year exceeds the aggregate amount of tax credits allowed for such year under this paragraph, such excess shall be treated as having been applied for on the first day of the next year. If the total amount of allocated tax credits applied for under this paragraph at the conclusion of any year is less than five million dollars, the remainder shall be treated as part of the annual allocation for two thousand seventeen made available to the empire state film post production credit pursuant to paragraph four of subdivision (e) of section twenty-four of this article. 20 teen and ending before two thousand twenty-three. Any unused annual
21 allocation of the credit shall be made available in each of the subse-
22 quent years before two thousand twenty-three.

23 (b) Definitions. (1) The term "qualified apprenticeship agreement"
24 means an apprenticeship agreement as defined by section eight hundred
25 sixteen of this chapter that has been registered with, and approved by,
26 the commissioner, for a trade other than a construction trade.

27 (2) The term "qualified employer" means an employer that has or
28 participates in a commissioner approved registered apprenticeship
29 program.

30 (3) The term "construction" means constructing, reconstructing, alter-
31 ing, maintaining, moving, rehabilitating, repairing, renovating, fabri-
32 cating, servicing, or demolition of any building, structure, or improve-
33 ment, or component, or relating to the excavation of or other
34 development or improvement to land.

35 (4) The term "participating employer" means a qualified employer that
36 has applied to participate in the empire state apprenticeship tax credit
37 program and received a preliminary certificate of tax credit from the
38 commissioner. The preliminary certificate shall state the maximum amount
39 of the tax credit that the employer may be able to claim if the appli-
40 cant becomes a "certified employer."

41 (5) The term "certified employer" means a qualified employer that has
42 received a final certificate of eligibility from the commissioner after
43 the commissioner has determined that the qualified employer has
44 fulfilled all the requisite eligibility criteria to participate in the
45 empire state apprenticeship tax credit program established in this
46 section. The final certificate of eligibility shall state the actual
47 amount of tax credit that a certified employer is entitled to claim and
48 the allocation year of the credit.

49 (6) The term "qualified apprentice" means an individual employed by a
50 participating employer in a full time position for at least six months
51 of a calendar year pursuant to a qualified apprenticeship agreement with
52 a qualified employer. No individual employed by a qualified employer

8 (8) The term "mentor" means an individual who provides instruction,
9 guidance, and support to the apprentice on a regular basis throughout
10 the apprentice's completion of the apprenticeship as the apprentice
11 seeks employment in the field or industry of the apprenticeship. The
12 goal of the mentor is to help train the apprentice in his or her trade
13 and to help the apprentice successfully complete the apprenticeship and
14 to secure and retain employment.

15 (c)(1) A certified employer shall be entitled to a tax credit against
16 income or franchise tax for each qualified apprentice. The base credit
17 allowed under this program shall be computed as follows:

18 (A) (1) two thousand dollars for each first year apprentice; (2) three
19 thousand dollars for each second year apprentice; (3) four thousand
20 dollars for each third year apprentice; (4) five thousand dollars for
21 each fourth year apprentice; and (5) six thousand dollars for each fifth

23 fourth or fifth year apprentice will be determined on the last day of
24 the calendar year, or if the apprentice is no longer employed by the
25 participating employer on the last day of the calendar year, on the last
26 day of the apprentice's employment with the participating employer; or

30 apprentice; (2) six thousand dollars for each second year apprentice;
31 and (3) seven thousand dollars for each third, fourth, or fifth year
32 apprentice. The apprentice's status as a first, second, third, fourth or
33 fifth year apprentice will be determined on the last day of the calendar
34 year, or if the apprentice is no longer employed by the participating
35 employer on the last day of the calendar year, on the last day of the
36 apprentice's employment with the participating employer. If a disadvan-
37 tagged youth begins an apprenticeship before the age of twenty-five, a
38 certified employer shall be eligible to continue to receive the tax
39 credit for such youth under this subparagraph until that apprentice
40 completes the apprenticeship.

41 (2) If an apprentice has been trained in his or her trade by a mentor
42 for the entirety of the calendar year, the base credit amounts described
43 in paragraph one of this subdivision shall be increased by five hundred
44 dollars.

45 (3) The certified employer shall not be allowed a tax credit under
46 this program for any apprentice, if that apprentice is the basis for any
47 other state tax credit.

48 (d) Application and approval process. (1) To participate in the
49 program established under this section, a qualified employer must submit
50 to the commissioner an application in a form prescribed by the commis-
51 sioner. As part of such application, a qualified employer must:

52 (A) Agree to allow the department of taxation and finance to share its
53 tax information with the department. However, any information shared as
54 a result of this agreement shall not be available for disclosure or
55 inspection under the state freedom of information law.

1 (B) Allow the department and its agents access to any and all books
2 and records the department may require to monitor compliance.

3 (2) After reviewing a qualified employer's completed application and
4 determining that the qualified employer will meet the eligibility condi-

6 promulgated by the commissioner, the commissioner may admit the appli-
7 cant into the program as a participating employer and provide the appli-
8 cant with a preliminary certificate of eligibility establishing the
9 qualified employer as a participating employer and stating the maximum
10 amount of credit for which the applicant may be eligible.

11 (3) To receive a final certificate of tax credit, the participating
12 employer must annually submit a final report to the commissioner, in a
13 form prescribed by the commissioner. The report must demonstrate that
14 the applicant has satisfied all eligibility requirements and provided
15 all the information necessary for the commissioner to compute an actual
16 amount of credit allowed for that calendar year, notwithstanding the
17 fact that a participating employer's taxable year may be a fiscal year,
18 as defined in subdivision ten of section two hundred eight of the tax
19 law.

20 (4) After reviewing the final report and finding it sufficient, the
21 commissioner shall certify the participating employer as a certified
22 employer and issue a final certificate of tax credit. Such certificate
23 shall include, but not be limited to, the following information:

24 (A) The name and employer identification number of the certified
25 employer;

26 (B) The actual amount of credit to which the certified employer is
27 entitled for that calendar year, which actual amount cannot exceed the
28 amount of credit listed on the preliminary certificate but may be less
29 than such amount;

30 (C) The allocation year of the credit.

31 (5) If a certified employer's taxable year is a fiscal year, it shall
32 be entitled to claim the credit on the return for the fiscal year that
33 includes the last day of the calendar year covered by the final certif-
34 icate of tax credit.

35 (e) The commissioner shall establish guidelines and criteria that
36 specify requirements for qualified employers to participate in the
37 program including criteria for certifying qualified apprentices. Any
38 regulations that the commissioner determines are necessary and are
39 consistent with the purpose of this article may be adopted on an emer-
40 gency basis notwithstanding any provisions to the contrary in the state
41 administrative procedure act. The commissioner may give preference to
42 qualified employers that hire and train disadvantaged youth through
43 qualified apprenticeship agreements, and qualified employers that are
44 engaged in demand occupations or industries, or in regional growth
45 sectors, including those identified by the department, such as clean
46 energy, health care, technology, including software engineering and web
47 development, advanced manufacturing and conservation. In addition, the
48 commissioner may give preference to employers that employ apprentices in
49 newly established apprenticeship programs. The commissioner also may
50 take the following factors into consideration when evaluating whether to
51 approve an application in a year subsequent to the year in which a qual-
52 ified employer was determined to be a certified employer:

53 (1) the length of the qualified apprenticeship agreement the employer
54 has entered into;

1 (2) how many apprentices have graduated from the apprenticeship
2 program to which the qualified apprentice employed by the employer
3 belongs;

4 (3) how many apprentices in the apprenticeship program the qualified
5 employer has hired; and

6 (4) any other factors the commissioner deems relevant.

7 (f) The commissioner shall annually publish a report. Such report must
8 contain the names and addresses of any certified employer issued a final
9 certificate of eligibility under this section, the work location of each
10 apprentice generating credit, the amount of empire state apprenticeship
11 tax credit allowed to the certified employer as specified on such final
12 certificate of eligibility, and the number of each of the first year
13 apprentices, second year apprentices, third year apprentices, fourth
14 year apprentices, and fifth year apprentices, and how many of each of
15 those types are considered disadvantaged youth. The commissioner shall
16 include in such report the relevant industries of certified employers
17 and recommendations for legislative or other action to further the
18 intent and purpose of the empire state apprenticeship tax credit
19 program.

20 (g) The commissioner shall promote, publish and disseminate informa-
21 tion concerning the empire state apprenticeship tax credit and other
22 available funding, particularly targeting industries and fields of busi-
23 ness not currently taking advantage of apprenticeships.

24 § 2. Section 210-B of the tax law is amended by adding a new subdivi-
25 sion 49 to read as follows:

26 49. Empire state apprenticeship tax credit. (a) A taxpayer that has
27 been certified by the commissioner of labor as a certified employer
28 pursuant to section twenty-five-c of the labor law shall be allowed a
29 credit against the tax imposed by this article equal to the amount spec-
30 ified under subdivision (c) of section twenty-five-c of the labor law.
31 In no event shall the taxpayer be allowed a credit greater than the
32 amount of the credit listed on the final certificate of eligibility.

33 (b) The credit allowed under this subdivision for any taxable year may
34 not reduce the tax due for that year to less than the amount prescribed
35 in paragraph (d) of subdivision one of section two hundred ten of this
36 article. However, if the amount of the credit allowed under this subdivi-
37 vision for any taxable year reduces the tax to that amount or if the
38 taxpayer otherwise pays tax based on the fixed dollar minimum amount,
39 any amount of credit not deductible in that taxable year will be treated
40 as an overpayment of tax to be credited or refunded in accordance with
41 the provisions of section one thousand eighty-six of this chapter.
42 Provided, however, no interest will be paid thereon.

43 § 3. Section 606 of the tax law is amended by adding a new subsection
44 (vvv) to read as follows:

45 (vvv) Empire state apprenticeship tax credit. (1)(A) A taxpayer that
46 has been certified by the commissioner of labor as a certified employer
47 pursuant to section twenty-five-c of the labor law shall be allowed a
48 credit against the tax imposed by this article equal to the amount spec-
49 ified under subdivision (c) of section twenty-five-c of the labor law.
50 In no event shall the taxpayer be allowed a credit greater than the
51 amount of the credit listed on the final certificate of tax credit.

52 (B) A taxpayer that is a partner in a partnership, member of a limited
53 liability company or shareholder in an S corporation that has been
54 certified by the commissioner of labor as a certified employer pursuant
55 to section twenty-five-c of the labor law shall be allowed its pro rata

1 share of the credit earned by the partnership, limited liability company
2 or S corporation.

3 (2) If the amount of the credit allowed under this subsection exceeds
4 the taxpayer's tax for the taxable year, any amount of credit not deduc-
5 tible in that taxable year will be treated as an overpayment of tax to
6 be credited or refunded in accordance with the provisions of section six
7 hundred eighty-six of this article. Provided, however, no interest will
8 be paid thereon.

9 § 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
10 of the tax law is amended by adding a new clause (xliii) to read as
11 follows:

12 (xliii) Empire state apprenticeship
13 tax credit under subsection (vvv)

Amount of credit under
subdivision forty-nine of
section two hundred ten-B

15 § 5. This act shall take effect immediately and shall apply to taxable
16 years commencing on or after January 1, 2018.

17 § 2. Severability. If any clause, sentence, paragraph, subdivision or
18 section of this part shall be adjudged by any court of competent juris-
19 diction to be invalid, such judgment shall not affect, impair, or inval-
20 idate the remainder thereof, but shall be confined in its operation to
21 the clause, sentence, paragraph, subdivision or section thereof directly
22 involved in the controversy in which such judgment shall have been
23 rendered. It is hereby declared to be the intent of the legislature that
24 this part would have been enacted even if such invalid provisions had
25 not been included herein.

26 § 3. This act shall take effect immediately; provided, however, that
27 the applicable effective date of Subparts A and B of this part shall be
28 as specifically set forth in the last section of such Subparts.

29 PART O

30 Section 1. Subdivision 6 of section 187-b of the tax law, as amended
31 by section 1 of part G of chapter 59 of the laws of 2013, is amended to
32 read as follows:

33 6. Termination. The credit allowed by subdivision two of this section
34 shall not apply in taxable years beginning after December thirty-first,
35 two thousand [~~seventeen~~] twenty-two.

36 § 2. Paragraph (f) of subdivision 30 of section 210-B of the tax law,

43 amended by section 3 of part G of chapter 59 of the laws of 2013, is
44 amended to read as follows:

45 (6) Termination. The credit allowed by this subsection shall not apply
46 in taxable years beginning after December thirty-first, two thousand
47 [~~seventeen~~] twenty-two.

48 § 4. This act shall take effect immediately.

49 PART P

50 Section 1. Legislative findings. The legislature finds and declares
51 that this act does not alter the meaning of the statutes amended herein;
52 instead, it is the intent of the legislature to confirm the long-stand-

ing position of the department of taxation and finance interpreting these statutes, as well as relevant prior statutes, as not allowing the investment tax credit where tangible personal property and other tangible property is principally used by the taxpayer in the production or distribution of electricity or steam, the delivery of natural gas after extraction from wells and the production and delivery of water through pipes and mains.

§ 2. Subparagraph (i) of paragraph (b) of subdivision 1 of section 210-B of the tax law, as amended by section 31 of part T of chapter 59 of the laws of 2015, is amended to read as follows:

(i) A credit shall be allowed under this subdivision with respect to tangible personal property and other tangible property, including buildings and structural components of buildings, which are: depreciable pursuant to section one hundred sixty-seven of the internal revenue code, have a useful life of four years or more, are acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code, have a situs in this state and are (A) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (B) industrial waste treatment facilities or air pollution control facilities, used in the taxpayer's trade or business, (C) research and development property, or (D) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section four hundred seventy-five (e) of the Internal Revenue Code, (E) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, (F) principally used in the ordinary course of the taxpayer's business as an exchange registered as a national securities exchange within the meaning of sections 3(a)(1) and 6(a) of the Securities Exchange Act of 1934 or a board of trade as defined in subparagraph one of paragraph (a) of section fourteen hundred ten of the not-for-profit corporation law or as an entity that is wholly owned by one or more such national securities exchanges or boards of trade and that provides automation or technical services thereto, or (G) principally used as a qualified film production facility including qualified film production facilities having a situs in an empire zone designated as such pursuant to article eighteen-B of the general municipal law, where the taxpayer is providing three or more services to any qualified film production company using the facility, including such services as a studio lighting grid, lighting and grip equipment, multi-line phone service, broadband information technology access, industrial scale electrical capacity, food services, security services, and heating, ventilation and air conditioning. For purposes of clauses (D), (E) and (F) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer, registered investment advisor, national securities

1 exchange or board of trade, is allowed a credit under this subdivision
2 if the property is used by its affiliated regulated broker, dealer,
3 registered investment advisor, national securities exchange or board of
4 trade in accordance with this subdivision. For purposes of determining
5 if the property is principally used in qualifying uses, the uses by the
6 taxpayer described in clauses (D) and (E) of this subparagraph may be
7 aggregated. In addition, the uses by the taxpayer, its affiliated regu-
8 lated broker, dealer and registered investment advisor under either or
9 both of those clauses may be aggregated. Provided, however, a taxpayer
10 shall not be allowed the credit provided by clauses (D), (E) and (F) of
11 this subparagraph unless the property is first placed in service before
12 October first, two thousand fifteen and (i) eighty percent or more of
13 the employees performing the administrative and support functions
14 resulting from or related to the qualifying uses of such equipment are
15 located in this state or (ii) the average number of employees that
16 perform the administrative and support functions resulting from or
17 related to the qualifying uses of such equipment and are located in this
18 state during the taxable year for which the credit is claimed is equal
19 to or greater than ninety-five percent of the average number of employ-
20 ees that perform these functions and are located in this state during
21 the thirty-six months immediately preceding the year for which the cred-
22 it is claimed, or (iii) the number of employees located in this state
23 during the taxable year for which the credit is claimed is equal to or
24 greater than ninety percent of the number of employees located in this
25 state on December thirty-first, nineteen hundred ninety-eight or, if the
26 taxpayer was not a calendar year taxpayer in nineteen hundred ninety-
27 eight, the last day of its first taxable year ending after December
28 thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes
29 subject to tax in this state after the taxable year beginning in nine-
30 teen hundred ninety-eight, then the taxpayer is not required to satisfy
31 the employment test provided in the preceding sentence of this subpara-
32 graph for its first taxable year. For purposes of clause (iii) of this
33 subparagraph the employment test will be based on the number of employ-
34 ees located in this state on the last day of the first taxable year the
35 taxpayer is subject to tax in this state. If the uses of the property
36 must be aggregated to determine whether the property is principally used
37 in qualifying uses, then either each affiliate using the property must
38 satisfy this employment test or this employment test must be satisfied
39 through the aggregation of the employees of the taxpayer, its affiliated
40 regulated broker, dealer, and registered investment advisor using the
41 property. For purposes of ~~this subdivision, the term "goods" shall not~~
42 ~~include electricity~~ clause (A) of this subparagraph, tangible personal
43 property and other tangible property shall not include property princi-
44 pally used by the taxpayer in the production or distribution of elec-
45 tricity, natural gas after extraction from wells, steam, or water deliv-
46 ered through pipes and mains.

47 § 3. Subparagraph (A) of paragraph 2 of subsection (a) of section 606
48 of the tax law, as amended by chapter 637 of the laws of 2008, is
49 amended to read as follows:

50 (A) A credit shall be allowed under this subsection with respect to
51 tangible personal property and other tangible property, including build-
52 ings and structural components of buildings, which are: depreciable
53 pursuant to section one hundred sixty-seven of the internal revenue
54 code, have a useful life of four years or more, are acquired by purchase
55 as defined in section one hundred seventy-nine (d) of the internal
56 revenue code, have a situs in this state and are (i) principally used by

1 the taxpayer in the production of goods by manufacturing, processing,
2 assembling, refining, mining, extracting, farming, agriculture, horti-
3 culture, floriculture, viticulture or commercial fishing, (ii) indus-
4 trial waste treatment facilities or air pollution control facilities,
5 used in the taxpayer's trade or business, (iii) research and development
6 property, (iv) principally used in the ordinary course of the taxpayer's
7 trade or business as a broker or dealer in connection with the purchase
8 or sale (which shall include but not be limited to the issuance, enter-
9 ing into, assumption, offset, assignment, termination, or transfer) of
10 stocks, bonds or other securities as defined in section four hundred
11 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as
12 defined in section 475(e) of the Internal Revenue Code, (v) principally
13 used in the ordinary course of the taxpayer's trade or business of
14 providing investment advisory services for a regulated investment compa-
15 ny as defined in section eight hundred fifty-one of the Internal Revenue
16 Code, or lending, loan arrangement or loan origination services to
17 customers in connection with the purchase or sale (which shall include
18 but not be limited to the issuance, entering into, assumption, offset,
19 assignment, termination, or transfer) of securities as defined in
20 section four hundred seventy-five (c)(2) of the Internal Revenue Code,
21 or (vi) principally used as a qualified film production facility includ-
22 ing qualified film production facilities having a situs in an empire
23 zone designated as such pursuant to article eighteen-B of the general
24 municipal law, where the taxpayer is providing three or more services to
25 any qualified film production company using the facility, including such
26 services as a studio lighting grid, lighting and grip equipment, multi-
27 line phone service, broadband information technology access, industrial
28 scale electrical capacity, food services, security services, and heat-
29 ing, ventilation and air conditioning. For purposes of clauses (iv) and
30 (v) of this subparagraph, property purchased by a taxpayer affiliated
31 with a regulated broker, dealer, or registered investment adviser is
32 allowed a credit under this subsection if the property is used by its
33 affiliated regulated broker, dealer or registered investment adviser in
34 accordance with this subsection. For purposes of determining if the
35 property is principally used in qualifying uses, the uses by the taxpay-
36 er described in clauses (iv) and (v) of this subparagraph may be aggre-
37 gated. In addition, the uses by the taxpayer, its affiliated regulated
38 broker, dealer and registered investment adviser under either or both of
39 those clauses may be aggregated. Provided, however, a taxpayer shall not
40 be allowed the credit provided by clauses (iv) and (v) of this subpara-
41 graph unless (I) eighty percent or more of the employees performing the
42 administrative and support functions resulting from or related to the
43 qualifying uses of such equipment are located in this state, or (II) the
44 average number of employees that perform the administrative and support
45 functions resulting from or related to the qualifying uses of such
46 equipment and are located in this state during the taxable year for
47 which the credit is claimed is equal to or greater than ninety-five
48 percent of the average number of employees that perform these functions
49 and are located in this state during the thirty-six months immediately
50 preceding the year for which the credit is claimed, or (III) the number
51 of employees located in this state during the taxable year for which the
52 credit is claimed is equal to or greater than ninety percent of the
53 number of employees located in this state on December thirty-first,
54 nineteen hundred ninety-eight or, if the taxpayer was not a calendar
55 year taxpayer in nineteen hundred ninety-eight, the last day of its
56 first taxable year ending after December thirty-first, nineteen hundred

ninety-eight. If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For the purposes of clause (III) of this subparagraph the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser using the property. For purposes of ~~[this subsection, the term "goods" shall not include electricity]~~ clause (i) of this subparagraph, tangible personal property and other tangible property shall not include property principally used by the taxpayer in the production or distribution of electricity, natural gas after extraction from wells, steam, or water delivered through pipes and mains.

§ 4. This act shall take effect immediately.

PART Q

Section 1. Legislative findings. The legislature finds it necessary to revise a decision of the tax appeals tribunal that disturbed the long-standing policy of the department of taxation and finance that single member limited liability companies that are treated as disregarded entities for federal income tax purposes also would be treated as disregarded entities for purposes of determining eligibility of the owners of such entities for tax credits allowed under article 9, 9-A, 22, 32 (prior to its repeal) or 33 of the tax law. The decision of the tax appeals tribunal, if allowed to stand, will result in the denial of tax credits, such as empire zone tax credits, to taxpayers who in prior years received those credits.

§ 2. The tax law is amended by adding a new section 43 to read as follows:

§ 43. Single member limited liability companies and eligibility for tax credits. A limited liability company that has a single member and is disregarded as an entity separate from its owner for federal income tax purposes (without reference to any special rules related to the imposition of certain federal taxes, including but not limited to certain employment and excise taxes) shall be disregarded as an entity separate from its owner for purposes of determining whether or not the taxpayer that is the single member of such limited liability company satisfies the requirements to be eligible for any tax credit allowed under article nine, nine-A, twenty-two or thirty-three of this chapter or allowed under article thirty-two of this chapter prior to the repeal of such article. Such requirements, including but not limited to any necessary certification, employment or investment thresholds, payment obligations, and any time period for eligibility, shall be imposed on the taxpayer and the determination of whether or not such requirements have been satisfied and the computation of the credit shall be made by deeming such taxpayer and such limited liability company to be a single entity. If the taxpayer is the single member of more than one limited liability company that is disregarded as an entity separate from its owner, the determination of whether or not the requirements to be eligible for any

tax credit allowed under article nine, nine-A, twenty-two or thirty-three of this chapter or allowed under article thirty-two of this chapter prior to the repeal of such article have been satisfied and the computation of the credit shall be made by deeming such taxpayer and such limited liability companies to be a single entity.

§ 3. This act shall take effect immediately; provided however, that section 43 of the tax law, as added by section two of this act, shall apply to all taxable years for which the statute of limitations for seeking a refund or assessing additional tax is still open.

12 (b) Notwithstanding any provision of this article to the contrary, the
13 exclusion in paragraph (a) of this subdivision shall not apply to the
14 use within the state of property or a service purchased outside this
15 state by a nonresident that is not an individual, unless such nonresi-

1 Section 1. Subdivision 2 of section 902 of the racing, pari-mutuel
2 wagering and breeding law, as amended by chapter 18 of the laws of 2008,
3 is amended and four new subdivisions 3, 4, 5 and 6 are added to read as
4 follows:

5 2. Notwithstanding any inconsistent provision of the law, all costs
6 and expenses of the [~~state racing and wagering board~~] gaming commission
7 for equine drug testing and research shall be paid from an appropriation
8 from the state treasury, on the certification of the [~~chairman of the~~
9 ~~state racing and wagering board~~] executive director of the commission,
10 upon the audit and warrant of the comptroller and pursuant to a plan
11 developed by the [~~state racing and wagering board~~] commission as
12 approved by the director of the budget; provided, however, the commis-
13 sion may direct the assessment imposed pursuant to subdivision three of
14 this section to be paid directly to the laboratory authorized to conduct
15 equine drug testing pursuant to subdivision one of this section,
16 provided however, upon direction of the commission, any amounts directly
17 paid to such laboratory shall constitute an encumbrance of
18 appropriation.

19 3. (a) The commission may impose an assessment on each race track
20 licensed or franchised pursuant to this chapter, and an additional per
21 start fee, for any additional costs and expenses of equine drug testing
22 and research conducted at a laboratory authorized pursuant to subdivi-
23 sion one of this section, after all other funds for such purpose have
24 been expended.

25 (b) (i) The commission shall establish an assessable amount by May
26 first of each year based on the projected deficit of revenues deposited
27 into the racing regulation account established by section ninety-nine-i
28 of the state finance law, including funds deposited pursuant to sections
29 one hundred fifteen, two hundred thirty-six, two hundred thirty-eight,
30 three hundred seven, three hundred eight, three hundred eighteen, five
31 hundred twenty-seven, one thousand seven, one thousand eight, one thou-
32 sand nine, one thousand fourteen, one thousand fifteen, one thousand
33 sixteen, and one thousand eighteen of this chapter in relation to the
34 conduct of racing, the amount of funds paid for equipment pursuant to
35 subdivision two of section two hundred twenty-eight of this chapter, the
36 amount of funds received by the commission from the purse enhancement
37 account for equine health and safety pursuant to paragraph two of subdi-
38 vision b of section sixteen hundred twelve of the tax law in relation to
39 video lottery terminal facilities at race tracks licensed pursuant to
40 articles two and three of this chapter, and by the amount of funds
41 generated by any other existing fees, taxes and assessments paid by race
42 tracks or owners licensed pursuant to articles two and three of this
43 chapter for the purpose of equine drug testing, compared to expenses in
44 the racing regulation account. The commission shall impose the assessa-
45 ble amount as an assessment upon each race track, and as an additional
46 per start fee on each owner. In no event shall the total assessable
47 amount exceed the total expense projected by the commission for equine
48 drug testing and research conducted at a laboratory authorized pursuant
49 to subdivision one of this section during that year.

50 (ii) The total value of the assessment imposed upon all race tracks
51 shall be fifty percent of the assessable amount calculated by subpara-
52 graph (i) of this paragraph, and shall be assessed in a manner that is
53 proportional to the number of starts at each race track during the
54 previous year. In no event shall any race track impose the cost of such
55 assessment, in part or in whole, on any owner or trainer.

(iii) The total value of the additional per start fee imposed on owners licensed pursuant to this chapter as an additional per start fee shall be fifty percent of the assessable amount calculated by subparagraph (i) of this paragraph divided by the total number of starts in the previous year, and shall be assessed and paid in the same manner, and in addition to, the fee for the start of a horse in New York state pari-mutuel races provided by section one hundred fifteen-a of this chapter.

4. Payment of the assessment imposed by this section shall be made to the commission, or to the laboratory authorized to conduct equine drug testing if directed by the commission, by each entity required to make such payments. Payments of such assessment shall be made on the last business day of each month and shall cover one-twelfth of the annual assessment, provided however that all such payments required to be made on the last day of April shall be due with the May payment. A penalty of five percent, and interest at the rate of one percent per month from the date the assessment, is due to the date of the payment of the assessment, and shall be payable in case any assessment imposed by this chapter is not paid when due. If the commission determines that any payment received under this section was paid in error, the commission may cause the same to be refunded without interest out of any monies collected thereunder, provided an application therefor is filed with the commission within one year from the time the erroneous payment is made.

5. Any deficit in the racing regulation account on March thirty-first of each year, excluding any deficit attributed to the negative fund balance as of March thirty-first, two thousand seventeen, shall be added to the assessable amount for the following year. Fifty percent of any surplus in such account as of March thirty-first of each year, not to exceed the amount of the assessment imposed on race tracks in that year, shall be used to reduce the assessment imposed on each race track in the following year in proportion to the amount paid by each race track in the year of the surplus. Fifty percent of any surplus in such account as of March thirty-first of each year, not to exceed the total amount of the additional start fees in that year, shall be used to reduce the additional per start fee in the following year. Such reduction shall be calculated in the same manner as the additional per start fee.

6. Not later than May first, each year, the commission shall submit to the director of the budget, the temporary president of the senate and the speaker of the assembly a report on the revenue generated by the assessment, the total cost of equine drug testing, and any projected deficit or surplus in the racing regulation account. The commission shall also publish such report on the commission's website as soon as practicable.

§ 2. This act shall take effect immediately.

(i) The pari-mutuel tax rate authorized by paragraph (a) of this subdivision shall be effective so long as a franchised corporation notifies the gaming commission by August fifteenth of each year that such pari-mutuel tax rate is effective of its intent to conduct a race meeting at Aqueduct racetrack during the months of December, January, February, March and April. For purposes of this paragraph such race meeting shall consist of not less than ninety-five days of racing unless otherwise agreed to in writing by the New York Thoroughbred Breeders Inc., the New York thoroughbred horsemen's association (or such other entity as is certified and approved pursuant to section two hundred twenty-eight of this article) and approved by the commission. Not later than May first of each year that such pari-mutuel tax rate is effective, the gaming commission shall determine whether a race meeting at Aqueduct racetrack consisted of the number of days as required by this paragraph. In determining the number of race days, cancellation of a race day because of an act of God that the gaming commission approves or because of weather conditions that are unsafe or hazardous which the gaming commission approves shall not be construed as a failure to conduct a race day. Additionally, cancellation of a race day because of circumstances beyond the control of such franchised corporation for which the gaming commission gives approval shall not be construed as a failure to conduct a race day. If the gaming commission determines that the number of days of racing as required by this paragraph have not occurred then the pari-mutuel tax rate in paragraph (a) of this subdivision shall revert to the pari-mutuel tax rates in effect prior to January first, nineteen hundred ninety-five.

PART TT

Section 1. Subsection (eee) of section 606 of the tax law is amended by adding a new paragraph 13 to read as follows:

(13) (A) Nothing herein shall be construed to preclude the commissioner from making a preliminary advance payment of the credit based upon an estimate of the STAR tax savings applicable to a school district portion, where he or she finds that attempting to ascertain the actual STAR tax savings applicable to the school district portion would jeopardize the timely issuance of the payment. When making such an estimate, the commissioner shall consider the STAR tax savings applicable in the school district fiscal year preceding the associated fiscal year, the allowable levy growth factor applicable to the calculation of the tax levy limit for the associated fiscal year pursuant to paragraph a of subdivision two of section two thousand twenty-three-a of the education law, taxable assessed value where appropriate, and such other information that in his or her judgment will help make the estimate as accurate as possible.

(B) Nothing herein shall be construed to preclude the commissioner from making a preliminary advance payment of the credit without attempting to ascertain the taxpayer's qualifying taxes, where he or she finds that attempting to ascertain the taxpayer's qualifying taxes would jeopardize the timely issuance of the payment.

(C) If the commissioner determines that a taxpayer received a preliminary advance payment that is above or below the advance payment to which he or she was entitled under this subsection, the commissioner shall provide notice to such taxpayer that the next advance payment due to such taxpayer under this subsection shall be adjusted to reconcile such underpayment or overpayment; provided, however, the commissioner shall permit a taxpayer to request that such adjustment be made on an originally filed timely income tax return for the tax year in which such overpayment or underpayment occurred, provided such return is filed on or before the due date for such return, determined without regard to extensions.

(D) A taxpayer who received a preliminary advance payment that constitutes an overpayment shall not be required to pay interest on the amount of the overpayment.

§ 2. Subparagraph (B) of paragraph 10 of subsection (eee) of section 606 of the tax law, as amended by section 8 of part A of chapter 73 of the laws of 2016, is amended to read as follows:

(B) On or before [~~September fifteenth of each year~~] the date specified below, or as soon thereafter as practicable, the commissioner shall determine the eligibility of taxpayers for this credit utilizing the information available to him or her as obtained from the applications submitted on or before July first of that year, or such later date as may have been prescribed by the commissioner for that purpose, and from such other sources as the commissioner deems reliable and appropriate. For those taxpayers whom the commissioner has determined eligible for this credit, the commissioner shall advance a payment in the amount specified in paragraph three, four or six of this subsection, whichever is applicable. Such payment shall be issued by [~~September thirtieth of the year the credit is allowed~~] the date specified below, or as soon thereafter as is practicable; provided that if such payment is issued after such date, it shall be subject to interest at the rate prescribed by subparagraph (A) of paragraph two of subsection (j) of section six hundred ninety-seven of this article. Nothing contained herein shall be deemed to preclude the commissioner from issuing payments after [~~September thirtieth~~] such date to qualified taxpayers whose applications were made after July first of that year, or such later date as may have been prescribed by the commissioner for such purpose.

(i) The applicable dates for this purpose are as follows:

(I) If the school district tax roll is filed with the commissioner on or before July first, the determination of eligibility shall be made by July fifteenth, or as soon thereafter as is practicable, and the advance payment shall be issued by July thirtieth, or as soon thereafter as is practicable.

(II) If the school district tax roll is filed with the commissioner after July first and on or before September first, the determination of eligibility shall be made by September fifteenth, or as soon thereafter as is practicable, and the advance payment shall be issued by September thirtieth, or as soon thereafter as is practicable.

(III) If the school district tax roll is filed with the commissioner after September first, the determination of eligibility shall be made by the fifteenth day after such filing, or as soon thereafter as is practicable, and the advance payment shall be issued by the thirtieth day after such filing, or as soon thereafter as is practicable.

(ii) Notwithstanding the foregoing provisions of this subparagraph, in the case of taxpayers whose primary residence is a cooperative apartment or a mobile home that is subject to the provisions of subparagraph (A) or (B) of paragraph six of this subsection, the payment shall be issued by the sixtieth day following receipt of all of the data needed to properly calculate the credit, or as soon thereafter as is practicable.

§ 3. Subdivision 6 of section 1306-a of the real property tax law, as amended by section 7 of part A of chapter 73 of the laws of 2016, is amended to read as follows:

6. When the commissioner determines, at least [~~thirty~~] twenty days prior to the levy of school district taxes, that an advance credit of the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law will be provided to the owners of a parcel in that school district, he or she shall so notify the assessor,

1 the county director of real property tax services, and the authorities
2 of the school district, who shall cause a statement to be placed on the
3 tax bill for the parcel in substantially the following form: [~~"A STAR
4 check of \$ _____ will be mailed to you upon issuance by the NYS Tax
5 Department". The commissioner shall advise such officials of the amount
6 to be entered therein.~~] "An estimated STAR check will be mailed to you
7 upon issuance by the NYS Tax Department. Any overpayment or underpayment
8 can be reconciled on your next tax return or STAR credit check."

9 Notwithstanding any provision of law to the contrary, in the event
10 that the parcel in question had been granted a STAR exemption on the
11 assessment roll upon which school district taxes are to be levied, such
12 exemption shall be deemed null and void, shall be removed from the
13 assessment roll, and shall be disregarded when the parcel's tax liabil-
14 ity is determined. The assessor or other local official or officials
15 having custody and control of the data file used to generate school
16 district tax rolls and tax bills shall be authorized and directed to
17 change such file as necessary to enable the school district authorities
18 to discharge the duties imposed upon them by this subdivision.

19 § 4. This act shall take effect immediately.

20 PART UU

21 Section 1. Paragraph 2 of subdivision (e) of section 1111 of the tax
22 law, as amended by section 1 of part LL of chapter 59 of the laws of
23 2014, is amended to read as follows:

24 (2) (i) Where the motor fuel is imported, manufactured or sold in, or
25 diesel motor fuel is sold or used in the region referred to in subpara-
26 graph (i) of paragraph one of this subdivision, the tax required to be
27 prepaid pursuant to section eleven hundred two of this article on each
28 gallon of such fuel shall be [~~seventeen and one-half~~] sixteen cents.

29 (ii) Where motor fuel is imported, manufactured or sold in, or diesel
30 motor fuel is sold or used in the region referred to in subparagraph
31 (ii) of paragraph one of this subdivision, the tax required to be
32 prepaid pursuant to section eleven hundred two of this article on each
33 gallon of such fuel shall be [~~twenty-one~~] sixteen cents.

34 (iii) Where motor fuel is imported, manufactured or sold in, or diesel
35 motor fuel is sold or used in the region referred to in subparagraph
36 (iii) of paragraph one of this subdivision, the tax required to be
37 prepaid pursuant to section eleven hundred two of this article on each
38 gallon of such fuel shall be [~~sixteen~~] fifteen cents.

39 § 2. Subdivision (e) of section 1111 of the tax law is amended by
40 adding two new paragraphs 4 and 5 to read as follows:

41 (4) The commissioner is authorized to adjust the rates in paragraph
42 two of this subdivision and shall prescribe a schedule of such rates for
43 each region described in paragraph one of this subdivision as provided
44 in this paragraph.

45 (i) The schedule required by this paragraph shall be reviewed semian-
46 nually during the months of April and October of each year, beginning in
47 October, two thousand seventeen. The commissioner shall determine a
48 tentative rate of tax that would be required to be prepaid pursuant to
49 section eleven hundred two of this article on each gallon of motor fuel
50 or diesel motor fuel sold or used by multiplying the regional average
51 retail sales prices for such fuel for each region described in paragraph
52 one of this subdivision by a number that is seventy-five percent of the
53 average local sales tax rate in each such region and adding to the prod-
54 uct thereof the taxes imposed by paragraphs one and two of subdivision

1 (m) of this section. The regional average retail sales price shall be
2 determined for purposes of this subdivision using data regarding sales
3 prices, which shall include, but not be limited to, sales prices as
4 compiled by government or industry surveys and sources, taking into
5 consideration with respect to motor fuel, the volumes and prices of
6 unleaded motor fuels, including reformulated or like motor fuels, sold
7 in this state and with respect to both motor fuel and diesel motor fuel,
8 the volume and prices of such fuels sold at full service and self-ser-
9 vice pumps for such fuels, during an immediately preceding period of up
10 to twelve months ending the last day of March in the case of the April
11 semiannual review and ending the last day of September in the case of
12 the October semiannual review; provided, however, that the regional
13 average retail sales prices for both motor fuel and diesel motor fuel
14 shall represent the retail sales prices upon which the tax under this
15 article and pursuant to the authority of article twenty-nine of this
16 chapter is computed (including all federal and state and any local taxes
17 included in such price) for such period.

18 (ii) If upon such review, it is determined that the tentative rate of
19 tax that would be required to be prepaid for motor fuel or diesel motor
20 fuel in any of the regions described in paragraph one of this subdivi-
21 sion would increase or decrease the rate for such region then in effect
22 by two or more cents per gallon, the commissioner shall adjust such rate
23 to be equal to the tentative rate, which shall take effect on the first
24 day of June or the first day of December, respectively. Provided, howev-
25 er, the commissioner shall set the rate of tax required to be prepaid in
26 the region described in subparagraph (ii) of paragraph one of this
27 subdivision equal to the rate set forth in subparagraph (i) of such
28 paragraph, unless the regional average retail sales price in the metro-
29 politan commuter transportation district exceeds four dollars per
30 gallon. In such event, the commissioner is authorized to establish a
31 separate rate in the region described in such subparagraph (ii) and
32 shall compute such rate by multiplying the regional average retail sales
33 prices for motor fuel and diesel motor fuel in such region by a number
34 that is eighty-five percent of the average local sales tax rate in such
35 region and adding to the product thereof the taxes imposed by paragraphs
36 one and two of subdivision (m) of this section.

37 (iii) The commissioner shall cause to be published on the department's
38 website the schedule of rates and the regional average retail sales
39 prices of motor fuel and diesel motor fuel fixed by this section, no
40 later than ten days prior to the effective date of such rates. Notwith-
41 standing any other provision of law, the calculation and publication of
42 the rates so fixed by the provisions of this section shall not be
43 included within paragraph (a) of subdivision two of section one hundred
44 two of the state administrative procedure act relating to the definition
45 of a rule.

46 (5) Where a new rate of tax required to be prepaid for motor fuel or
47 diesel motor fuel is determined by the commissioner, (i) if such new
48 rate is less than the rate then in effect, on the date the rate becomes
49 effective (A) a registered distributor shall be entitled to a credit in
50 an amount equal to the difference between the amount of the prepaid tax
51 paid or incurred by him or her with respect to motor fuel which he or
52 she imported and which he or she has in inventory at the time such new
53 rate becomes effective and the amount of tax which would be due on such
54 inventory if the prepaid tax were calculated based on such new average
55 price for the region in which such motor fuel was imported and (B) such
56 inventory shall then be deemed to have been taxed based on the rate and

all certifications of tax payment given by the distributor with respect to motor fuel in such inventory shall indicate a pass through of the prepaid tax based on such new price, (ii) if such new rate is greater than the existing rate, on the date such new rate becomes effective (A) such distributor shall become liable to pay an additional tax equal to the difference between the amount of tax which would be due with respect to motor fuel which he or she imported and which he or she has in inventory at the time such new rate becomes effective if the prepaid tax on such motor fuel were calculated based on such new average price for the region in which such motor fuel was imported and the amount of prepaid tax paid or actually incurred by such distributor with respect to such motor fuel and (B) such inventory shall then be deemed to have been taxed based on the new rate and all certifications of tax payment given by the distributor with respect to motor fuel in such inventory shall indicate a pass through of the prepaid tax based on such new rate. Such credit shall be allowed with respect to or such tax shall be paid with the return covering the month immediately preceding the month in which such new rate becomes effective. Any carryover credit may be applied to subsequent periods. The amount to be reported as additional tax shall be paid and disposed of in the same manner as the tax required to be prepaid by section eleven hundred two of this article. Such additional tax shall be determined, assessed, collected and enforced in the same manner as the tax required to be prepaid by section eleven hundred two of this article.

§ 3. This act shall take effect September 1, 2017.

PART VV

Section 1. The opening paragraph of paragraph (a) of subdivision 5 of section 210-A of the tax law, as amended by section 4 of part P of chapter 60 of the laws of 2016, is amended to read as follows:

A financial instrument is a "nonqualified financial instrument" if it is not a qualified financial instrument. A qualified financial instrument means a financial instrument that is of a type described in any of clauses (A), (B), (C), (D), (G), (H) or (I) of subparagraph two of this paragraph and that has been marked to market in the taxable year by the taxpayer under section 475 or section 1256 of the internal revenue code. Further, if the taxpayer has in the taxable year marked to market a financial instrument of the type described in any of the clauses (A), (B), (C), (D), (G), (H) or (I) of subparagraph two of this paragraph, then any financial instrument within that type described in the above specified clause or clauses that has not been marked to market by the taxpayer under section 475 or section 1256 of the internal revenue code is a qualified financial instrument in the taxable year. Notwithstanding the two preceding sentences, (i) a loan secured by real property shall not be a qualified financial instrument, (ii) if the only loans that are marked to market by the taxpayer under section 475 or section 1256 of the internal revenue code are loans secured by real property, then no loans shall be qualified financial instruments, (iii) stock that is investment capital as defined in paragraph (a) of subdivision five of section two hundred eight of this article shall not be a qualified financial instrument, and (iv) stock that generates other exempt income as defined in subdivision six-a of section two hundred eight of this article and that is not marked to market under section 475 or section 1256 of the internal revenue code shall not constitute a qualified financial instrument with respect to the income from that stock that is

described in such subdivision six-a. If a corporation is included in a combined report, the definition of qualified financial instrument shall be determined on a combined basis. 21 the TNC's digital network but not engaged in a TNC prearranged trip or
22 was engaged in a TNC prearranged trip, and has in effect the insurance
23 required pursuant to this article, shall not be deemed to be in
24 violation of article six of this chapter during such time that he or she
25 was logged on to the TNC's digital network but not engaged in a TNC
26 prearranged trip or was engaged in a TNC prearranged trip.

27 9. A TNC driver shall carry proof of coverage satisfying subdivisions
28 two and three of this section with him or her at all times during his or
29 her use or operation of a TNC vehicle in connection with a TNC's digital
30 network. Such proof of coverage shall be in such form as the commission-
31 er shall prescribe, which may be in the form of an insurance identifica-
32 tion card as defined in section three hundred eleven of this chapter.
33 Any insurance identification card issued pursuant to the provisions of
34 this article shall be in addition to the insurance identification card
35 required pursuant to article six of this chapter, and nothing contained
36 in this article shall be deemed to supersede the requirements of such
37 article six. Whenever the production of an insurance identification card
38 is required by law, a TNC driver shall (a) produce the insurance iden-
39 tification card issued pursuant to article six of this chapter and, (b)
40 if such driver (i) was logged onto the TNC's digital network but not
41 engaged in a TNC prearranged trip or (ii) was engaged in a TNC prear-
42 ranged trip, such driver shall also produce the insurance identification
43 card required pursuant to this article.

44 10. The superintendent of financial services is authorized to issue
45 such rules and regulations necessary to implement this section.

46 11. The superintendent of financial services may promulgate regu-
47 lations to address insurance coverage under this section and section
48 sixteen hundred ninety-five of this article when a TNC driver uses
49 multiple digital networks simultaneously.

50 12. Nothing in this section shall impose financial responsibility
51 requirements upon any entities operating as vehicles for hire in a city
52 with a population of one million or more.

53 13. An insurer shall not include a mandatory arbitration clause in a
54 policy issued pursuant to this section. Nothing in this section super-
55 cedes the mandatory arbitration requirements contained in section five
56 thousand one hundred five of the insurance law.

1 § 1694. Disclosures. A TNC shall disclose in writing to TNC drivers
2 the following before they are allowed to accept a request for a TNC
3 prearranged trip on the TNC's digital network:

4 1. The insurance coverage, including the types of coverage and the
5 limits for each coverage, that the TNC provides while the TNC driver
6 uses a TNC vehicle in connection with a TNC's digital network;

7 2. That the TNC driver's own automobile insurance policy might not
8 provide any coverage while the TNC driver is logged on to the TNC's
9 digital network or is engaged in a TNC prearranged trip, depending on
10 its terms; and

11 3. That, if a TNC vehicle has a lien against it, then the continued
12 use of such TNC vehicle by its TNC driver without physical damage cover-
13 age may violate the terms of the contract with the lienholder.

14 § 1695. Insurance provisions. 1. Insurers that write motor vehicle
15 insurance in this state may, in the insurance policy, exclude any and
16 all coverage afforded under the policy issued to an owner or operator of
17 a TNC vehicle for any loss or injury that occurs while a TNC driver is
18 logged on to a TNC's digital network or while a driver provides a TNC
19 prearranged trip, including:

20 (a) liability coverage for bodily injury and property damage;

21 (b) coverage provided pursuant to article fifty-one of the insurance
22 law;

23 (c) uninsured motorist coverage;

24 (d) supplementary uninsured/underinsured motorist coverage; and

25 (e) motor vehicle physical damage coverage as described in paragraph
26 nineteen of subsection (a) of section one thousand one hundred thirteen
27 of the insurance law.

28 2. Such exclusions shall apply notwithstanding any requirement under
29 the law to the contrary. Nothing in this section implies or requires
30 that an owner's policy of liability insurance or other motor vehicle
31 insurance policy provide coverage while the TNC driver is logged on to
32 the TNC's digital network, while the TNC driver is engaged in a TNC
33 prearranged trip or while the TNC driver otherwise uses or operates a
34 TNC vehicle to transport passengers for compensation.

35 3. Nothing shall be deemed to preclude an insurer from providing
36 primary, excess, or umbrella coverage for the TNC driver's TNC vehicle,
37 if it chose to do so by contract or endorsement.

38 4. Motor vehicle insurers that exclude the coverage described in this
39 article shall have no duty to defend or indemnify any claim expressly
40 excluded thereunder. Nothing in this article shall be deemed to invali-
41 date or limit an exclusion contained in a policy including any policy in
42 use or approved for use in this state prior to the effective date of
43 this section.

44 5. A motor vehicle insurer that defends or indemnifies a claim against
45 a TNC driver that is excluded under the terms of its policy shall have a
46 right of contribution against other insurers that provide motor vehicle
47 insurance to the same driver in satisfaction of the coverage require-
48 ments of the provisions of this article.

49 6. In a claims coverage investigation, a TNC and any insurer providing
50 coverage under this article shall, within fifteen days after a claim has
51 been filed, facilitate the exchange of relevant information with direct-
52 ly involved parties and any insurer of the TNC driver if applicable,
53 including the precise times that a TNC driver logged on and off of the
54 TNC's digital network in the twelve hour period immediately preceding
55 and in the twelve hour period immediately following the accident and
56 disclose to one another a clear description of the coverage, exclusions

1 and limits provided under any motor vehicle insurance maintained under
2 this article.

3 7. The superintendent of financial services may promulgate such rules
4 and regulations that the superintendent deems necessary to facilitate
5 the sharing of information between insurers, when a motor vehicle acci-
6 dent occurs and at least one of the insurers is providing financial
7 responsibility coverage to a TNC vehicle pursuant to this article.

8 8. The commissioner shall provide relevant insurance coverage informa-
9 tion required by this article to the following persons upon request:

10 (a) a person to whom an accident report pertains or who is named in
11 such report, or his or her authorized representative; and

12 (b) any other person or his or her authorized representative who has
13 demonstrated to the satisfaction of the commissioner that such person is
14 or may be a party to a civil action arising out of the conduct described
15 in such accident report.

16 § 1696. Driver and vehicle requirements. 1. (a) At all times, an indi-
17 vidual acting as a TNC driver shall be permitted by the TNC as follows:

18 (i) The individual shall submit an application to the TNC, which shall
19 include information regarding his or her address, age, driver's license,
20 motor vehicle registration, automobile liability insurance, and other
21 information required by the TNC;

22 (ii) The TNC shall conduct, or have a third party conduct, a criminal
23 background check for each applicant in accordance with section sixteen
24 hundred ninety-nine of this article and that shall review whether the
25 applicant:

26 (A) is listed on the New York state sex offender registry pursuant to
27 article six-C of the correction law; and

28 (B) is a match in the United States Department of Justice National Sex
29 Offender Public Website;

30 (iii) The TNC shall obtain and review, or have a third party obtain
31 and review, a driving history research report for such individual.

32 (b) The TNC shall not permit an applicant where such applicant:

33 (i) fails to meet all qualifications pursuant to section sixteen
34 hundred ninety-nine of this article;

35 (ii) is a match in the United States Department of Justice National
36 Sex Offender Public Website;

37 (iii) does not possess a valid New York driver's license;

38 (iv) does not possess proof of registration for the motor vehicles
39 used to provide TNC prearranged trips;

40 (v) does not possess proof of automobile liability insurance for the
41 motor vehicles used to provide TNC prearranged trips as a TNC vehicle;
42 or

43 (vi) is not at least nineteen years of age.

44 (c) Upon review of all information received and retained by the TNC
45 and upon verifying that the individual is not disqualified pursuant to
46 this section from receiving a TNC driver permit, a TNC may issue a TNC
47 driver permit to the applicant. The TNC shall review all information
48 received relating to such applicant and hold such information for six
49 years along with a certification that such applicant qualifies to
50 receive a TNC driver permit.

51 (d) (i) A TNC that issues a TNC driver's permit pursuant to this
52 section shall participate in the New York License Event Notification
53 Service (LENS) established by the department to obtain timely notice
54 when any of the following violations are added to a TNC driver's driving
55 record:

1 (A) unlawfully fleeing a police officer in a motor vehicle in
2 violation of sections 270.25, 270.30 or 270.35 of the penal law;

3 (B) reckless driving in violation of section one thousand two hundred
4 twelve of this chapter;

5 (C) operating while license or privilege is suspended or revoked in
6 violation of section five hundred eleven of this chapter, excluding
7 subdivision seven of such section;

15 health and safety.

16 (iii) Upon such notice, a TNC may suspend or revoke any TNC driver's
17 permit and revoke access to the TNC digital network, only after consid-
18 ering the number or severity of any such violations, including such
19 factors as required by this article for obtaining a TNC permit, when
20 necessary to protect public health and safety. If, however, such a
21 notice provides that an applicant has been convicted of a disqualifying
22 crime pursuant to section sixteen hundred ninety-nine of this article
23 such TNC driver's access to the TNC digital network and such TNC driv-
24 er's permit shall both immediately be suspended or revoked. Upon such
25 revocation or suspension pursuant to this section, the TNC shall provide
26 the driver with a copy of the LENS record used to make such determi-
27 nation.

28 (e) No person shall operate a TNC vehicle or operate as a TNC driver
29 unless such person holds a valid TNC driver permit issued pursuant to
30 this section. A violation of this paragraph shall be a traffic infrac-
31 tion punishable by a fine of not less than seventy-five nor more than
32 three hundred dollars, or by imprisonment for not more than fifteen
33 days, or by both such fine and imprisonment.

34 (f) The names and identifying information of TNC drivers provided
35 pursuant to paragraph (d) of this subdivision shall be considered infor-
36 mation, which if disclosed, would constitute an unwarranted invasion of
37 personal privacy under the provisions of article six of the public offi-
38 cers law.

39 2. A TNC shall implement a zero-tolerance policy regarding a TNC driv-
40 er's activities while accessing the TNC's digital network. Such policy
41 shall address the issue of operating a vehicle under the influence of
42 alcohol or drugs while a TNC driver is providing TNC prearranged trips
43 or is logged onto the TNC's digital network but is not providing TNC
44 prearranged trips, and the TNC shall provide notice of this policy on
45 its digital network, as well as procedures to report a complaint about a
46 TNC driver with whom a TNC prearranged trip was commenced and whom the
47 passenger reasonably suspects was operating a vehicle under the influ-
48 ence of alcohol or drugs during the course of the TNC prearranged trip.

49 3. (a) A TNC shall adopt a policy of non-discrimination on the basis
50 of destination, race, color, national origin, religious belief, practice

52 predisposition with respect to passengers and potential passengers and
53 notify TNC drivers of such policy.

54 (b) TNC drivers shall comply with all applicable laws regarding non-

3 notify TNC drivers of such policy.

4 (c) TNC drivers shall comply with all applicable laws relating to
5 accommodation of service animals.

6 (d) A TNC shall implement and maintain a policy and an oversight proc-

9 defined in section one hundred twenty-three-b of the agriculture and
10 markets law and shall to the extent practicable adopt findings estab-
11 lished by the New York state TNC accessibility task force adopted pursu-
12 ant to section twenty-one of the chapter of the laws of two thousand
13 seventeen that added this section. A TNC shall not impose additional
14 charges for providing services to persons with physical disabilities
15 because of those disabilities.

16 (e) The New York state division of human rights shall be authorized to
17 accept, review and investigate any potential or actual violations of
18 this subdivision in a form and manner consistent with authority under
19 article fifteen of the executive law and shall notify the department,
20 upon a finding of a violation, for purposes of permit suspension.

21 4. A TNC shall require that any or all motor vehicles that a TNC driv-
22 er will use as a TNC vehicle to provide TNC prearranged trips meets
23 applicable New York state vehicle safety and emissions requirements, as
24 set forth in section three hundred one of this chapter, or the vehicle
25 safety and emissions requirements of the state in which the vehicle is
26 registered.

27 5. The department shall promulgate regulations to ensure that each TNC
28 vehicle is easily identified as such and that the TNC for which the TNC
29 driver is providing the TNC service or TNC prearranged trip is distin-
30 guishable. Such marking shall be in such form as is approved by the

38 versary of the date on which a TNC driver's relationship with the TNC
39 has ended.

40 § 1698. Audit procedures; confidentiality of records. 1. For the
41 purpose of verifying that a TNC is in compliance with the licensing
42 requirements of the department, the department shall reserve the right
43 to audit a sample of records that the TNC is required to maintain, upon
44 request by the department that shall be fulfilled in no fewer than ten
45 business days by the TNC. The sample shall be chosen randomly by the
46 department in a manner agreeable to both parties. The audit shall take
47 place at a mutually agreed location in New York state. Any record
48 furnished to the department may exclude information that would tend to
49 identify specific drivers or passengers.

50 2. The names and identifying information of TNC drivers that are
51 received pursuant to this section shall be considered information which,
52 if disclosed, would constitute an unwarranted invasion of personal
53 privacy under the provisions of article six of the public officers law.

54 3. The department shall establish regulations for the filing of
55 complaints against any TNC driver or TNC pursuant to this section.

41 an offense listed in this subparagraph. In calculating the seven year
42 period under this subparagraph, any period of time during which the
43 person was incarcerated after the commission of such offense shall be
44 excluded and such seven year period shall be extended by a period or
45 periods equal to the time spent incarcerated.

49 considered according to the provisions of article twenty-three-A of the

18 TNC shall be subject to a civil penalty of not more than fifty thousand
19 dollars, or the suspension or revocation of its TNC license or both.

20 § 1700. Controlling authority. 1. Notwithstanding any other provision
21 of law, the regulation of TNCs and TNC drivers is governed exclusively
22 by the provisions of the chapter of the laws of two thousand seventeen
23 which added this section and any rules promulgated by the state through

26 driver, or a TNC vehicle used by a TNC driver or require a license,
27 permit, or additional insurance coverage or any other limitations or
28 restrictions, except for a prohibition on pick-up pursuant to section
29 one hundred eighty-two of the general municipal law, for a TNC, a TNC

11 (c) of section three thousand four hundred twenty-six of this article;
12 provided, however, that an act or omission by a group member that would
13 constitute the basis for cancellation of an individual certificate shall
14 not constitute the basis for cancellation of the group policy.

15 (B) Where the premium is derived wholly from funds contributed by the
16 group policyholder, an insurer may cancel an individual certificate only
17 if cancellation is based on one or more of the reasons set forth in
18 subparagraph (B), (C) or (H) of paragraph one of subsection (c) of
19 section three thousand four hundred twenty-six of this article.

20 (2) (A) An insurer's cancellation of a group policy, including all
21 certificates, shall not become effective until thirty days after the
22 insurer mails or delivers written notice of cancellation to the group

25 by the group member specifically for the coverage, the insurer shall
26 also mail or deliver written notice of cancellation of the group policy
27 to the group member at the group member's mailing address. Such cancel-
28 lation shall not become effective until thirty days after the insurer
29 mails or delivers the written notice to the group member.

30 (ii) Where none of the premium is derived from funds contributed by a
31 group member specifically for the coverage, the group policy holder
32 shall mail or deliver written notice to the group member advising the

41 shown in the group policy.

42 (3) (A) A group policyholder may cancel a group policy, including all
43 certificates, or any individual certificate, for any reason upon thirty
44 days written notice to the insurer and each group member; and

45 (B) The group policyholder shall mail or deliver written notice to
46 each affected group member of the group policyholder's cancellation of

2 group members written notice of nonrenewal, or conditional renewal; and
3 (ii) the insurer mails or delivers the written notice at least thirty,
4 but not more than one hundred twenty days prior to the expiration date

13 shall set forth the specific reason or reasons for cancellation, nonre-
14 newal, or conditional renewal.

15 (7) (A) An insurer shall not be required under this subsection to give
16 notice to a group member if the insurer has been advised by either the
17 group policyholder or another insurer that substantially similar cover-
18 age has been obtained from the other insurer without lapse of coverage.

19 (B) A group policyholder shall not be required under this subsection
20 to give notice to a group member if substantially similar coverage has
21 been obtained from another insurer without lapse of coverage.

22 (8) (A) If, prior to the effective date of cancellation, nonrenewal,
23 or conditional renewal of the group policy, or a certificate, whether
24 initiated by the insurer, group policyholder or by the group member in
25 regard to the group member's certificate, coverage attaches pursuant to
26 the terms of a group policy, then the coverage shall be effective until
27 expiration of the applicable period of coverage provided in the group
28 policy notwithstanding the cancellation, nonrenewal or conditional
29 nonrenewal of the group policy.

30 (B) Notwithstanding subparagraph (A) of this paragraph, an insurer may
31 terminate coverage under an individual certificate on the effective date
32 of cancellation, if the certificate is cancelled in accordance with the
33 provisions of subparagraph (B) of paragraph one of this subsection.

34 (k) Any mailing or delivery to a group member required or permitted
35 under this section may be made by electronic mail if consent to such
36 method of delivery has been previously received from such group member.

37 (l) An insurer may issue a transportation network company group policy
38 to a transportation network company, notwithstanding that it may be a
39 condition of operating a vehicle on the transportation network company's
40 digital network for the TNC driver to participate in such group policy.

41 (m) An insurer shall not include a mandatory arbitration clause in a
42 policy that provides financial responsibility coverage under this

46 is used or operated through a transportation network company program.

38 § 17. Paragraph 34 of subdivision (b) of section 1101 of the tax law,
39 as amended by section 1 of part WW of chapter 57 of the laws of 2010, is
40 amended to read as follows:

41 (34) Transportation service. The service of transporting, carrying or
42 conveying a person or persons by livery service; whether to a single
43 destination or to multiple destinations; and whether the compensation
44 paid by or on behalf of the passenger is based on mileage, trip, time
45 consumed or any other basis. A service that begins and ends in this
46 state is deemed intra-state even if it passes outside this state during
47 a portion of the trip. However, transportation service does not include
48 transportation of persons in connection with funerals. Transportation
49 service includes transporting, carrying, or conveying property of the
50 person being transported, whether owned by or in the care of such
51 person. Notwithstanding the foregoing, transportation service shall not
52 include a TNC prearranged trip, as that term is defined in article
53 forty-four-B of the vehicle and traffic law, that is subject to tax
54 under article twenty-nine-B of this chapter. In addition to what is
55 included in the definition of "receipt" in paragraph three of this
56 subdivision, receipts from the sale of transportation service subject to

1 tax include any handling, carrying, baggage, booking service, adminis-
2 trative, mark-up, additional, or other charge, of any nature, made in
3 conjunction with the transportation service. Livery service means
4 service provided by limousine, black car or other motor vehicle, with a
5 driver, but excluding (i) a taxicab, (ii) a bus, and (iii), in a city of
6 one million or more in this state, an affiliated livery vehicle, and
7 excluding any scheduled public service. Limousine means a vehicle with a
8 seating capacity of up to fourteen persons, excluding the driver. Black
9 car means a for-hire vehicle dispatched from a central facility. "Affil-
10 iated livery vehicle" means a for-hire motor vehicle with a seating
11 capacity of up to six persons, including the driver, other than a black
12 car or luxury limousine, that is authorized and licensed by the taxi and
13 limousine commission of a city of one million or more to be dispatched
14 by a base station located in such a city and regulated by such taxi and
15 limousine commission; and the charges for service provided by an affil-
16 iated livery vehicle are on the basis of flat rate, time, mileage, or
17 zones and not on a garage to garage basis.

18 § 18. The tax law is amended by adding a new article 29-B to read as
19 follows:

20 ARTICLE 29-B

28 1296. Secrecy of returns and reports.

29 1297. Practice and procedure.

30 1298. Deposit and disposition of revenue.

31 § 1291. Definitions. (a) "Person" means an individual, partnership,
32 limited liability company, society, association, joint stock company,
33 corporation, estate, receiver, trustee, assignee, referee or any other
34 person acting in a fiduciary or representative capacity, whether
35 appointed by a court or otherwise, any combination of individuals and
36 any other form of unincorporated enterprise owned or conducted by two or
37 more persons.

38 (b) "City" means a city of a million or more located in the metropol-
39 itan commuter transportation district established by section twelve
40 hundred sixty-two of the public authorities law.

41 (c) "Transportation network company" or "TNC" shall have the same
42 meaning as the term is defined in article forty-four-B of the vehicle
43 and traffic law.

44 (d) "TNC prearranged trip" shall have the same meaning as the term is
45 defined in article forty-four-B of the vehicle and traffic law.

46 (e) "TNC driver" shall have the same meaning as the term is defined in
47 article forty-four-B of the vehicle and traffic law.

48 (f) "TNC vehicle" shall have the same meaning as the term is defined
49 in article forty-four-B of the vehicle and traffic law.

50 (g) "Gross trip fare" means the sum of the base fare charge, distance
51 charge and time charge for a complete TNC prearranged trip at the appli-
52 cable rate charged by the TNC at the time such trip is arranged.

53 § 1292. Imposition. There is hereby imposed on every TNC a state
54 assessment fee of 4% of the gross trip fare of every TNC prearranged
55 trip provided by such TNC that originates anywhere in the state outside
56 the city and terminates anywhere in this state.

1 § 1293. Presumption. For the purpose of the proper administration of
2 this article and to prevent evasion of the state assessment fee imposed
3 by this article, it shall be presumed that every TNC prearranged trip
4 that originates anywhere in the state outside the city is subject to the
5 state assessment fee. This presumption shall prevail until the contrary
6 is proven by the person liable for the fee.

7 § 1294. Returns and payment of state assessment fee. (a) Every person
8 liable for the state assessment fee imposed by this article shall file a
9 return on a calendar-quarterly basis with the commissioner. Each return
10 shall show the number of TNC prearranged trips, the total gross trip
11 fares and the amount of fees due thereon in the quarter for which the
12 return is filed, together with such other information as the commis-
13 sioner may require. The returns required by this section shall be filed
14 within thirty days after the end of the quarterly period covered there-
15 by. If the commissioner deems it necessary in order to ensure the
16 payment of the state assessment fee imposed by this article, the commis-
17 sioner may require returns to be made for shorter periods than
18 prescribed by the foregoing provisions of this section, and upon such
19 dates as the commissioner may specify. The form of returns shall be
20 prescribed by the commissioner and shall contain such information as the
21 commissioner may deem necessary for the proper administration of this
22 article. The commissioner may require amended returns to be filed within
23 thirty days after notice and to contain the information specified in the
24 notice. The commissioner may require that the returns be filed electron-
25 ically.

26 (b) Every person required to file a return under this article shall,
27 at the time of filing such return, pay to the commissioner the total of
28 all state assessment fees on the correct number of trips subject to such
29 fee under this article. The amount so payable to the commissioner for
30 the period for which a return is required to be filed shall be due and
31 payable to the commissioner on the date specified for the filing of the
32 return for such period, without regard to whether a return is filed or
33 whether the return that is filed correctly shows the correct number of
34 trips, gross trip fares or amount of fees due thereon. The commissioner
35 may require that the fee be paid electronically.

36 § 1295. Records to be kept. Every person liable for the state assess-
37 ment fee imposed by this article shall keep:

38 (a) records of every TNC prearranged trip subject to the state assess-
39 ment fee under this article, and of all amounts paid, charged or due
40 thereon, in such form as the commissioner may require;

41 (b) true and complete copies, including electronic copies, of any
42 records required to be kept by a state agency that is authorized to
43 permit or regulate a TNC; and

44 (c) such other records and information as the commissioner may require
45 to perform his or her duties under this article.

46 § 1296. Secrecy of returns and reports. (a) Except in accordance with
47 proper judicial order or as otherwise provided by law, it shall be
48 unlawful for the commissioner, any officer or employee of the depart-
49 ment, any person engaged or retained by the department on an independent
50 contract basis, or any person who in any manner may acquire knowledge of
51 the contents of a return or report filed with the commissioner pursuant
52 to this article, to divulge or make known in any manner any particulars
53 set forth or disclosed in any such return or report. The officers
54 charged with the custody of such returns and reports shall not be
55 required to produce any of them or evidence of anything contained in
56 them in any action or proceeding in any court, except on behalf of the

1 commissioner in an action or proceeding under the provisions of this
2 chapter or in any other action or proceeding involving the collection of
3 a state assessment fee due under this article to which the state or the
4 commissioner is a party or a claimant, or on behalf of any party to any
5 action, proceeding or hearing under the provisions of this article when
6 the returns, reports or facts shown thereby are directly involved in
7 such action, proceeding or hearing, in any of which events the court, or
8 in the case of a hearing, the division of tax appeals may require the
9 production of, and may admit into evidence, so much of said returns,
10 reports or of the facts shown thereby, as are pertinent to the action,
11 proceeding or hearing and no more. The commissioner or the division of
12 tax appeals may, nevertheless, publish a copy or a summary of any deci-
13 sion rendered after a hearing required by this article. Nothing in this
14 section shall be construed to prohibit the delivery to a person who has
15 filed a return or report or to such person's duly authorized represen-
16 tative of a certified copy of any return or report filed in connection
17 with such person's state assessment fee. Nor shall anything in this
18 section be construed to prohibit the publication of statistics so clas-
19 sified as to prevent the identification of particular returns or reports
20 and the items thereof, or the inspection by the attorney general or
21 other legal representatives of the state of the return or report of any
22 person required to pay the state assessment fee who shall bring action
23 to review the state assessment fee based thereon, or against whom an
24 action or proceeding under this chapter has been recommended by the
25 commissioner or the attorney general or has been instituted, or the
26 inspection of the returns or reports required under this article by the
27 comptroller or duly designated officer or employee of the state depart-
28 ment of audit and control, for purposes of the audit of a refund of any
29 state assessment fee paid by a person required to pay the state assess-
30 ment fee under this article. Provided, further, nothing in this section
31 shall be construed to prohibit the disclosure, in such manner as the
32 commissioner deems appropriate, of the names and other appropriate iden-
33 tifying information of those persons required to pay state assessment
34 fee under this article.

35 (b) Notwithstanding the provisions of subdivision (a) of this section,
36 the commissioner, in his or her discretion, may require or permit any or
37 all persons liable for any state assessment fee imposed by this article,
38 to make payment to banks, banking houses or trust companies designated
39 by the commissioner and to file returns with such banks, banking houses
40 or trust companies as agents of the commissioner, in lieu of paying any
41 such state assessment fee directly to the commissioner. However, the
42 commissioner shall designate only such banks, banking houses or trust
43 companies as are already designated by the comptroller as depositories
44 pursuant to section twelve hundred eighty-eight of this chapter.

45 (c) Notwithstanding the provisions of subdivision (a) of this section,
46 the commissioner may permit the secretary of the treasury of the United
47 States or such secretary's delegate, or the authorized representative of
48 either such officer, to inspect any return filed under this article, or
49 may furnish to such officer or such officer's authorized representative
50 an abstract of any such return or supply such person with information
51 concerning an item contained in any such return, or disclosed by any
52 investigation of liability under this article, but such permission shall
53 be granted or such information furnished only if the laws of the United
54 States grant substantially similar privileges to the commissioner or
55 officer of this state charged with the administration of the state
56 assessment fee imposed by this article, and only if such information is

1 to be used for purposes of tax administration only; and provided further
2 the commissioner may furnish to the commissioner of internal revenue or
3 such commissioner's authorized representative such returns filed under
4 this article and other tax information, as such commissioner may consid-
5 er proper, for use in court actions or proceedings under the internal
6 revenue code, whether civil or criminal, where a written request there-
7 for has been made to the commissioner by the secretary of the treasury
8 of the United States or such secretary's delegate, provided the laws of
9 the United States grant substantially similar powers to the secretary of
10 the treasury of the United States or his or her delegate. Where the
11 commissioner has so authorized use of returns and other information in
12 such actions or proceedings, officers and employees of the department
13 may testify in such actions or proceedings in respect to such returns or
14 other information.

15 (d) Returns and reports filed under this article shall be preserved
16 for three years and thereafter until the commissioner orders them to be
17 destroyed.

18 (e) (1) Any officer or employee of the state who willfully violates
19 the provisions of subdivision (a) of this section shall be dismissed
20 from office and be incapable of holding any public office for a period
21 of five years thereafter.

22 (2) Cross-reference: For criminal penalties, see article thirty-seven
23 of this chapter.

24 § 1297. Practice and procedure. The provisions of article twenty-seven
25 of this chapter shall apply with respect to the administration of and
26 procedure with respect to the state assessment fee imposed by this arti-
27 cle in the same manner and with the same force and effect as if the
28 language of such article twenty-seven had been incorporated in full into
29 this article and had expressly referred to the state assessment fee
30 under this article, except to the extent that any such provision is
31 either inconsistent with a provision of this article or is not relevant
32 to this article.

33 § 1298. Deposit and disposition of revenue. All taxes, fees, interest
34 and penalties collected or received by the commissioner under this arti-
35 cle shall be deposited and disposed of pursuant to the provisions of
36 section one hundred seventy-one-a of this chapter.

37 § 19. The tax law is amended by adding a new section 1822 to read as
38 follows:

39 § 1822. Violation of the state assessment fee on transportation
40 network company prearranged trips. Any willful act or omission by any
41 person that constitutes a violation of any provision of article twenty-
42 nine-B of this chapter shall constitute a misdemeanor.

4 shall mean a transportation network company as defined by article
5 forty-four-B of the vehicle and traffic law.

45	f. Any such finalized property tax savings plan which would have the		
46	effect of transferring or abolishing a function or duty of the county or		
47	of the cities, towns, villages, districts or other units of government		
48	wholly contained in the county, shall not become operative unless and		
49	until it is approved in accordance with subdivision (h) of section one		
50	of article nine of the state constitution.		
51	7. For the purposes of this part "chief executive officer" means the		
52	county executive, county manager or other chief executive of the county,		
53	or where none, the chair of the county legislative body.

55	savings in such plan, subject to available appropriation. The secretary		
56	of state shall develop an application, approved by the director of the		

1 budget, with any necessary requirements to receive such matching fund-

20 distribution and use of any matching funding in order to qualify for
21 matching funding.

22 9. Where the implementation of any component of such finalized proper-
23 ty tax savings plan is, by any other general or special law, subject to

30 be invalid, such judgment shall not affect, impair, or invalidate the
31 remainder thereof, but shall be confined in its operation to the clause,
32 sentence, paragraph, subdivision, section or part thereof directly
33 involved in the controversy in which such judgment shall have been
34 rendered. It is hereby declared to be the intent of the legislature that
35 this act would have been enacted if such invalid provisions had not been
36 included herein.

37 § 2. School district and board of cooperative educational services
38 participation in county-wide shared services property tax savings plans.

20 by this article for taxable years beginning on and after January first,
21 two thousand eighteen. The amount of the credit shall be twenty-five
22 percent of the fair market value of the taxpayer's qualified donations
23 made to any eligible food pantry during the taxable year, not to exceed
24 five thousand dollars per taxable year. If the taxpayer is a partner in
25 a partnership or a shareholder of a New York S corporation, then the cap
26 imposed by the preceding sentence shall be applied at the entity level,
27 so that the aggregate credit allowed to all partners or shareholders of
28 such entity in the taxable year does not exceed five thousand dollars.

29 (2) Eligible farmer. For purposes of this subsection, the term "eligi-
30 ble farmer" means a taxpayer whose federal gross income from farming for
31 the taxable year is at least two-thirds of excess federal gross income.
32 Excess federal gross income means the amount of federal gross income
33 from all sources for the taxable year reduced by the sum (not to exceed
34 thirty thousand dollars) of those items included in federal gross income
35 that consist of: (i) earned income, (ii) pension payments, including
36 social security payments, (iii) interest, and (iv) dividends. For
37 purposes of this paragraph, the term "earned income" shall mean wages,
38 salaries, tips and other employee compensation, and those items of gross
39 income that are includible in the computation of net earnings from self-
40 employment. For the purposes of this paragraph, payments from the
41 state's farmland protection program, administered by the department of
42 agriculture and markets, shall be included as federal gross income from
43 farming for otherwise eligible farmers.

44 (3) Qualified donation. For purposes of this subsection, the term
45 "qualified donation" means a donation of any apparently wholesome food,
46 as defined in section 170(e)(3)(C)(vi) of the internal revenue code,

51 gency food program operating within this state that has qualified for
52 tax exemption under section 501(c)(3) of the internal revenue code.

53 (5) Determination of fair market value. For purposes of this
54 subsection, to determine the fair market value of apparently wholesome

1 food donated to an eligible food pantry, the standards set forth under
2 section 170(e)(3)(C)(v) of the internal revenue code shall apply.

3 (6) Record of donation. To claim a credit under this subsection, a
4 taxpayer must get and keep a receipt from the eligible food pantry show-
5 ing: (i) the name of the eligible food pantry; (ii) the date and
6 location of the qualified donation; and (iii) a reasonably detailed
7 description of the qualified donation. A letter or other written commu-
8 nication from the eligible food pantry acknowledging receipt of the
9 contribution and containing the information in subparagraphs (i), (ii),
10 and (iii) of this paragraph will serve as a receipt.

11 (7) Application of credit. A taxpayer shall be allowed a credit under
12 this subsection against the tax imposed by this article. However, if the
13 amount of credit allowed under this subsection for any taxable year
14 exceeds the taxpayer's tax for such year, the excess will be treated as
15 an overpayment of tax to be credited or refunded in accordance with the
16 provisions of section six hundred eighty-six of this article. Provided,
17 however, the provisions of subsection (c) of section six hundred eight-
18 y-eight of this article notwithstanding, no interest will be paid there-
19 on.

20 § 2. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
21 of the tax law is amended by adding a new clause (xliii) to read as
22 follows:

23 <u>(xliii) Farm donations to food</u>	<u>Amount of credit under</u>
24 <u>pantries credit under</u>	<u>subdivision fifty-two of</u>
25 <u>subsection (n-2)</u>	<u>section two hundred ten-B</u>

26 § 3. Subsection (c) of section 615 of the tax law is amended by adding
27 a new paragraph 9 to read as follows:

28 (9) with respect to a taxpayer who has claimed the farm donations to
29 food pantries credit pursuant to subsection (n-2) of section six hundred
30 six of this article, the taxpayer's New York itemized deductions shall
31 be reduced by any charitable contribution deduction allowed under
32 section one hundred seventy of the internal revenue code with respect to
33 such donations.

34 § 4. Section 210-B of the tax law is amended by adding a new subdivi-
35 sion 52 to read as follows:

36 52. Credit for farm donations to food pantries. (a) General. In the
37 case of a taxpayer that is an eligible farmer, there shall be allowed a
38 credit, to be computed as hereinafter provided against the tax imposed
39 by this article for taxable years beginning on and after January first,
40 two thousand eighteen. The amount of the credit shall be twenty-five
41 percent of the fair market value of the taxpayer's qualified donations
42 made to any eligible food pantry during the taxable year, not to exceed
43 five thousand dollars per taxable year. If the taxpayer is a partner in
44 a partnership, then the cap imposed by the preceding sentence shall be
45 applied at the entity level, so that the aggregate credit allowed to all
46 partners of such entity in the taxable year does not exceed five thou-
47 sand dollars.

48 (b) Eligible farmer. For purposes of this subdivision, the term
49 "eligible farmer" means a taxpayer whose federal gross income from farm-
50 ing for the taxable year is at least two-thirds of excess federal gross
51 income. Excess federal gross income means the amount of federal gross
52 income from all sources for the taxable year in excess of thirty thou-
53 sand dollars. For purposes of this paragraph, payments from the state's
54 farmland protection program, administered by the department of agricul-

ture and markets, shall be included as federal gross income from farming for otherwise eligible farmers.

(c) Qualified donation. For purposes of this subdivision, the term "qualified donation" means a donation of apparently wholesome food, as defined in section 170(e)(3)(C)(vi) of the internal revenue code, grown or produced within this state, by an eligible farmer to an eligible food pantry.

(d) Eligible food pantry. For purposes of this subdivision, the term "eligible food pantry" means any food pantry, food bank, or other emergency food program operating within this state that has qualified for tax exemption under section 501(c)(3) of the internal revenue code.

(e) Determination of fair market value. For purposes of this subdivision, to determine the fair market value of apparently wholesome food donated to an eligible food pantry, the standards set forth under section 170(e)(3)(C)(v) of the internal revenue code shall apply.

(f) Record of donation. To claim a credit under this subdivision, a taxpayer must get and keep a receipt from the eligible food pantry showing: (i) the name of the eligible food pantry; (ii) the date and location of the qualified donation; and (iii) a reasonably detailed description of the qualified donation. A letter or other written communication from the eligible food pantry acknowledging receipt of the contribution and containing the information in subparagraphs (i), (ii), and (iii) of this paragraph will serve as a receipt.

(g) Application of credit. The credit allowed under this subdivision for any taxable year will not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowed under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 5. Paragraph (b) of subdivision 9 of section 208 of the tax law is amended by adding a new subparagraph 22 to read as follows:

(22) the amount of any deduction for charitable contributions allowed under section one hundred seventy of the internal revenue code to the extent such contributions are used as the basis of the calculation of the farm donations to food pantries credit under subdivision fifty-two of section two hundred ten-B of this article.

§ 6. This act shall take effect immediately.

PART EEE

Section 1. Subdivisions 1, 2, 3 and 4 of section 186-f of the tax law, as added by section 3 of part B of chapter 56 of the laws of 2009, are amended to read as follows:

1. Definitions. As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required:

(a) "Place of primary use" has the same meaning as that term is defined in paragraph twenty-six of subdivision (b) of section eleven hundred one of this chapter.

(b) "Wireless communications customer" means mobile telecommunications customer as defined in subparagraph (i) of paragraph twenty-seven of

subdivision (b) of section eleven hundred one of this chapter, who contracts for or is the end user of wireless communications service.

(c) "Wireless communications device" means any equipment used to access a wireless communications service.

(d) "Wireless communications service" means all commercial mobile services, as that term is defined in section 332(d) of title 47 of the United States Code, as amended from time to time, including, but not limited to, all broadband personal communications services, wireless radio telephone services, geographic area specialized and enhanced specialized mobile radio services, and incumbent-wide area specialized mobile radio licensees, which offer real time, two-way voice or data service that is interconnected with the public switched telephone network or otherwise provides access to emergency communications services.

(e) "Wireless communications service supplier" means a home service provider as defined in subparagraph (ii) of paragraph twenty-seven of subdivision (b) of section eleven hundred one of this chapter, provided that the home service provider provides wireless communications service and has one or more wireless communications customers in New York state.

(f) "Prepaid wireless communications seller" means a person making a retail sale of prepaid wireless communications service.

(g) "Prepaid wireless communications service" means a prepaid mobile calling service as defined in paragraph twenty-two of subdivision (b) of section eleven hundred one of this chapter.

2. Public safety communications surcharge. (a) (1) A surcharge on wireless communications service provided to a wireless communications customer with a place of primary use in this state is imposed at the rate of one dollar and twenty cents per month on each wireless communications device in service during any part of each month. The surcharge must be reflected and made payable on bills rendered to the wireless communications customer for wireless communication service.

(2) A surcharge is imposed on the retail sale of each prepaid wireless communications service, whether or not any tangible personal property is sold therewith, at the rate of ninety cents per retail sale. A sale of a prepaid wireless communications service occurs in this state if the sale takes place at a seller's business location in the state. If the sale does not take place at the seller's place of business, it shall be conclusively determined to take place at the purchaser's shipping address or, if there is no item shipped, at the purchaser's billing address, or, if the seller does not have that address, at such address as approved by the commissioner that reasonably reflects the customer's location at the time of the sale of the prepaid wireless communications service.

(b) ~~[Each wireless communications service supplier providing wireless communications service in New York state must act as a collection agent for the state for the collection of the surcharge. The wireless communications service supplier has no legal obligation to enforce the collection of the surcharge from its customers. However, each wireless communications service supplier must collect and retain the name and address of any wireless communications customer with a place of primary use in this state that refuses or fails to pay the surcharge, as well as the cumulative amount of the surcharge remaining unpaid, and must provide this information to the commissioner at the time and according to the procedures the commissioner may provide.]~~ The ~~[surcharge]~~ surcharges must be reported and paid to the commissioner on a quarterly basis on or before the ~~[fifteenth]~~ twentieth day of the month following

each quarterly period ending on the last day of February, May, August and November, respectively. The payments must be accompanied by a return in the form and containing the information the commissioner may prescribe.

(c) The ~~[surcharge]~~ surcharges must be added as a separate line item to bills furnished by a wireless communications service supplier to its customers, or must be added as a separate line item to a sales slip, invoice, receipt, or other statement of the price, if any, that is furnished by a prepaid wireless communications seller to a purchaser, and must be identified as the "public safety communications surcharge".

~~[Each wireless communications customer who is subject to the provisions of this section remains liable to the state for the surcharge due under this section until it has been paid to the state, except that payment to a wireless communications service supplier is sufficient to relieve the customer from further liability for the surcharge.]~~

(d) Each wireless communications service supplier and prepaid wireless communications seller is entitled to retain, as an administrative fee, an amount equal to ~~[two]~~ three percent of fifty-eight and three-tenths percent of the total collections of the ~~[surcharge]~~ surcharges imposed by this section, provided that the supplier or seller files any required return and remits the surcharge due to the commissioner on or before its due date.

~~3. [Applicability of article twenty-seven. For purposes of article twenty-seven of this chapter as applied to this section by section two hundred seven-b of this article, the term "taxpayer" in article twenty-seven refers to a wireless communications service supplier subject to this section or a wireless communications customer subject to this section, as the case may be, and the term "tax" in article twenty-seven refers to the surcharge imposed by this section.]~~

~~4. Exemptions. The state of New York and any of its agencies, instrumentalities and political subdivisions are]~~ Exemption. Lifeline consumers shall be exempt from the ~~[surcharge]~~ surcharges imposed by this section.

4. Applicable provisions. (a) Except as otherwise provided in this section, the surcharges imposed under this section shall be administered and collected by the commissioner in a like manner as the taxes imposed by article twenty-eight of this chapter. All the provisions of article twenty-eight of this chapter, including the provisions relating to definitions, exemptions, returns, personal liability for the tax, collection of tax from the customer, payment of tax, and the administration of the taxes imposed by such article, shall apply to the surcharges imposed under the authority of this section so far as those provisions can be made applicable to the surcharges imposed by this section, with such modifications as may be necessary in order to adapt the language of those provisions to the surcharges imposed by this section. Those provisions shall apply with the same force and effect as if the language of those provisions had been set forth in full in this section, except to the extent that any of those provisions is either inconsistent with a provision of this section or is not relevant to the surcharge imposed by this section. For purposes of this section, any reference in this chapter to a tax or the taxes imposed by article twenty-eight of this chapter shall be deemed also to refer to the surcharges imposed by this section unless a different meaning is clearly required.

(b) Notwithstanding the provisions of paragraph (a) of this subdivision:

1 (1) the exemptions provided for in section eleven hundred sixteen of
2 this chapter, other than the exemptions in paragraphs one, two and three
3 of subdivision (a) of that section, shall not apply to the surcharges
4 imposed by this section.

5 (2) the credit provided in subdivision (f) of section eleven hundred
6 thirty-seven of this chapter shall not apply to this section.

7 § 2. Sections 308-a, 308-b, 308-c, 309-d, 308-e, 308-f, 308-g, 308-h,
8 308-k, 308-l, 308-m, 308-n, 308-p, 308-q, 308-r, 308-s, 308-t, 308-u,
9 308-v, 308-w, 308-x and 308-y of the county law are REPEALED.

10 § 3. The tax law is amended by adding a new section 186-g to read as
11 follows:

12 § 186-g. Wireless communications surcharge authorized. 1. Definitions.
13 As used in this section, where not otherwise specifically defined and
14 unless a different meaning is clearly required, all of the definitions
15 of section one hundred eighty-six-f of this article shall apply to the
16 surcharges authorized by this section.

17 2. Imposition of surcharge. (a) Notwithstanding any other provision of
18 law to the contrary, and in addition to any other tax or fee imposed by
19 this chapter or any other law, a city having a population of a million
20 or more, and a county, other than a county wholly within such a city,
21 acting through its local legislative body, is hereby authorized and
22 empowered to adopt and amend local laws, ordinances or resolutions
23 imposing a surcharge within the territorial limits of such city or coun-
24 ty to take effect on or after December first, two thousand seventeen
25 that shall include both (i) wireless communications service, as
26 described in paragraph (b) of this subdivision; and (ii) prepaid wire-
27 less communications service, as described in paragraph (c) of this
28 subdivision.

29 (b) Such surcharge on wireless communications service provided to a
30 wireless communications customer with a place of primary use in a city
31 or county authorized to impose the surcharge by this subdivision shall
32 be imposed at the rate of thirty cents per month on each wireless commu-
33 nications device in service during any part of the month. The surcharge
34 must be reflected and made payable on bills rendered to the wireless
35 communications customer for wireless communications service.

36 (c) Such surcharge on the retail sale of each prepaid wireless commu-
37 nications service, whether or not any tangible personal property is sold
38 therewith, shall be imposed at the rate of thirty cents per retail sale
39 within a city or county authorized to impose the surcharge by this
40 subdivision. A sale of a prepaid wireless communications service occurs
41 in such city or county if the sale takes place at a seller's business
42 location in such city or county. If the sale does not take place at the
43 seller's place of business, it shall be conclusively determined to take
44 place at the purchaser's shipping address in such city or county or, if
45 there is no item shipped, at the purchaser's billing address in such
46 city or county, or, if the seller does not have that address, at such
47 address that reasonably reflects the customer's location at the time of
48 the sale of the prepaid wireless communications service.

49 3. Any such local law, ordinance or resolution adopted pursuant to
50 this section shall state the amount of the surcharges and the date on
51 which both the wireless communications service supplier shall begin to
52 add such surcharge to the billings of its customers and the prepaid
53 wireless communications seller shall begin to collect such surcharge
54 from its customers. No such local law, ordinance or resolution shall be
55 effective unless a certified copy of such law, ordinance or resolution
56 is mailed by registered or certified mail to the commissioner in accord-

1 ance with the provisions of subdivisions (d) and (e) of section twelve
2 hundred ten of this chapter.

3 4. Exemption. Lifeline consumers shall be exempt from the surcharges
4 imposed by this section.

5 5. The surcharges must be reported and paid to the commissioner on a
6 quarterly basis on or before the twentieth day of the month following
7 each quarterly period ending on the last day of February, May, August
8 and November, respectively. The payments must be accompanied by a return
9 in the form and containing the information the commissioner may
10 prescribe.

11 6. The surcharges must be added as a separate line item to bills
12 furnished by a wireless communications service supplier to its custom-
13 ers, or must be added as a separate line item to a sales slip, invoice,
14 receipt, or other statement of the price, if any, that is furnished by a
15 prepaid wireless communications seller to a purchaser, and must be iden-
16 tified as the "public safety communications surcharge".

17 7. Each wireless communications service supplier and prepaid wireless
18 communications seller is entitled to retain, as an administrative fee,
19 an amount equal to three percent of its collections of the surcharges
20 imposed under the authority of this section, provided that the supplier
21 or seller files any required return and remits the surcharge due to the
22 commissioner on or before its due date.

23 8. Applicable provisions. (a) Except as otherwise provided in this
24 section, any surcharge imposed under the authority of this section shall
25 be administered and collected by the commissioner in a like manner as
26 the taxes imposed by articles twenty-eight and twenty-nine of this chap-
27 ter. All the provisions of article twenty-eight and twenty-nine of this
28 chapter, including the provisions relating to definitions, exemptions,
29 returns, personal liability for the tax, collection of tax from the
30 customer, payment of tax, and the administration of the taxes imposed by
31 such article, shall apply to the surcharges imposed under the authority
32 of this section so far as those provisions can be made applicable to the
33 surcharges imposed under the authority of this section, with such
34 modifications as may be necessary in order to adapt the language of
35 those provisions to the surcharges imposed under the authority of this
36 section. Those provisions shall apply with the same force and effect as
37 if the language of those provisions had been set forth in full in this
38 section, except to the extent that any of those provisions is either
39 inconsistent with a provision of this section or is not relevant to the
40 surcharge imposed under the authority of this section. For purposes of
41 this section, any reference in this chapter to a tax or the taxes
42 imposed by articles twenty-eight and twenty-nine of this chapter shall
43 be deemed also to refer to the surcharges imposed under the authority of
44 this section unless a different meaning is clearly required.

45 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-
46 sion:

47 (1) the exemptions provided for in section eleven hundred sixteen of
48 this chapter, other than the exemptions in paragraphs one, two and three
49 of subdivision (a) of that section, shall not apply to the surcharges
50 imposed under the authority of this section;

51 (2) the credit provided in subdivision (f) of section eleven hundred
52 thirty-seven of this chapter shall not apply to this section.

53 9. All surcharge monies remitted to the commissioner under this
54 section shall be expended only upon authorization of the legislative
55 body of a city or county that imposes the surcharges pursuant to the
56 authority of subdivision two of this section, and only for payment of

1 system costs, eligible wireless 911 service costs, or other costs asso-
2 ciated with the administration, design, installation, construction,
3 operation, or maintenance of public safety communications networks or a
4 system to provide enhanced wireless 911 service serving such city or
5 county, including, but not limited to, hardware, software, consultants,
6 financing and other acquisition costs. Such city or county shall sepa-
7 rately account for and keep adequate books and records of the amount and
8 object or purpose of all expenditures of all such monies. If, at the end
9 of any fiscal year, the total amount of all such monies exceeds the
10 amount necessary for payment of the above mentioned costs in such fiscal
11 year, such excess shall be reserved and carried over for the payment of
12 those costs in the following fiscal year.

13 § 4. This act shall take effect immediately; provided, however,
14 sections one and two of this act shall take effect December 1, 2017; and
15 section one of this act shall apply to wireless communications service
16 and prepaid wireless communications service provided on and after that
17 date.

18 PART FFF

19 Section 1. The public health law is amended by adding a new section
20 2825-e to read as follows:

21 § 2825-e. Health care facility transformation program: statewide II.
22 1. A statewide health care facility transformation program is hereby
23 established under the joint administration of the commissioner and the
24 president of the dormitory authority of the state of New York for the
25 purpose of strengthening and protecting continued access to health care
26 services in communities. The program shall provide funding in support of
27 capital projects, debt retirement, working capital or other non-capital
28 projects that facilitate health care transformation activities includ-
29 ing, but not limited to, merger, consolidation, acquisition or other
30 activities intended to create financially sustainable systems of care or
31 preserve or expand essential health care services. Grants shall not be
32 available to support general operating expenses. The issuance of any
33 bonds or notes hereunder shall be subject to section sixteen hundred
34 eighty-r of the public authorities law and the approval of the director
35 of the division of the budget, and any projects funded through the issu-
36 ance of bonds or notes hereunder shall be approved by the New York state
37 public authorities control board, as required under section fifty-one of
38 the public authorities law.

39 2. The commissioner and the president of the dormitory authority shall
40 enter into an agreement, subject to approval by the director of the
41 budget, and subject to section sixteen hundred eighty-r of the public
42 authorities law, for the purposes of awarding, distributing, and admin-
43 istering the funds made available pursuant to this section. Such funds
44 may be distributed by the commissioner for capital grants to general
45 hospitals, residential health care facilities, diagnostic and treatment
46 centers and clinics licensed pursuant to this chapter or the mental
47 hygiene law, and community-based health care providers as defined in
48 subdivision three of this section for works or purposes that support the
49 purposes set forth in this section. A copy of such agreement, and any
50 amendments thereto, shall be provided to the chair of the senate finance
51 committee, the chair of the assembly ways and means committee, and the
52 director of the division of the budget no later than thirty days prior
53 to the release of a request for applications for funding under this
54 program. Priority shall be given to new applications for projects not

1 funded under section twenty-eight hundred twenty-five-d of this article.
2 Projects awarded, in whole or part, under sections twenty-eight hundred
3 twenty-five-a and twenty-eight hundred twenty-five-b of this article
4 shall not be eligible for grants or awards made available under this
5 section.

6 3. Notwithstanding section one hundred sixty-three of the state
7 finance law or any inconsistent provision of law to the contrary, up to
8 five hundred million dollars of the funds appropriated for this program
9 shall be awarded without a competitive bid or request for proposal proc-
10 ess for grants to health care providers (hereafter "applicants").
11 Provided, however, that a minimum of seventy-five million dollars of
12 total awarded funds shall be made to community-based health care provid-
13 ers, which for purposes of this section shall be defined as a diagnostic
14 and treatment center licensed or granted an operating certificate under
15 this article; a mental health clinic licensed or granted an operating
16 certificate under article thirty-one of the mental hygiene law; an alco-
17 hol and substance abuse treatment clinic licensed or granted an operat-
18 ing certificate under article thirty-two of the mental hygiene law; a
19 primary care provider or a home care provider certified or licensed
20 pursuant to article thirty-six of this chapter; or other purposes and
21 community-based providers designated by the commissioner pursuant to
22 information obtained pursuant to subdivision four-a of this section.
23 Eligible applicants shall be those deemed by the commissioner to be a
24 provider that fulfills or will fulfill a health care need for acute
25 inpatient, outpatient, primary, home care or residential health care
26 services in a community.

27 4. Notwithstanding subdivision two of this section or any inconsistent
28 provision of law to the contrary, and upon approval of the director of
29 the budget, the commissioner may award up to three hundred million
30 dollars of the funds made available pursuant to this section for
31 unfunded project applications submitted in response to the request for
32 applications number 1607010255 issued by the department on July twenti-
33 eth, two thousand sixteen pursuant to section twenty-eight hundred twen-
34 ty-five-d of this article, provided however that the provisions of
35 subdivision three of this section shall apply.

36 4-a. Authorized amounts to be awarded pursuant to applications submit-
37 ted in response to the request for application number 1607010255 shall
38 be awarded no later than May first, two thousand seventeen. The commis-
39 sioner shall not issue a request for application for the remaining
40 appropriated amounts on or before June first, two thousand seventeen to
41 allow stakeholder, community, and legislative input regarding program
42 eligibility, award criteria and the process by which the remaining funds
43 will be awarded.

44 5. In determining awards for eligible applicants under this section,
45 the commissioner shall consider stakeholder, community, and legislative
46 input pursuant to subdivision four-a of this section, and other criteria
47 including, but not limited to:

48 (a) The extent to which the proposed project will contribute to the

(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

6. Disbursement of awards made pursuant to this section shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the goals of the project are achieved, and such metrics and milestones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

7. The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision five of this section.

§ 2. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2017.

PART GGG

Section 1. Subparagraph (i) of paragraph (g) of subdivision 7 of section 4403-f of the public health law, as amended by section 41-b of part H of chapter 59 of the laws of 2011, is amended to read as follows:

(i) Managed long term care plans and demonstrations may enroll eligible persons in the plan or demonstration upon the completion of a comprehensive assessment that shall include, but not be limited to, an evaluation of the medical, social, cognitive, and environmental needs of each prospective enrollee in such program. Upon approval of federal waivers pursuant to paragraph (b) of this subdivision which require medical assistance recipients who require community-based long term care services to enroll in a plan, and upon approval of the commissioner, a plan may enroll an applicant who is currently receiving home and community-based services and complete the comprehensive assessment within thirty days of enrollment provided that the plan continues to cover transitional care until such time as the assessment is completed.

§ 2. This act shall take effect immediately; provided, however, that the amendments to subparagraph (i) of paragraph (g) of subdivision 7 of section 4403-f of the public health law made by section one of this act shall not affect the expiration and reversion of such subparagraph and shall be deemed to expire therewith; provided, further that the amendments to subparagraph (i) of paragraph (g) of subdivision 7 of section

1 4403-f of the public health law made by section one of this act shall
2 not affect the repeal of such section and shall be deemed repealed ther-
3 ewith.

23 in the student's last semester, the student may take at least one course

47 hundred sixty-seven of this subpart.

48 2. Duration. No undergraduate shall be eligible for more than four
49 academic years of study, or five academic years if the program of study

PART JJJ

Section 1. Subparagraph 4 of paragraph h of subdivision 2 of section 355 of the education law, as amended by section 1 of part D of chapter 54 of the laws of 2016, is amended to read as follows:

(4) The trustees shall not impose a differential tuition charge based upon need or income. Except as hereinafter provided, all students enrolled in programs leading to like degrees at state-operated institutions of the state university shall be charged a uniform rate of tuition except for differential tuition rates based on state residency. Provided, however, that the trustees may authorize the presidents of the colleges of technology and the colleges of agriculture and technology to set differing rates of tuition for each of the colleges for students enrolled in degree-granting programs leading to an associate degree and non-degree granting programs so long as such tuition rate does not exceed the tuition rate charged to students who are enrolled in like degree programs or degree-granting undergraduate programs leading to a baccalaureate degree at other state-operated institutions of the state university of New York. Notwithstanding any other provision of this subparagraph, the trustees may authorize the setting of a separate category of tuition rate, that shall be greater than the tuition rate for resident students and less than the tuition rate for non-resident students, only for students enrolled in distance learning courses who are not residents of the state. Except as otherwise authorized in this subparagraph, the trustees shall not adopt changes affecting tuition charges prior to the enactment of the annual budget, provided however that:

(i) Commencing with the two thousand eleven--two thousand twelve academic year and ending in the two thousand fifteen--two thousand sixteen academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than three hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided however that commencing with the two thousand eleven--two thousand twelve academic year [~~and each year thereafter~~] and ending in the two thousand sixteen--two thousand seventeen academic year if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term.

(ii) Commencing with the two thousand seventeen--two thousand eighteen academic year and ending in the two thousand twenty--two thousand twenty-one academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than two hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided, however that if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition

credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided, further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iii) On or before November thirtieth, two thousand ~~[eleven]~~ seventeen, the trustees shall approve and submit to the chairs of the assembly ways and means committee and the senate finance committee and to the director of the budget a master tuition plan setting forth the tuition rates that the trustees propose for resident undergraduate students for the ~~[five]~~ four year period commencing with the two thousand ~~[eleven]~~ seventeen--two thousand ~~[twelve]~~ eighteen academic year and ending in the two thousand ~~[fifteen]~~ twenty--two thousand ~~[sixteen]~~ twenty-one academic year, and shall submit any proposed amendments to such plan by November thirtieth of each subsequent year thereafter through November thirtieth, two thousand ~~[fifteen]~~ twenty, and provided further, that with the approval of the board of trustees, each university center may increase non-resident undergraduate tuition rates each year by not more than ten percent over the tuition rates of the prior academic year for a six year period commencing with the two thousand eleven--two thousand twelve academic year and ending in the two thousand sixteen--two thousand seventeen academic year.

~~[(iii)]~~ (iv) Beginning in state fiscal year two thousand twelve--two thousand thirteen and ending in state fiscal year two thousand fifteen--two thousand sixteen, the state shall appropriate and make available general fund operating support, including fringe benefits, for the state university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.

(v) Beginning in state fiscal year two thousand seventeen--two thousand eighteen and ending in state fiscal year two thousand twenty--two thousand twenty-one, the state shall appropriate and make available general fund operating support, including fringe benefits, for the state university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply; provided further, the state shall appropriate and make available general fund support to fully fund the tuition credit pursuant to subdivision two of section six hundred sixty-nine-h of this title.

1 [~~(iv)~~] (vi) For the state university fiscal years commencing two thou-
2 sand eleven--two thousand twelve and ending two thousand fifteen--two
3 thousand sixteen, each university center may set aside a portion of its
4 tuition revenues derived from tuition increases to provide increased
5 financial aid for New York state resident undergraduate students whose
6 net taxable income is eighty thousand dollars or more subject to the
7 approval of a NY-SUNY 2020 proposal by the governor and the chancellor
8 of the state university of New York. Nothing in this paragraph shall be
9 construed as to authorize that students whose net taxable income is
10 eighty thousand dollars or more are eligible for tuition assistance
11 program awards pursuant to section six hundred sixty-seven of this chap-
12 ter.

13 § 2. Paragraph (a) of subdivision 7 of section 6206 of the education

29 differential tuition charge based upon need or income. All students
30 enrolled in programs leading to like degrees at the senior colleges
31 shall be charged a uniform rate of tuition, except for differential
32 tuition rates based on state residency. Notwithstanding any other
33 provision of this paragraph, the trustees may authorize the setting of a

50 services corporation pursuant to section six hundred eighty-nine-a of
51 this chapter, shall be applied toward the tuition charged for each
52 semester, quarter or term of study. Tuition for each semester, quarter
53 or term of study shall not be due for any student eligible to receive
54 such tuition credit until the tuition credit is calculated and applied
55 against the tuition charged for the corresponding semester, quarter or
56 term.

Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. 20 rules and regulations of the corporation. Any obligation to comply with
21 such provisions as outlined in this section shall be cancelled upon the

26 8. Recipient selection. The president may establish:

27 § 4. This act shall take effect immediately.

28 PART NNN

29 Section 1. This act enacts into law components of legislation which
30 are necessary to implement legislation relating to workers' compensation
31 and insurance. Each component is wholly contained within a Subpart iden-
32 tified as Subparts A through J. The effective date for each particular
33 provision contained within such Subpart is set forth in the last section
34 of such Subpart. Any provision in any section contained within a
35 Subpart, including the effective date of the Subpart, which makes a
36 reference to a section "of this act", when used in connection with that
37 particular component, shall be deemed to mean and refer to the corre-
38 sponding section of the Subpart in which it is found. Section three of
39 this act sets forth the general effective date of this act.

40 SUBPART A

41 Section 1. Paragraph w of subdivision 3 of section 15 of the workers'
42 compensation law, as amended by chapter 6 of the laws of 2007, is
43 amended to read as follows:

44 w. Other cases. In all other cases of permanent partial disability,
45 the compensation shall be sixty-six and two-thirds percent of the
46 difference between the injured employee's average weekly wages and his
47 or her wage-earning capacity thereafter in the same employment or other-
48 wise. Compensation under this paragraph shall be payable during the
49 continuance of such permanent partial disability, without the necessity
50 for the claimant who is entitled to benefits at the time of classifica-
51 tion to demonstrate ongoing attachment to the labor market, but subject
52 to reconsideration of the degree of such impairment by the board on its

own motion or upon application of any party in interest however, all compensation payable under this paragraph shall not exceed (i) five hundred twenty-five weeks in cases in which the loss of wage-earning capacity is greater than ninety-five percent; (ii) five hundred weeks in cases in which the loss of wage-earning capacity is greater than ninety percent but not more than ninety-five percent; (iii) four hundred seventy-five weeks in cases in which the loss of wage-earning capacity is greater than eighty-five percent but not more than ninety percent; (iv) four hundred fifty weeks in cases in which the loss of wage-earning capacity is greater than eighty percent but not more than eighty-five percent; (v) four hundred twenty-five weeks in cases in which the loss of wage-earning capacity is greater than seventy-five percent but not more than eighty percent; (vi) four hundred weeks in cases in which the loss of wage-earning capacity is greater than seventy percent but not more than seventy-five percent; (vii) three hundred seventy-five weeks in cases in which the loss of wage-earning capacity is greater than sixty percent but not more than seventy percent; (viii) three hundred fifty weeks in cases in which the loss of wage-earning capacity is greater than fifty percent but not more than sixty percent; (ix) three hundred weeks in cases in which the loss of wage-earning capacity is greater than forty percent but not more than fifty percent; (x) two hundred seventy-five weeks in cases in which the loss of wage-earning capacity is greater than thirty percent but not more than forty percent; (xi) two hundred fifty weeks in cases in which the loss of wage-earning capacity is greater than fifteen percent but not more than thirty percent; and (xii) two hundred twenty-five weeks in cases in which the loss of wage-earning capacity is fifteen percent or less. For a claimant with a date of accident or disablement after the effective date of the chapter of the laws of two thousand seventeen that amended this subdivision, where the carrier or employer has provided compensation pursuant to subdivision five of this section beyond one hundred thirty weeks from the date of accident or disablement, all subsequent weeks in which compensation was paid shall be considered to be benefit weeks for purposes of this section, with the carrier or employer receiving credit for all such subsequent weeks against the amount of maximum benefit weeks when permanent partial disability under this section is determined. In the event of payment for intermittent temporary partial disability paid after one hundred thirty weeks from the date of accident or disablement, such time shall be reduced to a number of weeks, for which the carrier will receive a credit against the maximum benefit weeks. For a claimant with a date of accident or disablement after the effective date of the chapter of the laws of two thousand seventeen that amended this subdivision, when permanency is at issue, and a claimant has submitted medical evidence that he or she is not at maximum medical improvement, and the carrier has produced or has had a reasonable opportunity to produce an independent medical examination concerning maximum medical improvement, and the board has determined that the claimant is not yet at maximum medical improvement, the carrier shall not receive a credit for benefit weeks prior to a finding that the claimant has reached maximum medical improvement, at which time the carrier shall receive credit for any weeks of temporary disability paid to claimant after such finding against the maximum benefit weeks awarded under this subdivision. For those claimants classified as permanently partially disabled who no longer receive indemnity payments because they have surpassed their number of maximum benefit weeks, the following provisions will apply:

(1) There will be a presumption that medical services shall continue notwithstanding the completion of the time period for compensation set forth in this section and the burden of going forward and the burden of proof will lie with the carrier, self-insured employer or state insurance fund in any application before the board to discontinue or suspend such services. Medical services will continue during the pendency of any such application and any appeals thereto.

(2) The board is directed to promulgate regulations that establish an independent review and appeal by an outside agent or entity of the board's choosing of any administrative law judge's determination to discontinue or suspend medical services before a final determination of the board.

§ 2. Subdivisions 3 and 4 of section 35 of the workers' compensation law, as added by chapter 6 of the laws of 2007, the opening paragraph of subdivision 4 as further amended by section 104 of part A of chapter 62 of the laws of 2011, are amended to read as follows:

3. Extreme hardship redetermination. In cases where the loss of wage-earning capacity is greater than ~~[eighty]~~ seventy-five percent, a claimant may request, within the year prior to the scheduled exhaustion of indemnity benefits under paragraph w of subdivision three of section fifteen of this article, that the board reclassify the claimant to permanent total disability or total industrial disability due to factors reflecting extreme hardship.

4. Annual safety net reporting. The ~~[commissioner of labor]~~ board, in conjunction with the ~~[board]~~ commissioner of labor and the superintendent of financial services, shall track all claimants who have been awarded permanent partial disability status and report annually on December first, beginning in two thousand eight, to the governor, the speaker of the assembly, the majority leader of the senate, and the chairs of the labor, ways and means and finance committees of the assembly and senate:

(i) The number of said claimants who have:

(1) returned to gainful employment;

(2) been recategorized as being totally industrially disabled;

(3) remain subject to duration limitations set forth in paragraph w of subdivision three of section fifteen of this article; and

(4) not returned to work, and whose indemnity payments have expired.

(ii) The additional steps the commissioner contemplates are necessary to minimize the number of workers who have neither returned to work nor been recategorized from permanent partial disability.

§ 3. Section 23 of the workers' compensation law, as amended by section 10 of part GG of chapter 57 of the laws of 2013, is amended to read as follows:

§ 23. Appeals. An award or decision of the board shall be final and conclusive upon all questions within its jurisdiction, as against the state fund or between the parties, unless reversed or modified on appeal therefrom as hereinafter provided. Any party may within thirty days after notice of the filing of an award or decision of a referee, file with the board an application in writing for a modification or rescission or review of such award or decision, as provided in this chapter. The board shall render its decision upon such application in writing and shall include in such decision a statement of the facts which formed the basis of its action on the issues raised before it on such application. Within thirty days after notice of the decision of the board upon such application has been served upon the parties, or within thirty days after notice of an administrative redetermination review decision by the

1 chair pursuant to subdivision five of section fifty-two, section one
2 hundred thirty-one or section one hundred forty-one-a of this chapter
3 has been served upon any party in interest, an appeal may be taken there-
4 from to the appellate division of the supreme court, third department,
5 by any party in interest, including an employer insured in the state
6 fund; provided, however, that any party in interest may within thirty
7 days after notice of the filing of the board panel's decision with the
8 secretary of the board, make application in writing for review thereof
9 by the full board. If the decision or determination was that of a panel
10 of the board and there was a dissent from such decision or determination
11 other than a dissent the sole basis of which is to refer the case to an
12 impartial specialist, or if there was a decision or determination by the
13 panel which reduced the loss of wage earning capacity finding made by a
14 compensation claims referee pursuant to subparagraph w of subdivision
15 three of section fifteen of this article from a percentage at or above
16 the percentage set forth in subdivision three of section thirty-five of
17 this article whereby a claimant would be eligible to apply for an
18 extreme hardship redetermination to a percentage below the threshold,
19 the full board shall review and affirm, modify or rescind such decision
20 or determination in the same manner as herein above provided for an
21 award or decision of a referee. If the decision or determination was
22 that of a unanimous panel of the board, or there was a dissent from such
23 decision or determination the sole basis of which is to refer the case
24 to an impartial specialist, the board may in its sole discretion review
25 and affirm, modify or rescind such decision or determination in the same
26 manner as herein above provided for an award or decision of a referee.
27 Failure to apply for review by the full board shall not bar any party in
28 interest from taking an appeal directly to the court as above provided.
29 The board may also, in its discretion certify to such appellate division
30 of the supreme court, questions of law involved in its decision. Such
31 appeals and the question so certified shall be heard in a summary manner
32 and shall have precedence over all other civil cases in such court. The
33 board shall be deemed a party to every such appeal from its decision
34 upon such application, and the chair shall be deemed a party to every
35 such appeal from an administrative redetermination review decision
36 pursuant to subdivision five of section fifty-two of this chapter. The
37 attorney general shall represent the board and the chair thereon. An
38 appeal may also be taken to the court of appeals in the same manner and
39 subject to the same limitations not inconsistent herewith as is now
40 provided in the civil practice law and rules. It shall not be necessary
41 to file exceptions to the rulings of the board. An appeal to the appel-
42 late division of the supreme court, third department, or to the court of
43 appeals, shall not operate as a stay of the payment of compensation
44 required by the terms of the award or of the payment of the cost of such
45 medical, dental, surgical, optometric or other attendance, treatment,
46 devices, apparatus or other necessary items the employer is required to
47 provide pursuant to section thirteen of this article which are found to
48 be fair and reasonable. Where such award is modified or rescinded upon
49 appeal, the appellant shall be entitled to reimbursement in a sum equal
50 to the compensation in dispute paid to the respondent in addition to a
51 sum equal to the cost of such medical, dental, surgical, optometric or
52 other attendance, treatment, devices, apparatus or other necessary items
53 the employer is required to provide pursuant to section thirteen of this
54 article paid by the appellant pending adjudication of the appeal. Such
55 reimbursement shall be paid from administration expenses as provided in
56 section one hundred fifty-one of this chapter upon audit and warrant of

1 the comptroller upon vouchers approved by the chair. Where such award is
2 subject to the provisions of section twenty-seven of this article, the
3 appellant shall pay directly to the claimant all compensation as it
4 becomes due during the pendency of the appeal, and upon affirmance shall
5 be entitled to credit for such payments. Neither the chair, the board,
6 the commissioners of the state insurance fund nor the claimant shall be
7 required to file a bond upon an appeal to the court of appeals. Upon
8 final determination of such an appeal, the board or chair, as the case
9 may be, shall enter an order in accordance therewith. Whenever a notice
10 of appeal is served or an application made to the board by the employer
11 or insurance carrier for a modification or rescission or review of an
12 award or decision, and the board shall find that such notice of appeal
13 was served or such application was made for the purpose of delay or upon
14 frivolous grounds, the board shall impose a penalty in the amount of
15 five hundred dollars upon the employer or insurance carrier, which
16 penalty shall be added to the compensation and paid to the claimant. The
17 penalties provided herein shall be collected in like manner as compen-
18 sation. A party against whom an award of compensation shall be made may
19 appeal from a part of such award. In such a case the payment of such
20 part of the award as is not appealed from shall not prejudice any rights
21 of such party on appeal, nor be taken as an admission against such
22 party. Any appeal by an employer from an administrative redetermination
23 review decision pursuant to subdivision five of section fifty-two of
24 this chapter shall in no way serve to relieve the employer from the
25 obligation to timely pay compensation and benefits otherwise payable in
26 accordance with the provisions of this chapter.

27 Nothing contained in this section shall be construed to inhibit the
28 continuing jurisdiction of the board as provided in section one hundred
29 twenty-three of this chapter.

30 § 4. This act shall take effect immediately.

31 SUBPART B

32 Section 1. Subdivision 3 of section 15 of the workers' compensation
33 law is amended by adding a new paragraph x to read as follows:

34 x. Impairment guidelines. The chair shall consult with representatives
35 of labor, business, medical providers, insurance carriers, and self-in-
36 jured employers regarding revisions to permanency impairment guidelines,
37 including permitting review and comment by such representatives' chosen
38 medical advisors, and after consultation shall, in accordance with the
39 state administrative procedure act, propose for public comment revised
40 permanency guidelines concerning medical evaluation of impairment and
41 the determination of permanency as set forth in paragraphs a through v
42 of this subdivision by September first, two thousand seventeen, with
43 such guidelines to be adopted by the chair by January first, two thou-
44 sand eighteen. The permanency impairment guidelines shall be reflective
45 of advances in modern medicine that enhance healing and result in better
46 outcomes. In the event the chair fails to adopt such permanency guide-
47 lines to be effective by January first, two thousand eighteen, the chair
48 shall adopt, by emergency regulation, permanency impairment guidelines.
49 The permanency impairment guidelines adopted by emergency regulation
50 shall be either the impairment guidelines proposed by the chair on
51 September first, two thousand seventeen or the permanency impairment
52 guidelines created by the consultant to the board and submitted to
53 representatives of labor, business, medical providers, insurance carri-
54 ers, and self-insured employers, as voted on in an emergency meeting of

1 the board to be held on December twenty-ninth, two thousand seventeen.
2 In the event the board is unable to reach a decision at such meeting,
3 the chair shall select the permanency guidelines to be adopted by emer-
4 gency regulations. Emergency regulations shall be in effect for ninety
5 days or until such time as permanent regulations are adopted by the
6 chair. As of January first, two thousand eighteen the 2012 permanency
7 impairment guidelines pertaining to paragraphs a through v of subdivi-
8 sion three of section fifteen of this article are repealed, and shall
9 have no effect. The board shall train adjudication and other staff to
10 ensure timely and effective implementation.

11 § 2. This act shall take effect immediately.

12 SUBPART C

13 Section 1. The workers' compensation law is amended by adding a new
14 section 13-p to read as follows:

16 establish a comprehensive prescription drug formulary on or before
17 December thirty-first, two thousand seventeen. The prescription drug
18 formulary shall include a tiered list of high-quality, cost-effective
19 medications that are pre-approved to be prescribed and dispensed, as
20 well as additional non-preferred drugs that can be prescribed with prior
21 approval. Such prescription drug formulary, shall include but not be
22 limited to implementation of a pharmacy reimbursement strategy, adminis-
23 tration of a prescription drug rebate program for formulary drugs, a
24 pre-approval program, drug utilization review, and limitations on the
25 prescribing of compounded medications and compounded topical prepara-
26 tions. The board shall promulgate regulations to permit an interested
27 party to submit a request to the medical director of the board to alter
28 or amend the formulary to consider changing the status of a drug from
29 non-preferred to preferred. Regulations may include a provision for
30 reasonable costs and fees associated with the review.

31 § 2. This act shall take effect immediately.

32 SUBPART D

33 Section 1. Paragraph (a) of subdivision 2 of section 25 of the work-
34 ers' compensation law, as amended by chapter 635 of the laws of 1996, is
35 amended to read as follows:

36 (a) In case the employer decides to controvert the right to compen-
37 sation, it shall, either on or before the eighteenth day after disabili-
38 ty or within ten days after it has knowledge of the alleged accident,
39 whichever period is the greater, file a notice with the chair, on a form
40 prescribed by the chair, that compensation is not being paid, giving the
41 name of the claimant, name of the employer, date of the alleged accident
42 and the reason why compensation is not being paid. When a claim for
43 compensation is filed with medical evidence of work related injury or
44 illness, and the claimant is disabled and not working, and the claimant
45 is otherwise entitled to compensation, and the employer is not making
46 payment to the claimant as required herein, and the employer has not
47 controverted the claim, and the efforts to resolve the issue with the
48 carrier have not been successful, the claimant may request, in the
49 format prescribed by the chair, a hearing to be held within forty-five
50 days of the board's receipt of such request.

51 If the insurance carrier shall fail either to file notice of contro-
52 versy or begin payment of compensation within the prescribed period or

1 within ten days after receipt of a copy of the notice required in
2 section one hundred ten of this chapter, whichever period is the great-
3 er, the board may[~~, after a hearing,~~] impose a penalty in the amount of
4 three hundred dollars, which shall be in addition to all other penalties
5 provided for in this chapter and shall be paid to the claimant. Such
6 penalty shall be collected in like manner as an award of compensation.

7 § 2. Subdivision 3 of section 25 of the workers' compensation law is
8 amended by adding a new paragraph (g) to read as follows:

9 (g) Notwithstanding any other provision in this chapter, the chair may
10 by regulation elect to establish a performance standard concerning the
11 subject of any penalty or assessment provision applicable to an insur-
12 ance carrier or self-insured employer, where such penalty or assessment
13 is remittable to the New York state treasury, or chair, but not to
14 claimants or any other payee or fund, and impose a single penalty or
15 assessment upon the failure to meet that promulgated standard, with
16 notice to the carrier or self-insured employer. The penalty or assess-
17 ment imposed in the aggregate shall be payable to the chair. Such aggre-
18 gate penalty or assessment shall be based upon the number of violations
19 as multiplied against the applicable penalty or assessment, but may be
20 negotiated by the chair's designee in full satisfaction of the penalty
21 or assessment. A final agreement between the chair's designee and the
22 carrier or self-insured employer may be submitted and approved subject
23 to section thirty-two of this article, without notice to any claimant.
24 Any aggregate penalty or assessment issued herein shall be issued admin-
25 istratively, and the board, and the chair may, by regulation, specify
26 the method of review or redetermination, and the presentment of evidence
27 and objections shall occur solely upon the documentation. The carrier or
28 self-insured employer shall receive credit for any instances in which
29 the aggregate penalty or assessment is inclusive of a penalty or assess-
30 ment previously issued and paid in an individual claim or proceeding. A
31 final determination is subject to review under section twenty-three of
32 this article, except that no stay in payment of the penalty or assess-
33 ment shall apply pending the outcome of the application for administra-
34 tive review. Failure to pay the finally determined penalty or assess-
35 ment, or the penalty or assessment agreed upon pursuant to section
36 thirty-two of this article, within ten days of filing, shall result in
37 the imposition of a twenty-percent penalty, payable to the chair. In the
38 event of the carrier or self-insured employer instituting or continuing
39 an issue without reasonable grounds, the provisions of subdivision three
40 of section one hundred fourteen-a of this chapter shall be applicable.
41 Aggregate penalties shall be borne exclusively by insurance carriers and
42 licensed representatives pursuant to subdivision three-b of section
43 fifty of this article and the costs shall not be passed to insured
44 employers.

45 § 3. This act shall take effect immediately.

46 SUBPART E

47 Section 1. Subdivision 3 of section 50 of the workers' compensation
48 law, as amended by section 3 of part G of chapter 57 of the laws of
49 2011, the closing paragraph as further amended by section 104 of part A
50 of chapter 62 of the laws of 2011, is amended to read as follows:

51 3. By furnishing satisfactory proof to the chair of his financial
52 ability to pay such compensation for himself, or to pay such compen-
53 sation on behalf of a group of employers in accordance with subdivision
54 ten of this section, in which case the chair shall require the deposit

1 with the chair of such securities as the chair may deem necessary of the
2 kind prescribed in subdivisions one, two, three, four and five, and
3 subparagraph (a) of paragraph three of subdivision seven of section two
4 hundred thirty-five of the banking law, or the deposit of cash, or the
5 filing of irrevocable letters of credit issued by a qualified banking
6 institution as defined by rules promulgated by the chair or the filing
7 of a bond of a surety company authorized to transact business in this
8 state, in an amount to be determined by the chair, or the posting and
9 filing as aforesaid of a combination of such securities, cash, irrev-
10 ovable letters of credit and surety bond in an amount to be determined
11 by the chair, to secure his liability to pay the compensation provided
12 in this chapter. Any such surety bond must be approved as to form by the
13 chair. If an employer or group of employers posts and files a combina-
14 tion of securities, cash, irrevocable letters of credit and surety bond
15 as aforesaid, and if it becomes necessary to use the same to pay the
16 compensation provided in this chapter, the chair shall first use such
17 securities or cash or irrevocable letters of credit and, when the full
18 amount thereof has been exhausted, he shall then require the surety to
19 pay forthwith to the chair all or any part of the penal sum of the bond
20 for that purpose. The chair may also require an agreement on the part of
21 the employer or group of employers to pay any awards commuted under
22 section twenty-seven of this chapter, into the special fund of the state
23 fund, as a condition of his being allowed to remain uninsured pursuant
24 to this section. The chair shall have the authority to deny the applica-
25 tion of an employer or group of employers to pay such compensation for
26 himself or to revoke his consent furnished, under this section at any
27 time, for good cause shown. The employer or group of employers qualify-
28 ing under this subdivision shall be known as a self-insurer.

29 If for any reason the status of an employer or group of employers
30 under this subdivision is terminated, the securities or the surety bond,
31 or the securities, cash, or irrevocable letters of credit and surety
32 bond, on deposit referred to herein shall remain in the custody of the
33 chair for such time as the chair may deem proper and warranted under the
34 circumstances. In lieu thereof, and at the discretion of the chair, the
35 employer, his or her heirs or assigns or others carrying on or liquidat-
36 ing such business, may execute an assumption of workers' compensation
37 liability insurance policy ~~securing~~ as described herein. Separately,
38 the chair may execute an assumption of workers' compensation liability
39 insurance policy as described herein on behalf of the special funds
40 created under the provisions of subdivisions eight and nine of section
41 fifteen and section twenty-five-a of this chapter, and notwithstanding
42 any provision to the contrary the chair may execute an assumption of
43 workers' compensation liability insurance policy on behalf of the unin-
44 insured employers' fund. An assumption of workers' compensation liability
45 policy referred to herein shall secure such further and future contin-
46 gent liability as may directly or indirectly arise from prior injuries
47 to workers and be incurred by reason of any change in condition of such
48 workers warranting the board making subsequent awards for payment of
49 additional compensation. Such policy shall be in a form approved by the
50 superintendent of financial services and issued by the state fund or any
51 insurance company licensed to issue this class of insurance in this
52 state or, upon application by the chair, any other insurance company
53 deemed by the superintendent of financial services to be an acceptable
54 issuer. In the event that such policy is issued by an insurance company
55 other than the state fund, then said policy shall be deemed of the kind
56 specified in paragraph fifteen of subsection (a) of section one thousand

1 one hundred thirteen of the insurance law and covered by the workers'
2 compensation security fund as created and governed by article six-A of
3 this chapter. It shall only be issued for a single complete premium
4 payment in advance [~~by the employer or group of employers~~] and in an
5 amount deemed acceptable by the chair and the superintendent of finan-
6 cial services. In lieu of the applicable premium charge ordinarily
7 required to be imposed by a carrier, said premium shall include a
8 surcharge in an amount to be determined by the chair to: (i) satisfy all
9 assessment liability due and owing to the board and/or the chair under
10 this chapter; and (ii) satisfy all future assessment liability under
11 this section, and which surcharge shall be adjusted from time to time to
12 reflect any changes to the assessment of group self-insured employers,
13 including any changes enacted by the chapter of the laws of two thousand
14 eleven amending sections fifteen and one hundred fifty-one of this chap-
15 ter. Said surcharge shall be payable to the board simultaneous to the
16 execution of the assumption of workers' compensation liability insurance
17 policy. However, the payment of said surcharge does not relieve the
18 carrier from any other liability, including liability owed to the super-
19 intendent of financial services pursuant to article six-A of this chap-
20 ter. When issued such policy shall be non-cancellable without recourse
21 for any cause during the continuance of the liability secured and so
22 covered.

23 § 1-a. Subparagraph (b) of paragraph 2 of subdivision 3-a of section
24 50 of the workers' compensation law, as amended by section 4 of part G
25 of chapter 57 of the laws of 2011, is amended to read as follows:

26 (b) Where such plan is adopted the group self-insurer shall furnish
27 satisfactory proof to the chair of its financial ability to pay such
28 compensation for the members in the industry covered by it, its reven-
29 ues, their source and assurance of continuance. The chair shall require
30 the deposit with the chair of such securities as may be deemed necessary
31 of the kind prescribed in subdivisions one, two, three, four and five,
32 and subparagraph (a) of paragraph three of subdivision seven of section
33 two hundred thirty-five of the banking law or the deposit of cash or the
34 filing of irrevocable letters of credit issued by a qualified banking
35 institution as defined by rules promulgated by the chair or the filing
36 of a bond of a surety company authorized to transact business in this
37 state, in an amount to be determined to secure its liability to pay the
38 compensation of each employer as above provided. Such surety bond must
39 be approved as to form by the chair. The chair shall require each group
40 self-insurer to provide regular reports no less than annually, which
41 shall include but not be limited to audited financial statements, actu-
42 arial opinions and payroll information containing proof that it is fully
43 funded. Such reports shall also include a contribution year analysis
44 detailing contributions and expenses associated with each specific
45 contribution year. For purposes of this paragraph, proof that a group
46 self-insurer is fully funded shall at a minimum include proof of unre-
47 stricted cash and investments permitted by regulation of the chair of at
48 least one hundred percent of the total liabilities, including the esti-
49 mate presented in the actuarial opinion submitted by the group self-in-
50 surer in accordance with this chapter. The chair by regulation, may set
51 further financial standards for group self-insurers. Any group self-in-
52 surer that fails to show that it is fully funded shall be deemed under-
53 funded, and must submit a plan for achieving fully funded status which
54 may include a deficit assessment on members of such group self-insurer
55 which shall be subject to approval or modification by the chair. The
56 amount of such under-funding, as measured by the actuarial opinion or

1 assumption of loss policy quotation submitted by the group, shall be
2 considered unfunded claims as set forth in subdivision two of section
3 sixteen hundred eighty-q of the public authorities law as added by
4 section 35 of Part GG of chapter 57 of the laws of 2013.

5 § 2. Subdivision (i) of section 32 of the workers' compensation law,
6 as added by chapter 6 of the laws of 2007, paragraph 5 as further
7 amended by section 104 of part A of chapter 62 of the laws of 2011, is
8 amended to read as follows:

9 (i) (1) The waiver agreement management office may contract with an
10 insurance carrier, self-insured employer, state insurance fund or any
11 third party to assume liability for, manage, administer, or settle
12 claims on its behalf, so long as (A) such contract is approved by the
13 special disability fund advisory committee and (B) such ~~[third]~~ party
14 shall agree to be subject to any guidelines or directives as the chair
15 may issue.

16 (2) The chair may, with approval of the special disability fund advi-
17 sory committee and on such terms as the committee deems appropriate,
18 ~~[shall have discretion to]~~ procure one or more private entities to
19 assume the liability for and ~~[management, administration or settlement~~
20 ~~of]~~ manage, administer, or settle all or a portion of the claims in the
21 special disability fund including, without limitation, by obtaining "an
22 assumption of workers' compensation liability insurance policy" as
23 defined in subdivision three of section fifty of this chapter. Any such
24 policy shall expressly provide and, notwithstanding any other provision
25 of law, operate to release from any further liability (i) the special
26 disability fund and (ii) the insurance carrier, including as the case
27 may be the state insurance fund, originally liable for any claim covered
28 by the assumption of workers' compensation liability insurance policy
29 securing such further and future contingent liability as may arise from
30 any such claim, including from prior injuries to employees and be
31 incurred by reason of any change in the condition of such employees for
32 payment of additional compensation. Notwithstanding any other provisions
33 of law, no consultation or approval of any employer, insurance carrier,
34 self-insurer or the state insurance fund shall be required before such
35 office may enter into any such policy of waiver agreement, or before the
36 board may approve such waiver agreement. Any such procurement shall be
37 conducted in accordance with state finance law, except as otherwise set
38 forth below. The chair shall not award any contract that has not been
39 approved by the special disability fund advisory committee. Notwith-
40 standing the foregoing, the chair of the workers' compensation board
41 may, if approved by the special disability fund advisory committee, and
42 on such terms as the committee deems appropriate:

43 (A) waive any informality in a bid, and either reject all bids and
44 again advertise for bids, or interview at least two responsible quali-
45 fied bidders and negotiate and enter into a contract with one or more of
46 such bidders; or

47 (B) group claims to be assigned, in whole or in part, based on the
48 insurance carrier, self-insured employer or state insurance fund that is
49 receiving or will receive reimbursement on those claims from the second
50 disability fund. Such grouping shall be permissible notwithstanding that
51 any insurance carrier may have greater access to information, or may be
52 able to provide better terms, in regard to claims so grouped.

53 (3) ~~[Any such contract shall expressly provide that the special disa-~~
54 ~~bility fund is no longer liable for the claims covered by the contract,~~
55 ~~and require security of either cash, an indemnity policy, or such secu-~~
56 ~~rity as is otherwise sufficient to cover any losses incurred as a result~~

~~of the failure or default of the entity or entities awarded any such contract, including as a result of the insolvency of any such entity. The chair may waive all or part of such security, and may impose other reasonable methods of insuring payment, upon approval of the special disability fund advisory committee.]~~ Any policy executed by the chair pursuant to this section shall be in the form of an assumption of workers' compensation liability insurance policy securing such further and future contingent liability as may arise from any claim covered by such policy, including prior injuries to workers and be incurred by reason of any change in the condition of such workers warranting the board making subsequent awards for payment of additional compensation. Such policy shall be in a form approved by the superintendent of financial services and issued by the state insurance fund or any insurance company licensed to issue this class of insurance in this state, or deemed acceptable as an issuer upon application by the chair to the superintendent as specified in subdivision three of section fifty of this chapter. In the event that such policy is issued by an insurance company other than the state insurance fund, then said policy shall be deemed of the kind specified in paragraph fifteen of subsection (a) of section one thousand one hundred thirteen of the insurance law and covered by the workers' compensation security fund as created and governed by article six-a of this chapter. Such policy shall only be issued for a single complete premium paid in advance and in an amount deemed acceptable by the chair and the superintendent of financial services. When issued such policy shall be noncancellable without recourse for any cause during the continuance of the liability secured and so covered.

(4) Notwithstanding any other provision of this article, the waiver agreement management office may request in writing any information relevant to its entry into or management of waiver agreements from (A) any insurance carrier, employer, or the state insurance fund, if that entity has submitted a claim for reimbursement from the special disability fund as to the claimant to whom the information relates; or (B) the special funds conservation committee. The party to whom the request is made shall provide the requested information within fourteen days of the request, unless before that date it files an objection with the board to any information which is subject to a recognized privilege or whose production is otherwise barred by law. The objecting party shall provide the requested information within five business days of the board's rejection of its objection.

(5) No carrier, self-insured employer or the state insurance fund shall assume the liability for, or management, administration or settlement of any claims under this section on which it holds reserves, beyond such reserves as are permitted by regulation of the superintendent of financial services for purposes of this provision. No carrier may assume liability for any claims in the special disability fund under this paragraph unless the carrier maintains, on a stand alone basis, separate from its parent or any affiliated entities, an interactive financial strength rating from a nationally recognized statistical rating organization that is considered secure or deemed acceptable by the special disability fund advisory committee.

(6) The director of the budget shall notify in writing the chairs of the senate finance committee and the assembly ways and means committee of any plans to transfer all or a portion of the portfolio of claims determined to be eligible for reimbursement from the special disability fund or to ~~contract with any party to take responsibility in whole or in part for the administration of a material portion of the claims,~~

1 ~~including the procurement process to be used to select parties involved~~
2 ~~in such transfer or contract,~~ enter into an assumption of workers'
3 compensation liability insurance policy, not less than forty-five days
4 prior to the commencement of such process. At any time borrowing is
5 anticipated to settle claims, the chief executive officer of the dormi-
6 tory authority of the state of New York and the director of the budget
7 shall provide a report to the chairs of the senate finance committee and
8 the assembly ways and means committee on a planned bond sale of the
9 authority and such report shall include, but not be limited to: (A) the
10 maximum amount of bonds expected to be sold by the authority in
11 connection with a sale agreement; (B) the expected maximum interest rate
12 and maturity date of such bonds; (C) the expected amount of the bonds
13 that will be fixed and/or variable interest rate; (D) the estimated
14 costs of issuance; (E) the estimated level or levels of reserve fund or
15 funds, if any; (F) the estimated cost of bond issuance, if any; (G) the
16 anticipated use or uses of the proceeds; (H) the maximum expected net
17 proceeds that will be paid to the state as a result of the issuance of
18 such bonds; and (I) the process to be used to select parties to the
19 transaction. Any such expectations and estimates in the report shall not
20 be deemed a substantive limitation on the authority of the dormitory
21 authority of the state of New York.

22 § 3. This act shall take effect immediately.

23 SUBPART F

24 Section 1. Section 16 of chapter 11 of the laws of 2008 amending the
25 workers' compensation law, the insurance law, the volunteer ambulance
26 workers' benefit law and the volunteer firefighters' benefit law, relat-
27 ing to rates for workers' compensation insurance and setting forth

34 the same date that section 68 of chapter 6 of the laws of 2007 takes
35 effect; provided further that the amendments to section 2316 of the
36 insurance law made by section eleven of this act shall not affect the
37 expiration of such section pursuant to section 2342 of the insurance law
38 and shall be deemed expired therewith; and provided further that section
39 ten of this act shall expire and be deemed repealed June 2, ~~2018~~ 2028.

40 § 2. Subsection (e) of section 2305 of the insurance law, as amended
41 by chapter 237 of the laws of 2012, is amended to read as follows:

42 (e) The superintendent: (1) by regulation may, in lieu of the waiting
43 period set forth in subsection (b) of this section, require workers'
44 compensation insurance rate filings to be specifically approved before
45 they become effective; and (2) shall hold a public hearing if a rate
46 service organization makes a loss cost filing for workers' compensation
47 that is an increase of ~~seven~~ five percent or more over the approved
48 loss costs from the prior year. Until June second, two thousand ~~eigh-~~
49 ~~teen~~ twenty-eight, a rate service organization for workers' compen-
50 sation shall make a loss cost filing every year on or before June first,

53 law, as added by chapter 11 of the laws of 2008, is amended to read as

It shall be the responsibility of the actuarial committee to review methodology and data collection processes used to develop loss costs. The American Federation of Labor - Congress of Industrial Organizations of New York State and the Business Council of New York State, Inc. shall together appoint one independent casualty actuary who is a fellow or associate of the casualty actuarial society to serve as a member of the actuarial committee. The appointment of such actuary, and his or her compensation and terms and conditions of retention, shall be subject to the approval of the superintendent as reasonable and customary for such professional. The actuary shall be paid by the workers' compensation rate service organization. Such actuary shall have the same access to the workers' compensation rate service organization data and documents as the other members of that committee. The governing body of a workers' compensation rate service organization shall select a chief actuary of the actuarial committee, who shall serve at the pleasure of the governing body and whose terms and conditions of employment shall be approved by the governing body. § 4. The New York compensation insurance rating board shall make a filing with the New York state department of financial services requiring that the final premiums charged (i) on workers' compensation policies with an effective date between the effective date of this section and September 30, 2017, and (ii) on the unexpired portion of workers' compensation policies in force after the effective date of this section with an effective date on or after October 1, 2016, shall reflect such cost impact. Differences between premiums charged and the final premium on such policies shall be settled between the insurance carrier and the policyholder by or before December 31, 2018.

§ 5. This act shall take effect immediately; provided, however that the amendments to subdivision (t) of section 2313 of the insurance law made by section three of this act shall not affect the repeal of such subdivision and shall be deemed repealed therewith.

10 work-related stress incurred in a work-related emergency, the board may
11 not disallow the claim, upon a factual finding that the stress was not
12 greater than that which usually occurs in the normal work environment.

13 § 2. This act shall take effect immediately.

14 SUBPART J

15 Section 1. Subdivision 3 of section 151 of the workers' compensation

17 2013, is amended to read as follows:

34 York city fire department pension fund shall, as of the effective date
35 of this subdivision pursuant to chapter two hundred ninety-eight of the
36 laws of two thousand sixteen, contribute three percent of annual wages
37 to the pension fund in which they have membership, plus an additional
38 percentage of annual wages as set forth in the chapter of the laws of
39 two thousand sixteen which added this subdivision.

40 § 3. Section 517 of the retirement and social security law is amended
41 by adding a new subdivision i to read as follows:

42 i. Notwithstanding any inconsistent provision of subdivision a of this
43 section, New York city enhanced plan members who are members of the New
44 York city police pension fund shall, as of the effective date of this
45 subdivision, contribute three percent of annual wages to the pension

48 seventeen which added this subdivision.

49 § 4. New York city enhanced plan members, as defined in section 501 of
50 the retirement and social security law as amended by section one of this
51 act, shall contribute, pursuant to subdivision i of section 517 of the
52 retirement and social security law as added by section three of this
53 act, an additional one percent of annual wages to the pension fund in
54 which they have membership. Every three years from the effective date of
55 this act, the actuary of such pension fund shall prepare an analysis,
56 using current actuarial methods and assumptions in effect as of the date

1 of such analysis, assessing the total cost of providing the benefits
2 established by this act expressed as an employee contribution of a
3 percentage of annual wages of New York City enhanced plan members which
4 would require no additional employer contribution. On the basis of such
5 analysis, the additional percentage of annual wages provided for herein
6 shall be adjusted to equal one percent of annual wages plus any amount
7 by which the employee contribution calculated in such analysis exceeds
8 2.2 percent of annual wages, provided, however, that in no event shall
9 the additional percentage of annual wages exceed 3 percent.

10 § 5. Section 81 of chapter 18 of the laws of 2012 shall not apply to
11 this act.

12 § 6. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

PROVISIONS OF PROPOSED LEGISLATION: The proposed legislation would amend provisions of the Retirement and Social Security Law (RSSL) to permit existing New York City Police Pension Fund (POLICE) Tier 3 and Revised Tier 3 POLICE Members to elect to join the RSSL Article 14 Enhanced Plan, and require participation for those POLICE Members who become subject to Article 14 on or after April 1, 2017. The Enhanced Plan provides changes to Accidental Disability Retirement (ADR) and Ordinary Disability Retirement (ODR) benefits, and includes a formula for adjusting increased contribution rates within defined parameters. The proposed legislation would also allow eligible POLICE Members to utilize applicable statutory presumptions for purposes of ADR.

The Effective Date of the proposed legislation would be the date of enactment.

For purposes of this Fiscal Note, all POLICE members subject to Article 14 of the RSSL will be referred to as "Tier 3 POLICE Members." Tier 3 POLICE Members who have a date of membership prior to April 1, 2012 will be referred to as "Original Tier 3 POLICE Members." Tier 3 POLICE Members who have a date of membership on or after April 1, 2012 will be referred to as "Revised Tier 3 POLICE Members."

Tier 3 POLICE Members who are Members prior to April 1, 2017 would have the option of remaining under the current benefit structure or irrevocably electing, within 120 days of the effective date of the proposed legislation, to be covered under the benefit structure contained in the proposed legislation. Tier 3 POLICE Members who become Members on and after April 1, 2017 would be subject to the benefit structure contained in the proposed legislation. Tier 3 POLICE Members who elect the benefits of this proposed legislation, and Tier 3 POLICE Members who are subject to mandatory participation, are referred to as "POLICE Enhanced Plan Members."

POLICE Enhanced Plan Members would, in addition to paying the current contribution rate of 3% of annual wages, be required to contribute additional contributions initially at 1% of annual wages and, in the future, ranging from 1% to 3% of annual wage depending on specified future cost calculations of providing POLICE Enhanced Plan benefits.

CURRENT ODR BENEFITS PAYABLE: The current ODR benefits for Tier 3 POLICE Members are equal to the greater of:

- * 33 1/3% of Final Average Salary (FAS), or

- * 2% of FAS multiplied by years of credited service (not in excess of 22 years),

Reduced by:

- * 50% of the Primary Social Security Disability benefits (determined under RSSL Section 511), and

- * 100% of Workers' Compensation benefits (if any).

FAS is a Three-Year Average (FAS3) for Original Tier 3 POLICE Members and a Five-Year Average (FAS5) for Revised Tier 3 POLICE Members.

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

IMPACT ON ODR BENEFITS PAYABLE: Under the proposed legislation, the ODR benefits for POLICE Enhanced Plan Members would be revised to be equal to the greater of:

- * 33 1/3% of FAS5, or

- * 2% of FAS5 multiplied by years of credited service (not in excess of 22 years).

Reduced by:

- * 100% of Workers' Compensation benefits (if any).

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

Eligibility for ODR benefits for Enhanced Plan Members would remain the same.

In addition, the proposed legislation would not apply the Escalation available under RSSL Section 510 to ODR benefits for POLICE Enhanced Plan Members. However, such ODR benefits would still be eligible for Cost-of-Living Adjustments (COLA) under Chapter 125 of the Laws of 2000.

CURRENT ADR BENEFITS PAYABLE: The current ADR benefits for Tier 3 POLICE Members is equal to:

- * 50% multiplied by FAS,

Reduced by:

- * 50% of Primary Social Security disability benefit or Primary Social Security benefits, whichever begins first (determined under RSSL Section 511), and

- * 100% of Workers' Compensation benefits (if any).

FAS is a FAS3 for Original Tier 3 POLICE Members and a FAS5 for Revised Tier 3 POLICE Members.

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

IMPACT ON ADR BENEFITS PAYABLE: Under the proposed legislation, the eligibility requirements for ADR benefits for POLICE Enhanced Plan Members would be the same as current Tier 3 POLICE Members. However, these Members would also become eligible to utilize applicable statutory presumptions (e.g., certain heart conditions) for purposes of ADR.

Under the proposed legislation, the ADR benefits for Enhanced Plan Members would be revised to equal a retirement allowance of:

- * 75% multiplied by FAS5,

Reduced by:

- * 100% of Workers' Compensation benefits (if any).

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

In addition, the proposed legislation would not apply the Escalation available under RSSL Section 510 to ADR benefits for Enhanced Plan Members. However, such ADR benefits would still be eligible for COLA under Chapter 125 of the Laws of 2000.

FINANCIAL IMPACT - CHANGES IN PROJECTED ACTUARIAL PRESENT VALUE OF FUTURE EMPLOYER CONTRIBUTIONS AND PROJECTED EMPLOYER CONTRIBUTIONS: For purposes of this Fiscal Note, it is assumed that the changes in the Actuarial Present Value (APV) of benefits (APVB), APV of member contributions, the Unfunded Actuarial Accrued Liability (UAAL) and APV of future employer contributions would be reflected for the first time in the June 30, 2016 actuarial valuation of POLICE. Under the One-Year Lag Methodology (OYLM), the first year in which changes in benefits for

Enhanced Plan Members could impact employer contributions to POLICE would be Fiscal Year 2018.

The estimated increases in employer contributions shown in Table 1 are based upon the following projection assumptions:

- * Level workforce (i.e., new employees are hired to replace those who leave active status).

- * Salary increases consistent with those used in projections to be presented to the New York City Office of Management and Budget in April, 2017 (Preliminary Projections).

- * New entrant salaries consistent with those used in the Preliminary Projections.

OTHER COSTS: Not measured in this Fiscal Note are the following:

- * The initial, additional administrative costs of POLICE to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

CENSUS DATA: The starting census data used for the calculations presented herein is the census data used in the Preliminary June 30, 2016 (Lag) actuarial valuation of POLICE to determine the Preliminary Fiscal Year 2018 employer contributions.

The 3,211 Original Tier 3 POLICE members who have a date of membership prior to April 1, 2012 had an average age of approximately 31.3, average service of approximately 5.2 years and an average salary of approximately \$87,300 as of June 30, 2016. The 7,998 Revised Tier 3 POLICE Members who have a date of membership on or after April 1, 2012 had an average age of approximately 28.4, average service of approximately 1.8 years and an average salary of approximately \$58,400 as of June 30, 2016.

ACTUARIAL ASSUMPTIONS AND METHODS: The additional employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the Preliminary June 30, 2016 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2018 employer contributions of POLICE.

In determining the change in employer contributions, the probabilities of accidental disability used for Tier 3 POLICE members equal those currently used for Tier 2 POLICE members who are not eligible for World Trade Center benefits.

It has been further assumed that all Tier 3 POLICE members who became members prior to April 1, 2017 will choose the new disability provisions.

The actuarial valuation methodology does not include a calculation of the value of an offset for Workers' Compensation benefits for Tier 3 POLICE members as it is the understanding of the Actuary that these members are not covered by such benefits.

Employer contributions under current methodology have been estimated assuming the additional APVB would be financed through future normal contributions including an amortization of the new UAAL attributable to this proposed legislation over a 15-year period (14 payments under the OYLM Methodology).

New entrants were projected to replace the members expected to leave the active population to maintain a steady-state population.

For purposes of estimating the financial impact of the changes described above, an assumed Escalation rate of 2.5% was used for current Tier 3 Police Member benefits, which is consistent with the underlying Consumer Price Inflation (CPI) assumption of 2.5% per year. Consistent with Chapter 125 of the Laws of 2000, a COLA rate of 1.5% per year (i.e., 50% of CPI adjusted to recognize a 1.0% minimum and 3.0% maximum)

on the first \$18,000 of benefit was assumed for purposes of valuing proposed Enhanced Plan benefits.

In accordance with ACNY Section 13.638.2(k-2), new UAAL attributable to benefit changes are to be amortized as determined by the Actuary but generally over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2016, the remaining working lifetime of the Tier 3 POLICE members is approximately 18 years. Recognizing that this period will decrease over time as the group of Enhanced Plan Members matures, the Actuary would likely choose to amortize the new UAAL attributable to this proposed legislation over a 15-year to 20-year period (between 14 and 19 payments under the OYLM Methodology). For purposes of this Fiscal Note, the Actuary has elected to amortize the change in UAAL over a 15-year period (14 payments).

Table 1 presents an estimate of the increases in the APV of future employer contributions and in employer contributions to POLICE for Fiscal Years 2018 through 2022 due to the changes in ODR and ARD provisions for Enhanced Plan Members based on the applicable actuarial assumptions and methods noted herein:

22 ~~[(j)]~~ (k) Voluntary renunciation or termination. Notwithstanding the
23 provisions of any general, special or local law to the contrary, an
24 owner shall not be entitled to voluntarily renounce or terminate any
25 ~~[421-a]~~ Affordable New York Housing Program benefits unless the agency
26 authorizes such renunciation or termination in connection with the
27 commencement of a new tax exemption pursuant to either the private hous-
28 ing finance law or section four hundred twenty-c of this title.

29 ~~[(k)]~~ (l) Termination or revocation. The agency may terminate or
30 revoke ~~[421-a]~~ Affordable New York Housing Program benefits for noncom-
31 pliance with this subdivision, provided, however, that the agency shall
32 not terminate or revoke Affordable New York Housing Program benefits for
33 a failure to comply with paragraph (c) of this subdivision. If ~~[421-a]~~
34 Affordable New York Housing Program benefits are terminated or revoked
35 for noncompliance with this subdivision, ~~[all of the affordable housing~~

42 (i) all of the affordable housing units shall remain subject to
43 rent stabilization and all other requirements of this subdivision for

52 been terminated or revoked, provided, however, that the owner shall
53 still be entitled to remove such market unit from rent stabilization
54 upon vacancy by reason of the monthly rent exceeding any limit estab-
55 lished thereunder; (iii) or for a homeownership project such project
56 shall continue to comply with affordability option D of this subdivision
and all other requirements of this subdivision for the restriction peri-

16 year after the completion date of such eligible multiple dwelling.

17 (ii) Notwithstanding the provisions of any general, special or local
18 law to the contrary, the agency may require by rule that applications be
19 filed electronically.

20 (iii) The agency may rely on certification by an architect or engineer
21 submitted by an applicant in connection with the filing of an applica-
22 tion. A false certification by such architect or engineer shall be
23 deemed to be professional misconduct pursuant to section sixty-five
24 hundred nine of the education law. Any licensee found guilty of such
25 misconduct under the procedures prescribed in section sixty-five hundred
26 ten of the education law shall be subject to the penalties prescribed in
27 section sixty-five hundred eleven of the education law, and shall there-
28 after be ineligible to submit a certification pursuant to this subdivi-
29 sion.

30 (iv) The agency shall not require that the applicant demonstrate
31 compliance with the requirements of paragraph (c) of this subdivision as
32 a condition to approval of the application.

33 [~~(o)~~] (p) Filing fee. The agency may require a filing fee of three
34 thousand dollars per dwelling unit in connection with any application.
35 However, the agency may promulgate rules imposing a lesser fee for
36 eligible sites containing eligible multiple dwellings constructed with

The division of housing and community renewal may exercise all authority granted to it by this or any other statute. The division of housing and community renewal may request and shall receive cooperation and assistance from all departments, divisions, boards, bureaus, commissions, public benefit corporations or agencies of the state of New York, the city of New York or any other political subdivisions thereof, or any entity receiving benefits pursuant to section 421-a of the real property tax law.

§ 6. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 7. This act shall take effect immediately; and provided, however, that sections one, two, and three of this act shall be deemed to have been in full force and effect on and after January 1, 2016.

PART UUU

Section 1. The economic development law is amended by adding a new section 100-a to read as follows:

§ 100-a. Comprehensive economic development reporting. The department shall prepare an annual comprehensive economic development report, no later than December thirty-first of each year, listing economic development assistance provided by the New York state urban development corporation and the department, including but not limited to tax expenditures, marketing and advertising, grants, awards and loans. Such comprehensive report shall include aggregate totals for each economic development program administered by the New York state urban development corporation and the department, including but not limited to program

progress, program participation rates, economic impact, regional distribution, industry trends, and any other information deemed necessary by the commissioner. The department shall prominently post the comprehensive economic development report on its website no later than January first of each year.

§ 2. Section 438 of the economic development law is REPEALED.

§ 3. Subdivision 1 of section 433 of the economic development law, as added by section 1 of part A of chapter 68 of the laws of 2013, is amended to read as follows:

1. In order to participate in the START-UP NY program, a business must satisfy all of the following criteria.

(a) The mission and activities of the business must align with or further the academic mission of the campus, college or university sponsoring the tax-free NY area in which it seeks to locate, and the business's participation in the START-UP NY program must have positive community and economic benefits.

(b) The business must demonstrate that it will, in its first year of operation, create net new jobs. After its first year of operation, the business must maintain net new jobs. In addition, the average number of employees of the business and its related persons in the state during the year must equal or exceed the sum of: (i) the average number of employees of the business and its related persons in the state during the year immediately preceding the year in which the business submits its application to locate in a tax-free NY area; and (ii) net new jobs of the business in the tax-free NY area during the year. The average number of employees of the business and its related persons in the state shall be determined by adding together the total number of employees of the business and its related persons in the state on March thirty-first, June thirtieth, September thirtieth and December thirty-first and dividing the total by the number of such dates occurring within such year.

(c) Except as provided in paragraphs ~~[(g)]~~ ~~(f)~~ and ~~[(h)]~~ ~~(g)~~ of this subdivision, at the time it submits its application for the START-UP NY program, the business must be a new business to the state.

(d) The business may be organized as a corporation, a partnership, limited liability company or a sole proprietorship.

~~[(e) Upon completion of its first year in the START-UP NY program and thereafter, the business must complete and timely file the annual report required under section four hundred thirty-eight of this article.~~

~~[(f)]~~ ~~(e)~~ Except as provided in paragraphs ~~[(g)]~~ ~~(f)~~ and ~~[(h)]~~ ~~(g)~~ of this subdivision, the business must not be engaged in a line of business that is currently or was previously conducted by the business or a related person in the last five years in New York state.

~~[(g)]~~ ~~(f)~~ If a business does not satisfy the eligibility standard set forth in paragraph (c) or ~~[(f)]~~ ~~(e)~~ of this subdivision, because at one point in time it operated in New York state but moved its operations out of New York state on or before June first, two thousand thirteen, the commissioner shall grant that business permission to apply to participate in the START-UP NY program if the commissioner determines that the business has demonstrated that it will substantially restore the jobs in New York state that it previously had moved out of state.

~~[(h)]~~ ~~(g)~~ If a business seeks to expand its current operations in New York state into a tax-free NY area but the business does not qualify as a new business because it does not satisfy the criteria in paragraph (c) of subdivision six of section four hundred thirty-one of this article or the business does not satisfy the eligibility standard set forth in paragraph ~~[(f)]~~ ~~(e)~~ of this subdivision, the commissioner shall grant

1 the business permission to apply to participate in the START-UP NY
2 program if the commissioner determines that the business has demon-
3 strated that it will create net new jobs in the tax-free NY area and
4 that it or any related person has not eliminated any jobs in the state
5 in connection with this expansion.

6 § 4. This act shall take effect immediately.

7 PART VVV

8 Section 1. Section 60.45 of the criminal procedure law is amended by
9 adding a new subdivision 3 to read as follows:

10 3. (a) Where a person is subject to custodial interrogation by a
11 public servant at a detention facility, the entire custodial interro-
12 gation, including the giving of any required advice of the rights of the
13 individual being questioned, and the waiver of any rights by the indi-
14 vidual, shall be recorded by an appropriate video recording device if
15 the interrogation involves a class A-1 felony, except one defined in
16 article two hundred twenty of the penal law; felony offenses defined in
17 section 130.95 and 130.96 of the penal law; or a felony offense defined
18 in article one hundred twenty-five or one hundred thirty of such law
19 that is defined as a class B violent felony offense in section 70.02 of
20 the penal law. For purposes of this paragraph, the term "detention
21 facility" shall mean a police station, correctional facility, holding
22 facility for prisoners, prosecutor's office or other facility where
23 persons are held in detention in connection with criminal charges that
24 have been or may be filed against them.

25 (b) No confession, admission or other statement shall be subject to a
26 motion to suppress pursuant to subdivision three of section 710.20 of
27 this chapter based solely upon the failure to video record such interro-
28 gation in a detention facility as defined in paragraph (a) of this
29 subdivision. However, where the people offer into evidence a confession,
30 admission or other statement made by a person in custody with respect to
31 his or her participation or lack of participation in an offense speci-
32 fied in paragraph (a) of this subdivision, that has not been video
33 recorded, the court shall consider the failure to record as a factor,
34 but not as the sole factor, in accordance with paragraph (c) of this
35 subdivision in determining whether such confession, admission or other
36 statement shall be admissible.

37 (c) Notwithstanding the requirement of paragraph (a) of this subdivi-
38 sion, upon a showing of good cause by the prosecutor, the custodial
39 interrogation need not be recorded. Good cause shall include, but not be
40 limited to:

41 (i) If electronic recording equipment malfunctions.

42 (ii) If electronic recording equipment is not available because it was
43 otherwise being used.

44 (iii) If statements are made in response to questions that are
45 routinely asked during arrest processing.

46 (iv) If the statement is spontaneously made by the suspect and not in
47 response to police questioning.

48 (v) If the statement is made during an interrogation that is conducted
49 when the interviewer is unaware that a qualifying offense has occurred.

50 (vi) If the statement is made at a location other than the "interview
51 room" because the suspect cannot be brought to such room, e.g., the
52 suspect is in a hospital or the suspect is out of state and that state
53 is not governed by a law requiring the recordation of an interrogation.

1 (vii) If the statement is made after a suspect has refused to partic-
2 ipate in the interrogation if it is recorded, and appropriate effort to
3 document such refusal is made.

4 (viii) If such statement is not recorded as a result of an inadvertent
5 error or oversight, not the result of any intentional conduct by law
6 enforcement personnel.

7 (ix) If it is law enforcement's reasonable belief that such recording
8 would jeopardize the safety of any person or reveal the identity of a
9 confidential informant.

10 (x) If such statement is made at a location not equipped with a video
11 recording device and the reason for using that location is not to
12 subvert the intent of the law. For purposes of this section, the term
13 "location" shall include those locations specified in paragraph (b) of
14 subdivision four of section 305.2 of the family court act.

15 (d) In the event the court finds that the people have not shown good
16 cause for the non-recording of the confession, admission, or other
17 statement, but determines that a non-recorded confession, admission or
18 other statement is nevertheless admissible because it was voluntarily
19 made then, upon request of the defendant, the court must instruct the
20 jury that the people's failure to record the defendant's confession,
21 admission or other statement as required by this section may be weighed
22 as a factor, but not as the sole factor, in determining whether such
23 confession, admission or other statement was voluntarily made, or was
24 made at all.

25 (e) Video recording as required by this section shall be conducted in
26 accordance with standards established by rule of the division of crimi-
27 nal justice services.

28 § 2. Subdivision 3 of section 344.2 of the family court act is renum-
29 bered subdivision 4 and a new subdivision 3 is added to read as follows:

30 3. Where a respondent is subject to custodial interrogation by a
31 public servant at a facility specified in subdivision four of section
32 305.2 of this article, the entire custodial interrogation, including the
33 giving of any required advice of the rights of the individual being
34 questioned, and the waiver of any rights by the individual, shall be
35 recorded and governed in accordance with the provisions of paragraphs
36 (a), (b), (c), (d) and (e) of subdivision three of section 60.45 of the
37 criminal procedure law.

38 § 3. Section 60.25 of the criminal procedure law, subparagraph (ii) of
39 paragraph (a) of subdivision 1 as amended by chapter 479 of the laws of
40 1977, is amended to read as follows:

41 § 60.25 Rules of evidence; identification by means of previous recogni-
42 tion, in absence of present identification.

43 1. In any criminal proceeding in which the defendant's commission of
44 an offense is in issue, testimony as provided in subdivision two may be
45 given by a witness when:

46 (a) Such witness testifies that:

47 (i) He or she observed the person claimed by the people to be the
48 defendant either at the time and place of the commission of the offense
49 or upon some other occasion relevant to the case; and

50 (ii) On a subsequent occasion he or she observed, under circumstances
51 consistent with such rights as an accused person may derive under the
52 constitution of this state or of the United States, a person or, where
53 the observation is made pursuant to a blind or blinded procedure as
54 defined in paragraph (c) of this subdivision, a pictorial, photographic,
55 electronic, filmed or video recorded reproduction of a person whom he or

1 she recognized as the same person whom he or she had observed on the
2 first or incriminating occasion; and

3 (iii) He or she is unable at the proceeding to state, on the basis of
4 present recollection, whether or not the defendant is the person in
5 question; and

6 (b) It is established that the defendant is in fact the person whom
7 the witness observed and recognized or whose pictorial, photographic,
8 electronic, filmed or video recorded reproduction the witness observed
9 and recognized on the second occasion. Such fact may be established by
10 testimony of another person or persons to whom the witness promptly
11 declared his or her recognition on such occasion and by such pictorial,
12 photographic, electronic, filmed or video recorded reproduction.

13 (c) For purposes of this section, a "blind or blinded procedure" is
14 one in which the witness identifies a person in an array of pictorial,
15 photographic, electronic, filmed or video recorded reproductions under
16 circumstances where, at the time the identification is made, the public
17 servant administering such procedure: (i) does not know which person in
18 the array is the suspect, or (ii) does not know where the suspect is in
19 the array viewed by the witness. The failure of a public servant to
20 follow such a procedure shall be assessed solely for purposes of this
21 article and shall result in the preclusion of testimony regarding the
22 identification procedure as evidence in chief, but shall not constitute
23 a legal basis to suppress evidence made pursuant to subdivision six of
24 section 710.20 of this chapter. This article neither limits nor expands
25 subdivision six of section 710.20 of this chapter.

26 2. Under circumstances prescribed in subdivision one of this section,
27 such witness may testify at the criminal proceeding that the person whom
28 he or she observed and recognized or whose pictorial, photographic,
29 electronic, filmed or video recorded reproduction he or she observed and
30 recognized on the second occasion is the same person whom he or she
31 observed on the first or incriminating occasion. Such testimony,
32 together with the evidence that the defendant is in fact the person whom
33 the witness observed and recognized or whose pictorial, photographic,
34 electronic, filmed or video recorded reproduction he or she observed and
35 recognized on the second occasion, constitutes evidence in chief.

36 § 4. Section 60.30 of the criminal procedure law, as amended by chap-
37 ter 479 of the laws of 1977, is amended to read as follows:

38 § 60.30 Rules of evidence; identification by means of previous recogni-
39 tion, in addition to present identification.

40 In any criminal proceeding in which the defendant's commission of an
41 offense is in issue, a witness who testifies that (a) he or she observed
42 the person claimed by the people to be the defendant either at the time
43 and place of the commission of the offense or upon some other occasion
44 relevant to the case, and (b) on the basis of present recollection, the
45 defendant is the person in question and (c) on a subsequent occasion he
46 or she observed the defendant, or where the observation is made pursuant
47 to a blind or blinded procedure, as defined in paragraph (c) of subdivi-
48 sion one of section 60.25 of this article, a pictorial, photographic,
49 electronic, filmed or video recorded reproduction of the defendant,
50 under circumstances consistent with such rights as an accused person may
51 derive under the constitution of this state or of the United States, and
52 then also recognized him or her or the pictorial, photographic, elec-
53 tronic, filmed or video recorded reproduction of him or her as the same
54 person whom he or she had observed on the first or incriminating occa-
55 sion, may, in addition to making an identification of the defendant at
56 the criminal proceeding on the basis of present recollection as the

1 person whom he or she observed on the first or incriminating occasion,
2 also describe his or her previous recognition of the defendant and
3 testify that the person whom he or she observed or whose pictorial,
4 photographic, electronic, filmed or video recorded reproduction he or
5 she observed on such second occasion is the same person whom he or she
6 had observed on the first or incriminating occasion. Such testimony and
7 such pictorial, photographic, electronic, filmed or video recorded
8 reproduction constitutes evidence in chief.

9 § 5. Subdivision 6 of section 710.20 of the criminal procedure law, as
10 amended by chapter 8 of the laws of 1976 and as renumbered by chapter
11 481 of the laws of 1983, is amended to read as follows:

12 6. Consists of potential testimony regarding an observation of the
13 defendant either at the time or place of the commission of the offense
14 or upon some other occasion relevant to the case, which potential testi-
15 mony would not be admissible upon the prospective trial of such charge
16 owing to an improperly made previous identification of the defendant or
17 of a pictorial, photographic, electronic, filmed or video recorded
18 reproduction of the defendant by the prospective witness. A claim that
19 the previous identification of the defendant or of a pictorial, photo-
20 graphic, electronic, filmed or video recorded reproduction of the
21 defendant by a prospective witness did not comply with paragraph (c) of
22 subdivision one of section 60.25 of this chapter or with the protocol
23 promulgated in accordance with subdivision twenty-one of section eight
24 hundred thirty-seven of the executive law shall not constitute a legal
25 basis to suppress evidence pursuant to this subdivision. A claim that a
26 public servant failed to comply with paragraph (c) of subdivision one of
27 section 60.25 of this chapter or of subdivision twenty-one of section
28 eight hundred thirty-seven of the executive law shall neither expand nor
29 limit the rights an accused person may derive under the constitution of
30 this state or of the United States.

31 § 6. Subdivision 1 of section 710.30 of the criminal procedure law, as
32 separately amended by chapters 8 and 194 of the laws of 1976, is amended
33 to read as follows:

34 1. Whenever the people intend to offer at a trial (a) evidence of a
35 statement made by a defendant to a public servant, which statement if
36 involuntarily made would render the evidence thereof suppressible upon
37 motion pursuant to subdivision three of section 710.20, or (b) testimony
38 regarding an observation of the defendant either at the time or place of
39 the commission of the offense or upon some other occasion relevant to
40 the case, to be given by a witness who has previously identified him or
41 her or a pictorial, photographic, electronic, filmed or video recorded
42 reproduction of him or her as such, they must serve upon the defendant a
43 notice of such intention, specifying the evidence intended to be
44 offered.

45 § 7. Section 343.3 of the family court act, as added by chapter 920 of
46 the laws of 1982, is amended to read as follows:

47 § 343.3. Rules of evidence; identification by means of previous recog-
48 nition in absence of present identification. 1. In any juvenile delin-
49 quency proceeding in which the respondent's commission of a crime is in
50 issue, testimony as provided in subdivision two may be given by a
51 witness when:

52 (a) such witness testifies that:

53 (i) he or she observed the person claimed by the presentment agency to
54 be the respondent either at the time and place of the commission of the
55 crime or upon some other occasion relevant to the case; and

(ii) on a subsequent occasion he or she observed, under circumstances consistent with such rights as an accused person may derive under the constitution of this state or of the United States, a person, or, where the observation is made pursuant to a blind or blinded procedure as defined herein, a pictorial, photographic, electronic, filmed or video recorded reproduction of a person whom he or she recognized as the same person whom he or she had observed on the first incriminating occasion; and

(iii) he or she is unable at the proceeding to state, on the basis of present recollection, whether or not the respondent is the person in question; and

(b) it is established that the respondent is in fact the person whom the witness observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction the witness observed and recognized on the second occasion. Such fact may be established by testimony of another person or persons to whom the witness promptly declared his or her recognition on such occasion and by such pictorial, photographic, electronic, filmed or video recorded reproduction.

(c) For purposes of this section, a "blind or blinded procedure" is one in which the witness identifies a person in an array of pictorial, photographic, electronic, filmed or video recorded reproductions under circumstances where, at the time the identification is made, the public servant administering such procedure: (i) does not know which person in the array is the suspect, or (ii) does not know where the suspect is in the array viewed by the witness. The failure of a public servant to follow such a procedure shall be assessed solely for purposes of this article and shall result in the preclusion of testimony regarding the identification procedure as evidence in chief, but shall not constitute a legal basis to suppress evidence made pursuant to subdivision six of section 710.20 of the criminal procedure law. This article neither limits not expands subdivision six of section 710.20 of the criminal procedure law.

2. Under circumstances prescribed in subdivision one, such witness may testify at the proceeding that the person whom he or she observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed and recognized on the second occasion is the same person whom he or she observed on the first or incriminating occasion. Such testimony, together with the evidence that the respondent is in fact the person whom the witness observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed and recognized on the second occasion, constitutes evidence in chief.

§ 8. Section 343.4 of the family court act, as added by chapter 920 of the laws of 1982, is amended to read as follows:

§ 343.4. Rules of evidence; identification by means of previous recognition, in addition to present identification. In any juvenile delinquency proceeding in which the respondent's commission of a crime is in issue, a witness who testifies that: (a) he or she observed the person claimed by the presentment agency to be the respondent either at the time and place of the commission of the crime or upon some other occasion relevant to the case, and (b) on the basis of present recollection, the respondent is the person in question, and (c) on a subsequent occasion he or she observed the respondent, or, where the observation is made pursuant to a blind or blinded procedure, a pictorial, photographic, electronic, filmed or video recorded reproduction of the respondent under circumstances consistent with such rights as an accused person may

1 derive under the constitution of this state or of the United States, and
2 then also recognized him or her or the pictorial, photographic, elec-
3 tronic, filmed or video recorded reproduction of him or her as the same
4 person whom he or she had observed on the first or incriminating occa-
5 sion, may, in addition to making an identification of the respondent at
6 the delinquency proceeding on the basis of present recollection as the
7 person whom he or she observed on the first or incriminating occasion,
8 also describe his or her previous recognition of the respondent and

5 with the office, undertake good faith efforts to implement the

13 722.20 Proceedings upon felony complaint; juvenile offender.

14 722.21 Proceedings upon felony complaint; adolescent offender.

15 722.22 Motion to remove juvenile offender to family court.

16 722.23 Removal of adolescent offenders to family court.

17 722.24 Applicability of chapter to actions and matters involving
18 juvenile offenders or adolescent offenders.

19 § 722.00 Probation case plans.

20 1. All juvenile offenders and adolescent offenders shall be notified
21 of the availability of services through the local probation department.
22 Such services shall include the ability of the probation department to
23 conduct a risk and needs assessment, utilizing a validated risk assess-

27 may be accompanied by counsel during any such assessment. Based upon
28 the assessment findings, the probation department shall refer the
29 adolescent offender or juvenile offender to available and appropriate
30 services.

31 2. Nothing shall preclude the probation department and the adolescent
32 offender or juvenile offender from entering into a voluntary service

46 it shall deem relevant.

47 5. No statement made to the probation service may be admitted into
48 evidence at a fact-finding hearing at any time prior to a conviction.

49 § 722.10 Youth part of the superior court established.

50 1. The chief administrator of the courts is hereby directed to estab-
51 lish, in a superior court in each county of the state, a part of the
52 court to be known as the youth part of the superior court for the county
53 in which such court presides. Judges presiding in the youth part shall
54 be family court judges, as described in article six, section one of the
55 constitution. To aid in their work, such judges shall receive training
56 in specialized areas, including, but not limited to, juvenile justice,

1 adolescent development, custody and care of youths and effective treat-
2 ment methods for reducing unlawful conduct by youths, and shall be
3 authorized to make appropriate determinations within the power of such
4 superior court with respect to the cases of youths assigned to such
5 part. The youth part shall have exclusive jurisdiction in all
6 proceedings in relation to juvenile offenders and adolescent offenders,
7 except as provided in this article or article seven hundred twenty-five
8 of this chapter.

9 2. The chief administrator of the courts shall also direct the presid-
10 ing justice of the appellate division, in each judicial department of
11 the state, to designate judges authorized by law to exercise criminal
12 jurisdiction to serve as accessible magistrates, for the purpose of
13 acting in place of the youth part for certain first appearance
14 proceedings involving youths, as provided by law. When designating such
15 magistrates, the presiding justice shall ensure that all areas of a
16 county are within a reasonable distance of a designated magistrate. A
17 judge authorized to preside as such a magistrate shall have received
18 training in specialized areas, including, but not limited to, juvenile
19 justice, adolescent development, custody and care of youths and effec-
20 tive treatment methods for reducing unlawful conduct by youths.

21 § 722.20 Proceedings upon felony complaint; juvenile offender.

22 1. When a juvenile offender is arraigned before a youth part, the
23 provisions of this section shall apply. If the youth part is not in
24 session, the defendant shall be brought before the most accessible
25 magistrate designated by the appellate division of the supreme court to
26 act as a youth part for the purpose of making a determination whether
27 such juvenile shall be detained. If the defendant is ordered to be
28 detained, he or she shall be brought before the next session of the
29 youth part. If the defendant is not detained, he or she shall be ordered
30 to appear at the next session of the youth part.

31 2. If the defendant waives a hearing upon the felony complaint, the
32 court must order that the defendant be held for the action of the grand
33 jury with respect to the charge or charges contained in the felony
34 complaint.

35 3. If there be a hearing, then at the conclusion of the hearing, the
36 youth part court must dispose of the felony complaint as follows:

37 (a) If there is reasonable cause to believe that the defendant commit-
38 ted a crime for which a person under the age of sixteen is criminally
39 responsible, the court must order that the defendant be held for the
40 action of a grand jury; or

41 (b) If there is not reasonable cause to believe that the defendant
42 committed a crime for which a person under the age of sixteen is crimi-
43 nally responsible but there is reasonable cause to believe that the
44 defendant is a "juvenile delinquent" as defined in subdivision one of
45 section 301.2 of the family court act, the court must specify the act or
46 acts it found reasonable cause to believe the defendant did and direct
47 that the action be removed to the family court in accordance with the
48 provisions of article seven hundred twenty-five of this title; or

49 (c) If there is not reasonable cause to believe that the defendant
50 committed any criminal act, the court must dismiss the felony complaint
51 and discharge the defendant from custody if he is in custody, or if he
52 is at liberty on bail, it must exonerate the bail.

53 4. Notwithstanding the provisions of subdivisions two and three of
54 this section, the court shall, at the request of the district attorney,
55 order removal of an action against a juvenile offender to the family
56 court pursuant to the provisions of article seven hundred twenty-five of

1 this title if, upon consideration of the criteria specified in subdivi-
2 sion two of section 722.22 of this article, it is determined that to do
3 so would be in the interests of justice. Where, however, the felony
4 complaint charges the juvenile offender with murder in the second degree
5 as defined in section 125.25 of the penal law, rape in the first degree
6 as defined in subdivision one of section 130.35 of the penal law, crimi-
7 nal sexual act in the first degree as defined in subdivision one of
8 section 130.50 of the penal law, or an armed felony as defined in para-
9 graph (a) of subdivision forty-one of section 1.20 of this chapter, a
10 determination that such action be removed to the family court shall, in
11 addition, be based upon a finding of one or more of the following
12 factors: (i) mitigating circumstances that bear directly upon the manner
13 in which the crime was committed; or (ii) where the defendant was not
14 the sole participant in the crime, the defendant's participation was
15 relatively minor although not so minor as to constitute a defense to the
16 prosecution; or (iii) possible deficiencies in proof of the crime.

17 5. Notwithstanding the provisions of subdivision two, three, or four
18 of this section, if a currently undetermined felony complaint against a
19 juvenile offender is pending, and the defendant has not waived a hearing
20 pursuant to subdivision two of this section and a hearing pursuant to
21 subdivision three of this section has not commenced, the defendant may
22 move to remove the action to family court pursuant to 722.22 of this
23 article. The procedural rules of subdivisions one and two of section
24 210.45 of this chapter are applicable to a motion pursuant to this
25 subdivision. Upon such motion, the court shall proceed and determine the
26 motion as provided in section 722.22 of this article; provided, however,
27 that the exception provisions of paragraph (b) of subdivision one of
28 section 722.22 of this article shall not apply when there is not reason-
29 able cause to believe that the juvenile offender committed one or more
30 of the crimes enumerated therein, and in such event the provisions of
31 paragraph (a) thereof shall apply.

32 6. (a) If the court orders removal of the action to family court, it
33 shall state on the record the factor or factors upon which its determi-
34 nation is based, and the court shall give its reasons for removal in
35 detail and not in conclusory terms.

36 (b) The district attorney shall state upon the record the reasons for
37 his consent to removal of the action to the family court where such
38 consent is required. The reasons shall be stated in detail and not in
39 conclusory terms.

40 (c) For the purpose of making a determination pursuant to subdivision
41 four or five of this section, the court may make such inquiry as it
42 deems necessary. Any evidence which is not legally privileged may be
43 introduced. If the defendant testifies, his testimony may not be intro-
44 duced against him in any future proceeding, except to impeach his testi-
45 mony at such future proceeding as inconsistent prior testimony.

46 (d) Where a motion for removal by the defendant pursuant to subdivi-
47 sion five of this section has been denied, no further motion pursuant to
48 this section or section 722.22 of this article may be made by the juve-
49 nile offender with respect to the same offense or offenses.

50 (e) Except as provided by paragraph (f) of this subdivision, this
51 section shall not be construed to limit the powers of the grand jury.

52 (f) Where a motion by the defendant pursuant to subdivision five of
53 this section has been granted, there shall be no further proceedings
54 against the juvenile offender in any local or superior criminal court
55 including the youth part of the superior court for the offense or
56 offenses which were the subject of the removal order.

1 § 722.21 Proceedings upon felony complaint; adolescent offender.

2 1. When an adolescent offender is arraigned before a youth part, the
3 provisions of this section shall apply. If the youth part is not in
4 session, the defendant shall be brought before the most accessible
5 magistrate designated by the appellate division of the supreme court to
6 act as a youth part for the purpose of making a determination whether
7 such adolescent offender shall be detained. If the defendant is ordered
8 to be detained, he or she shall be brought before the next session of
9 the youth part. If the defendant is not detained, he or she shall be
10 ordered to appear at the next session of the youth part.

11 2. If the defendant waives a hearing upon the felony complaint, the
12 court must order that the defendant be held for the action of the grand
13 jury with respect to the charge or charges contained in the felony
14 complaint.

15 3. If there be a hearing, then at the conclusion of the hearing, the
16 youth part court must dispose of the felony complaint as follows:

17 (a) If there is reasonable cause to believe that the defendant commit-
18 ted a felony, the court must order that the defendant be held for the
19 action of a grand jury; or

20 (b) If there is not reasonable cause to believe that the defendant
21 committed a felony but there is reasonable cause to believe that the
22 defendant is a "juvenile delinquent" as defined in subdivision one of
23 section 301.2 of the family court act, the court must specify the act or
24 acts it found reasonable cause to believe the defendant did and direct
25 that the action be transferred to the family court in accordance with
26 the provisions of article seven hundred twenty-five of this title,
27 provided, however, notwithstanding any other provision of law, section
28 308.1 of the family court act shall apply to actions transferred pursu-
29 ant to this subdivision and such actions shall not be considered
30 removals subject to subdivision thirteen of such section 308.1; or

31 (c) If there is not reasonable cause to believe that the defendant
32 committed any criminal act, the court must dismiss the felony complaint
33 and discharge the defendant from custody if he is in custody, or if he
34 is at liberty on bail, it must exonerate the bail.

35 4. Notwithstanding the provisions of subdivisions two and three of
36 this section, where the defendant is charged with a felony, other than a
37 class A felony defined outside article two hundred twenty of the penal
38 law, a violent felony defined in section 70.02 of the penal law or a
39 felony listed in paragraph one or two of subdivision forty-two of
40 section 1.20 of this chapter, except as provided in paragraph (c) of
41 subdivision two of section 722.23 of this article, the court shall, upon
42 notice from the district attorney that he or she will not file a motion
43 to prevent removal pursuant to section 722.23 of this article, order
44 transfer of an action against an adolescent offender to the family court
45 pursuant to the provisions of article seven hundred twenty-five of this
46 title, provided, however, notwithstanding any other provision of law,
47 section 308.1 of the family court act shall apply to actions transferred
48 pursuant to this subdivision and such actions shall not be considered
49 removals subject to subdivision thirteen of such section 308.1.

50 5. Notwithstanding subdivisions two and three of this section, at the
51 request of the district attorney, the court shall order removal of an
52 action against an adolescent offender charged with an offense listed in
53 paragraph (a) of subdivision two of section 722.23 of this article, to
54 the family court pursuant to the provisions of article seven hundred
55 twenty-five of this title and upon consideration of the criteria speci-
56 fied in subdivision two of section 722.22 of this article, it is deter-

1 mined that to do so would be in the interests of justice. Where, howev-
2 er, the felony complaint charges the adolescent offender with murder in
3 the second degree as defined in section 125.25 of the penal law, rape in
4 the first degree as defined in subdivision one of section 130.35 of the
5 penal law, criminal sexual act in the first degree as defined in subdivi-
6 vision one of section 130.50 of the penal law, or an armed felony as
7 defined in paragraph (a) of subdivision forty-one of section 1.20 of
8 this chapter, a determination that such action be removed to the family
9 court shall, in addition, be based upon a finding of one or more of the
10 following factors: (i) mitigating circumstances that bear directly upon
11 the manner in which the crime was committed; or (ii) where the defendant
12 was not the sole participant in the crime, the defendant's participation
13 was relatively minor although not so minor as to constitute a defense to
14 the prosecution; or (iii) possible deficiencies in proof of the crime.

15 6. (a) If the court orders removal of the action to family court
16 pursuant to subdivision five of this section, it shall state on the
17 record the factor or factors upon which its determination is based, and
18 the court shall give its reasons for removal in detail and not in
19 conclusory terms.

20 (b) The district attorney shall state upon the record the reasons for
21 his consent to removal of the action to the family court where such
22 consent is required. The reasons shall be stated in detail and not in
23 conclusory terms.

24 (c) For the purpose of making a determination pursuant to subdivision
25 five the court may make such inquiry as it deems necessary. Any evidence
26 which is not legally privileged may be introduced. If the defendant
27 testifies, his testimony may not be introduced against him in any future
28 proceeding, except to impeach his testimony at such future proceeding as
29 inconsistent prior testimony.

30 (d) Except as provided by paragraph (e), this section shall not be
31 construed to limit the powers of the grand jury.

32 (e) Where an action against a defendant has been removed to the family
33 court pursuant to this section, there shall be no further proceedings
34 against the adolescent offender in any local or superior criminal court
35 including the youth part of the superior court for the offense or
36 offenses which were the subject of the removal order.

37 § 722.22 Motion to remove juvenile offender to family court.

38 1. After a motion by a juvenile offender, pursuant to subdivision five
39 of section 722.20 of this article, or after arraignment of a juvenile
40 offender upon an indictment, the court may, on motion of any party or on
41 its own motion:

42 (a) except as otherwise provided by paragraph (b) of this subdivision,
43 order removal of the action to the family court pursuant to the
44 provisions of article seven hundred twenty-five of this title, if, after
45 consideration of the factors set forth in subdivision two of this
46 section, the court determines that to do so would be in the interests of
47 justice; or

48 (b) with the consent of the district attorney, order removal of an
49 action involving an indictment charging a juvenile offender with murder
50 in the second degree as defined in section 125.25 of the penal law; rape
51 in the first degree, as defined in subdivision one of section 130.35 of
52 the penal law; criminal sexual act in the first degree, as defined in
53 subdivision one of section 130.50 of the penal law; or an armed felony
54 as defined in paragraph (a) of subdivision forty-one of section 1.20 of
55 this chapter, to the family court pursuant to the provisions of article
56 seven hundred twenty-five of this title if the court finds one or more

1 of the following factors: (i) mitigating circumstances that bear direct-
2 ly upon the manner in which the crime was committed; (ii) where the
3 defendant was not the sole participant in the crime, the defendant's
4 participation was relatively minor although not so minor as to consti-
5 tute a defense to the prosecution; or (iii) possible deficiencies in the
6 proof of the crime, and, after consideration of the factors set forth in
7 subdivision two of this section, the court determined that removal of
8 the action to the family court would be in the interests of justice.

9 2. In making its determination pursuant to subdivision one of this
10 section the court shall, to the extent applicable, examine individually
11 and collectively, the following:

- 12 (a) the seriousness and circumstances of the offense;
- 13 (b) the extent of harm caused by the offense;
- 14 (c) the evidence of guilt, whether admissible or inadmissible at
15 trial;

- 17 (e) the purpose and effect of imposing upon the defendant a sentence
18 authorized for the offense;
- 19 (f) the impact of a removal of the case to the family court on the
20 safety or welfare of the community;
- 21 (g) the impact of a removal of the case to the family court upon the
22 confidence of the public in the criminal justice system;
- 23 (h) where the court deems it appropriate, the attitude of the
24 complainant or victim with respect to the motion; and
- 25 (i) any other relevant fact indicating that a judgment of conviction
26 in the criminal court would serve no useful purpose.

27 3. The procedure for bringing on a motion pursuant to subdivision one
28 of this section, shall accord with the procedure prescribed in subdivi-
29 sions one and two of section 210.45 of this chapter. After all papers of
30 both parties have been filed and after all documentary evidence, if any,
31 has been submitted, the court must consider the same for the purpose of
32 determining whether the motion is determinable on the motion papers
33 submitted and, if not, may make such inquiry as it deems necessary for
34 the purpose of making a determination.

35 4. For the purpose of making a determination pursuant to this section,
36 any evidence which is not legally privileged may be introduced. If the
37 defendant testifies, his testimony may not be introduced against him in
38 any future proceeding, except to impeach his testimony at such future
39 proceeding as inconsistent prior testimony.

40 5. a. If the court orders removal of the action to family court, it
41 shall state on the record the factor or factors upon which its determi-
42 nation is based, and, the court shall give its reasons for removal in
43 detail and not in conclusory terms.

44 b. The district attorney shall state upon the record the reasons for
45 his consent to removal of the action to the family court. The reasons
46 shall be stated in detail and not in conclusory terms.

47 § 722.23 Removal of adolescent offenders to family court.

48 1. (a) Following the arraignment of a defendant charged with a crime
49 committed when he or she was sixteen, or commencing October first, two
50 thousand nineteen, seventeen years of age, other than any class A felony
51 except for those defined in article two hundred twenty of the penal law,
52 a violent felony defined in section 70.02 of the penal law or a felony
53 listed in paragraph one or two of subdivision forty-two of section 1.20
54 of this chapter, or an offense set forth in the vehicle and traffic law,
55 the court shall order the removal of the action to the family court in
56 accordance with the applicable provisions of article seven hundred twen-

1 ty-five of this title unless, within thirty calendar days of such
2 arraignment, the district attorney makes a motion to prevent removal of
3 the action pursuant to this subdivision. If the defendant fails to
4 report to the probation department as directed, the thirty day time
5 period shall be tolled until such time as he or she reports to the
6 probation department.

7 (b) A motion to prevent removal of an action in youth part shall be
8 made in writing and upon prompt notice to the defendant. The motion
9 shall contain allegations of sworn fact based upon personal knowledge of
10 the affiant, and shall indicate if the district attorney is requesting a
11 hearing. The motion shall be noticed to be heard promptly.

12 (c) The defendant shall be given an opportunity to reply. The defend-
13 ant shall be granted any reasonable request for a delay. Either party
14 may request a hearing on the facts alleged in the motion to prevent
15 removal of the action. The hearing shall be held expeditiously.

16 (d) The court shall deny the motion to prevent removal of the action
17 in youth part unless the court makes a determination upon such motion by
18 the district attorney that extraordinary circumstances exist that should
19 prevent the transfer of the action to family court.

20 (e) The court shall make a determination in writing or on the record
21 within five days of the conclusion of the hearing or submission by the
22 defense, whichever is later. Such determination shall include findings
23 of fact and to the extent practicable conclusions of law.

24 (f) For the purposes of this section, there shall be a presumption
25 against custody and case planning services shall be made available to
26 the defendant.

27 (g) Notwithstanding any other provision of law, section 308.1 of the
28 family court act shall apply to all actions transferred pursuant to this
29 section provided, however, such cases shall not be considered removals
30 subject to subdivision thirteen of such section 308.1.

31 (h) Nothing in this subdivision shall preclude, and a court may order,
32 the removal of an action to family court where all parties agree or
33 pursuant to this chapter.

34 2. (a) Upon the arraignment of a defendant charged with a crime
35 committed when he or she was sixteen or, commencing October first, two
36 thousand nineteen, seventeen years of age on a class A felony, other
37 than those defined in article 220 of the penal law, or a violent felony
38 defined in section 70.02 of the penal law, the court shall schedule an
39 appearance no later than six calendar days from such arraignment for the
40 purpose of reviewing the accusatory instrument pursuant to this subdivi-
41 sion. The court shall notify the district attorney and defendant
42 regarding the purpose of such appearance.

43 (b) Upon such appearance, the court shall review the accusatory
44 instrument and any other relevant facts for the purpose of making a
45 determination pursuant to paragraph (c) of this subdivision. Both
46 parties may be heard and submit information relevant to the determi-
47 nation.

48 (c) The court shall order the action to proceed in accordance with
49 subdivision one of this section unless, after reviewing the papers and
50 hearing from the parties, the court determines in writing that the
51 district attorney proved by a preponderance of the evidence one or more
52 of the following as set forth in the accusatory instrument:

53 (i) the defendant caused significant physical injury to a person other
54 than a participant in the offense; or

55 (ii) the defendant displayed a firearm, shotgun, rifle or deadly weap-
56 on as defined in the penal law in furtherance of such offense; or

1 (iii) the defendant unlawfully engaged in sexual intercourse, oral
2 sexual conduct, anal sexual conduct or sexual contact as defined in
3 section 130.00 of the penal law.

4 (d) Where the court makes a determination that the action shall not
5 proceed in accordance with subdivision one of this section, such deter-
6 mination shall be made in writing or on the record and shall include
7 findings of fact and to the extent practicable conclusions of law.

8 (e) Nothing in this subdivision shall preclude, and the court may
9 order, the removal of an action to family court where all parties agree
10 or pursuant to this chapter.

11 3. Notwithstanding the provisions of any other law, if at any time one
12 or more charges in the accusatory instrument are reduced, such that the
13 elements of the highest remaining charge would be removable pursuant to
14 subdivisions one or two of this section, then the court, sua sponte or
15 in response to a motion pursuant to subdivisions one or two of this
16 section by the defendant, shall promptly notify the parties and direct
17 that the matter proceed in accordance with subdivision one of this
18 section, provided, however, that in such instance, the district attorney
19 must file any motion to prevent removal within thirty days of effecting
20 or receiving notice of such reduction.

21 4. A defendant may waive review of the accusatory instrument by the
22 court and the opportunity for removal in accordance with this section,
23 provided that such waiver is made by the defendant knowingly, voluntar-
24 ily and in open court, in the presence of and with the approval of his
25 or her counsel and the court. An earlier waiver shall not constitute a
26 waiver of review and the opportunity for removal under this section.

27 § 722.24 Applicability of chapter to actions and matters involving juve-
28 nile offenders or adolescent offenders.

29 Except where inconsistent with this article, all provisions of this
30 chapter shall apply to all criminal actions and proceedings, and all
31 appeals and post-judgment motions relating or attached thereto, involv-
32 ing a juvenile offender or adolescent offender.

33 § 2. The opening paragraph and subdivisions 2 and 3 of section 725.05
34 of the criminal procedure law, as added by chapter 481 of the laws of
35 1978, are amended to read as follows:

50 of the laws of 1979, is amended to read as follows:

51 § 725.20 Record of certain actions removed.

52 1. The provisions of this section shall apply in any case where an
53 order of removal to the family court is entered pursuant to a direction
54 authorized by [~~subdivision four of section 180.75 or section 210.43,~~
55 article 722 of this title, or subparagraph (iii) of paragraph [~~(h)~~] (g)

37 receipt of such orders and minutes the clerk must promptly delete such
38 portions as would identify the defendant, but the clerk shall neverthe-

40 the documents so filed with identification of the defendant. After
41 making such deletions the orders and minutes shall be placed within the
42 file and must be available for public inspection. Information permit-
43 ting correlation of any such record with the identity of any defendant
44 shall not be divulged to any person except upon order of a justice of
45 the supreme court based upon a finding that the public interest or the
46 interests of justice warrant disclosure in a particular cause for a
47 particular case or for a particular purpose or use.

48 § 4. The article heading of article 100 of the criminal procedure law
49 is amended to read as follows:

50 COMMENCEMENT OF ACTION IN LOCAL

2 a violation or traffic infraction, the youth part of the superior court,
3 and if more than one such instrument is filed in the course of the same
4 criminal action, such action commences when the first of such instru-
5 ments is filed. The only way in which a criminal action can be
6 commenced in a superior court, other than a criminal action against a
7 juvenile offender or adolescent offender is by the filing therewith by a
8 grand jury of an indictment against a defendant who has never been held
9 by a local criminal court for the action of such grand jury with respect
10 to any charge contained in such indictment. Otherwise, a criminal
11 action can be commenced only in a local criminal court, by the filing
12 therewith of a local criminal court accusatory instrument, namely:

18 filed with a local criminal court, or youth part of the superior court,
19 charging one or more other persons with the commission of one or more
20 felonies. It serves as a basis for the commencement of a criminal
21 action, but not as a basis for prosecution thereof.

22 § 7. The section heading of section 100.40 of the criminal procedure
23 law is amended to read as follows:

24 Local criminal court and youth part of the superior court accusatory
25 instruments; sufficiency on face.

26 § 8. The criminal procedure law is amended by adding a new section
27 100.60 to read as follows:

28 § 100.60 Youth part of the superior court accusatory instruments; in
29 what courts filed.

30 Any youth part of the superior court accusatory instrument may be

32 when an offense charged therein was allegedly committed in such county
33 or that part thereof over which such court has jurisdiction.

34 § 9. The article heading of article 110 of the criminal procedure law
35 is amended to read as follows:

36 REQUIRING DEFENDANT'S APPEARANCE

37 IN LOCAL CRIMINAL COURT OR YOUTH PART OF SUPERIOR COURT
38 FOR ARRAIGNMENT

39 § 10. Section 110.10 of the criminal procedure law is amended to read
40 as follows:

41 § 110.10 Methods of requiring defendant's appearance in local criminal
42 court or youth part of the superior court for arraignment;
43 in general.

44 1. After a criminal action has been commenced in a local criminal
45 court or youth part of the superior court by the filing of an accusatory
46 instrument therewith, a defendant who has not been arraigned in the
47 action and has not come under the control of the court may under certain
48 circumstances be compelled or required to appear for arraignment upon
49 such accusatory instrument by:

50 (a) The issuance and execution of a warrant of arrest, as provided in
51 article one hundred twenty; or

52 (b) The issuance and service upon him of a summons, as provided in
53 article one hundred thirty; or

54 (c) Procedures provided in articles five hundred sixty, five hundred
55 seventy, five hundred eighty, five hundred ninety and six hundred for

1 securing attendance of defendants in criminal actions who are not at
2 liberty within the state.

3 2. Although no criminal action against a person has been commenced in
4 any court, he may under certain circumstances be compelled or required
5 to appear in a local criminal court or youth part of a superior court
6 for arraignment upon an accusatory instrument to be filed therewith at
7 or before the time of his appearance by:

8 (a) An arrest made without a warrant, as provided in article one
9 hundred forty; or

10 (b) The issuance and service upon him of an appearance ticket, as
11 provided in article one hundred fifty.

12 § 11. Section 110.20 of the criminal procedure law, as amended by
13 chapter 843 of the laws of 1980, is amended to read as follows:

14 § 110.20 Local criminal court or youth part of the superior court accu-
15 satory instruments; notice thereof to district attorney.

16 When a criminal action in which a crime is charged is commenced in a
17 local criminal court, or youth part of the superior court other than the
18 criminal court of the city of New York, a copy of the accusatory instru-
19 ment shall be promptly transmitted to the appropriate district attorney
20 upon or prior to the arraignment of the defendant on the accusatory
21 instrument. If a police officer or a peace officer is the complainant
22 or the filer of a simplified information, or has arrested the defendant
23 or brought him before the local criminal court or youth part of the
24 superior court on behalf of an arresting person pursuant to subdivision
25 one of section 140.20, such officer or his agency shall transmit the
26 copy of the accusatory instrument to the appropriate district attorney.
27 In all other cases, the clerk of the court in which the defendant is
28 arraigned shall so transmit it.

29 § 12. The opening paragraph of subdivision 1 of section 120.20 of the
30 criminal procedure law, as amended by chapter 506 of the laws of 2000,
31 is amended to read as follows:

32 When a criminal action has been commenced in a local criminal court or
33 youth part of the superior court by the filing therewith of an accusato-
34 ry instrument, other than a simplified traffic information, against a
35 defendant who has not been arraigned upon such accusatory instrument and
36 has not come under the control of the court with respect thereto:

37 § 13. Section 120.30 of the criminal procedure law is amended to read
38 as follows:

39 § 120.30 Warrant of arrest; by what courts issuable and in what courts
40 returnable.

41 1. A warrant of arrest may be issued only by the local criminal court
42 or youth part of the superior court with which the underlying accusatory
43 instrument has been filed, and it may be made returnable in such issuing
44 court only.

45 2. The particular local criminal court or courts or youth part of the
46 superior court with which any particular local criminal court or youth
47 part of the superior court accusatory instrument may be filed for the
48 purpose of obtaining a warrant of arrest are determined, generally, by
49 the provisions of section 100.55 or 100.60 of this title. If, however, a
50 particular accusatory instrument may pursuant to said section 100.55 be
51 filed with a particular town court and such town court is not available
52 at the time such instrument is sought to be filed and a warrant
53 obtained, such accusatory instrument may be filed with the town court of
54 any adjoining town of the same county. If such instrument may be filed
55 pursuant to said section 100.55 with a particular village court and such
56 village court is not available at the time, it may be filed with the

1 town court of the town embracing such village, or if such town court is
2 not available either, with the town court of any adjoining town of the
3 same county.

4 § 14. Section 120.55 of the criminal procedure law, as amended by
5 section 71 of subpart B of part C of chapter 62 of the laws of 2011, is
6 amended to read as follows:

7 § 120.55 Warrant of arrest; defendant under parole or probation super-
8 vision.

9 If the defendant named within a warrant of arrest issued by a local
10 criminal court or youth part of the superior court pursuant to the
11 provisions of this article, or by a superior court issued pursuant to
12 subdivision three of section 210.10 of this chapter, is under the super-
13 vision of the state department of corrections and community supervision
14 or a local or state probation department, then a warrant for his or her
15 arrest may be executed by a parole officer or probation officer, when
16 authorized by his or her probation director, within his or her geograph-
17 ical area of employment. The execution of the warrant by a parole offi-
18 cer or probation officer shall be upon the same conditions and conducted
19 in the same manner as provided for execution of a warrant by a police
20 officer.

21 § 15. Subdivision 1 of section 120.70 of the criminal procedure law is
22 amended to read as follows:

23 1. A warrant of arrest issued by a district court, by the New York
24 City criminal court, the youth part of a superior court or by a superior
25 court judge sitting as a local criminal court may be executed anywhere
26 in the state.

27 § 16. Subdivisions 1, 6 and 7 of section 120.90 of the criminal proce-
28 dure law, subdivision 1 as amended by chapter 492 of the laws of 2016,
29 subdivisions 6 and 7 as amended by chapter 424 of the laws of 1998, are
30 amended and a new subdivision 5-a is added to read as follows:

31 1. Upon arresting a defendant for any offense pursuant to a warrant of
32 arrest in the county in which the warrant is returnable or in any
33 adjoining county, or upon so arresting him or her for a felony in any
34 other county, a police officer, if he or she be one to whom the warrant
35 is addressed, must without unnecessary delay bring the defendant before
36 the local criminal court or youth part of the superior court in which
37 such warrant is returnable, provided that, where a local criminal court
38 or youth part of the superior court in the county in which the warrant
39 is returnable hereunder is operating an off-hours arraignment part
40 designated in accordance with paragraph (w) of subdivision one of
41 section two hundred twelve of the judiciary law at the time of defend-
42 ant's return, such police officer may bring the defendant before such
43 local criminal court or youth part of the superior court.

44 5-a. Whenever a police officer is required, pursuant to this section,
45 to bring an arrested defendant before a youth part of a superior court
46 in which a warrant of arrest is returnable, and if such court is not in
47 session, such officer must bring such defendant before the most accessi-
48 ble magistrate designated by the appellate division of the supreme court
49 in the applicable department to act as a youth part.

50 6. Before bringing a defendant arrested pursuant to a warrant before
51 the local criminal court or youth part of a superior court in which such
52 warrant is returnable, a police officer must without unnecessary delay
53 perform all fingerprinting and other preliminary police duties required
54 in the particular case. In any case in which the defendant is not
55 brought by a police officer before such court but, following his arrest
56 in another county for an offense specified in subdivision one of section

1 160.10, is released by a local criminal court of such other county on
2 his own recognizance or on bail for his appearance on a specified date
3 before the local criminal court before which the warrant is returnable,
4 the latter court must, upon arraignment of the defendant before it,
5 direct that he be fingerprinted by the appropriate officer or agency,
6 and that he appear at an appropriate designated time and place for such
7 purpose.

8 7. Upon arresting a juvenile offender or adolescent offender, the
9 police officer shall immediately notify the parent or other person
10 legally responsible for his care or the person with whom he is domi-
11 ciled, that the juvenile offender or adolescent offender has been
12 arrested, and the location of the facility where he is being detained.

13 § 17. Subdivision 1 of section 130.10 of the criminal procedure law,
14 as amended by chapter 446 of the laws of 1993, is amended to read as
15 follows:

16 1. A summons is a process issued by a local criminal court directing a
17 defendant designated in an information, a prosecutor's information, a
18 felony complaint or a misdemeanor complaint filed with such court, or a
19 youth part of a superior court directing a defendant designated in a
20 felony complaint, or by a superior court directing a defendant desig-
21 nated in an indictment filed with such court, to appear before it at a
22 designated future time in connection with such accusatory instrument.
23 The sole function of a summons is to achieve a defendant's court appear-
24 ance in a criminal action for the purpose of arraignment upon the accu-
25 satory instrument by which such action was commenced.

26 § 18. Section 130.30 of the criminal procedure law, as amended by
27 chapter 506 of the laws of 2000, is amended to read as follows:

28 § 130.30 Summons; when issuable.

29 A local criminal court or youth part of the superior court may issue a
30 summons in any case in which, pursuant to section 120.20, it is author-
31 ized to issue a warrant of arrest based upon an information, a
32 prosecutor's information, a felony complaint or a misdemeanor complaint.
33 If such information, prosecutor's information, felony complaint or
34 misdemeanor complaint is not sufficient on its face as prescribed in
35 section 100.40, and if the court is satisfied that on the basis of the
36 available facts or evidence it would be impossible to draw and file an
37 authorized accusatory instrument that is sufficient on its face, the
38 court must dismiss the accusatory instrument. A superior court may issue
39 a summons in any case in which, pursuant to section 210.10, it is
40 authorized to issue a warrant of arrest based upon an indictment.

41 § 19. Section 140.20 of the criminal procedure law is amended by
42 adding a new subdivision 8 to read as follows:

43 8. If the arrest is for a juvenile offender or adolescent offender
44 other than an arrest for a violation or a traffic infraction, such
45 offender shall be brought before the youth part of the superior court.
46 If the youth part is not in session, such offender shall be brought
47 before the most accessible magistrate designated by the appellate divi-
48 sion of the supreme court in the applicable department to act as a youth
49 part.

50 § 20. Subdivision 6 of section 140.20 of the criminal procedure law,
51 as added by chapter 411 of the laws of 1979, is amended to read as
52 follows:

53 6. Upon arresting a juvenile offender or a person sixteen or commenc-

55 a warrant, the police officer shall immediately notify the parent or
56 other person legally responsible for his or her care or the person with

whom he or she is domiciled, that [~~the juvenile~~] such offender or person has been arrested, and the location of the facility where he or she is being detained. If the officer determines that it is necessary to question a juvenile offender or such person, the officer must take him or her to a facility designated by the chief administrator of the courts as a suitable place for the questioning of children or, upon the consent of a parent or other person legally responsible for the care of the juvenile or such person, to his or her residence and there question him or her for a reasonable period of time. A juvenile or such person shall not be questioned pursuant to this section unless he or she and a person required to be notified pursuant to this subdivision, if present, have been advised:

(a) of the juvenile offender's or such person's right to remain silent;

(b) that the statements made by him or her may be used in a court of law;

(c) of his or her right to have an attorney present at such questioning; and

40 children or, upon the consent of a parent or other person legally

9 ~~[a local criminal court]~~ the youth part of a superior court or the most
10 accessible magistrate designated by the appellate division of the
11 supreme court in the applicable department to act as a youth part, the
12 provisions of ~~[this section]~~ article seven hundred twenty-two of this
13 chapter shall apply in lieu of the provisions of sections 180.30, 180.50

39 offender, thirty days, without the occurrence of any grand jury action
40 or disposition pursuant to subdivision one, two or three of section

42 impaneled must release him on his own recognizance unless:

43 (a) The lack of a grand jury disposition during such period of
44 confinement was due to the defendant's request, action or condition, or
45 occurred with his consent; or

46 (b) The people have shown good cause why such order of release should
47 not be issued. Such good cause must consist of some compelling fact or
48 circumstance which precluded grand jury action within the prescribed
49 period or rendered the same against the interest of justice.

50 § 28. Subdivision (b) of section 190.71 of the criminal procedure law,
51 as added by chapter 481 of the laws of 1978, is amended to read as
52 follows:

55 sixteen, or commencing October first, two thousand nineteen, seventeen
56 years of age or younger did an act which, if done by a person over the

1 age of sixteen, or commencing October first, two thousand nineteen,
2 seventeen, would constitute a crime provided (1) such act is one for
3 which it may not indict; (2) it does not indict such person for a crime;
4 and (3) the evidence before it is legally sufficient to establish that
5 such person did such act and competent and admissible evidence before it
6 provides reasonable cause to believe that such person did such act.

7 § 29. Subdivision 6 of section 200.20 of the criminal procedure law,
8 as added by chapter 136 of the laws of 1980, is amended to read as
9 follows:

12 first, two thousand nineteen, eighteen at the time of the commission of
13 the crime and who did not lack criminal responsibility for such crime by
14 reason of infancy, the indictment may, in addition, charge in separate
15 counts one or more other offenses for which such person would not have
16 been criminally responsible by reason of infancy, if:

17 (a) the offense for which the defendant is criminally responsible and
18 the one or more other offenses for which he or she would not have been
19 criminally responsible by reason of infancy are based upon the same act
20 or upon the same criminal transaction, as that term is defined in subdi-
21 vision two of section 40.10 of this chapter; or

22 (b) the offenses are of such nature that either proof of the first
23 offense would be material and admissible as evidence in chief upon a
24 trial of the second, or proof of the second would be material and admis-
25 sible as evidence in chief upon a trial of the first.

26 § 29-a. Subdivision 7 of section 210.30 of the criminal procedure law,
27 as added by chapter 136 of the laws of 1980, is amended to read as
28 follows:

29 7. Notwithstanding any other provision of law, where the indictment is
30 filed against a juvenile offender or adolescent offender, the court
31 shall dismiss the indictment or count thereof where the evidence before
32 the grand jury was not legally sufficient to establish the offense
33 charged or any lesser included offense for which the defendant is crimi-
34 nally responsible. Upon such dismissal, unless the court shall authorize
35 the people to resubmit the charge to a subsequent grand jury, and upon a
36 finding that there was sufficient evidence to believe defendant is a
37 juvenile delinquent as defined in subdivision (a) of section seven
38 hundred twelve of the family court act and upon specifying the act or
39 acts it found sufficient evidence to believe defendant committed, the
40 court may direct that such matter be removed to family court in accord-
41 ance with the provisions of article seven hundred twenty-five of this
42 chapter.

43 § 30. Section 210.43 of the criminal procedure law is REPEALED.

53 subdivision 2 as amended by chapter 920 of the laws of 1982, are amended
54 to read as follows:

55 1. Where a defendant is a juvenile offender or an adolescent offender
56 who does not stand convicted of murder in the second degree, upon motion

1 and with the consent of the district attorney, the action may be removed
2 to the family court in the interests of justice pursuant to article
3 seven hundred twenty-five of this chapter notwithstanding the verdict.

4 2. If the district attorney consents to the motion for removal pursu-
5 ant to this section, he shall file a subscribed memorandum with the
6 court setting forth (1) a recommendation that the interests of justice
7 would best be served by removal of the action to the family court; and
8 (2) if the conviction is of an offense set forth in paragraph (b) of
9 subdivision one of section ~~[210.43]~~ 722.22 of this chapter, specific
10 factors, one or more of which reasonably support the recommendation,
11 showing, (i) mitigating circumstances that bear directly upon the manner
12 in which the crime was committed, or (ii) where the defendant was not
13 the sole participant in the crime, that the defendant's participation
14 was relatively minor although not so minor as to constitute a defense to
15 prosecution, or (iii) where the juvenile offender has no previous adju-
16 dications of having committed a designated felony act, as defined in
17 subdivision eight of section 301.2 of the family court act, regardless
18 of the age of the offender at the time of commission of the act, that
19 the criminal act was not part of a pattern of criminal behavior and, in
20 view of the history of the offender, is not likely to be repeated.

21 § 32. Subdivision 2 of section 410.40 of the criminal procedure law,
22 as amended by chapter 652 of the laws of 2008, is amended to read as
23 follows:

24 2. Warrant. (a) Where the probation officer has requested that a

26 of its receipt of the request, issue or deny the warrant or take any
27 other lawful action including issuance of a notice to appear pursuant to
28 subdivision one of this section. If at any time during the period of a
29 sentence of probation or of conditional discharge the court has reason-
30 able grounds to believe that the defendant has violated a condition of
31 the sentence, the court may issue a warrant to a police officer or to an
32 appropriate peace officer directing him or her to take the defendant
33 into custody and bring the defendant before the court without unneces-
34 sary delay; provided, however, if the court in which the warrant is
35 returnable is a superior court, and such court is not available, and the
36 warrant is addressed to a police officer or appropriate probation offi-
37 cer certified as a peace officer, such executing officer may unless
38 otherwise specified under paragraph (b) of this subdivision, bring the
39 defendant to the local correctional facility of the county in which such
40 court sits, to be detained there until not later than the commencement
41 of the next session of such court occurring on the next business day; or
42 if the court in which the warrant is returnable is a local criminal
43 court, and such court is not available, and the warrant is addressed to
44 a police officer or appropriate probation officer certified as a peace
45 officer, such executing officer must without unnecessary delay bring the
46 defendant before an alternate local criminal court, as provided in
47 subdivision five of section 120.90 of this chapter. A court which issues
48 such a warrant may attach thereto a summary of the basis for the
49 warrant. In any case where a defendant arrested upon the warrant is
50 brought before a local criminal court other than the court in which the
51 warrant is returnable, such local criminal court shall consider such
52 summary before issuing a securing order with respect to the defendant.

53 (b) If the court in which the warrant is returnable is a superior
54 court, and such court is not available, and the warrant is addressed to
55 a police officer or appropriate probation officer certified as a peace
56 officer, such executing officer shall, where a defendant is sixteen

1 years of age or younger who allegedly commits an offense or a violation
2 of his or her probation or conditional discharge imposed for an offense
3 on or after October first, two thousand eighteen, or where a defendant
4 is seventeen years of age or younger who allegedly commits an offense or
5 a violation of his or her probation or conditional discharge imposed for
6 an offense on or after October first, two thousand nineteen, bring the
7 defendant without unnecessary delay before the youth part, provided,
8 however that if the youth part is not in session, the defendant shall be
9 brought before the most accessible magistrate designated by the appel-

50 liable for any acts done to or by such principal resulting from negli-
51 gence in the detention of and care for such principal, when the princi-
52 pal is not in the actual custody of the sheriff.

53 2. Except upon consent of the defendant or for good cause shown, in

15 this state other than a sex offense defined in article one hundred thir-

22 attempt to commit an offense that is not an eligible offense if the
23 attempt is a felony, or an offense for which registration as a sex
24 offender is required pursuant to article six-C of the correction law.
25 For the purposes of this section, where the defendant is convicted of
26 more than one eligible offense, committed as part of the same criminal
27 transaction as defined in subdivision two of section 40.10 of this chap-
28 ter, those offenses shall be considered one eligible offense.

29 (b) "Sentencing judge" shall mean the judge who pronounced sentence
30 upon the conviction under consideration, or if that judge is no longer
31 sitting in a court in the jurisdiction in which the conviction was
32 obtained, any other judge who is sitting in the criminal court where the

34 1-a. The chief administrator of the courts shall, pursuant to section
35 10.40 of this chapter, prescribe a form application which may be used by
36 a defendant to apply for sealing pursuant to this section. Such form
37 application shall include all the essential elements required by this
38 section to be included in an application for sealing. Nothing in this
39 subdivision shall be read to require a defendant to use such form appli-
40 cation to apply for sealing.

41 2. (a) A defendant who has been convicted of up to two eligible
42 offenses but not more than one felony offense may apply to the court in
43 which he or she was convicted of the most serious offense to have such
44 conviction sealed. If all offenses are offenses with the same classi-
45 fication, the application shall be made to the court in which the
46 defendant was last convicted.

47 (b) An application shall contain (i) a copy of a certificate of dispo-
48 sition or other similar documentation for any offense for which the
49 defendant has been convicted, or an explanation of why such certificate
50 or other documentation is not available; (ii) a sworn statement of the
51 defendant as to whether he or she has filed, or then intends to file,
52 any application for sealing of any other eligible offense; (iii) a copy
53 of any other such application that has been filed; (iv) a sworn state-
54 ment as to the conviction or convictions for which relief is being
55 sought; and (v) a sworn statement of the reason or reasons why the court

1 should, in its discretion, grant such sealing, along with any supporting
2 documentation.

3 (c) A copy of any application for such sealing shall be served upon
4 the district attorney of the county in which the conviction, or, if more
5 than one, the convictions, was or were obtained. The district attorney
6 shall notify the court within forty-five days if he or she objects to
7 the application for sealing.

8 (d) When such application is filed with the court, it shall be
9 assigned to the sentencing judge unless more than one application is
10 filed in which case the application shall be assigned to the county
11 court or the supreme court of the county in which the criminal court is
12 located, who shall request and receive from the division of criminal
13 justice services a fingerprint based criminal history record of the
14 defendant, including any sealed or suppressed records. The division of
15 criminal justice services also shall include a criminal history report,
16 if any, from the federal bureau of investigation regarding any criminal
17 history information that occurred in other jurisdictions. The division
18 is hereby authorized to receive such information from the federal bureau
19 of investigation for this purpose, and to make such information avail-
20 able to the court, which may make this information available to the
21 district attorney and the defendant.

22 3. The sentencing judge, or county or supreme court shall summarily
23 deny the defendant's application when:

24 (a) the defendant is required to register as a sex offender pursuant
25 to article six-C of the correction law; or

26 (b) the defendant has previously obtained sealing of the maximum
27 number of convictions allowable under section 160.58 of the criminal
28 procedure law; or

29 (c) the defendant has previously obtained sealing of the maximum
30 number of convictions allowable under subdivision four of this section;
31 or

32 (d) the time period specified in subdivision five of this section has
33 not yet been satisfied; or

34 (e) the defendant has an undisposed arrest or charge pending; or

35 (f) the defendant was convicted of any crime after the date of the
36 entry of judgement of the last conviction for which sealing is sought;
37 or

38 (g) the defendant has failed to provide the court with the required
39 sworn statement of the reasons why the court should grant the relief
40 requested; or

41 (h) the defendant has been convicted of two or more felonies or more
42 than two crimes.

43 4. Provided that the application is not summarily denied for the
44 reasons set forth in subdivision three of this section, a defendant who
45 stands convicted of up to two eligible offenses, may obtain sealing of
46 no more than two eligible offenses but not more than one felony offense.

47 5. Any eligible offense may be sealed only after at least ten years
48 have passed since the imposition of the sentence on the defendant's
49 latest conviction or, if the defendant was sentenced to a period of
50 incarceration, including a period of incarceration imposed in conjunc-
51 tion with a sentence of probation, the defendant's latest release from
52 incarceration. In calculating the ten year period under this subdivi-
53 sion, any period of time the defendant spent incarcerated after the
54 conviction for which the application for sealing is sought, shall be
55 excluded and such ten year period shall be extended by a period or peri-
56 ods equal to the time served under such incarceration.

6. Upon determining that the application is not subject to mandatory denial pursuant to subdivision three of this section and that the application is opposed by the district attorney, the sentencing judge or county or supreme court shall conduct a hearing on the application in order to consider any evidence offered by either party that would aid the sentencing judge in his or her decision whether to seal the records of the defendant's convictions. No hearing is required if the district attorney does not oppose the application.

7. In considering any such application, the sentencing judge or county or supreme court shall consider any relevant factors, including but not limited to:

(a) the amount of time that has elapsed since the defendant's last conviction;

(b) the circumstances and seriousness of the offense for which the defendant is seeking relief, including whether the arrest charge was not an eligible offense;

(c) the circumstances and seriousness of any other offenses for which the defendant stands convicted;

(d) the character of the defendant, including any measures that the defendant has taken toward rehabilitation, such as participating in treatment programs, work, or schooling, and participating in community service or other volunteer programs;

(e) any statements made by the victim of the offense for which the defendant is seeking relief;

(f) the impact of sealing the defendant's record upon his or her rehabilitation and upon his or her successful and productive reentry and reintegration into society; and

(g) the impact of sealing the defendant's record on public safety and upon the public's confidence in and respect for the law.

8. When a sentencing judge or county or supreme court orders sealing pursuant to this section, all official records and papers relating to the arrests, prosecutions, and convictions, including all duplicates and copies thereof, on file with the division of criminal justice services or any court shall be sealed and not made available to any person or public or private agency except as provided for in subdivision nine of this section; provided, however, the division shall retain any fingerprints, palmprints and photographs, or digital images of the same. The clerk of such court shall immediately notify the commissioner of the division of criminal justice services regarding the records that shall be sealed pursuant to this section. The clerk also shall notify any court in which the defendant has stated, pursuant to paragraph (b) of subdivision two of this section, that he or she has filed or intends to file an application for sealing of any other eligible offense.

9. Records sealed pursuant to this section shall be made available to:

(a) the defendant or the defendant's designated agent;

(b) qualified agencies, as defined in subdivision nine of section eight hundred thirty-five of the executive law, and federal and state law enforcement agencies, when acting within the scope of their law enforcement duties; or

(c) any state or local officer or agency with responsibility for the issuance of licenses to possess guns, when the person has made application for such a license; or

(d) any prospective employer of a police officer or peace officer as those terms are defined in subdivisions thirty-three and thirty-four of section 1.20 of this chapter, in relation to an application for employment as a police officer or peace officer; provided, however, that every

1 person who is an applicant for the position of police officer or peace
2 officer shall be furnished with a copy of all records obtained under
3 this paragraph and afforded an opportunity to make an explanation there-
4 to; or

5 (e) the criminal justice information services division of the federal
6 bureau of investigation, for the purposes of responding to queries to
7 the national instant criminal background check system regarding attempts
8 to purchase or otherwise take possession of firearms, as defined in 18
9 USC 921 (a) (3).

10 10. A conviction which is sealed pursuant to this section is included
11 within the definition of a conviction for the purposes of any criminal
12 proceeding in which the fact of a prior conviction would enhance a
13 penalty or is an element of the offense charged.

14 11. No defendant shall be required or permitted to waive eligibility
15 for sealing pursuant to this section as part of a plea of guilty,
16 sentence or any agreement related to a conviction for an eligible
17 offense and any such waiver shall be deemed void and wholly enforceable.

18 § 48-a. Subdivision 16 of section 296 of the executive law, as sepa-

36 provided, further, that no person shall be required to divulge informa-
37 tion pertaining to any arrest or criminal accusation of such individual
38 not then pending against that individual which was followed by a termi-
39 nation of that criminal action or proceeding in favor of such individ-

55 1. Subject to the provisions of chapter 59 of the laws of 2000, but
56 notwithstanding the provisions of section 18 of section 1 of chapter 174

1 of the laws of 1968, the New York state urban development corporation is
2 hereby authorized to issue bonds, notes and other obligations in an
3 aggregate principal amount not to exceed six hundred [~~forty-seven~~
4 eighty-two million [~~sixty-five~~ nine hundred fifteen thousand dollars
5 [~~(\$647,065,000)~~ (\$682,915,000)], which authorization increases the
6 aggregate principal amount of bonds, notes and other obligations author-

26 gate debt service of the refunding or repayment bonds, notes or other
27 obligations to be issued shall not exceed the present value of the
28 aggregate debt service of the bonds, notes or other obligations so to be

30 aggregate debt service of the refunding or repayment bonds, notes or
31 other obligations and of the aggregate debt service of the bonds, notes
32 or other obligations so refunded or repaid, shall be calculated by
33 utilizing the effective interest rate of the refunding or repayment
34 bonds, notes or other obligations, which shall be that rate arrived at
35 by doubling the semi-annual interest rate (compounded semi-annually)
36 necessary to discount the debt service payments on the refunding or

46 b. The agency shall have power and is hereby authorized from time to

51 sufficient funds to the facilities development corporation, or any
52 successor agency, for the financing or refinancing of or for the design,
53 construction, acquisition, reconstruction, rehabilitation or improvement
54 of mental health services facilities pursuant to paragraph a of this
55 subdivision, the payment of interest on mental health services improve-
56 ment bonds and mental health services improvement notes issued for such

1 purposes, the establishment of reserves to secure such bonds and notes,
2 the cost or premium of bond insurance or the costs of any financial
3 mechanisms which may be used to reduce the debt service that would be
4 payable by the agency on its mental health services facilities improve-
5 ment bonds and notes and all other expenditures of the agency incident
6 to and necessary or convenient to providing the facilities development
7 corporation, or any successor agency, with funds for the financing or

21 mental health services facilities improvement notes the total aggregate
22 principal amount of outstanding mental health services facilities
23 improvement bonds and mental health facilities improvement notes may be
24 greater than eight billion [~~twenty-one~~] three hundred ninety-two million
25 eight hundred fifteen thousand dollars only if, except as hereinafter
26 provided with respect to mental health services facilities bonds and
27 mental health services facilities notes issued to refund mental hygiene
28 improvement bonds authorized to be issued pursuant to the provisions of
29 section 47-b of the private housing finance law, the present value of
30 the aggregate debt service of the refunding or repayment bonds to be
31 issued shall not exceed the present value of the aggregate debt service
32 of the bonds to be refunded or repaid. For purposes hereof, the present
33 values of the aggregate debt service of the refunding or repayment
34 bonds, notes or other obligations and of the aggregate debt service of
35 the bonds, notes or other obligations so refunded or repaid, shall be
36 calculated by utilizing the effective interest rate of the refunding or
37 repayment bonds, notes or other obligations, which shall be that rate
38 arrived at by doubling the semi-annual interest rate (compounded semi-
39 annually) necessary to discount the debt service payments on the refund-
40 ing or repayment bonds, notes or other obligations from the payment
41 dates thereof to the date of issue of the refunding or repayment bonds,

54 refund outstanding mental hygiene improvement bonds authorized to be
55 issued pursuant to the provisions of section 47-b of the private housing
56 finance law and the amount of bonds issued or outstanding for such

1 purposes shall not be included for purposes of determining the amount of
2 bonds issued pursuant to this section. The director of the budget shall
3 allocate the aggregate principal authorized to be issued by the agency
4 among the office of mental health, office for people with developmental
5 disabilities, and the office of alcoholism and substance abuse services,
6 in consultation with their respective commissioners to finance bondable
7 appropriations previously approved by the legislature.

40 bonds are issued on the face of the bonds. The proceeds from the sale of
41 bonds for more than one work or purpose shall be separately accounted
42 for according to the works or purposes designated for such sale by the
43 comptroller and the proceeds received for each work or purpose shall be
44 expended only for such work or purpose. The bonds shall bear interest at
45 such rate or rates as in the judgment of the state comptroller may be
46 sufficient or necessary to effect a sale of the bonds, and such interest
47 shall be payable at least semi-annually, in the case of bonds with a
48 fixed interest rate, and at least annually, in the case of bonds with an
49 interest rate that varies periodically, in the city of New York unless
50 annual payments of principal and interest result in substantially level
51 or declining debt service payments over the life of an issue of bonds
52 pursuant to paragraph (b) of subdivision two of this section or unless
53 accrued interest is contributed to a sinking fund in accordance with
54 subdivision three of section twelve of article seven of the state
55 constitution, in which case interest shall be paid at such times and at

1 such places as shall be determined by the state comptroller prior to
2 issuance of the bonds.

3 2. Such bonds, or the portion thereof at any time issued, shall be
4 made payable (a) in equal annual principal installments or (b) in annual
5 installments of principal and interest which result in substantially
6 level or declining debt service payments, over the life of the bonds,
7 the first of which annual installments shall be payable not more than
8 one year from the date of issue and the last of which shall be payable
9 at such time as the comptroller may determine but not more than forty
10 years or state fiscal years after the date of issue, not more than fifty

16 either (i) the greatest aggregate amount of debt service payable in any
17 year or state fiscal year shall not differ from the lowest aggregate
18 amount of debt service payable in any other year or state fiscal year by
19 more than five percent or (ii) the aggregate amount of debt service in
20 each year or state fiscal year shall be less than the aggregate amount
21 of debt service in the immediately preceding year or state fiscal year.
22 For purposes of this subdivision, debt service shall include all princi-

24 interest scheduled to become due. For purposes of determining whether
25 debt service is level or declining on bonds issued with a variable rate
26 of interest pursuant to paragraph b of subdivision four of this section,
27 the comptroller shall assume a market rate of interest as of the date of
28 issuance. Where the comptroller determines that interest on any bonds
29 shall be compounded and payable at maturity, such bonds shall be payable
30 only in accordance with paragraph (b) of this subdivision unless accrued
31 interest is contributed to a sinking fund in accordance with subdivision
32 three of section twelve of article seven of the state constitution. In
33 no case shall any bonds or portion thereof be issued for a period longer
34 than the probable life of the work or purpose, or part thereof, to which
35 the proceeds of the bonds are to be applied, or in the alternative, the
36 weighted average period of the probable life of the works or purposes to
37 which the proceeds of the bonds are to be applied taking into consider-
38 ation the respective amounts of bonds issued for each work or purpose,
39 as may be determined under section sixty-one of this [~~chapter~~] article
40 and in accordance with the certificate of the commissioner of general
41 services, and/or the commissioner of transportation, state architect,
42 state commissioner of housing and urban renewal, or other authority, as
43 the case may be, having charge by law of the acquisition, construction,

47 of the work or purposes are different, the groups, specified in such
48 section, for which the amount or amounts, shall be provided by the issu-

53 such work or purpose (or class of works or purposes) and dividing the
54 resulting sum by the dollar value of the entire debt after taking into
55 consideration any original issue discount. Any costs of issuance
56 financed with bond proceeds shall be prorated among the various works or

51 for any improper and incorrect discharge of those duties, and shall save
52 the state free and harmless from any and all loss or damage occasioned
53 by or incurred in the performance of such services. Any such contract

9 within a city with a population of greater than one hundred twenty-five
10 thousand but less than one million and a selected poverty rate of great-

23 to or in lieu of paragraph six of subdivision nineteen of this section
24 as such paragraph existed on June thirtieth, two thousand seven, minus
25 the amount such district was eligible to receive pursuant to or in lieu
26 of paragraph five of subdivision nineteen of this section as such para-
27 graph existed on June thirtieth, two thousand seven, in such school
28 year, and (ii) the sum of one and the percentage increase in the consum-

 22 of basic educational data, as amended by chapter 903 of the laws of
 23 1984, is amended to read as follows:

24 § 3. Apportionment. a. The commissioner shall annually apportion to
 25 each qualifying school, for school years beginning on and after July
 26 first, nineteen hundred seventy-four, an amount equal to the actual cost

 28 providing services required by law to be rendered to the state in
 29 compliance with the requirements of the state's pupil evaluation
 30 program, the basic educational data system, regents examinations, the
 31 statewide evaluation plan, the uniform procedure for pupil attendance
 32 reporting, the state's immunization program and other similar state
 33 prepared examinations and reporting procedures.

34 b. The commissioner shall annually apportion to each qualifying school
 35 in the cities of New York, Buffalo and Rochester, for school years
 36 beginning on or after July first[~~, nineteen hundred eighty-four~~] two
 37 thousand sixteen, an amount equal to the actual cost incurred[~~, up to~~
 38 ~~sixty cents per pupil,~~] by each such school during the preceding school
 39 year in meeting the recording and reporting requirements of the state
 40 school immunization program, provided that the state's liability shall
 41 be limited to the amount appropriated for this purpose.

42 § 18. The education law is amended by adding a new section 3037 to
 43 read as follows:

44 § 3037. Grants for hiring teachers. 1. For purposes of this section,
 45 the following term shall have the following meaning: "Eligible teacher"
 46 shall mean an individual that: (a) is certified to teach in New York
 47 state pursuant to section three thousand four of this article; or holds
 48 a Master's degree or Ph.D. in Mathematics, Science, Technology or Educa-
 49 tion; or holds a Bachelor's degree in Mathematics, Science, Technology
 50 or Education and is currently enrolled in a Master's or Ph.D. program
 51 in Mathematics, Science, Technology or Education within five years from
 52 the later of the effective date of this section or the employment start
 53 date with the nonpublic school, (b) teaches Mathematics, Science or
 54 Technology in any grades from three through twelve, and (c) is employed
 55 by a nonpublic school.

2. (a) Within amounts appropriated therefor, nonpublic schools shall, upon application, be reimbursed by the department for the salaries of eligible teachers. Each school which seeks a reimbursement pursuant to this section shall submit to the office of religious and independent schools an application therefor, together with such additional documents as the commissioner may reasonably require, at such times, in such form and containing such information as the commissioner may prescribe by regulation. Applications for reimbursement pursuant to this section must be received by August first of each year for schools to be reimbursed for the salaries of eligible teachers in the prior year.

(b) Pursuant to paragraph (a) of this subdivision, reimbursement for eligible teachers shall be the average comparable teacher salary and personal service, per subject area, of public school teachers in the school district in which such nonpublic schools are located, multiplied by the percentage of full time equivalent secular instructional hours completed in the school day per subject area. Reimbursements shall not be provided for eligible teachers who provide instruction in mathematics, science or technology if such teachers also provide non-secular instruction in any capacity.

(c) In the event that the applications for reimbursement under this section exceed the appropriation available for this program, then each applicant shall only be reimbursed an amount equal to the percentage that each such applicant represents to the total of all applications submitted.

3. The commissioner may promulgate any rules or regulations necessary to carry out the provisions of this section.

Such members shall serve for a term of two years. Presidents and officers of parents' associations or parent-teachers' associations who are candidates in the selection process pursuant to this section shall not be eligible to cast votes in such selection process. The association shall elect a member to vote in the place of each such president or officer for the purposes of the selection process. Provided, however, that a parent of a pre-kindergarten pupil shall vacate his or her membership on such community district education council where the parent no longer has a child that attends a school or pre-kindergarten program offered by a school under the jurisdiction of the community district.

2. ~~[The]~~ Notwithstanding any other provision of law, rule or regulation to the contrary, the commissioner in his or her discretion may, instead of establishing schools and maintaining courses of instruction therein for the education of the Indian children of the state, contract, for a period of up to ten years, with any school district for the education of such Indian children. The consideration for any such contract shall not exceed the total cost to the school district of the education of Indian children pursuant to such contract, less any public moneys received by the school district by reason of the attendance of such Indian children in regular day school, except any public moneys received by the district as a building quota pursuant to the provisions of subdivision six-a of section thirty-six hundred two of this chapter. The commissioner of taxation and finance shall pay on the warrant of the comptroller bills, for the costs and expenses attending such contract, approved by the commissioner of education from the appropriation for the support and education of Indian children. In carrying out the provisions of this article the commissioner, notwithstanding any other provision of law, may lease any school ground, site or building established for a reservation and owned by the state of New York to any school district upon such terms and conditions as he or she shall deem necessary, convenient and proper. Nothing herein contained shall alter the title of the Indians to their lands.
