47 Applications for registration shall not be accepted as a substitute for
48 a certificate of registration for the purposes of this section.

49 7. a. A contractor who:

50 i. willfully hinders or delays the commissioner in the performance of
51 his duties in the enforcement of this act;

23 c. The bureau may order the immediate suspension of a contractor's
24 registration, prior to a formal hearing on the revocation of the
25 contractor's registration pursuant to paragraph b of this subdivision,
26 if the bureau determines that ordering an immediate suspension is in the
27 public interest and provided that the contractor is afforded an opportu-
28 nity to contest the immediate suspension in the following manner:

29 i. The bureau shall notify the contractor in writing of the immediate
30 revocation and the contractor's rights under this paragraph.

31 ii. The contractor may notify the bureau of its request for an oppor-

43 or reversing the contractor's immediate suspension.

44 v. If the contractor disagrees with the written decision, the contrac-
45 tor may appeal the decision to the commissioner.

46 d. If the bureau intends to impose an immediate suspension as set
47 forth in paragraph c of this subdivision, the bureau shall provide the
48 contractor with a notice of intent to suspend and the contractor may
49 request an administrative hearing before the commission within seventy-
50 two hours of the receipt of the notice of intent to suspend in order to
51 present evidence expeditiously in support of the position that the
52 suspension should not be imposed. The suspension shall not take effect
53 prior to the expiration of the seventy-two hour opportunity to request a
54 hearing. If such a request is not made, the suspension shall take effect
55 at the end of the seventy-two hour period. If such a request is made,

1 the suspension shall take effect only after the commissioner conducts
2 the hearing.

3 e. If the bureau orders the immediate suspension of a contractor's
4 registration pursuant to paragraph b of this subdivision, the violation
5 shall have no effect on the registration of any contractor or subcon-
6 tractor, regardless of tier, in the contractual chain with the suspended
7 contractor.

8 § 2. This act shall take effect on the ninetieth day after it shall
9 have become a law. Effective immediately, the commissioner of labor
10 shall promulgate rules and regulations necessary or appropriate to carry
11 out the provisions of this act.
