AN ACT to amend the vehicle and traffic law and the education law, in relation to authorizing the installation and use of safety cameras on school buses for the purpose of monitoring overtaking and passing of school bus violations; to amend the vehicle and traffic law and the public officers law, in relation to owner liability for an operator illegally overtaking or passing a school bus; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "school bus camera safety act".

3 § 2. Legislative intent. In the state of New York, 2.5 million chil-  
4 dren ride school buses and public transportation to and from school each  
5 day. The legislature recognizes that the safe transportation of children  
6 to and from school is a shared responsibility of each school district  
7 and the driving public. It is the intent of this legislature to author-  
8 ize school districts to utilize school bus safety camera technology,  
9 which will identify drivers who violate the law by passing a stopped  
10 school bus with its red flashing signal lamps illuminated and stop arm  
11 engaged.

§ 3. Section 375 of the vehicle and traffic law is amended by adding a new subdivision 21-j to read as follows:

21-j. School buses owned or contracted for by a school district which has adopted a resolution providing for the installation of school bus safety cameras, as defined in section eleven hundred seventy-four-a of this chapter, may be equipped with and operate such cameras. School districts that, at the time of adoption of such a resolution, have entered into a contract for transportation services, may, notwithstanding any other provision of state law, rule or regulation, renegotiate the terms of their current transportation contract for the purposes of allowing the installation of school bus safety cameras. School districts shall not be required to take school buses out of service if such buses are not equipped with automated school bus safety cameras or functional automated safety cameras.

School districts and school bus transportation contractors shall be held harmless from and not liable for any criminal or civil liability arising from the operation of school bus safety cameras. The commissioner shall promulgate rules and regulations for the installation of school bus safety cameras. A designated vendor or employee of such vendor, police officer, or designated governing body employee shall not be liable for any loss that occurs while acting within the scope of their employment or contractual engagement to implement or enforce a violation of section eleven hundred seventy-four-a of this chapter.

§ 4. The vehicle and traffic law is amended by adding a new section 1174-a to read as follows:

§ 1174-a. Owner liability for operator illegally overtaking or passing a school bus. (a) For the purposes of this section:

1. "School bus safety camera" means an automated photo monitoring device affixed to the outside of a school bus and designed to detect and store videotape and one or more images of motor vehicles which overtake or pass school buses in violation of subdivision (a) of section eleven hundred seventy-four of this article.

2. "Owner" shall have the same meaning provided in article two-B of this chapter.

(b) 1. Notwithstanding any other provision of law, the board of education or of trustees of a school district is hereby authorized and empowered to adopt a resolution providing for the installation and operation of school bus safety cameras upon school buses operated by or contracted with such district. School districts shall not access the images from such cameras but shall provide, pursuant to an agreement with the appropriate law enforcement agency or agencies for the proper handling and custody of such images, for the forwarding of images from such cameras to a law enforcement agency having jurisdiction in the area in which the violation occurred, for the purpose of imposing monetary liability on the owner of a motor vehicle for illegally overtaking or passing a school bus in violation of subdivision (a) of section eleven hundred seventy-four of this article.

2. In such school districts that have adopted a resolution authorizing the installation of such school bus safety cameras, the board of education or of trustees of the school district or a school bus transportation contractor may, furthermore, enter into an agreement with a private vendor for the installation, operation, notice processing and administration, and maintenance of school bus safety cameras on buses within such district's fleet. School bus transportation contractors are empowered to purchase or lease, through a private vendor, school bus safety cameras; provided, that any agreement between a school bus trans-

1 portation contractor and a private camera vendor shall stipulate that a  
2 school bus transportation contractor shall only be allowed to recoup  
3 expenses incurred through the installation and operation of a school bus  
4 arm camera and shall not allow the school bus transportation contractor  
5 to charge the camera vendor a fee for the installation, operation or  
6 maintenance of such cameras, nor receive any portion of the fine for a  
7 violation of section eleven hundred seventy-four of this article. A  
8 private camera vendor shall have the right to retain any school bus  
9 safety cameras installed on a school bus after the expiration of the  
10 agreement with the school bus transportation contractor, unless the  
11 equipment was purchased from the vendor. Provided, further, that any  
12 agreement between a school bus transportation contractor and a private  
13 camera vendor shall stipulate the number of cameras to be installed  
14 shall not exceed the total amount requested by the school district.

15 3. Such school bus safety cameras shall only take photographs and  
16 videotape of motor vehicles and their license plates thereon, while such  
17 vehicle is operated in violation of subdivision (a) of section eleven  
18 hundred seventy-four of this article. No such photograph or video shall  
19 reveal any occupant of a motor vehicle. Provided, however, that no  
20 simplified traffic information issued pursuant to this section shall be  
21 dismissed solely because a photograph or photographs allow for the iden-  
22 tification of the occupants and/or contents of a motor vehicle.

23 4. Upon adoption of a resolution by a school district as required in  
24 subdivision twenty-one-j of section three hundred seventy-five of this  
25 chapter, such school district may enter into a memorandum of understand-  
26 ing with a local governing authority to enable the implementation of the  
27 provisions of this section. Such traffic violations bureau or court  
28 shall make available to such school district the adjudication data  
29 required by paragraph seven of subdivision (1) of this section as to  
30 allow such school district to complete the report required by subdivi-  
31 sion (1) of this section in a timely manner. Any intergovernmental  
32 agreement pursuant to this paragraph shall inform such traffic  
33 violations bureau or court of the requirements of this subdivision and  
34 shall make provisions regarding the transmittal of such required infor-  
35 mation. School districts that elect to purchase such cameras shall be  
36 reimbursed for the cost of such cameras out of the net proceeds, after  
37 the expenses of administration. Reimbursement for the cost of such  
38 cameras shall not be considered generating income.

39 (c) In any school district in which school bus safety cameras are  
40 installed and operated pursuant to subdivision (b) of this section, the  
41 owner of a motor vehicle, upon issuance of a simplified traffic informa-  
42 tion by a police officer, shall be liable for a civil penalty of two  
43 hundred fifty dollars if such vehicle was used or operated with the  
44 permission of the owner, express or implied, in violation of subdivision  
45 (a) of section eleven hundred seventy-four of this article, and such  
46 violation is evidenced by information obtained from a school bus safety  
47 camera; provided, however, that no owner of a vehicle shall be liable  
48 for a penalty imposed pursuant to this section where the operator of  
49 such vehicle has been convicted of the underlying violation of subdivi-  
50 sion (a) of section eleven hundred seventy-four of this article.  
51 Provided, further, that the net proceeds of any penalty, after the  
52 expenses of administration and operating costs of the cameras, collected  
53 by a traffic violations bureau or court pursuant to this section shall  
54 be expended for programs related to improving traffic safety and/or  
55 school district safety in the municipality in which the violation  
56 occurred. School districts are authorized to accept grants from munici-

1 palities for the implementation of this section. School districts may  
2 allow for a warning period of up to twenty-one days from the time the  
3 first school bus safety cameras are installed in the district before  
4 monetary penalties are imposed on violations occurring from such  
5 cameras.

6 (d) A school district or school bus camera vendor shall forward or  
7 cause to be forwarded, the images and videotape from its school bus  
8 safety cameras to a law enforcement agency having jurisdiction in the  
9 area where the violation occurred. A school bus contractor may not proc-  
10 ess a violation of section eleven hundred seventy-four of this article.  
11 After receipt of such images, a police officer shall inspect such vide-  
12 otape and images to determine whether a violation of subdivision (a) of  
13 section eleven hundred seventy-four of this article was committed,  
14 provided that such videotape and one or more images must display a red  
15 visual signal as specified in subdivision twenty of section three  
16 hundred seventy-five of this chapter. If such police officer finds that  
17 such a violation occurred, he or she shall issue a simplified traffic  
18 information alleging the violation, and such information with a copy of  
19 the photographic image of the violation shall be mailed to the owner of  
20 the motor vehicle by first class mail within thirty days of the alleged  
21 violation. The videotape and images produced by a school bus safety  
22 camera shall be prima facie evidence of the facts contained therein. All  
23 photographic images of motor vehicles which do not depict or result in  
24 liability for violation of subdivision (a) of section eleven hundred  
25 seventy-four of this article shall be destroyed by the appropriate  
26 school district and law enforcement agency within two days.

27 (e) An imposition of liability pursuant to this section shall not be  
28 deemed a conviction as an operator and shall not be made part of the  
29 operating record of the person upon whom such liability is imposed nor  
30 shall it be used for insurance purposes in the provision of motor vehi-  
31 cle insurance coverage.

32 (f) 1. A simplified traffic information and the photographic image of  
33 the alleged violation shall be sent by first class mail to each person  
34 alleged to be liable as an owner for a violation of subdivision (a) of  
35 section eleven hundred seventy-four of this article pursuant to this  
36 section within thirty days if such owner is a resident of this state and  
37 within forty-five business days if such owner is a non-resident,  
38 provided that a warning notice and not a simplified traffic information  
39 shall be sent if such violation is evidenced by information obtained  
40 from a school bus safety camera that has been operational but inactive  
41 for a period determined by the school district. Personal delivery on  
42 the owner shall not be required. A manual or automatic record of mailing  
43 prepared in the ordinary course of business shall be prima facie  
44 evidence of the facts contained therein.

45 2. A simplified traffic information shall contain the name and address  
46 of the person alleged to be liable as an owner for a violation of subdi-  
47 vision (a) of section eleven hundred seventy-four of this article pursu-  
48 ant to this section, the registration number of the vehicle involved in  
49 such violation, the location where such violation took place including  
50 global positioning system coordinates, the date and time of such  
51 violation and the identification number of the school bus safety camera  
52 which recorded the violation or other document locator number.

53 3. The simplified traffic information shall contain information advis-  
54 ing the person charged of the manner, the time, the place and the court  
55 or administrative body in which he or she may contest the liability  
56 alleged in the simplified traffic information. Such simplified traffic

1 information shall also contain a warning to advise the persons charged  
2 that failure to answer in the manner and time provided shall be deemed  
3 an admission of liability and that he or she shall be liable for failure  
4 to respond to a summons.

5 (g) Adjudication of the liability imposed upon owners by this section  
6 shall be by a traffic violations bureau established pursuant to section  
7 three hundred seventy of the general municipal law or, if there be none,  
8 by the court having jurisdiction over traffic infractions.

9 (h) If an owner receives a simplified traffic information pursuant to  
10 this section for any time period during which the vehicle was stolen, it  
11 shall be a valid defense to an allegation of liability for a violation  
12 of subdivision (a) of section eleven hundred seventy-four of this arti-  
13 cle pursuant to this section that the vehicle had been reported to the  
14 police as stolen prior to the time the violation occurred and had not  
15 been recovered by such time. For purposes of asserting the defense  
16 provided by this subdivision it shall be sufficient that a certified  
17 copy of the police report on the stolen vehicle be sent by first class  
18 mail to the traffic violations bureau, court having jurisdiction or  
19 parking violations bureau.

20 (i) An owner who is a lessor of a vehicle to which a simplified traf-  
21 fic information was issued pursuant to this section shall not be liable  
22 for the violation of subdivision (a) of section eleven hundred seventy-  
23 four of this article, provided that he or she sends to the court having  
24 jurisdiction a copy of the rental, lease or other such contract document  
25 covering such vehicle on the date of the violation, with the name and  
26 address of the lessee clearly legible, within thirty-seven days after  
27 receiving notice from the court of the date and time of such violation,  
28 together with the other information contained in the original simplified  
29 traffic information. Failure to send such information within such thir-  
30 ty-seven day time period shall render the owner liable for the penalty  
31 prescribed by this section. Where the lessor complies with the  
32 provisions of this subdivision, the lessee of such vehicle on the date  
33 of such violation shall be deemed to be the owner of such vehicle for  
34 purposes of this section, shall be subject to liability for the  
35 violation of subdivision (a) of section eleven hundred seventy-four of  
36 this article pursuant to this section and shall be sent a simplified  
37 traffic information pursuant to this section.

38 (j) Nothing in this section shall be construed to limit the liability  
39 of an operator of a vehicle for any violation of subdivision (a) of  
40 section eleven hundred seventy-four of this article.

41 (k) The school bus safety cameras installed and operated pursuant to  
42 this section shall be used solely for the purposes of carrying out  
43 photo-monitoring and videotaping of violations of subdivision (a) of  
44 section eleven hundred seventy-four of this article.

45 (l) In any such school district which adopts a resolution pursuant to  
46 subdivision (b) of this section, such school district shall, to the  
47 extent that such information is available to it, submit an annual report  
48 on the results of the use of a school bus safety camera program to the  
49 governor, the temporary president of the senate and the speaker of the  
50 assembly on or before September first, two thousand nineteen and on or  
51 before such date in each succeeding year in which the program is opera-  
52 ble. Such report shall include, but not be limited to:

53 1. a description of the routes where school bus safety cameras were  
54 used;

55 2. the aggregate number, type and severity of accidents caused by  
56 passing a school bus in violation of section eleven hundred seventy-four

1 of this article provided, however, the school district maintains such  
2 information;

3 3. the number of violations recorded for each school bus safety camera  
4 and in the aggregate on a monthly basis;

5 4. the total number of notices of liability issued for violations of  
6 this section;

7 5. the number of fines and total amount of fines paid after the first  
8 notice of liability;

9 6. the number of violations adjudicated and results of such adjudi-  
10 cations including breakdowns of disposition made for violations recorded  
11 by such systems;

12 7. the total amount of revenue realized from adjudications;

13 8. expenses incurred in connection with this program by such school  
14 district or private bus contractor providing transportation services for  
15 the school district;

16 9. the quality of the adjudication process and its results; and

18 motorists of the dangers of passing a school bus.

19 (m) No owner or operator of a motor vehicle, who has been charged with  
20 a violation of subdivision (a) of section eleven hundred seventy-four of  
21 this article in a simplified traffic information, shall be deemed to  
22 have any liability for such violation pursuant to this section.

23 § 5. Section 3621 of the education law is amended by adding a new  
24 subdivision 16 to read as follows:

25 16. "School bus safety camera" shall mean an automated photo monitor-  
26 ing device authorized to be installed and operated on the outside of a  
27 school bus pursuant to section eleven hundred seventy-four-a of the  
28 vehicle and traffic law.

29 § 6. Paragraph c of subdivision 2 of section 3623-a of the education

49 paragraph a of subdivision 4 as amended by section 7 of part J of chap-  
50 ter 62 of the laws of 2003, are amended to read as follows:

51 3. After due consideration of the evidence and arguments offered in a  
52 contested case, the hearing officer shall determine whether the charges  
53 have been established. In the case of an owner charged as such pursuant  
54 to article twenty-nine of this chapter, it shall be a complete defense  
55 to such charge that a vehicle alleged to be in violation was operated  
56 without the permission of such owner or his or her agent and the estab-

1 ishment of lack of permission shall result in an order dismissing such  
2 charge against such owner. Where the charges have not been established,  
3 an order dismissing the charges shall be entered. Where a determination  
4 is made that a charge has been established, either in a contested case  
5 or in an uncontested case where there is an appearance before a hearing  
6 officer, or if an answer admitting the charge otherwise has been  
7 received, an appropriate order shall be entered in the department's

9 a. An order entered upon the failure to answer or appear or after the  
10 receipt of an answer admitting the charge or where a determination is  
11 made that the charge has been established shall be civil in nature, but  
12 shall be treated as a conviction for the purposes of this chapter. The  
13 commissioner or his or her designee may include in such order an imposi-  
14 tion of any penalty authorized by any provision of this chapter for a  
15 conviction of such violation, except that no penalty [~~therefore~~] there-  
16 for shall include imprisonment, nor, if monetary, exceed the amount of  
17 the fine which could have been imposed had the charge been heard by a  
18 court. The driver's license or privileges, or, if the charge involves a  
19 violation of section three hundred eighty-five or section four hundred  
20 one of this chapter by a registrant who was not the operator of the  
21 vehicle, the registration of such vehicle or privilege of operation of  
22 any motor vehicle owned by such registrant may be suspended pending the  
23 payment of any penalty so imposed; however, in the case of an owner  
24 charged as such pursuant to this article, his or her driver's license or  
25 privilege shall not be affected by such order or determination other  
26 than as suspension thereof for failure to appear or pay as set forth in  
27 this article, nor shall a conviction hereunder of such owner as such  
28 result in departmental administrative sanctions affecting his or her  
29 driver's license or privilege. Any suspension issued pursuant to this  
30 paragraph shall be subject to the provisions of paragraph (j-1) of  
31 subdivision two of section five hundred three of this chapter.

32 § 8. Subdivision 2 of section 87 of the public officers law is amended  
33 by adding a new paragraph (p) to read as follows:

37 a resolution providing for the installation and operation of school bus  
38 safety cameras upon school buses operated by or contracted with such  
39 district pursuant to section eleven hundred seventy-four-a of the vehi-  
40 cle and traffic law shall notify its residents through adopted proce-  
41 dures about such installation and operation before any simplified traf-  
42 fic information issued based on evidence obtained by such school bus  
43 safety cameras.

44 § 9. This act shall take effect on the first of November next succeed-  
45 ing the date on which it shall have become a law; except that sections  
46 four and five of this act shall take effect on the first of April next  
47 succeeding the effective date of this act. The provisions of this act  
48 shall expire and be deemed repealed September 1, 2024.
