The People of the State of New York, represented in Senate and Assem-

9 § 2405-g. Home equity protection insurance program. (1) The agency is

9 of the real property's physical condition.

10 (3)(a) The agency shall create a home equity protection insurance fund
11 to be used as a revolving fund for carrying out the provisions of this
12 section with respect to residential real property insured thereunder.

24 to do business in this state; provided, however, that such time deposit
25 account or certificate of deposit shall be payable within such time as
26 the proceeds may be needed to meet expenditures estimated to be incurred
27 by the agency and provided further that such time deposit account or
28 certificate of deposit be secured by a pledge of obligations of the
29 United States of America or obligations of the state, any city of the
30 state, or other municipal corporation, school district or district
31 corporation of the state or obligations of agencies of the federal
32 government; or (b) in obligations of the United States of America or the
33 state which may from time to time be legally purchased by savings banks
34 within the state as an investment of funds belonging to them or in their
35 control, or in obligations of the Federal National Mortgage Association
36 provided such obligations shall be payable or redeemable at the option
37 of the owner within such times as the proceeds may be needed to meet
38 expenditures estimated to be incurred by the agency.

39 § 3. This act shall take effect on the one hundred eightieth day after
40 it shall have become a law.
