AN ACT to amend the executive law, in relation to establishing the  
commission on New York state history and providing for its powers and  
duties

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. The executive law is amended by adding a new article 28 to  
2 read as follows:

### ARTICLE 28

#### COMMISSION ON NEW YORK STATE

#### HISTORY

5  
6 Section 825. Legislative findings and declaration of purpose.

7 826. Definitions.

8 827. Commission on New York state history.

9 828. Powers and duties.

10 829. Statewide cultural asset and heritage resources manage-  
11 ment plan.

12 830. Annual state history conference.

13 830-a. State history fellowship program.

14 § 825. Legislative findings and declaration of purpose. The legisla-  
15 ture determines that the state's historical assets are major educa-  
16 tional, inspirational and economic resources that should be preserved,  
17 enhanced and fully promoted as special features of attraction and impor-  
18 tance to the state and its political subdivisions. The state's histor-  
19 ical assets are world class destinations for visitors from around the  
20 world and should be promoted as such. Having the management, interpre-  
21 tation and promotion of the state's historical assets spread among  
22 several agencies and departments has often been detrimental to the full  
23 utilization of these assets for the people of the state. Therefore, the  
24 legislature finds that establishing a commission on New York state

2 to the best ways to protect, preserve and promote the invaluable histor-  
3 ical assets of the state is in the best interest of the people of the  
4 state.

5 The legislature further finds that the protection, preservation and  
6 promotion of our historical assets is fundamental to the education of  
7 the citizenry and our concern for the quality of life of the residents  
8 of the state. It is hereby declared to be the policy of the state to  
9 conserve, improve, beneficially use and protect its historical assets in  
10 order to enhance the education, health, safety and welfare of the people  
11 of the state, and their overall economic and social well-being. It shall  
12 further be the policy of the state to improve and coordinate the histor-  
13 ical asset plans, functions, powers and programs of the state, in coop-  
14 eration with the federal government, regions, local governments, other  
15 public and private organizations, and the concerned individual, and to  
16 help develop and manage the historical assets to the end that the state  
17 may fulfill its responsibility as trustee of our cultural and heritage  
18 resources for the present and future generations. Furthermore, it shall  
19 be the policy of the state to foster, promote, create and maintain  
20 conditions under which man and nature can thrive in harmony with each
