Such person in charge, or the designated agent of such person, shall be responsible for all subsequent administration necessitated by the report. Any report shall include the name, title and contact information for every staff person of the institution who is believed to have direct knowledge of the allegations in the report. Nothing in this section or title is intended to require more than one report from any such institution, school or agency.

(c) A medical or other public or private institution, school, facility or agency shall not take any retaliatory personnel action, as such term is defined in paragraph (e) of subdivision one of section seven hundred forty of the labor law, against an employee because such employee believes that he or she has reasonable cause to suspect that a child is an abused or maltreated child and that employee therefore makes a report in accordance with this title. No school, school official, child care provider, foster care provider, residential care facility provider, hospital, medical institution provider or mental health facility provider shall impose any conditions, including prior approval or prior notification, upon a member of their staff specifically required to report under this title. (d) Social services workers are required to report or cause a report to be made in accordance with this title when they have reasonable cause to suspect that a child is an abused or maltreated child where a person comes before them in their professional or official capacity and states from personal knowledge facts, conditions or circumstances which, if correct, would render the child an abused or maltreated child.

(e) Unless the person confessing or confiding waives the privilege, a member of the clergy, or other minister of any religion or duly accredited Christian Science practitioner, shall not be required to make a report as required by paragraph (a) of this subdivision if the confession or confidence was made to him or her in his or her professional character as spiritual advisor.

(f) When a member of the clergy has reasonable cause to suspect that a child is an abused or maltreated child based upon any information received other than through a confession or confidence made pursuant to paragraph (e) of this subdivision, then such member of the clergy shall promptly make a report as required by paragraph (a) of this subdivision notwithstanding the fact that he or she may have also received a report of abuse or maltreatment through a confession or confidence made pursuant to paragraph (e) of this subdivision.

(g) The provisions of paragraph (e) of this subdivision shall not be deemed to exempt a member of the clergy from any other requirements of law to prevent the perpetrator from committing additional acts of abuse.

(h) For the purposes of this subdivision the term "member of the clergy" shall have the same definition as the term "clergyman" as set forth in section two of the religious corporations law and shall also include any person responsible for supervising a member of the clergy of a religious institution or responsible for the administration of a religious institution.

(i) For the purposes of this subdivision the term "religious institution" shall mean a religious corporation created to enable its members to meet for divine worship or other religious observances or a congregation, society, or other assemblage of persons who are accustomed to statedly meet for divine worship or other religious observances, without having been incorporated for that purpose, as provided in section two of the religious corporations law.

§ 2. This act shall take effect on the sixtieth day after it shall have become a law.
