AN ACT to amend the public health law, in relation to the description of marihuana, and the growing of and use of marihuana by persons eighteen years of age or older; to amend the vehicle and traffic law, in relation to making technical changes regarding the definition of marihuana; to amend the penal law, in relation to the qualification of certain offenses involving marihuana and to exempt certain persons from prosecution for the use, consumption, display, production or distribution of marihuana; to amend the alcoholic beverage control law, in relation to providing for the licensure of persons authorized to produce, process and sell marihuana; to amend the tax law, in relation to providing for the levying of an excise tax on certain sales of marihuana; to amend the criminal procedure law, the civil practice law and rules, the general business law, the state finance law, the executive law, the penal law and the vehicle and traffic law, in relation to making conforming changes; to repeal sections 221.10, 221.25, 221.30, 221.50 and 221.55 of the penal law relating to the criminal possession and sale of marihuana; to repeal paragraph (f) of subdivision 2 of section 850 of the general business law relating to drug related paraphernalia; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "marihuana regulation and taxation act".

2 § 2. Legislative findings and intent. The legislature finds that decades of arresting marihuana users has failed to prevent marihuana use or prevent minors from accessing marihuana. Existing marihuana laws have created a violent, illegal drug market that consumes millions of dollars in criminal justice resources each year. Existing marihuana laws have

also disproportionately impacted African-American and Latino communities. Regulating, controlling, and taxing marihuana like alcohol will save criminal justice resources, reduce violent crime, reduce racial disparities, and generate revenue.

Additionally, industrial hemp is produced in at least 30 nations and used to create thousands of products including paper, textiles, food oils, automotive parts, and personal care products. Hundreds of millions of dollars of industrial hemp products are sold in the United States each year.

The intent of this act is to regulate, control, and tax marihuana in a manner similar to alcohol, generate millions of dollars in new revenue, prevent access to marihuana by those under the age of eighteen years, reduce the illegal drug market and reduce violent crime, reduce the racially disparate impact of existing marihuana laws, allow industrial hemp to be farmed in New York state, and create new industries and increase employment.

Nothing in this act is intended to limit the authority of any district government agency or office or employers to enact and enforce policies pertaining to marihuana in the workplace, to allow driving under the influence of marihuana, to allow individuals to engage in conduct that endangers others, to allow smoking marihuana in any location where smoking tobacco is prohibited, or to require any individual to engage in any conduct that violates federal law or to exempt anyone from any requirement of federal law or pose any obstacle to the federal enforcement of federal law.

Nothing in this act is intended to limit any privileges or rights of a medical marihuana patient or medical marihuana caregiver under the New York Compassionate Care Act.

§ 3. Section 3302 of the public health law, as added by chapter 878 of the laws of 1972, subdivisions 1, 14, 16, 17 and 27 as amended and subdivisions 4, 5, 6, 7, 8, 11, 12, 13, 15, 18, 19, 20, 21, 22, 23, 24, 25, 26, 28, 29 and 30 as renumbered by chapter 537 of the laws of 1998, subdivisions 9 and 10 as amended and subdivisions 34, 35, 36, 37, 38, 39 and 40 as added by chapter 178 of the laws of 2010, paragraph (a) of subdivision 20, the opening paragraph of subdivision 22 and subdivision 29 as amended by chapter 163 of the laws of 1973, subdivision 31 as amended by section 4 of part A of chapter 58 of the laws of 2004, subdivision 41 as added by section 6 of part A of chapter 447 of the laws of 2012, and subdivisions 42 and 43 as added by section 13 of part D of chapter 60 of the laws of 2014, is amended to read as follows:

2. (a) No person under the age of twenty-one years shall present or offer to any licensee under this chapter, or to the agent or employee of such licensee, any written evidence of age which is false, fraudulent or not actually his or her own, for the purpose of purchasing or attempting to purchase any alcoholic beverage or marihuana products.

(b) No licensee, or agent or employee of such licensee shall accept as written evidence of age by any such person for the purchase of any alcoholic beverage or marihuana products, any documentation other than: (i) a valid driver's license or non-driver identification card issued by the commissioner of motor vehicles, the federal government, any United States territory, commonwealth or possession, the District of Columbia, a state government within the United States or a provincial government of the dominion of Canada, or (ii) a valid passport issued by the United States government or any other country, or (iii) an identification card issued by the armed forces of the United States. Nothing in this section shall prohibit a licensee or agent or employee from performing such a transaction scan on any of the other documents listed in this subdivision if such documents include a bar code or magnetic strip that [that] may be scanned by a device capable of deciphering any electronically readable format.

(c) In instances where the information deciphered by the transaction scan fails to match the information printed on the driver's license or non-driver identification card presented by the card holder, or if the transaction scan indicates that the information is false or fraudulent, the attempted purchase of the alcoholic beverage or marihuana products shall be denied.

3. A person violating the provisions of paragraph (a) of subdivision two of this section shall be guilty of a violation and shall be sentenced in accordance with the following:

   (a) For a first violation, the court shall order payment of a fine of not more than one hundred dollars and/or an appropriate amount of community service not to exceed thirty hours.    (c) For third and subsequent violations, the court shall order payment of a fine of not less than fifty dollars nor more than seven hundred fifty dollars and/or an appropriate amount of community service not to exceed ninety hours. The court also shall order completion of an evaluation by an appropriate agency certified or licensed by the office of alcoholism and substance abuse services to determine whether the person suffers from the disease of alcoholism or alcohol or marihuana abuse, unless the court determines that under the circumstances presented such an evaluation is not necessary, in which case the court shall state on the record the basis for such determination. Payment for such evaluation shall be made by such person. If, based on such evaluation, a need for treatment is indicated, such person may choose to participate in a treatment plan developed by an agency certified or licensed by the office of alcoholism and substance abuse services. If such person elects to participate in recommended treatment, the court shall order that payment of such fine and community service be suspended pending the completion of such treatment.

   (d) Evaluation procedures. For purposes of this subdivision, the following shall apply:

   (ii) The agency designated by the court to perform such evaluation shall conduct the evaluation and return the results to the court within thirty days, subject to any state or federal confidentiality law, rule
or regulation governing the confidentiality of alcohol and substance abuse treatment records.

4. A person violating the provisions of paragraph (b) of subdivision two of this section shall be guilty of a violation punishable by a fine of not more than one hundred dollars, and/or an appropriate amount of community service not to exceed thirty hours. In addition, the court may order completion of an alcohol or substance abuse training awareness program established pursuant to subdivision twelve of section seventeen of this chapter where such program is located within a reasonably close proximity to the locality in which the offender is employed or resides.

5. No determination of guilt pursuant to this section shall operate as a disqualification of any such person subsequently to hold public office, public employment, or as a forfeiture of any right or privilege or to receive any license granted by public authority; and no such person shall be denominated a criminal by reason of such determination.

6. In addition to the penalties otherwise provided in subdivision three of this section, if a determination is made sustaining a charge of illegally purchasing or attempting to illegally purchase an alcoholic beverage or marihuana products, the court may suspend such person's license to drive a motor vehicle and the privilege of an unlicensed person of obtaining such license, in accordance with the following and for the following periods, if it is found that a driver's license was used for the purpose of such illegal purchase or attempt to illegally purchase; provided, however, that where a person is sentenced pursuant to paragraph (b) or (c) of subdivision three of this section, the court shall impose such license suspension if it is found that a driver's license was used for the purpose of such illegal purchase or attempt to illegally purchase:

(b) For a second violation of paragraph (a) of subdivision two of this section, a six month suspension.

Such person may thereafter apply for and be issued a restricted use license in accordance with the provisions of section five hundred thirty of the vehicle and traffic law.

7. (a) In any proceeding pursuant to subdivision one of section sixty-five of this article, it shall be an affirmative defense that such person had produced a driver's license or non-driver identification card apparently issued by a governmental entity, successfully completed the transaction scan, and that the alcoholic beverage or marihuana products had been sold, delivered or given to such person in reasonable reliance
A. 3506

In evaluating the applicability of such affirmative defense, the liquor authority shall take into consideration any written policy adopted and implemented by the seller to carry out the provisions of this chapter. Use of a transaction scan shall not excuse any licensee under this chapter, or agent or employee of such licensee, from the exercise of reasonable diligence otherwise required by this section. Notwithstanding the above provisions, any such affirmative defense shall not be applicable in any other civil or criminal proceeding, or in any other forum.

(b) A licensee or agent or employee of a licensee may electronically or mechanically record and maintain only the information from a transaction scan necessary to effectuate the purposes of this section. Such information shall be limited to the following: (i) name, (ii) date of birth, (iii) driver's license or non-driver identification number, and (iv) expiration date. The liquor authority and the commissioner of health shall jointly promulgate any regulations necessary to ensure quality control in the use of transaction scan devices.

8. A licensee or agent or employee of such licensee shall only use the information recorded and maintained through the use of such devices for the purposes contained in paragraph (a) of subdivision seven of this section, and shall only use such devices for the purposes contained in subdivision two of this section. No licensee or agent or employee of a licensee shall resell or disseminate the information recorded during such scan to any third person. Such prohibited resale or dissemination includes, but is not limited to, any advertising, marketing or promotional activities. Notwithstanding the restrictions imposed by this subdivision, such records may be released pursuant to a court ordered subpoena or pursuant to any other statute that specifically authorizes the release of such information. Each violation of this subdivision shall be punishable by a civil penalty of not more than one thousand dollars.
