The People of the State of New York, represented in Senate and Assembly, do enact as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
Section 1. This act shall be known and may be cited as the "marihuana regulation and taxation act".

§ 2. Legislative findings and intent. The legislature finds that existing marihuana laws have not been beneficial to the welfare of the general public. Existing laws have been ineffective in reducing or curbing marihuana use and have instead resulted in devastating collateral consequences that inhibit an otherwise law-abiding citizen's ability to access housing, employment opportunities, and other vital services. Existing laws have also created an illicit market which represents a threat to public health and reduces the ability of the legislature to deter the accessing of marihuana by minors. Existing marihuana laws have also disproportionately impacted African-American and Latino communities.

The intent of this act is to regulate, control, and tax marihuana in a manner similar to alcohol, generate millions of dollars in new revenue, prevent access to marihuana by those under the age of twenty-one years, reduce the illegal drug market and reduce violent crime, reduce participation of otherwise law-abiding citizens in the illicit market, end the racially disparate impact of existing marihuana laws and create new industries and increase employment.

Nothing in this act is intended to limit the authority of any district government agency or office or employers to enact and enforce policies pertaining to marihuana in the workplace, to allow driving under the influence of marihuana, to allow individuals to engage in conduct that endangers others, to allow smoking marihuana in any location where smoking tobacco is prohibited, or to require any individual to engage in any conduct that violates federal law or to exempt anyone from any requirement of federal law or pose any obstacle to the federal enforcement of federal law.

Nothing in this act is intended to limit any privileges or rights of a medical marihuana patient or medical marihuana caregiver under the New York Compassionate Care Act.

§ 3. Section 3302 of the public health law, as added by chapter 878 of the laws of 1972, subdivisions 1, 14, 16, 17 and 27 as amended and subdivisions 4, 5, 6, 7, 8, 11, 12, 13, 15, 18, 19, 20, 21, 22, 23, 24, 25, 26, 28, 29 and 30 as renumbered by chapter 537 of the laws of 1998, subdivisions 9 and 10 as amended and subdivisions 34, 35, 36, 37, 38, 39 and 40 as added by chapter 178 of the laws of 2010, paragraph (a) of subdivision 20, the opening paragraph of subdivision 22 and subdivision 29 as amended by chapter 163 of the laws of 1973, subdivision 31 as amended by section 4 of part A of chapter 58 of the laws of 2004, subdivision 41 as added by section 6 of part A of chapter 447 of the laws of 2012, and subdivisions 42 and 43 as added by section 13 of part D of chapter 60 of the laws of 2014, is amended to read as follows:

2. (a) No person under the age of twenty-one years shall present or offer to any licensee under this chapter, or to the agent or employee of such licensee, any written evidence of age which is false, fraudulent or not actually his or her own, for the purpose of purchasing or attempting to purchase any alcoholic beverage or marihuana products.
(b) No licensee, or agent or employee of such licensee shall accept as written evidence of age by any such person for the purchase of any alcoholic beverage or marihuana products, any documentation other than: (i) a valid driver's license or non-driver identification card issued by the commissioner of motor vehicles, the federal government, any United States territory, commonwealth or possession, the District of Columbia, a state government within the United States or a provincial government of the dominion of Canada, or (ii) a valid passport issued by the United States government or any other country, or (iii) an identification card issued by the armed forces of the United States. Nothing in this section shall prohibit a licensee or agent or employee from performing such a transaction scan on any of the other documents listed in this subdivision if such documents include a bar code or magnetic strip that may be scanned by a device capable of deciphering any electronically readable format.
(c) In instances where the information deciphered by the transaction scan fails to match the information printed on the driver's license or non-driver identification card presented by the card holder, or if the
transaction scan indicates that the information is false or fraudulent, the attempted purchase of the alcoholic beverage or marihuana products shall be denied.

3. A person violating the provisions of paragraph (a) of subdivision two of this section shall be guilty of a violation and shall be sentenced in accordance with the following:

(a) For a first violation, the court shall order payment of a fine of not more than one hundred dollars and/or an appropriate amount of community service not to exceed thirty hours. In addition, the court may order completion of an alcohol awareness program established pursuant to section 19.25 of the mental hygiene law or a marihuana awareness program.

(b) For a second violation, the court shall order payment of a fine of not less than fifty dollars nor more than three hundred fifty dollars and/or an appropriate amount of community service not to exceed sixty hours. The court also shall order completion of an alcohol or marihuana awareness program as referenced in paragraph (a) of this subdivision if such program has not previously been completed by the offender, unless the court determines that attendance at such program is not feasible due to the lack of availability of such program within a reasonably close proximity to the locality in which the offender resides or matriculates, as appropriate.

(c) For third and subsequent violations, the court shall order payment of a fine of not less than fifty dollars nor more than seven hundred fifty dollars and/or an appropriate amount of community service not to exceed ninety hours. The court also shall order that such person submit to an evaluation by an appropriate agency certified or licensed by the office of alcoholism and substance abuse services to determine whether the person suffers from the disease of alcoholism or alcohol or marihuana abuse, unless the court determines that under the circumstances presented such an evaluation is not necessary, in which case the court shall state on the record the basis for such determination. Payment for such evaluation shall be made by such person. If, based on such evaluation, a need for treatment is indicated, such person may choose to participate in a treatment plan developed by an agency certified or licensed by the office of alcoholism and substance abuse services. If such person elects to participate in recommended treatment, the court shall order that payment of such fine and community service be suspended pending the completion of such treatment.

(d) Evaluation procedures. For purposes of this subdivision, the following shall apply:

(i) The contents of an evaluation pursuant to paragraph (c) of this subdivision shall be used for the sole purpose of determining if such person suffers from the disease of alcoholism or alcohol or marihuana abuse disorder.

(ii) The agency designated by the court to perform such evaluation shall conduct the evaluation and return the results to the court within thirty days, subject to any state or federal confidentiality law, rule or regulation governing the confidentiality of alcohol and substance abuse treatment records.

(iii) The office of alcoholism and substance abuse services shall make available to each supreme court law library in this state, or, if no supreme court law library is available in a certain county, to the county court law library of such county, a list of agencies certified to perform evaluations as required by subdivision (f) of section 19.07 of the mental hygiene law.
(iv) All evaluations required under this subdivision shall be in writing and the person so evaluated or his or her counsel shall receive a copy of such evaluation prior to its use by the court.

(v) A minor evaluated under this subdivision shall have, and shall be informed by the court of, the right to obtain a second opinion regarding his or her need for alcoholism or substance use disorder treatment.

4. A person violating the provisions of paragraph (b) of subdivision two of this section shall be guilty of a violation punishable by a fine of not more than one hundred dollars, and/or an appropriate amount of community service not to exceed thirty hours. In addition, the court may order completion of an alcohol or substance abuse training awareness program established pursuant to subdivision twelve of section seventeen of this chapter where such program is located within a reasonably close proximity to the locality in which the offender is employed or resides.

5. No determination of guilt pursuant to this section shall operate as a disqualification of any such person subsequently to hold public office, public employment, or as a forfeiture of any right or privilege or to receive any license granted by public authority; and no such person shall be denominated a criminal by reason of such determination.

6. In addition to the penalties otherwise provided in subdivision three of this section, if a determination is made sustaining a charge of illegally purchasing or attempting to illegally purchase an alcoholic beverage or marihuana products, the court may suspend such person's license to drive a motor vehicle and the privilege of an unlicensed person of obtaining such license, in accordance with the following and for the following periods, if it is found that a driver's license was used for the purpose of such illegal purchase or attempt to illegally purchase; provided, however, that where a person is sentenced pursuant to paragraph (b) or (c) of subdivision three of this section, the court shall impose such license suspension if it is found that a driver's license was used for the purpose of such illegal purchase or attempt to illegally purchase:

(a) For a first violation of paragraph (a) of subdivision two of this section, a three month suspension.

(b) For a second violation of paragraph (a) of subdivision two of this section, a six month suspension.

(c) For a third or subsequent violation of paragraph (a) of subdivision two of this section, a suspension for one year or until the holder reaches the age of twenty-one, whichever is the greater period of time. Such person may thereafter apply for and be issued a restricted use license in accordance with the provisions of section five hundred thirty of the vehicle and traffic law.

7. (a) In any proceeding pursuant to subdivision one of section sixty-five of this article, it shall be an affirmative defense that such person had produced a driver's license or non-driver identification card apparently issued by a governmental entity, successfully completed the transaction scan, and that the alcoholic beverage or marihuana products had been sold, delivered or given to such person in reasonable reliance upon such identification and transaction scan. In evaluating the applicability of such affirmative defense, the liquor authority shall take into consideration any written policy adopted and implemented by the seller to carry out the provisions of this chapter. Use of a transaction scan shall not excuse any licensee under this chapter, or agent or employee of such licensee, from the exercise of reasonable diligence otherwise required by this section. Notwithstanding the above
provisions, any such affirmative defense shall not be applicable in any
other civil or criminal proceeding, or in any other forum.

(b) A licensee or agent or employee of a licensee may electronically
or mechanically record and maintain only the information from a trans-
action scan necessary to effectuate the purposes of this section. Such
information shall be limited to the following: (i) name, (ii) date of
birth, (iii) driver's license or non-driver identification number, and
(iv) expiration date. The liquor authority and the state commissioner of
motor vehicles shall jointly promulgate any regulation necessary to
govern the recording and maintenance of these records by a licensee
under this chapter. The liquor authority and the commissioner of health
shall jointly promulgate any regulations necessary to ensure quality
control in the use of transaction scan devices.

8. A licensee or agent or employee of such licensee shall only use the
information recorded and maintained through the use of such devices for
the purposes contained in paragraph (a) of subdivision seven of this
section, and shall only use such devices for the purposes contained in
subdivision two of this section. No licensee or agent or employee of a
licensee shall resell or disseminate the information recorded during
such scan to any third person. Such prohibited resale or dissemination
includes, but is not limited to, any advertising, marketing or promo-
tional activities. Notwithstanding the restrictions imposed by this
subdivision, such records may be released pursuant to a court ordered
subpoena or pursuant to any other statute that specifically authorizes
the release of such information. Each violation of this subdivision
shall be punishable by a civil penalty of not more than one thousand
dollars.

§ 24. Section 65-c of the alcoholic beverage control law, as added by
chapter 592 of the laws of 1989, paragraph (a) of subdivision 2 as

nothing contained herein shall authorize, or be construed to authorize,
a peace officer as defined in subdivision thirty-three of section 1.20
of the criminal procedure law or a police officer as defined in subdivi-
sion thirty-four of section 1.20 of such law to arrest a person who
unlawfully possesses an alcoholic beverage or marihuana product with intent to consume. If a determination is made sustaining such charge the court may impose a fine not exceeding fifty dollars and/or completion of an alcohol or drug awareness program established pursuant to section 19.25 of the mental hygiene law and/or an appropriate amount of community service not to exceed thirty hours.

4. No such determination shall operate as a disqualification of any such person subsequently to hold public office, public employment, or as a forfeiture of any right or privilege or to receive any license granted by public authority; and no such person shall be denominated a criminal by reason of such determination, nor shall such determination be deemed a conviction.

5. Whenever a peace officer as defined in subdivision thirty-three of section 1.20 of the criminal procedure law or police officer as defined in subdivision thirty-four of section 1.20 of the criminal procedure law shall observe a person under twenty-one years of age openly in possession of an alcoholic beverage or marihuana product as defined in this chapter, with the intent to consume such beverage or product in violation of this section, said officer may seize the beverage or product, and shall deliver it to the custody of his or her department.

The official to whom the beverage or product has been delivered shall, no earlier than three days following the return date for initial appearance on the summons, dispose of or destroy the alcoholic beverage or marihuana product seized or cause it to be disposed of or destroyed. Any person claiming ownership of an alcoholic beverage or marihuana product seized under this section may, on the initial return date of the summons or earlier on five days notice to the official or department in possession of the beverage or product, apply to the court for an order preventing the destruction or disposal of the alcoholic beverage or marihuana product seized and ordering the return of that beverage or product. The court may order the beverage or product returned if it is determined that return of the beverage or product would be in the interest of justice or that the beverage or product was improperly seized.

§ 25. The alcoholic beverage control law is amended by adding a new section 65-e to read as follows:

§ 167. Administration of the bureau of marihuana policy. 1. The
bureau established in section one hundred sixty-six of this article
shall heretofore have the power, duty, purpose, responsibility, and
jurisdiction to regulate commercial marihuana activity as provided in
the Marihuana Regulation and Taxation Act.
  2. The bureau shall have the exclusive authority to create, issue,

   (i) The bureau shall begin accepting applications no more than fifteen
months following the effective date of this act.
   (ii) Pursuant to section one hundred eighty-four of this article, the
bureau shall notify municipalities of any applications for license.

article or the department is notified by the relevant municipality that
the applicant is not in compliance with such regulations.
   (c) The bureau shall have the authority to collect fees in connection
with activities they regulate concerning marihuana pursuant to section

the entity within the municipality that is responsible for processing
applications submitted for a license to operate a marihuana establish-
ment within the boundaries of the municipality and for the issuance of
such licenses should the issuance by the municipality become necessary
because of a failure by the bureau to adopt regulations pursuant to
section one hundred seventy-three of this article or because of a fail-
ure by the bureau to process and issue licenses as required by the
subdivision two of this section.
   (b) A municipality may enact ordinances or regulations, not in
conflict with this section or with regulations or legislation enacted
pursuant to this section, governing the time, place, manner and number
of marihuana establishment operations; establishing procedures for the
issuance, suspension, and revocation of a license issued by the munici-
pality in accordance with paragraphs (c) and (d) of this subdivision,
such procedures to be subject to all requirements of state administra-

this article but has not issued any licenses within eighteen months of
the effective date of this article, for any locality enacting an ordi-

applicant is not in compliance with the ordinances and regulations made
pursuant to paragraph (b) of this subdivision in effect at the time the
application is resubmitted and the municipality shall notify the bureau
if an annual license has been issued to the applicant. If an application
is submitted to a municipality under this paragraph, the bureau shall
forward to the municipality the application fee paid by the applicant to
the bureau upon request by the municipality. A license issued by a muni-

to regulation or enforcement by the bureau during the term of that
license. A subsequent or renewed license may be issued under this para-
graph on an annual basis only upon resubmission to the municipality of a
new application submitted to the bureau pursuant to subdivision two of
this section. Nothing in this paragraph shall limit such relief as may
be available to an aggrieved party under section four hundred one of the
state administrative procedure act or any successor provision.

(d) If the bureau does not adopt regulations required by section one
hundred seventy-three of this article, an applicant may submit an appli-
cation directly to a municipality fifteen months following the effective
date of this article and the municipality may issue an annual license to
the applicant. A municipality issuing a license to an applicant shall do
so within ninety days of receipt of the application unless it finds and
notifies the applicant that the applicant is not in compliance with
ordinances and regulations made pursuant to paragraph (b) of this subdi-
vision in effect at the time of application and shall notify the bureau
if an annual license has been issued to the applicant. A license issued
by a municipality in accordance with this paragraph shall have the same
force and effect as a license issued by the bureau in accordance with
subdivision two of this section and the licensee shall not be subject to
regulation or enforcement by the bureau during the term of that license.
A subsequent or renewed license may be issued under this paragraph on an
annual basis if the bureau has not adopted regulations required by
section one hundred seventy-three of this article at least ninety days
prior to the date upon which such subsequent or renewed license would be
effective or if the department has adopted regulations pursuant to

(b) the employee's positive drug test for marihuana components or metabolites.

2. For the purposes of this section, an employer may consider an employee's ability to perform the employee's job responsibilities to be impaired when the employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

For purposes of this subdivision, exceptional circumstances exist when, regardless of the ultimate disposition of the case, the entry of a plea of guilty is likely to result in severe collateral consequences, including, but not limited to, those that could leave a noncitizen inadmissible or removable from the United States.

2. Upon ordering the action adjourned in contemplation of dismissal, the court must set and specify such conditions for the adjournment as may be appropriate, and such conditions may include placing the defendant under the supervision of any public or private agency. At any time prior to dismissal the court may modify the conditions or extend or reduce the term of the adjournment, except that the total period of adjournment shall not exceed [twelve] six months. Upon violation of any condition fixed by the court, the court may revoke its order and restore the case to the calendar and the prosecution thereupon must proceed. If the case is not so restored to the calendar during the period fixed by the court, the accusatory instrument is, at the expiration of such period, deemed to have been dismissed in the furtherance of justice.

§ 37. Section 210.46 of the criminal procedure law, as amended by chapter 360 of the laws of 1977, is amended to read as follows:

§ 210.46 Adjournment in contemplation of dismissal in marihuana cases in a superior court.

§ 38. Paragraphs (h) and (i) of subdivision 1 of section 440.10 of the criminal procedure law, paragraph (h) as amended by chapter 332 of the laws of 2010 and paragraph (i) as amended by chapter 368 of the laws of 2015, are amended and a new paragraph (j) is added to read as follows:

(h) The judgment was obtained in violation of a right of the defendant under the constitution of this state or of the United States; [or]

(i) The judgment is a conviction where the arresting charge was under section 240.37 (loitering for the purpose of engaging in a prostitution offense, provided that the defendant was not alleged to be loitering for the purpose of patronizing a person for prostitution or promoting pros-
titution) or 230.00 (prostitution) or 230.03 (prostitution in a school zone) of the penal law, and the defendant's participation in the offense was a result of having been a victim of sex trafficking under section 230.34 of the penal law, labor trafficking under section 135.35 of the penal law, aggravated labor trafficking under section 135.37 of the penal law, compelling prostitution under section 230.33 of the penal law, or trafficking in persons under the Trafficking Victims Protection Act (United States Code, title 22, chapter 78); provided that

(i) a motion under this paragraph shall be made with due diligence, after the defendant has ceased to be a victim of such trafficking or compelling prostitution crime or has sought services for victims of such trafficking or compelling prostitution crime, subject to reasonable concerns for the safety of the defendant, family members of the defendant, or other victims of such trafficking or compelling prostitution crime that may be jeopardized by the bringing of such motion, or for other reasons consistent with the purpose of this paragraph; and

(ii) official documentation of the defendant's status as a victim of trafficking, compelling prostitution or trafficking in persons at the time of the offense from a federal, state or local government agency shall create a presumption that the defendant's participation in the offense was a result of having been a victim of sex trafficking, compelling prostitution or trafficking in persons, but shall not be required for granting a motion under this paragraph; or

(j) The judgment occurred prior to the effective date of this paragraph and is a conviction for:

(i) an offense as defined by section 221.05 or 221.10 of the penal law (criminal possession of marihuana in the fifth degree), as in effect prior to the effective date of this paragraph, provided that the accusatory instrument that underlies the judgment does not include an allegation that the defendant possessed more than twenty-five grams of marihuana; or

(ii) an offense as defined by former section 221.35 of the penal law (criminal sale of marihuana in the fifth degree).

§ 39. Subdivision 6 of section 440.10 of the criminal procedure law, as added by chapter 332 of the laws of 2010, is amended to read as follows:

6. If the court grants a motion under paragraph (i) or paragraph (j) of subdivision one of this section, it must vacate the judgment and dismiss the accusatory instrument, and may take such additional action as is appropriate in the circumstances.

§ 40. The criminal procedure law is amended by adding a new section 440.46-a to read as follows:

§ 440.46-a Motion for resentencing; persons convicted of certain marihuana offenses.

1. A person currently serving a sentence for a conviction, whether by trial or by open or negotiated plea, who would not have been guilty of an offense or who would have been guilty of a lesser offense on and after the effective date of this section had this section been in effect at the time of his or her conviction may petition for a recall or dismissal of sentence before the trial court that entered the judgment of conviction in his or her case to request resentencing or dismissal in accordance with article twelve hundred twenty-one of the penal law.

2. Upon receiving a motion under subdivision one of this section the court shall presume the movant satisfies the criteria in subdivision one of this section unless the party opposing the motion proves by clear and convincing evidence that the movant does not satisfy the criteria. If
the movant satisfies the criteria in subdivision one of this section, the court shall grant the motion to vacate the sentence or to resentence because it is legally invalid. In exercising its discretion, the court may consider, but shall not be limited to, the following:

(a) The movant's criminal conviction history, including the type of crimes committed, the extent of injury to victims, the length of prior prison commitments, and the remoteness of the crimes.
(b) The movant's disciplinary record and record of rehabilitation while incarcerated.

3. A person who is serving a sentence and resentenced pursuant to subdivision two of this section shall be given credit for any time already served and shall be subject to supervision for one year following completion of his or her time in custody or shall be subject to whatever supervision time he or she would have otherwise been subject to after release, whichever is shorter, unless the court, in its discretion, as part of its resentencing order, releases the person from supervision. Such person is subject to parole supervision under section 60.04 of the penal law or post-release supervision under section 70.45 of the penal law by the designated agency and the jurisdiction of the court in the county in which the offender is released or resides, or in which an alleged violation of supervision has occurred, for the purpose of hearing petitions to revoke supervision and impose a term of custody.

4. Under no circumstances may resentencing under this section result in the imposition of a term longer than the original sentence, or the reinstatement of charges dismissed pursuant to a negotiated plea agreement.

5. A person who has completed his or her sentence for a conviction under the former article two hundred twenty-one of the penal law, whether by trial or open or negotiated plea, who would not have been guilty of an offense or who would have been guilty of a lesser offense on and after the effective date of this section had this section been in effect at the time of his or her conviction, may file an application before the trial court that entered the judgment of conviction in his or her case to have the conviction, in accordance with article two hundred twenty-one of the penal law:

(a) Dismissed because the prior conviction is now legally invalid and sealed in accordance with section 160.50 of this chapter;
(b) Redesignated (or "reclassified") as a violation and sealed in accordance with section 160.50 of this chapter; or
(c) Redesignated (reclassified) as a misdemeanor.

6. The court shall presume the petitioner satisfies the criteria in subdivision five unless the party opposing the application proves by clear and convincing evidence that the petitioner does not satisfy the criteria in subdivision five. Once the applicant satisfies the criteria in subdivision five, the court shall redesignate (or "reclassify") the conviction as a misdemeanor, redesignate (reclassify) the conviction as a violation and seal the conviction, or dismiss and seal the conviction as legally invalid under this section had this section been in effect at the time of his or her conviction.

7. Unless requested by the applicant, no hearing is necessary to grant or deny an application filed under subdivision five of this section.

8. Any felony conviction that is vacated and resentenced under subdivision two or designated as a misdemeanor or violation under subdivision six of this section shall be considered a misdemeanor or violation for all purposes. Any misdemeanor conviction that is vacated and resentenced under subdivision two of this section or designated as a violation under
subdivision six of this section shall be considered a violation for all purposes.

9. If the court that originally sentenced the movant is not available, the presiding judge shall designate another judge to rule on the petition or application.

10. Nothing in this section is intended to diminish or abrogate any rights or remedies otherwise available to the petitioner or applicant.

11. Nothing in this and related sections is intended to diminish or abrogate the finality of judgments in any case not falling within the purview of this section.

12. The provisions of this section shall apply equally to juvenile delinquency adjudications and dispositions under section five hundred one-e of the executive law if the juvenile would not have been guilty of an offense or would have been guilty of a lesser offense under this section had this section been in effect at the time of his or her conviction.

13. The office of court administration shall promulgate and make available all necessary forms to enable the filing of the petitions and applications provided in this section no later than sixty days following the effective date of this section.
