conforming changes; to repeal sections 221.05, 221.10, 221.15, 221.20, 221.25, 221.30, 221.35 and 221.40 of the penal law relating to the criminal possession and sale of marihuana; to repeal paragraph (f) of subdivision 2 of section 850 of the general business law relating to drug related paraphernalia; to repeal section 150.75 of the criminal procedure law relating to appearance tickets for certain marihuana offenses; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "marihuana  
2 regulation and taxation act".

3 § 2. Legislative findings and intent. The legislature finds that  
4 existing marihuana laws have not been beneficial to the welfare of the  
5 general public. Existing laws have been ineffective in reducing or curb-  
6 ing marihuana use and have instead resulted in devastating collateral  
7 consequences that inhibit an otherwise law-abiding citizen's ability to  
8 access housing, employment opportunities, and other vital services.  
9 Existing laws have also created an illicit market which represents a  
10 threat to public health and reduces the ability of the legislature to  
11 deter the accessing of marihuana by minors. Existing marihuana laws have  
12 also disproportionately impacted African-American and Latino communi-  
13 ties.

14 The intent of this act is to regulate, control, and tax marihuana in a  
15 manner similar to alcohol, generate millions of dollars in new revenue,  
16 prevent access to marihuana by those under the age of twenty-one years,  
17 reduce the illegal drug market and reduce violent crime, reduce partic-  
18 ipation of otherwise law-abiding citizens in the illicit market, end the  
19 racially disparate impact of existing marihuana laws and create new  
20 industries and increase employment.

21 Nothing in this act is intended to limit the authority of any district  
22 government agency or office or employers to enact and enforce policies  
23 pertaining to marihuana in the workplace, to allow driving under the  
24 influence of marihuana, to allow individuals to engage in conduct that  
25 endangers others, to allow smoking marihuana in any location where smok-  
26 ing tobacco is prohibited, or to require any individual to engage in any  
27 conduct that violates federal law or to exempt anyone from any require-  
28 ment of federal law or pose any obstacle to the federal enforcement of  
29 federal law.

30 Nothing in this act is intended to limit any privileges or rights of a  
31 medical marihuana patient or medical marihuana caregiver under the New  
32 York Compassionate Care Act.

33 It is the intent of this act that no child shall be the subject of a  
34 child neglect or abuse investigation or proceeding based solely on a  
35 parent's alleged use of marihuana. A newborn child's positive toxicology  
36 result for marihuana, is not sufficient on its own to support a finding  
37 of child neglect or abuse. Enactment of this act shall provide suffi-  
38 cient basis for New York state to favorably resolve open investigations  
39 and to amend and seal individuals' family court records and records of  
40 indicated child abuse or neglect reports currently in the statewide  
41 central register of child abuse and maltreatment based solely on the use  
42 of marihuana or where the reporter of suspected abuse or neglect was a  
43 law enforcement agency or staff person and the report was based solely  
44 upon the presence of a child during a marihuana-related arrest.

21 ness program established pursuant to subdivision twelve of section  
22 seventeen of this chapter where such program is located within a reason-  
23 ably close proximity to the locality in which the offender is employed  
24 or resides.

25 5. No determination of guilt pursuant to this section shall operate as  
26 a disqualification of any such person subsequently to hold public  
27 office, public employment, or as a forfeiture of any right or privilege  
28 or to receive any license granted by public authority; and no such  
29 person shall be denominated a criminal by reason of such determination.

30 6. In addition to the penalties otherwise provided in subdivision  
31 three of this section, if a determination is made sustaining a charge of  
32 illegally purchasing or attempting to illegally purchase an alcoholic

56 apparently issued by a governmental entity, successfully completed the

transaction scan, and that the alcoholic beverage or marihuana products had been sold, delivered or given to such person in reasonable reliance upon such identification and transaction scan. In evaluating the applicability of such affirmative defense, the liquor authority shall take into consideration any written policy adopted and implemented by the seller to carry out the provisions of this chapter. Use of a transaction scan shall not excuse any licensee under this chapter, or agent or employee of such licensee, from the exercise of reasonable diligence otherwise required by this section. Notwithstanding the above provisions, any such affirmative defense shall not be applicable in any other civil or criminal proceeding, or in any other forum.

Such prohibited resale or dissemination includes, but is not limited to, any advertising, marketing or promotional activities. Notwithstanding the restrictions imposed by this subdivision, such records may be released pursuant to a court ordered subpoena or pursuant to any other statute that specifically authorizes the release of such information. Each violation of this subdivision shall be punishable by a civil penalty of not more than one thousand dollars.

9 sion thirty-four of section 1.20 of such law to arrest a person who  
10 unlawfully possesses an alcoholic beverage or marihuana product with  
11 intent to consume. If a determination is made sustaining such charge the  
12 court may impose a fine not exceeding fifty dollars and/or completion of  
13 an alcohol or drug awareness program established pursuant to section  
14 19.25 of the mental hygiene law and/or an appropriate amount of communi-  
15 ty service not to exceed thirty hours.

16 4. No such determination shall operate as a disqualification of any  
17 such person subsequently to hold public office, public employment, or as  
18 a forfeiture of any right or privilege or to receive any license granted  
19 by public authority; and no such person shall be denominated a criminal  
20 by reason of such determination, nor shall such determination be deemed  
21 a conviction.

29 uct, and shall deliver it to the custody of his or her department.

30 6. Any alcoholic beverage or marihuana product seized in violation of  
31 this section is hereby declared a nuisance. The official to whom the  
32 beverage or product has been delivered shall, no earlier than three days  
33 following the return date for initial appearance on the summons, dispose  
34 of or destroy the alcoholic beverage or marihuana product seized or  
35 cause it to be disposed of or destroyed. Any person claiming ownership  
36 of an alcoholic beverage or marihuana product seized under this section  
37 may, on the initial return date of the summons or earlier on five days  
38 notice to the official or department in possession of the beverage or  
39 product, apply to the court for an order preventing the destruction or  
40 disposal of the alcoholic beverage or marihuana product seized and  
41 ordering the return of that beverage or product. The court may order  
42 the beverage or product returned if it is determined that return of the  
43 beverage or product would be in the interest of justice or that the  
44 beverage or product was improperly seized.

11 (b) "Smoke" does not include the use of an electronic smoking device  
12 that creates an aerosol or vapor, unless local or state statutes extend  
13 prohibitions on smoking to electronic smoking devices.

14 3. Violations of the restrictions under this section are subject to a  
15 fine not exceeding twenty-five dollars or an appropriate amount of  
16 community service not to exceed twenty hours.

46 (d) The bureau shall have the authority to collect fees in connection  
47 with activities they regulate concerning marihuana pursuant to section  
48 one hundred ninety-one of this article.

49 3. (a) Not later than ten months following the enactment of this arti-  
50 cle, each town, city or village may enact an ordinance or regulation  
51 specifying the entity within the town, city or village that is responsi-  
52 ble for processing applications submitted for a license to operate a  
53 marihuana establishment within the boundaries of the town, city or  
54 village and for the issuance of such licenses should the issuance by the  
55 town, city or village become necessary because of a failure by the  
56 bureau to adopt regulations pursuant to section one hundred seventy-four

1 of this article or because of a failure by the bureau to process and  
2 issue licenses as required by subdivision two of this section.

3 (b) A town, city or village may enact ordinances or regulations, not  
4 in conflict with this section or with regulations or legislation enacted  
5 pursuant to this section, governing the time, place, manner and number  
6 of marihuana establishment operations; establishing procedures for the  
7 issuance, suspension, and revocation of a license issued by the munici-

9 such procedures to be subject to all requirements of the state adminis-  
10 trative procedure act or any successor provision, establishing a sched-

13 application is submitted to a town, city or village in accordance with  
14 paragraph (d) of this subdivision and a licensing fee shall only be due  
15 if a license is issued by a municipality in accordance with paragraph  
16 (c) or (d) of this subdivision; and establishing civil penalties for  
17 violation of an ordinance or regulation governing the time, place, and

19 city or village. A town, city or village may prohibit the operation of  
20 marihuana production facilities, marihuana processing facilities, mari-

22 facilities through the enactment of an ordinance.

23 (c) If the bureau does not issue a license to an applicant within  
24 ninety days of receipt of the application filed in accordance with  
25 subdivision two and does not notify the applicant of the specific reason  
26 for its denial, in writing and within such time period, or if the bureau  
27 has adopted regulations pursuant to section one hundred seventy-four of  
28 this article but has not issued any licenses within eighteen months of  
29 the effective date of this article, for any town, city or village enact-  
30 ing an ordinance providing for local processing of applications, the  
31 applicant may resubmit its application directly to the town, city or  
32 village pursuant to paragraph (a) of this subdivision, and the town,  
33 city or village may issue an annual license to the applicant. A town,  
34 city or village issuing a license to an applicant shall do so within  
35 ninety days of receipt of the resubmitted application unless the town,  
36 city or village finds and notifies the applicant that the applicant is  
37 not in compliance with the ordinances and regulations made pursuant to  
38 paragraph (b) of this subdivision in effect at the time the application  
39 is resubmitted and the town, city or village shall notify the bureau if  
40 an annual license has been issued to the applicant. If an application is  
41 submitted to a town, city or village under this paragraph, the bureau  
42 shall forward to the town, city or village the application fee paid by  
43 the applicant to the bureau upon request by the town, city or village. A  
44 license issued by a town, city or village in accordance with this para-  
45 graph shall have the same force and effect as a license issued by the  
46 bureau in accordance with subdivision two of this section and the holder  
47 of such license shall not be subject to regulation or enforcement by the  
48 bureau during the term of that license. A subsequent or renewed license  
49 may be issued under this paragraph on an annual basis only upon resub-  
50 mission to the town, city or village of a new application submitted to  
51 the bureau pursuant to subdivision two of this section. Nothing in this  
52 paragraph shall limit such relief as may be available to an aggrieved  
53 party under section four hundred one of the state administrative proce-  
54 dure act or any successor provision.

56 hundred seventy-four of this article, an applicant may submit an appli-

1 cation directly to a town, city or village fifteen months following the  
2 effective date of this article and the town, city or village may issue  
3 an annual license to the applicant. A town, city or village issuing a  
4 license to an applicant shall do so within ninety days of receipt of the  
5 application unless it finds and notifies the applicant that the appli-  
6 cant is not in compliance with ordinances and regulations made pursuant  
7 to paragraph (b) of this subdivision in effect at the time of applica-  
8 tion and shall notify the bureau if an annual license has been issued to  
9 the applicant. A license issued by a town, city or village in accordance  
10 with this paragraph shall have the same force and effect as a license  
11 issued by the bureau in accordance with subdivision two of this section  
12 and the licensee shall not be subject to regulation or enforcement by  
13 the bureau during the term of that license. A subsequent or renewed  
14 license may be issued under this paragraph on an annual basis if the  
15 bureau has not adopted regulations required by section one hundred  
16 seventy-four of this article at least ninety days prior to the date upon  
17 which such subsequent or renewed license would be effective or if the  
18 department has adopted regulations pursuant to section one hundred  
19 seventy-four of this article but has not, at least ninety days after the  
20 adoption of such regulations, issued licenses pursuant to subdivision

34 report concerning such complaint relied upon by the bureau.

35 § 188. Procedure for revocation or cancellation. 1. Any license or  
36 permit issued by the bureau pursuant to this article may be revoked,  
37 cancelled or suspended and/or be subjected to the imposition of a mone-  
38 tary penalty in the manner prescribed by this section.

39 2. The bureau may on its own initiative or on complaint of any person  
40 institute proceedings to revoke, cancel or suspend any retail license  
41 and may impose a civil penalty against the licensee after a hearing at  
42 which the licensee shall be given an opportunity to be heard. Such hear-  
43 ing shall be held in such manner and upon such notice as may be

47 one and one hundred twenty-four of this chapter shall apply to marihuana  
48 licenses issued under this article.

49 § 190. Minority and women-owned businesses and incubator program. The  
50 bureau shall:

51 1. Implement a social equity plan and actively promote racial, ethnic,  
52 and gender diversity when issuing licenses for marihuana related activ-

9     (a) is a member of a community group that has been disproportionately  
10 impacted by the enforcement of marihuana prohibition;

11     (b) has an income lower than eighty percent of the median income of  
12 the county in which the applicant resides; and

13     (c) was convicted of a marihuana-related offense prior to the effec-  
14 tive date of this bill.

15     4. The bureau shall also create an incubator program to provide direct  
16 support to social equity applicants after they have been granted

30 the authority to control independently the day-to-day business decisions

13 social equity plan shall not be transferable except to qualified minori-  
14 ty and women-owned businesses or social equity applicants.

15 8. The bureau shall collect demographic data on owners and employees  
16 in the marihuana industry and shall annually publish such data.

17 § 191. Disposition of moneys received for license fees. The bureau  
18 shall establish a scale of application, licensing, and renewal fees,  
19 based upon the cost of enforcing this article and the size of the mari-  
20 huana business being licensed, as follows:

21 1. Each licensing authority shall charge each licensee a licensure and  
22 renewal fee, as applicable. The licensure and renewal fee shall be  
23 calculated to cover the costs of administering this article. The licen-  
24 sure fee may vary depending upon the varying costs associated with  
25 administering the various regulatory requirements of this article as  
26 they relate to the nature and scope of the different licensure activ-  
27 ities, but shall not exceed the reasonable regulatory costs to the  
28 licensing authority.

29 2. The total fees assessed pursuant to this article shall be set at an  
30 amount that will fairly and proportionately generate sufficient total  
31 revenue to fully cover the total costs of administering this article.

32 3. All license fees shall be set on a scaled basis by the bureau,  
33 dependent on the size of the business.

34 4. The bureau shall deposit all fees collected in the New York state  
35 marihuana revenue fund established pursuant to section ninety-nine-ff of  
36 the state finance law.

37 § 192. Persons forbidden to traffic in marihuana. 1. The following  
38 persons are forbidden to traffic in marihuana:

45 for permanent residence in the United States, not less than twenty-one  
46 years of age.

47 (d) (i) A person who shall have had any license issued under this  
48 chapter revoked for cause, until the expiration of two years from the  
49 date of such revocation.

51 has been convicted of a violation of this chapter, until the expiration  
52 of two years from the date of such conviction.

53 (e) A corporation or co-partnership, if any officer and director or  
54 any partner, while not licensed under the provisions of this chapter,  
55 has been convicted of a violation of this chapter, or has had a license

1 issued under this chapter revoked for cause, until the expiration of two  
2 years from the date of such conviction or revocation.

3 2. An applicant shall not be denied a license under this article based  
4 solely on a conviction for a violation of article two hundred twenty or  
5 section 240.36 of the penal law, prior to the date article two hundred  
6 twenty-one of the penal law took effect, or a conviction for a violation  
7 of article two hundred twenty-one of the penal law after the effective  
8 date of this article.

9 § 193. Surrender of license; notice to police officials. Within three  
10 days after a license shall have been revoked pursuant to this article,  
11 notice thereof shall be given to the licensee by mailing such notice  
12 addressed to him at the premises licensed. Notice shall also be mailed  
13 to the owner of the premises licensed. The holder of such license shall  
14 thereupon surrender same to the bureau. The mailing thereof by the  
15 licensee to the bureau by registered mail or insured parcel post shall  
16 be deemed sufficient compliance with this section. The bureau, imme-  
17 diately upon giving notice of revocation, shall serve a written notice  
18 thereof upon the commissioner of police, chief of police or chief police  
19 officer of the city or village in which the premises for which the  
20 revoked license was issued is situated, or upon the sheriff of the coun-  
21 ty or a constable of the town in case the license was issued for prem-  
22 ises situated in a town and not within any city or village. Such notice  
23 shall include a statement of the number of such license, the name and  
24 place of residence of the holder thereof, the location of the licensed  
25 premises, and the date when such license was revoked. In case such  
26 license be not forthwith surrendered, the bureau shall issue a written  
27 demand for the surrender of such license and deliver said demand to the  
28 sheriff of the county in which the licensed premises are located, or to  
29 any representative of the bureau, and said sheriff or representative  
30 shall immediately take possession of such license and return the same to  
31 the bureau.

32 § 194. Protections for the use of marihuana. Individuals and licensed  
33 entities shall not be subject to arrest, prosecution, or penalty in any  
34 manner, or denied any right or privilege, including but not limited to  
35 civil liability or disciplinary action by a business or occupational or  
36 professional licensing board or bureau, solely for conduct permitted  
37 under this article. For the avoidance of doubt, the appellate division  
38 of the supreme court of the state of New York, and any disciplinary or  
39 character and fitness committees established by them are occupational  
40 and professional licensing boards within the meaning of this section.  
41 State or local law enforcement agencies shall not cooperate with or  
42 provide assistance to the government of the United States or any agency  
43 thereof in enforcing the Federal Controlled Substances Act, 21, U.S.C.  
44 et seq., solely for actions consistent with this chapter, except as  
45 pursuant to a valid court order.

46 § 195. Discrimination protections for the use of marihuana or medical  
47 marihuana. 1. No school or landlord may refuse to enroll or lease to and  
48 may not otherwise penalize a person solely for conduct allowed under  
49 sections 221.05 and 221.05-a of the penal law or title five-A of article  
50 thirty-three of the public health law, except as exempted:

51 (a) If failing to do so would cause the school or landlord to lose a  
52 monetary or licensing related benefit under federal law or regulations;

53 (b) If the institution has adopted a code of conduct prohibiting mari-  
54 huana use on the basis of religious belief;

1 (c) If a property is registered with the New York Smoke-Free Housing  
2 Registry, it is not required to permit the smoking of marihuana products  
3 on its premises.

4 2. For the purposes of medical care, including organ transplants, a  
5 registered qualifying patient's authorized use of medical marihuana must  
6 be considered the equivalent of the use of any other medication under  
7 the direction of a practitioner and does not constitute the use of an  
8 illicit substance or otherwise disqualify a registered qualifying  
9 patient from medical care.

10 3. No person may be denied custody of or visitation or parenting time  
11 with a minor, and there is no presumption of neglect or child endanger-  
12 ment for conduct allowed under sections 221.05 and 221.05-a of the penal  
13 law, unless the person's behavior creates an unreasonable danger to the  
14 safety of the minor as established by clear and convincing evidence. For  
15 the purposes of this section, an "unreasonable danger" determination  
16 cannot be based solely on whether, when, and how often a person uses  
17 marihuana without separate evidence of harm.

18 § 196. Employment protections. 1. Unless an employer establishes by a  
19 preponderance of the evidence that the lawful use of marihuana has  
20 impaired the employee's ability to perform the employee's job responsi-  
21 bilities, it shall be unlawful to take any adverse employment action  
22 against an employee based on either:

23 (a) conduct allowed under sections 221.05 and 221.05-a of the penal  
24 law; or

25 (b) the employee's positive drug test for marihuana components or  
26 metabolites.

27 2. For the purposes of this section, an employer may consider an  
28 employee's ability to perform the employee's job responsibilities to be  
29 impaired when the employee manifests specific articulable symptoms while  
30 working that decrease or lessen the employee's performance of the duties  
31 or tasks of the employee's job position.

32 3. Nothing in this section shall restrict an employer's ability to  
33 prohibit or take adverse employment action for the possession or use of  
34 intoxicating substances during work hours, or require an employer to  
35 commit any act that would cause the employer to be in violation of  
36 federal law, or that would result in the loss of a federal contract or  
37 federal funding.

38 4. As used in this section, "adverse employment action" means refusing  
39 to hire or employ, barring or discharging from employment, requiring a  
40 person to retire from employment, or discriminating against in compen-  
41 sation or in terms, conditions, or privileges of employment.

42 § 197. Protections for persons under state supervision. A person  
43 currently under parole, probation or other state supervision, or  
44 released on bail awaiting trial may not be punished or otherwise penal-  
45 ized for conduct allowed under sections 221.05 and 221.05-a of the penal  
46 law.

47 § 198. Professional and medical record keeping. Any professional  
48 providing services in connection with a licensed or potentially licensed  
49 business under this chapter, or in connection with other conduct permit-  
50 ted under this chapter, and any medical professional providing medical  
51 care to a patient, may agree with their client or patient to maintain no  
52 record, or any reduced level of record keeping that professional and  
53 client or patient may agree. In case of such agreement, the profes-  
54 sional's only obligation shall be to keep such records as agreed, and to  
55 keep a record of the agreement. Such reduced record keeping is conduct

1 permitted under this chapter, and shall attract the protections of  
2 section one hundred ninety-four of this article.

3 § 32. The state finance law is amended by adding three new sections  
4 99-ff, 99-gg and 99-hh to read as follows:

5 § 99-ff. New York state marihuana revenue fund. 1. There is hereby  
6 established in the joint custody of the state comptroller and the  
7 commissioner of taxation and finance a special fund to be known as the  
8 "New York state marihuana revenue fund".

9 2. Such fund shall consist of all revenues received by the department  
10 of taxation and finance, pursuant to the provisions of article eigh-  
11 teen-A of the tax law and all other moneys appropriated thereto from any  
12 other fund or source pursuant to law. Nothing contained in this section  
13 shall prevent the state from receiving grants, gifts or bequests for the  
14 purposes of the fund as defined in this section and depositing them into  
15 the fund according to law.

16 3. The moneys in such fund shall be expended for the following

52 reports available to the public.

2 legislature and governor regarding possible amendments to the marihuana  
3 regulation and taxation act. The recipients of these funds shall publish  
4 reports on their findings at a minimum of every two years and shall make

6 this subdivision shall include but not necessarily be limited to:

41 4. After the dispersal of moneys pursuant to subdivision three of this  
42 section, the remaining moneys in the fund deposited during the prior

(k) (i) The accusatory instrument alleged a violation of article two hundred twenty or section 240.36 of the penal law, prior to the taking effect of article two hundred twenty-one of the penal law, or by the conviction of such person of a violation of ~~[article two hundred twenty-one]~~ section 221.45 of the penal law on or after the effective date of the chapter of the laws of two thousand eighteen that amended this subdivision or a violation of section 221.05, 221.10, 221.15, 221.20, 221.25, 221.30, 221.35, or 221.40 of the penal law prior to the effective date of the chapter of the laws of two thousand eighteen that amended this subdivision; and (ii) the sole controlled substance involved is ~~[marijuana, (iii) the conviction was only for a violation or violations, and (iv) at least three years have passed since the offense occurred]~~ marihuana. No defendant shall be required or permitted to waive eligibility for sealing pursuant to this paragraph as part of a plea of guilty, sentence or any agreement related to a conviction for a violation of section 221.45 of the penal law. Any such waiver shall be deemed void and wholly unenforceable.

§ 35. Subdivision 4 of section 160.50 of the criminal procedure law, as amended by chapter 905 of the laws of 1977 and renumbered by chapter 142 of the laws of 1991, is amended to read as follows:

~~forth in subdivision one of this section, and such order shall be granted unless the district attorney demonstrates to the satisfaction of the court that the interests of justice require otherwise. A person in whose favor a criminal action or proceeding was terminated, as defined in paragraph (i) or (j) of subdivision two of this section, prior to the effective date of this section, may apply to the appropriate prosecutor or police agency for a certification as described in said paragraph (i) or (j) granting to such person the relief set forth therein, and such certification shall be granted by such prosecutor or police agency.]~~ the chapter of the laws of two thousand eighteen that amended this subdivision, and whose records have not been sealed pursuant to subdivision one of this section, may apply to have the records of such criminal action or proceeding sealed at the clerk's office for the court in which the criminal action or proceeding was terminated. Application may be made by the person or his or her attorney. Upon a determination by the clerk that the action or proceeding was terminated in the person's favor as defined in subdivision three of this section, the clerk of the court shall immediately notify the commissioner of the division of criminal justice services and the heads of all appropriate police departments and other law enforcement agencies that the action has been terminated in favor of the accused and that the record of such action or proceedings shall be sealed. Upon receipt of notification of such termination and sealing, all records relating to the criminal action shall be sealed, as required under paragraph (c) of subdivision one of this section, and all photographs, photographic plates or proofs, palmprints and fingerprints shall be destroyed or returned as specified in paragraphs (a) and (b) of subdivision one of this section. This paragraph shall not apply to cases in which the court declined to seal for reasons stated on the record, pursuant to subdivision one of this section. When an applicant under this subdivision presents to the court clerk fingerprint records from New York state division of criminal justice services or a court disposition which indicate that a criminal action or proceeding against the applicant was dismissed but the supporting court records cannot be located, have been destroyed, or do not indicate whether the dismissal was a "termination in favor of" the accused as that term is defined in subdivision three of this section, the clerk of the court wherein such criminal action or proceeding was terminated shall proceed as if the matter had been so terminated.

§ 36. Subdivisions 1 and 2 of section 170.56 of the criminal procedure law, subdivision 1 as amended by chapter 360 of the laws of 1977 and subdivision 2 as added by chapter 1042 of the laws of 1971, are amended to read as follows:

1. Upon or after arraignment in a local criminal court upon an information, a prosecutor's information or a misdemeanor complaint, where the sole remaining count or counts charge a violation or violations of section ~~[221.05, 221.10, 221.15, 221.35 or 221.40]~~ 221.45 of the penal law, or upon summons for a nuisance offense under section sixty-five-c of the alcoholic beverage control law and before the entry of a plea of guilty thereto or commencement of a trial thereof, the court, upon motion of a defendant, may order that all proceedings be suspended and the action adjourned in contemplation of dismissal, or upon a finding that adjournment would not be necessary or appropriate and the setting forth in the record of the reasons for such findings, may dismiss in furtherance of justice the accusatory instrument; provided, however, that the court may not order such adjournment in contemplation of dismissal or dismiss the accusatory instrument if: (a) the defendant has

1 previously been granted such adjournment in contemplation of dismissal,  
2 or (b) the defendant has previously been granted a dismissal under this  
3 section, or (c) the defendant has previously been convicted of any  
4 offense involving controlled substances, or (d) the defendant has previ-  
5 ously been convicted of a crime and the district attorney does not  
6 consent or (e) the defendant has previously been adjudicated a youthful  
7 offender on the basis of any act or acts involving controlled substances  
8 and the district attorney does not consent. Notwithstanding the limita-  
9 tions set forth in this subdivision, the court may order that all  
10 proceedings be suspended and the action adjourned in contemplation of  
11 dismissal based upon a finding of exceptional circumstances. For  
12 purposes of this subdivision, exceptional circumstances exist when,  
13 regardless of the ultimate disposition of the case, the entry of a plea  
14 of guilty is likely to result in severe collateral consequences, includ-  
15 ing, but not limited to, those that could leave a noncitizen inadmissi-  
16 ble or removable from the United States.

17 2. Upon ordering the action adjourned in contemplation of dismissal,  
18 the court must set and specify such conditions for the adjournment as  
19 may be appropriate, and such conditions may include placing the defend-  
20 ant under the supervision of any public or private agency. At any time  
21 prior to dismissal the court may modify the conditions or extend or  
22 reduce the term of the adjournment, except that the total period of  
23 adjournment shall not exceed [~~twelve~~] six months. Upon violation of any  
24 condition fixed by the court, the court may revoke its order and restore  
25 the case to the calendar and the prosecution thereupon must proceed. If  
26 the case is not so restored to the calendar during the period fixed by  
27 the court, the accusatory instrument is, at the expiration of such peri-  
28 od, deemed to have been dismissed in the furtherance of justice.

29 § 37. Section 210.46 of the criminal procedure law, as amended by  
30 chapter 360 of the laws of 1977, is amended to read as follows:

31 § 210.46 Adjournment in contemplation of dismissal in marijuana cases  
32 in a superior court.

33 Upon or after arraignment in a superior court upon an indictment where  
34 the sole remaining count or counts charge a violation or violations of  
35 section [~~221.05, 221.10, 221.15, 221.35 or 221.40~~] 221.45 of the penal  
36 law and before the entry of a plea of guilty thereto or commencement of  
37 a trial thereof, the court, upon motion of a defendant, may order that  
38 all proceedings be suspended and the action adjourned in contemplation  
39 of dismissal or may dismiss the indictment in furtherance of justice, in  
40 accordance with the provisions of section 170.56 of this chapter.

41 § 38. Paragraph (h) and subparagraph (ii) of paragraph (i) of subdivi-  
42 sion 1 of section 440.10 of the criminal procedure law, paragraph (h) as  
43 amended by chapter 332 of the laws of 2010 and subparagraph (ii) of  
44 paragraph (i) as amended by chapter 368 of the laws of 2015, are amended  
45 and a new paragraph (j) is added to read as follows:

46 (h) The judgment was obtained in violation of a right of the defendant  
47 under the constitution of this state or of the United States; [~~or~~]

48 (ii) official documentation of the defendant's status as a victim of  
49 trafficking, compelling prostitution or trafficking in persons at the  
50 time of the offense from a federal, state or local government agency  
51 shall create a presumption that the defendant's participation in the  
52 offense was a result of having been a victim of sex trafficking, compel-  
53 ling prostitution or trafficking in persons, but shall not be required  
54 for granting a motion under this paragraph[~~-~~]; or

55 (j) The judgment occurred prior to the effective date of this para-  
56 graph and is a conviction for:

1 (i) an offense as defined by section 221.05 or 221.10 of the penal law  
2 (criminal possession of marihuana in the fifth degree), as in effect  
3 prior to the effective date of this paragraph, provided that the accusa-  
4 tory instrument that underlies the judgment does not include an allega-  
5 tion that the defendant possessed more than twenty-five grams of mari-  
6 huana; or

7 (ii) an offense as defined by former section 221.35 of the penal law  
8 (criminal sale of marihuana in the fifth degree).

9 § 39. Subdivision 6 of section 440.10 of the criminal procedure law,  
10 as added by chapter 332 of the laws of 2010, is amended to read as  
11 follows:

12 6. If the court grants a motion under paragraph (i) or paragraph (j)  
13 of subdivision one of this section, it must vacate the judgment and  
14 dismiss the accusatory instrument, and may take such additional action  
15 as is appropriate in the circumstances.

16 § 40. The criminal procedure law is amended by adding a new section  
17 440.46-a to read as follows:

18 § 440.46-a Motion for resentence; persons convicted of certain marihuana  
19 offenses.

20 1. A person currently serving a sentence for a conviction, whether by  
21 trial or by open or negotiated plea, who would not have been guilty of  
22 an offense or who would have been guilty of a lesser offense on and  
23 after the effective date of this section had this section been in effect  
24 at the time of his or her conviction may petition for a recall or  
25 dismissal of sentence before the trial court that entered the judgment  
26 of conviction in his or her case to request resentencing or dismissal in  
27 accordance with article two hundred twenty-one of the penal law.

28 2. Upon receiving a motion under subdivision one of this section the  
29 court shall presume the movant satisfies the criteria in subdivision one  
30 of this section unless the party opposing the motion proves by clear and  
31 convincing evidence that the movant does not satisfy the criteria. If  
32 the movant satisfies the criteria in subdivision one of this section,  
33 the court shall grant the motion to vacate the sentence or to resentence  
34 because it is legally invalid. In exercising its discretion, the court  
35 may consider, but shall not be limited to, the following:

36 (a) The movant's criminal conviction history, including the type of  
37 crimes committed, the extent of injury to victims, the length of prior  
38 prison commitments, and the remoteness of the crimes.

39 (b) The movant's disciplinary record and record of rehabilitation  
40 while incarcerated.

41 3. A person who is serving a sentence and resentenced pursuant to  
42 subdivision two of this section shall be given credit for any time  
43 already served and shall be subject to supervision for one year follow-  
44 ing completion of his or her time in custody or shall be subject to  
45 whatever supervision time he or she would have otherwise been subject to  
46 after release, whichever is shorter, unless the court, in its  
47 discretion, as part of its resentencing order, releases the person from  
48 supervision. Such person is subject to parole supervision under section  
49 60.04 of the penal law or post-release supervision under section 70.45  
50 of the penal law by the designated agency and the jurisdiction of the  
51 court in the county in which the offender is released or resides, or in  
52 which an alleged violation of supervision has occurred, for the purpose  
53 of hearing petitions to revoke supervision and impose a term of custody.

54 4. Under no circumstances may resentencing under this section result  
55 in the imposition of a term longer than the original sentence, or the

1 reinstatement of charges dismissed pursuant to a negotiated plea agree-  
2 ment.

3 5. A person who has completed his or her sentence for a conviction  
4 under the former article two hundred twenty-one of the penal law, wheth-  
5 er by trial or open or negotiated plea, who would not have been guilty  
6 of an offense or who would have been guilty of a lesser offense on and  
7 after the effective date of this section had this section been in effect  
8 at the time of his or her conviction, may file an application before the  
9 trial court that entered the judgment of conviction in his or her case  
10 to have the conviction, in accordance with article two hundred twenty-  
11 one of the penal law:

12 (a) Dismissed because the prior conviction is now legally invalid and  
13 sealed in accordance with section 160.50 of this chapter;

14 (b) Redesignated (or "reclassified") as a violation and sealed in  
15 accordance with section 160.50 of this chapter; or

16 (c) Redesignated (reclassified) as a misdemeanor.

17 6. The court shall presume the petitioner satisfies the criteria in  
18 subdivision five unless the party opposing the application proves by  
19 clear and convincing evidence that the petitioner does not satisfy the  
20 criteria in subdivision five. Once the applicant satisfies the criteria  
21 in subdivision five, the court shall redesignate (or "reclassify") the  
22 conviction as a misdemeanor, redesignate (reclassify) the conviction as  
23 a violation and seal the conviction, or dismiss and seal the conviction  
24 as legally invalid under this section had this section been in effect at  
25 the time of his or her conviction.

26 7. Unless requested by the applicant, no hearing is necessary to grant  
27 or deny an application filed under subdivision five of this section.

28 8. Any felony conviction that is vacated and resentenced under subdi-  
29 vision two or designated as a misdemeanor or violation under subdivision  
30 six of this section shall be considered a misdemeanor or violation for  
31 all purposes. Any misdemeanor conviction that is vacated and resentenced  
32 under subdivision two of this section or designated as a violation under  
33 subdivision six of this section shall be considered a violation for all
