relation to requiring landlords to provide notice of rental history
upon the signing of a vacancy lease

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. The administrative code of the city of New York is amended
2 by adding a new section 26-517.2 to read as follows:

3 § 26-517.2 Notice of rental history. a. For housing accommodations
4 subject to this code, an owner shall furnish to each tenant signing a
5 vacancy lease, a notice in a form promulgated or approved by the state
6 division of housing and community renewal that sets forth the rent
7 amount actually paid by tenants for the four years immediately prior to
8 the vacancy, if any, an explanation of how the rental amount provided
9 for in the vacancy lease has been computed above the amount shown in the
10 most recent annual registration statement, and a statement that any
11 increase above the amount set forth in such registration statement is in
12 accordance with the adjustments permitted by the rent guidelines board
13 and this code.

14 b. Upon complaint by the tenant that he or she was not furnished with
15 a copy of the notice required pursuant to subdivision a of this section,
16 the division of housing and community renewal shall order the owner to
17 furnish the notice. If the owner fails to comply within twenty days of
18 such order, the owner shall not be entitled to collect any guidelines
19 lease adjustment authorized for any current lease from the commencement
20 date of such lease. The furnishing of the notice by the owner to the
21 tenant or hotel occupant shall result in the elimination, prospectively,
22 of such penalty.

23 § 2. This act shall take effect immediately; provided that the amend-
24 ment to chapter 4 of title 26 of the administrative code of the city of
25 New York made by section one of this act shall expire on the same date
