

STATE OF NEW YORK

3556

2017-2018 Regular Sessions

IN ASSEMBLY

January 27, 2017

Introduced by M. of A. ORTIZ -- read once and referred to the Committee on Health

AN ACT to amend the public health law and the agriculture and markets law, in relation to establishing a state diabetes coordinator within the department of health

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Article 2 of the public health law is amended by adding a new title 7 to read as follows:

TITLE VII

STATE DIABETES COORDINATOR

Section 267. State diabetes coordinator.

267-a. Duties.

267-b. Reports.

§ 267. State diabetes coordinator. There is hereby established within the department a state diabetes coordinator. The state diabetes coordinator shall be appointed by the commissioner in consultation with the governor, or designee of the governor. The state diabetes coordinator shall report directly to the commissioner in carrying out the provisions of this title.

§ 267-a. Duties. The state diabetes coordinator shall have the following duties:

1. to serve as the principal advisor to the commissioner on methods, procedures and other actions available to reduce the incidence of diabetes and its complications, to improve the quality of life for persons with diabetes and to reduce the costs associated with the treatment of diabetes paid by persons with diabetes and by the state;

2. to develop a reliable measurement for the incidence of persons with diabetes within the state;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD08369-01-7

1 3. to develop and coordinate the implementation of a statewide strate-
2 gy to reduce the incidence, progression and impact of diabetes and its
3 complications within the state;

4 4. to provide leadership and coordination between governmental agen-
5 cies and across public and private sectors to ensure that diabetes
6 related programs and policies of the department are coordinated both
7 within the department and with programs and policies of federal, state
8 and local agencies with the goals of avoiding duplication of effort,
9 maximizing the impact of such programs and policies and marshalling all
10 government resources toward the common objective of reducing the inci-
11 dence of diabetes and its complications; and

12 5. to coordinate public and private resources to develop and direct a
13 public awareness campaign regarding the prevention and control of
14 diabetes and its complications.

15 § 267-b. Reports. 1. Not later than one year after the effective date
16 of this title, the commissioner, in consultation with the state diabetes
17 coordinator, shall report to the governor and the legislature on a state
18 strategy to reduce the incidence, progression and impact of diabetes and
19 its complications within the state.

20 2. Not later than one year after the effective date of this title, the
21 commissioner of agriculture and markets, in consultation with the state
22 diabetes coordinator, shall report to the governor and the legislature
23 on the ways in which food programs and nutritional support can be better
24 targeted at concerns specific to persons at risk for diabetes and to
25 persons already diagnosed with diabetes whose complications from
26 diabetes may be reduced with diet.

27 3. The commissioner, in consultation with the state diabetes coordina-
28 tor, shall submit biennial reports to the governor and the legislature
29 on the impact and progress that the policies and programs set forth in
30 this title have made on the reduction of the incidence of diabetes and
31 its complications within the state. The first biennial report required
32 by this subdivision shall be made not later than three years after the
33 effective date of this title.

34 § 2. Section 16 of the agriculture and markets law is amended by
35 adding a new subdivision 49 to read as follows:

36 49. Report to the governor and the legislature pursuant to subdivision
37 two of section two hundred sixty-seven-b of the public health law.

38 § 3. This act shall take effect immediately.
