STATE OF NEW YORK

3693

2017-2018 Regular Sessions

IN ASSEMBLY

January 30, 2017

Introduced by M. of A. GLICK, WEINSTEIN -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to diagnostic and treatment centers providing care to the indigent which are eligible for the allocation of state funds

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph (a) of subdivision 2 of section 2807-p of the public health law, as amended by section 55 of part A of chapter 58 of the laws of 2007, is amended to read as follows:

4 (a) "Eligible diagnostic and treatment centers", for purposes of this 5 section, shall mean voluntary non-profit and publicly sponsored diagnostic and treatment centers providing a comprehensive range of primary б 7 health care services, or is a freestanding diagnostic and treatment center receiving a comprehensive family planning reproductive health 8 9 services grant from the department, which can demonstrate losses from 10 disproportionate share of uncompensated care during a base period two 11 years prior to the grant period; provided that for periods on and after 12 January first, two thousand four an eligible diagnostic and treatment 13 center shall not include any voluntary non-profit diagnostic and treat-14 ment center controlling, controlled by or under common control with a 15 health maintenance organization, as defined by subdivision one of section forty-four hundred one of this chapter; provided further that 16 for purposes of this section, a health maintenance organization shall 17 not include a prepaid health services plan licensed pursuant to section 18 forty-four hundred three-a of this chapter. For periods on and after 19 20 July first, two thousand three, the base period and the grant period 21 shall be the calendar year.

22 § 2. Paragraph (c) of subdivision 3 of section 2807-p of the public 23 health law, as amended by section 55 of part A of chapter 58 of the laws 24 of 2007, is amended to read as follows:

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD03092-01-7

A. 3693

(c) To be eligible for an allocation of funds or a rate adjustment 1 2 pursuant to this section, a diagnostic and treatment center must provide a comprehensive range of primary health care services, or is a free-3 4 standing diagnostic and treatment center receiving a comprehensive fami-5 ly planning reproductive health services grant from the department, and 6 must demonstrate that a minimum of five percent of total clinic visits reported during the applicable base year period were to uninsured indi-7 viduals. The commissioner may retrospectively reduce the allocations of 8 9 funds or the rate adjustments to a diagnostic and treatment center if it 10 is determined that provider management actions or decisions have caused 11 a significant reduction for the grant period in the delivery of compre-12 hensive primary health care services to uncompensated care residents of 13 the community.

14 § 3. This act shall take effect April 1, 2018.
