25 § 101. Short title. This chapter shall be known and may be cited as  
26 the "port authority of New York and New Jersey act".

27 § 102. Legislative intent. William R. Willcox, Eugenius H. Outer-  
28 bridge and Murray Hulbert, or any two of them, commissioners heretofore  
29 appointed under chapter four hundred and twenty-six of the laws of nine-  
30 teen hundred and seventeen of the state of New York, together with the  
31 attorney-general of the state of New York, are hereby authorized as  
32 commissioners upon the part of the state of New York to enter into, with  
33 the state of New Jersey, by and through the commissioners appointed or  
34 who may be appointed under or by virtue of a law of the legislature of  
35 the state of New Jersey, an agreement or compact in the form following,  
36 that is to say:

37 Whereas, In the year eighteen hundred and thirty-four the states of  
38 New York and New Jersey did enter into an agreement fixing and determin-  
39 ing the rights and obligations of the two states in and about the waters  
40 between the two states, especially in and about the bay of New York and  
41 the Hudson river; and

42 Whereas, Since that time the commerce of the port of New York has  
43 greatly developed and increased and the territory in and around the port  
44 has become commercially one center or district; and

45 Whereas, It is confidently believed that a better co-ordination of the  
46 terminal, transportation and other facilities of commerce in, about and  
47 through the port of New York, will result in great economies, benefiting  
48 the nation, as well as the states of New York and New Jersey; and

49 Whereas, The future development of such terminal, transportation and  
50 other facilities of commerce will require the expenditure of large sums  
51 of money and the cordial co-operation of the states of New York and New  
52 Jersey in the encouragement of the investment of capital, and in the  
53 formulation and execution of the necessary physical plans; and

1 Whereas, Such result can best be accomplished through the co-operation  
2 of the two states by and through a joint or common agency.

3 Now, therefore, the said states of New Jersey and New York do supple-  
4 ment and amend the existing agreement of eighteen hundred and thirty-  
5 four in the following respects.

6 They agree to and pledge, each to the other, faithful co-operation in  
7 the future planning and development of the port of New York, holding in  
8 high trust for the benefit of the nation the special blessings and  
9 natural advantages thereof.

12 four of whom shall be resident voters of the city of New York, and six  
13 resident voters from the state of New Jersey, at least four of whom  
14 shall be resident voters within the New Jersey portion of the district,  
15 the New York members to be chosen by the state of New York and the New  
16 Jersey members by the state of New Jersey in the manner and for the  
17 terms fixed and determined from time to time by the legislature of each  
18 state respectively, except as provided in this part. Each commissioner  
19 may be removed or suspended from office as provided by the law of the  
20 state from which he or she shall be appointed.

21 2. The commissioners shall, for the purpose of doing business, consti-  
22 tute a board and may adopt suitable by-laws for its management.

23 3. The port authority shall elect a chair, vice-chair, and may appoint  
24 such officers and employees as it may require for the performance of its  
25 duties, and shall fix and determine their qualifications and duties.

26 § 107. Power of the port authority. 1. The port authority shall  
27 constitute a body, both corporate and politic, with full power and  
28 authority to purchase, construct, lease and/or operate any terminal or  
29 transportation facility within said district; and to make charges for  
30 the use thereof: and for any of such purposes to own, hold, lease and/or  
31 operate real or personal property, to borrow money and secure the same  
32 by bonds or by mortgages upon any property held or to be held by it. No  
33 property now or hereafter vested in or held by either state, or by any  
34 county, city, borough, village, township or other municipality, shall be  
35 taken by the port authority, without the authority or consent of such  
36 state, county, city, borough, village, township or other municipality,  
37 nor shall anything herein impair or invalidate in any way any bonded  
38 indebtedness of such state, county, city, borough, village, township or  
39 other municipality, nor impair the provisions of law regulating the  
40 payment into sinking funds of revenues derived from municipal property,  
41 or dedicating the revenues derived from any municipal property to a  
42 specific purpose.

43 2. The powers granted in this part shall not be exercised by the port  
44 authority until the legislatures of both states shall have approved of a  
45 comprehensive plan for the development of the port as hereinafter  
46 provided.

47 3. The port authority shall have such additional powers and duties as  
48 may hereafter be delegated to or imposed upon it from time to time by  
49 the action of the legislature of either state concurred in by the legis-  
50 lature of the other. Unless and until otherwise provided, it shall make  
51 an annual report to the legislature of both states, setting forth in  
52 detail the operations and transactions conducted by it pursuant to this  
53 agreement and any legislation thereunder. The port authority shall not  
54 pledge the credit of either state except by and with the authority of  
55 the legislature thereof.

§ 108. Public meetings. 1. The legislature finds and declares that the right of the public to be present at meetings of the port authority of New York and New Jersey, and to witness in full detail all phases of the deliberation, policy formulation, and decision making of the authority, is vital to the enhancement and proper functioning of the democratic process, and that secrecy in public affairs undermines the faith of the public in government and the public's effectiveness in fulfilling its role in a democratic society; and declares it to be the public policy of this state to insure the right of its citizens to have adequate advance notice of and the right to attend all meetings of the authority at which any business affecting the public is discussed or acted upon in any way except only in those circumstances where otherwise the public interest would be clearly endangered or the personal privacy of guaranteed rights of individuals would be clearly in danger of unwarranted invasion.

2. The board shall adopt and promulgate appropriate rules and regulations concerning the right of the public to be present at meetings of the authority. The board may incorporate in its rules and regulations conditions under which it may exclude the public from a meeting or a portion thereof.

3. Any rules or regulations adopted hereunder shall become a part of the minutes of the port authority of New York and New Jersey and shall be subject to the approval of the governor of New Jersey and the governor of New York.

4. Unless and until otherwise determined by the action of the legislatures of the two states, no action of the port authority shall be binding unless taken at a meeting at which at least three of the members from each state are present, and unless a majority of the members from each state present at such meeting but in any event at least three of the members from each state, shall vote in favor thereof. Each state reserves the right to provide by law for the exercise of a veto power by the governor thereof over any action of any commissioner appointed therefrom.

§ 109. Minutes of public meetings. 1. The port authority shall file with the temporary president and minority leader of the senate and the speaker and minority leader of the assembly, the chairman of the assembly ways and means committee and the chairman of the senate finance committee of the state of New York and the president, minority leader and secretary of the senate and the speaker, minority leader and clerk of the general assembly of the state of New Jersey a copy of the minutes of any action taken at any public meeting of the port authority. Such filing shall be made on the same day such minutes are transmitted to the governor of each state for review; and notice of such filing shall be provided to the governor of each state at the same time. Failure to effectuate any such filing shall not impair the ability of the authority to act pursuant to a resolution of its board. Such filing shall not apply to any minutes required to be filed pursuant to section twenty of chapter six hundred fifty-one of the laws of nineteen hundred seventy-eight and continued by part XXVII of this article.

2. The temporary president and minority leader of the senate, the speaker and minority leader of the assembly, the chairman of the assembly ways and means committee and the chairman of the senate finance committee of the state of New York and the speaker and minority leader of the general assembly and the president and the minority leader of the senate of the state of New Jersey, or representatives designated by them in writing for this purpose, may by certificate filed with the secretary

1 of the port authority waive the foregoing filing requirement with  
2 respect to any specific minutes.

3 § 110. Jurisdiction. Unless and until otherwise provided, all laws  
4 now or hereafter vesting jurisdiction or control in the public service  
5 commission, or the public utilities commission, or like body, within  
6 each state respectively, shall apply to railroads and to any transporta-  
7 tion, terminal or other facility owned, operated, leased or constructed  
8 by the port authority, with the same force and effect as if such rail-  
9 road, or transportation, terminal or other facility were owned, leased,  
10 operated or constructed by a private corporation.

11 § 111. Powers of municipalities to develop or improve. Nothing  
12 contained in this agreement shall impair the powers of any municipality  
13 to develop or improve port and terminal facilities.

14 § 112. Comprehensive development. 1. The legislatures of the two  
15 states, prior to the signing of this agreement, or thereafter as soon as  
16 may be practicable, will adopt a plan or plans for the comprehensive  
17 development of the port of New York.

18 2. The port authority shall from time to time make plans for the  
19 development of the port of New York district, supplementary to or amen-  
20 datory of any plan theretofore adopted, and when such plans are duly  
21 approved by the legislatures of the two states, they shall be binding  
22 upon both states with the same force and effect as if incorporated in  
23 this chapter.

24 3. The port authority may petition any interstate commerce commission  
25 (or like body), commissioner of transportation, public utilities commis-  
26 sion (or like body), or any other federal, municipal, state or local  
27 authority, administrative, judicial or legislative, having jurisdiction  
28 in the premises, after the adoption of the comprehensive plan as  
29 provided for in subdivision one of this section, for the adoption and  
30 execution of any physical improvement, change in method, rate of trans-  
31 portation, system of handling freight, warehousing, docking, lightering  
32 or transfer of freight, which, in the opinion of the port authority, may  
33 be designed to improve or better the handling of commerce in and through  
34 the port of New York district, or improve terminal and transportation  
35 facilities therein. It may intervene in any proceeding affecting the  
36 commerce of the port.

37 § 113. Recommendations. The port authority may from time to time make  
38 recommendations to the legislatures of the two states or to the congress  
39 of the United States, based upon study and analysis, for the better  
40 conduct of the commerce passing in and through the port of New York, the  
41 increase and improvement of transportation and terminal facilities ther-  
42 ein, and the more economical and expeditious handling of such commerce.

43 § 114. Expense of operations. 1. Unless and until the revenues from  
44 operations conducted by the port authority are adequate to meet all  
45 expenditures, the legislatures of the two states shall appropriate, in  
46 equal amounts, annually, for the salaries, office and other administra-  
47 tive expenses, such sum or sums as shall be recommended by the port  
48 authority and approved by the governors of the two states, but each  
49 state obligates itself hereunder only to the extent of one hundred thou-  
50 sand dollars in any one year.

51 2. Unless and until otherwise determined by the action of the legisla-  
52 tures of the two states, the port authority shall not incur any obli-  
53 gations for salaries, office or other administrative expenses, within  
54 the provisions of subdivision one of this section, prior to the making  
55 of appropriations adequate to meet the same.

1 § 115. Records of the port authority. 1. Notwithstanding any  
2 provision to the contrary, the records of the port authority shall be  
3 open to the public in accordance with the laws of New York, articles 6  
4 and 6-A of the public officers law, and New Jersey, P.L. 1963, c. 73 (C.  
5 47:1A-1 et seq.), pertaining to the disclosure of government records.

6 2. When there is an inconsistency between the law of the state of New  
7 York and the law of the state of New Jersey, the law of the state that  
8 provided the greatest rights of access on the date that the chapter of  
9 the laws of 2016 that added this section became a law shall apply.

10 3. The provisions of article 78 of the civil practice law and rules of  
11 the state of New York or P.L. 1963, c. 73 (C. 47:1A-1 et seq.), of the  
12 laws of New Jersey, as applicable, shall apply to enforce the provisions  
13 of this part.

14 § 116. Port authority as an agency. Notwithstanding any law to the  
15 contrary, the port authority shall be deemed an "agency" and treated as  
16 such under the laws of New York, for all purposes under articles six and  
17 six-A of the public officers law, and shall be deemed a "public agency"  
18 and treated as such under New Jersey, P.L. 1963, c. 73 (C.47:1A-1 et  
19 seq.), pertaining to the disclosure of government records.

20 § 117. Notice of claim. Notwithstanding any other provision of law to  
21 the contrary, every action against the authority for damages or injuries  
22 to real or personal property, or for the destruction thereof, or for  
23 personal injuries or wrongful death shall not be commenced unless a  
24 notice of claim shall have been served on the authority in the manner  
25 provided for in the state where the action is commenced, and in compli-  
26 ance with the pertinent statutes of the state relating generally to  
27 actions commenced against that state and in compliance with all the  
28 requirements of the laws of that state. Where such state's law permits  
29 service upon a department of that state in lieu of service upon the  
30 public entity, service may be made pursuant to such law. Except in an  
31 action for wrongful death against such an entity, an action for damages  
32 or for injuries to real or personal property, or for the destruction  
33 thereof, or for personal injuries, alleged to have been sustained, shall  
34 not be commenced more than one year and ninety days after the cause of  
35 action therefor shall have accrued or within the time period otherwise  
36 prescribed by any special provision of law of that state, whichever is  
37 longer.

38 § 118. Regulations. 1. The port authority is hereby authorized to  
39 make suitable rules and regulations not inconsistent with the constitu-  
40 tion of the United States or of either state, and subject to the exer-  
41 cise of the power of congress, for the improvement of the conduct of  
42 navigation and commerce, which, when concurred in or authorized by the  
43 legislatures of both states, shall be binding and effective upon all  
44 persons and corporations affected thereby.

45 2. The two states shall provide penalties for violations of any order,  
46 rule or regulation of the port authority, and for the manner of enforc-  
47 ing the same.

## 48 PART II

### 49 DEVELOPMENT OF THE PORT OF NEW YORK

50 Section 201. Development of the port of New York.

51 202. Investigations.

52 203. Hearings.

53 204. Orders.

54 205. Terminal stations.

55 206. Preference.

§ 201. Development of the port of New York. 1. Pursuant to subdivision two of section one hundred seven of this article the following be and is hereby adopted as the comprehensive plan for the development of the port of New York:

(a) That terminal operations within the port district, so far as economically practicable, should be unified;

(b) That there should be consolidation of shipments at proper classification points so as to eliminate duplication of effort, inefficient loading of equipment and realize reduction in expenses;

(c) That there should be the most direct routing of all commodities so as to avoid centers of congestion, conflicting currents and long truck-hauls;

(d) That terminal stations established under the comprehensive plan should be union stations, so far as practicable;

(e) That the process of coordinating facilities should so far as practicable adapt existing facilities as integral parts of the new system, so as to avoid needless destruction of existing capital investment and reduce so far as may be possible the requirements for new capital; and endeavor should be made to obtain the consent of local municipalities within the port district for the coordination of their present and contemplated port and terminal facilities with the whole plan.

(f) That freight from all railroads must be brought to all parts of the port wherever practicable without cars breaking bulk, and this necessitates tunnel connection between New Jersey and Long Island, and tunnel or bridge connections between other parts of the port;

(g) That there should be urged upon the federal authorities improvement of channels so as to give access for that type of waterborne commerce adapted to the various forms of development which the respective shorefronts and adjacent lands of the port would best lend themselves to;

(h) That highways for motor truck traffic should be laid out so as to permit the most efficient inter-relation between terminals, piers and industrial establishments not equipped with railroad sidings and for the distribution of building materials and many other commodities which must be handled by trucks; these highways to connect with existing or projected bridges, tunnels and ferries.

(i) That definite methods for prompt relief should be devised which can be applied for the better coordination and operation of existing facilities while larger and more comprehensive plans for future development are being carried out.

2. The bridges, tunnels and belt lines forming the comprehensive plan are generally and in outline indicated on maps filed by the port of New York authority in the offices of the secretaries of the states of New York and New Jersey and are hereinafter described in outline.

3. (a) A tunnel or tunnels connecting the New Jersey shore and the Brooklyn shore of New York to provide through line connection between the transcontinental railroads now having their terminals in New Jersey with the Long Island railroad and the New York connecting railroad on Long Island and with the New York Central and Hudson River railroad and the New York, New Haven and Hartford railroad in the Bronx, and to provide continuous transportation of freight between the Queens, Brooklyn and Bronx sections of the port to and from all parts of the westerly section of the port, for all of the transcontinental railroads.

(b) A bridge and/or tunnel across or under the Arthur kill, and/or the existing bridge enlarged, to provide direct freight carriage between New Jersey and Staten Island.

(c) The location of all such tunnels or bridges to be at the shortest, most accessible and most economical points practicable, taking account of existing facilities now located within the port district and providing for and taking account of all reasonably foreseeable future growth in all parts of the district.

4. The island of Manhattan to be connected with New Jersey by bridge or tunnel, or both, and freight destined to and from Manhattan to be carried underground, so far as practicable, by such system, automatic electric as hereinafter described or otherwise, as will furnish the most expeditious, economical and practicable transportation of freight, especially meat, produce, milk and other commodities comprising the daily needs of the people. Suitable markets, union inland terminal stations and warehouses to be laid out at points most convenient to the homes and industries upon the island, the said system to be connected with all the trans-continental railroads terminating in New Jersey and by appropriate connection with the New York Central and Hudson River railroad, the New York, New Haven and Hartford and the Long Island railroads.

5. The numbers hereinafter used correspond with the numbers which have been placed on the map of the comprehensive plan to identify the various belt lines and marginal railroads.

(a) Number 1. Middle belt line. Connects New Jersey and Staten Island and the railroads on the westerly side of the port with Brooklyn, Queens, the Bronx and the railroads on the easterly side of the port. Connects with the New York Central railroad in the Bronx; with the New York, New Haven and Hartford railroad in the Bronx; with the Long Island railroad in Queens and Brooklyn; with the Baltimore and Ohio railroad near Elizabethport and in Staten Island; with the Central Railroad Company of New Jersey at Elizabethport and at points in Newark and Jersey City; with the Pennsylvania railroad in Newark and Jersey City; with the Lehigh Valley railroad in Newark and Jersey City; with the Delaware, Lackawanna and Western railroad in Jersey City and the Secaucus meadows; with the Erie railroad in Jersey City and the Secaucus meadows; with the New York, Susquehanna and Western, the New York, Ontario and Western and the West Shore railroads on the westerly side of the Palisades above the Weehawken tunnel.

13 nineteen hundred and twenty-one.

The determination of the exact location, system and character of each of the said tunnels, bridges, belt lines, approaches, classification yards, warehouses, terminals or other improvements shall be made by the port authority after public hearings and further study, but in general the location thereof shall be as indicated upon said map, and as herein described.

7. The right to add to, modify or change any part of the foregoing comprehensive plan is reserved by each state, with the concurrence of the other.

8. The port of New York authority is hereby authorized and directed to proceed with the development of the port of New York in accordance with said comprehensive plan as rapidly as may be economically practicable and is hereby vested with all necessary and appropriate powers not inconsistent with the constitution of the United States or of either state, to effectuate the same, except the power to levy taxes or assessments. It shall request the congress of the United States to make such appropriations for deepening and widening channels and to make such grants of power as will enable the said plan to be effectuated. It shall have power to apply to all federal agencies, including the interstate commerce commission, the war department, and the United States shipping board, for suitable assistance in carrying out said plan. It shall cooperate with the state highway commissioners of each state so that trunk line highways as and when laid out by each state shall fit in with said

comprehensive plan. It shall render such advice, suggestion and assistance to all municipal officials as will permit all local and municipal port and harbor improvements, so far as practicable, to fit in with said plan. All municipalities within the district are hereby authorized and empowered to cooperate in the effectuation of said plan, and are hereby vested with such powers as may be appropriate or necessary so to cooperate. The bonds or other securities issued by the port authority shall at all times be free from taxation by either state. The port authority shall be regarded as the municipal corporate instrumentality of the two states for the purpose of developing the port and effectuating the pledge of the states in the said compact, but it shall have no power to pledge the credit of either state or to impose any obligation upon either state, or upon any municipality, except as and when such power is expressly granted by statute, or the consent by any such municipality is given.

§ 202. Investigations. 1. (a) To facilitate the determination of the economic practicability of any step in the comprehensive plan, or of any other fact or matter which the port authority is authorized and empowered to decide or determine, the port authority may conduct investigations, inquiries or hearings at such place or places and at such times as it shall appoint. Such investigations, inquiries or hearings may be held by or before one or more of the commissioners of the port authority, or by or before any person or persons appointed as its representative, and when ratified, approved or confirmed by the port authority on its action shall be and be deemed to be the investigation, inquiry or hearing of the port authority.

(b) For the purpose of such investigations, inquiries or hearings, and of such other action or powers as the port authority may be authorized or empowered to take or exercise, it shall have jurisdiction of any and all persons, associations, or corporations, residing in, or acting or existing under or by virtue of the laws of, or owning property or coming within this state.

2. The port authority shall have the power to compel the attendance of witnesses and the production of any papers, books or other documents, and to administer oaths to all witnesses who may be called before it. Subpoenas issued by the port authority shall be signed by a commissioner or by the secretary of the port authority. No witness subpoenaed at the instance of parties other than the port authority shall be entitled to compensation therefrom for attendance or travel, but the cost thereof shall be borne by the party at whose instance the witness is summoned, unless the port authority otherwise orders. A subpoena issued under this section shall be regulated by the civil practice law and rules of the state of New York.

§ 203. Hearings. 1. All hearings before the port authority, including the taking of testimony, shall be governed by rules to be adopted and prescribed by it.

2. In any investigation, inquiry or hearing before the port authority, a commissioner or an officer conducting the investigation, inquiry or hearing may confer immunity in accordance with the provisions of section 50.20 of the criminal procedure law of the state of New York.

3. No commissioner or employee of the port authority shall be required to give testimony in any civil suit to which the port authority is not a party with regard to information obtained by him in the discharge of his or her official duty.

§ 204. Orders. 1. Every order of the port authority shall be served upon every person, association or corporation to be affected thereby,

1 either by personal delivery of a certified copy thereof, or by mailing a  
2 certified copy thereof, in a sealed package with postage prepaid, to the  
3 person to be affected thereby; or in the case of a corporation to any  
4 officer or agent thereof upon whom a summons might be served, either  
5 within or without the state, in accordance with law. It shall be the  
6 duty of every person, association or corporation, to notify the port  
7 authority forthwith, in writing, of the receipt of the certified copy of  
8 every order so served, and in the case of a corporation such notifica-  
9 tion must be signed and acknowledged by a person or officer duly author-  
10 ized by the corporation to admit such service. Within a time specified  
11 in the order of the port authority, such person, association or corpo-  
12 ration, upon whom it is served, must, if so required in the order, noti-  
13 fy the port authority in like manner whether the terms of the order are  
14 accepted and will be obeyed. Every order of the port authority shall  
15 take effect at a time therein specified and shall continue in force  
16 either for a period which may be designated therein, or until changed or  
17 abrogated by the port authority, unless such order be unauthorized by  
18 law, or be in violation of a provision of the constitution of the state,  
19 or of the United States.

20 2. No order staying or suspending an order of the port authority shall  
21 be made by any court otherwise than upon notice and after hearing, and  
22 if the order of the port authority is suspended, the order suspending  
23 the same shall contain a specific finding based upon evidence submitted  
24 to the court and identified by reference thereto that great and irrepar-  
25 able damage would otherwise result to the petitioner and specifying the  
26 nature of the damage.

27 3. (a) Whenever the port authority shall be of the opinion that any  
28 person, association or corporation subject to its jurisdiction is fail-  
29 ing or omitting, or about to fail or omit to do anything required of it  
30 by the laws governing the development and regulation of the port of New  
31 York, or by its order, or is doing or is about to do anything, or  
32 permitting, or about to permit anything to be done contrary to, or in  
33 violation of, such law or orders, it shall direct its legal represen-  
34 tative to commence an action or proceeding in the name of the port  
35 authority, in an appropriate court having jurisdiction, for the purpose  
36 of having such violations, or threatened violations, stopped and  
37 prevented either by mandamus or injunction. Such an action or proceeding  
38 may be brought in the supreme court of this state, and the said court  
39 shall have and is hereby given the necessary and appropriate jurisdic-  
40 tion to grant mandamus or injunction, as the case may require, or any  
41 other relief appropriate to the case.

42 (b) Failure of such person, association or corporation to notify the  
43 port authority, as required in the preceding section, of its acceptance  
44 of and willingness to obey any order of the port authority shall be and  
45 be deemed to be prima facie proof that such person, association or  
46 corporation is guilty of such violation, or threatened violation. The  
47 legal representative of the port authority shall begin such action or  
48 proceeding by a petition to the appropriate court, alleging the  
49 violation complained of and praying for appropriate relief by way of  
50 mandamus or injunction. If the petition is directed to a court of this  
51 state, it shall thereupon be the duty of the court to specify the time,  
52 not exceeding twenty days after the service of a copy of the petition,  
53 within which the person, association or corporation complained of must  
54 answer the petition. In case of default in answer, or after answer, the  
55 court shall immediately inquire into the facts and circumstances, in  
56 such manner as the court shall direct, without other or formal pleadings

1 and without respect to any technical requirement. Such other persons,  
2 associations or corporations as the court shall deem necessary or proper  
3 to join as parties, in order to make its order, judgment or writs effective,  
4 may be joined as parties upon application of the legal representative  
5 of the port authority. The final judgment in any such action or  
6 proceeding shall either dismiss the action or proceeding, or direct that  
7 a writ of mandamus, or an injunction, or both, issue as prayed for in  
8 the petition, or in such modified or other form as the court may determine  
9 will afford the appropriate relief.

10 4. (a) Whenever the port authority, after opportunity to the parties  
11 affected or to be affected thereby to be heard, shall determine any fact  
12 or matter which it is authorized by any law to hear or determine, or  
13 that any step in the effectuation of the comprehensive plan is or in the  
14 near future will be economically practicable, it shall make its findings  
15 in writing, setting forth its reasons therefor, and such findings shall  
16 be and be deemed to be a determination by the port authority, under and  
17 pursuant to law. Upon such determination an appropriate order may be  
18 entered by the port authority and be made effective and may be enforced  
19 as herein provided.

20 (b) If such findings or determination shall require the use of existing  
21 facilities or any part thereof described in the law, owned or operated  
22 by any carrier or carriers, then the port authority may order and  
23 require the carrier or carriers owning or operating said railroad facilities  
24 or part thereof to permit the use of such facilities or part thereof  
25 upon the payment of reasonable compensation therefor. If the carrier  
26 or carriers affected or to be affected by such order shall not be able,  
27 within the time to be specified in its order by the port authority, to  
28 agree among themselves upon the compensation to be paid by a user to a  
29 proprietor or operator for the use of such existing facilities or part  
30 thereof, then the port authority shall make determination of the amount  
31 to be paid by the user to the proprietary carrier or carriers, taking  
32 all the facts and circumstances into account, including the public use  
33 to which such facilities have been put; or, at its option, the port  
34 authority may apply to the supreme court of this state, either in a  
35 separate proceeding or in proceedings by mandamus or injunction to  
36 enforce its order, to fix and determine the fair and reasonable compensation  
37 to be paid by the user to the proprietary carrier or carriers for  
38 such use. If any carrier shall be dissatisfied with the findings of the  
39 port authority in the matter of the compensation to be paid for the use  
40 of any existing facility, it shall have the right to review the same in  
41 the supreme court of this state by taking appropriate proceedings for  
42 such review within sixty days from the service of the order of the port  
43 authority, but pending such review the order for the use of such facilities  
44 shall be operative, the determination of the compensation by the  
45 court to relate back to the time of the commencement of such user,  
46 unless the court shall for good and proper reasons enjoin the operation  
47 of such order.

48 § 205. Terminal stations. If, in the determination of steps to effectuate  
49 the comprehensive plan, the port authority shall determine that  
50 one or more union terminal stations are then, or in the near future,  
51 economically practicable, it shall call a conference of all the carriers  
52 affected or to be affected by the use of such terminal stations or  
53 station and shall submit to them a plan or plans for the construction,  
54 maintenance and use thereof. If the carriers or any of them shall fail  
55 or refuse to agree upon such plan, the port authority shall make and  
56 certify its findings and conclusions to the supreme court of this state,

1 and the said court is vested with appropriate and adequate jurisdiction  
2 to determine whether or not such plan or plans for a union station or  
3 stations effectuate the comprehensive plan, and to make such conditions  
4 and impose such terms as will carry out the same in accordance with the  
5 principles embraced in the comprehensive plan and the laws governing the  
6 same.

7 § 206. Preference. All actions and proceedings to which the port  
8 authority may be a party and in which any question arises under the laws  
9 relating to the port authority, or under or concerning any of its orders  
10 or actions, shall be preferred over all other civil causes, except  
11 election causes, in all courts of this state and shall be heard and  
12 determined in preference to all other civil business pending therein,  
13 except election causes, irrespective of position on the calendar. The  
14 same preference shall be granted upon application of the legal represen-  
15 tative of the port authority, in any action or proceeding in which he or  
16 she may be allowed to intervene.

17 PART III

18 BRIDGES AND TUNNELS IN NEW YORK AND NEW JERSEY

19 Section 301. Legislative intent.

20 302. Tunnels.

21 303. Bridges.

22 304. Studies and reporting.

23 305. Inspections.

24 306. Construction, maintenance and operation.

25 307. Rules and regulations relating to tunnels and bridges.

26 308. Bonds.

27 309. Compact.

28 § 301. Legislative intent. The state of New Jersey by appropriate  
29 legislation concurring herein, the states of New York and New Jersey  
30 hereby declare and agree that the vehicular traffic moving across the  
31 interstate waters within the port of New York district, created by the  
32 compact of April thirty, nineteen hundred twenty-one, between the said  
33 states, which said phrase "interstate waters" as used in this part shall  
34 include the portion of the Hudson river within the said port of New York  
35 district north of the New Jersey state line, constitutes a general move-  
36 ment of traffic which follows the most accessible and practicable  
37 routes, and that the users of each bridge or tunnel over or under the  
38 said waters benefit by the existence of every other bridge or tunnel  
39 since all such bridges and tunnels as a group facilitate the movement of  
40 such traffic and relieve congestion at each of the several bridges and  
41 tunnels. Accordingly the two said states, in the interest of the users  
42 of such bridges and tunnels and the general public, hereby agree that  
43 the construction, maintenance, operation and control of all such bridges  
44 and tunnels, heretofore or hereafter authorized by the two said states,  
45 shall be unified under the port authority, to the end that the tolls and  
46 other revenues therefrom shall be applied so far as practicable to the  
47 costs of the construction, maintenance and operation of said bridges and  
48 tunnels as a group and economies in operation effected, it being the  
49 policy of the two said states that such bridges and tunnels shall as a  
50 group be in all respects self-sustaining.

51 § 302. Tunnels. 1. In furtherance of the policy stated in section  
52 three hundred one of this part, and in partial effectuation of the  
53 comprehensive plan adopted by the two said states for the development of  
54 the said port of New York district pursuant to this chapter, the  
55 control, operation, tolls and other revenues of the vehicular tunnel,

1 known as the Holland tunnel, under the Hudson river between the city of  
2 Jersey City and the city of New York, shall be vested in the port  
3 authority as hereinafter provided; and the port authority is hereby  
4 authorized and empowered to construct, own, maintain and operate an  
5 interstate vehicular crossing under the Hudson river to consist of three  
6 tubes (hereinafter called the Midtown Hudson tunnel), together with such  
7 approaches thereto and connections with highways as the port authority  
8 may deem necessary or desirable.

9 2. The entrances, exits and approaches to the said Midtown Hudson  
10 tunnel, on the New York side, shall be between West Thirty-fifth street  
11 and West Forty-first street and in the vicinity of Ninth avenue and to  
12 the west thereof, in the borough of Manhattan, city of New York. The  
13 approaches to the said Midtown Hudson tunnel on the New Jersey side  
14 shall be so located and constructed as to permit tunnel traffic to pass  
15 over or under the tracks of the New York, Susquehanna and Western Rail-  
16 road Company and the Northern Railroad Company of New Jersey, immedi-  
17 ately west of the Palisades, without crossing the said tracks at grade, and  
18 as to permit connections with New Jersey state highway routes in the  
19 vicinity of the said tracks. The said Midtown Hudson tunnel shall have  
20 an appropriate entrance and exit in the township of Weehawken, county of  
21 Hudson, state of New Jersey.

22 3. The control, operation, tolls and other revenues of the said  
23 Holland tunnel and its entrance and exit plazas and of all real and  
24 personal property appurtenant thereto or used in connection therewith,  
25 shall vest in the port authority upon the making of the following  
26 payments by the port authority to each of the said two states:

27 (a) An amount equal to the moneys contributed by such state toward the  
28 cost of construction of the said Holland tunnel, with interest thereon  
29 at the rate of four and one-quarter per centum per annum from the date  
30 or dates on which such moneys were contributed by such state to the date  
31 of the payment to such state;

32 (b) Less, however, the share of such state in the net revenues of the  
33 said tunnel to the date of the said payment, and less interest on such  
34 net revenues at the rate of four and one-quarter per centum per annum  
35 from the dates on which the said net revenues were received by such  
36 state to the date of the said payment;

37 (c) And in the case of the payment to the state of New York, less an  
38 amount equal to the moneys which the said state has agreed to advance to  
39 the port authority (but which have not as yet been advanced to the port  
40 authority) in aid of bridge construction, during the fiscal years  
41 commencing in nineteen hundred thirty-one and nineteen hundred thirty-  
42 two, pursuant to chapter seven hundred and sixty-one of the laws of New  
43 York of nineteen hundred twenty-six and chapter three hundred of the  
44 laws of New York of nineteen hundred twenty-seven and acts amendatory  
45 thereof and supplemental thereto, discounted, however, in the case of  
46 each advance at the rate of four and one-quarter per centum per annum,  
47 from the date of the said payment to the state of New York to the date  
48 upon which such advance is to be available pursuant to the aforesaid  
49 statutes.

50 In computing interest as aforesaid upon the moneys contributed by each  
51 of the said two states toward the cost of construction of the said  
52 Holland tunnel, such moneys shall be deemed to have been contributed by  
53 such state upon the first day of the month following the month during  
54 which there were presented to the comptroller of such state for audit  
55 and payment, the schedules and vouchers pursuant to which such moneys  
56 were paid. In computing interest as aforesaid upon the net revenues

1 received by each of the said two states, such net revenues shall be  
2 deemed to have been received by such state upon the date when such  
3 revenues were credited to such state or to the commission of such state  
4 pursuant to paragraph eleven of article fourteen of the compact of  
5 December thirty, nineteen hundred nineteen, between the two said states.

6 4. If the amount paid by the port authority to the state of New Jersey  
7 pursuant to subdivision three of this section shall be less than an  
8 amount which, together with the moneys then in the sinking fund estab-  
9 lished by chapter three hundred and fifty-two of the laws of New Jersey  
10 of nineteen hundred twenty and chapter two hundred and sixty-two of the  
11 laws of New Jersey of nineteen hundred twenty-four, hereinafter called  
12 the New Jersey Camden bridge-Holland tunnel sinking fund (other than  
13 moneys set apart to pay interest for the then current year upon the  
14 bonds of the state of New Jersey authorized by the aforesaid acts of the  
15 state of New Jersey, hereinafter called New Jersey Camden bridge-Holland  
16 tunnel bonds), will be equal to the principal amount of the then  
17 outstanding New Jersey Camden bridge-Holland tunnel bonds, then and in  
18 such event, the port authority shall in addition pay to the state of New  
19 Jersey an amount which, together with the amount paid under and pursuant  
20 to the preceding section hereof and the moneys then in said New Jersey  
21 Camden bridge-Holland tunnel sinking fund, will be equal to the princi-  
22 pal amount of the then outstanding New Jersey Camden bridge-Holland  
23 tunnel bonds; and shall, moreover, pay to the state of New York a like  
24 amount.

25 5. The amount payable by the port authority to the state of New York  
26 pursuant to subdivisions three and four of this section shall be paid by  
27 the port authority into the treasury of the state of New York upon the  
28 thirtieth day of June, nineteen hundred thirty-one, or at an earlier  
29 date at the option of the port authority on five days' notice to the  
30 comptroller of the state of New York, upon a voucher signed and audited  
31 by the said comptroller, who is hereby authorized to consummate the said  
32 transaction.

33 6. The amount payable by the port authority to the state of New Jersey  
34 pursuant to subdivisions three and four of this section shall be paid by  
35 the port authority to the sinking fund commission created by said chap-  
36 ter three hundred and fifty-two of the laws of New Jersey of nineteen  
37 hundred twenty and said chapter two hundred and sixty-two of the laws of  
38 New Jersey of nineteen hundred twenty-four, hereinafter called the New  
39 Jersey Camden bridge-Holland tunnel sinking fund commission upon the  
40 thirtieth day of June, nineteen hundred thirty-one, or such other date  
41 as may be agreed upon by the said sinking fund commission and the port  
42 authority, upon a voucher signed and audited by the said sinking fund  
43 commission, which said commission is hereby authorized to consummate  
44 said transaction; and the said moneys shall be deposited in the said New  
45 Jersey Camden bridge-Holland tunnel sinking fund, and shall for all  
46 purposes be deemed to be a part thereof and subject to the appropriation  
47 of the moneys in the said sinking fund, made by the aforesaid statutes  
48 of the state of New Jersey.

49 7. The income and interest received from or accruing upon the moneys  
50 in the aforesaid New Jersey Camden bridge-Holland tunnel sinking fund,  
51 and from the investment thereof, shall be set apart and held by the said  
52 New Jersey Camden bridge-Holland tunnel sinking fund commission for the  
53 payment of interest on New Jersey Camden bridge-Holland tunnel bonds,  
54 and shall be subject to the appropriation made of moneys so set apart  
55 and held, by the aforesaid statutes of the state of New Jersey, and  
56 shall be applied to the payment of such interest.

1 8. Upon the making of the foregoing payments by the port authority to  
2 the two said states, the provisions of the compact of December thirty,  
3 nineteen hundred nineteen, between the said two states, relating to the  
4 construction and operation of the said Holland tunnel, as amended, so  
5 far as inconsistent herewith or with the rules, practice and procedure  
6 or general authority of the port authority, shall be and shall be deemed  
7 to be abrogated; and chapter four hundred and twenty-one of the laws of  
8 New York of nineteen hundred thirty, and chapter two hundred and forty-  
9 seven of the laws of New Jersey of nineteen hundred thirty, making the  
10 port authority the agent of the two states in connection with the opera-  
11 tion of the said Holland tunnel shall cease to be effective.

12 § 303. Bridges. 1. Except as may be agreed upon between the port  
13 authority and the municipality in which they shall be located, the  
14 approaches to the George Washington bridge hereafter constructed on the  
15 New York side shall be located as follows: between Amsterdam avenue and  
16 Pinehurst avenue, the approaches shall be located between West One  
17 hundred seventy-eighth street and West One hundred seventy-ninth street;  
18 between Pinehurst avenue and Cabrini boulevard, the approaches shall be  
19 between West One hundred seventy-eighth street and West One hundred  
20 eightieth street; between Cabrini boulevard and Haven avenue, the  
21 approaches shall be between West One hundred seventy-seventh street and  
22 the line parallel to the northerly side of West One hundred eightieth  
23 street and one hundred twenty-five feet north of the building line on  
24 the north side thereof; between Haven avenue and Service street north of  
25 the George Washington bridge, the approaches shall be between the bridge  
26 and an extension of the building line on the northerly side of West One  
27 hundred eightieth street. Except as so limited, the port authority may  
28 effectuate such approaches, connections, highway extensions or highway  
29 improvements as it shall deem necessary or desirable in relation to the  
30 George Washington bridge, located in or extending across the counties in  
31 which such bridge is located, and, in its discretion, may do so by  
32 agreement with any other public agency; such agreement may provide for  
33 the construction, ownership, maintenance or operation of such  
34 approaches, connections or highway extensions or highway improvements by  
35 such other public agency.

36 2. The port authority is hereby authorized and empowered, in its  
37 discretion, to construct, own, maintain and operate in Washington  
38 Heights in the borough of Manhattan, New York city, as an addition and  
39 improvement to the vehicular bridge over the Hudson river at Fort Lee,  
40 known as and hereinafter in this section referred to as the George Wash-  
41 ington bridge, a bus passenger facility, by which is meant a facility  
42 consisting of one or more buildings, structures, improvements, loading  
43 or unloading areas, parking areas or other facilities necessary, conven-  
44 ient or desirable in the opinion of the port authority for the accommo-  
45 dation of omnibuses and other motor vehicles operated by carriers  
46 engaged in the transportation of passengers, or for the loading, unload-  
47 ing, interchange or transfer of such passengers or their baggage, or  
48 otherwise for the accommodation, use or convenience of such passengers  
49 or such carriers or their employees and for purposes incidental thereto.

50 3. Nothing herein contained shall be deemed to prevent the port  
51 authority from establishing, levying and collecting tolls and other  
52 charges in connection with such bus passenger facility in addition to  
53 and other than the tolls or charges established, levied and collected in  
54 connection with the George Washington bridge or any other bridge or  
55 tunnel.

§ 304. Studies and reporting. The port authority shall from time to time make studies, surveys and investigations to determine the necessity and practicability of vehicular bridges and tunnels over or under interstate waters within the port of New York district, in addition to the Midtown Hudson tunnel and Holland tunnel and to the George Washington bridge, Goethals bridge, Outerbridge Crossing and Bayonne bridge, and report to the governors and legislatures of the two states thereon. The port authority shall not proceed with the construction of any such additional vehicular bridges and tunnels over or under said interstate waters until hereafter expressly authorized by the two said states, but the second deck of the George Washington bridge shall be considered an addition and improvement to the said bridge and not such an additional vehicular bridge, and the port authority's power and authorization to construct, own, maintain and operate said second deck for highway vehicular or rail rapid transit traffic or both is hereby acknowledged and confirmed.

§ 305. Inspections. The port authority shall inspect bridges located within the state of New York and under the authority's jurisdiction in accordance with criteria established for other publicly-owned bridges within the state.

§ 306. Construction, maintenance and operation. 1. The port authority shall, so far as it deems it practicable, treat as a single unified operation the construction, maintenance and operation of the said Midtown Hudson tunnel, the Holland tunnel, the two vehicular bridges over the Arthur Kill, the vehicular bridge over the Kill van Kull, the vehicular bridge over the Hudson river at Fort Lee, and any other vehicular bridges or tunnels which it may construct or operate, raising moneys for the construction thereof and for the making of additions and improvements thereto in whole or in part upon its own obligations, and establishing and levying such tolls and other charges as it may deem necessary to secure from all of such bridges and tunnels as a group, at least sufficient revenue to meet the expenses of the construction, maintenance and operation of such bridges and tunnels as a group, and to provide for the payment of the interest upon and amortization and retirement of and the fulfillment of the terms of all bonds and other securities and obligations which it may have issued or incurred in connection therewith.

2. The additions and improvements to bridges and tunnels constructed or operated by it which the port authority is hereby authorized to effectuate shall include but not be limited to parking facilities, by which is meant transportation facilities consisting of one or more areas, buildings, structures, improvements, or other accommodations or appurtenances necessary, convenient or desirable in the opinion of the port authority for the parking or storage of motor vehicles of users of such bridges and tunnels and other members of the general public and for the transfer of the operators and passengers of such motor vehicles to and from omnibuses and other motor vehicles operated by carriers over or through such bridges or tunnels, and for purposes incidental thereto.

3. Nothing herein contained shall be deemed to prevent the port authority from establishing, levying and collecting tolls and other charges in connection with any parking facility in addition to and other than the tolls or charges established, levied and collected in connection with the bridge or tunnel to which such parking facility is an addition and improvement or any other bridge or tunnel.

4. The port authority shall not proceed with the construction of any parking facility as an addition and improvement to any bridge or tunnel

1 other than a parking facility in the township of North Bergen in the  
2 state of New Jersey at or in the vicinity of the Midtown Hudson tunnel  
3 and its approaches and connections, except as heretofore or hereafter  
4 expressly authorized.

5 5. The plans of the connections with state or municipal highways of  
6 any vehicular bridge or tunnel which the port authority may hereafter  
7 construct (including the plans of any additional connections of existing  
8 bridges or tunnels with state or municipal highways), shall be subject  
9 to the approval of the governor of the state in which such connections  
10 shall be located. Either state may require by appropriate legislation  
11 that such connections shall be subject to the approval of the munici-  
12 pality of that state in which they shall be located; and in such event,  
13 the approval of such municipality shall be given as provided in subdivi-  
14 sion two of section one hundred three of this article. Except as limit-  
15 ed herein, the port authority shall determine all matters pertaining to  
16 such bridges and tunnels.

17 6. The construction, maintenance and operation of vehicular bridges  
18 and tunnels within the said port of New York district (including the  
19 said Holland tunnel and the said Midtown Hudson tunnel), are and will be  
20 in all respects for the benefit of the people of the states of New York  
21 and New Jersey, for the increase of their commerce and prosperity and  
22 for the improvement of their health and living conditions; and the port  
23 authority shall be regarded as performing an essential governmental  
24 function in undertaking the construction, maintenance and operation  
25 thereof and in carrying out the provisions of law relating thereto, and  
26 shall be required to pay no taxes or assessments upon any of the proper-  
27 ty acquired or used by it for such purposes.

28 7. If for any of the purposes of this part (including temporary  
29 construction purposes, and the making of additions or improvements to  
30 bridges or tunnels already constructed), the port authority shall find  
31 it necessary or convenient to acquire any real property as herein  
32 defined, whether for immediate or future use, the port authority may  
33 find and determine that such property, whether a fee simple absolute or  
34 a lesser interest, is required for a public use, and upon such determi-  
35 nation, the said property shall be and shall be deemed to be required  
36 for such public use until otherwise determined by the port authority;  
37 and with the exceptions hereinafter specifically noted, the said deter-  
38 mination shall not be affected by the fact that such property has there-  
39 tofore been taken for, or is then devoted to, a public use; but the  
40 public use in the hands or under the control of the port authority shall  
41 be deemed superior to the public use in the hands of any other person,  
42 association or corporation.

43 8. The port authority may acquire and is hereby authorized to acquire  
44 such property, whether a fee simple absolute or a lesser interest, by  
45 the exercise of the right of eminent domain under and pursuant to the  
46 provisions of the eminent domain procedure law of the state of New York,  
47 in the case of property located in such state, and revised statutes of  
48 New Jersey, Title 20:1-1 et seq., in the case of property located in  
49 such state, or at the option of the port authority as provided in  
50 section fifteen of chapter forty-three of the laws of New Jersey of  
51 nineteen hundred forty-seven, as amended, for the condemnation of real  
52 property for air terminal purposes, in the case of property located in  
53 such state, or pursuant to such other and alternate procedure as may be  
54 provided by law.

55 9. Where a person entitled to an award in the proceedings to acquire  
56 any real property for any of the purposes of this part, remains in

1 possession of such property after the time of the vesting of title in  
2 the port authority, the reasonable value of his use and occupancy of  
3 such property subsequent to such time, as fixed by agreement or by the  
4 court in such proceedings or by any court of competent jurisdiction,  
5 shall be a lien against such award, subject only to liens of record at  
6 the time of the vesting of title in the port authority.

7 10. Nothing herein contained shall be construed to prohibit the port  
8 authority from bringing any proceedings to remove a cloud on title or  
9 such other proceedings as it may, in its discretion, deem proper and  
10 necessary, or from acquiring any such property by negotiation or  
11 purchase.

12 11. Anything in this act to the contrary notwithstanding, no property  
13 now or hereafter vested in or held by any county, city, borough,  
14 village, township or other municipality shall be taken by the port  
15 authority, without the authority or consent of such county, city,  
16 borough, village, township or other municipality as provided in part one  
17 of this article, provided that the state in which such county, city,  
18 borough, village, township or other municipality is located may author-  
19 ize such property to be taken by the port authority by condemnation or  
20 the exercise of the right of eminent domain without such authority or  
21 consent; nor shall anything herein impair or invalidate in any way any  
22 bonded indebtedness of the state, or such county, city, borough,  
23 village, township or other municipality, nor impair the provisions of  
24 law regulating the payment into sinking funds of revenue derived from  
25 municipal property, or dedicating the revenues derived from municipal  
26 property, to a specific purpose. The port authority is hereby authorized  
27 and empowered to acquire from any such county, city, borough, village,  
28 township or other municipality, or from any other public agency or  
29 commission having jurisdiction in the premises, by agreement therewith,  
30 and such county, city, borough, village, township, municipality, public  
31 agency or commission, notwithstanding any contrary provision of law, is  
32 hereby authorized and empowered to grant and convey upon reasonable  
33 terms and conditions, any real property, which may be necessary for the  
34 construction, operation and maintenance of such bridges and tunnels,  
35 including such real property as has already been devoted to a public  
36 use. Each of the two said states hereby consent to the use and occupa-  
37 tion of the real property of such state necessary for the construction,  
38 operation and maintenance of bridges and tunnels constructed or operated  
39 pursuant to the provisions of this part, including lands of the state  
40 lying under water.

41 12. The port authority and its duly authorized agents and employees  
42 may enter upon any land in this state for the purpose of making such  
43 surveys, maps, or other examinations thereof as it may deem necessary or  
44 convenient for the purposes of this part.

45 13. The term "real property" as used in this section is defined to  
46 include lands, structures, franchises, and interests in land, including  
47 lands under water and riparian rights, and any and all things and rights  
48 usually included within the said term, and includes not only fees simple  
49 absolute but also any and all lesser interests, such as easements,  
50 rights of way, uses, leases, licenses and all other incorporeal heredi-  
51 taments and every estate, interest or right, legal or equitable, includ-  
52 ing terms of years, and liens thereon by way of judgments, mortgages or  
53 otherwise, and also claims for damage to real estate.

54 14. Nothing herein contained shall be construed to authorize or permit  
55 the port authority to undertake the construction of any vehicular bridge  
56 or tunnel over or under the Arthur Kill, unless or until adequate

1 provision has been made by law for the protection of those advancing  
2 money upon the obligations of the port authority for the construction of  
3 the bridges mentioned in chapter two hundred and ten of the laws of  
4 nineteen hundred twenty-five, or the construction of any vehicular  
5 bridge or tunnel over or under the Hudson river, at or north of Sixtieth  
6 street in the borough of Manhattan, city of New York, unless or until  
7 adequate provision has been made by law for the protection of those  
8 advancing money upon the obligations of the port authority for the  
9 construction of the bridge mentioned in chapter seven hundred and  
10 sixty-one of the laws of nineteen hundred twenty-six, or the  
11 construction of any vehicular bridge or tunnel over or under the Kill  
12 van Kull unless or until adequate provision has been made by law for the  
13 protection of those advancing money upon the obligations of the port  
14 authority for the construction of the bridge mentioned in chapter three  
15 hundred of the laws of nineteen hundred twenty-seven.

16 § 307. Rules and regulations relating to tunnels and bridges. 1. The  
17 port authority is hereby authorized to make and enforce such rules and  
18 regulations and to establish, levy and collect such tolls and other  
19 charges in connection with any vehicular bridges and tunnels which it  
20 may now or hereafter be authorized to own, construct, operate or control  
21 (including the said Holland tunnel and the said Midtown Hudson tunnel),  
22 as it may deem necessary, proper or desirable, which said tolls and  
23 charges shall be at least sufficient to meet the expenses of the  
24 construction, operation and maintenance thereof, and to provide for the  
25 payment of, with interest upon, and the amortization and retirement of  
26 bonds or other securities or obligations issued or incurred for bridge  
27 or tunnel purposes. There shall be allocated to the cost of the  
28 construction, operation and maintenance of such bridges and tunnels,  
29 such proportion of the general expenses of the port authority as it  
30 shall deem properly chargeable thereto.

31 2. The moneys in the general reserve fund of the port authority  
32 (authorized by chapter five of the laws of New Jersey of nineteen  
33 hundred thirty-one, as amended, and chapter forty-eight of the laws of  
34 New York of nineteen hundred thirty-one, as amended and continued by  
35 part XXIX of this article) may be pledged in whole or in part by the  
36 port authority as security for or applied by it to the repayment with  
37 interest of any moneys which it may raise upon bonds or other securities  
38 or obligations issued or incurred from time to time for any of the  
39 purposes of this part or secured in whole or in part by the pledge of  
40 the revenues of the port authority from any bridge or tunnel or both so  
41 issued or incurred and so secured; and the moneys in said general  
42 reserve fund may be applied by the port authority to the fulfillment of  
43 any other undertakings which it may assume to or for the benefit of the  
44 holders of any such bonds, securities or other obligations.

45 3. Subject to prior liens and pledges (and to the obligation of the  
46 port authority to apply revenues to the maintenance of its general  
47 reserve fund in the amount prescribed by the said statutes authorizing  
48 said fund), the revenues of the port authority from facilities estab-  
49 lished, constructed, acquired or effectuated through the issuance or  
50 sale of bonds of the port authority secured by a pledge of its general  
51 reserve fund may be pledged in whole or in part as security for or  
52 applied by it to the repayment with interest of any moneys which it may  
53 raise upon bonds or other securities or obligations issued or incurred  
54 from time to time for any of the purposes of this part or secured in  
55 whole or in part by the pledge of the revenues of the port authority  
56 from any bridge or tunnel or both so issued or incurred and so secured,

1 and said revenues may be applied by the port authority to the fulfill-  
2 ment of any other undertakings which it may assume to or for the benefit  
3 of the holders of such bonds, securities or other obligations.

4 In the event that at any time the balance of moneys theretofore paid  
5 into the general reserve fund and not applied therefrom shall exceed an  
6 amount equal to one-tenth of the par value of all bonds legal for  
7 investment, as defined and limited in the said statutes authorizing said  
8 fund, issued by the port authority and currently outstanding at such  
9 time, by reason of the retirement of bonds or other securities or obli-  
10 gations issued or incurred from time to time for any of the purposes of  
11 this part or secured in whole or in part by the pledge of the revenues  
12 of the port authority from any bridge or tunnel or both so issued or  
13 incurred and so secured, the par value of which had theretofore been  
14 included in the computation of said one-tenth, then the port authority  
15 may pledge or apply such excess for and only for the purposes for which  
16 it is authorized by the said statutes authorizing said fund to pledge  
17 the moneys in the general reserve fund and such pledge may be made in  
18 advance of the time when such excess may occur.

19 § 308. Bonds. 1. The two said states covenant and agree with each  
20 other and with the holders of any bonds or other securities or obli-  
21 gations of the port authority, issued or incurred for bridge or tunnel  
22 purposes and as security for which there may or shall be pledged the  
23 tolls and revenues or any part thereof of any vehicular bridge or tunnel  
24 (including the said Holland tunnel and the said Midtown Hudson tunnel),  
25 that the two said states will not, so long as any of such bonds or other  
26 obligations remain outstanding and unpaid, diminish or impair the power  
27 of the port authority to establish, levy and collect tolls and other  
28 charges in connection therewith; and that the two said states will not,  
29 so long as any of such bonds or other obligations remain outstanding and  
30 unpaid, authorize the construction of any vehicular bridges or tunnels  
31 over or under interstate waters as herein defined within the said port  
32 of New York district, by any person or body other than the port authori-  
33 ty, in competition with those whose tolls or other revenues are pledged  
34 as aforesaid; provided that nothing herein contained shall be deemed to  
35 refer to the bridge authorized by the act of congress of July eleven,  
36 eighteen hundred ninety, chapter six hundred and sixty-nine, and acts  
37 amendatory thereof and supplemental thereto; and provided further that  
38 nothing herein contained shall preclude the authorization of the  
39 construction of such competitive tunnels or bridges by other persons or  
40 bodies if and when adequate provision shall be made by law for the  
41 protection of those advancing money upon such obligations.

42 2. The bonds or other securities or obligations which may be issued or  
43 incurred by the port authority pursuant to this part, or as security for  
44 which there may be pledged the tolls and other revenues or any part  
45 thereof of any vehicular bridge or tunnel (including the said Holland  
46 tunnel and the said Midtown Hudson tunnel) now or hereafter authorized  
47 by the two said states or both so issued or incurred and so secured, are  
48 hereby made securities in which all state and municipal officers and  
49 bodies, all banks, bankers, trust companies, savings banks, savings and  
50 loan associations, investment companies and other persons carrying on a  
51 banking business, all insurance companies, insurance associations and  
52 other persons carrying on an insurance business, and all administrators,  
53 executors, guardians, trustees and other fiduciaries and all other  
54 persons whatsoever who are now or may hereafter be authorized to invest  
55 in bonds or other obligations of the state, may properly and legally  
56 invest any funds, including capital, belonging to them or within their

1 control; and said bonds or other securities or obligations are hereby  
2 made securities which may properly and legally be deposited with and  
3 shall be received by any state or municipal officer or agency for any  
4 purpose for which the deposit of bonds or other obligations of this  
5 state is now or may hereafter be authorized.

6 § 309. Compact. 1. This section and the preceding sections of this  
7 part, constitute an agreement between the states of New York and New  
8 Jersey supplementary to the compact between the two states dated April  
9 thirty, nineteen hundred twenty-one, and amendatory thereof, and shall  
10 be liberally construed to effectuate the purposes of said compact and of  
11 the comprehensive plan heretofore adopted by the two states, and any  
12 powers granted to the port authority by this part shall be deemed to be  
13 in aid of and supplementary to and in no case a limitation upon the  
14 powers heretofore vested in the port authority by the two said states  
15 and/or by congress, except as herein otherwise provided.

16 2. Any declarations contained in this part with respect to the govern-  
17 mental nature of bridges and tunnels and to the exemption of bridge and  
18 tunnel property from taxation and to the discretion of the port authori-  
19 ty with respect to bridge and tunnel operations shall not be construed  
20 to imply that other port authority property and operations are not of a  
21 governmental nature, or that they are subject to taxation, or that the  
22 determinations of the port authority with respect thereto are not  
23 conclusive.

24 3. The powers vested in the port authority herein (including but not  
25 limited to the powers to acquire real property by condemnation and to  
26 make or effectuate additions, improvements, approaches and connections)  
27 shall be continuing powers and no exercise thereof shall be deemed to  
28 exhaust them or any of them.

29 4. Nothing herein contained shall be construed to affect, diminish or  
30 impair the rights and obligations created by, or to repeal any of the  
31 provisions of chapter three hundred and fifty-two of the laws of New  
32 Jersey of nineteen hundred twenty and chapter two hundred and sixty-two  
33 of the laws of New Jersey of nineteen hundred twenty-four.

34 5. If, however, any loss shall be suffered by or accrue to the said  
35 sinking fund, and if, after the making of the payment by the port  
36 authority to the state of New Jersey as hereinbefore provided, the  
37 moneys in the said sinking fund shall at any time be or become less than  
38 an amount equal to the principal amount of the then currently outstand-  
39 ing New Jersey Camden bridge-Holland tunnel bonds, or if the income and  
40 interest currently received from or currently accruing upon the moneys  
41 in the said sinking fund shall be or become insufficient to pay the  
42 interest currently accruing upon or currently payable in connection with  
43 the aforesaid New Jersey Camden bridge-Holland tunnel bonds, the state  
44 of New Jersey represents and agrees that it will make good such deficits  
45 out of sources other than revenues from the said Holland tunnel.

46 6. The said payment by the port authority to the state of New Jersey  
47 constitutes repayment for all moneys contributed by the said state  
48 toward the cost of construction of the said Holland tunnel, including  
49 the moneys diverted and appropriated by chapter three hundred and nine-  
50 teen of the laws of New Jersey of nineteen hundred twenty-six and chap-  
51 ter fifty-eight of the laws of New Jersey of nineteen hundred twenty-  
52 seven from the road fund, created by chapter fifteen of the laws of New  
53 Jersey of nineteen hundred seventeen. The requirement of chapter fifty-  
54 eight of the laws of New Jersey of nineteen hundred twenty-seven that  
55 the said moneys diverted and appropriated by the said statutes of the  
56 state of New Jersey shall be returned and credited to the said road

1 fund, with interest, shall be and shall be deemed to be satisfied and  
2 discharged so far as it relates to the revenues arising from the opera-  
3 tion of the said Holland tunnel.

4 7. The provisions of this section shall constitute a covenant and  
5 agreement by the state of New York with the state of New Jersey, the  
6 port authority and the holders of any bonds or other obligations of the  
7 port authority, as security for which the tolls and revenues of said  
8 Holland tunnel may be pledged.

9 8. Nothing herein contained shall be construed to impair in any way  
10 the obligation of the port authority to repay to the two states any or  
11 all advances made by them to the port authority in aid of bridge  
12 construction.

#### 13 PART IV

#### 14 APPROVAL OR VETO POWER OF THE GOVERNOR

15 Section 401. Approval or veto power.

16 402. Procurement.

17 403. Effect of veto.

18 404. Exception to reporting requirement.

19 § 401. Approval or veto power. Except as provided by this part, no  
20 action taken at any meeting of the port authority by any commissioner  
21 appointed from the state of New York shall have force or effect until  
22 the governor of the state of New York shall have an opportunity to  
23 approve or veto the same under the provisions of article sixteen of the  
24 port compact or treaty entered into between the states of New York and  
25 New Jersey, dated April thirtieth, nineteen hundred and twenty-one and  
26 continued by subdivision four of section one hundred eight of this arti-  
27 cle.

28 § 402. Procurement. For the purpose of procuring such approval or  
29 veto, the secretary or other officer of the port authority in charge of  
30 the minutes of the proceedings of that body shall transmit to the gover-  
31 nor at the executive chamber in Albany a certified copy of the minutes  
32 of every meeting of the port authority as soon after the holding of such  
33 meeting as such minutes can be written out. The governor shall, within  
34 ten days, Saturdays, Sundays and public holidays excepted, after such  
35 minutes shall have been delivered at the executive chamber as aforesaid,  
36 cause the same to be returned to the port authority either with his  
37 approval or with his veto of any action therein recited as having been  
38 taken by any commissioner appointed from the state of New York,  
39 provided, however, that if the governor shall not return the said  
40 minutes within the said period then at the expiration thereof any action  
41 therein recited will have full force and effect according to the wording  
42 thereof.

43 § 403. Effect of veto. If the governor within the said period returns  
44 the said minutes with a veto against the action of any commissioner from  
45 New York as recited therein, then such action of such commissioner shall  
46 be null and void.

47 § 404. Exception to reporting requirement. The governor may by order  
48 filed with the secretary of the port authority relieve the commissioners  
49 from the duty of procuring his approval of their action upon any partic-  
50 ular matter or class of matters, and thereupon the secretary or other  
51 officer in charge of the minutes of the proceedings of that body shall  
52 be relieved from reporting the same to him.

PART V  
MOTOR TRUCK TERMINALS

Section 501. Motor truck terminals.

502. Acquisition of real property for public use.

§ 501. Motor truck terminals. The bonds or other obligations which may be issued by the port authority from time to time to provide funds for the establishment, acquisition and rehabilitation of motor truck terminals (by which are meant terminals consisting of one or more platforms, sheds, buildings, structures, facilities or improvements necessary, convenient or desirable in the opinion of the port authority for the accommodation of motor trucks for the loading or unloading of freight upon or from motor trucks or the receipt, delivery, storage or handling of freight transported or to be transported by motor trucks or the interchange or transfer thereof between carriers) located at such point or points within the port of New York district as the port authority may deem to be desirable and in the public interest, or for the acquisition of real or personal property in connection therewith, or for any other purpose in connection with the establishment, acquisition, construction, rehabilitation, maintenance or operation of such truck terminals or any of them, are hereby made securities in which all state and municipal officers and bodies, all banks, bankers, trust companies, savings banks, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all administrators, executors, guardians, trustees and other fiduciaries, and all other persons whatsoever, who are now or may hereafter be authorized to invest in bonds or other obligations of the state, may properly and legally invest any funds, including capital, belonging to them or within their control; and said obligations are hereby made securities which may properly and legally be deposited with and shall be received by any state or municipal officer or agency for any purpose for which the deposit of bonds or other obligations of this state is now or may hereafter be authorized.

§ 502. Acquisition of real property for public use. If, for the purpose of effectuating, acquiring, constructing, rehabilitating or improving any motor truck terminal, the port authority shall find it necessary or convenient to acquire any real property, as herein defined in this state, whether for immediate or future use, the port authority may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for public use, and upon such determination, the said property shall be and shall be deemed to be required for such public use until otherwise determined by the port authority.

If the port authority is unable to agree for the acquisition of any such real property for any reason whatsoever, then the port authority may acquire and is hereby authorized to acquire such property, whether a fee simple absolute or a lesser interest, by the exercise of the right of eminent domain under and pursuant to the provisions of the eminent domain procedure law.

The power of the port authority to acquire real property hereunder shall be a continuing power, and no exercise thereof shall be deemed to exhaust it.

Anything in this part to the contrary notwithstanding, no property now or hereafter vested in or held by the state or any county, city, borough, village, township or other municipality shall be taken by the port authority, without the authority or consent of the state or of such

1 county, city, borough, village, township or other municipality as  
2 provided in the compact of April thirty, nineteen hundred twenty-one,  
3 between the states of New York and New Jersey and continued by part I of  
4 this article, nor shall anything herein impair or invalidate in any way  
5 any bonded indebtedness of the state, or such county, city, borough,  
6 village, township or other municipality, nor impair the provisions of  
7 law regulating the payment into sinking funds of revenue derived from  
8 municipal property, or dedicating the revenues derived from municipal  
9 property, to a specific purpose. Moreover, no property devoted to  
10 public use by any railroad or railway corporation, or public utility  
11 corporation, or by any other corporation, shall be taken by the port  
12 authority without the authority or consent of such corporation. The  
13 port authority is hereby authorized and empowered to acquire from any  
14 such county, city, borough, village, township or other municipality, or  
15 from any other public agency or commission having jurisdiction in the  
16 premises, or from any such corporation, by agreement therewith, and such  
17 county, city, borough, village, township, municipality, public agency,  
18 commission, or corporation, notwithstanding any contrary provision of  
19 law, is hereby authorized and empowered to grant and convey upon reason-  
20 able terms and conditions any real property, which may be necessary for  
21 the establishment, construction, acquisition, rehabilitation, mainte-  
22 nance and operation of such truck terminals, including such real proper-  
23 ty as has already been devoted to a public use.

24 The port authority and its duly authorized agents and employees may,  
25 in the case of land situate in the state of New York subject to the  
26 provisions of the eminent domain procedure law and in any other case as  
27 provided by law, enter upon any land in this state for the purpose of  
28 making such surveys, maps, or other examinations thereof as it may deem  
29 necessary or convenient for the purposes of this part.

30 The term "real property" as used in this part is defined to include  
31 lands, structures, franchises and interests in land, including lands  
32 under water and riparian rights, and any and all things and rights  
33 usually included within the said term, and includes not only fees simple  
34 absolute but also any and all lesser interests, such as easements,  
35 rights of way, uses, leases, licenses and all other incorporeal heredi-  
36 taments and every estate, interest or right, legal or equitable, includ-  
37 ing terms of years, and liens thereon by way of judgments, mortgages or  
38 otherwise, and also claims for damages to real estate.

## 39 PART VI

### 40 PAYMENT AND ACCEPTANCE OF A FAIR AND REASONABLE SUM

41 Section 601. Payment of a fair and reasonable sum.

42 602. Acceptance of payment.

43 § 601. Payment of a fair and reasonable sum. To the end that counties,  
44 cities, boroughs, villages, towns, townships and other municipalities in  
45 the port of New York district, may not suffer undue loss of taxes and  
46 assessments by reason of the acquisition and ownership of property ther-  
47 ein by the port authority, the port authority is hereby authorized and  
48 empowered, in its discretion, to enter into a voluntary agreement or  
49 agreements with any county, city, borough, village, town, township or  
50 other municipality in said port district, whereby it will undertake to  
51 pay a fair and reasonable sum or sums annually in connection with any  
52 marine or inland terminal property owned by it, not in excess of the sum  
53 last paid as taxes upon such property prior to the time of its acquisi-  
54 tion by the port authority. Such payment or payments which the port

1 authority is hereby authorized and empowered to make, shall be in such  
2 amount or amounts and shall be payable at such time or times and under  
3 such terms and conditions as shall be agreed upon by and between the  
4 port authority and such county, city, village, borough, town, township  
5 or other municipality concerned.

6 § 602. Acceptance of payment. Every county, city, village, borough,  
7 town, township or other municipality in the port of New York district  
8 aforesaid is hereby authorized and empowered to enter into such agree-  
9 ment or agreements with the port authority to accept the payment or  
10 payments which the port authority is hereby authorized and empowered to  
11 make. The sums so received by any county, city, village, borough, town,  
12 township or other municipality shall be devoted to purposes to which  
13 taxes may be applied, unless and until otherwise directed by the law of  
14 the state in which such municipality is located.

15 PART VII

16 PAYMENT AND ACCEPTANCE OF A FAIR AND  
17 REASONABLE SUM FOR A CHANGE IN GRADE

18 Section 701. Change of grade.

19 § 701. Change of grade. To the end that the owners of property in the  
20 port of New York district abutting upon streets, avenues or other high-  
21 ways, the grade of which will be changed by reason of the construction  
22 by the port authority of any public improvement in the port of New York  
23 district, may not suffer undue loss and injury by reason of such change  
24 of grade, the authority is hereby authorized and empowered, in its  
25 discretion, to enter into voluntary agreements with such abutting owners  
26 of property which is built upon or otherwise improved in conformity with  
27 the grade of any street, avenue or other highway established by lawful  
28 authority in the port of New York district, whereby it will undertake to  
29 pay a fair and reasonable sum to such abutting owners for the damage  
30 occasioned by such change of grade to the buildings and improvements on  
31 such property. The term "owners" as used in this section shall include  
32 all persons having any estate, interest, or easement in such property,  
33 or any lien, charge or encumbrance thereon. Such payments which the  
34 authority is hereby authorized and empowered to make, shall be in such  
35 amounts and shall be payable at such times and under such terms and  
36 conditions as shall be agreed upon by and between the authority and such  
37 owners concerned.

38 PART VIII

39 THE SALE OF REAL PROPERTY ACQUIRED BY THE PORT AUTHORITY

40 Section 801. Procedure.

41 802. Conveyances.

42 § 801. Procedure. Whenever the port authority shall determine to sell  
43 any real property which may have been acquired by the port authority by  
44 purchase, condemnation or otherwise, pursuant to any of its powers and  
45 authorities, but which real property is no longer required for such  
46 purposes, the following procedure shall be followed:

47 1. A map shall be made of such real property so determined as no long-  
48 er required, which map shall be filed in the office of the port authori-  
49 ty.

50 2. There shall be annexed to such map a certificate executed by the  
51 chief engineer of the port authority stating that such real property is  
52 no longer required for such purposes.

1 3. All or any portion of said real property may be sold at either  
2 private or public sale, and all deeds of conveyance therefor shall be by  
3 bargain and sale and shall be executed by the chairman, or the vice  
4 chairman, or the general manager, or an assistant general manager of the  
5 port authority and attested by the secretary thereof.

6 § 802. Conveyances. The validity of all conveyances heretofore made by  
7 the port authority is hereby ratified and confirmed.

8 PART IX

20 thousand dollars, respectively, to the port authority for preliminary  
21 studies upon the interstate vehicular bridges now known as the Outer-  
22 bridge crossing, the Goethals bridge and the Bayonne bridge, pursuant to  
23 agreements between the two states that said moneys should be paid back  
24 when the construction debt has been amortized, and said two states  
25 having advanced further sums aggregating four million dollars each in  
26 aid of the construction of said bridges pursuant to agreements between  
27 the two states that said moneys should be paid back out of bridge reven-  
28 ues in specified annual installments, if and when earned over prior  
29 charges, and the revenues from said bridges having been insufficient to  
30 permit any such payments up to the present time but the port authority  
31 being in a position to fund its obligations to pay back said appropri-  
32 ations, now, therefore, upon the concurrence of the state of New Jersey  
33 as provided in section eight hereof, the states of New York and New  
34 Jersey hereby agree that the obligations of the port authority to pay  
35 back said moneys may be satisfied and discharged by the delivery to the  
36 two states of bonds or moneys, or both, in an aggregate principal amount  
37 equal to said appropriations, as hereinafter provided.

38 § 902. Delivery of bonds and/or moneys. Bonds, or moneys, or both, in  
39 an aggregate principal amount of two million fifty thousand dollars  
40 shall be delivered to each state within three months after the date on  
41 which chapter three hundred fifty-two of the laws of nineteen hundred  
42 forty-six and the concurrent article of the state of New Jersey take  
43 effect. Within fifteen months after the date on which chapter three  
44 hundred fifty-two of the laws of nineteen hundred forty-six and the  
45 concurrent article of the state of New Jersey take effect, an additional  
46 two million ninety-nine thousand nine hundred eighteen dollars and twen-  
47 ty cents in aggregate principal amount of bonds or moneys, or both,  
48 shall be delivered to the state of New York and an additional two  
49 million one hundred thousand dollars in aggregate principal amount of  
50 bonds, or moneys, or both shall be delivered to the state of New Jersey  
51 provided, that if, in the opinion of the commissioners of the port  
52 authority, financial conditions are such as to make it desirable to  
53 postpone such delivery, then delivery of said additional amounts shall  
54 be postponed in whole or in part until such time, not later than five

1 years from the effective date of chapter three hundred fifty-two of the  
2 laws of nineteen hundred forty-six, as in the judgment of said commis-  
3 sioners financial conditions permit such delivery.

4 The port authority shall determine whether payments made pursuant to  
5 this part and the concurrent article of the state of New Jersey shall be  
6 made by delivery of bonds or of moneys, or both, and, if both, in what  
7 proportions. The moneys may, at the option of the port authority, be  
8 paid in cash or by check. Delivery of bonds or moneys to the state of  
9 New York shall be made by delivering or tendering delivery thereof to  
10 the comptroller of the state of New York at his office at Albany during  
11 regular business hours. Delivery of bonds or moneys to the state of New  
12 Jersey shall be made by delivering or tendering delivery thereof to the  
13 state treasurer at his office at Trenton during regular business hours.

14 § 903. Direct and general obligations of the port authority. The  
15 bonds delivered to the two states pursuant to this part and the concur-  
16 rent article of the state of New Jersey shall be direct and general  
17 obligations of the port authority, and its full faith and credit shall  
18 be pledged for the prompt payment of the principal and interest thereof.  
19 The payment of the principal and interest thereof shall be secured by  
20 the general reserve fund of the port authority, authorized by chapter  
21 forty-eight of the laws of New York of nineteen hundred and thirty-one  
22 and continued by part XXIX of this article, and chapter five of the laws  
23 of New Jersey of nineteen hundred and thirty-one; and said general  
24 reserve fund shall be pledged as security for the payment of the princi-  
25 pal and interest of said bonds and for the fulfillment of other under-  
26 takings assumed by the port authority to or for the benefit of the hold-  
27 ers of said bonds. Such pledge, however, shall be subject to the right  
28 of the port authority to pledge said general reserve fund as security  
29 for any other bonds, notes or evidences of indebtedness whatsoever here-  
30 after issued by the authority as security for which it may at the time  
31 be authorized to pledge the said general reserve fund, and also subject  
32 to the right of the port authority to use the moneys in said general  
33 reserve fund to meet, pay or otherwise fulfill any of its obligations  
34 under or in connection with any bonds, notes or other evidences of  
35 indebtedness as security for which said general reserve fund has hereto-  
36 fore been or is now pledged or for which said general reserve fund may  
37 hereafter be pledged. Moreover, no greater rights in or to said general  
38 reserve fund shall be granted to or conferred upon the holders of the  
39 bonds delivered to the two states pursuant to this part and the concur-  
40 rent article of the state of New Jersey than have been granted to and  
41 conferred upon the holders of general and refunding bonds of the port  
42 authority issued pursuant to the resolution of the port authority  
43 adopted March eighteenth, nineteen hundred and thirty-five, and amended  
44 March twenty-fifth, nineteen hundred and thirty-five and September  
45 sixteenth, nineteen hundred and forty-three.

46 The bonds delivered to the two states pursuant to chapter three  
47 hundred fifty-two of the laws of nineteen hundred forty-six and contin-  
48 ued by this part and the concurrent article of the state of New Jersey  
49 shall be dated as of a date not more than thirty days subsequent to the  
50 date on which delivery is made or tendered, shall mature forty years  
51 from their date, and shall bear interest at the rate of one and one-half  
52 per centum per annum. Said bonds shall be subject to redemption at the  
53 option of the port authority, in whole or in part, on any interest  
54 payment date or dates at one hundred percent of their par value, plus  
55 accrued interest to the date set for redemption.

1 Except as hereinbefore specifically provided, the port authority  
2 shall, by resolution, determine the form, characteristics and all other  
3 matters in connection with said bonds, including without limiting the  
4 generality hereof, the denominations in which they shall be issued,  
5 provisions with respect to the exchange of bonds of one denomination  
6 into bonds of another denomination, provisions with respect to the issu-  
7 ance of temporary bonds and the exchange thereof for definitive bonds,  
8 provisions with respect to the establishment of a sinking fund or sink-  
9 ing funds and for the use of the moneys in sinking fund to purchase or  
10 redeem bonds prior to their maturity, provisions with respect to the  
11 place of payment, provisions with respect to notice of redemption,  
12 provisions with respect to the paying agent or the registrar and  
13 provisions with respect to the method of signature.

14 § 904. Securities. The bonds delivered by the port authority to  
15 either or both states pursuant to this part and the concurrent article  
16 of the state of New Jersey, and any bonds, notes or other evidences of  
17 indebtedness issued by the authority to provide moneys with which to  
18 make payments to either or both states pursuant to this part and the  
19 concurrent article of the state of New Jersey, are hereby made securi-  
20 ties in which all state and municipal officers and bodies of both  
21 states, all banks, bankers, trust companies, savings banks, building and  
22 loan associations, savings and loan associations, investment companies  
23 and other persons carrying on a banking business, all insurance compa-  
24 nies, insurance associations and other persons carrying on an insurance  
25 business, and all administrators, executors, guardians, trustees and  
26 other fiduciaries, and all other persons whatsoever, who are now or may  
27 hereafter be authorized by either state to invest in bonds or other  
28 obligations of such state, may properly and legally invest any funds,  
29 including capital, belonging to them or within their control; and said  
30 obligations are hereby made securities which may properly and legally be  
31 deposited with and shall be received by any state or municipal officer  
32 or agency of either state for any purpose for which the deposit of bonds  
33 or other obligations of such state is now or may hereafter be author-  
34 ized.

35 § 905. Initial reimbursement of moneys advanced by the states. The  
36 first two million fifty thousand dollars paid to each state pursuant to  
37 this part and the concurrent article of the state of New Jersey shall be  
38 deemed to be on account of the moneys advanced by such state for prelim-  
39 inary studies upon and in aid of the construction of the Bayonne bridge  
40 (formerly known as the Kill von Kull bridge); and from and after the  
41 date on which the port authority shall have delivered to each state  
42 pursuant to this part and the concurrent article of the state of New  
43 Jersey, bonds or moneys or both in the aggregate principal amount of two  
44 million fifty thousand dollars, the duty and obligation of the port  
45 authority to pay back to the two states the moneys advanced for prelimi-  
46 nary studies upon and in aid of the construction of said bridge by chap-

53 be and shall be deemed to be fully satisfied and discharged, and any  
54 lien or claim of the two states or either of them upon the tolls and  
55 revenues of the said bridge arising out of, under or because of the

1 aforesaid statutes shall be and shall be deemed to be void and without  
2 force or effect.

3 § 906. Further reimbursement of moneys advanced by the states. After  
4 the payment of the first two million fifty thousand dollars to each  
5 state, the further amounts paid to each state pursuant to this part and  
6 the concurrent article of the state of New Jersey shall be deemed to be  
7 on account of the moneys advanced by such state for preliminary studies  
8 upon and in aid of the construction of the Outerbridge crossing (former-  
9 ly known as the Perth Amboy-Tottenville bridge) and the Goethals bridge  
10 (formerly known as the Elizabeth-Howland Hook bridge); and from and  
11 after the date on which pursuant to this part and the concurrent article  
12 of the state of New Jersey the port authority shall have delivered bonds  
13 or moneys, or both, to the state of New York in the aggregate principal  
14 amount of two million ninety-nine thousand nine hundred eighteen dollars  
15 and twenty cents and to the state of New Jersey in the aggregate princi-  
16 pal amount of two million one hundred thousand dollars, in each case in  
17 addition to the first two million fifty thousand dollars paid to such  
18 state under and pursuant to this part and the concurrent article of the  
19 state of New Jersey, then the duty and obligation of the port authority  
20 to pay back to the two states the moneys advanced for preliminary  
21 studies upon and in aid of the construction of said two bridges by chap-  
22 ters one hundred eighty-six and two hundred thirty of the laws of New  
23 York of nineteen hundred twenty-four, chapters one hundred twenty-five  
24 and one hundred forty-nine of the laws of New Jersey of nineteen hundred  
25 twenty-four, chapter two hundred ten of the laws of New York of nineteen  
26 hundred twenty-five and chapter thirty-seven of the laws of New Jersey  
27 of nineteen hundred twenty-five, together with the claims of the two  
28 states and of each of them for such repayment, shall be and shall be  
29 deemed to be fully satisfied and discharged, and any lien or claim of  
30 the two states or either of them upon the tolls and revenues of said

41 1003. Maintenance and operation.

42 1004. Powers.

43 1005. Acquisition of real property.

44 § 1001. Establishment. Upon the concurrence of the state of New  
45 Jersey, the states of New York and New Jersey hereby agree that the  
46 moneys in the general reserve fund of the port authority, authorized by  
47 chapter forty-eight of the laws of New York of one thousand nine hundred  
48 thirty-one and chapter five of the laws of New Jersey of one thousand  
49 nine hundred thirty-one, as amended, may be pledged in whole or in part  
50 by the port authority as security for or applied by it to the repayment  
51 with interest of any moneys which it may raise upon bonds, notes or  
52 other obligations or evidences of indebtedness, issued by it from time  
53 to time to provide funds for the establishment, acquisition or rehabili-  
54 tation of a motor bus terminal (by which is meant a terminal consisting

1 of one or more buildings, structures, improvements, loading or unloading  
2 areas, parking areas or other facilities, necessary, convenient or  
3 desirable in the opinion of the port authority for the accommodation of  
4 omnibuses and other motor vehicles operated by carriers engaged in the  
5 transportation of passengers, or for the loading, unloading, interchange  
6 or transfer of such passengers or their baggage, or otherwise for the  
7 accommodation, use or convenience of such passengers or such carriers or  
8 their employees) or for purposes incidental thereto; and that the  
9 moneys in said general reserve fund may be applied by the port authority  
10 to the fulfillment of any other undertakings which it may assume to or  
11 for the benefit of the holders of any of such bonds; and the two said  
12 states further agree that the port authority may acquire by condemnation  
13 or the right of eminent domain such real property in each state as it  
14 may from time to time deem necessary for or in connection with the  
15 establishment, acquisition and rehabilitation of such motor bus terminal.  
16

17 § 1002. Funding. The bonds, notes or other obligations or evidences  
18 of indebtedness issued by the port authority to provide funds for the  
19 establishment, acquisition and rehabilitation of such motor bus terminal  
20 are hereby made securities in which all state and municipal officers and  
21 bodies of both states, all banks, bankers, trust companies, savings  
22 banks, building and loan associations, savings and loan associations,  
23 investment companies and other persons carrying on a banking business,  
24 all insurance companies, insurance associations and other persons carry-  
25 ing on an insurance business, and all administrators, executors, guardi-  
26 ans, trustees and other fiduciaries, and all other persons whatsoever,  
27 who are now or may hereafter be authorized by either state to invest in  
28 bonds or other obligations of such state, may properly and legally  
29 invest any funds, including capital, belonging to them or within their  
30 control; and said obligations are hereby made securities which may prop-  
31 erly and legally be deposited with and shall be received by any state or  
32 municipal officer or agency of either state for any purpose for which  
33 the deposit of bonds or other obligations of such state is now or may  
34 hereafter be authorized.

35 § 1003. Maintenance and operation. The establishment, maintenance and  
36 operation of such motor bus terminal within the port of New York  
37 district is and will be in all respects for the benefit of the people of  
38 the states of New York and New Jersey, for the increase of their  
39 commerce and prosperity and for the improvement of their health and  
40 living conditions; and the port authority shall be regarded as perform-  
41 ing an essential governmental function in undertaking the construction,  
42 maintenance and operation thereof and in carrying out the provisions of  
43 law relating thereto.

44 § 1004. Powers. Any powers granted to the port authority by this part  
45 and the concurrent act of the state of New Jersey shall be regarded as  
46 in aid of and supplemental to and in no sense as a limitation upon any  
47 of the other powers vested in it by the two states or either of them;  
48 and the port authority shall be authorized not only to establish,  
49 acquire, rehabilitate, maintain, operate and from time to time improve  
50 such motor bus terminal, but also to make incidental uses of properties  
51 acquired for or in connection with such motor bus terminal.

52 § 1005. Acquisition of real property. If, for the purpose of effectuating,  
53 acquiring, constructing, rehabilitating or improving such motor  
54 bus terminal, the port authority shall find it necessary or convenient  
55 to acquire any real property, as herein defined, in this state, whether  
56 for immediate or future use, the port authority may find and determine

1 that such property, whether a fee simple absolute or a lesser interest,  
2 is required for public use, and upon such determination, the said prop-  
3 erty shall be and shall be deemed to be required for such public use  
4 until otherwise determined by the port authority; and with the  
5 exceptions hereinafter specifically noted, the said determination shall  
6 not be affected by the fact that such property has theretofore been  
7 taken for, or is then devoted to, a public use; but the public use in  
8 the hands or under the control of the port authority shall be deemed  
9 superior to the public use in the hands of any other person, association  
10 or corporation.

11 If the port authority is unable to agree for the acquisition of any  
12 such real property for any reason whatsoever, then the port authority  
13 may acquire and is hereby authorized to acquire such property whether a  
14 fee simple absolute or a lesser interest, by the exercise of the right  
15 of eminent domain under and pursuant to the provisions of the eminent  
16 domain procedure law.

18 or hereafter vested in or held by the state or any county, city,  
19 borough, village, township or other municipality shall be taken by the

21 county, city, borough, village, township, or other municipality as  
22 provided in the compact of April thirtieth, nineteen hundred twenty-one  
23 and continued by part I of this article, between the states of New York  
24 and New Jersey, nor shall anything herein impair or invalidate in any  
25 way any bonded indebtedness of the state, or such county, city, borough,  
26 village, township or other municipality, nor impair the provisions of  
27 law regulating the payment into sinking funds of revenue derived from  
28 municipal property, or dedicating the revenues derived from municipal  
29 property to a specific purpose. The port authority is hereby authorized  
30 and empowered to acquire from any such county, city, borough, village,  
31 township or other municipality, or from any other public agency or  
32 commission having jurisdiction in the premises, by agreement therewith,  
33 and such county, city, borough, village, township, municipality, public  
34 agency or commission, notwithstanding any contrary provision of law, is  
35 hereby authorized and empowered to grant and convey upon reasonable  
36 terms and conditions, any real property, which may be necessary for the  
37 establishment, construction, acquisition, rehabilitation, operation and  
38 maintenance of such motor bus terminal, including such real property as  
39 has already been devoted to a public use.

40 The port authority and its duly authorized agents and employees may  
41 pursuant to the provisions of the eminent domain procedure law enter  
42 upon any land in this state for the purpose of making such surveys,  
43 maps, or other examination thereof as it may deem necessary or conven-  
44 ient for the purposes of this part.

46 lands, structures, franchises and interests in land, including lands  
47 under water and riparian rights, and any and all things and rights  
48 usually included within the said term, and includes not only fees simple

11 palities, as hereinafter defined, located within the Port of New York  
12 district shall be and they hereby are authorized to cooperate with the  
13 Port Authority in the development of marine terminals, and the two said

24 state, or at the option of the Port Authority pursuant to such other or  
25 alternate procedure as may be provided by law by such state.

27 authorize the Port Authority to acquire any marine terminal owned or  
28 operated by any municipality or any other property now or hereafter  
29 vested in or held by any municipality, without the authority or consent  
30 of such municipality as provided in the compact of April thirtieth,  
31 nineteen hundred twenty-one and continued by part I of this article,  
32 between the states of New York and New Jersey, nor shall anything herein

17 of the Port Authority shall be deemed superior to the public use in the  
18 hands of any other person, association or corporation, provided, howev-

20 taking by exercise of the right of eminent domain by the Port Authority  
21 of any property owned by any railroad or railway corporation and devoted  
22 to use by such corporation in its operations, or acquired prior to the

15 and two of this section the port authority in its discretion may, up to  
16 a maximum noise level not exceeding 112 PNdB on takeoff, as measured by  
17 the port authority in the manner used by the port authority to make such  
18 measurements on the effective date of this section, grant an exception  
19 thereto to any classification of aircraft built prior to the effective  
20 date of this part and which has heretofore used the airport facilities  
21 of the port authority, even though said aircraft does not comply with  
22 subdivisions one and two of this section, upon a showing that (a) the  
23 aircraft is capable of being equipped with retrofit equipment to reduce  
24 the noise thereof to comply with the foregoing requirements of the  
25 airport operator, and, in addition, (b) that such modification by way of  
26 retrofit to reduce its noise shall be accomplished upon such terms and  
27 conditions to assure compliance as the port authority, as airport opera-  
28 tor, may require, within five years of the date of application for an  
29 exception hereunder but in no event later than June first, nineteen  
30 hundred eighty-one.

31 § 1206. Taxes; assessments. The port authority shall be required to  
32 pay no taxes or assessments upon any of the property acquired or used by  
33 it for air terminal purposes; but this shall not be construed to  
34 prevent the port authority and municipalities from entering into agree-  
35 ments for the payment of fair and reasonable sums by the port authority  
36 annually in accordance with legislation heretofore adopted by the two  
37 states, to the end that such municipalities may not suffer undue loss of  
38 taxes and assessments by reason of the acquisition and ownership of  
39 property by the port authority for air terminal purposes.

40 § 1207. General reserve fund; repayment. The moneys in the general  
41 reserve fund of the port authority may be pledged in whole or in part by  
42 the port authority as security for or applied by it to the repayment  
43 with interest of any moneys which it may raise upon bonds issued by it  
44 from time to time to provide funds for air terminal purposes; and the  
45 moneys in said general reserve fund may be applied by the port authority  
46 to the fulfillment of any other undertakings which it may assume to or  
47 for the benefit of the holders of any such bonds.

48 Subject to prior liens and pledges, (and to the obligation of the port  
49 authority to apply revenues to the maintenance of its general reserve  
50 fund in the amount prescribed by the general reserve fund statutes), the  
51 revenues of the port authority from facilities established, constructed,  
52 acquired or effectuated through the issuance or sale of bonds of the  
53 port authority secured by a pledge of its general reserve fund may be  
54 pledged in whole or in part as security for or applied by it to the  
55 repayment with interest of any moneys which it may raise upon bonds  
56 issued by it to provide funds for air terminal purposes, and said reven-

ues may be applied by the port authority to the fulfillment of any other undertakings which it may assume to or for the benefit of the holders of such bonds.

§ 1208. Bonds. The bonds issued by the port authority to provide funds for air terminal purposes are hereby made securities in which all state and municipal officers and bodies of both states, all banks, bankers, trust companies, savings banks, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all administrators, executors, guardians, trustees and other fiduciaries, and all other persons whatsoever, who are now or may hereafter be authorized by either state to invest in bonds or other obligations of such state, may properly and legally invest any funds, including capital, belonging to them or within their control; and said bonds are hereby made securities which may properly and legally be deposited with and shall be received by any state or municipal officer or agency of either state for any purpose for which the deposit of bonds or other obligations of such state is now or may hereafter be authorized.

§ 1209. Municipality consent. 1. Notwithstanding any contrary provision of law, every municipality in the Port of New York District is authorized and empowered to consent to the use by the port authority of any air terminal owned by such municipality or of any real or personal property owned by such municipality and necessary, convenient or desirable in the opinion of the port authority for air terminal purposes, including such real property as has already been devoted to a public use, and as an incident to such consent, to grant, convey, lease, or otherwise transfer to the port authority any such air terminal or real or personal property, upon such terms as may be determined by the port authority and such municipality. Every such municipality is also authorized and empowered as an incident to such consent to vest in the port authority the control, operation, maintenance, rents, tolls, charges and any and all other revenues of any air terminal now owned by such municipality, the title to such air terminal remaining in such municipality. Such consent shall be given and the execution of any agreement, deed, lease, conveyance, or other instrument evidencing such consent or given as an incident thereto shall be authorized in the manner provided in article twenty-two of the compact of April thirtieth, nineteen hundred twenty-one, and continued by part I of this article, between the two states creating the port authority.

2. Notwithstanding any contrary provision of law, every municipality outside the port district is authorized and empowered to consent to the use of real property owned by such municipality and necessary, convenient or desirable in the opinion of the port authority for beacons or other aids to navigation, or to the use of any air space over real property owned by such municipality; and as an incident to such consent, to grant, lease, convey or otherwise transfer to the port authority such real property or air space.

Such consent shall be given and the execution of any agreement, deed, lease, conveyance or other instrument evidencing such consent or given as an incident thereto, shall be given by the officer, board or body authorized by law to convey such property, or if no officer, board or body be otherwise authorized so to do, by the governing body of such municipality.

3. The states of New York and New Jersey hereby consent to suits, actions or proceedings of any form or nature in law, equity or otherwise

1 by any city or other municipality against the port authority upon, in  
2 connection with or arising out of any such agreement, agreements, or any  
3 modification thereof or supplement thereto, for the following types of  
4 relief and for such purposes only:

5 (a) For money damages for breach thereof,

6 (b) For money damages for torts arising out of the operation of the  
7 municipal air terminal,

8 (c) For rent,

9 (d) For specific performance,

10 (e) For reformation thereof,

11 (f) For accounting,

12 (g) For declaratory judgment,

13 (h) For judgments, orders or decrees restraining or enjoining the port  
14 authority from transferring title to real property to third persons in  
15 cases where it has contracted with such city or other municipality to  
16 transfer such title to such city or municipality, and

17 (i) For judgments, orders or decrees restraining or enjoining the port  
18 authority from committing or continuing to commit other breaches of such  
19 agreements with such municipality, provided that such judgment, order or  
20 decree shall not be entered except upon two days' prior written notice  
21 to the port authority of the proposed entry thereof and provided  
22 further, that upon an appeal taken by the port authority from such judg-  
23 ment, order or decree the service of the notice of appeal shall perfect  
24 the appeal and shall stay the execution of such judgment, order or  
25 decree appealed from, without an undertaking or other security.

26 4. When rules of venue are applicable, the venue of any such suit,  
27 action or proceeding shall be laid in the county or judicial district in  
28 which the air terminal, which is the subject matter of such agreement  
29 between the port authority and the city or other municipality, or any  
30 part thereof, is located.

31 5. If any clause, sentence, paragraph, or part of this subdivision, or  
32 the application thereof to any person or circumstances, shall, for any  
33 reason, be adjudged by a court of competent jurisdiction to be invalid,  
34 such judgment shall not affect, impair, or invalidate the remainder of  
35 this subdivision, and the application thereof to any other person or  
36 circumstances, but shall be confined in its operation to the clause,  
37 sentence, paragraph, or part thereof directly involved in the controver-  
38 sy in which such judgment shall have been rendered and to the person or  
39 circumstances involved.

40 § 1210. Acquisition limitations. The powers hereinafter granted to  
41 the port authority to acquire real property by condemnation or the right  
42 of eminent domain shall be subject to the limitations set forth in  
43 section twelve hundred two of this part, and also to the following  
44 further limitations:

45 1. Unless and until the state of New York otherwise provides by law,  
46 the port authority shall not have power to acquire real property in that  
47 state for air terminal purposes by condemnation or the right of eminent  
48 domain except for the purpose of making additions, extensions and  
49 improvements to the three air terminals in New York city known as La  
50 Guardia airport, John F. Kennedy international airport (formerly known  
51 as Idlewild airport), and Floyd Bennett airport, for the purpose of  
52 acquiring air rights or preventing or removing actual or potential  
53 hazards to air navigation within three miles of the runways at said air  
54 terminals as such runways may now or hereafter exist, and for the  
55 purpose of establishing or maintaining beacons and other aids to air  
56 navigation in connection with said three air terminals, whether or not

1 within three miles of said runways. The port authority shall not have  
2 power to acquire by condemnation or the right of eminent domain real  
3 property in or under the waters of Jamaica Bay for the purpose of adding  
4 to, expanding, extending or constructing runway extensions, or incorpo-  
5 rating such lands into the airport operation; however, this section  
6 shall not prohibit the port authority from acquiring such lands for  
7 installing flight control and safety equipment to service its existing  
8 runways, nor from installing anti-pollution devices and equipment in  
9 accordance with its anti-pollution program adopted for the air terminals  
10 in New York city known as John F. Kennedy international airport or Floyd  
11 Bennett airport.

12 2. Unless and until the state of New Jersey otherwise provides by law,  
13 the port authority shall not have the power to acquire real property in  
14 the state of New Jersey for air terminal purposes by condemnation or the  
15 right of eminent domain except for the purpose of making additions,  
16 extensions and improvements to the air terminal known as Newark airport  
17 (including additions, extensions and improvements thereto located in the  
18 city of Elizabeth), for the purpose of acquiring air rights or prevent-  
19 ing or removing actual or potential hazards to air navigation within  
20 three miles of the runways at said air terminal as such runways may now  
21 or hereafter exist, and for the purpose of establishing or maintaining  
22 beacons and other aids to air navigation in connection with said air  
23 terminal, whether or not within three miles of said runways.

24 3. Unless otherwise provided by law by the state in which such real  
25 property is located, the port authority shall not have power to acquire  
26 for air terminal purposes by condemnation, acquisition pursuant to the  
27 provisions of the eminent domain procedure law, or the right of eminent  
28 domain subsequent to June thirtieth, nineteen hundred fifty-two, any  
29 real property taken for and actually devoted to a public use, provided,  
30 that this limitation shall not apply to real property a proceeding for  
31 the acquisition of which was initiated prior to that date.

32 4. The foregoing limitations shall not be construed to limit, affect  
33 or impair the power of the port authority to acquire real property at  
34 any time and place for air terminal purposes by negotiation or in any  
35 other manner than by condemnation, acquisition pursuant to the  
36 provisions of the eminent domain procedure law, or by the exercise of  
37 the right of eminent domain.

38 5. Subject to the foregoing limitations, if the port authority shall  
39 find it necessary or convenient to acquire any real property for air  
40 terminal purposes, whether for immediate or future use, the port author-  
41 ity may find and determine that such property, whether a fee simple  
42 absolute or a lesser interest, is required for a public use, and upon  
43 such determination the said property shall be and shall be deemed to be  
44 required for such public use until otherwise determined by the port  
45 authority, and such determination shall not be affected by the fact that  
46 such property has theretofore been taken for and is then devoted to a  
47 public use; but the public use in the hands or under the control of the  
48 port authority shall be deemed superior to the public use in the hands  
49 of any other person, association or corporation except a municipality  
50 within or without the port district. The port authority may acquire and  
51 is hereby authorized to acquire such property, whether a fee simple  
52 absolute or a lesser estate, by the exercise of the right of eminent  
53 domain under and pursuant to the eminent domain procedure law of the  
54 state of New York, in the case of property located in such state, and  
55 revised statutes of New Jersey, Title 20:1-1 et seq., in the case of  
56 property situated in such state, or at the option of the port authority

1 pursuant to such other and alternate procedure in each state as may be  
2 provided by law by such state. The port authority shall have such power  
3 of eminent domain not only in respect to real property located within  
4 the Port of New York District but also as to any real property located  
5 outside of the port district which is necessary, incidental or conven-  
6 ient for the effectuation, establishment, acquisition, construction,  
7 rehabilitation or improvement, and maintenance and operation of air  
8 terminals within the port district. Nothing herein contained shall be  
9 construed to prevent the port authority from bringing any proceedings to  
10 remove a cloud on title or such other proceedings as it may, in its  
11 discretion, deem proper and necessary, or acquiring any such property by  
12 negotiation or purchase.

13 § 1211. Federal aid. The port authority may make application directly  
14 to the proper federal officials or agencies for federal loans or grants  
15 in aid of air terminals owned or operated by it; provided, that if  
16 either state shall have or adopt general legislation governing applica-  
17 tions for federal aid for air terminals by municipalities of such state,  
18 or the receipt or disbursement of such federal aid by or on behalf of  
19 such municipalities, then such legislation shall at the option of such  
20 state apply to applications by the port authority for federal aid for  
21 air terminals located in such state and to the receipt and disbursement  
22 of such federal aid by or on behalf of the port authority, in the same  
23 manner and to the same extent as other municipalities of such state.  
24 Except as above provided, no agency or commission of either state shall  
25 have jurisdiction over any air terminals under the control of the port  
26 authority, and all details of financing, construction, leasing, charges,  
27 rates, tolls, contracts and the operation of air terminals owned or  
28 controlled by the port authority shall be within its sole discretion and  
29 its decision in connection with any and all matters concerning such air  
30 terminals shall be controlling and conclusive. The local laws, resol-  
31 utions, ordinances, rules and regulations of a municipality within which  
32 an air terminal is situated shall apply to such air terminal, if so  
33 provided in any agreement between the port authority and such munici-  
34 pality, and to the extent provided in such agreement.

35 § 1212. Lands under water. In the event that the port authority shall  
36 find it necessary or desirable to acquire any unappropriated state lands  
37 or lands under water in the state of New York for air terminal purposes,  
38 the commissioner of general services of that state may grant, transfer  
39 or convey such unappropriated state lands or lands under water to the  
40 port authority upon such consideration, terms and conditions as may be  
41 determined by said commissioner, except that no lands under the waters  
42 of Jamaica Bay may be granted, transferred or conveyed to the port  
43 authority for air terminal purposes by said commissioner except as  
44 provided in paragraph one of section twelve hundred ten of this part.

45 In the event that the port authority shall find it necessary or desir-  
46 able to acquire any lands under water in the state of New Jersey for air  
47 terminal purposes, the division of navigation of the department of  
48 conservation of that state may grant, transfer or convey such lands  
49 under water to the port authority in accordance with the statutes of  
50 that state governing the making of riparian grants and leases, upon such  
51 terms and conditions as may be determined by said division.

52 In the event that the port authority shall find it necessary or desir-  
53 able to acquire any real property required or used for state highway  
54 purposes in the state of New Jersey, the state highway department of the  
55 state of New Jersey may grant, transfer or convey such real property to

1 the port authority upon such terms and conditions as may be determined  
2 by said state highway department.

3 § 1213. Repayment of bonds and obligations. The two states covenant  
4 and agree with each other and with the holders of any bonds of the port  
5 authority issued or incurred for air terminal purposes and as security  
6 for which there may or shall be pledged (directly or indirectly, or  
7 through the medium of its general reserve fund or otherwise), the reven-  
8 ues, or any part thereof, of any air terminal or other facility owned or  
9 operated by the port authority, that the two states will not, so long as  
10 any of such bonds or other obligations remain outstanding and unpaid,  
11 diminish or impair the power of the port authority to establish, levy  
12 and collect landing fees, charges, rents, tolls or other fees in  
13 connection therewith.

14 § 1214. Contrary declarations. Any declarations contained herein and  
15 in the concurrent act of the state of New Jersey with respect to the  
16 governmental nature of air terminals and to the exemption of air termi-  
17 nal property from taxation and to the discretion of the port authority  
18 with respect to air terminal operations shall not be construed to imply  
19 that other port authority property and operations are not of a govern-  
20 mental nature, or that they are subject to taxation, or that the deter-  
21 minations of the port authority with respect thereto are not conclusive.

22 § 1215. Agreement between the states. This section and the preceding  
23 sections of this part constitute an agreement between the states of New  
24 York and New Jersey supplementary to the compact between the two states  
25 dated April thirtieth, nineteen hundred twenty-one, and amendatory ther-  
26 eof, and continued by part I of this article, and shall be liberally  
27 construed to effectuate the purposes of said compact and of the compre-  
28 hensive plan heretofore adopted by the two states, and the powers vested  
29 in the port authority hereby shall be construed to be in aid of and  
30 supplemental to and not in limitation of or in derogation of any of the  
31 powers heretofore conferred upon or delegated to the port authority.

32 § 1216. Federal aid procedure; application. The state of New York  
33 hereby elects to exercise the option reserved to each state by section  
34 twelve hundred eleven of this part (and by the corresponding section of  
35 the New Jersey statute concurring herein); and accordingly, if by the  
36 effective date of chapter 802 of the laws of 1947, this state has  
37 adopted, or if thereafter it shall adopt general legislation governing  
38 applications for federal aid for air terminals by municipalities of this  
39 state or the receipt or disbursement of such federal aid by or on behalf  
40 of such municipalities, such legislation shall apply to applications by  
41 the port authority for federal aid for air terminals located in this  
42 state in the same manner and to the same extent as other municipalities  
43 of this state, provided, that if such legislation shall require such  
44 applications for federal aid to be approved by any officer, board,  
45 commission, department or other agency of this state or shall require  
46 the consent of any such agency of this state to the submission thereof  
47 to the federal government, or shall require any such agency of this  
48 state to be designated by municipalities as their agent to collect or  
49 disburse such federal aid, or shall contain any other requirement vest-  
50 ing any such agency of this state with power or discretion with respect  
51 to the making of such applications for federal aid or the receipt or  
52 disbursement thereof, then such officer, board, commission, department  
53 or other agency of this state shall have power to waive such requirement  
54 in whole or in part temporarily or permanently insofar as the port  
55 authority is concerned.

PART XIII  
EMINENT DOMAIN

Section 1301. Right of eminent domain.

§ 1301. Right of eminent domain. The powers granted to the port authority by this part shall be deemed to be in aid of and supplemental to and not in limitation or derogation of the powers otherwise conferred upon it; and nothing herein contained shall be construed to prevent the port authority from exercising the right of eminent domain under and pursuant to the eminent domain procedure law of the state of New York, or any other applicable law of this state, in any case where it is authorized so to do.

PART XIV  
SUITS AGAINST THE PORT AUTHORITY

Section 1401. Suits against the port authority.

1402. Prior causes of action.

1403. Contract causes of action.

1404. Civil suits; statutory penalties.

1405. Further restrictions.

1406. Venue.

1407. Statute of limitations.

1408. Notice of claim.

1409. Limits of liability.

1410. Other suits, actions or proceedings.

1411. Agreement between the states.

§ 1401. Suits against the port authority. Upon the concurrence of the state of New Jersey, the states of New York and New Jersey consent to suits, actions or proceedings of any form or nature at law, in equity or otherwise (including proceedings to enforce arbitration agreements) against the port authority, and to appeals therefrom and reviews thereof, except as hereinafter provided in sections fourteen hundred two through fourteen hundred five of this part, inclusive.

§ 1402. Prior causes of action. The foregoing consent does not extend to suits, actions or proceedings upon any causes of action whatsoever accruing before the effective date of chapter 301 of the laws of 1950, other than causes of actions upon, in connection with, or arising out of notes, bonds or other obligations or securities secured by a pledge of the general reserve fund of the port authority.

§ 1403. Contract causes of action. The foregoing consent does not extend to suits, actions or proceedings upon any causes of action whatsoever, upon, in connection with, or arising out of any contract, express or implied, entered into or assumed by or assigned to the port authority before the effective date of this part (including any supplement to, or amendment, extension or renewal of any such contract, even if such supplement, amendment, extension or renewal is made on or after the effective date of chapter 301 of the laws of 1950), regardless of whether such cause of action accrued before or after that date, other than causes of action upon, in connection with or arising out of notes, bonds or other obligations or securities secured by a pledge of the general reserve fund of the port authority.

§ 1404. Civil suits; statutory penalties. The foregoing consent does not extend to civil suits, actions or proceedings for the recovery of statutory penalties.

1     § 1405. Further restrictions. The foregoing consent does not extend  
2 to suits, actions or proceedings for judgments, orders or decrees  
3 restraining, enjoining or preventing the port authority from committing  
4 or continuing to commit any act or acts, other than suits, actions or  
5 proceedings by the attorney general of New York or by the attorney  
6 general of New Jersey--each of whom is hereby authorized to bring such  
7 suits, actions or proceedings in his discretion on behalf of any person  
8 or persons whatsoever who requests him so to do except in the cases  
9 excluded by sections fourteen hundred two, fourteen hundred three and  
10 fourteen hundred four of this part; provided, that in any such suit,  
11 action or proceeding, no judgment, order or decree shall be entered  
12 except upon at least two days' prior written notice to the port authori-  
13 ty of the proposed entry thereof.

14     § 1406. Venue. The foregoing consent is granted upon the condition  
15 that venue in any suit, action or proceeding against the port authority  
16 shall be laid within a county or a judicial district, established by one  
17 of said states or by the United States, and situated wholly or partially  
18 within the port of New York district. The port authority shall be deemed  
19 to be a resident of each such county or judicial district for the  
20 purpose of such suits, actions or proceedings. Although the port author-  
21 ity is engaged in the performance of governmental functions, the said  
22 two states consent to liability on the part of the port authority in  
23 such suits, actions or proceedings for tortious acts committed by it and  
24 its agents to the same extent as though it were a private corporation.

25     § 1407. Statute of limitations. The foregoing consent is granted upon  
26 the condition that any suit, action or proceeding prosecuted or main-  
27 tained under this part shall be commenced within one year after the  
28 cause of action therefor shall have accrued, and upon the further condi-  
29 tion that in the case of any suit, action or proceeding for the recovery  
30 or payment of money, prosecuted or maintained under this part, a notice  
31 of claim shall have been served upon the port authority by or on behalf  
32 of the plaintiff or plaintiffs at least sixty days before such suit,  
33 action or proceeding is commenced. The provisions of this section shall  
34 not apply to claims arising out of provisions of any workmen's compen-  
35 sation law of either state.

36     § 1408. Notice of claim. The notice of claim required by section  
37 fourteen hundred seven of this part shall be in writing, sworn to by or  
38 on behalf of the claimant or claimants, and shall set forth (1) the name  
39 and post office address of each claimant and of his attorney, if any,  
40 (2) the nature of the claim, (3) the time when, the place where and the  
41 manner in which the claim arose, and (4) the items of damage or injuries  
42 claimed to have been sustained so far as then practicable. Such notice  
43 may be served in the manner in which process may be served, or in lieu  
44 thereof, may be sent by registered mail to the port authority at its  
45 principal office. Where the claimant is a person under the age of eigh-  
46 teen years or is mentally or physically incapacitated and by reason of  
47 such disability no notice of claim is filed or suit, action or proceed-  
48 ing commenced within the time specified in section fourteen hundred  
49 seven of this part, or where a person entitled to make a claim dies and  
50 by reason of his death no notice of claim is filed or suit, action or  
51 proceeding commenced within the time specified in section fourteen  
52 hundred seven of this part then any court in which such suit, action or  
53 proceeding may be brought may in its discretion grant leave to serve the  
54 notice of claim and to commence the suit, action or proceeding within a  
55 reasonable time but in any event within three years after the cause of  
56 action accrued. Application for such leave must be made upon an affida-

1 vit showing the particular facts which caused the delay and shall be  
2 accompanied by a copy of the proposed notice of claim if such notice has  
3 not been served, and such application shall be made only upon notice to  
4 the port authority.

5 § 1409. Limits of liability. The commissioners, officers or employees  
6 of the port authority shall not be subject to suits, actions or  
7 proceedings for judgments, orders or decrees restraining, preventing or  
8 enjoining them in their official or personal capacities from committing  
9 or continuing to commit any act or acts on behalf of the port authority  
10 other than suits, actions and proceedings brought by the attorney gener-  
11 al of New York or by the attorney general of New Jersey or by the port  
12 authority itself--each of said attorneys general being hereby authorized  
13 to bring such suits, actions or proceedings in his discretion on behalf  
14 of any person or persons whatsoever who requests him so to do except in  
15 the cases excluded by sections fourteen hundred two, fourteen hundred  
16 three and fourteen hundred four of this part; provided, that in any such  
17 suit, action or proceeding brought by either attorney general, no judg-  
18 ment, order or decree shall be entered except upon at least two days'  
19 notice to the defendant of the proposed entry thereof.

20 § 1410. Other suits, actions or proceedings. Nothing herein shall be  
21 deemed to revoke, rescind or affect any consents to suits, actions or  
22 proceedings against the port authority heretofore given by the two said  
23 states in chapter eight hundred two of the laws of New York of nineteen  
24 hundred forty-seven, as amended, and continued by part XII of this arti-  
25 cle, and chapter forty-three of the laws of New Jersey of nineteen  
26 hundred forty-seven, as amended; chapter six hundred thirty-one of the

11 York and New Jersey creating the port authority, may be efficiently and

17 and are declared to be binding upon all persons and corporations  
18 affected thereby.

25 lessly or negligently, or in disregard of the rights or safety of  
26 others, or without due caution and circumspection, or at a speed or in a  
27 manner so as to endanger unreasonably or to be likely to endanger unrea-  
28 sonably persons or property, or while the operator thereof is under the

55 address, and operator's license and registration number to the person  
56 injured or to any officer or witness of the injury. The operator of such

1 vehicle shall make a report of such accident in accordance with the law

17 in sections fifteen hundred two through fifteen hundred eight of this  
18 part committed within the territorial limits of either state shall be

20 prescribed by either state shall not preclude the port authority  
21 from excluding from vehicular crossings permanently or for a specified  
22 time, all vehicles violating any of the said rules and regulations, as  
23 well as other vehicles owned or operated by the owner or operator of  
24 such vehicle.

25 § 1510. Definitions. The following terms as used herein shall have  
26 the indicated meanings:

27 1. "Traffic" shall include pedestrians, ridden animals, herded animals  
28 and vehicles whether moved by human power or otherwise.

29 2. "Vehicular crossings" shall include not only bridges and tunnels  
30 operated by the port authority, but also their plazas and approaches,  
31 but shall not include any lands granted by the port authority to the  
32 states of New York or New Jersey or to a municipality for street or  
33 highway purposes even though such street or highway constitutes a means  
34 of access to or egress from such vehicular crossing.

35 § 1511. Severability. If any term or provision of this part shall be  
36 declared unconstitutional or ineffective in whole or in part by a court  
37 of competent jurisdiction, then to the extent that it is not unconstitutional  
38 or ineffective, such term or provisions shall be enforced and  
39 effectuated, nor shall such determination be deemed to invalidate the  
40 remaining terms or provisions thereof.

41 § 1512. Repeal of previous rules and regulations. The two said states  
42 agree that chapter two hundred fifty-one of the laws of New York of  
43 nineteen hundred thirty-four, entitled "An act establishing rules and  
44 regulations for the control of traffic on the interstate bridges and  
45 tunnels operated by the Port of New York Authority and prescribing  
46 proceedings and penalties for their violations", and chapter one hundred  
47 forty-six of the pamphlet laws of New Jersey, nineteen hundred thirty-  
48 two, entitled "An act establishing rules and regulations for the control  
49 of traffic on the inter-state bridges and tunnels operated by the Port  
50 of New York Authority and prescribing proceedings and penalties for  
51 their violations", shall be and are repealed as of the date this part  
52 takes effect.

53 § 1513. Agreement between the states. This section and the preceding  
54 sections of this part, together with the corresponding sections of the  
55 act of the state of New Jersey concurring herein, shall constitute an  
56 agreement between the states of New York and New Jersey supplementary to

1 the compact between the two states dated April thirtieth, nineteen  
2 hundred twenty-one, and amendatory thereof, and shall be liberally  
3 construed to effectuate the purposes of said compact and of the agree-  
4 ments of the two states amendatory thereof or supplemental thereto; and  
5 shall be construed to be in aid of and supplemental to and not in limi-  
6 tation of or in derogation of the powers heretofore conferred upon or  
7 delegated to the port authority.

8 § 1514. Compliance with state law. If the violation within the state  
9 of any of the rules and regulations set forth in sections fifteen  
10 hundred two through fifteen hundred eight of this part including but not  
11 limited to those regarding the payment of tolls, would have been a felo-  
12 ny, misdemeanor or other punishable offense if committed on any public  
13 road, street, highway or turnpike in the municipality in which such  
14 violation occurred, it shall be tried and punished in the same manner as  
15 if it had been committed on such public road, street, highway or turn-  
16 pike.

17 § 1515. Felonies. Notwithstanding the provisions of section fifteen  
18 hundred fourteen of this part, if the violation within the state of the  
19 rule and regulation set forth in section fifteen hundred nine of this  
20 part shall result in injury or death to a person or persons or damage to  
21 property in excess of the value of five thousand dollars, such violation  
22 shall constitute a felony.

23 § 1516. Misdemeanors. Except as provided in sections fifteen hundred  
24 fourteen and fifteen hundred fifteen of this part, any violation within  
25 the state of any of the rules and regulations set forth in sections  
26 fifteen hundred two through fifteen hundred eight of this part including  
27 but not limited to those regarding the payment of tolls, shall consti-  
28 tute a misdemeanor and shall be punishable as an offense triable in a  
29 magistrate's court by a fine not exceeding five hundred dollars or by  
30 imprisonment not exceeding sixty days or by both such fine and imprison-  
31 ment.

32 § 1517. Owner liability for failure of operator to comply with toll  
33 collection regulations of the port authority. Notwithstanding any other  
34 provision of law and in accordance with the provisions of section  
35 fifteen hundred eighteen of this part, an owner of a vehicle may be held  
36 liable for failure of an operator thereof to comply with the toll  
37 collection regulations of the port authority of New York and New Jersey  
38 (hereinafter called port authority). The owner of a vehicle shall be  
39 liable pursuant to this section if such vehicle was used or operated  
40 with the permission of the owner, express or implied, in violation of  
41 the toll collection regulations of the port authority, and such  
42 violation is evidenced by information obtained from a photo-monitoring  
43 system, provided, however, that no owner of a vehicle shall be liable  
44 where the operator of such vehicle has been convicted of a violation of  
45 those toll collection regulations for the same incident.

46 § 1518. Imposition of liability for failure of operator to comply with  
47 toll collection regulations of the port authority. The liability set  
48 forth in section fifteen hundred seventeen of this part, shall be  
49 imposed upon an owner for a violation by an operator of the toll  
50 collection regulations of the port authority occurring within the terri-  
51 torial limits of the state of New York in accordance with the following:

52 1. For the purposes of this section, the term "owner" shall mean any  
53 person, corporation, partnership, firm, agency, association, lessor, or  
54 organization who, at the time of the violation in any city in which a  
55 vehicle is operated: (a) is the beneficial or equitable owner of such  
56 vehicle; or (b) has title to such vehicle; or (c) is the registrant or

1 co-registrant of such vehicle which is registered with the department of  
2 motor vehicles of this state or any other state, territory, district,  
3 province, nation or other jurisdiction; or (d) subject to the limita-  
4 tions set forth in subdivision six of this section, uses such vehicle in  
5 its vehicle renting and/or leasing business; and includes (e) a person  
6 entitled to the use and possession of a vehicle subject to a security  
7 interest in another person. For the purposes of this section, the term  
8 "operator" shall mean any person, corporation, firm, partnership, agen-  
9 cy, association, organization or lessee that uses or operates a vehicle  
10 with or without the permission of the owner, and an owner who operates  
11 his or her own vehicle. For purposes of this section, the term "photo-  
12 monitoring system" shall mean a vehicle sensor installed to work in  
13 conjunction with a toll collection facility which automatically produces  
14 one or more photographs, one or more microphotographs, a videotape or  
15 other recorded images of each vehicle at the time it is used or operated  
16 in violation of the toll collection regulations of the port authority.  
17 For purposes of this section, the term "toll collection regulations of  
18 the port authority" shall refer to the traffic regulations for inter-  
19 state vehicular crossings operated by the port authority as set forth in  
20 this part and in chapter one hundred ninety-two of the laws of New  
21 Jersey of nineteen hundred fifty, and specifically that section of the  
22 laws which prohibits traffic in or upon vehicular crossings operated by  
23 the port authority except upon the payment of such tolls and other  
24 charges as may from time to time be prescribed by the port authority and  
25 which further makes it unlawful for any person to refuse to pay, or to  
26 evade or to attempt to evade the payment of such tolls or other charges.  
27 For purposes of this section, the term "vehicle" shall mean every device  
28 in, upon, or by which a person or property is or may be transported or  
29 drawn upon a highway, except devices used exclusively upon stationary  
30 rails or tracks.

31 2. A certificate, sworn to or affirmed by an agent of the port author-  
32 ity, or a facsimile thereof, based upon inspection of photographs,  
33 microphotographs, videotape or other recorded images produced by a  
34 photo-monitoring system shall be prima facie evidence of the facts  
35 contained therein and shall be admissible in any proceeding charging a  
36 violation of toll collection regulations of the port authority, provided  
37 that any photographs, microphotographs, videotape or other recorded  
38 images evidencing such a violation shall be available for inspection and  
39 admission into evidence in any proceeding to adjudicate the liability  
40 for such violation.

41 3. An imposition of liability pursuant to this section shall be based  
42 upon a preponderance of evidence as submitted. An imposition of liabil-  
43 ity pursuant to this section shall not be deemed a conviction of an  
44 operator and shall not be made part of the motor vehicle operating  
45 record, furnished pursuant to section three hundred fifty-four of the  
46 vehicle and traffic law of the state of New York, of the person upon  
47 whom such liability is imposed nor shall it be used for insurance  
48 purposes in the provision of motor vehicle insurance coverage.

49 4. (a) A notice of liability shall be sent by first class mail to each  
50 person alleged to be liable as an owner for a violation pursuant to this  
51 section of the toll collection regulations of the port authority. Such  
52 notice shall be mailed no later than thirty days after the alleged  
53 violation. Personal delivery on the owner shall not be required. A manu-  
54 al or automatic record of mailing prepared in the ordinary course of  
55 business shall be prima facie evidence of the mailing of the notice.

1 (b) A notice of liability shall contain the name and address of the  
2 person alleged to be liable as an owner for a violation of the toll  
3 collection regulations of the port authority pursuant to this section,  
4 the registration number of the vehicle involved in such violation, the  
5 location where such violation took place, the date and time of such  
6 violation and the identification number of the photo-monitoring system  
7 which recorded the violation or other document locator number.

8 (c) The notice of liability shall contain information advising the  
9 person charged of the manner and the time in which he may contest the  
10 liability alleged in the notice. Such notice of liability shall also  
11 contain a warning to advise the persons charged that failure to contest  
12 in the manner and time provided shall be deemed an admission of liability  
13 and that a default judgment may be entered thereon.

14 (d) The notice of liability shall be prepared and mailed by the port  
15 authority or its duly authorized agent.

16 5. If an owner receives a notice of liability pursuant to this section  
17 for any time period during which the vehicle was reported to the police  
18 department as having been stolen, it shall be a valid defense to an  
19 allegation of liability for a violation of the toll collection regulations  
20 of the port authority that the vehicle had been reported to the  
21 police as stolen prior to the time the violation occurred and had not  
22 been recovered by such time. If an owner receives a notice of liability  
23 pursuant to this section for any time period during which the vehicle  
24 was stolen, but not as yet reported to the police as having been stolen,  
25 it shall be a valid defense to an allegation of liability for a  
26 violation of toll collection regulations of the port authority pursuant  
27 to this section that the vehicle was reported as stolen within two hours  
28 after discovery of the theft by the owner. For purposes of asserting the  
29 defense provided by this subdivision, it shall be sufficient that a  
30 certified copy of the police report on the stolen vehicle be sent by  
31 first class mail to the court or other entity having jurisdiction.

32 6. An owner, as defined in paragraph (a) of subdivision one of this  
33 section, who is a lessor of a vehicle to which a notice of liability was  
34 issued pursuant to subdivision four of this section shall not be liable  
35 pursuant to this section for the violation of the toll collection regulations  
36 of the port authority provided that he or she sends to the port  
37 authority serving the notice of liability and to the court or other  
38 entity having jurisdiction a copy of the rental, lease or other such  
39 contract document covering such vehicle on the date of the violation,  
40 with the name and address of the lessee clearly legible, within thirty  
41 days after receiving from the port authority or its duly authorized  
42 agent the original notice of liability. Failure to send such information  
43 within such thirty day time period shall render the lessor liable for  
44 the penalty prescribed by this section. Where the lessor complies with  
45 the provisions of this subdivision, the lessee of such vehicle on the  
46 date of such violation shall be deemed to be the owner of such vehicle  
47 for purposes of this section and shall be subject to liability for the  
48 violation of toll collection regulations of the port authority provided  
49 that the port authority or its duly authorized agent mails a notice of  
50 liability to the lessee within ten days after the court, or other entity  
51 having jurisdiction, deems the lessee to be the owner. For purposes of  
52 this subdivision the term "lessor" shall mean any person, corporation,  
53 firm, partnership, agency, association or organization engaged in the  
54 business of renting or leasing vehicles to any lessee under a rental  
55 agreement, lease or otherwise wherein the said lessee has the exclusive  
56 use of said vehicle for any period of time. For the purposes of this

1 subdivision, the term "lessee" shall mean any person, corporation, firm,  
2 partnership, agency, association or organization that rents, leases or  
3 contracts for the use of one or more vehicles and has exclusive use  
4 thereof for any period of time.

5 7. Except as provided in subdivision six of this section, if a person  
6 receives a notice of liability pursuant to this section it shall be a  
7 valid defense to an allegation of liability for a violation of toll  
8 collection regulations of the port authority that the individual who  
9 received the notice of liability pursuant to this section was not the  
10 owner of the vehicle at the time the violation occurred. If the owner  
11 liable for a violation of the toll collection regulations of the port  
12 authority pursuant to this section was not the operator of the vehicle  
13 at the time of the violation, the owner may maintain an action for  
14 indemnification against the operator. The operator of the vehicle may  
15 apply to the court or other entity having jurisdiction to adjudicate the  
16 liability imposed under this section to accept responsibility for the  
17 violation and satisfactorily discharge all applicable tolls, charges,  
18 and penalties related to the violation.

19 8. "Electronic toll collection system" shall mean a system of collect-  
20 ing tolls or charges which is capable of charging an account holder the  
21 appropriate toll or charge by transmission of information from an elec-  
22 tronic device on a motor vehicle to the toll lane, which information is  
23 used to charge the account the appropriate toll or charge. In adopting  
24 procedures for the preparation and mailing of a notice of liability, the  
25 port authority or its duly authorized agent shall adopt guidelines to  
26 ensure adequate and timely notice to all electronic toll collection  
27 system account holders to inform them when their accounts are delin-  
28 quent. An owner who is an account holder under the electronic toll  
29 collection system shall not be found liable for a violation of this  
30 section unless such authority has first sent a notice of delinquency to  
31 such account holder and the account holder was in fact delinquent at the  
32 time of the violation.

33 9. Nothing in this section shall be construed to limit the liability  
34 of an operator of a vehicle for any violation of the toll collection  
35 regulations of the port authority. Nothing in this section shall author-  
36 ize or preclude the port authority from excluding from any of its facil-  
37 ities, in its sole discretion, any or all vehicles found liable under  
38 this section as well as other vehicles owned or operated by the owner or  
39 operator of such vehicle.

40 10. Notwithstanding any other provision of law, all photographs,  
41 microphotographs, videotape or other recorded images prepared pursuant  
42 to this section shall be for the exclusive use of the port authority in  
43 the discharge of its duties under this section and shall not be open to  
44 the public nor be used in any court in any action or proceeding pending  
45 therein unless such action or proceeding relates to the imposition of or  
46 indemnification for liability pursuant to this section. The port author-  
47 ity or its duly authorized agent shall not sell, distribute or make  
48 available in any way, the names and addresses of electronic toll  
49 collection system account holders, or any information compiled from  
50 transactions with such account holders, without such account holders'  
51 consent to any entity that will use such information for any commercial  
52 purpose provided that the foregoing restriction shall not be deemed to  
53 preclude the exchange of such information between any entities with  
54 jurisdiction over and or operating a toll highway bridge and/or tunnel  
55 facility.

§ 1519. Adjudication of liability. Adjudication of the liability imposed upon an owner by section fifteen hundred seventeen of this part for a violation of the toll collection regulations of the port authority occurring within the territorial limits of the state of New York shall be in accordance with sections two hundred thirty-five, two hundred thirty-six, two hundred thirty-seven, two hundred thirty-nine, two hundred forty, two hundred forty-one, five hundred ten and eighteen hundred nine of the vehicle and traffic law, or by such entity having jurisdiction over violations of the toll collection regulations of the port authority occurring within the territorial limits of the state of New York, provided that all violations shall be heard and determined in the county in which the violation is alleged to have occurred, or by consent of both parties, in any county in the state of New York in which the port authority operates or maintains a facility. An owner found liable for a violation of toll collection regulations pursuant to this section shall for a first violation thereof be liable for a monetary penalty not to exceed fifty dollars or two times the toll evaded whichever is greater; for a second violation thereof both within eighteen months be liable for a monetary penalty not to exceed one hundred dollars or five times the toll evaded whichever is greater; for a third or subsequent violation thereof all within eighteen months be liable for a monetary penalty not to exceed one hundred fifty dollars or ten times the toll evaded whichever is greater.

18 or in disregard of the rights or safety of others, or without due  
19 caution and circumspection, or at a speed or in a manner so as to endan-  
20 ger unreasonably or to be likely to endanger unreasonably persons or  
21 property, or while the operator thereof is under the influence of intox-  
22 icating liquors or any narcotic or habit-forming drug, nor shall any  
23 vehicle be operated thereon if it is so constructed, equipped or loaded  
24 as to endanger unreasonably or to be likely to endanger unreasonably  
25 persons or property.

26 § 1603. Adherence to traffic signs and signals. All persons on any  
27 air terminal highway or marine terminal highway must at all times comply  
28 with any lawful order, signal or direction by voice or hand of any  
29 member of the port authority police force. When traffic is controlled by  
30 traffic lights, signs or by mechanical or electrical signals, such  
31 lights, signs and signals shall be obeyed unless a port authority police  
32 officer directs otherwise.

33 § 1604. Requiring use of right side of roadway. Unless otherwise  
34 directed, all vehicles on any air terminal highway or marine terminal  
35 highway shall at all times stay to the right of the center of the road-  
36 way, except in the case of one-way roadways; slow-moving vehicles shall  
37 remain as close as possible to the right-hand edge or curb of the road-  
38 way; and where a roadway is marked with traffic lanes vehicles shall  
39 not cross markings.

40 § 1605. Authorization for operation. No person shall operate a motor  
41 vehicle on an air terminal highway or marine terminal highway unless he  
42 is duly authorized to operate such vehicle on state and municipal high-

44 highway is located, or unless he is especially authorized by the port  
45 authority to operate motor vehicles on such air terminal highway or  
46 marine terminal highway. No motor vehicle shall be permitted on any air  
47 terminal highway or marine terminal highway unless it is registered in  
48 accordance with the provisions of the law of the state in which such air  
49 terminal highway or marine terminal highway is located, or unless it is  
50 especially authorized by the port authority to be operated on such air  
51 terminal highway or marine terminal highway.

52 § 1606. Procedures in case of causing injury. The operator of any  
53 vehicle involved in an accident on an air terminal highway or marine  
54 terminal highway which results in injury or death to any person or  
55 damage to any property shall immediately stop such vehicle at the scene  
56 of the accident, render such assistance as may be needed, and give his

1 name, address, and operator's license and registration number to the  
2 person injured or to any officer or witness of the injury. The operator  
3 of such vehicle shall make a report of such accident in accordance with  
4 the law of the state in which such accident occurred.

5 § 1607. Prohibited items. No person shall transport on any air termi-  
6 nal highway or marine terminal highway any dynamite, nitroglycerin,  
7 black powder, fireworks, blasting caps or other explosives, gasoline,  
8 alcohol, ether, liquid shellac, kerosene, turpentine, formaldehyde or  
9 other inflammable or combustible liquids, ammonium nitrate, sodium chlo-

12 hydrochloric acid, sulfuric acid or other corrosive liquids, prussic  
13 acid, phosgene, arsenic, carbolic acid, potassium cyanide, tear gas,  
14 lewisite, or any other poisonous substances, liquids or gases, or any  
15 compressed gas, or any radioactive article, substance or material, at  
16 such time or place or in such manner or condition as to endanger unrea-  
17 sonably or as to be likely to endanger unreasonably persons or property;  
18 nor shall any person park any vehicle, or permit the same to remain  
19 halted on any air terminal highway or marine terminal highway containing  
20 any of the foregoing, at such time or place or in such manner or condi-  
21 tion as to endanger unreasonably or as to be likely to endanger unrea-  
22 sonably persons or property.

23 § 1608. Parking. No person shall park a vehicle or permit the same to  
24 remain halted on any air terminal highway or marine terminal highway  
25 except at such places and for such periods of time as may be prescribed  
26 or permitted by the port authority.

27 § 1609. Prosecution for violations. If the violation within the state  
28 of any of the rules and regulations set forth in this part, would have  
29 been a felony, misdemeanor or other punishable offense if committed on  
30 any public road, street, highway or turnpike in the municipality in  
31 which such violation occurred, it shall be tried and punished in the  
32 same manner as if it had been committed on such public road, street,  
33 highway or turnpike.

34 § 1610. Felony for transport of prohibited items. Notwithstanding the  
35 provisions of section sixteen hundred two of this part, if the violation  
36 within the state of the rule and regulation promulgated pursuant to this  
37 part shall result in injury or death to a person or persons or damage to  
38 property in excess of the value of five thousand dollars, such violation  
39 shall constitute a felony.

40 § 1611. Misdemeanor for certain violations. Except as provided in  
41 sections sixteen hundred two and sixteen hundred three of this part, any  
42 violation within the state of any of the rules and regulations promul-  
43 gated pursuant to this part, shall constitute a misdemeanor and shall be  
44 punishable as an offense triable in a magistrate's court by a fine not  
45 exceeding five hundred dollars or by imprisonment not exceeding sixty  
46 days or by both such fine and imprisonment.

47 § 1612. Exclusion of vehicles in violations. The penalties prescribed  
48 in this part shall not preclude the port authority from excluding from  
49 any air terminal highway or marine terminal highway, permanently or for  
50 a specified time, all vehicles violating any of the rules and regu-  
51 lations promulgated pursuant to this part, as well as other vehicles  
52 owned or operated by the owner or operator of such vehicle.

53 § 1613. Reserve clause. Nothing herein contained shall be construed  
54 to affect, diminish or impair the power of this state to enact any law,  
55 or to impair or diminish, or as recognition of the impairment or diminu-

1 tion of any power of this state, legislative or otherwise, with respect  
2 to the port authority, its properties, or persons or property thereon.

3 PART XVII  
4 NEW YORK - NEW JERSEY AGREEMENT

5 Section 1701. Enforcement authority.

6 1702. Guidelines for interpretation.

7 § 1701. Enforcement authority. Upon the concurrence of the state of  
8 New Jersey, the states of New York and New Jersey agree that each state,  
9 in the discretion of its legislature, and without further consent or  
10 concurrence by the other state, may from time to time prescribe, amend,  
11 modify or rescind penalties for violations within its territorial limits  
12 of any rule or regulation, otherwise authorized, of the port of New York  
13 authority (hereinafter called the "port authority"), and procedures for  
14 the enforcement of such penalties.

15 § 1702. Guidelines for interpretation. This section and section  
16 seventeen hundred one of this part, together with corresponding sections  
17 of the act of the state of New Jersey concurring herein shall constitute  
18 an agreement between the states of New York and New Jersey supplemental  
19 to the compact between the two states dated April thirtieth, nineteen  
20 hundred twenty-one, and shall be liberally construed to effectuate the  
21 purposes of said compact and of the agreements of the two states amenda-  
22 tory thereof and supplemental thereto, and not in limitation of or in  
23 derogation of any powers heretofore or hereinafter conferred upon or  
24 delegated to the port authority, and not as granting any power to the  
25 port authority to make rules and regulations except as elsewhere  
26 provided in said compact and agreements, and shall not be construed to  
27 affect, diminish or impair the power of either state to prescribe,  
28 amend, modify or rescind such penalties, or to enact any other law, or  
29 to imply that the concurrence of the other state therein is necessary,  
30 or was necessary prior to the enactment of this part, or to impair or  
31 diminish, or as recognition of the impairment or diminution of any power  
32 of either state, legislative or otherwise, with respect to the port  
33 authority, its properties, or persons or property thereon, or to affect  
34 the interpretation of the aforesaid compact and agreements between the  
35 two states.

36 PART XVIII

12 1903. Venue.

13 1904. Consent.

14 1905. Agreement.

15 § 1901. Suits on lease at International Airport. Upon the concurrence  
16 of the state of New Jersey, the states of New York and New Jersey  
17 consent to suits, actions or proceedings (including proceedings to  
18 enforce arbitration agreements and to enter judgments upon awards  
19 resulting therefrom) of any form or nature, at law, in equity or other-  
20 wise by any person or corporation engaged in the business of scheduled  
21 transportation by aircraft, against the port authority, and to appeals  
22 therefrom and reviews thereof, upon or for the enforcement of any writ-  
23 ten contract for the use or occupancy of space, premises or facilities  
24 at New York International Airport, in the county of Queens, city of New  
25 York, state of New York, executed on or after January first, nineteen  
26 hundred fifty-three between the port authority and any such person or

29 occupancy pursuant to any such written contract.

30 § 1902. Effect. The consent pursuant to section nineteen hundred one  
31 of this part is granted upon the condition that in suits, actions or  
32 proceedings thereunder for judgments, orders or decrees restraining or  
33 enjoining the port authority from committing or continuing to commit  
34 breaches of such written contract, no such judgment, order or decree  
35 shall be entered except upon at least two days' prior written notice to  
36 the port authority of the proposed entry thereof; and upon an appeal  
37 taken by the port authority from such judgment, order or decree, the  
38 service of the notice of appeal shall perfect the appeal, without an  
39 undertaking or other security.

40 § 1903. Venue. The venue in any suit, action or proceeding against  
41 the port authority to which consent is given by this part shall be laid  
42 within a county or a judicial district, established by one of said two  
43 states or by the United States and situated wholly or partially within  
44 the port of New York district. The port authority shall be deemed to be  
45 a resident of each such county or judicial district for the purpose of  
46 such suits, actions or proceedings and shall be deemed to be a citizen  
47 of both of said two states.

48 § 1904. Consent. Nothing herein contained shall be deemed to revoke,  
49 rescind or affect any consents to suits, actions or proceedings against  
50 the port authority heretofore given by the two said states or the terms  
51 and conditions upon which such consents are given.

52 § 1905. Agreement. This part together with the act of the state of  
53 New Jersey concurring herein, shall constitute an agreement between the  
54 states of New York and New Jersey supplementary to and amendatory of the

2 hundred twenty-one.

3 PART XX  
4 NARROWS BRIDGE

5 Section 2001. Determination to build bridge.  
6 2002. Authorization for construction.  
7 2003. Definitions.  
8 2004. Authorization for agreement with the Triborough Authority.  
9 2005. Funding.  
10 2006. Bi-state covenant.  
11 2007. Security bonds.  
12 2008. Authorization to acquire real property.  
13 2009. Prior consent required.  
14 2010. Authorization of agents to enter property.  
15 2011. Essential government function.  
16 2012. Tax exemption on acquired property.  
17 2013. Governmental nature.  
18 2014. Agreement.

19 § 2001. Determination to build bridge. Upon the concurrence of the  
20 state of New Jersey, the states of New York and New Jersey find, deter-  
21 mine and agree that a bridge between Staten Island and Long Island,  
22 constituting a part of the highway system of the port district, created  
23 by their compact of April thirty, nineteen hundred twenty-one, will  
24 facilitate the flow of traffic between the two states, will alleviate  
25 congestion in the vehicular crossings of the Hudson river and will  
26 promote the movement of commerce between the two states by providing a  
27 direct connection between the state of New Jersey and Long Island in the  
28 state of New York by way of Staten Island and that it is therefore the  
29 policy of the two said states to provide such bridge.

30 § 2002. Authorization for construction. In furtherance of the afore-  
31 said policy, and in partial effectuation of the comprehensive plan here-  
32 tofore adopted by the two said states for the development of the said  
33 port district, the Port of New York Authority is hereby authorized and  
34 empowered to construct, own, maintain and operate a bridge (hereinafter  
35 called the Narrows bridge) over the Narrows of New York bay, and, in its  
36 discretion (and so long as it shall retain title to such bridge), such  
37 additions and improvements thereto and such approaches thereto and  
38 connections with highways and with the bridges between New Jersey and  
39 Staten Island as the Port Authority may deem necessary or desirable.  
40 The Port Authority may effectuate such approaches or connections, in its  
41 discretion, by agreement with any other public agency, which agreement  
42 may provide for the construction, ownership, maintenance or operation of  
43 such approaches or connections by such other public agency.

44 The Port Authority shall not commence the construction of the Narrows  
45 bridge until after the execution of an agreement between the Port  
46 Authority and the Triborough Bridge and Tunnel Authority (hereinafter  
47 called the Triborough Authority) pursuant to section two thousand four  
48 of this part.

49 § 2003. Definitions. The following terms as used in this part shall  
50 mean:

51 "Bonds" shall mean bonds, notes, securities or other obligations or  
52 evidences of indebtedness.

53 "General reserve fund statutes" shall mean chapter forty-eight of the  
54 laws of New York of nineteen hundred thirty-one, as amended and contin-

1 ued by part XXIX of this article, and chapter five of the laws of New  
2 Jersey of nineteen hundred thirty-one, as amended, and "general reserve  
3 fund" shall mean the general reserve fund of the Port Authority author-  
4 ized by said statutes.

5 "Narrows bridge" shall mean not only the bridge itself but also its  
6 approaches, connections, additions and improvements.

7 "Narrows bridge bonds" shall mean bonds issued by the Port Authority  
8 to provide funds for Narrows bridge purposes or bonds secured in whole  
9 or in part by a pledge of the revenues of the Port Authority from the  
10 Narrows bridge or bonds so issued and secured.

11 "Narrows bridge purposes" shall mean the effectuation, establishment,  
12 construction, rehabilitation, improvement, maintenance or operation of  
13 the Narrows bridge and purposes incidental thereto.

14 "Real property" shall mean lands, structures, franchises and interests  
15 in land, waters, lands under water and riparian rights, and any and all  
16 things and rights included within the said term, and includes not only  
17 fees simple absolute but also any and all lesser interests, including  
18 but not limited to easements, rights-of-way, uses, leases, licenses and  
19 all other incorporeal hereditaments and every estate, interest or right,  
20 legal or equitable, including terms for years and liens thereon by way  
21 of judgments, mortgages or otherwise.

22 § 2004. Authorization for agreement with the Triborough Authority.

23 (a) The Port Authority is authorized and empowered to enter into an  
24 agreement with the Triborough Authority (and from time to time to enter  
25 into agreements amending the same) for the design, location, financing,  
26 construction, maintenance and operation of the Narrows bridge and any  
27 other matters of like or different character with respect to the Narrows  
28 bridge, and by which the Port Authority may grant, convey, lease or  
29 otherwise transfer to the Triborough Authority or to the city of New  
30 York for the use and occupancy of the Triborough Authority any right,  
31 title or interest of the Port Authority in the Narrows bridge and in any  
32 part or parts thereof, upon such terms as may be determined by the Port  
33 Authority and the Triborough Authority, including but not limited to  
34 agreement as to the method of fixing the tolls, rents, charges and other  
35 fees and the rules for the regulation of the use of the bridge.

36 (b) So long as the Port Authority shall retain title to the Narrows  
37 bridge, it shall, so far as it deems it practicable, treat as a single  
38 unified operation the effectuation of the Narrows bridge, the interstate  
39 bridges and tunnels now operated by the Port Authority and any other  
40 bridges or tunnels which it may construct or operate, raising moneys for  
41 the construction thereof and for the making of additions and improve-  
42 ments thereto in whole or in part upon its own obligations, and, except  
43 as provided in such agreement or any amendment thereof, establishing and  
44 levying such tolls, rents, charges and other fees as it may deem neces-  
45 sary to secure from all of such bridges and tunnels as a group at least  
46 sufficient revenue to meet the expenses of the effectuation of such  
47 bridges and tunnels as a group, and to provide for the payment of the  
48 interest upon and amortization and retirement of and the fulfillment of  
49 the terms of all bonds which it may have issued in connection therewith.  
50 Except as provided in such agreement or any amendment thereof, no other  
51 agency or commission of either state shall have jurisdiction over the  
52 Narrows bridge so long as the Port Authority shall retain title thereto,  
53 and, except as so provided, all details of the design, location, financ-  
54 ing, construction, leasing, tolls, rents, charges and other fees,  
55 contracts, maintenance and operation of and rules for the regulation of  
56 the use of the Narrows bridge so long as the Port Authority shall retain

1 title thereto shall be within its sole discretion and its decision in  
2 connection with any and all matters concerning such bridge shall be  
3 controlling and conclusive.

4 (c) The states of New York and New Jersey hereby consent to suits,  
5 actions or proceedings against the Port Authority upon, in connection  
6 with or arising out of such agreement or any amendment thereof, by the  
7 Triborough Authority, or by the city of New York if and to the extent  
8 that such agreement or any amendment thereof shall create rights in the  
9 city of New York, as follows:

10 (1) For judgments, orders or decrees restraining or enjoining the Port  
11 Authority from transferring title to real property to other persons in  
12 cases where it has agreed with the Triborough Authority to transfer such  
13 title to the Triborough Authority or to the city of New York for the use  
14 and occupancy of the Triborough Authority, and

15 (2) For judgments, orders or decrees restraining or enjoining the Port  
16 Authority from committing or continuing to commit other breaches of such  
17 agreement or any amendment thereof; provided, that such judgment, order  
18 or decree shall not be entered except upon two days' prior written  
19 notice to the Port Authority of the proposed entry thereof and provided  
20 further, that upon an appeal taken by the Port Authority from such judg-  
21 ment, order or decree the service of the notice of appeal shall perfect  
22 the appeal and shall stay the execution of such judgment, order or  
23 decree appealed from, without an undertaking or other security.

24 Nothing herein contained shall be deemed to revoke, rescind or affect  
25 any consents to suits, actions or proceedings against the Port Authority  
26 heretofore given by the two said states in chapter three hundred one of  
27 the laws of New York of nineteen hundred fifty and continued by part XIV  
28 of this article and chapter two hundred four of the laws of New Jersey  
29 of nineteen hundred fifty-one.

30 § 2005. Funding. The moneys in the general reserve fund of the Port  
31 Authority may be pledged in whole or in part by the Port Authority as  
32 security for or applied by it to the repayment with interest of any  
33 moneys which it may raise upon Narrows bridge bonds issued by it from  
34 time to time and the moneys in said general reserve fund may be applied  
35 by the Port Authority to the fulfillment of any other undertakings which  
36 it may assume to or for the benefit of the holders of any such bonds.

37 Subject to prior liens and pledges (and to the obligation of the Port  
38 Authority to apply revenues to the maintenance of its general reserve  
39 fund in the amount prescribed by the general reserve fund statutes), the  
40 revenues of the Port Authority from facilities established, constructed,  
41 acquired or effectuated through the issuance or sale of bonds of the  
42 Port Authority secured by a pledge of its general reserve fund may be  
43 pledged in whole or in part as security for or applied by it to the  
44 repayment with interest of any moneys which it may raise upon Narrows  
45 bridge bonds, and said revenues may be applied by the Port Authority to  
46 the fulfillment of any other undertakings which it may assume to or for  
47 the benefit of the holders of such bonds.

48 In the event that at any time the balance of moneys theretofore paid  
49 into the general reserve fund and not applied therefrom shall exceed an  
50 amount equal to one-tenth of the par value of all bonds legal for  
51 investment, as defined and limited in the general reserve fund statutes,  
52 issued by the Port Authority and currently outstanding at such time, by  
53 reason of the retirement of Narrows bridge bonds the par value of which  
54 had theretofore been included in the computation of said one-tenth, then  
55 the Port Authority may pledge or apply such excess for and only for the  
56 purposes for which it is authorized by the general reserve fund statutes

1 to pledge the moneys in the general reserve fund, and such pledge may be  
2 made in advance of the time when such excess may occur.

3 § 2006. Bi-state covenant. The two states covenant and agree with  
4 each other and with the holders of Narrows bridge bonds as security for  
5 which there may or shall be pledged (directly or indirectly, or through  
6 the medium of its general reserve fund or otherwise) the revenues, or  
7 any part thereof, of the Narrows bridge or any other facility owned or  
8 operated by the Port Authority, that the two states will not, so long as  
9 any of such bonds remain outstanding and unpaid, diminish or impair the  
10 power of the Port Authority to establish, levy and collect tolls, rents,  
11 charges or other fees in connection with the Narrows bridge (so long as  
12 the Port Authority shall retain title to such bridge) or any such other  
13 facility; and that the two said states will not, so long as any of such  
14 bonds remain outstanding and unpaid and so long as the Port Authority  
15 shall retain title to the Narrows bridge, authorize the construction of  
16 any other vehicular bridges or tunnels (other than bridges or tunnels  
17 exclusively for railway rapid transit purposes) between Staten Island  
18 and Long Island by any person or body other than the Port Authority.

19 § 2007. Security bonds. Narrows bridge bonds are hereby made securi-  
20 ties in which all state and municipal officers and bodies of both  
21 states, all banks, bankers, trust companies, savings banks, building and  
22 loan associations, savings and loan associations, investment companies  
23 and other persons carrying on a banking business, all insurance compa-  
24 nies, insurance associations and other persons carrying on an insurance  
25 business, and all administrators, executors, guardians, trustees and  
26 other fiduciaries, and all other persons whatsoever, who are now or may  
27 hereafter be authorized by either state to invest in bonds of such  
28 state, may properly and legally invest any funds, including capital,  
29 belonging to them or within their control; and said bonds are hereby  
30 made securities which may properly and legally be deposited with and  
31 shall be received by any state or municipal officer or agency of either  
32 state for any purpose for which the deposit of bonds of such state is  
33 now or may hereafter be authorized.

34 § 2008. Authorization to acquire real property. If the Port Authority  
35 shall find it necessary or convenient to acquire any real property for  
36 Narrows bridge purposes (including temporary construction, rehabili-  
37 tation or improvement), whether for immediate or future use, the Port  
38 Authority may find and determine that such property, whether a fee  
39 simple absolute or a lesser interest, is required for a public use, and  
40 upon such determination the said property shall be and shall be deemed  
41 to be required for such public use until otherwise determined by the  
42 Port Authority, and such determination shall not be affected by the fact  
43 that such property has theretofore been taken for and is then devoted to  
44 a public use; but the public use in the hands of or under the control of  
45 the Port Authority shall be deemed superior to the public use in the  
46 hands of any other person, association or corporation. If the Port  
47 Authority shall find it necessary or convenient hereunder to acquire any  
48 real property which is then devoted to a public use, the Port Authority  
49 shall have power to exchange or substitute any other real property for  
50 such real property upon terms agreed to by the Port Authority and the  
51 owner of such property then devoted to a public use, and to find and  
52 determine that such other real property is also required for a public  
53 use; upon such determination the said other property shall be and shall  
54 be deemed to be required for such public use.

55 The Port Authority may acquire and is hereby authorized to acquire any  
56 real property in the state of New York required for a public use under

1 the preceding paragraph, whether a fee simple absolute or a lesser  
2 estate, by the exercise of the right of eminent domain under and pursu-  
3 ant to the eminent domain procedure law of the state of New York, or at  
4 the option of the Port Authority pursuant to any other and alternate  
5 procedure provided by law by such state. Nothing herein contained shall  
6 be construed to prevent the Port Authority from bringing any proceedings  
7 in either state to remove a cloud on title or such other proceedings as  
8 it may, in its discretion, deem proper and necessary, or from acquiring  
9 any such property in either state by negotiation or purchase.

10 Where a person entitled to an award remains in possession of such  
11 property after the time of the vesting of title in the Port Authority,  
12 the reasonable value of his use and occupancy of such property subse-  
13 quent to such time, as fixed by agreement or by the court in such  
14 proceedings or by any court of competent jurisdiction, shall be a lien  
15 against such award, subject only to liens of record at the time of the  
16 vesting of title in the Port Authority.

17 § 2009. Prior consent required. Anything in this part to the contrary  
18 notwithstanding, no property now or hereafter vested in or held by the  
19 city of New York shall be taken by the Port Authority without the  
20 authority or consent of the city as provided in said compact of April  
21 thirty, nineteen hundred twenty-one. The Port Authority is also hereby  
22 authorized and empowered to acquire from said city by agreement there-  
23 with, and the city, notwithstanding any contrary provision of law, is  
24 hereby authorized and empowered to grant and convey upon reasonable  
25 terms and conditions any real property which the Port Authority shall  
26 find to be necessary for Narrows bridge purposes, including such real  
27 property as has already been devoted to a public use. The state of New  
28 York hereby consents to the use and occupation of the real property of  
29 such state which the Port Authority shall find to be necessary for  
30 Narrows bridge purposes, including lands of the state lying under water,  
31 and the department, board or division or other agency of the state exer-  
32 cising supervision of such property shall execute such documents as it  
33 may deem necessary to evidence the right to such use and occupation.

34 § 2010. Authorization of agents to enter property. The Port Authority  
35 and its duly authorized agents, and all persons acting under its author-  
36 ity and by its direction, may enter in the daytime into and upon any  
37 real property which it shall be necessary so to enter, for the purpose  
38 of making such surveys, diagrams, maps or plans, or for the purpose of  
39 making such soundings or borings as the Port Authority may deem neces-  
40 sary or convenient for the purposes of this part and the concurrent act  
41 of the state of New Jersey.

42 § 2011. Essential government function. The construction, maintenance  
43 and operation of the Narrows bridge are and will be in all respects for  
44 the benefit of the people of the states of New York and New Jersey, for  
45 the increase of their commerce and prosperity and for the improvement of  
46 their health and living conditions and shall be deemed to be public  
47 purposes; and the Port Authority shall be regarded as performing an  
48 essential governmental function in undertaking the construction, mainte-  
49 nance and operation thereof and in carrying out the provisions of law  
50 relating thereto.

51 § 2012. Tax exemption on acquired property. No taxes or assessments  
52 shall be levied or collected upon any property acquired or used for  
53 Narrows bridge purposes.

54 § 2013. Governmental nature. Any declarations contained herein and in  
55 the concurrent act of the state of New Jersey with respect to the  
56 governmental nature and public purpose of the Narrows bridge and to the

1 exemption of Narrows bridge property from taxation and to the discretion  
2 of the Port Authority with respect to the operation thereof shall not be  
3 construed to imply that other Port Authority property and operations are  
4 not of a governmental nature or do not constitute public purposes, or  
5 that they are subject to taxation, or that the determinations of the  
6 Port Authority with respect thereto are not conclusive. The powers  
7 vested in the Port Authority herein and in the concurrent act of the  
8 state of New Jersey (including but not limited to the powers to acquire  
9 real property by condemnation and to make or effectuate additions,  
10 improvements, approaches and connections) shall, except as herein other-  
11 wise expressly stated, be continuing powers and no exercise thereof  
12 shall be deemed to exhaust them or any of them.

13 The provisions of chapter forty-seven of the laws of New York of nine-  
14 teen hundred thirty-one as continued by part III of this article and  
15 chapter four of the laws of New Jersey of nineteen hundred thirty-one  
16 shall not apply to the Narrows bridge.

17 § 2014. Agreement. This section and the preceding sections of this  
18 part constitute an agreement between the states of New York and New  
19 Jersey supplementary to the compact between the two states dated April  
20 thirty, nineteen hundred twenty-one, and amendatory thereof, and shall  
21 be liberally construed to effectuate the purposes of said compact and of  
22 the comprehensive plan heretofore adopted by the two states, and the  
23 powers vested in the Port Authority hereby shall be construed to be in  
24 aid of and supplemental to and not in limitation of or in derogation of  
25 any of the powers heretofore conferred upon or delegated to the Port  
26 Authority.

29 state is now or may hereafter be authorized.

30 PART XXII

32 Section 2201. Commuter railroad cars.

33 § 2201. Commuter railroad cars. 1. Upon the concurrence of the state  
34 of New Jersey, the states of New York and New Jersey agree that each

46 self-propelled cars, and locomotives and other rolling stock used in  
47 passenger transportation.

48 3. (a) Upon the election by either state as provided in subdivision

50 empowered to:

51 (i) purchase and own railroad cars for the purpose of leasing them to  
52 any commuter railroad of such state; provided, however, that no rail-  
53 road cars shall be so purchased except with advances received or money  
54 borrowed pursuant to subparagraphs (ii) and (iii) of this paragraph, nor

1 shall the port authority incur expenses in connection with such purchase  
2 and ownership except out of such advances or borrowed money or the  
3 rentals received from such leasing;

4 (ii) receive and accept advances from such state for such purchase  
5 upon such terms and conditions as such state may specify;

6 (iii) borrow money from any source for such purchase or for the repay-

8 paragraph (b) of this subdivision;

9 (iv) secure the repayment of principal of and interest upon any such  
10 borrowed money by and only by a lien upon such railroad cars, a pledge  
11 of the rentals therefrom and the liability of the electing state for the  
12 repayment of such principal and interest;

13 (v) lease such railroad cars directly or indirectly to any commuter  
14 railroad of such state upon such terms and conditions as the port  
15 authority shall deem in the public interest, including postponement of  
16 receipt of rentals by the port authority in the interest of increasing  
17 and improving the service rendered to the commuting public; provided,  
18 however, that no such lease shall become effective until it has been  
19 approved in writing by the officer of the electing state designated by  
20 appropriate legislation; and

21 (vi) sell or otherwise dispose of such cars upon such terms and condi-  
22 tions and to such persons as the port authority shall deem in the public  
23 interest, except as may be otherwise directed by such electing state.

24 (b) The port authority shall not borrow money pursuant to subparagraph  
25 (iii) of paragraph (a) of this subdivision unless and until the electing  
26 state shall have duly amended its constitution, if necessary, making or  
27 authorizing making the state liable for the repayment of the money so  
28 borrowed and interest thereon or for the fulfillment of the rental obli-  
29 gations to the port authority, or both; and the port authority shall  
30 not borrow any such money unless and until the electing state shall be  
31 made liable for the repayment of any such money.

32 4. The purchase and ownership by the port authority of railroad cars  
33 and the rental thereof to commuter railroads of the states of New York  
34 or New Jersey are and will be in all respects for the benefit of the  
35 people of the said two states for the increase of their commerce and  
36 prosperity and for the improvement of their health, safety and living  
37 conditions and shall be deemed to be public purposes; and the port  
38 authority shall be regarded as performing an essential governmental  
39 function in undertaking such purchase, ownership and rental and in  
40 carrying out the provisions of law relating thereto.

41 5. The bonds or other evidences of indebtedness which may be issued by  
42 the port authority pursuant to this part are hereby made securities in  
43 which all state and municipal officers and bodies, all banks, bankers,  
44 trust companies, savings banks, savings and loan associations, invest-  
45 ment companies and other persons carrying on a banking business, all  
46 insurance companies, insurance associations and other persons carrying  
47 on an insurance business, and all administrators, executors, guardians,  
48 trustees and other fiduciaries and all other persons whatsoever who are  
49 now or may hereafter be authorized to invest in bonds or other obli-  
50 gations of the electing state, may properly and legally invest any  
51 funds, including capital, belonging to them or within their control;  
52 and said bonds or other evidences of indebtedness are hereby made secu-  
53 rities which may properly and legally be deposited with and shall be  
54 received by any state or municipal officer or agency for any purpose for  
55 which the deposit of bonds or other evidences of indebtedness of the

1 electing state is now or may hereafter be authorized. Such bonds or  
2 other evidences of indebtedness shall constitute negotiable instruments.

3 Notwithstanding the provisions of this or any other legislation the  
4 rentals received by the port authority from the leasing of any railroad  
5 cars under this part shall not be pooled or applied to the establishment  
6 or maintenance of any reserve fund of the port authority pledged as  
7 security for any bonds or other evidences of indebtedness other than  
8 those issued pursuant to this part, and the bonds or other evidences of  
9 indebtedness issued pursuant to this part shall not be included in meas-  
10 uring the principal amount of bonds or other evidences of indebtedness  
11 upon which the amount of any such reserve fund is calculated.

12 6. No taxes or assessments shall be levied or collected upon any rail-  
13 road cars owned by the port authority pursuant to this part or upon any  
14 leasehold interest therein.

15 7. (a) The state of New York hereby elects pursuant to subdivision one  
16 of this section to provide for the purchase and rental by the port  
17 authority of railroad cars on the commuter railroads of this state. The  
18 commissioner of the department of transportation is hereby designated as  
19 the officer of this state for the approval of leases pursuant to subpar-  
20 agraph (v) of paragraph (a) of subdivision three of this section.

21 (b) In the event that this state shall make advances to the port  
22 authority for the purchase and rental of railroad cars, the port author-  
23 ity shall repay any such advances, pursuant to an appropriate written  
24 agreement with the director of the budget entered into prior to the  
25 requisitioning of such advances, out of money borrowed for such purpose  
26 under subparagraph (iii) of paragraph (a) of subdivision three of this  
27 section. Except as so repaid, such advances shall be repaid annually by  
28 the port authority to the extent and only to the extent that the port  
29 authority shall have received rentals, directly or indirectly, from all  
30 the commuter railroads of this state to which railroad cars have been  
31 leased under this part in excess of the components of such rentals which  
32 represent the port authority's administrative, legal and financial  
33 expenses in connection with the purchase, ownership and lease.

34 (c) In the event that railroad cars purchased by the port authority  
35 are sold upon the default of any lessee thereof, the port authority  
36 shall deduct from the proceeds of such sale its unpaid administrative,  
37 legal and financial expenses in connection with such lease and sale and  
38 an amount equal to the unpaid principal and interest and mandatory  
39 redemption premiums, whenever payable, upon its outstanding bonds or  
40 other evidences of indebtedness, the proceeds of the issuance of which  
41 shall have been applied to the purchase of the railroad cars sold and  
42 shall pay the balance to this state, but the port authority shall have  
43 full authority to agree with any other creditors of such lessee, either  
44 in advance of or after default, as to the order of payment to the port  
45 authority and such other creditors, either out of the assets of such  
46 lessee available for such creditors, including the port authority, or  
47 out of the proceeds of the joint sale of various properties of such  
48 creditors theretofore used by such lessee, including such railroad cars  
49 of the port authority.

50 (d) Except as provided in paragraph (c) of this subdivision, any rail-  
51 road cars purchased by the port authority with the proceeds of the issu-  
52 ance by the port authority of any series of bonds or other evidences of  
53 indebtedness shall become the property of this state after the final  
54 payment of all the bonds or other evidences of indebtedness of such  
55 series, and thereafter shall be held by the port authority subject to  
56 the disposition of this state, and any railroad cars purchased by the

1 port authority with any advances from this state shall become the prop-  
2 erty of this state upon the repayment of all such advances solely out of  
3 rentals in excess of the port authority's administrative, legal and  
4 financial expenses in connection therewith; or if the proceeds of port  
5 authority bonds or other evidences of indebtedness of any series shall  
6 have been applied to repay all or any portion of such advances, then  
7 such cars shall become the property of this state upon the final payment  
8 of all such bonds or other evidences of such indebtedness of such  
9 series.

10 (e)(i) To the extent authorized by the constitution at the time of the  
11 issuance of bonds or notes of the port authority for any of the purposes  
12 of this part, the punctual payment of such bonds and notes shall be, and  
13 the same hereby is, fully and unconditionally guaranteed by the state of  
14 New York, both as to principal and interest, according to their terms;  
15 and such guaranty shall be expressed upon the face thereof by the signa-  
16 ture or facsimile signature of the comptroller or a deputy comptroller  
17 of the state of New York. If the port authority shall fail to pay, when  
18 due, the principal of, or interest upon, such bonds or notes, such comp-  
19 troller shall pay the holder thereof. In furtherance of such guaranty  
20 of punctual payment, if the comptroller of this state shall receive  
21 written notice from the trustee or other fiduciary or other duly author-  
22 ized representative of the holder or holders of such bonds and notes  
23 designated in any agreement between the port authority and such holder  
24 or holders that the port authority has failed to make or deposit any  
25 payment of interest or principal required by such agreement to or with  
26 such trustee or fiduciary or otherwise at or before the time specified  
27 in such agreement, then such comptroller shall within three days of the  
28 receipt of such notice pay to such trustee or fiduciary or other duly  
29 authorized representative the amount necessary to meet any deficiency in  
30 the payment of such interest and principal, when due.

31 If the comptroller shall make a payment or payments pursuant to this  
32 subparagraph, the state shall be subrogated to the rights of the bond-  
33 holders or noteholders to whom, or on account of whom, such payment or  
34 payments were made, in and to the revenues pledged to such holders; and  
35 for such purpose, to the extent any such revenues in the hands of the  
36 port authority may be inadequate to repay such payment or payments made  
37 by the state, the state shall be further subrogated to the rights of the  
38 port authority to recover any rentals due and unpaid to the port author-  
39 ity as of the date of such payment or payments and pledged to such hold-  
40 ers as aforesaid.

41 (ii) Such bonds and notes shall be sold by the port authority in such  
42 manner and at such time as the port authority, with the approval of the  
43 comptroller, shall determine. The proceeds of each sale of bonds or  
44 notes shall be applied to the purpose or purposes set forth in the  
45 resolution of the port authority authorizing the issuance of such bonds  
46 or notes. If, after having accomplished the purpose or purposes set  
47 forth in such resolution there remains any unexpended balance (including  
48 interest earned by the port authority on such proceeds), such unexpended  
49 balance shall be applied by the port authority, to the extent practica-  
50 ble, to the purchase for retirement or to the redemption of bonds or  
51 notes included in such sale, or otherwise as the port authority may  
52 determine for the purposes of this part. If any commuter car, the  
53 acquisition of which is financed or refinanced by the issuance of bonds  
54 or notes under this part, be lost, damaged or destroyed, the proceeds of  
55 any insurance policies covering such loss, damage or destruction or any  
56 payments made to the port authority by the lessee of such car on account

1 of such loss, damage or destruction shall be applied by the port author-  
2 ity, to the extent practicable, to the purchase for retirement or to the  
3 redemption of bonds or notes of such series, or otherwise as the port  
4 authority may determine for the purposes of this part.

5 (iii) The port authority is designated as the agent of the state of  
6 New York for the purpose of selling, leasing or otherwise disposing of  
7 any railroad cars which shall become the property of the state pursuant  
8 to paragraph (d) of this subdivision. As such agent the port authority  
9 may agree, upon such terms and conditions as may be deemed appropriate  
10 by it, with any lessee of railroad cars or with any other person, either  
11 in advance of or after the time when such cars shall become the property  
12 of the state, so to sell, lease or otherwise dispose of such cars. In  
13 the event any such cars are so sold, leased or otherwise disposed of by  
14 the port authority, the port authority shall pay over to the state, as  
15 promptly after receipt as may be practicable, any balance of the  
16 proceeds thereof, which remain after deduction of the port authority's  
17 administrative, legal and financial expenses in connection with or arising out of such sale, lease or other disposition.

19 PART XXIII  
20 WORLD TRADE CENTER

21 Section 2301. World trade center.

22 § 2301. World trade center. 1. The states of New York and New Jersey  
23 hereby find and determine:

24 (a) that the transportation of persons to, from and within the port of  
25 New York, and the flow of foreign and domestic cargoes to, from and  
26 through the port of New York are vital and essential to the preservation  
27 of the economic well-being of the northern New Jersey-New York metropol-  
28 itan area;

29 (b) that in order to preserve the northern New Jersey-New York metro-  
30 politan area from economic deterioration, adequate facilities for the  
31 transportation of persons must be provided, preserved and maintained and  
32 that rail services are and will remain of extreme importance to such  
33 transportation of persons;

34 (c) that the interurban electric railway now or heretofore operated by  
35 the Hudson & Manhattan railroad company is an essential railroad facili-  
36 ty serving the northern New Jersey-New York metropolitan area, that its  
37 physical plant is in a severely deteriorated condition, and that it is  
38 in extreme financial condition;

39 (d) that the immediate need for the maintenance and development of  
40 adequate railroad facilities for the transportation of persons between  
41 northern New Jersey and New York would be met by the acquisition, reha-  
42 bilitation and operation of the said Hudson & Manhattan interurban elec-  
43 tric railway by a public agency, and improvement and extensions of the  
44 rail transit lines of said railway to permit transfer of its passengers  
45 to and from other transportation facilities and in the provision of  
46 transfer facilities at the points of such transfers;

47 (e) that in order to preserve and protect the position of the port of  
48 New York as the nation's leading gateway for world commerce it is incum-  
49 bent on the states of New York and New Jersey to make every effort to  
50 insure that their port receives its rightful share of the oceanborne  
51 cargo volumes generated by the economy of the nation;

52 (f) that the servicing functions and activities connected with the  
53 oceanborne and overseas airborne trade and commerce of the port of New  
54 York district as defined in the compact between the said two states

1 dated April thirty, nineteen hundred twenty-one (hereinafter called the  
2 port district), including customs clearance, shipping negotiations,  
3 cargo routing, freight forwarding, financing, insurance arrangements and  
4 other similar transactions which are presently performed in various,  
5 scattered locations in the city of New York, state of New York, should  
6 be centralized to provide for more efficient and economical transporta-  
7 tion of persons and more efficient and economical facilities for the  
8 exchange and buying, selling and transportation of commodities and other  
9 property in world trade and commerce;

10 (g) that unification, at a single, centrally located site, of the  
11 principal New York terminal of the aforesaid interurban electric railway  
12 and a facility of commerce accommodating the said functions and activ-  
13 ities described in paragraph (f) of this subdivision and the appropriate  
14 governmental, administrative and other services connected with or inci-  
15 dental to transportation of persons and property and the promotion and  
16 protection of port commerce, and providing a central locale for exhibit-  
17 ing and otherwise promoting the exchange and buying and selling of  
18 commodities and property in world trade and commerce, will materially  
19 assist in preserving for the two states and the people thereof the mate-  
20 rial and other benefits of a prosperous port community;

21 (h) that the port authority, which was created by agreement of the two  
22 states as their joint agent for the development of the transportation  
23 and terminal facilities and other facilities of commerce of the port  
24 district and for the promotion and protection of the commerce of their  
25 port, is the proper agency to act in their behalf (either directly or by  
26 or through wholly-owned subsidiary corporations) to effectuate, as a  
27 unified project, the said interurban electric railway and its extensions  
28 and the facility of commerce described in paragraph (g) of this subdivi-  
29 sion; and

30 (i) that the undertaking of the aforesaid unified project by the port  
31 authority has the single object of preserving, and is part of a unified  
32 plan to aid in the preservation of, the economic well-being of the  
33 northern New Jersey-New York metropolitan area and is found and deter-  
34 mined to be in the public interest.

35 2. The following terms as used in this act shall have the following  
36 meanings:

37 (a) "Bonds" shall mean bonds, notes, securities or other obligations  
38 or evidences of indebtedness;

39 (b) "Effectuation" of a project or any facility or part of a facility  
40 constituting a portion of a project shall include but not be limited to  
41 its establishment, acquisition, construction, development, maintenance,

41 this part or upon bonds secured in whole or in part by the pledge of the  
42 revenues from the port development project or any portion thereof or  
43 upon bonds both so issued or incurred and so secured; and the moneys in

48 authority to apply revenues to the maintenance of its general reserve  
49 fund in the amount prescribed by the general reserve fund statutes), the  
50 revenues from facilities established, constructed, acquired or otherwise  
51 effectuated through the issuance or sale of bonds of the port authority  
52 secured in whole or in part by a pledge of its general reserve fund or  
53 any portion thereof may be pledged in whole or in part as security for

7 5. In all cases where the port authority has raised or shall hereafter  
8 raise moneys for any of the purposes of this part by the issue and sale  
9 of bonds which are secured in whole or in part by a pledge of the gener-

19 currently outstanding, including such bonds issued for any of the  
20 purposes of this part; and all such moneys in said general reserve fund  
21 may be pledged and applied in the manner provided in the general reserve  
22 fund statutes.

23 In the event that any time the balance of moneys theretofore paid into  
24 the general reserve fund and not applied therefrom shall exceed an  
25 amount equal to one-tenth of the par value of all bonds upon the princi-  
26 pal amount of which the amount of the general reserve fund is calcu-  
27 lated, by reason of the retirement of bonds issued or incurred from time  
28 to time for any of the purposes of this part the par value of which had  
29 theretofore been included in the computation of said amount of the  
30 general reserve fund, then the port authority may pledge or apply such  
31 excess for and only for the purposes for which it is authorized by the  
32 general reserve fund statutes to pledge the moneys in the general  
33 reserve fund and such pledge may be made in advance of the time when  
34 such excess may occur.

35 6. The two states covenant and agree with each other and with the  
36 holders of any affected bonds, as hereinafter defined, that so long as  
37 any of such bonds remain outstanding and unpaid and the holders thereof  
38 shall not have given their consent as provided in their contract with  
39 the port authority, the two states will not diminish or impair the power  
40 of the port authority (or any subsidiary corporation incorporated for  
41 any of the purposes of this part) to establish, levy and collect  
42 rentals, tolls, fares, fees or other charges in connection with any  
43 facility constituting a portion of the port development project or any  
44 other facility owned or operated by the port authority of which the  
45 revenues have been or shall be pledged in whole or in part as security  
46 for such bonds (directly or indirectly, or through the medium of the

54 fund established by or pursuant to contract between the port authority  
55 and the holders of such bonds, or the revenues of the world trade  
56 center, Hudson tubes, Hudson tubes extensions or any other facility

1 owned or operated by the port authority any surplus revenues of which  
2 would be payable into the general reserve fund, or bonds both so issued  
3 or incurred and so secured.

4 7. The port authority is authorized and empowered to co-operate with  
5 the states of New York and New Jersey, with any municipality, with the  
6 federal government and with any agency or commission of any one or more  
7 of the foregoing, or with any one or more of them, for and in connection  
8 with the acquisition, clearance, replanning, rehabilitation, recon-  
9 struction or redevelopment of the Hudson tubes-world trade center area  
10 or of any other area forming part of the port development project for  
11 the purpose of renewal and improvement of said area and for any of the  
12 purposes of this part, and to enter into an agreement or agreements (and  
13 from time to time to enter into agreements amending or supplementing the  
14 same) with any such municipality, commission or agency and with the  
15 states of New York and New Jersey and with the federal government, or  
16 with any one or more of them, for or relating to such purposes, includ-  
17 ing but not limited to agreements with respect to financial assistance,  
18 loans and grants as provided in title one of the housing act of nineteen  
19 hundred forty-nine and all federal laws amendatory and supplemental  
20 thereto and with respect to occupancy of space in the port development  
21 project. The port authority is hereby authorized and empowered to apply  
22 for and accept financial assistance, loans and grants for such purposes  
23 under federal, state or local laws, and to make application directly to  
24 the proper officials or agencies for and receive federal, state or local  
25 loans or grants in aid of any of the purposes of this part.

27 local, either state and any municipality and any commission or agency of  
28 either or both of said two states is authorized and empowered to co-op-  
29 erate with the port authority and to enter into an agreement or agree-  
30 ments (and from time to time to enter into agreements amending or  
31 supplementing the same) with the port authority for and in connection  
32 with or relating to the acquisition, clearance, replanning, rehabili-  
33 tation, reconstruction, or redevelopment of the Hudson tubes-world trade  
34 center area or of any other area forming part of the port development  
35 project for the purpose of renewal and improvement of said area as afor-  
36 esaid and for any of the purposes of this part, upon such reasonable  
37 terms and conditions as may be determined by such state, municipality,  
38 agency or commission and the port authority. Such agreement may, without  
39 limiting the generality of the foregoing, include consent to the use by  
40 the port authority of any real property owned or to be acquired by said  
41 state, municipality, agency or commission and consent to the use by such  
42 state, municipality, agency or commission of any real property owned or

44 convenient or desirable in the opinion of the port authority for any of  
45 the purposes of this part, including such real property, improved or  
46 unimproved, as has already been devoted to or has been or is to be  
47 acquired for urban renewal or other public use, and as an incident to  
48 such consents such state, municipality, agency or commission may grant,  
49 convey, lease or otherwise transfer any such real property to the port  
50 authority and the port authority may grant, convey, lease or otherwise  
51 transfer any such real property to such state, municipality, agency or  
52 commission for such term and upon such conditions as may be agreed upon.  
53 If real property of such state, municipality, agency or commission be  
54 leased to the port authority for any of the purposes of this part, such  
55 state, municipality, agency or commission may consent to the port  
56 authority having the right to mortgage the fee of such property and thus

1 enable the port authority to give as security for its bond or bonds a  
2 lien upon the land and improvements, but such state, municipality, agen-  
3 cy or commission by consenting to the execution by the port authority of  
4 a mortgage upon the leased property shall not thereby assume and such  
5 consent shall not be construed as imposing upon such state, municipi-  
6 pality, agency or commission any liability upon the bond or bonds  
7 secured by the mortgage.

8 Nothing contained in this subdivision shall impair or diminish the  
9 powers vested in either state or in any municipality, agency or commis-  
10 sion to acquire, clear, replan, reconstruct, rehabilitate or redevelop  
11 substandard or insanitary or deteriorating areas and the powers herein  
12 granted to the state, municipality, agency or commission shall be  
13 construed to be in aid of and not in limitation or in derogation of any  
14 such powers, heretofore or hereafter conferred upon or granted to the  
15 state, municipality, agency or commission.

16 Nothing contained in this part shall be construed to authorize the  
17 port authority to acquire property now or hereafter vested in or held by  
18 any municipality without the authority or consent of such municipality,  
19 provided that the state in which said municipality is located may by  
20 statute enact that such property may be taken by the port authority by  
21 condemnation or the exercise of the right of eminent domain without such  
22 authority or consent; nor shall anything herein impair or invalidate in  
23 any way any bonded indebtedness of the state or such municipality, nor  
24 impair the provisions of law regulating the payment into sinking funds  
25 of revenues derived from municipal property, or dedicating the revenues  
26 derived from municipal property to a specific purpose.

27 The port authority is hereby authorized and empowered to acquire from  
28 any such municipality, or from any other agency or commission having  
29 jurisdiction in the premises, by agreement therewith, and such municipi-  
30 pality, agency or commission, notwithstanding any contrary provision of  
31 law, is hereby authorized and empowered to grant and convey, upon  
32 reasonable terms and conditions, any real property which may be neces-  
33 sary, convenient or desirable for any of the purposes of this part,  
34 including such real property as has already been devoted to a public  
35 use.

36 Any consent by a municipality shall be given and the terms, conditions  
37 and execution by a municipality of any agreement, deed, lease, convey-  
38 ance or other instrument pursuant to this subdivision or any other  
39 provision of this part shall be authorized in the manner provided in  
40 article twenty-two of the compact of April thirty, nineteen hundred  
41 twenty-one between the two states creating the port authority. Any  
42 consent by either state shall be effective if given, and the terms and  
43 conditions and execution of any agreement, deed, lease, conveyance or  
44 other instruments pursuant to this subdivision or an other provision of  
45 this part shall be effective if authorized, by the governor of such  
46 state.

47 9. The states of New York and New Jersey hereby consent to suits,  
48 actions or proceedings by any municipality against the port authority  
49 upon, in connection with or arising out of any agreement, or any amend-  
50 ment thereof, entered into for any of the purposes of this part, as  
51 follows:

52 (a) for judgments, orders or decrees restraining or enjoining the port  
53 authority from transferring title to real property to other persons in  
54 cases where it has agreed with said municipality for transfer of such  
55 title to the municipality; and

(b) for judgments, orders or decrees restraining or enjoining the port authority from committing or continuing to commit other breaches of such agreement or any amendment thereof; provided, that such judgment, order or decree shall not be entered except upon two days' prior written notice to the port authority of the proposed entry thereof; and provided further that upon appeal taken by the port authority from such judgment, order or decree the service of the notice of appeal shall perfect the appeal and stay the execution of such judgment, order or decree appealed from without an undertaking or other security.

Nothing herein contained shall be deemed to revoke, rescind or affect any consent to suits, actions, or proceedings against the port authority heretofore given by the two said states in chapter three hundred one of the laws of New York of nineteen hundred fifty and continued by part XXIV of this article, and chapter two hundred four of the laws of New Jersey of nineteen hundred fifty-one.

10. The effectuation of the world trade center, the Hudson tubes and the Hudson tubes extensions, or any of such facilities constituting a portion of the port development project, are and will be in all respects for the benefit of the people of the states of New York and New Jersey, for the increase of their commerce and prosperity and for the improvement of their health and living conditions; and the port authority and any subsidiary corporation incorporated for any of the purposes of this part shall be regarded as performing an essential governmental function in undertaking the effectuation thereof, and in carrying out the provisions of law relating thereto.

11. The port authority shall be required to pay no taxes or assessments upon any of the property acquired or used by it for any of the purposes of this part or upon any deed, mortgage or other instrument affecting such property or upon the recording of any such instrument. However, to the end that no municipality shall suffer undue loss of taxes and assessments by reason of the acquisition and ownership of property by the port authority for any of the purposes of this part, the port authority is hereby authorized and empowered, in its discretion, to enter into a voluntary agreement or agreements with any municipality whereby the port authority will undertake to pay in lieu of taxes a fair and reasonable sum or sums annually in connection with any real property acquired and owned by the port authority for any of the purposes of this part. Such sums in connection with any real property acquired and owned by the port authority for any of the purposes of this part shall not be more than the sum last paid as taxes upon such real property prior to the time of its acquisition by the port authority; provided, however, that in connection with any portion of the Hudson tubes-world trade center area acquired and owned by the port authority for any of the purposes of this part, after such property is improved pursuant to this part with world trade center buildings, structures or improvements greater in value than the buildings, structures or improvements on such Hudson tubes-world trade center area at the time of its acquisition by the port authority, then, with regard to such greater value, such sum or sums may be increased by such additional sum or sums annually as may be agreed upon between the port authority and the city of New York which will not include any consideration of the exhibit areas of the world trade center or of any areas which would be tax exempt in their own right if title were in the governmental occupants or of other areas accommodating services for the public or devoted to general public use. Each such municipality is hereby authorized and empowered to enter into such agreement or agreements with the port authority and to accept the

1 payment or payments which the port authority is hereby authorized and  
2 empowered to make, and the sums so received by such municipality shall  
3 be devoted to purposes to which taxes may be applied unless and until  
4 otherwise directed by law of the state in which such municipality is  
5 located.

6 12. All details of the effectuation, including but not limited to  
7 details of financing, leasing, rentals, tolls, fares, fees and other  
8 charges, rates, contracts and service, of the world trade center, the  
9 Hudson tubes and the Hudson tubes extensions by the port authority shall  
10 be within its sole discretion and its decision in connection with any  
11 and all matters concerning the world trade center, the Hudson tubes and  
12 the Hudson tubes extensions shall be controlling and conclusive. The  
13 local laws, resolutions, ordinances, rules and regulations of the city  
14 of New York shall apply to such world trade center if so provided in any  
15 agreement between the port authority and the city and to the extent  
16 provided in any such agreement.

17 So long as any facility constituting a portion of the port development  
18 project shall be owned, controlled or operated by the port authority  
19 (either directly or through a subsidiary corporation incorporated for  
20 any of the purposes of this part), no agency, commission or municipality  
21 of either or both of the two states shall have jurisdiction over such  
22 facility nor shall any such agency, commission or municipality have any  
23 jurisdiction over the terms or method of effectuation of all or any  
24 portion thereof by the port authority (or such subsidiary corporation)  
25 including but not limited to the transfer of all or any portion thereof  
26 to or by the port authority (or such subsidiary corporation).

27 Nothing in this part shall be deemed to prevent the port authority  
28 from establishing, acquiring, owning, leasing, constructing, effectuat-  
29 ing, developing, maintaining, operating, rehabilitating or improving all  
30 or any portion of the port development project through wholly owned  
31 subsidiary corporations of the port authority or from transferring to or  
32 from any such corporations any moneys, real property or other property  
33 for any of the purposes of this part. If the port authority shall deter-  
34 mine from time to time to form such a subsidiary corporation it shall do  
35 so by executing and filing with the secretary of state of New York and  
36 the secretary of state of New Jersey a certificate of incorporation,  
37 which may be amended from time to time by similar filing, which shall  
38 set forth the name of such subsidiary corporation, its duration, the  
39 location of its principal office, and the purposes of the incorporation  
40 which shall be one or more of the purposes of establishing, acquiring,  
41 owning, leasing, constructing, effectuating, developing, maintaining,  
42 operating, rehabilitating or improving all or any portion of the port  
43 development project. The directors of such subsidiary corporation shall  
44 be the same persons holding the offices of commissioners of the port  
45 authority. Such subsidiary corporation shall have all the powers vested  
46 in the port authority itself for the purposes of this part except that  
47 it shall not have the power to contract indebtedness. Such subsidiary  
48 corporation and any of its property, functions and activities shall have  
49 all of the privileges, immunities, tax exemptions and other exemptions  
50 of the port authority and of the port authority's property, functions  
51 and activities. Such subsidiary corporation shall be subject to the  
52 restrictions and limitations to which the port authority may be subject,  
53 including, but not limited to the requirement that no action taken at  
54 any meeting of the board of directors of such subsidiary corporation  
55 shall have force or effect until the governors of the two states shall  
56 have an opportunity, in the same manner and within the same time as now

1 or hereafter provided by law for approval or veto of actions taken at  
2 any meeting of the port authority itself, to approve or veto such  
3 action. Such subsidiary corporation shall be subject to suit in accord-  
4 ance with subdivision nine of this section and chapter three hundred one  
5 of the laws of New York of nineteen hundred fifty as continued by part  
6 XXIV of this article, and chapter two hundred four of the laws of New  
7 Jersey of nineteen hundred fifty-one as if such subsidiary corporation  
8 were the port authority itself. Such subsidiary corporation shall not  
9 be a participating employer under the New York retirement and social  
10 security law or any similar law of either state and the employees of any  
11 such subsidiary corporation, except those who are also employees of the  
12 port authority, shall not be deemed employees of the port authority.

13 Whenever any state, municipality, commission, agency, officer, depart-  
14 ment, board or division is authorized and empowered for any of the  
15 purposes of this part to co-operate and enter into agreements with the  
16 port authority or to grant any consent to the port authority or to  
17 grant, convey, lease or otherwise transfer any property to the port  
18 authority or to execute any document, such state, municipality, commis-  
19 sion, agency, officer, department, board or division shall have the same  
20 authorization and power for any of such purposes to co-operate and enter  
21 into agreements with such subsidiary corporation and to grant consents  
22 to such subsidiary corporation and to grant, convey, lease or otherwise  
23 transfer property to such subsidiary corporation and to execute docu-  
24 ments for such subsidiary corporation.

25 13. The bonds issued by the port authority to provide funds for any of  
26 the purposes of this part are hereby made securities in which all state  
27 and municipal officers and bodies of both states, all trust companies  
28 and banks other than savings banks, all building and loan associations,  
29 savings and loan associations, investment companies and other persons  
30 carrying on a commercial banking business, all insurance companies,  
31 insurance associations and other persons carrying on an insurance busi-  
32 ness, and all administrators, executors, guardians, trustees and other  
33 fiduciaries, and all other persons whatsoever (other than savings  
34 banks), who are now or may hereafter be authorized by either state to  
35 invest in bonds of such state, may properly and legally invest any  
36 funds, including capital, belonging to them or within their control, and  
37 said bonds are hereby made securities which may properly and legally be  
38 deposited with and shall be received by any state or municipal officer  
39 or agency of either state for any purpose for which the deposit of bonds  
40 of such state is now or may hereafter be authorized. The bonds issued by  
41 the port authority to provide funds for any of the purposes of this part  
42 as security for which the general reserve fund shall have been pledged  
43 in whole or in part are hereby made securities in which all savings  
44 banks also may properly and legally invest any funds, including capital,  
45 belonging to them or within their control.

46 14. If the port authority shall find it necessary, convenient or  
47 desirable to acquire (either directly or through a subsidiary corpo-  
48 ration) from time to time any real property or any property other than  
49 real property (including but not limited to contract rights and other  
50 intangible personal property and railroad cars or other rolling stock,  
51 maintenance and repair equipment and parts, fuel and other tangible  
52 personal property), for any of the purposes of this part, whether for  
53 immediate or future use (including temporary construction, rehabili-  
54 tation or improvement), the port authority may find and determine that  
55 such property, whether a fee simple absolute or a lesser interest, is  
56 required for a public use, and upon such determination the said property

1 shall be and shall be deemed to be required for such public use until  
2 otherwise determined by the port authority, and such determination shall  
3 not be affected by the fact that such property has theretofore been  
4 taken for and is then devoted to a public use; but the public use in the  
5 hands of or under the control of the port authority shall be deemed  
6 superior to the public use in the hands of any other person, association  
7 or corporation.

8 The port authority may acquire and is hereby authorized so to acquire  
9 from time to time, for any of the purposes of this part, such property,  
10 whether a fee simple absolute or a lesser estate, (including the exer-  
11 cise of the right of eminent domain) under and pursuant to the  
12 provisions of the eminent domain procedure law of the state of New York  
13 in the case of property located in or having its situs in such state,  
14 and revised statutes of New Jersey, title twenty: one-one et seq., in  
15 the case of property located in or having its situs in such state, or,  
16 at the option of the port authority, as provided in section fifteen of  
17 chapter forty-three of the laws of New Jersey of nineteen hundred  
18 forty-seven, as amended, in the case of property located in or having  
19 its situs in such state, or pursuant to such other and alternate proce-  
20 dure as may be provided by law of the state in which such property is  
21 located or has its situs; and all of said statutes for the acquisition  
22 of real property shall, for any of the purposes of this part, be applied  
23 also to the acquisition of other property authorized by this subdivi-  
24 sion, except that such provisions as pertain to surveys, diagrams, maps,  
25 plans or profiles, assessed valuation, lis pendens, service of notice  
26 and papers, filing in the office of the clerk in which the real property  
27 affected is situated and such other provisions as by their nature cannot  
28 be applicable to property other than real property, shall not be appli-  
29 cable to the acquisition of such other property. In the event that any  
30 property other than real property is acquired by acquisition then, with  
31 respect to such other property, notice of such proceeding and all subse-  
32 quent notices or court processes shall be served upon the owners of such  
33 other property and upon the port authority by personal service or by  
34 registered or certified mail, except as may be otherwise directed by the  
35 court.

36 Anything herein to the contrary notwithstanding, any property to be  
37 acquired for any of the purposes of this part, which property shall not  
38 have been used by its owner or owners or any of his or their predeces-  
39 sors in connection with and shall not have been acquired by its owner or  
40 owners or any of his or their predecessors for use in connection with  
41 the effectuation by a railroad company or companies of the Hudson tubes  
42 or the Hudson tubes extensions prior to port authority acquisition,  
43 shall, if such property is personal property, be acquired only by agree-  
44 ment with the owner or owners and shall, if such property is not  
45 personal property, be acquired in an action or proceeding in the state  
46 in which such property is located or has its situs. Except as so  
47 provided, the port authority is hereby authorized and empowered, in its  
48 discretion, from time to time to combine any property which is to be  
49 acquired as aforesaid for any of the purposes of this part for acquisi-  
50 tion in a single action or proceeding notwithstanding that part of the  
51 the property so to be acquired is located or has its situs in New Jersey  
52 and part in New York or is personal property or mixed real and personal  
53 property or may be owned by more than one owner; and, except as herein-  
54 after provided, each such single action or proceeding to acquire proper-  
55 ty located or having its situs part in New Jersey and part in New York  
56 shall be pursuant to the laws of whichever of the two said states the

1 port authority shall estimate contains the greater part in value of all  
2 the property to be acquired in such action or proceeding (hereinafter  
3 sometimes called the forum state) and in the court or courts specified  
4 in the laws of the forum state for the acquisition by the port authority  
5 of property located or having its situs in the forum state pursuant to  
6 this part, in which event, notwithstanding the location or situs of said  
7 property, each of said two states hereby confers upon it said court or  
8 courts jurisdiction of such action or proceeding and the port authority  
9 and any subsidiary corporation so acquiring such property and the owners  
10 of such property shall be bound by the judgments, orders or decrees  
11 therein. In any such action or proceeding the court or courts of the  
12 forum state shall apply the laws of valuation of the other state (here-  
13 inafter sometimes called the nonforum state) to the valuation of the  
14 property which is located or has its situs in the nonforum state and  
15 shall include in the total compensation to be made to any owner of prop-  
16 erty in both states being acquired in such action or proceeding the  
17 increment, if any, in the value of such property in both states, by  
18 reason of its being in a single ownership. If a judgment, order or  
19 decree in such an action or proceeding shall best title in or otherwise  
20 award to the authority the right to possession of property located or  
21 having its situs in the nonforum state, then the court or courts of the  
22 nonforum state shall grant full faith and credit to such judgment, order  
23 or decree and upon petition by the authority to the court or courts of  
24 the non forum state specified in the laws thereof for the acquisition by  
25 the port authority of property located or having its situs in the nonfo-  
26 rum state pursuant to this act, presenting a true copy of such judgment,  
27 order or decree and proof that it is in effect, that any conditions  
28 thereof have been met, that at least five days' notice of such petition  
29 has been served by registered or certified mail upon all owners of the  
30 property affected who appeared in the original action or proceeding in  
31 the forum state or who may be owners of record, and without further  
32 proof, a judgment, order or decree of such court or courts of the nonfo-  
33 rum state shall be entered granting the authority possession of the  
34 property located or having its situs in the nonforum state and confirm-  
35 ing any title which shall have vested in the authority or its subsidiary  
36 by the judgment, order or decree of the court or courts of the forum  
37 state.

38 The owner of any property acquired for any of the purposes of this  
39 part shall not be awarded for such property any increment above the just  
40 compensation required by the constitutions of the United States and of  
41 the state or states in which the property is located or has its situs by  
42 reason of any circumstances whatsoever.

43 Nothing herein contained shall be construed to prevent the port  
44 authority from bringing any proceedings to remove a cloud on title or  
45 such other proceedings as it may, in its discretion, deem proper and  
46 necessary, or from acquiring any such property by negotiation or  
47 purchase.

48 Where a person entitled to an award in the proceedings to acquire any  
49 property for any of the purposes of this part remains in possession of  
50 such property after the time of the vesting of title in the authority or  
51 its subsidiary, the reasonable value of his use and occupancy of such  
52 property subsequent to such time, as fixed by agreement or by the court  
53 in such proceedings or by any court of competent jurisdiction, shall be  
54 a lien against such award, subject only to liens of record at the time  
55 of the vesting of title in the authority or its subsidiary.

1 15. The port authority and its duly authorized agents, and all persons  
2 acting under its authority and by its direction, may enter in the  
3 daytime into and upon any real property for the purpose of making such  
4 surveys, diagrams, maps, plans, soundings or borings as the port author-  
5 ity may deem necessary, convenient or desirable for any of the purposes  
6 of this act.

7 16. Any declarations contained herein with respect to the governmental  
8 nature and public purpose of the world trade center, Hudson tubes and  
9 Hudson tubes extensions and to the exemption of the world trade center,  
10 Hudson tubes and Hudson tubes extensions property and instruments relat-  
11 ing thereto from taxation and to the discretion of the port authority  
12 with respect to said facilities shall not be construed to imply that  
13 other port authority facilities, property and operations are not of a  
14 governmental nature or do not serve public purposes, or that they are  
15 subject to taxation, or that the determinations of the port authority  
16 with respect thereto are not conclusive. The powers hereby vested in  
17 the port authority and in any subsidiary corporation incorporated for  
18 any of the purposes of this part (including but not limited to the power  
19 to acquire real property by condemnation) shall be continuing powers and  
20 no exercise thereof by the port authority or a subsidiary corporation  
21 incorporated for any of the purposes of this part shall be deemed to  
22 exhaust them or any of them.

23 17. This subdivision and the preceding subdivisions hereof constitute  
24 an agreement between the states of New York and New Jersey supplementary  
25 to the compact between the two states dated April thirty, nineteen  
26 hundred twenty-one and amendatory thereof, and shall be liberally  
27 construed to effectuate the purposes of said compact and of the compre-  
28 hensive plan heretofore adopted by the two states, and the powers grant-  
29 ed to the port authority shall be construed to be in aid of and not in  
30 limitation or in derogation of any other powers heretofore conferred  
31 upon or granted to the port authority.

32 18. If any subdivision, section, phrase, or provision of this part or  
33 the application thereof to any person or circumstances be adjudged  
34 invalid by any court of competent jurisdiction, so long as the part or  
35 remainder of the part shall nonetheless permit the effectuation, as a  
36 unified project, of the Hudson tubes, Hudson tubes extensions and the  
37 world trade center, such judgment shall be confined in its operation to  
38 the subdivision, part, phrase, provision or application directly  
39 involved in the controversy in which such judgment shall have been  
40 rendered and shall not affect or impair the validity of the remainder of  
41 this part or the application thereof to other persons or circumstances  
42 and the two states hereby declare that they would have entered into this  
43 part or the remainder thereof had the invalidity of such provision or  
44 application thereof been apparent.

45 PART XXIV

46 SUITS AGAINST THE PORT AUTHORITY

47 Section 2401. Suits against the port authority.

48 2402. Agreement between the states.

49 § 2401. Suits against the port authority. 1. Upon the concurrence of  
50 the state of New Jersey in accordance with chapter three hundred one of  
51 the laws of nineteen hundred fifty, the states of New York and New  
52 Jersey consent to suits, actions or proceedings of any form or nature at  
53 law, in equity or otherwise (including proceedings to enforce arbi-  
54 tration agreements) against the port authority, and to appeals therefrom

1 and reviews thereof, except as hereinafter provided in subdivisions two  
2 through five of this section.

3 2. The foregoing consent does not extend to suits, actions or  
4 proceedings upon any causes of action whatsoever accruing before the  
5 effective date of this part, other than causes of actions upon, in  
6 connection with, or arising out of notes, bonds or other obligations or  
7 securities secured by a pledge of the general reserve fund of the port  
8 authority.

9 3. The foregoing consent does not extend to suits, actions or  
10 proceedings upon any causes of action whatsoever, upon, in connection  
11 with, or arising out of any contract, express or implied, entered into  
12 or assumed by or assigned to the port authority before the effective  
13 date of this part (including any supplement to, or amendment, extension  
14 or renewal of any such contract, even if such supplement, amendment,  
15 extension or renewal is made on or after the effective date of this  
16 part), regardless of whether such cause of action accrued before or  
17 after that date, other than causes of action upon, in connection with or  
18 arising out of notes, bonds or other obligations or securities secured  
19 by a pledge of the general reserve fund of the port authority.

20 4. The foregoing consent does not extend to civil suits, actions or  
21 proceedings for the recovery of statutory penalties.

22 5. The foregoing consent does not extend to suits, actions or  
23 proceedings for judgments, orders or decrees restraining, enjoining or  
24 preventing the port authority from committing or continuing to commit  
25 any act or acts, other than suits, actions or proceedings by the attor-  
26 ney general of New York or by the attorney general of New Jersey--each  
27 of whom is hereby authorized to bring such suits, actions or proceedings  
28 in his discretion on behalf of any person or persons whatsoever who  
29 requests him so to do except in the cases excluded by subdivisions two,  
30 three and four of this section; provided, that in any such suit, action  
31 or proceeding, no judgment, order or decree shall be entered except upon  
32 at least two days' prior written notice to the port authority of the  
33 proposed entry thereof.

34 6. The foregoing consent is granted upon the condition that venue in  
35 any suit, action or proceeding against the port authority shall be laid  
36 within a county or a judicial district, established by one of said  
37 states or by the United States, and situated wholly or partially within  
38 the port of New York district. The port authority shall be deemed to be  
39 a resident of each such county or judicial district for the purpose of  
40 such suits, actions or proceedings. Although the port authority is  
41 engaged in the performance of governmental functions, the said two  
42 states consent to liability on the part of the port authority in such  
43 suits, actions or proceedings for tortious acts committed by it and its  
44 agents to the same extent as though it were a private corporation.

45 7. The foregoing consent is granted upon the condition that any suit,  
46 action or proceeding prosecuted or maintained under this part shall be  
47 commenced within one year after the cause of action therefor shall have  
48 accrued, and upon the further condition that in the case of any suit,  
49 action or proceeding for the recovery or payment of money, prosecuted or  
50 maintained under this part, a notice of claim shall have been served  
51 upon the port authority by or on behalf of the plaintiff or plaintiffs  
52 at least sixty days before such suit, action or proceeding is commenced.  
53 The provisions of this section shall not apply to claims arising out of  
54 provisions of any workmen's compensation law of either state.

55 8. The notice of claim required by subdivision seven of this section  
56 shall be in writing, sworn to by or on behalf of the claimant or claim-

ants, and shall set forth (1) the name and post office address of each claimant and of his attorney, if any, (2) the nature of the claim, (3) the time when, the place where and the manner in which the claim arose, and (4) the items of damage or injuries claimed to have been sustained so far as then practicable. Such notice may be served in the manner in which process may be served, or in lieu thereof, may be sent by registered mail to the port authority at its principal office. Where the claimant is a person under the age of eighteen years or is mentally or physically incapacitated and by reason of such disability no notice of claim is filed or suit, action or proceeding commenced within the time specified in subdivision seven of this section, or where a person entitled to make a claim dies and by reason of his death no notice of claim is filed or suit, action or proceeding commenced within the time specified in subdivision seven of this section then any court in which such suit, action or proceeding may be brought may in its discretion grant leave to serve the notice of claim and to commence the suit, action or proceeding within a reasonable time but in any event within three years after the cause of action accrued. Application for such leave must be made upon an affidavit showing the particular facts which caused the delay and shall be accompanied by a copy of the proposed notice of claim if such notice has not been served, and such application shall be made only upon notice to the port authority.

9. The commissioners, officers or employees of the port authority shall not be subject to suits, actions or proceedings for judgments, orders or decrees restraining, preventing or enjoining them in their official or personal capacities from committing or continuing to commit any act or acts on behalf of the port authority other than suits, actions and proceedings brought by the attorney general of New York or by the attorney general of New Jersey or by the port authority itself--each of said attorneys general being hereby authorized to bring such suits, actions or proceedings in his discretion on behalf of any person or persons whatsoever who requests him so to do except in the cases excluded by subdivisions two, three and four of this section; provided, that in any such suit, action or proceeding brought by either attorney general, no judgment, order or decree shall be entered except upon at least two days' notice to the defendant of the proposed entry thereof.

10. Nothing herein contained shall be deemed to revoke, rescind or affect any consents to suits, actions or proceedings against the port authority heretofore given by the two said states in chapter eight hundred two of the laws of New York of nineteen hundred forty-seven, as amended and continued by part XII of this article, and chapter forty-three of the laws of New Jersey of nineteen hundred forty-seven, as amended; chapter six hundred thirty-one of the laws of New York of nineteen hundred forty-seven, as amended and continued by part XI of this article; chapter forty-four of the laws of New Jersey of nineteen hundred forty-seven, as amended, and chapter five hundred thirty-four of the laws of New York of nineteen hundred forty-eight and continued by part XI of this article and chapter ninety-seven of the laws of New Jersey of nineteen hundred forty-eight.

16 PART XXVI

17 MASS TRANSPORTATION FACILITIES TO AIR TERMINALS

18 Section 2601. Mass transportation facilities to air terminals.

19 § 2601. Mass transportation facilities to air terminals. 1. The  
20 states of New York and New Jersey hereby find and determine that:

21 (a) Each air terminal within the port of New York district serves the  
22 entire district, and the problem of furnishing proper and adequate air  
23 terminal facilities within the district is a regional and interstate  
24 problem;

25 (b) Access by land travel to the great airports serving the port of  
26 New York district, particularly John F. Kennedy and Newark international  
27 airports, is becoming increasingly difficult, and such access is neces-  
28 sary for the continued development of such airports which development is  
29 vital and essential to the preservation of the economic well-being of  
30 the northern New Jersey-New York metropolitan area;

31 (c) Additional highway construction to serve these great airports is  
32 not feasible and creates severe problems in terms of increased air  
33 pollution and the preemption of land which might otherwise be devoted to  
34 park purposes and other desirable uses;

35 (d) Access to these airports by railroads or other forms of mass  
36 transportation must be undertaken if they are to maintain their preemi-  
37 nence and continue to serve the economic well-being of the northern New  
38 Jersey-New York metropolitan area;

39 (e) Such mass transportation facilities may properly be regarded as  
40 constituting a part of each air terminal, the development of which  
41 should be the responsibility of those charged with the duties of air  
42 terminal development;

43 (f) It is the purpose of this part to authorize and direct the port  
44 authority of New York and New Jersey to undertake one or more mass  
45 transportation access projects specifically with respect to John F.  
46 Kennedy and Newark international airports in order to preserve and  
47 develop the economic well-being of the northern New Jersey-New York  
48 metropolitan area, and such undertakings are found and determined to be  
49 in the public interest.

50 2. In furtherance of the aforesaid findings and determinations and in  
51 partial effectuation of the comprehensive plan heretofore adopted by the  
52 two states for the development of terminal and transportation facilities  
53 in the port of New York district, the port authority of New York and New  
54 Jersey is hereby specifically authorized to undertake pursuant to chap-

1 ter forty-three of the laws of New Jersey of nineteen hundred forty-sev-  
2 en, as amended, and chapter eight hundred two of the laws of New York of  
3 nineteen hundred forty-seven, as amended and continued by part XII of  
4 this article, the following separate air terminal facilities:

5 (a) To provide access to Newark international airport. A railroad  
6 line connecting Newark international airport, including (i) appropriate  
7 mass transportation terminal facilities at and within the said airport;  
8 (ii) construction, reconstruction and improvement of suitable offsite  
9 facilities for the accommodation of air passengers, baggage, mail,  
10 express, freight and other users of the connecting facility; and (iii)  
11 such additional rail or other mass transportation, terminal, station,  
12 parking, storage and service facilities as operations may require.

13 (b) To provide access to John F. Kennedy international airport. A  
14 railroad line connecting John F. Kennedy international airport to the  
15 main line of the Long Island railroad in the county of Queens, including  
16 (i) a spur or branch to the Montauk line of the said railroad in the  
17 said county; (ii) appropriate mass transportation terminal facilities  
18 at and within the said airport; (iii) suitable offsite facilities for  
19 the accommodation of air passengers, baggage, mail, express, freight and  
20 other users of the connecting facility; and (iv) such additional rail or  
21 other mass transportation, terminal, station, parking, storage and  
22 service facilities, including improvements to the railroad approaches to  
23 Pennsylvania Station and Jamaica Terminal in the city of New York, as  
24 operations may require.

25 3. The port authority of New York and New Jersey is hereby authorized  
26 and empowered to acquire real property located within the port district  
27 by condemnation or the right of eminent domain pursuant to and in  
28 accordance with any of the procedures authorized by chapter forty-three  
29 of the laws of New Jersey of nineteen hundred forty-seven, as amended,  
30 in the case of property having its situs in the state of New Jersey, and  
31 by chapter eight hundred two of the laws of New York of nineteen hundred  
32 forty-seven, as amended and continued by part XII of this article, in  
33 the case of property having its situs in the state of New York, for and  
34 in connection with the undertaking of the air terminal access facilities  
35 set forth in subdivision three of this section. Such authorization and  
36 power to acquire real property by condemnation or the right of eminent  
37 domain may not be exercised in connection with the undertaking of access  
38 facilities, other than the access facilities set forth in subdivision  
39 three of this section, unless authorized by the laws of the state in  
40 which such facilities are to be located.

41 4. The port authority of New York and New Jersey is hereby authorized  
42 and empowered in its discretion to enter into an agreement or agreements  
43 upon such terms and conditions as it may deem in the public interest,  
44 with the United States, the state of New Jersey, the state of New York,  
45 or any agency, department, commission, public authority, board or divi-  
46 sion of any of the foregoing, or any municipality or other public corpo-  
47 ration in the state of New Jersey or in the state of New York, or any  
48 person, firm, association, company or corporation, or any two or more of  
49 the foregoing, to effectuate any one or more of the purposes of this  
50 part; and the state of New Jersey, the state of New York, or any agency,  
51 department, commission, public authority, board or division of either of  
52 the foregoing, or any municipality or other public corporation in the  
53 state of New Jersey or the state of New York, or any two or more of the  
54 foregoing, are hereby authorized and empowered to enter into an agree-  
55 ment or agreements with the port authority to effectuate any one or more  
56 of the purposes of this part.

1 5. If any section, phrase, or provision of this part, as hereby  
2 amended and supplemented or the application thereof to any person,  
3 project or circumstances, be adjudged invalid by any court of competent  
4 jurisdiction, such judgment shall be confined in its operation to the  
5 section, part, phrase, provision or application directly involved in the  
6 controversy in which such judgment shall have been rendered and shall  
7 not affect or impair the validity of the remainder of this part or the  
8 application thereof to other persons, projects or circumstances and the  
9 two states hereby declare that they would have entered into this part or  
10 the remainder thereof had the invalidity of such provision or applica-  
11 tion thereof been apparent.

## PART XXVII

## INDUSTRIAL DEVELOPMENT PROJECTS AND FACILITIES

14 Section 2701. Findings and determinations.

15 2702. Definitions.

16 2703. Industrial development projects and facilities.

17 § 2701. Findings and determinations. 1. The states of New York and  
18 New Jersey hereby find and determine:

19 a. that to prevent further deterioration of the economy of the port  
20 district and thereby to promote, preserve and protect trade and commerce  
21 in and through the port of New York district as defined in the compact  
22 between the two states dated April thirtieth, nineteen hundred twenty-  
23 one (hereinafter called the port district), it is the policy of each of  
24 the two states actively to promote, attract, encourage and develop  
25 economically sound commerce and industry through governmental action;

26 b. that in order to preserve and protect the position of the port of  
27 New York as the nation's leading gateway for world commerce, it is  
28 incumbent on the states of New York and New Jersey to make every effort  
29 to insure that the port receives its rightful share of interstate and  
30 international commerce generated by the manufacturing, industrial, trade  
31 and commercial segments of the economy of the nation and of the port  
32 district;

33 c. that since nineteen hundred fifty the number of available jobs in  
34 the port district, particularly within the older central cities thereof,  
35 has decreased, thereby resulting in the underutilization of available  
36 land and other resources, the erosion of the port district's tax bases  
37 and a rate of unemployment substantially in excess of the national aver-  
38 age;

39 d. that in order to preserve the port district from further economic  
40 deterioration, adequate industrial development projects and facilities  
41 must be provided, preserved and maintained to attract and retain indus-  
42 try within the port district;

43 e. that a number of new industrial development projects and facilities  
44 should be organized into industrial parks or districts;

45 f. that the construction of such industrial parks or districts shall  
46 conform to the policies of the two states with respect to affirmative  
47 action and equal employment opportunities;

48 g. that providing port district industrial development projects and  
49 facilities is in the public interest and involves the exercise of public  
50 and essential governmental functions which may include appropriate and  
51 reasonable limitations on competition and which must be performed by the  
52 two states, or any municipality, public authority, agency or commission  
53 of either state and by a joint agency of the two states to accomplish  
54 the purposes of this part;

1 h. that it is an objective of the two states, acting through the port  
2 authority, to facilitate reemployment of residents of the older cities  
3 through job training programs and employment opportunity priorities in  
4 connection with industrial development parks in their respective cities;

5 i. that the acquisition and the use by such joint agency of abandoned,  
6 undeveloped or underutilized land or land owned by governmental entities  
7 within the port district for the generation of jobs and to reduce the  
8 hazards of unemployment would promote, preserve and protect the indus-  
9 try, trade and commerce of the port district, and will materially assist  
10 in preserving for the two states and the people thereof the material and  
11 other benefits of a prosperous port community;

12 j. that the collection, disposal and utilization of refuse, solid  
13 waste or waste resulting from other treatment processes is an activity  
14 of concern to all citizens within the port district, that the health,  
15 safety and general welfare of the citizens within the port district  
16 require efficient and reasonable collection and disposal services and  
17 efficient utilization of such refuse, solid waste or waste resulting  
18 from other treatment processes with adequate consideration given to  
19 regional planning and coordination, and, therefore, that the  
20 construction and operation of any port district industrial development  
21 project and facility should conform to the environmental and solid waste  
22 disposal standards and state and county plans therefor in the state in  
23 which such project or facility is located;

24 k. that the dedication by the municipalities of the port district of  
25 refuse, solid waste or waste resulting from other treatment processes to  
26 resource recovery to permit the generation of lower priced energy and  
27 the recovery of useful materials, together with the commitment by such  
28 municipalities to pay fees to permit the delivery and removal after  
29 processing of such refuse or solid waste at rates and for periods of  
30 time at least sufficient to assure the continued furnishing of such  
31 lower priced energy and material is in the public interest and would be  
32 a major incentive for the attraction and retention of industry within  
33 the port district;

34 l. that the port authority of New York and New Jersey (hereinafter  
35 called the port authority), which was created by agreement of the two  
36 states as a joint agent for the development of terminal, transportation  
37 and other facilities of commerce of the port district and for the  
38 promotion and protection of the commerce of the port, is a proper agency  
39 to act in their behalf (either directly or by any subsidiary corpo-  
40 ration) to finance and effectuate such industrial development projects  
41 and facilities;

42 m. that it is desirable for the port authority, after consultation  
43 with the governing body of each municipality and within the city of New  
44 York the appropriate community board or boards and elsewhere another  
45 government entity or entities designated by such municipality in which  
46 industrial development projects or facilities are proposed to be located  
47 and with other persons, including but not limited to private real estate  
48 developers, to prepare and adopt a master plan providing for the devel-  
49 opment of such industrial development projects and facilities in the  
50 port district, which plan shall give consideration to the extent of  
51 unemployment and the general economic conditions of the respective  
52 portions of the port district and shall include among other things the  
53 locations and the nature and scope of such projects and facilities as  
54 may be included in the plan;

55 n. that the undertaking of such industrial development projects and  
56 facilities by the port authority has the single object of and is part of

1 a unified plan to aid in preserving the economic well-being of the port  
2 district and is found and determined to be in the public interest;

3 o. that no such port district industrial development projects and  
4 facilities are to be constructed if the sole intent of the construction  
5 thereof would be the removal of an industrial or manufacturing plant of  
6 an occupant of such projects and facilities from one location to another  
7 location or in the abandonment of one or more plants or facilities of  
8 such occupant, unless such port district industrial development projects  
9 and facilities are reasonably necessary to discourage such occupant from  
10 removing such plant or facility to a location outside the port district  
11 or are reasonably necessary to preserve the competitive position of such  
12 project occupant in its industry;

13 p. that no such port district industrial development projects or  
14 facilities are to be constructed unless and until the port authority has  
15 entered into an agreement or agreements with the municipality in which  
16 any such project or facility is to be located with respect to payments  
17 in lieu of real estate taxes and the location, nature and scope of any  
18 project or facility;

19 q. that, subject to entering into said agreement or agreements, the  
20 port authority should have the ability to acquire, lease, vacate, clear  
21 and otherwise develop abandoned, undeveloped or underutilized property  
22 or property owned by governmental entities within the port district and  
23 to finance and construct industrial development projects and facilities.

45 referred to as port district industrial development projects or facili-  
46 ties, as defined in this part.

47 The port authority is hereby authorized and empowered to establish,  
48 levy and collect such rentals, fares, fees and other charges as it may  
49 deem necessary, proper or desirable in connection with any facility or  
50 part of any facility constituting a portion of any port district indus-  
51 trial development project or facility and to issue bonds for any of the  
52 purposes of this part and to provide for payment thereof, with interest  
53 thereon, and for the amortization and retirement of such bonds, and to  
54 secure all or any portion of such bonds by a pledge of such rentals,  
55 fares, fees, charges and other revenues or any part thereon (including  
56 but not limited to the revenues of any subsidiary corporation incorpo-

1 rated for any of the purposes of this part) and to secure all or any  
2 portion of such bonds by mortgages upon any property held or to be held  
3 by the port authority for any of the purposes of this part, and for any  
4 of the purposes of this part to exercise all appropriate powers hereto-  
5 fore or hereafter delegated to it by the states of New York and New  
6 Jersey, including, but not limited to, those expressly set forth in this  
7 part. The surplus revenues of port district industrial development  
8 projects or facilities may be pledged in whole or in part as hereinafter  
9 provided.

10 2. The port authority is hereby authorized to initiate studies and  
11 prepare and adopt a master plan providing for the development of port  
12 district industrial development projects and facilities which shall  
13 include the location of such projects and facilities as may be included  
14 in the plan and shall to the maximum extent practicable include inter  
15 alia a general description of each of such projects and facilities, the  
16 land use requirements necessary therefor, and estimates of project  
17 costs, of project employment potential and of a schedule for commence-  
18 ment of each such project. Prior to adopting such master plan, the port  
19 authority shall give written notice to, afford a reasonable opportunity  
20 for comment, consult with and consider any recommendation made by the  
21 governing body of municipalities and within the city of New York the  
22 appropriate community board or boards and elsewhere another governmental  
23 entity or entities designated by such municipality in which industrial  
24 development projects or facilities are proposed to be located and with  
25 such other persons, including but not limited to private real estate  
26 developers, which in the opinion of the port authority is either neces-  
27 sary or desirable. The master plan shall include the port authority's  
28 estimate of the revenues to be derived by municipalities from each such  
29 industrial development project or facility and also a description of the  
30 proposed additional arrangements with municipalities necessary or desir-  
31 able for each such project or facility. The port authority may modify  
32 or change any part of such plan in the same form and manner as provided  
33 for the adoption of such original plan. At the time the port authority  
34 authorizes any industrial development project or facility, the port  
35 authority shall include with such authorization a statement as to the  
36 status of each project included in such master plan and any amendment  
37 thereof.

38 3. No industrial development project proposed to be located within the  
39 city of New York may be included in such master plan unless and until  
40 the mayor of the city of New York requests the port authority to conduct  
41 a comprehensive study of the feasibility of the effectuation of one or  
42 more industrial development projects or any parts thereof (including  
43 resource recovery or industrial pollution control facilities) in such  
44 city, which request shall specify the borough in which such comprehen-  
45 sive study is to take place; provided, however, that the president of  
46 any borough in which an industrial development project or facility is  
47 proposed to be located may within sixty days of receipt of notice of  
48 such request, and after consulting with and considering any recommenda-  
49 tion made by the local borough improvement board, notify the port  
50 authority not to include any proposed industrial development project or  
51 facility within that county in such feasibility study. Any such request  
52 by the mayor of the city of New York may specify the facilities to be  
53 included in such industrial park project.

54 4. The moneys in the general reserve fund may be pledged in whole or  
55 in part by the port authority as security for or applied by it to the  
56 repayment with interest of any moneys which it may raise upon bonds

1 issued or incurred by it from time to time for any of the purposes of  
2 this part or upon bonds secured in whole or in part by the pledge of the  
3 revenues from any industrial development project or facility or any  
4 portion thereof or upon bonds both so issued or incurred and so secured;  
5 and the moneys in said general reserve fund may be applied by the port  
6 authority to the fulfillment of any other undertakings which it may  
7 assume to or for the benefit of the holders of any such bonds.

8 Subject to prior liens and pledges (and to the obligation of the port  
9 authority to apply revenues to the maintenance of its general reserve  
10 fund in the amount prescribed by the general reserve fund statutes), the  
11 revenues from facilities established, constructed, acquired or otherwise  
12 effectuated through the issuance or sale of bonds of the port authority  
13 secured in whole or in part by a pledge of its general reserve fund or  
14 any portion thereof may be pledged in whole or in part as security for  
15 or applied by it to any of the purposes of this part, including the  
16 repayment with interest of any moneys which it may raise upon bonds  
17 issued or incurred from time to time for any of the purposes of this  
18 part or upon bonds secured in whole or in part by the pledge of the  
19 revenues of the port authority from any industrial development project  
20 or facility or any portion thereof or upon bonds both so issued or  
21 incurred and so secured; and said revenues may be applied by the port  
22 authority to the fulfillment of any other undertakings which it may  
23 assume to or for the benefit of the holders of such bonds.

24 5. In all cases where the port authority has raised or shall hereafter  
25 raise moneys for any of the purposes of this part by the issue and sale  
26 of bonds which are secured in whole or in part by a pledge of the gener-  
27 al reserve fund or any portion thereof, the surplus revenues from indus-  
28 trial development projects or facilities financed in whole or in part  
29 out of the proceeds of such bonds and the surplus revenues from any  
30 other port authority facility the surplus revenues of which at such time  
31 may be payable into the general reserve fund shall be pooled and applied  
32 by the port authority to the establishment and maintenance of the gener-  
33 al reserve fund in an amount equal to one-tenth of the par value of all  
34 bonds legal for investment, as defined in the general reserve fund stat-  
35 utes, issued by the port authority and currently outstanding, including  
36 such bonds issued for any of the purposes of this part; and all such  
37 moneys in said general reserve fund may be pledged and applied in the  
38 manner provided in the general reserve fund statutes.

39 In the event that any time the balance of moneys theretofore paid into  
40 the general reserve fund and not applied therefrom shall exceed an  
41 amount equal to one-tenth of the par value of all bonds upon the princi-  
42 pal amount of which the amount of the general reserve fund is calcu-  
43 lated, by reason of the retirement of bonds issued or incurred from time  
44 to time for any of the purposes of this part the par value of which had  
45 theretofore been included in the computation of said amount of the  
46 general reserve fund, then the port authority may pledge or apply such  
47 excess for and only for the purposes for which it is authorized by the  
48 general reserve fund statutes to pledge the moneys in the general  
49 reserve fund and such pledge may be made in advance of the time when  
50 such excess may occur.

51 6. The two states covenant and agree with each other and with the  
52 holders of any bonds issued by the port authority for the purposes of  
53 this part, that so long as any of such bonds remain outstanding and  
54 unpaid and the holders thereof shall not have given their consent as  
55 provided in their contract with the port authority, the two states will  
56 not diminish or impair the power of the port authority to establish,

1 levy and collect rentals, fares, fees or other charges in connection  
2 with industrial development projects or facilities or any other facility  
3 owned or operated by the port authority the revenues of which have been  
4 or shall be pledged in whole or in part as security for such bonds  
5 (directly or indirectly, or through the medium of the general reserve  
6 fund or otherwise), or to determine the quantity, quality, frequency or  
7 nature of any services provided by the port authority in connection with  
8 the operation of each project or facility. This subdivision shall not  
9 affect or diminish the provisions of subdivision twelve of this section.

10 7. The port authority is authorized and empowered to co-operate with  
11 the states of New York and New Jersey, with any municipality thereof,  
12 with any person, with the federal government and with any agency, public  
13 authority or commission or any one or more of the foregoing, or with any  
14 one or more of them, for and in connection with the acquisition, clear-  
15 ance, replanning, rehabilitation, reconstruction or redevelopment of any  
16 industrial development project or facility or of any other area forming  
17 part of any industrial development project or facility for the purpose  
18 of renewal and improvement of said area and for any of the purposes of  
19 this part, and to enter into an agreement or agreements (and from time  
20 to time to enter into agreements amending or supplementing the same)  
21 with any such person, municipality, commission, public authority or  
22 agency and with the states of New York and New Jersey and with the  
23 federal government, or with any one or more of them, for or relating to  
24 such purposes, including but not limited to agreements with respect to  
25 the dedication by the municipalities of the port district of refuse,  
26 solid waste or waste resulting from other treatment processes to  
27 resource recovery to permit the generation of lower priced energy and  
28 the recovery of useful materials; with respect to a commitment by such  
29 municipalities to pay fees to permit the delivery and removal after  
30 processing of such refuse or solid waste at rates and for periods of  
31 time at least sufficient to assure the continued availability of such  
32 energy and recovered materials; with respect to financial assistance,  
33 loans and grants pursuant to any federal law now in effect or hereinaft-  
34 er enacted which would provide such financial assistance, loans and  
35 grants in connection with any of the purposes of this part, provided,  
36 that if either state shall have or adopt general legislation governing  
37 applications for such federal aid by municipalities, public authorities,  
38 agencies or commissions of such state or the receipt or disbursement of  
39 such federal aid by or on behalf of such municipalities, public authori-  
40 ties, agencies or commissions, then such legislation shall at the option  
41 of such state apply to applications by the port authority for such  
42 federal aid in connection with an industrial development project or  
43 facility located in such state and to the receipt and disbursement of  
44 such federal aid by or on behalf of the port authority, in the same  
45 manner and to the same extent as other municipalities, public authori-  
46 ties, agencies or commissions of such state; and, with respect to occu-  
47 pancy of space in any industrial development project or facility. The  
48 port authority is hereby authorized and empowered to apply for and  
49 accept financial assistance, loans and grants for such purposes under  
50 federal, state or local laws, and to make application directly to the  
51 proper officials or agencies for and receive federal, state or local  
52 loans or grants in aid of any of the purposes of this part. Nothing  
53 contained in this part shall be construed to limit or impair the power  
54 of the governor of the state of New York and the governor of the state  
55 of New Jersey to review the actions of the commissioners of the port  
56 authority as provided for in chapter seven hundred of the laws of New

1 York of nineteen hundred twenty-seven, as amended and as continued by  
2 part IV of this article, and in chapter three hundred thirty-three of  
3 the laws of New Jersey of nineteen hundred twenty-seven, as amended, or  
4 to authorize the port authority to commence the effectuation of any  
5 industrial development project or facility unless and until the municipi-  
6 pality in which such project or facility is to be located has consented  
7 to the commencement of such effectuation, with such consent to be  
8 provided for in the agreement authorized by subdivision eleven or subdivi-  
9 sion twelve of this section. The port authority is authorized and  
10 empowered to enter into an agreement or agreements (and from time to  
11 time to enter into agreements amending or supplementing the same) with  
12 any public authority, agency or commission of either or both states to  
13 provide for the effectuation of any of the purposes of this part through  
14 a subsidiary corporation owned jointly by the port authority and any  
15 such public authority, agency or commission, and any such public author-  
16 ity, agency or commission is authorized and empowered to enter into such  
17 agreement or agreements with the port authority.

18 8. Notwithstanding any contrary provision of law, general, special or  
19 local, either state and any municipality thereof and any commission,  
20 public authority or agency of either or both of said two states is  
21 authorized and empowered to co-operate with the port authority and to  
22 enter into an agreement or agreements (and from time to time to enter  
23 into agreements amending or supplementing the same) with the port  
24 authority or with any other person for and in connection with or relat-  
25 ing to the acquisition, clearance, replanning, rehabilitation, recon-  
26 struction, redevelopment, sale, transfer or mortgage of any industrial  
27 development project or facility or of any other area forming part of any  
28 industrial development project or facility for the purpose of renewal  
29 and improvement of said area as aforesaid or for any of the other  
30 purposes of this part, including but not limited to the dedication by  
31 the municipalities of the port district of refuse, solid waste or waste  
32 resulting from other treatment processes to resource recovery to permit  
33 the generation of lower priced energy and the recovery of useful materi-  
34 als and a commitment by such municipalities to pay fees to permit the  
35 delivery and removal after processing of such refuse or solid waste at  
36 rates and for periods of time at least sufficient to assure the contin-  
37 ued availability of such energy and recovered materials, upon such  
38 reasonable terms and conditions as may be determined by such state,  
39 municipality, public authority, agency or commission and the port  
40 authority. Such agreement may, without limiting the generality of the  
41 foregoing, further include consent to the use by the port authority or  
42 any other person of any real property owned or to be acquired by said  
43 state, municipality, public authority, agency or commission and consent  
44 to the use by such state, municipality, public authority, agency or  
45 commission of any real property owned or to be acquired by the port  
46 authority or by any other person which in either case is necessary,  
47 convenient or desirable in the opinion of the port authority for any of  
48 the purposes of this part, including such real property, improved or  
49 unimproved, as has already been devoted to or has been or is to be  
50 acquired for urban renewal or other public use, and as an incident to  
51 such consent such state, municipality, public authority, agency or  
52 commission may grant, convey, lease or otherwise transfer any such real  
53 property to the port authority or to any other person and the port  
54 authority may grant, convey, lease or otherwise transfer any such real  
55 property to such state, municipality, public authority, agency, commis-  
56 sion or any other person for such term and upon such conditions as may

1 be agreed upon. If real property of such state, municipality, public  
2 authority, agency or commission be leased to the port authority or to  
3 any other person for any of the purposes of this part, such state, muni-  
4 cipality, public authority, agency or commission may consent to the port  
5 authority or any other person having the right to mortgage the fee of  
6 such property and thus enable the port authority or such other person to  
7 give as security for its bond or bonds a lien upon the land and improve-  
8 ments, but such state, municipality, public authority, agency or commis-  
9 sion by consenting to the execution by the port authority or such other  
10 person of a mortgage upon the leased property shall not thereby assume  
11 and such consent shall not be construed as imposing upon such state,  
12 municipality, public authority, agency or commission any liability upon  
13 the bond or bonds secured by the mortgage. In connection with any of  
14 the purposes of this part, either state and any municipality thereof,  
15 any commission, public authority or agency of either or both of said two  
16 states, the port authority and any other person are empowered to enter  
17 into any other agreement or agreements (and from time to time to enter  
18 into agreements amending or supplementing same) which may provide inter  
19 alia for the establishment of prices or rates, a requirement that any  
20 person sell, lease or purchase any commodity or service from any other  
21 person, or any other similar arrangement.

22 Nothing contained in this subdivision shall impair or diminish the  
23 powers vested in either state or in any municipality, public authority,  
24 agency or commission to acquire, clear, replan, reconstruct, rehabili-  
25 tate or redevelop abandoned, undeveloped or underutilized land and the  
26 powers herein granted to either state or any municipality, public  
27 authority, agency or commission shall be construed to be in aid of and  
28 not in limitation or in derogation of any such powers heretofore or  
29 hereafter conferred upon or granted to such state, municipality, public  
30 authority, agency or commission.

31 Nothing contained in this part shall be construed to authorize the  
32 port authority to acquire, by condemnation or the exercise of the right  
33 of eminent domain, property now or hereafter vested in or held by either  
34 state or by any municipality, public authority, agency or commission  
35 without the authority or consent by such state, municipality, public  
36 authority, agency or commission, provided that the state under whose  
37 laws such public authority, agency or commission has been created may  
38 authorize by appropriate legislation the port authority to acquire any  
39 such property vested in or held by any such public authority, agency or  
40 commission by condemnation or the exercise of the right of eminent  
41 domain without such authority or consent; nor shall anything herein  
42 impair or invalidate in any way any bonded indebtedness of either state  
43 or any such municipality, public authority, agency or commission, nor  
44 impair the provisions of law regulating the payment into sinking funds  
45 of revenues derived from such property, or dedicating the revenues  
46 derived from such property to a specific purpose.

47 The port authority, subject to the express authority or consent of any  
48 such state, municipality, public authority, agency or commission, is  
49 hereby authorized and empowered to acquire from any such state or muni-  
50 cipality, or from any other public authority, agency or commission  
51 having jurisdiction in the premises, by agreement therewith, and such  
52 state or municipality, public authority, agency or commission, notwith-  
53 standing any contrary provision of law, is hereby authorized and  
54 empowered to grant and convey, upon reasonable terms and conditions, any  
55 real property which may be necessary, convenient or desirable for any of

1 the purposes of this part, including such real property as has already  
2 been devoted to a public use.

3 Notwithstanding any inconsistent provision of this section or part or  
4 any compact or general or special law, the port authority may not  
5 acquire any park lands for industrial development projects or facilities  
6 unless each such conveyance of such land is specifically authorized by  
7 the legislature of the state wherein the land is located.

8 Any consent by a municipality shall be given and the terms, conditions  
9 and execution by a municipality of any agreement, deed, lease, convey-  
10 ance or other instrument pursuant to this subdivision or any other  
11 subdivision of this section shall be authorized in the manner provided  
12 in article twenty-two of the compact of April thirtieth, nineteen  
13 hundred twenty-one between the two states creating the port authority,  
14 except that as to towns in the state of New York, such consent shall be  
15 authorized in the manner provided in the town law and as to counties in  
16 the state of New Jersey, such consent shall be authorized in the manner  
17 provided in New Jersey statutes annotated, forty: one-one, et seq. Any  
18 consent by either state shall be effective if given, and the terms and  
19 conditions and execution of any agreement, deed, lease, conveyance or  
20 other instrument pursuant to this section or any other section of this  
21 part shall be effective if authorized by the governor of such state.  
22 Any consent by a public authority, agency or commission shall be effec-  
23 tive if given by such public authority, agency or commission.

24 9. The states of New York and New Jersey hereby consent to suits,  
25 actions or proceedings by any municipality, public authority, agency or  
26 commission against the port authority upon, in connection with or aris-  
27 ing out of any agreement, or any amendment thereof, entered into for any  
28 of the purposes of this part, as follows:

29 a. for judgments, orders or decrees restraining or enjoining the port  
30 authority from transferring title to real property to other persons in  
31 cases where it has agreed with said municipality, public authority,  
32 agency, or commission for transfer of such title to the municipality,  
33 public authority, agency or commission; and

34 b. for judgments, orders or decrees restraining or enjoining the port  
35 authority from committing or continuing to commit other breaches of such  
36 agreement or any amendment thereof; provided, that such judgment, order  
37 or decree shall not be entered except upon two days' prior written  
38 notice to the port authority of the proposed entry thereof; and  
39 provided further that upon appeal taken by the port authority from such  
40 judgment, order or decree the service of the notice of appeal shall  
41 perfect the appeal and stay the execution of such judgment, order or  
42 decree appealed from without an undertaking or other security.

43 Nothing herein contained shall be deemed to revoke, rescind or affect  
44 any consent to suits, actions, or proceedings against the port authority  
45 heretofore given by the two said states in chapter three hundred one of  
46 the laws of New York of nineteen hundred fifty and continued by part XIV  
47 of this article, and chapter two hundred four of the laws of New Jersey  
48 of nineteen hundred fifty-one.

49 10. The effectuation of industrial development projects or facilities  
50 of any such projects or facilities constituting a portion of any indus-  
51 trial development project or facility, are and will be in all respects  
52 for the benefit of the people of the states of New York and New Jersey,  
53 for the increase of their commerce and prosperity and for the improve-  
54 ment of their health and living conditions; and the port authority and  
55 any subsidiary corporation incorporated for any of the purposes of this  
56 part shall be regarded as performing an essential governmental function

1 in undertaking the effectuation thereof, and in carrying out the  
2 provisions of law relating thereto.

3 11. The port authority shall be required to pay no taxes or assess-  
4 ments upon any of the property acquired and used by it for any of the  
5 purposes of this part or upon any deed, mortgage or other instrument  
6 affecting such property or upon the recording of any such instrument.

7 However, to the end that no taxing jurisdiction shall suffer undue loss  
8 of taxes and assessments by reason of the acquisition and ownership of

9 property by the port authority for any of the purposes of this part, the  
10 port authority is hereby authorized and empowered, in its discretion, to

11 enter into a voluntary agreement or agreements with any city, town,  
12 township or village whereby the port authority will undertake to pay in

13 lieu of taxes a fair and reasonable sum, if any, or sums annually in  
14 connection with any real property acquired and owned by the port author-

15 ity for any of the purposes of this part and to provide for the payment  
16 as a rental or additional rental charge by any person occupying any

17 portion of any industrial development project or facility either as  
18 lessee, vendee or otherwise of such reasonable sum, if any, or sums as

19 hereinafter provided. Such sums in connection with any real property  
20 acquired and owned by the port authority for any of the purposes of this

21 part shall not be more than the sum last paid as taxes upon such real  
22 property prior to the time of its acquisition by the port authority;

23 provided, however, that in connection with any portion of any industrial  
24 development project or facility, which is owned by the port authority or

25 another governmental entity and improved pursuant to this part with  
26 buildings, structures or improvements greater in value than the build-

27 ings, structures or improvements in existence at the time of its acqui-  
28 sition, development or improvement by the port authority, any person

29 occupying such portion of such industrial development project or facili-  
30 ty either as lessee, vendee or otherwise shall, as long as title thereto

31 shall remain in the port authority or in another governmental entity,  
32 pay as a rental or additional rental charge an amount in lieu of taxes,

33 if any, not in excess of the taxes on such improvements and on personal  
34 property, including water and sewer service charges or assessments,

35 which such person would have been required to pay had it been the owner  
36 of such property during the period for which such payment is made;

37 provided further, however, that neither the port authority nor any of  
38 its projects, facilities, properties, monies or bonds and notes shall be

39 obligated, liable or subject to lien of any kind whatsoever for the  
40 enforcement, collection or payment thereof. Each such city, town, town-

41 ship or village is hereby authorized and empowered to enter into such  
42 agreement or agreements with the port authority which agreement or

43 agreements may also include provisions with respect to the joint review  
44 of categories of tenants proposed as occupants for industrial develop-

45 ment projects or facilities with the cities, towns, townships or  
46 villages in which they are proposed to be located, and to accept the

47 payment or payments which the port authority is hereby authorized and  
48 empowered to make or which are paid by a person occupying any such

49 portion of such industrial development project or facility as rental or  
50 as additional rental in lieu of taxes, and the sums so received by such

51 city, town, township or village shall be devoted to purposes to which  
52 taxes may be applied in all affected taxing jurisdictions unless and

53 until otherwise directed by law of the state in which such city, town,  
54 township or village is located. At least ten days prior to the authori-

55 zation by the port authority of any agreement provided for in this  
56 subdivision, the port authority shall notify the chief executive officer

1 of each city in the port district within which an industrial development  
2 project or facility has been included in the master plan provided for in  
3 subdivision two of this section of the proposed authorization of such  
4 agreement, shall seek their comments and shall include with such author-  
5 ization any comments received from such city. The port authority shall  
6 not sell or lease substantially all of an industrial development project  
7 or facility to a proposed purchaser or lessee without the prior approval  
8 by the municipality wherein the project or facility is located of such  
9 purchaser or lessee.

10 12. Except as otherwise specifically provided, all details of the  
11 effectuation, including but not limited to details of financing, leas-  
12 ing, rentals, fees and other charges, rates, contracts and service, of  
13 industrial development projects or facilities by the port authority  
14 shall be within its sole discretion and its decision in connection with  
15 any and all matters concerning industrial development projects or facil-  
16 ities shall be controlling and conclusive; provided that the  
17 construction and operation of any such project or facility shall conform  
18 to the environmental and solid waste disposal standards and any state  
19 and county plans therefor in the state in which such project or facility  
20 is located. At least ninety days prior to the authorization by the port  
21 authority of the first contract for the construction of any industrial  
22 development project or facility, the port authority shall transmit to  
23 the governor of the state in which such project or facility is to be  
24 located a statement as to the conformance of such industrial development  
25 project or facility with such environmental and solid waste disposal  
26 standards and any state and county plans therefor, and shall consult  
27 with such governor or his designee with respect thereto. The port  
28 authority and the city, town, township or village in which any indus-  
29 trial development project or facility is to be located and for whose  
30 benefit such project or facility is undertaken are hereby authorized and  
31 empowered to enter into an agreement or agreements to provide which  
32 local laws, resolutions, ordinances, rules and regulations, if any, of  
33 such city, town, township or village affecting any industrial develop-  
34 ment project or facility shall apply to such project or facility. All  
35 other existing local laws, resolutions, ordinances or rules and regu-  
36 lations not provided for in such agreement shall be applicable to such  
37 industrial development projects or facilities. All such local laws,  
38 resolutions, ordinances or rules and regulations enacted after the date  
39 of such agreement or agreements shall not be applicable to such projects  
40 or facilities unless made applicable by such agreement or agreements or  
41 any modification or modifications thereto.

42 So long as any facility constituting a portion of any industrial  
43 development project or facility shall be owned, controlled or operated  
44 by the port authority, no public authority, agency, commission or muni-  
45 cipality of either or both of the two states shall have jurisdiction  
46 over such project or facility nor shall any such public authority, agen-  
47 cy, commission or municipality have any jurisdiction over the terms or  
48 method of effectuation of all or any portion thereof by the port author-  
49 ity including but not limited to the transfer of all or any portion  
50 thereof to or by the port authority; provided, however, the port  
51 authority is authorized and empowered to submit to the jurisdiction over  
52 such project or facility of either state or any department thereof or  
53 any such public authority, agency, commission or municipality when the  
54 exercise of such jurisdiction is necessary for the administration or  
55 implementation of federal environmental or solid waste disposal legis-  
56 lation by either state.

1 Nothing in this part shall be deemed to prevent the port authority  
2 from establishing, acquiring, owning, leasing, constructing, effectuat-  
3 ing, developing, maintaining, operating, rehabilitating, improving,  
4 selling, transferring or mortgaging all or any portion of any industrial  
5 development project or facility through wholly owned subsidiary corpo-  
6 rations of the port authority or subsidiary corporations owned by the  
7 port authority jointly with any public authority, agency or commission  
8 of either or both of the two states or from transferring to or from any  
9 such corporations any moneys, real property or other property for any of  
10 the purposes of this part. If the port authority shall determine from  
11 time to time to form such a subsidiary corporation it shall do so by  
12 executing and filing with the secretary of state of the State of New  
13 York and the secretary of state of the State of New Jersey a certificate  
14 of incorporation, which may be amended from time to time by similar  
15 filing, which shall set forth the name of such subsidiary corporation,  
16 its duration, the location of its principal office, any joint owners  
17 thereof, and the purposes of the incorporation which shall be one or  
18 more of the purposes of establishing, acquiring, owning, leasing,  
19 constructing, effectuating, developing, maintaining, operating, rehabil-  
20 itating, improving, selling, transferring or mortgaging all or any  
21 portion of any industrial development project or facility. The direc-  
22 tors of such subsidiary corporation shall be the same persons holding  
23 the offices of commissioners of the port authority together with persons  
24 representing any joint owner thereof as provided for in the agreement in  
25 connection with the incorporation thereof. Such subsidiary corporation  
26 shall have all the powers vested in the port authority itself for the  
27 purposes of this part except that it shall not have the power to  
28 contract indebtedness. Such subsidiary corporation and any of its prop-  
29 erty, functions and activities shall have all of the privileges, immuni-  
30 ties, tax exemptions and other exemptions of the port authority and of  
31 the port authority's property, functions and activities. Such subsid-  
32 iary corporation shall be subject to the restrictions and limitations to  
33 which the port authority may be subject, including, but not limited to  
34 the requirement that no action taken at any meeting of the board of  
35 directors of such subsidiary corporation shall have force or effect  
36 until the governors of the two states shall have an opportunity, in the  
37 same manner and within the same time as now or hereafter provided by law  
38 for approval or veto of actions taken at any meeting of the port author-  
39 ity itself, to approve or veto such action. Such subsidiary corporation  
40 shall be subject to suit in accordance with subdivision nine of this  
41 section and chapter three hundred one of the laws of New York of nine-  
42 teen hundred fifty and continued by part XIV of this article, and chap-  
43 ter two hundred four of the laws of New Jersey of nineteen hundred  
44 fifty-one as if such subsidiary corporation were the port authority  
45 itself. Such subsidiary corporation may be a participating employer  
46 under the New York retirement and social security law or any similar law  
47 of either state and the employees of any such subsidiary corporation,  
48 except those who are also employees of the port authority, shall not be  
49 deemed employees of the port authority.

50 Whenever any state, municipality, commission, public authority, agen-  
51 cy, officer, department, board or division is authorized and empowered  
52 for any of the purposes of this part to co-operate and enter into agree-  
53 ments with the port authority or to grant any consent to the port  
54 authority or to grant, convey, lease or otherwise transfer any property  
55 to the port authority or to execute any document, such state, munici-  
56 pality, commission, public authority, agency, officer, department, board

1 or division shall have the same authorization and power for any of such  
2 purposes to co-operate and enter into agreements with such subsidiary  
3 corporation and to grant consents to such subsidiary corporation and to  
4 grant, convey, lease or otherwise transfer property to such subsidiary  
5 corporation and to execute documents for such subsidiary corporation.

6 13. The bonds issued by the port authority to provide funds for any of  
7 the purposes of this part are hereby made securities in which all state  
8 and municipal officers and bodies of both states, all trust companies  
9 and banks other than savings banks, all building and loan associations,  
10 savings and loan associations, investment companies and other persons  
11 carrying on a commercial banking business, all insurance companies,  
12 insurance associations and other persons carrying on an insurance busi-  
13 ness, and all administrators, executors, guardians, trustees and other  
14 fiduciaries, and all other persons whatsoever (other than savings  
15 banks), who are now or may hereafter be authorized by either state to  
16 invest in bonds of such state, may properly and legally invest any  
17 funds, including capital, belonging to them or within their control, and  
18 said bonds are hereby made securities which may properly and legally be  
19 deposited with and shall be received by any state or municipal officer  
20 or agency of either state for any purpose for which the deposit of bonds  
21 of such state is now or may hereafter be authorized. The bonds issued  
22 by the port authority to provide funds for any of the purposes of this  
23 part as security for which the general reserve fund shall have been  
24 pledged in whole or in part are hereby made securities in which all  
25 savings banks also may properly and legally invest any funds including  
26 capital, belonging to them or within their control.

27 14. Subsequent to and subject to the execution of the agreement or  
28 agreements authorized by subdivisions eleven and twelve of this section  
29 the projects and facilities and at the locations specified therein, if  
30 the port authority shall find it necessary, convenient or desirable to  
31 acquire from time to time any real property or any property other than  
32 real property (including but not limited to contract rights and other  
33 tangible or intangible personal property), for any of the purposes of  
34 this act whether for immediate or future use (including temporary  
35 construction, rehabilitation or improvement), the port authority may  
36 find and determine that such property, whether a fee simple absolute or  
37 a lesser interest, is required for a public use, and upon such determi-  
38 nation the said property shall be and shall be deemed to be required for  
39 such public use until otherwise determined by the port authority, and  
40 such determination shall not be affected by the fact that such property  
41 has theretofore been taken for and is then devoted to a public use; but  
42 the public use in the hands of or under the control of the port authori-  
43 ty shall be deemed superior to the public use in the hands of any other  
44 person, association or corporation.

45 The port authority may acquire and is hereby authorized so to acquire  
46 from time to time, for any of the purposes of this part, such property,  
47 whether a fee simple absolute or a lesser estate, by condemnation  
48 (including the exercise of the right of eminent domain) under and pursu-  
49 ant to the provisions of the eminent domain procedure law of the state  
50 of New York in the case of property located in or having its situs in  
51 such state, and chapter three hundred sixty-one of the laws of New  
52 Jersey of nineteen hundred seventy-one, in the case of property located  
53 in or having its situs in such state, or, at the option of the port  
54 authority, as provided in section fifteen of chapter forty-three of the  
55 laws of New Jersey of nineteen hundred forty-seven, as amended, in the  
56 case of property located in or having its situs in such state, or pursu-

1 ant to such other and alternate procedure as may be provided by law of  
2 the state in which such property is located or has its situs; and all of  
3 said statutes for the acquisition of real property shall, for any of the  
4 purposes of this part, be applied also to the acquisition of other prop-  
5 erty authorized by this subdivision, except that such provisions as  
6 pertain to surveys, diagrams, maps, plans or profiles, assessed valu-  
7 ation, lis pendens, service of notice and papers, filing in the office  
8 of the clerk in which the real property affected is situated and such  
9 other provisions as by their nature cannot be applicable to property  
10 other than real property, shall not be applicable to the acquisition of  
11 such other property. In the event that any property other than real  
12 property is acquired for any of the purposes of this part under this  
13 section then, with respect to such other property, notice of such  
14 proceeding and all subsequent notices or court processes shall be served  
15 upon the owners of such other property and upon the port authority by  
16 personal service or by registered or certified mail, except as may be  
17 otherwise directed by the court.

18 The port authority is hereby authorized and empowered, in its  
19 discretion, from time to time to combine any property which is to be  
20 acquired as aforesaid by condemnation for any of the purposes of this  
21 part for acquisition in a single action or proceeding notwithstanding  
22 that part of the property so to be acquired is personal property or  
23 mixed real and personal property or may be owned by more than one owner.

24 The owner of any property acquired by condemnation or the exercise of  
25 the right of eminent domain for any of the purposes of this act shall  
26 not be awarded for such property any increment above the just compen-  
27 sation required by the constitutions of the United States and of the  
28 state or states in which the property is located or has its situs by  
29 reason of any circumstances whatsoever.

30 Nothing herein contained shall be construed to prevent the port  
31 authority from bringing any proceedings to remove a cloud on title or  
32 such other proceedings as it may, in its discretion, deem proper and  
33 necessary, or from acquiring any such property by negotiation or  
34 purchase.

35 Where a person entitled to an award in the proceedings for the acqui-  
36 sition of property by condemnation or the right of eminent domain for  
37 any of the purposes of this part remains in possession of such property  
38 after the time of the vesting of title in the port authority, the  
39 reasonable value of this use and occupancy of such property subsequent  
40 to such time, as fixed by agreement or by the court in such proceedings  
41 or by any court of competent jurisdiction, shall be a lien against such  
42 award, subject only to liens of record at the time of the vesting of  
43 title in the port authority.

44 15. The port authority and its duly authorized agents, and all persons  
45 acting under its authority and by its direction, may enter in the  
46 daytime into and upon any real property for the purpose of making such  
47 surveys, diagrams, maps, plans, soundings or borings as the port author-  
48 ity may deem necessary, convenient or desirable for any of the purposes  
49 of this part.

50 16. Any declarations contained herein with respect to the governmental  
51 nature and public purpose of any industrial development project or  
52 facility and to the exemption of any industrial development project or  
53 facility property and instruments relating thereto from taxation and to  
54 the discretion of the port authority with respect to said projects or  
55 facilities shall not be construed to imply that other port authority  
56 facilities, property and operations are not of a governmental nature or

1 do not serve public purposes, or that they are subject to taxation, or  
2 that the determinations of the port authority with respect thereto are  
3 not conclusive. The powers hereby vested in the port authority and in  
4 any subsidiary corporation incorporated for any of the purposes of this  
5 act (including but not limited to the power to acquire real property by  
6 condemnation or the exercise of the right of eminent domain) shall be  
7 continuing powers and no exercise thereof by the port authority or a  
8 subsidiary corporation incorporated for any of the purposes of this part  
9 shall be deemed to exhaust them or any of them.

10 17. This subdivision and the preceding subdivisions hereof constitute  
11 an agreement between the states of New York and New Jersey supplementary  
12 to the compact between the two states dated April thirtieth, nineteen  
13 hundred twenty-one and amendatory thereof, and shall be liberally  
14 construed to effectuate the purposes of said compact and of the compre-  
15 hensive plan heretofore adopted by the two states, and the powers grant-  
16 ed to the port authority shall be construed to be in aid of and not in  
17 limitation or in derogation of any other powers, heretofore conferred  
18 upon or granted to the port authority.

19 18. If any section, phrase, or provision of this part or the applica-  
20 tion thereof to any person or circumstances be adjudged invalid by any  
21 court of competent jurisdiction, so long as the section or remainder of  
22 the part shall nonetheless permit the effectuation, as a unified  
23 project, of any industrial development project or facility, such judg-  
24 ment shall be confined in its operation to the section, part, phrase,  
25 provision or application directly involved in the controversy in which  
26 such judgment shall have been rendered and shall not affect or impair  
27 the validity of the remainder of this act or the application thereof to  
28 other persons or circumstances and the two states hereby declare that  
29 they would have entered into this part or the remainder thereof had the  
30 invalidity of such provision or application thereof been apparent.

31 19. A copy of the minutes of any action taken at any meeting of the  
32 port authority in connection with any modification, addition or deletion  
33 in or to any or all of the covenants with or pledges to bondholders  
34 contained in a resolution authorizing the issuance of consolidated bonds  
35 of the port authority from such covenants or pledges set forth in the  
36 immediately preceding resolution of the port authority authorizing the  
37 issuance of such bonds shall be filed with the temporary president and  
38 minority leader of the senate and the speaker and minority leader of the  
39 assembly of the state of New York and the secretary of the senate and  
40 clerk of the general assembly of the state of New Jersey within ten  
41 calendar days prior to transmitting the same to the governor of each  
42 state for review if the legislature of such state be in session and not  
43 adjourned for more than two days, and, in the event the legislatures of  
44 the respective states are not in session or are adjourned for more than  
45 two days, the same shall be filed with such officers thirty calendar  
46 days prior to transmitting the same to the governor of each state for  
47 review. Notice of such filing shall be provided to the governor of each  
48 state at the same time.

49 The temporary president and minority leader of the senate and the  
50 speaker and minority leader of the assembly of the state of New York and  
51 the speaker of the general assembly and the president of the senate of  
52 the state of New Jersey, or their representatives designated by them in  
53 writing for this purpose, may by certificate filed with the secretary of  
54 the port authority waive the foregoing filing requirement with respect  
55 to any specific minutes.

20. The port authority shall file with the temporary president and minority leader of the senate, the speaker and minority leader of the assembly, the chairman of the assembly ways and means committee and the chairman of the senate finance committee of the state of New York and the president, minority leader and secretary of the senate and the speaker and minority leader and clerk of the general assembly of the state of New Jersey a copy of the minutes of any action taken at any public meeting of the port authority in connection with any of the purposes of this part. Such filing shall be made at least ten calendar days before such minutes are transmitted to the governor of each state for review; and notice of such filing shall be provided to the governor of each state at the same time.

The temporary president and minority leader of the senate, the speaker and minority leader of the assembly, the chairman of the assembly ways and means committee and the chairman of the senate finance committee of the state of New York and the speaker and minority leader of the general assembly and the president and the minority leader of the senate of the state of New Jersey, or their representatives designated by them in writing for this purpose, may by certificate filed with the secretary of the port authority waive the foregoing filing requirement with respect to any specific minutes.

21. The comptroller of the state of New York and the treasurer of the state of New Jersey may each from time to time request a special report with such information as each such officer may require with respect thereto from the port authority with respect to any or all industrial development projects or facilities.

PART XXVIII  
BUS TRANSPORTATION

Section 2801. Findings and determinations.

2802. Definitions.

2803. Bus transportation.

§ 2801. Findings and determinations. The states of New York and New Jersey hereby find and determine that:

1. The efficient, economical and convenient mass transportation of persons to, from and within the port district as defined in the compact between the two states dated April thirtieth, nineteen hundred twenty-one is vital and essential to the preservation and economic well being of the northern New Jersey-New York metropolitan area;

2. In order to deter the economic deterioration of the northern New Jersey-New York metropolitan area adequate facilities for the mass transportation of persons must be provided and buses are and will remain of extreme importance in such transportation;

3. The provision of mass transportation including bus transportation in urban areas has become financially burdensome and may result in the additional curtailment of significant portions of this essential public service;

4. The economic viability of the existing facilities operated by the port authority is dependent upon the effective and efficient functioning of the transportation network of the northern New Jersey-New York metropolitan area and access to and proper utilization of such port authority facilities would be adversely affected if users of bus transportation were to find such transportation unavailable or significantly curtailed;

1 5. Buses serving regional bus routes and feeder bus routes and ancil-  
2 lary bus facilities constitute an essential part of the mass commuter  
3 facilities of the port district;

4 6. The continued availability of bus transportation requires substan-  
5 tial replacement of and additions to the number of buses presently in  
6 use in the northern New Jersey-New York metropolitan area;

7 7. The port authority which was created by agreement of the two states  
8 as their joint agent for the development of transportation and terminal  
9 facilities and other facilities of commerce of the port district and for  
10 the promotion and protection of the commerce of their port, is a proper  
11 agency to provide such buses to each of the two states and such  
12 provision of buses by the port authority is in the interest of the  
13 continued viability of the facilities of the port authority, and is in  
14 the public interest;

15 8. The operation of the facilities of the port authority, including  
16 but not limited to the port authority bus terminal at forty-first street  
17 and eighth avenue in New York county in the city and state of New York  
18 and the extension thereto currently under construction (hereinafter  
19 called the "bus terminal"), the George Washington bridge bus station and  
20 the provision of buses and ancillary bus facilities pursuant to this  
21 part involve the exercise of public and essential governmental functions  
22 which must be performed by the two states or any municipality, public  
23 authority, agency, or commission of either or both states;

24 9. The revision to the port authority bridge and tunnel toll schedules  
25 which was effective May fifth, nineteen hundred seventy-five, is  
26 expected to result in additional revenues to the port authority suffi-  
27 cient to support the financing with consolidated bonds of the port  
28 authority of approximately four hundred million dollars for passenger  
29 mass transportation capital projects (hereinafter called "passenger  
30 facilities"), approximately one hundred sixty million dollars thereof  
31 being allocated to the extension to the bus terminal, with the remaining  
32 two hundred forty million dollars to be allocated on the basis of one  
33 hundred twenty million dollars in each state for passenger facilities,  
34 including but not limited to the acquisition, development and financing  
35 of buses and related facilities, as determined by each such state and  
36 the port authority acting pursuant to legislative authorization and  
37 commitments to the holders of port authority obligations; and

38 10. The port authority's function as a regional agency of the two  
39 states makes it appropriate that line-haul regional bus route passenger  
40 facilities be equipped pursuant to this part with buses and ancillary  
41 bus facilities and that the need for development and equipment of such  
42 routes be satisfied on a priority basis.

43 § 2802. Definitions. For the purpose of this part:

44 1. "Ancillary bus facilities" shall mean any facilities useful in the  
45 provision of service for line-haul regional or feeder bus routes includ-  
46 ing but not limited to (a) fare collection, communication, signal and  
47 identification equipment, (b) equipment to aid in the provision of bus  
48 service to the elderly and handicapped, (c) maintenance, repair and  
49 storage facilities and equipment, and (d) bus stations for use primarily  
50 by passengers traveling between New York and New Jersey; automobile  
51 parking lots for use by people who transfer to buses on line-haul  
52 regional bus routes or feeder bus routes; and shelters at roadside bus  
53 stops to afford waiting bus passengers protection from precipitation and  
54 wind;

55 2. "Buses" shall mean vehicles containing seats for twelve or more  
56 passengers which are designed for and regularly used in scheduled common

1 carrier passenger mass transportation service on streets, highways and  
2 exclusive busways and which are not designed or used for railroad  
3 purposes;

4 3. "Consolidated bonds" shall mean consolidated bonds of the issue  
5 established by the resolution of the port authority, adopted October  
6 ninth, nineteen hundred fifty-two;

7 4. "Develop" shall mean plan, design, construct, improve or rehabili-  
8 tate;

9 5. "Feeder bus routes" shall mean those bus routes entirely within the  
10 regional bus area which connect within the port district with a bus stop  
11 on a line-haul regional bus route, a passenger ferry, or a railroad  
12 station;

13 6. "Line-haul regional bus routes" shall mean bus routes which are  
14 entirely within the regional bus area and which extend from a point  
15 outside the county in which the bus terminal is located to a point in  
16 such county;

17 7. "Municipality" shall mean a county, city, borough, village, town,  
18 township, or other similar political subdivision of New York or New  
19 Jersey;

20 8. "Person" shall mean any person, including individuals, firms, part-  
21 nerships, associations, societies, trusts, public utilities, public or  
22 private corporations, or other legal entities, including public or  
23 governmental bodies, which may include the port authority, as well as  
24 natural persons;

25 9. "Railroad station" shall mean a stop on a rail or subway system at  
26 which passengers embark or disembark; and

27 10. "Regional bus area" shall mean that area in the states of New York  
28 and New Jersey which lies within a radius of seventy-five miles of the  
29 bus terminal.

30 § 2803. Bus transportation. 1. The port authority is authorized and  
31 empowered to acquire, develop, finance, and transfer buses and ancillary  
32 bus facilities for the purpose of leasing, selling, transferring or  
33 otherwise disposing of such buses and ancillary bus facilities only to  
34 the state of New York and the state of New Jersey or to any public  
35 authority, agency, commission, city or county thereof and designated by  
36 such state (hereinafter called the "lessee"). Such buses may be used  
37 only on line-haul regional bus routes or on feeder bus routes and such  
38 ancillary bus facilities shall be developed for and used in connection  
39 with buses which travel on line-haul regional bus routes or feeder bus  
40 routes; provided, however, that (a) such buses may be used for charter  
41 bus trips which originate in the regional bus area, which take place  
42 when such buses are not needed for service on line-haul regional bus  
43 routes or feeder bus routes, and which comply with all applicable  
44 requirements including but not limited to those of the port authority  
45 and the lessee; and (b) provided that fare collection, communication and  
46 identification equipment and maintenance, repair and storage facilities  
47 and equipment acquired pursuant to this act may be utilized in  
48 connection with bus service which is not on line-haul regional or feeder  
49 bus routes to the extent that such utilization shall comply with all  
50 applicable requirements including but not limited to those of the port  
51 authority and the lessee. Ancillary bus facilities which are not located  
52 on buses or which are not otherwise intended to be moved from place to  
53 place shall be located only within the port district.

54 2. Any such lease, sale, transfer or other disposition of buses and  
55 ancillary bus facilities shall be on such terms and conditions, includ-  
56 ing consideration, consistent with this part as the port authority shall

1 deem in the public interest and which shall be acceptable to the port  
2 authority and the lessee. Notwithstanding any contrary provision of law,  
3 general, special or local, part of the consideration for any such lease  
4 or transfer shall consist of an agreement by the lessee to maintain and  
5 use such buses and ancillary bus facilities, or cause such buses and  
6 ancillary bus facilities to be maintained and used by others under  
7 agreement with the lessee, in the effective and efficient transportation  
8 of passengers in accordance with this act and the port authority may  
9 accept such agreement in lieu of any other consideration for such lease  
10 or transfer. The lessee shall be responsible for the proper operation,  
11 maintenance, repair and use of the buses and ancillary bus facilities  
12 and the port authority shall not be liable in any respect by reason of  
13 the ownership, development, operation, maintenance, repair or use of  
14 such buses and ancillary bus facilities. Anything contained in this part  
15 to the contrary notwithstanding, development of such buses and ancillary  
16 bus facilities and introduction into service of such buses shall be  
17 subject to the approval of the lessee.

18 3. The two states covenant and agree with each other and with the  
19 holders of the present and future obligations of the port authority that  
20 (a) the lessee of buses or ancillary bus facilities leased, transferred  
21 or otherwise disposed of pursuant to this part shall be required to  
22 defend and to provide for indemnification, subject to appropriations or  
23 other funds which are or become legally available for this purpose, of  
24 the port authority against any liability of whatsoever form or nature as  
25 may be imposed upon the port authority by reason of the ownership,  
26 development, operation, maintenance, repair or use thereof or arising  
27 otherwise out of the port authority's interest therein; (b) the lessee  
28 shall be required to provide for and be responsible for the proper oper-  
29 ation, maintenance, repair, and use of such buses and ancillary bus  
30 facilities leased, transferred or otherwise disposed of pursuant to this  
31 part and the port authority shall have no responsibility as to such  
32 operation, maintenance, repair or use; and (c) neither the states nor  
33 the port authority will apply to any purpose in connection with or  
34 relating to the operation, maintenance, repair or use of such bus or  
35 ancillary bus facilities leased, transferred or otherwise disposed of  
36 pursuant to this part, other than purposes in connection with the utili-  
37 zation of other port authority facilities by such buses and passenger  
38 information purposes, any of the rentals, tolls, fares, fees, charges,  
39 revenues, reserves or other funds of the port authority which have been  
40 or shall be pledged in whole or in part as security for obligations as  
41 security for which there may be or shall be pledged, in whole or in part  
42 the general reserve fund of the port authority.

43 4. Any capital expenditures by the port authority for buses and ancil-  
44 lary bus facilities to be leased, sold, transferred or otherwise  
45 disposed of pursuant to this part shall be made with the proceeds of  
46 consolidated bonds of the port authority, which may be issued to finance  
47 such capital expenditures, and such capital expenditures shall be a part  
48 of and shall not exceed the allocations for passenger facilities to be  
49 made from time to time as determined in accordance with subdivision nine  
50 of section twenty-eight hundred one of this part.

51 5. The port authority is authorized and empowered to cooperate with  
52 the states of New York and New Jersey, with any municipality thereof,  
53 with the federal government and any public authority, agency or commis-  
54 sion of the foregoing or with any one or more of them or with any other  
55 person to the extent that it finds it necessary and desirable to do so  
56 in connection with the acquisition, development, financing, leasing,

1 sale, transfer or other disposition of buses and ancillary bus facilities and to enter into an agreement or agreements (and from time to time to enter into agreements amending or supplementing the same) with said states, municipalities, federal government, public authorities, agencies, commissions and persons or with any one or more of them for or relating to such purposes.

7 6. Notwithstanding any contrary provision of law, general, special or local, either state or any municipality, public authority, agency, or commission of either or both of said two states or any other person is authorized and empowered to cooperate with the port authority and to enter into an agreement or agreements (and from time to time to enter into agreements amending or supplementing the same) with the port authority including but not limited to the agreements with respect to buses and ancillary bus facilities leased, transferred or otherwise disposed of pursuant to this part, upon such reasonable terms and conditions as determined by such state, municipality, public authority, agency, commission or person and the port authority.

18 7. Any consent by a municipality shall be given and the terms, conditions and execution by a municipality of any agreement, deed, lease, conveyance or other instrument pursuant to this subdivision or any other subdivision of this section shall be authorized in the manner provided in article twenty-two of the compact of April thirtieth, nineteen hundred twenty-one between the two states creating the port authority, except that as to towns in the state of New York, such consent shall be authorized in the manner provided in the town law and as to counties in the state of New Jersey, such consent shall be authorized in the manner provided in New Jersey statutes annotated, title forty: chapter one, section one, et seq. The terms and conditions and execution by either state of any agreement, consent, designation, determination, deed, lease, conveyance or other instrument pursuant to this subdivision or any other subdivision of this section shall be effective if authorized by the governor of such state. The powers herein granted to either state or any municipality, public authority, agency or commission shall be construed to be in aid of and not in limitation or in derogation of any such powers heretofore or hereafter conferred upon or granted to such state, municipality, public authority, agency or commission. Any consent by a public authority, agency or commission shall be effective if given by such public authority, agency or commission.

39 8. The port authority shall be required to pay no taxes or assessments upon any of the property, real or personal, acquired or used by it for any purpose of this part or upon any lease, deed, mortgage or other instrument affecting such property or upon the recording of any instrument made in connection with the acquisition, development, financing, lease, sale, transfer or other disposition or use of such property.

45 9. The port authority shall not be subject to the jurisdiction of any municipality, public authority, agency or commission of either or both of the two states in connection with the acquisition, development, financing, lease, sale, transfer or other disposition of buses, ancillary bus facilities or otherwise in connection with the purposes of this part.

51 10. The acquisition, development, financing, leasing, sale, transfer or other disposition by the port authority of buses and ancillary bus facilities in accordance with this part are and will be in all respects for the benefit of the people of the said two states, for the increase of their commerce and prosperity and for the improvement of their health, safety and living conditions and shall be deemed to be public

1 purposes; and the port authority shall be regarded as performing an  
2 essential governmental function in undertaking such acquisition, devel-  
3 opment, financing, leasing, sale, transfer or other disposition or  
4 otherwise carrying out the provisions of this part.

5 11. Any declarations contained herein with respect to the governmental  
6 nature and public purposes of the facilities authorized by this part and  
7 to the exemption of such facilities and instruments relating thereto  
8 from taxation and to the discretion of the port authority with respect  
9 to said facilities shall not be construed to imply that other port  
10 authority facilities, property and operations are not of a governmental  
11 nature or do not serve public purposes, or that they are subject to  
12 taxation, or that the determinations of the port authority with respect  
13 thereto are not conclusive.

14 12. This subdivision and the preceding subdivisions hereof constitute  
15 an agreement between the states of New York and New Jersey supplementary  
16 to the compact between the two states dated April thirtieth, nineteen  
17 hundred twenty-one and amendatory thereof, and shall be liberally  
18 construed to effectuate the purposes of said compact and of the compre-  
19 hensive plan heretofore adopted by the two states, and the powers grant-  
20 ed to the port authority shall be construed to be in aid of and not in  
21 limitation or in derogation of any other powers heretofore conferred  
22 upon or granted to the port authority.

23 PART XXIX  
24 GENERAL RESERVE FUND

25 Section 2901. Definitions.

26 2902. Establishment of general reserve fund.

27 2903. Effective date.

28 § 2901. Definitions. As used in this part:

29 (a) "Port authority" means the port of New York authority created by  
30 the compact of April thirtieth, nineteen hundred twenty-one, between the  
31 states of New York and New Jersey and continued by part I of this arti-  
32 cle.

33 (b) "Bonds legal for investment" means bonds or other obligations or  
34 securities of the port authority, in which savings banks in both of the  
35 two said states are now or may hereafter be authorized to invest funds  
36 within their control.

37 (c) "Terminal and/or transportation facilities" means terminal and/or  
38 transportation facilities as used in the said compact of April thirti-  
39 eth, nineteen hundred twenty-one, and as defined in subdivisions eleven  
40 and twelve of section one hundred three of this article.

41 (d) "Surplus revenues" means, in the case of each terminal or trans-  
42 portation facility, the balance of the revenues therefrom remaining at  
43 any time currently in the hands of the port authority after the  
44 deduction of the current expenses of the operation and maintenance ther-  
45 eof, including a proper proportion of the general expenses of the port  
46 authority, and after the deduction of any amounts which the port author-  
47 ity may or shall be obligated or may or shall have obligated itself to  
48 pay or to set aside out of the current revenues therefrom for the bene-  
49 fit of the holders of any bonds legal for investment, and after the  
50 deduction of any amounts currently due to the two said states on account  
51 of any advances made by the two said states to the port authority in aid  
52 of the effectuation of such terminal or transportation facility.

§ 2902. Establishment of general reserve fund. In all cases where the port authority has raised or shall hereafter raise moneys for the establishment, acquisition, construction or effectuation of terminal and/or transportation facilities by the issue and sale of bonds legal for investment, as herein defined and limited, the surplus revenues received by or accruing to the port authority from or in connection with the operation of such terminal and/or transportation facilities built in whole or in part by the proceeds of the sale of such bonds shall be pooled and applied by it to the establishment and maintenance of a general reserve fund in an amount equal to one-tenth (1/10) of the par value of all bonds legal for investment, as herein defined and limited, issued by the port authority and currently outstanding. The moneys in the said general reserve fund may be pledged in whole or in part by the port authority as security for or applied by it to the repayment with interest of any moneys which it has raised or may hereafter raise upon any bonds, legal or investment, as herein defined and limited, and made and issued by it for any of its lawful purposes; and the said moneys may be applied by the port authority to the fulfillment of any other undertakings which it has assumed or may or shall hereafter assume to or for the benefit of the holders of any of such bonds.

Any surplus revenues not required for the establishment and maintenance of the aforesaid general reserve fund shall be used for such purposes as may hereafter be directed by the two said states.

§ 2903. Effective date. This part shall take effect upon the enactment into law by the state of New Jersey of legislation having an identical effect with this act, but if the State of New Jersey has already enacted such legislation, this act shall take effect immediately.

§ 3001. Compact. The "waterfront and airport commission of New York and New Jersey compact" as first enacted by chapter eight hundred eighty-two of the laws of nineteen hundred fifty-three is hereby continued to

1 read as follows. The state of New York hereby agrees with the state of  
2 New Jersey, upon the enactment by the state of New Jersey of legislation  
3 having the same effect as this section, to the following compact.

4 § 3002. Findings and declarations. 1. The states of New York and New  
5 Jersey hereby find and declare that the conditions under which water-  
6 front labor is employed within the port of New York district are  
7 depressing and degrading to such labor, resulting from the lack of any  
8 systematic method of hiring, the lack of adequate information as to the  
9 availability of employment, corrupt hiring practices and the fact that  
10 persons conducting such hiring are frequently criminals and persons  
11 notoriously lacking in moral character and integrity and neither respon-  
12 sive or responsible to the employers nor to the uncoerced will of the  
13 majority of the members of the labor organizations of the employees;  
14 that as a result waterfront laborers suffer from irregularity of employ-  
15 ment, fear and insecurity, inadequate earnings, an unduly high accident  
16 rate, subjection to borrowing at usurious rates of interest, exploita-  
17 tion and extortion as the price of securing employment and a loss of  
18 respect for the law; that not only does there result a destruction of  
19 the dignity of an important segment of American labor, but a direct  
20 encouragement of crime which imposes a levy of greatly increased costs  
21 on food, fuel and other necessities handled in and through the port of  
22 New York district.

23 2. The states of New York and New Jersey hereby find and declare that  
24 many of the evils above described result not only from the causes above  
25 described but from the practices of public loaders at piers and other  
26 waterfront terminals; that such public loaders serve no valid economic  
27 purpose and operate as parasites exacting a high and unwarranted toll on  
28 the flow of commerce in and through the port of New York district, and  
29 have used force and engaged in discriminatory and coercive practices  
30 including extortion against persons not desiring to employ them; and  
31 that the function of loading and unloading trucks and other land vehi-  
32 cles at piers and other waterfront terminals can and should be  
33 performed, as in every other major American port, without the evils and  
34 abuses of the public loader system, and by the carriers of freight by  
35 water, stevedores and operators of such piers and other waterfront  
36 terminals or the operators of such trucks or other land vehicles.

37 3. The states of New York and New Jersey hereby find and declare that  
38 many of the evils above described result not only from the causes above  
39 described but from the lack of regulation of the occupation of steve-  
40 dores; that such stevedores have engaged in corrupt practices to induce  
41 their hire by carriers of freight by water and to induce officers and  
42 representatives of labor organizations to betray their trust to the  
43 members of such labor organizations.

44 4. The states of New York and New Jersey hereby find and declare that  
45 the occupations of longshoremen, stevedores, pier superintendents,  
46 hiring agents and port watchmen are affected with a public interest  
47 requiring their regulation and that such regulation shall be deemed an  
48 exercise of the police power of the two states for the protection of the  
49 public safety, welfare, prosperity, health, peace and living conditions  
50 of the people of the two states.

51 § 3003. Definitions. As used in this compact:

20 exclusively in such service or carriage by barge of bulk cargoes  
21 consisting of only a single commodity loaded or carried without wrappers  
22 or containers and delivered by the carrier without transportation mark

31 on piers or at other waterfront terminals, or

32 (b) to engage in direct and immediate checking of any such freight or  
33 of the custodial accounting therefor or in the recording or tabulation  
34 of the hours worked at piers or other waterfront terminals by natural  
35 persons employed by carriers of freight by water or stevedores, or

36 (c) to supervise directly and immediately others who are employed as  
37 in subdivision (a) of this section.

38 9. "Pier superintendent" shall mean any natural person other than a  
39 longshoreman who is employed for work at a pier or other waterfront  
40 terminal by a carrier of freight by water or a stevedore and whose work  
41 at such pier or other waterfront terminal includes the supervision,  
42 directly or indirectly, of the work of longshoremen.

43 10. "Port watchman" shall include any watchman, gateman, roundsman,  
44 detective, guard, guardian or protector of property employed by the  
45 operator of any pier or other waterfront terminal or by a carrier of  
46 freight by water to perform services in such capacity on any pier or  
47 other waterfront terminal.

48 11. "Longshoremen's register" shall mean the register of eligible  
49 longshoremen compiled and maintained by the commission pursuant to  
50 section three thousand nine of this part.

51 12. "Stevedore" shall mean a contractor (not including an employee)  
52 engaged for compensation pursuant to a contract or arrangement with a  
53 carrier of freight by water, in moving waterborne freight carried or  
54 consigned for carriage by such carrier on vessels of such carrier  
55 berthed at piers, on piers at which such vessels are berthed or at other  
56 waterfront terminals.

1 13. "Hiring agent" shall mean any natural person, who on behalf of a  
2 carrier of freight by water or a stevedore shall select any longshoreman  
3 for employment.

4 14. "Compact" shall mean this compact and rules or regulations  
5 lawfully promulgated thereunder.

6 § 3004. Waterfront and airport commission of New York and New Jersey.

7 1. There is hereby created the waterfront and airport commission of New  
8 York and New Jersey, which shall be a body corporate and politic, an  
9 instrumentality of the states of New York and New Jersey.

10 2. The commission shall consist of four members, two to be chosen by  
11 the state of New Jersey and two to be chosen by the state of New York.  
12 The members representing each state shall be appointed by the governor  
13 of such state with the advice and consent of the senate thereof, without  
14 regard to the state of residence of such members, and shall receive  
15 compensation to be fixed by the governor of such state. The term of  
16 office of each member shall be for four years; provided, however, that  
17 the two present members of the commission heretofore appointed shall  
18 continue to serve as members until the expiration of the respective  
19 terms for which they were appointed, that the term of the two new  
20 members shall expire on June thirtieth, nineteen hundred seventy-three,  
21 and that the term of the successors to the present members shall expire  
22 on June thirtieth, nineteen hundred seventy-five. Each member shall  
23 hold office until his successor has been appointed and qualified.  
24 Vacancies in office shall be filled for the balance of the unexpired  
25 term in the same manner as original appointments.

26 3. Three members of the commission shall constitute a quorum; but the  
27 commission shall act only by a majority vote of all its members. Any  
28 member may, by written instrument filed in the office of the commission,  
29 designate any officer or employee of the commission to act in his place  
30 as a member whenever he shall be unable to attend a meeting of the  
31 commission. A vacancy in the office of a member shall not impair such  
32 designation until the vacancy shall have been filled. The commission  
33 shall elect one of its members to serve as chairman for a term of one  
34 year; provided, however, that the term of the first chairman shall  
35 expire on June thirtieth, nineteen hundred seventy-one. The chairman  
36 shall represent a state other than the state represented by the imme-  
37 diately preceding chairman.

38 § 3005. General powers of commission. In addition to the powers and  
39 duties elsewhere prescribed in this compact, the commission shall have  
40 the power:

41 1. To sue and be sued;

42 2. To have a seal and alter the same at pleasure;

43 3. To acquire, hold and dispose of real and personal property by gift,  
44 purchase, lease, license or other similar manner, for its corporate  
45 purposes;

46 4. To determine the location, size and suitability of accommodations  
47 necessary and desirable for the establishment and maintenance of the  
48 employment information centers provided in section three thousand thir-  
49 teen of this part and for administrative offices for the commission;

50 5. To appoint such officers, agents and employees as it may deem  
51 necessary, prescribe their powers, duties and qualifications and fix  
52 their compensation and retain and employ counsel and private consultants  
53 on a contract basis or otherwise;

54 6. To administer and enforce the provisions of this compact;

55 7. To make and enforce such rules and regulations as the commission  
56 may deem necessary to effectuate the purposes of this compact or to

1 prevent the circumvention or evasion thereof, to be effective upon  
2 publication in the manner which the commission shall prescribe and upon  
3 filing in the office of the secretary of state of each state. A certi-  
4 fied copy of any such rules and regulations, attested as true and  
5 correct by the commission, shall be presumptive evidence of the regular  
6 making, adoption, approval and publication thereof;

7 8. By its members and its properly designated officers, agents and  
8 employees, to administer oaths and issue subpoenas to compel the attend-  
9 ance of witnesses and the giving of testimony and the production of  
10 other evidence;

11 9. To have for its members and its properly designated officers,  
12 agents and employees, full and free access, ingress and egress to and  
13 from all vessels, piers and other waterfront terminals or other places  
14 in the port of New York district, for the purposes of making inspection  
15 or enforcing the provisions of this compact; and no person shall  
16 obstruct or in any way interfere with any such member, officer, employee  
17 or agent in the making of such inspection, or in the enforcement of the  
18 provisions of this compact or in the performance of any other power or  
19 duty under this compact;

20 10. To recover possession of any suspended or revoked license issued  
21 under this compact;

22 11. To make investigations, collect and compile information concerning  
23 waterfront practices generally within the port of New York district and  
24 upon all matters relating to the accomplishment of the objectives of  
25 this compact;

26 12. To advise and consult with representatives of labor and industry  
27 and with public officials and agencies concerned with the effectuation  
28 of the purposes of this compact, upon all matters which the commission  
29 may desire, including but not limited to the form and substance of rules  
30 and regulations, the administration of the compact, maintenance of the  
31 longshoremen's register, and issuance and revocation of licenses;

32 13. To make annual and other reports to the governors and legislatures  
33 of both states containing recommendations for the improvement of the  
34 conditions of waterfront labor within the port of New York district, for  
35 the alleviation of the evils described in section three thousand two of  
36 this part and for the effectuation of the purposes of this compact.  
37 Such annual reports shall state the commission's finding and determi-  
38 nation as to whether the public necessity still exists for (a) the  
39 continued registration of longshoremen, (b) the continued licensing of  
40 any occupation or employment required to be licensed hereunder and (c)  
41 the continued public operation of the employment information centers  
42 provided for in section three thousand thirteen of this part.

43 14. To cooperate with and receive from any department, division,  
44 bureau, board, commission, or agency of either or both states, or of any  
45 county or municipality thereof, such assistance and data as will enable  
46 it properly to carry out its powers and duties hereunder; and to  
47 request any such department, division, bureau, board, commission, or  
48 agency, with the consent thereof, to execute such of its functions and  
49 powers, as the public interest may require.

50 15. The powers and duties of the commission may be exercised by offi-  
51 cers, employees and agents designated by them, except the power to make  
52 rules and regulations. The commission shall have such additional powers  
53 and duties as may hereafter be delegated to or imposed upon it from time  
54 to time by the action of the legislature of either state concurred in by  
55 the legislature of the other.

§ 3006. Pier superintendents and hiring agents. 1. On or after the first day of December, nineteen hundred fifty-three, no person shall act as a pier superintendent or as a hiring agent within the port of New York district without first having obtained from the commission a license to act as such pier superintendent or hiring agent, as the case may be, and no person shall employ or engage another person to act as a pier superintendent or hiring agent who is not so licensed.

2. A license to act as a pier superintendent or hiring agent shall be issued only upon the written application, under oath, of the person proposing to employ or engage another person to act as such pier superintendent or hiring agent, verified by the prospective licensee as to the matters concerning him, and shall state the following:

(a) The full name and business address of the applicant;

(b) The full name, residence, business address (if any), place and date of birth and social security number of the prospective licensee;

(c) The present and previous occupations of the prospective licensee, including the places where he was employed and the names of his employers;

(d) Such further facts and evidence as may be required by the commission to ascertain the character, integrity and identity of the prospective licensee; and

(e) That if a license is issued to the prospective licensee, the applicant will employ such licensee as pier superintendent or hiring agent, as the case may be.

3. No such license shall be granted

(a) Unless the commission shall be satisfied that the prospective licensee possesses good character and integrity;

(b) If the prospective licensee has, without subsequent pardon, been convicted by a court of the United States, or any state or territory thereof, of the commission of, or the attempt or conspiracy to commit, treason, murder, manslaughter or any felony or high misdemeanor or any of the following misdemeanors or offenses: illegally using, carrying or possessing a pistol or other dangerous weapon; making or possessing burglar's instruments; buying or receiving stolen property; unlawful entry of a building; aiding an escape from prison; unlawfully possessing, possessing with intent to distribute, sale or distribution of a controlled dangerous substance (controlled substance) or, in New Jersey, a controlled dangerous substance analog (controlled substance analog); and violation of this compact. Any such prospective licensee ineligible for a license by reason of any such conviction may submit satisfactory evidence to the commission that he has for a period of not less than five years, measured as hereinafter provided, and up to the time of application, so conducted himself as to warrant the grant of such license, in which event the commission may, in its discretion, issue an order removing such ineligibility. The aforesaid period of five years shall be measured either from the date of payment of any fine imposed upon such person or the suspension of sentence or from the date of his unrevoked release from custody by parole, commutation or termination of his sentence;

(c) If the prospective licensee knowingly or wilfully advocates the desirability of overthrowing or destroying the government of the United States by force or violence or shall be a member of a group which advocates such desirability, knowing the purposes of such group include such advocacy.

4. When the application shall have been examined and such further inquiry and investigation made as the commission shall deem proper and

1 when the commission shall be satisfied therefrom that the prospective  
2 licensee possesses the qualifications and requirements prescribed in  
3 this section, the commission shall issue and deliver to the prospective  
4 licensee a license to act as pier superintendent or hiring agent for the  
5 applicant, as the case may be, and shall inform the applicant of his  
6 action. The commission may issue a temporary permit to any prospective  
7 licensee for a license under the provisions of this section pending  
8 final action on an application made for such a license. Any such permit  
9 shall be valid for a period not in excess of thirty days.

10 5. No person shall be licensed to act as a pier superintendent or  
11 hiring agent for more than one employer, except at a single pier or  
12 other waterfront terminal, but nothing in this section shall be  
13 construed to limit in any way the number of pier superintendents or  
14 hiring agents any employer may employ.

15 6. A license granted pursuant to this section shall continue through  
16 the duration of the licensee's employment by the employer who shall have  
17 applied for his license.

18 7. Any license issued pursuant to this section may be revoked or  
19 suspended for such period as the commission deems in the public interest  
20 or the licensee thereunder may be reprimanded for any of the following  
21 offenses:

22 (a) Conviction of a crime or act by the licensee or other cause which  
23 would require or permit his disqualification from receiving a license  
24 upon original application;

25 (b) Fraud, deceit or misrepresentation in securing the license, or in  
26 the conduct of the licensed activity;

27 (c) Violation of any of the provisions of this section;

28 (d) Conviction of a crime involving unlawfully possessing, possession  
29 with intent to distribute, sale or distribution of a controlled danger-  
30 ous substance (controlled substance) or, in New Jersey, a controlled  
31 dangerous substance analog (controlled substance analog);

32 (e) Employing, hiring or procuring any person in violation of this  
33 section or inducing or otherwise aiding or abetting any person to  
34 violate the terms of this section;

35 (f) Paying, giving, causing to be paid or given or offering to pay or  
36 give to any person any valuable consideration to induce such other  
37 person to violate any provision of this section or to induce any public  
38 officer, agent or employee to fail to perform his duty hereunder;

39 (g) Consorting with known criminals for an unlawful purpose;

40 (h) Transfer or surrender of possession of the license to any person  
41 either temporarily or permanently without satisfactory explanation;

42 (i) False impersonation of another licensee under this section;

43 (j) Receipt or solicitation of anything of value from any person other  
44 than the licensee's employer as consideration for the selection or  
45 retention for employment of any longshoreman;

46 (k) Coercion of a longshoreman by threat of discrimination or violence  
47 or economic reprisal, to make purchases from or to utilize the services  
48 of any person;

49 (l) Lending any money to or borrowing any money from a longshoreman  
50 for which there is a charge of interest or other consideration; and

51 (m) Membership in a labor organization which represents longshoremen  
52 or port watchmen; but nothing in this subdivision shall be deemed to  
53 prohibit pier superintendents or hiring agents from being represented by  
54 a labor organization or organizations which do not also represent long-  
55 shoremen or port watchmen. The American Federation of Labor, the  
56 Congress of Industrial Organizations and any other similar federation,

1 congress or other organization of national or international occupational  
2 or industrial labor organizations shall not be considered an organiza-  
3 tion which represents longshoremen or port watchmen within the meaning  
4 of this section although one of the federated or constituent labor  
5 organizations thereof may represent longshoremen or port watchmen.

6 § 3007. Stevedores. 1. On or after the first day of December, nine-  
7 teen hundred fifty-three, no person shall act as a stevedore within the  
8 port of New York district without having first obtained a license from  
9 the commission, and no person shall employ a stevedore to perform  
10 services as such within the port of New York district unless the steve-  
11 dore is so licensed.

12 2. Any person intending to act as a stevedore within the port of New  
13 York district shall file in the office of the commission a written  
14 application for a license to engage in such occupation, duly signed and  
15 verified as follows:

16 (a) If the applicant is a natural person, the application shall be  
17 signed and verified by such person and if the applicant is a partner-  
18 ship, the application shall be signed and verified by each natural  
19 person composing or intending to compose such partnership. The applica-  
20 tion shall state the full name, age, residence, business address (if  
21 any), present and previous occupations of each natural person so signing  
22 the same, and any other facts and evidence as may be required by the  
23 commission to ascertain the character, integrity and identity of each  
24 natural person so signing such application.

25 (b) If the applicant is a corporation, the application shall be signed  
26 and verified by the president, secretary and treasurer thereof, and  
27 shall specify the name of the corporation, the date and place of its  
28 incorporation, the location of its principal place of business, the  
29 names and addresses of, and the amount of the stock held by stockholders  
30 owning 5 per cent or more of any of the stock thereof, and of all offi-  
31 cers (including all members of the board of directors). The require-  
32 ments of paragraph (a) of this subdivision as to a natural person who is  
33 a member of a partnership, and such requirements as may be specified in  
34 rules and regulations promulgated by the commission, shall apply to each  
35 such officer or stockholder and their successors in office or interest  
36 as the case may be.

37 (c) In the event of the death, resignation or removal of any officer,  
38 and in the event of any change in the list of stockholders who shall own  
39 five per cent or more of the stock of the corporation, the secretary of  
40 such corporation shall forthwith give notice of that fact in writing to  
41 the commission, certified by said secretary.

42 3. No such license shall be granted

43 (a) If any person whose signature or name appears in the application  
44 is not the real party in interest required by subdivision two of this  
45 section to sign or to be identified in the application or if the person  
46 so signing or named in the application is an undisclosed agent or trus-  
47 tee for any such real party in interest;

48 (b) Unless the commission shall be satisfied that the applicant and  
49 all members, officers and stockholders required by subdivision two of  
50 this section to sign or be identified in the application for license  
51 possess good character and integrity;

52 (c) Unless the applicant is either a natural person, partnership or  
53 corporation;

54 (d) Unless the applicant shall be a party to a contract then in force  
55 or which will take effect upon the issuance of a license, with a carrier  
56 of freight by water for the loading and unloading by the applicant of

1 one or more vessels of such carrier at a pier within the port of New  
2 York district;

3 (e) If the applicant or any member, officer or stockholder required by  
4 subdivision two of this section to sign or be identified in the applica-  
5 tion for license has, without subsequent pardon, been convicted by a  
6 court of the United States or any state or territory thereof of the  
7 commission of, or the attempt or conspiracy to commit, treason, murder,  
8 manslaughter or any felony or high misdemeanor or any of the misdemea-  
9 nors or offenses described in paragraph (b) of subdivision three of this  
10 section. Any applicant ineligible for a license by reason of any such  
11 conviction may submit satisfactory evidence to the commission that the  
12 person whose conviction was the basis of ineligibility has for a period  
13 of not less than five years, measured as hereinafter provided and up to  
14 the time of application, so conducted himself as to warrant the grant of  
15 such license, in which event the commission may, in its discretion issue  
16 an order removing such ineligibility. The aforesaid period of five years  
17 shall be measured either from the date of payment of any fine imposed  
18 upon such person or the suspension of sentence or from the date of his  
19 unrevoked release from custody by parole, commutation or termination of  
20 his sentence;

21 (f) If, on or after July first, nineteen hundred fifty-three, the  
22 applicant has paid, given, caused to have been paid or given or offered  
23 to pay or give to any officer or employee of any carrier of freight by  
24 water any valuable consideration for an improper or unlawful purpose or  
25 to induce such person to procure the employment of the applicant by such  
26 carrier for the performance of stevedoring services;

27 (g) If, on or after July first, nineteen hundred fifty-three, the  
28 applicant has paid, given, caused to be paid or given or offered to pay  
29 or give to any officer or representative of a labor organization any  
30 valuable consideration for an improper or unlawful purpose or to induce  
31 such officer or representative to subordinate the interests of such  
32 labor organization or its members in the management of the affairs of  
33 such labor organization to the interests of the applicant.

34 4. When the application shall have been examined and such further  
35 inquiry and investigation made as the commission shall deem proper and  
36 when the commission shall be satisfied therefrom that the applicant  
37 possesses the qualifications and requirements prescribed in this  
38 section, the commission shall issue and deliver a license to such appli-  
39 cant. The commission may issue a temporary permit to any applicant for  
40 a license under the provisions of this article pending final action on  
41 an application made for such a license. Any such permit shall be valid  
42 for a period not in excess of thirty days.

43 5. A license granted pursuant to this section shall be for a term of  
44 two years or fraction of such two year period, and shall expire on the  
45 first day of December of each odd numbered year. In the event of the  
46 death of the licensee, if a natural person, or its termination or  
47 dissolution by reason of the death of a partner, if a partnership, or if  
48 the licensee shall cease to be a party to any contract of the type  
49 required by paragraph (d) of subdivision three of this section, the  
50 license shall terminate ninety days after such event or upon its expira-  
51 tion date, whichever shall be sooner. A license may be renewed by the  
52 commission for successive two year periods upon fulfilling the same  
53 requirements as are set forth in this section for an original applica-  
54 tion.

55 6. Any license issued pursuant to this section may be revoked or  
56 suspended for such period as the commission deems in the public interest

1 or the licensee thereunder may be reprimanded for any of the following  
2 offenses on the part of the licensee or of any person required by subdi-  
3 vision two of this section to sign or be identified in an original  
4 application for a license:

5 (a) Conviction of a crime or other cause which would permit or require  
6 disqualification of the licensee from receiving a license upon original  
7 application;

8 (b) Fraud, deceit or misrepresentation in securing the license or in  
9 the conduct of the licensed activity;

10 (c) Failure by the licensee to maintain a complete set of books and  
11 records containing a true and accurate account of the licensee's  
12 receipts and disbursements arising out of his activities within the port  
13 of New York district;

14 (d) Failure to keep said books and records available during business  
15 hours for inspection by the commission and its duly designated represen-  
16 tatives until the expiration of the fifth calendar year following the  
17 calendar year during which occurred the transactions recorded therein;

18 (e) Any other offense described in paragraphs (c) to (i) inclusive, of  
19 subdivision seven of section three thousand six of this part.

20 § 3008. Prohibition of public loading. 1. The states of New York and  
21 New Jersey hereby find and declare that the transfer of cargo to and  
22 from trucks at piers and other waterfront terminals in the port of New  
23 York district has resulted in vicious and notorious abuses by persons  
24 commonly known as "public loaders." There is compelling evidence that  
25 such persons have exacted the payment of exorbitant charges for their  
26 services, real and alleged, and otherwise extorted large sums through  
27 force, threats of violence, unauthorized labor disturbances and other  
28 coercive activities, and that they had been responsible for and abetted  
29 criminal activities on the waterfront. These practices which have  
30 developed in the port of New York district impose unjustified costs on  
31 the handling of goods in and through the port of New York district, and  
32 increase the prices paid by consumers for food, fuel and other neces-  
33 saries, and impair the economic stability of the port of New York  
34 district. It is the sense of the legislatures of the states of New York  
35 and New Jersey that these practices and conditions must be eliminated to  
36 prevent grave injury to the welfare of the people.

37 2. It is hereby declared to be against the public policy of the states  
38 of New York and New Jersey and to be unlawful for any person to load or  
39 unload waterborne freight onto or from vehicles other than railroad cars  
40 at piers or at other waterfront terminals within the port of New York  
41 district, for a fee or other compensation, other than the following  
42 persons and their employees:

43 (a) Carriers of freight by water, but only at piers at which their  
44 vessels are berthed;

45 (b) Other carriers of freight (including but not limited to railroads  
46 and truckers), but only in connection with freight transported or to be  
47 transported by such carriers;

48 (c) Operators of piers or other waterfront terminals (including rail-  
49 roads, truck terminal operators, warehousemen and other persons), but  
50 only at piers or other waterfront terminals operated by them;

51 (d) Shippers or consignees of freight, but only in connection with  
52 freight shipped by such shipper or consigned to such consignee;

53 (e) Stevedores licensed under section three thousand eight of this  
54 part whether or not such waterborne freight has been or is to be trans-  
55 ported by a carrier of freight by water with which such stevedore shall

1 have a contract of the type prescribed by paragraph (d) of subdivision 3  
2 of section three thousand seven of this part.

3 Nothing herein contained shall be deemed to permit any such loading or  
4 unloading of any waterborne freight at any place by any such person by  
5 means of any independent contractor, or any other agent other than an  
6 employee, unless such independent contractor is a person permitted by  
7 this section to load or unload such freight at such place in his own  
8 right.

9 § 3009. Longshoremen. 1. The commission shall establish a  
10 longshoremen's register in which shall be included all qualified long-  
11 shoremen eligible, as hereinafter provided, for employment as such in  
12 the port of New York district. On or after the first day of December,  
13 nineteen hundred fifty-three, no person shall act as a longshoreman  
14 within the port of New York district unless at the time he is included  
15 in the longshoremen's register, and no person shall employ another to  
16 work as a longshoreman within the port of New York district unless at  
17 the time such other person is included in the longshoremen's register.

18 2. Any person applying for inclusion in the longshoremen's register  
19 shall file at such place and in such manner as the commission shall  
20 designate a written statement, signed and verified by such person,  
21 setting forth his full name, residence address, social security number,  
22 and such further facts and evidence as the commission may prescribe to  
23 establish the identity of such person and his criminal record, if any.

24 3. The commission may in its discretion deny application for inclusion  
25 in the longshoremen's register by a person

26 (a) Who has been convicted by a court of the United States or any  
27 state or territory thereof, without subsequent pardon, of treason,  
28 murder, manslaughter or of any felony or high misdemeanor or of any of  
29 the misdemeanors or offenses described in paragraph (b) of subdivision  
30 three of section three thousand six of this part or of attempt or  
31 conspiracy to commit any of such crimes;

32 (b) Who knowingly or willingly advocates the desirability of over-  
33 throwing or destroying the government of the United States by force or  
34 violence or who shall be a member of a group which advocates such desir-  
35 ability knowing the purposes of such group include such advocacy;

36 (c) Whose presence at the piers or other waterfront terminals in the  
37 port of New York district is found by the commission on the basis of the  
38 facts and evidence before it, to constitute a danger to the public peace  
39 or safety.

40 4. Unless the commission shall determine to exclude the applicant from  
41 the longshoremen's register on a ground set forth in subdivision three  
42 of this section it shall include such person in the longshoremen's  
43 register. The commission may permit temporary registration of any appli-  
44 cant under the provisions of this section pending final action on an  
45 application made for such registration. Any such temporary registration  
46 shall be valid for a period not in excess of thirty days.

47 5. The commission shall have power to reprimand any longshoreman  
48 registered under this section or to remove him from the longshoremen's  
49 register for such period of time as it deems in the public interest for  
50 any of any following offenses:

51 (a) Conviction of a crime or other cause which would permit disquali-  
52 fication of such person from inclusion in the longshoremen's register  
53 upon original application;

54 (b) Fraud, deceit or misrepresentation in securing inclusion in the  
55 longshoremen's register;

1 (c) Transfer or surrender of possession to any person either temporar-  
2 ily or permanently of any card or other means of identification issued  
3 by the commission as evidence of inclusion in the longshoremen's regis-  
4 ter, without satisfactory explanation;

5 (d) False impersonation of another longshoreman registered under this  
6 article or of another person licensed under this compact;

7 (e) Wilful commission of or wilful attempt to commit at or on a water-  
8 front terminal or adjacent highway any act of physical injury to any  
9 other person or of wilful damage to or misappropriation of any other  
10 person's property, unless justified or excused by law; and

11 (f) Any other offense described in subdivisions (c) to (f) inclusive  
12 of subdivision seven of section three thousand six of this part.

13 6. The commission shall have the right to recover possession of any  
14 card or other means of identification issued as evidence of inclusion in  
15 the longshoremen's register in the event that the holder thereof has  
16 been removed from the longshoremen's register.

17 7. Nothing contained in this article shall be construed to limit in  
18 any way any rights of labor reserved by section three thousand sixteen  
19 of this part.

20 § 3010. Regularization of longshoremen's employment. 1. On or after  
21 the first day of December, nineteen hundred fifty-four, the commission  
22 shall, at regular intervals, remove from the longshoremen's register any  
23 person who shall have been registered for at least nine months and who  
24 shall have failed during the preceding six calendar months either to  
25 have worked as a longshoreman in the port of New York district or to  
26 have applied for employment as a longshoreman at an employment informa-  
27 tion center established under section three thousand thirteen of this  
28 part for such minimum number of days as shall have been established by  
29 the commission pursuant to subdivision two of this section.

30 2. On or before the first day of June, nineteen hundred fifty-four and  
31 on or before each succeeding first day of June or December, the commis-  
32 sion shall, for the purposes of subdivision one of this section, estab-  
33 lish for the six-month period beginning on each such date a minimum  
34 number of days and the distribution of such days during such period.

35 3. In establishing any such minimum number of days or period, the  
36 commission shall observe the following standards:

37 (a) To encourage as far as practicable the regularization of the  
38 employment of longshoremen;

39 (b) To bring the number of eligible longshoremen more closely into  
40 balance with the demand for longshoremen's services within the port of  
41 New York district without reducing the number of eligible longshoremen  
42 below that necessary to meet the requirements of longshoremen in the  
43 port of New York district;

44 (c) To eliminate oppressive and evil hiring practices affecting long-  
45 shoremen and waterborne commerce in the port of New York district;

46 (d) To eliminate unlawful practices injurious to waterfront labor;  
47 and

48 (e) To establish hiring practices and conditions which will permit the  
49 termination of governmental regulation and intervention at the earliest  
50 opportunity.

51 4. A longshoreman who has been removed from the longshoremen's regis-  
52 ter pursuant to this section may seek reinstatement upon fulfilling the  
53 same requirements as for initial inclusion in the longshoremen's regis-  
54 ter, but not before the expiration of one year from the date of removal,  
55 except that immediate reinstatement shall be made upon proper showing  
56 that the registrant's failure to work or apply for work the minimum

1 number of days above described was caused by the fact that the regis-  
2 trant was engaged in the military service of the United States or was  
3 incapacitated by ill health, physical injury, or other good cause.

4 5. Notwithstanding any other provision of this section, the commission  
5 shall at any time have the power to register longshoremen on a temporary  
6 basis to meet special or emergency needs.

7 § 3011. Port watchmen. 1. On or after the first day of December, nine-  
8 teen hundred fifty-three, no person shall act as a port watchman within  
9 the port of New York district without first having obtained a license  
10 from the commission, and no person shall employ a port watchman who is  
11 not so licensed.

12 2. A license to act as a port watchman shall be issued only upon writ-  
13 ten application, duly verified, which shall state the following:

14 (a) The full name, residence, business address (if any), place and  
15 date of birth and social security number of the applicant;

16 (b) The present and previous occupations of the applicant, including  
17 the places where he was employed and the names of his employers;

18 (c) The citizenship of the applicant and, if he is a naturalized citi-  
19 zen of the United States, the court and date of his naturalization; and

20 (d) Such further facts and evidence as may be required by the commis-  
21 sion to ascertain the character, integrity and identity of the appli-  
22 cant.

23 3. No such license shall be granted

24 (a) Unless the commission shall be satisfied that the applicant  
25 possesses good character and integrity;

26 (b) If the applicant has, without subsequent pardon, been convicted by  
27 a court of the United States or of any state or territory thereof of the  
28 commission of, or the attempt or conspiracy to commit, treason, murder,  
29 manslaughter or any felony or high misdemeanor or any of the misdemea-  
30 nors or offenses described in paragraph (b) of subdivision three of  
31 section three thousand six of this part;

32 (c) Unless the applicant shall meet such reasonable standards of phys-  
33 ical and mental fitness for the discharge of his duties as may from time  
34 to time be established by the commission;

35 (d) If the applicant shall be a member of any labor organization which  
36 represents longshoremen or pier superintendents or hiring agents; but  
37 nothing in this section shall be deemed to prohibit port watchmen from  
38 being represented by a labor organization or organizations which do not  
39 also represent longshoremen or pier superintendents or hiring agents.  
40 The American Federation of Labor, the Congress of Industrial Organiza-  
41 tions and any other similar federation, congress or other organization  
42 of national or international occupational or industrial labor organiza-  
43 tions shall not be considered an organization which represents long-  
44 shoremen or pier superintendents or hiring agents within the meaning of  
45 this article although one of the federated or constituent labor organ-  
46 izations thereof may represent longshoremen or pier superintendents or  
47 hiring agents;

48 (e) If the applicant knowingly or wilfully advocates the desirability  
49 of overthrowing or destroying the government of the United States by  
50 force or violence or shall be a member of a group which advocates such  
51 desirability, knowing the purposes of such group include such advocacy.

52 4. When the application shall have been examined and such further  
53 inquiry and investigation made as the commission shall deem proper and  
54 when the commission shall be satisfied therefrom that the applicant  
55 possesses the qualifications and requirements prescribed by this section  
56 and regulations issued pursuant thereto, the commission shall issue and

1 deliver a license to the applicant. The commission may issue a tempo-  
2 rary permit to any applicant for a license under the provisions of this  
3 section pending final action on an application made for such a license.  
4 Any such permit shall be valid for a period not in excess of thirty  
5 days.

6 5. A license granted pursuant to this section shall continue for a  
7 term of three years. A license may be renewed by the commission for  
8 successive three-year periods upon fulfilling the same requirements as  
9 are set forth in this section for an original application.

10 6. Any license issued pursuant to this section may be revoked or  
11 suspended for such period as the commission deems in the public interest  
12 or the licensee thereunder may be reprimanded for any of the following  
13 offenses:

14 (a) Conviction of a crime or other cause which would permit or require  
15 his disqualification from receiving a license upon original application;

16 (b) Fraud, deceit or misrepresentation in securing the license; and

17 (c) Any other offense described in subdivisions (c) to (i), inclusive,  
18 of subdivision seven of section three thousand six of this part.

19 § 3012. Hearings, determinations and review. 1. The commission shall  
20 not deny any application for a license or registration without giving  
21 the applicant or prospective licensee reasonable prior notice and an  
22 opportunity to be heard.

23 2. Any application for a license or for inclusion in the  
24 longshoremen's register, and any license issued or registration made,  
25 may be denied, revoked, cancelled, suspended as the case may be, only in  
26 the manner prescribed in this section.

27 3. The commission may on its own initiative or on complaint of any  
28 person, including any public official or agency, institute proceedings  
29 to revoke, cancel or suspend any license or registration after a hearing  
30 at which the licensee or registrant and any person making such complaint  
31 shall be given an opportunity to be heard, provided that any order of  
32 the commission revoking, cancelling or suspending any license or regis-  
33 tration shall not become effective until fifteen days subsequent to the  
34 serving of notice thereof upon the licensee or registrant unless in the  
35 opinion of the commission the continuance of the license or registration  
36 for such period would be inimicable to the public peace or safety. Such  
37 hearings shall be held in such manner and upon such notice as may be  
38 prescribed by the rules of the commission, but such notice shall be of  
39 not less than ten days and shall state the nature of the complaint.

40 4. Pending the determination of such hearing pursuant to subdivision  
41 three of this section the commission may temporarily suspend a license  
42 or registration if in the opinion of the commission the continuance of  
43 the license or registration for such period is inimicable to the public  
44 peace or safety.

45 5. The commission, or such member, officer, employee or agent of the  
46 commission as may be designated by the commission for such purpose,  
47 shall have the power to issue subpoenas to compel the attendance of  
48 witnesses and the giving of testimony or production of other evidence  
49 and to administer oaths in connection with any such hearing. It shall be  
50 the duty of the commission or of any such member, officer, employee or  
51 agent of the commission designated by the commission for such purpose to  
52 issue subpoenas at the request of and upon behalf of the licensee,  
53 registrant or applicant. The commission or such person conducting the  
54 hearing shall not be bound by common law or statutory rules of evidence  
55 or by technical or formal rules of procedure in the conduct of such  
56 hearing.

6. Upon the conclusion of the hearing, the commission shall take such action upon such findings and determination as it deems proper and shall execute an order carrying such findings into effect. The action in the case of an application for a license or registration shall be the granting or denial thereof. The action in the case of a licensee shall be revocation of the license or suspension thereof for a fixed period or reprimand or a dismissal of the charges. The action in the case of a registered longshoreman shall be dismissal of the charges, reprimand or removal from the longshoremen's register for a fixed period or permanently.

7. The action of the commission in denying any application for a license or in refusing to include any person in the longshoremen's register under this compact or in suspending or revoking such license or removing any person from the longshoremen's register or in reprimanding a licensee or registrant shall be subject to judicial review by a proceeding instituted in either state at the instance of the applicant, licensee or registrant in the manner provided by the law of such state for review of the final decision or action of administrative agencies of such state, provided, however, that notwithstanding any other provision of law the court shall have power to stay for not more than thirty days an order of the commission suspending or revoking a license or removing a longshoreman from the longshoremen's register.

§ 3013. Employment information centers. 1. The states of New York and New Jersey hereby find and declare that the method of employment of longshoremen and port watchmen in the port of New York district, commonly known as the "shape-up", has resulted in vicious and notorious abuses, of which such employees have been the principal victims. There is compelling evidence that the "shape-up" has permitted and encouraged extortion from employees as the price of securing or retaining employment and has subjected such employees to threats of violence, unwilling joinder in unauthorized labor disturbances and criminal activities on the waterfront. The "shape-up" has thus resulted in a loss of fundamental rights and liberties of labor, has impaired the economic stability of the port of New York district and weakened law enforcement therein. It is the sense of the legislatures of the states of New York and New Jersey that these practices and conditions must be eliminated to prevent grave injury to the welfare of waterfront laborers and of the people at large and that the elimination of the "shape-up" and the establishment of a system of employment information centers are necessary to a solution of these public problems.

2. The commission shall establish and maintain one or more employment information centers in each state within the port of New York district at such locations as it may determine. No person shall, directly or indirectly, hire any person for work as a longshoreman or port watchman within the port of New York district, except through such particular employment information center or centers as may be prescribed by the commission. No person shall accept any employment as a longshoreman or port watchman within the port of New York district, except through such an employment information center. At each such employment information center the commission shall keep and exhibit the longshoremen's register and any other records it shall determine to the end that longshoremen and port watchmen shall have the maximum information as to available employment as such at any time within the port of New York district and to the end that employers shall have an adequate opportunity to fill their requirements of registered longshoremen and port watchmen at all times.

1 3. Every employer of longshoremen or port watchmen within the port of  
2 New York district shall furnish such information as may be required by  
3 the rules and regulations prescribed by the commission with regard to  
4 the name of each person hired as a longshoreman or port watchman, the  
5 time and place of hiring, the time, place and hours of work, and the  
6 compensation therefor.

7 4. All wage payments to longshoremen or port watchmen for work as such  
8 shall be made by check or cash evidenced by a written voucher receipted  
9 by the person to whom such cash is paid. The commission may arrange for  
10 the provision of facilities for cashing such checks.

11 § 3014. Expenses of administration. 1. By concurrent legislation  
12 enacted by their respective legislatures, the two states may provide  
13 from time to time for meeting the commission's expenses. Until other  
14 provision shall be made, such expense shall be met as authorized in this  
15 section.

16 2. The commission shall annually adopt a budget of its expenses for  
17 each year. Each budget shall be submitted to the governors of the two  
18 states and shall take effect as submitted provided that either governor  
19 may within thirty days disapprove or reduce any item or items, and the  
20 budget shall be adjusted accordingly.

21 3. After taking into account such funds as may be available to it from  
22 reserves, federal grants or otherwise, the balance of the commission's  
23 budgeted expenses shall be assessed upon employers of persons registered  
24 or licensed under this compact. Each such employer shall pay to the  
25 commission as assessment computed upon the gross payroll payments made  
26 by such employer to longshoremen, pier superintendents, hiring agents  
27 and port watchmen for work or labor performed within the port of New  
28 York district, at a rate, not in excess of two per cent, computed by the  
29 commission in the following manner; the commission shall annually esti-  
30 mate the gross payroll payments to be made by employers subject to  
31 assessment and shall compute a rate thereon which will yield revenues  
32 sufficient to finance the commission's budget for each year. Such budg-  
33 et may include a reasonable amount for a reserve but such amount shall  
34 not exceed ten per cent of the total of all other items of expenditure  
35 contained therein. Such reserve shall be used for the stabilization of  
36 annual assessments, the payment of operating deficits and for the repay-  
37 ment of advances made by the two states.

38 4. The amount required to balance the commission's budget, in excess  
39 of the estimated yield of the maximum assessment, shall be certified by  
40 the commission, with the approval of the respective governors, to the  
41 legislatures of the two states, in proportion to the gross annual wage  
42 payments made to longshoremen for work in each state within the port of  
43 New York district. The legislatures shall annually appropriate to the  
44 commission the amount so certified.

45 5. The commission may provide by regulation for the collection and  
46 auditing of assessments. Such assessments hereunder shall be payable  
47 pursuant to such provisions for administration, collection and enforce-  
48 ment as the states may provide by concurrent legislation. In addition  
49 to any other sanction provided by law, the commission may revoke or  
50 suspend any license held by any person under this compact, or his privi-  
51 lege of employing persons registered or licensed hereunder, for non-pay-  
52 ment of any assessment when due.

53 6. The assessment hereunder shall be in lieu of any other charge for  
54 the issuance of licenses to stevedores, pier superintendents, hiring  
55 agents and pier watchmen or for the registration of longshoremen or the  
56 use of an employment information center. The commission shall establish

1 reasonable procedures for the consideration of protests by affected  
2 employers concerning the estimates and computation of the rate of  
3 assessment.

4 § 3015. General violations; prosecutions; penalties. 1. The failure  
5 of any witness, when duly subpoenaed to attend, give testimony or  
6 produce other evidence, whether or not at a hearing, shall be punishable  
7 by the superior court in New Jersey and the supreme court in New York in  
8 the same manner as said failure is punishable by such court in a case  
9 therein pending.

10 2. Any person who, having been sworn or affirmed as a witness in any  
11 such hearing, shall wilfully give false testimony or who shall wilfully  
12 make or file any false or fraudulent report or statement required by  
13 this compact to be made or filed under oath, shall be guilty of a misde-  
14 meanor, punishable by a fine of not more than one thousand dollars or  
15 imprisonment for not more than one year or both.

16 3. Any person who violates or attempts or conspires to violate any  
17 other provision of this compact shall be punishable as may be provided  
18 by the two states by action of the legislature of either state concurred  
19 in by the legislature of the other.

20 4. Any person who interferes with or impedes the orderly registration  
21 of longshoremen pursuant to this compact or who conspires to or attempts  
22 to interfere with or impede such registration shall be punishable as may  
23 be provided by the two states by action of the legislature of either  
24 state concurred in by the legislature of the other.

25 5. Any person who directly or indirectly inflicts or threatens to  
26 inflict any injury, damage, harm or loss or in any other manner prac-  
27 tices intimidation upon or against any person in order to induce or  
28 compel such person or any other person to refrain from registering  
29 pursuant to this compact shall be punishable as may be provided by the  
30 two states by action of the legislature of either state concurred in by  
31 the legislature of the other.

32 6. In any prosecution under this compact, it shall be sufficient to  
33 prove only a single act (or a single holding out or attempt) prohibited  
34 by law, without having to prove a general course of conduct, in order to  
35 prove a violation.

36 § 3016. Collective bargaining safeguarded. 1. This compact is not  
37 designed and shall not be construed to limit in any way any rights  
38 granted or derived from any other statute or any rule of law for employ-  
39 ees to organize in labor organizations, to bargain collectively and to  
40 act in any other way individually, collectively, and through labor  
41 organizations or other representatives of their own choosing. Without  
42 limiting the generality of the foregoing, nothing contained in this  
43 compact shall be construed to limit in any way the right of employees to  
44 strike.

45 2. This compact is not designed and shall not be construed to limit in  
46 any way any rights of longshoremen, hiring agents, pier superintendents  
47 or port watchmen or their employers to bargain collectively and agree  
48 upon any method for the selection of such employees by way of seniority,  
49 experience, regular gangs or otherwise, provided that such employees  
50 shall be licensed or registered hereunder and such longshoremen and port  
51 watchmen shall be hired only through the employment information centers  
52 established hereunder and that all other provisions of this compact be  
53 observed.

54 § 3017. Amendments; construction; short title. 1. Amendments and  
55 supplements to this compact to implement the purposes thereof may be

1 adopted by the action of the legislature of either state concurred in by  
2 the legislature of the other.

3 2. If any part or provision of this compact or the application thereof  
4 to any person or circumstances be adjudged invalid by any court of  
5 competent jurisdiction, such judgment shall be confined in its operation  
6 to the part, provision or application directly involved in the contro-  
7 versy in which such judgment shall have been rendered and shall not  
8 affect or impair the validity of the remainder of this compact or the  
9 application thereof to other persons or circumstances and the two states  
10 hereby declare that they would have entered into this compact or the  
11 remainder thereof had the invalidity of such provision or application  
12 thereof been apparent.

13 3. In accordance with the ordinary rules for construction of inter-  
14 state compacts this compact shall be liberally construed to eliminate  
15 the evils described therein and to effectuate the purposes thereof.

52 "container" means any receptacle, box, carton or crate which is specif-  
53 ically designed and constructed so that it may be repeatedly used for  
54 the carriage of freight by a carrier of freight by water.

55 Whenever, as a result of legislative amendments to this article or of  
56 a ruling by the commission, registration as a longshoreman is required

1 for any person to continue in his employment, such person shall be  
2 registered as a longshoreman without regard to the provisions of section  
3 thirty-one hundred eighteen of this part, provided, however, that such  
4 person satisfies all the other requirements of this article for regis-  
5 tration as a longshoreman.

6 § 3107. Additional powers of the commission. In addition to the  
7 powers and duties elsewhere described in this part, the commission shall  
8 have the following powers:

9 1. To issue temporary permits and permit temporary registrations under  
10 such terms and conditions as the commission may prescribe which shall be  
11 valid for a period to be fixed by the commission not in excess of six  
12 months.

13 2. To require any applicant for a license or registration or any  
14 prospective licensee to furnish such facts and evidence as the commis-  
15 sion may deem appropriate to enable it to ascertain whether the license  
16 or registration should be granted.

17 3. In any case in which the commission has the power to revoke, cancel  
18 or suspend any stevedore license the commission shall also have the  
19 power to impose as an alternative to such revocation, cancellation or  
20 suspension, a penalty, which the licensee may elect to pay to the  
21 commission in lieu of the revocation, cancellation or suspension. The  
22 maximum penalty shall be five thousand dollars for each separate  
23 offense. The commission may, for good cause shown, abate all or part of  
24 such penalty.

25 4. To designate any officer, agent or employee of the commission to be  
26 an investigator who shall be vested with all the powers of a peace or  
27 police officer of the state of New York in that state, and of the state  
28 of New Jersey in that state.

29 5. To confer immunity, in the following manner: In any investigation,  
30 interview or other proceeding conducted under oath by the commission or  
31 any duly authorized officer, employee or agent thereof, if a person  
32 refuses to answer a question or produce evidence of any other kind on  
33 the ground that he may be incriminated thereby, and, notwithstanding  
34 such refusal, an order is made upon twenty-four hours prior written  
35 notice to the appropriate attorney general of the state of New York or  
36 the state of New Jersey, and to the appropriate district attorney or  
37 prosecutor having an official interest therein, by the unanimous vote of  
38 both members of the commission or their designees appointed pursuant to  
39 the provisions of subdivision three of section three thousand four of  
40 this article, that such person answer the question or produce the  
41 evidence, such person shall comply with the order. If such person  
42 complies with the order, and if, but for this subdivision, he would have  
43 been privileged to withhold the answer given or the evidence produced by  
44 him, then immunity shall be conferred upon him, as provided for herein.

45 "Immunity" as used in this subdivision means that such person shall  
46 not be prosecuted or subjected to any penalty or forfeiture for or on  
47 account of any transaction, matter or thing concerning which, in accord-  
48 ance with the order by the unanimous vote of both members of the commis-  
49 sion or their designees appointed pursuant to the provisions of subdivi-  
50 sion three of section three thousand four of this article, he gave  
51 answer or produced evidence, and that no such answer given or evidence  
52 produced shall be received against him upon any criminal proceeding.  
53 But he may nevertheless be prosecuted or subjected to penalty or forfei-  
54 ture for any perjury or contempt committed in answering, or failing to  
55 answer, or in producing or failing to produce evidence, in accordance  
56 with the order, and any such answer given or evidence produced shall be

1 admissible against him upon any criminal proceeding concerning such  
2 perjury or contempt.

3 Immunity shall not be conferred upon any person except in accordance  
4 with the provisions of this subdivision. If, after compliance with the  
5 provisions of this subdivision, a person is ordered to answer a question  
6 or produce evidence of any other kind and complies with such order, and  
7 it is thereafter determined that the appropriate attorney general or  
8 district attorney or prosecutor having an official interest therein was  
9 not notified, such failure or neglect shall not deprive such person of  
10 any immunity otherwise properly conferred upon him.

11 6. To require any applicant for registration as a longshoreman, any  
12 applicant for registration as a checker or any applicant for registra-  
13 tion as a telecommunications system controller and any person who is  
14 sponsored for a license as a pier superintendent or hiring agent, any  
15 person who is an individual owner of an applicant stevedore or any  
16 persons who are individual partners of an applicant stevedore, or any  
17 officers, directors or stockholders owning five percent or more of any  
18 of the stock of an applicant corporate stevedore or any applicant for a  
19 license as a port watchman or any other category of applicant for regis-  
20 tration or licensing by law within the commission's jurisdiction to be  
21 fingerprinted by the commission.

22 7. To require any applicant for registration as a longshoreman, any  
23 applicant for registration as a checker or any applicant for registra-  
24 tion as a telecommunications system controller and any person who is  
25 sponsored for a license as a pier superintendent or hiring agent, any  
26 person who is an individual owner of an applicant stevedore or any  
27 persons who are individual partners of an applicant stevedore, or any  
28 officers, directors or stockholders owning five percent or more of any  
29 of the stock of an applicant corporate stevedore or any applicant for a  
30 license as a port watchman or any other category of applicant for regis-  
31 tration or licensing by law within the commission's jurisdiction who  
32 has: previously applied and had an application denied upon submission;  
33 been removed from registration; or, had a license suspended, or revoked  
34 and is reapplying for registration or licensing within the commission's  
35 jurisdiction to be fingerprinted by the commission.

36 8. To exchange fingerprint data with and receive state criminal histo-  
37 ry record information from the division of criminal justice services, as  
38 defined in subdivision one of section three thousand thirty-five of the  
39 education law of the state of New York, and federal criminal history  
40 record information from the federal bureau of investigation for use in  
41 making the determinations required by this part.

42 9. Notwithstanding any other provision of law to the contrary, to  
43 require any applicant for employment by the commission or person  
44 described in subdivision seven of this section to be fingerprinted and  
45 to exchange fingerprint data with and receive state criminal history  
46 record information from the division of criminal justice services, as  
47 defined in subdivision one of section three thousand thirty-five of the  
48 education law of the state of New York, and federal criminal history  
49 information from the federal bureau of investigation for the purposes of  
50 this subdivision and subdivisions six, seven and eight of this section.

51 § 3108. Regularization of longshoremen's employment. 1. Notwithstand-  
52 ing any other provisions of section three thousand ten of this article,  
53 the commission shall have the power to remove from the longshoremen's  
54 register any person (including those persons registered as longshoremen  
55 for less than nine months) who shall have failed to have worked as a  
56 longshoreman in the port of New York district for such minimum number of

1 days during a period of time as shall have been established by the  
2 commission. In administering this section, the commission, in its  
3 discretion, may count applications for employment as a longshoreman at  
4 an employment information center established under section three thou-  
5 sand thirteen of this article as constituting actual work as a long-  
6 shoreman, provided, however, that the commission shall count as actual  
7 work the compensation received by any longshoreman pursuant to the guar-  
8 anteed wage provisions of any collective bargaining agreement relating  
9 to longshoremen. Prior to the commencement of any period of time estab-  
10 lished by the commission pursuant to this section, the commission shall  
11 establish for such period the minimum number of days of work required  
12 and the distribution of such days during such period and shall also  
13 determine whether or not application for employment as a longshoreman  
14 shall be counted as constituting actual work as a longshoreman. The  
15 commission may classify longshoremen according to length of service as a  
16 longshoreman and such other criteria as may be reasonable and necessary  
17 to carry out the provisions of this part. The commission shall have the  
18 power to vary the requirements of this section with respect to their  
19 application to the various classifications of longshoremen. In adminis-  
20 tering this section, the commission shall observe the standards set  
21 forth in section thirty-one hundred eighteen of this part. Nothing in  
22 this section shall be construed to modify, limit or restrict in any way  
23 any of the rights protected by article XV of the compact established by  
24 part I of this article.

25 § 3109. Additional violations. Any person who, having been duly sworn  
26 or affirmed as a witness in any investigation, interview or other  
27 proceeding conducted by the commission pursuant to the provisions of  
28 this part, shall wilfully give false testimony shall be guilty of a  
29 misdemeanor punishable by a fine of not more than one thousand dollars  
30 or imprisonment for not more than one year or both.

31 § 3110. Hearings. 1. At hearings conducted by the commission pursuant  
32 to section three thousand twelve of this article, applicants, prospec-  
33 tive licensees, licensees and registrants shall have the right to be  
34 accompanied and represented by counsel.

35 2. After the conclusion of a hearing but prior to the making of an  
36 order by the commission, a hearing may, upon petition and in the  
37 discretion of the hearing officer, be reopened for the presentation of  
38 additional evidence. Such petition to reopen the hearing shall state in  
39 detail the nature of the additional evidence, together with the reasons  
40 for the failure to submit such evidence prior to the conclusion of the  
41 hearing. The commission may upon its own motion and upon reasonable  
42 notice reopen a hearing for the presentation of additional evidence.

43 Upon petition, after the making of an order of the commission, rehear-  
44 ing may be granted in the discretion of the commission. Such a petition  
45 for rehearing shall state in detail the grounds upon which the petition  
46 is based and shall separately set forth each error of law and fact  
47 alleged to have been made by the commission in its determination,  
48 together with the facts and arguments in support thereof. Such petition  
49 shall be filed with the commission not later than thirty days after  
50 service of such order, unless the commission for good cause shown shall  
51 otherwise direct.

52 The commission may upon its own motion grant a rehearing after the  
53 making of an order.

54 § 3111. Denial of applications. In addition to the grounds elsewhere  
55 set forth in this article, the commission may deny an application for a  
56 license or registration for any of the following:

1 1. Conviction by a court of the United States or any state or territo-  
2 ry thereof of coercion;

3 2. Conviction by any such court, after having been previously  
4 convicted by any such court of any crime or of the offenses hereinafter  
5 set forth, of a misdemeanor or any of the following offenses: assault,  
6 malicious injury to property, malicious mischief, unlawful taking of a  
7 motor vehicle, corruption of employees or possession of lottery or  
8 number slips; or

9 3. Fraud, deceit or misrepresentation in connection with any applica-  
10 tion or petition submitted to, or any interview, hearing or proceeding  
11 conducted by the commission.

12 4. Violation of any provision of this part or commission of any  
13 offense thereunder.

14 5. Refusal on the part of any applicant, or prospective licensee, or  
15 of any member, officer or stockholder required by subdivision two of  
16 section three thousand seven of this article to sign or be identified in  
17 an application for a stevedore license, to answer any material question  
18 or produce any material evidence in connection with his application or  
19 any application made on his behalf for a license or registration pursu-  
20 ant to this part.

21 6. Association with a person who has been identified by a federal,  
22 state, or local law enforcement agency as a member or associate of an  
23 organized crime group, a terrorist group, or a career offender cartel,  
24 or who is a career offender, under circumstances where such association  
25 creates a reasonable belief that the participation of the applicant in  
26 any activity required to be licensed under this article would be inimi-  
27 cal to the policies of this article. For the purpose of this section,  
28 (a) a terrorist group shall mean a group associated, affiliated or fund-  
29 ed in whole or in part by a terrorist organization designated by the  
30 secretary of state in accordance with section 219 of the immigration and  
31 nationality act, as amended from time to time, or any other organization  
32 which assists, funds or engages in acts of terrorism as defined in the  
33 laws of the United States, or of either of the states of New York (such  
34 as subdivision one of section 490.05 of the penal law) or New Jersey;  
35 and (b) a career offender shall mean a person whose behavior is pursued  
36 in an occupational manner or context for the purpose of economic gain  
37 utilizing such methods as are deemed criminal violations against the  
38 public policy of the states of New York and New Jersey, and a career  
39 offender cartel shall mean a number of career offenders acting in  
40 concert, and may include what is commonly referred to as an organized  
41 crime group.

42 7. Conviction of a racketeering activity or knowing association with a  
43 person who has been convicted of a racketeering activity by a court of  
44 the United States or any state or territory thereof under circumstances  
45 where such association creates a reasonable belief that the partic-  
46 ipation of the applicant in any activity required to be licensed under  
47 this part would be inimical to the policies of this part.

48 § 3112. Revocation of licenses and registrations. In addition to the  
49 grounds elsewhere set forth in this part, any license or registration  
50 issued or made pursuant thereto may be revoked or suspended for such  
51 period as the commission deems in the public interest or the licensee or  
52 registrant may be reprimanded, for:

53 1. Conviction of any crime or offense in relation to gambling, book-  
54 making, pool selling, lotteries or similar crimes or offenses if the  
55 crime or offense was committed at or on a pier or other waterfront  
56 terminal or within five hundred feet thereof; or

1 2. Wilful commission of, or wilful attempt to commit at or on a water-  
2 front terminal or adjacent highway, any act of physical injury to any  
3 other person or of wilful damage to or misappropriation of any other  
4 person's property, unless justified or excused by law; or

5 3. Receipt or solicitation of anything of value from any person other  
6 than a licensee's or registrant's employer as consideration for the  
7 selection or retention for employment of such licensee or registrant; or

8 4. Coercion of a licensee or registrant by threat of discrimination or  
9 violence or economic reprisal, to make purchases from or to utilize the  
10 services of any person; or

11 5. Refusal to answer any material question or produce any evidence  
12 lawfully required to be answered or produced at any investigation,  
13 interview or other proceeding conducted by the commission pursuant to  
14 the provisions of this article, or, if such refusal is accompanied by a  
15 valid plea of privilege against self-incrimination, refusal to obey an  
16 order to answer such question or produce such evidence made by the  
17 commission pursuant to the provisions of subdivision five of section  
18 thirty-one hundred seven of this part.

19 6. Association with a person who has been identified by a federal,  
20 state, or local law enforcement agency as a member or associate of an  
21 organized crime group, a terrorist group, or a career offender cartel,  
22 or who is a career offender, under circumstances where such association  
23 creates a reasonable belief that the participation of the applicant in  
24 any activity required to be licensed under this part would be inimical  
25 to the policies of this part. For the purpose of this section, (a) a  
26 terrorist group shall mean a group associated, affiliated or funded in  
27 whole or in part by a terrorist organization designated by the secretary  
28 of state in accordance with section 219 of the immigration and national-  
29 ity act, as amended from time to time, or any other organization which  
30 assists, funds or engages in acts of terrorism as defined in the laws of  
31 the United States, or of either of the states of New York (such as  
32 subdivision one of section 490.05 of the penal law) or New Jersey; and  
33 (b) a career offender shall mean a person whose behavior is pursued in  
34 an occupational manner or context for the purpose of economic gain  
35 utilizing such methods as are deemed criminal violations against the  
36 public policy of the states of New York and New Jersey, and a career  
37 offender cartel shall mean a number of career offenders acting in  
38 concert, and may include what is commonly referred to as an organized  
39 crime group.

40 7. Conviction of a racketeering activity or knowing association with a  
41 person who has been convicted of a racketeering activity by a court of  
42 the United States or any state or territory thereof under circumstances  
43 where such association creates a reasonable belief that the partic-  
44 ipation of the applicant in any activity required to be licensed under  
45 this article would be inimical to the policies of this article.

46 § 3113. Removal of port watchmen's ineligibility. Any port watchman  
47 ineligible for a license by reason of the provisions of paragraph (b) of  
48 subdivision three of section three thousand eleven of this article may  
49 petition for and the commission may issue an order removing the ineligi-  
50 bility in the manner provided in paragraph (b) of subdivision three of  
51 section three thousand six of this article.

52 § 3114. Petition for order to remove an ineligibility. A petition for  
53 an order to remove an ineligibility under paragraph (b) of subdivision  
54 three of section three thousand six, paragraph (e) of subdivision three  
55 of section three thousand seven, paragraph (b) of subdivision three of  
56 section three thousand six of this article, or paragraph (b) of subdivi-

1 sion three of section thirty-one hundred sixteen of this part may be  
2 made to the commission before or after the hearing required by section  
3 three thousand twelve of this article.

4 § 3115. Denial of stevedore applications. In addition to the grounds  
5 elsewhere set forth in this part the commission shall not grant an  
6 application for a license as stevedore if on or after July first, nine-  
7 teen hundred fifty-six, the applicant has paid, given, caused to have  
8 been paid or given or offered to pay or give to any agent of any carrier  
9 of freight by water any valuable consideration for an improper or unlaw-  
10 ful purpose or, without the knowledge and consent of such carrier, to  
11 induce such agent to procure the employment of the applicant by such  
12 carrier or its agent for the performance of stevedoring services.

13 § 3116. Checkers. 1. The commission shall establish within the  
14 longshoremen's register a list of all qualified longshoremen eligible,  
15 as hereinafter provided, for employment as checkers in the port of New  
16 York district. No person shall act as a checker within the port of New  
17 York district unless at the time he is included in the longshoremen's  
18 register as a checker, and no person shall employ another to work as a  
19 checker within the port of New York district unless at the time such  
20 other person is included in the longshoremen's register as a checker.

21 2. Any person applying for inclusion in the longshoremen's register as  
22 a checker shall file at any such place and in such manner as the commis-  
23 sion shall designate a written statement, signed and verified by such  
24 person, setting forth the following:

25 (a) The full name, residence, place and date of birth and social secu-  
26 rity number of the applicant;

27 (b) The present and previous occupations of the applicant, including  
28 the places where he was employed and the names of his employers;

29 (c) Such further facts and evidence as may be required by the commis-  
30 sion to ascertain the character, integrity and identity of the appli-  
31 cant.

32 3. No person shall be included in the longshoremen's register as a  
33 checker

34 (a) Unless the commission shall be satisfied that the applicant  
35 possesses good character and integrity;

36 (b) If the applicant has, without subsequent pardon, been convicted by  
37 a court of the United States or any state or territory thereof, of the  
38 commission of, or the attempt or conspiracy to commit treason, murder,  
39 manslaughter or any felony or high misdemeanor or any of the following  
40 misdemeanors or offenses: illegally using, carrying or possessing a  
41 pistol or other dangerous weapon; making or possessing burglar's instru-  
42 ments; buying or receiving stolen property; unlawful entry of a build-  
43 ing; aiding an escape from prison; unlawfully possessing, possessing  
44 with intent to distribute, sale or distribution of a controlled danger-  
45 ous substance (controlled substance) or, in New Jersey, a controlled  
46 dangerous substance analog (controlled substance analog); petty larceny,  
47 where the evidence shows the property was stolen from a vessel, pier or  
48 other waterfront terminal; and violation of the compact. Any such  
49 applicant ineligible for inclusion in the longshoremen's register as a  
50 checker by reason of any such conviction may submit satisfactory  
51 evidence to the commission that he has for a period of not less than  
52 five years, measured as hereinafter provided, and up to the time of  
53 application, so conducted himself as to warrant inclusion in the  
54 longshoremen's register as a checker, in which event the commission may,  
55 in its discretion, issue an order removing such ineligibility. The afor-  
56 esaid period of five years shall be measured either from the date of

1 payment of any fine imposed upon such person or the suspension of  
2 sentence or from the date of his unrevoked release from custody by  
3 parole, commutation or termination of his sentence;

4 (c) If the applicant knowingly or wilfully advocates the desirability  
5 of overthrowing or destroying the government of the United States by  
6 force or violence or shall be a member of a group which advocates such  
7 desirability, knowing the purposes of such group include such advocacy.

8 4. When the application shall have been examined and such further  
9 inquiry and investigation made as the commission shall deem proper and  
10 when the commission shall be satisfied therefrom that the applicant  
11 possesses the qualifications and requirements prescribed by this  
12 section, the commission shall include the applicant in the  
13 longshoremen's register as a checker. The commission may permit tempo-  
14 rary registration as a checker to any applicant under this section pend-  
15 ing final action on an application made for such registration, under  
16 such terms and conditions as the commission may prescribe, which shall  
17 be valid for a period to be fixed by the commission, not in excess of  
18 six months.

19 5. The commission shall have power to reprimand any checker registered  
20 under this section or to remove him from the longshoremen's register as  
21 a checker for such period of time as it deems in the public interest for  
22 any of the following offenses:

23 (a) Conviction of a crime or other cause which would permit disquali-  
24 fication of such person from inclusion in the longshoremen's register as  
25 a checker upon original application;

26 (b) Fraud, deceit or misrepresentation in securing inclusion in the  
27 longshoremen's register as a checker or in the conduct of the registered  
28 activity;

29 (c) Violation of any of the provisions of the compact established by  
30 part I of this article;

31 (d) Conviction of a crime involving unlawfully possessing, possession  
32 with intent to distribute, sale or distribution of a controlled danger-  
33 ous substance (controlled substance) or, in New Jersey, a controlled

36 terms of the compact established by part I of this article;

37 (f) Paying, giving, causing to be paid or given or offering to pay or  
38 give to any person any valuable consideration to induce such other  
39 person to violate any provision of the compact or to induce any public  
40 officer, agent or employee to fail to perform his duty under the  
41 compact;

42 (g) Consorting with known criminals for an unlawful purpose;

43 (h) Transfer or surrender of possession to any person either temporar-  
44 ily or permanently of any card or other means of identification issued  
45 by the commission as evidence of inclusion in the longshoremen's regis-  
46 ter without satisfactory explanation;

47 (i) False impersonation of another longshoreman or of another person  
48 licensed under the compact.

49 6. The commission shall have the right to recover possession of any  
50 card or other means of identification issued as evidence of inclusion in  
51 the longshoremen's register as a checker in the event that the holder  
52 thereof has been removed from the longshoremen's register as a checker.

53 7. Nothing contained in this section shall be construed to limit in  
54 any way any rights of labor reserved by section three thousand six of  
55 this article.

§ 3117. Supplementary violations. Any person who, without justification or excuse in law, directly or indirectly intimidates or inflicts any injury, damage, harm, loss or economic reprisal upon any person licensed or registered by the commission, or any other person, or attempts, conspires or threatens so to do, in order to interfere with, impede or influence such licensed or registered person in the performance or discharge of his duties or obligations shall be punishable as provided in section thirty-one hundred four of this part.

§ 3118. Suspension of acceptance of applications for inclusion in longshoremen's register; exceptions. 1. The commission shall have the power to make determinations to suspend the acceptance of application for inclusion in the longshoremen's register for such periods of time as the commission may from time to time establish and, after any such period of suspension, the commission shall have the power to make determinations to accept applications for such period of time as the commission may establish or in such number as the commission may determine, or both. Such determinations to suspend or accept applications shall be made by the commission: (a) on its own initiative or (b) upon the joint recommendation in writing of stevedores and other employers of longshoremen in the port of New York district, acting through their representative for the purpose of collective bargaining with a labor organization representing such longshoremen in such district and such labor organization or (c) upon the petition in writing of a stevedore or another employer of longshoremen in the port of New York district which does not have a representative for the purpose of collective bargaining with a labor organization representing such longshoremen. The commission shall have the power to accept or reject such joint recommendation or petition.

All joint recommendations or petitions filed for the acceptance of applications with the commission for inclusion in the longshoremen's register shall include:

- (a) the number of employees requested;
- (b) the category or categories of employees requested;
- (c) a detailed statement setting forth the reasons for said joint recommendation or petition;
- (d) in cases where a joint recommendation is made under this section, the collective bargaining representative of stevedores and other employers of longshoremen in the port of New York district and the labor organization representing such longshoremen shall provide the allocation of the number of persons to be sponsored by each employer of longshoremen in the port of New York district; and
- (e) any other information requested by the commission.

2. In administering the provisions of this section, the commission shall observe the following standards:

- (a) To encourage as far as practicable the regularization of the employment of longshoremen;
- (b) To bring the number of eligible longshoremen into balance with the demand for longshoremen's services within the port of New York district without reducing the number of eligible longshoremen below that necessary to meet the requirements of longshoremen in the port of New York district;
- (c) To encourage the mobility and full utilization of the existing work force of longshoremen;
- (d) To protect the job security of the existing work force of longshoremen by considering the wages and employment benefits of prospective registrants;

(e) To eliminate oppressive and evil hiring practices injurious to waterfront labor and waterborne commerce in the port of New York district, including, but not limited to, those oppressive and evil hiring practices that may result from either a surplus or shortage of waterfront labor;

(f) To consider the effect of technological change and automation and such other economic data and facts as are relevant to a proper determination;

(g) To protect the public interest of the port of New York district.

In observing the foregoing standards and before determining to suspend or accept applications for inclusion in the longshoremen's register, the commission shall consult with and consider the views of, including any statistical data or other factual information concerning the size of the longshoremen's register submitted by, carriers of freight by water, stevedores, waterfront terminal owners and operators, any labor organization representing employees registered by the commission, and any other person whose interests may be affected by the size of the longshoremen's register.

Any joint recommendation or petition granted hereunder shall be subject to such terms and conditions as the commission may prescribe.

3. Any determination by the commission pursuant to this section to suspend or accept applications for inclusion in the longshoremen's register shall be made upon a record, shall not become effective until five days after notice thereof to the collective bargaining representative of stevedores and other employers of longshoremen in the port of New York district and to the labor organization representing such longshoremen and/or the petitioning stevedore or other employer of longshoremen in the port of New York district and shall be subject to judicial review for being arbitrary, capricious, and an abuse of discretion in a proceeding jointly instituted by such representative and such labor organization and/or by the petitioning stevedore or other employer of longshoremen in the port of New York district. Such judicial review proceeding may be instituted in either state in the manner provided by the law of such state for review of the final decision or action of administrative agencies of such state, provided, however, that such proceeding shall be decided directly by the appellate division as the court of first instance (to which the proceeding shall be transferred by order of transfer by the supreme court in the state of New York or in the state of New Jersey by notice of appeal from the commission's determination) and provided further that notwithstanding any other provision of law in either state no court shall have power to stay the commission's determination prior to final judicial decision for more than fifteen days. In the event that the court enters a final order setting aside the determination by the commission to accept applications for inclusion in the longshoremen's register, the registration of any longshoremen included in the longshoremen's register as a result of such determination by the commission shall be cancelled.

This section shall apply, notwithstanding any other provision of this article, provided however, such section shall not in any way limit or restrict the provisions of subdivision five of section three thousand ten of this article empowering the commission to register longshoremen on a temporary basis to meet special or emergency needs or the provisions of subdivision four of section three thousand ten of this article relating to the immediate reinstatement of persons removed from the longshoremen's register pursuant to section three thousand ten of this article. Nothing in this section shall be construed to modify,

1 limit or restrict in any way any of the rights protected by section  
2 three thousand sixteen of this article.

3 4. Upon the granting of any joint recommendation or petition under  
4 this section for the acceptance of applications for inclusion in the  
5 longshoremen's register, the commission shall accept applications upon  
6 written sponsorship from the prospective employer of longshoremen. The  
7 sponsoring employer shall furnish the commission with the name, address  
8 and such other identifying or category information as the commission may  
9 prescribe for any person so sponsored. The sponsoring employer shall  
10 certify that the selection of the persons so sponsored was made in a  
11 fair and non-discriminatory basis in accordance with the requirements of  
12 the laws of the United States and the states of New York and New Jersey  
13 dealing with equal employment opportunities.

14 Notwithstanding any of the foregoing, where the commission determines  
15 to accept applications for inclusion in the longshoremen's register on  
16 its own initiative, such acceptance shall be accomplished in such manner  
17 deemed appropriate by the commission.

18 5. Notwithstanding any other provision of this article, the commission  
19 may include in the longshoremen's register under such terms and condi-  
20 tions as the commission may prescribe:

21 (a) a person issued registration on a temporary basis to meet special  
22 or emergency needs who is still so registered by the commission;

23 (b) a person defined as a longshoreman in subdivision six of section  
24 thirty-one hundred six of this part who is employed by a stevedore  
25 defined in paragraph (b) or (c) of subdivision one of section thirty-one  
26 hundred six of this part and whose employment is not subject to the  
27 guaranteed annual income provisions of any collective bargaining agree-  
28 ment relating to longshoremen;

29 (c) no more than twenty persons issued registration limited to acting  
30 as scalemen pursuant to the provisions of chapter 953 of the laws of  
31 1969 and chapter 64 of the laws of 1982 who are still so registered by  
32 the commission and who are no longer employed as scalemen on the effec-  
33 tive date of this subdivision;

34 (d) a person issued registration on a temporary basis as a checker to  
35 meet special or emergency needs who applied for such registration prior  
36 to January 15, 1986 and who is still so registered by the commission;

37 (e) a person issued registration on a temporary basis as a checker to  
38 meet special or emergency needs in accordance with a waterfront commis-  
39 sion resolution of September 4, 1996 and who is still so registered by  
40 the commission;

41 (f) a person issued registration on a temporary basis as a container  
42 equipment operator to meet special or emergency needs in accordance with  
43 a waterfront commission resolution of September 4, 1996 and who is still  
44 so registered by the commission; and

45 (g) a person issued registration on a temporary basis as a longshore-  
46 man to meet special or emergency needs in accordance with a waterfront  
47 commission resolution of September 4, 1996 and who is still so regis-  
48 tered by the commission.

49 6. The commission may include in the longshoremen's register, under  
50 such terms and conditions as the commission may prescribe, persons  
51 issued registration on a temporary basis as a longshoreman or a checker  
52 to meet special or emergency needs and who are still so registered by  
53 the commission upon the enactment of this section.

54 § 3119. Temporary suspension of permits, licenses and registrations.

55 1. The commission may temporarily suspend a temporary permit or a  
56 permanent license or a temporary or permanent registration pursuant to

1 the provisions of subdivision four of section three thousand twelve of  
2 this article until further order of the commission or final disposition  
3 of the underlying case, only where the permittee, licensee or registrant  
4 has been indicted for, or otherwise charged with, a crime which is  
5 equivalent to a felony in the state of New York or to a crime of the  
6 third, second or first degree in the state of New Jersey or only where  
7 the permittee or licensee is a port watchman who is charged by the  
8 commission pursuant to section three thousand twelve of this article  
9 with misappropriating any other person's property at or on a pier or  
10 other waterfront terminal.

11 2. In the case of a permittee, licensee or registrant who has been  
12 indicted for, or otherwise charged with, a crime, the temporary suspen-  
13 sion shall terminate immediately upon acquittal or upon dismissal of the  
14 criminal charge. A person whose permit, license or registration has been  
15 temporarily suspended may, at any time, demand that the commission  
16 conduct a hearing as provided for in section three thousand twelve of  
17 this article. Within sixty days of such demand, the commission shall  
18 commence the hearing and, within thirty days of receipt of the adminis-  
19 trative judge's report and recommendation, the commission shall render a  
20 final determination thereon; provided, however, that these time require-  
21 ments, shall not apply for any period of delay caused or requested by  
22 the permittee, licensee or registrant. Upon failure of the commission to  
23 commence a hearing or render a determination within the time limits  
24 prescribed herein, the temporary suspension of the licensee or regis-  
25 trant shall immediately terminate. Notwithstanding any other provision  
26 of this subdivision, if a federal, state, or local law enforcement agen-  
27 cy or prosecutor's office shall request the suspension or deferment of  
28 any hearing on the ground that such a hearing would obstruct or preju-  
29 dice an investigation or prosecution, the commission may in its  
30 discretion, postpone or defer such hearing for a time certain or indefi-  
31 nitely. Any action by the commission to postpone a hearing shall be  
32 subject to immediate judicial review as provided in subdivision seven of  
33 section three thousand twelve of this article.

34 3. The commission may in addition, within its discretion, bar any  
35 permittee, licensee or registrant whose license or registration has been  
36 suspended pursuant to the provisions of subdivision one of this section,  
37 from any employment by a licensed stevedore or a carrier of freight by  
38 water during the period of such suspension, if the alleged crime that  
39 forms the basis of such suspension involves the possession with intent  
40 to distribute, sale, or distribution of a controlled dangerous substance  
41 (controlled substance) or, in New Jersey, controlled dangerous substance  
42 analog (controlled substance analog), racketeering or theft from a pier  
43 or waterfront terminal.

44 § 3120. Continuance of port watchmen's licenses. Notwithstanding any  
45 provision of subdivision five of section three thousand eleven of this  
46 article, a license to act as a port watchman shall continue and need not  
47 be renewed, provided the licensee shall, as required by the commission:

48 1. Submit to a medical examination and meet the physical and mental  
49 fitness standards established by the commission pursuant to subdivision  
50 three of section three thousand eleven of this article;

51 2. Complete a refresher course of training; and

52 3. Submit supplementary personal history information.

53 § 3121. Regularization of port watchmen's employment. The commission  
54 shall, at regular intervals, cancel the license or temporary permit of a  
55 port watchman who shall have failed during the preceding twelve months  
56 to have worked as a port watchman in the port of New York district a

1 minimum number of hours as shall have been established by the commis-  
2 sion, except that immediate restoration of such license or temporary  
3 permit shall be made upon proper showing that the failure to so work was  
4 caused by the fact that the licensee or permittee was engaged in the  
5 military service of the United States or was incapacitated by ill  
6 health, physical injury or other good cause.

7 § 3122. Duration of stevedore's license. A stevedore's license grant-  
8 ed pursuant to section three thousand seven of this article shall be for  
9 a term of five years or fraction of such five year period, and shall  
10 expire on the first day of December. In the event of the death of the  
11 licensee, if a natural person, or its termination or dissolution by  
12 reason of a death of a partner, if a partnership, or if the licensee  
13 shall cease to be a party to any contract of the type required by para-  
14 graph (d) of subdivision three of section three thousand seven of this  
15 article, the license shall terminate ninety days after such event or  
16 upon its expiration date, whichever shall be sooner. A license may be  
17 renewed by the commission for successive five year periods upon fulfill-  
18 ing the same requirements as are set forth in section three thousand  
19 seven of this article for an original application for a stevedore's  
20 license.

21 § 3123. Implementation of telecommunications hiring system for long-  
22 shoremen and checkers and registration of telecommunications system  
23 controller. 1. The commission may designate one of the employment  
24 information centers it is authorized to establish and maintain under  
25 section three thousand thirteen of this article for the implementation  
26 of a telecommunications hiring system through which longshoremen and  
27 checkers may be hired and accept employment without any personal appear-  
28 ance at said center. Any such telecommunications hiring system shall  
29 incorporate hiring and seniority agreements between the employers of  
30 longshoremen and checkers and the labor organization representing long-  
31 shoremen and checkers in the port of New York district, provided said  
32 agreements are not in conflict with the provisions of this part.

33 2. The commission shall permit employees of the association represent-  
34 ing employers of longshoremen and checkers and of the labor organization  
35 representing longshoremen and checkers in the port of New York district,  
36 or of a joint board of such association and labor organization, to  
37 participate in the operation of said telecommunications hiring system,  
38 provided that any such employee is registered by the commission as a  
39 "telecommunications system controller" in accordance with the  
40 provisions, standards and grounds set forth in this part with respect to  
41 the registration of checkers. No person shall act as a "telecommuni-  
42 cations system controller" unless he or she is so registered. Any  
43 application for such registration and any registration made or issued  
44 may be denied, revoked, cancelled or suspended, as the case may be, only  
45 in the manner prescribed in section three thousand twelve of this arti-  
46 cle. Any and all such participation in the operation of said telecommu-  
47 nications hiring system shall be monitored by the commission.

48 3. Any and all records, documents, tapes, discs and other data  
49 compiled, collected or maintained by said association of employers,  
50 labor organization and joint board of such association and labor organ-  
51 ization pertaining to the telecommunications hiring system shall be  
52 available for inspection, investigation and duplication by the commis-  
53 sion.

23 such labor organization, or of a welfare fund or trust administered  
24 partially or entirely by such labor organization or by trustees or other  
25 persons designated by such labor organization, has been convicted by a

56 objectives of this article for such employee to work in a particular

1 employment for a labor organization, welfare fund or trust within the  
2 meaning of section thirty-two hundred three of this part, the provisions  
3 of section thirty-two hundred three of this part shall not apply to the

15 3304. General powers of the commission.

16 3305. Airfreightmen and airfreightman supervisors.

17 3306. Air freight terminal operators; air freight truck carri-  
18 ers; and airfreightmen; labor relations consultants.

19 3307. Air freight security area.

20 3308. Hearings, determinations and review.

21 3309. Expenses of administration.

22 3310. General violations; prosecutions; penalties.

24 § 3301. Compact. The state of New York hereby agrees with the state  
25 of New Jersey, upon the enactment by the state of New Jersey of legis-  
26 lation having the same effect as this section, to the following compact:

27 § 3302. Findings and declarations. 1. The states of New York and New  
28 Jersey hereby find and declare that the movement of freight through the  
29 two states is vital to their economies and prosperity; that ever  
30 increasing amounts of such freight are being carried by the air freight  
31 industry; that said air freight industry in the two states constitutes  
32 an inseparable and integral unit of the commerce of the two states;  
33 that criminal and racketeer elements have infiltrated the air freight  
34 industry; that such criminal infiltration is threatening the growth of  
35 said air freight industry; that one of the means by which such criminal  
36 and racketeer elements infiltrate the air freight industry is by posing  
37 as labor relations consultants and that firms handling air freight are  
38 often forced to employ or engage such persons; that the air freight  
39 industry is suffering an alarming rise in the amount of pilferage and  
40 theft of air freight; and that it is imperative to the continued growth  
41 and economic well-being of the states of New York and New Jersey that  
42 every possible effective measure be taken to prevent the pilferage and  
43 theft of air freight and the criminal infiltration of the air freight  
44 industry.

45 2. The states of New York and New Jersey hereby find and declare that  
46 many of the evils existing in the air freight industry result not only  
47 from the causes above described but from the lack of regulation of the  
48 air freight industry in and about the port of New York district; that  
49 the air freight industry is affected with a public interest requiring  
50 regulation, just as the states of New York and New Jersey have hereto-  
51 fore found and declared in respect to the shipping industry; and that  
52 such regulation of the air freight industry shall be deemed an exercise  
53 of the police power of the two states for the protection of the public

1 safety, welfare, prosperity, health, peace and living conditions of the  
2 people of the states.

9 another person to act as an airfreightman or airfreightman supervisor  
10 who is not so licensed.

11 2. A license to act as an airfreightman or airfreightman supervisor  
12 shall be issued only upon the written application, under oath, of the  
13 person proposing to employ or engage another person to act as such  
14 airfreightman or airfreightman supervisor, verified by the prospective  
15 licensee as to the matters concerning him, and shall set forth the  
16 prospective licensee's full name, residence address, social security  
17 number, and such further facts and evidence as may be required by the  
18 commission to determine the identity, the existence of a criminal  
19 record, if any, and the eligibility of the prospective licensee for a  
20 license.

21 3. The commission may in its discretion deny the application for such  
22 license submitted on behalf of a prospective licensee for any of the  
23 following causes:

27 or any felony or high misdemeanor or any of the following misdemeanors  
28 or offenses (excluding, however, any conviction for a misdemeanor or  
29 lesser offense arising out of physical misconduct committed during the  
30 course of lawful organizational or collective bargaining activities of  
31 any labor organization): illegally using, carrying or possessing a  
32 pistol or other dangerous weapon; making, manufacturing or possessing  
33 burglar's instruments; buying or receiving stolen property; criminal

49 conducted by the commission;

50 (d) Violation of any provision of this section or the commission of  
51 any offense thereunder;

52 (e) Refusal on the part of the applicant, or prospective licensee, to

2 safety;

3 (g) As to an airfreightman supervisor, failure to satisfy the commis-  
4 sion that the prospective licensee possesses good character and integri-  
5 ty;

6 (h) Conviction of a crime or other cause which would permit reprimand  
7 of such prospective licensee or the suspension or revocation of his  
8 license if such person were already licensed.

9 4. When the application shall have been examined and such further  
10 inquiry and investigation made as the commission shall deem proper and  
11 when the commission shall be satisfied therefrom that the prospective  
12 licensee possesses the qualifications and requirements prescribed in  
13 this article, the commission shall issue and deliver to the prospective  
14 licensee a license to act as an airfreightman or as an airfreightman  
15 supervisor, as the case may be, and shall inform the applicant of its  
16 action.

17 5. The commission shall have the power to reprimand any airfreightman

19 suspend his license for such period as the commission deems in the  
20 public interest for any of the following causes:

21 (a) Conviction of a crime or other cause which would permit the denial  
22 of a license upon original application;

23 (b) Fraud, deceit or misrepresentation in securing the license, or in  
24 the conduct of the licensed activity;

25 (c) Transfer or surrender of possession to any person either temporar-

34 other person's property, unless justified or excused by law.

35 (f) Violation of any of the provisions of this compact or inducing or  
36 otherwise aiding or abetting any person to violate the terms of this  
37 compact;

38 (g) Addiction to the use of, or unlawful possession, sale or distrib-  
39 ution of a dangerous drug;

40 (h) Paying, giving, causing to be paid or given or offering to pay or

44 (i) Consorting with known criminals for unlawful purposes;

45 (j) Receipt or solicitation of anything of value from any person other

47 selection or retention for employment of any person who is a licensee or  
48 permittee of the commission under this compact;

49 (k) Coercion of any person who is a licensee or permittee of the

54 a licensee or permittee of the commission under this compact for which  
55 there is a charge of interest or other consideration which is usurious;

1 (m) Conviction of any criminal offense in relation to gambling, book-  
2 making, pool selling, lotteries or similar crimes or offenses if the

4 within five hundred feet thereof;

5 (n) Refusal to answer any material question or produce any material  
6 evidence lawfully required to be answered or produced at any investi-  
7 gation, interview or other proceeding conducted by the commission pursu-  
8 ant to the provisions of this compact, or, if such refusal is accompa-  
9 nied by a valid plea of privilege against self-incrimination, refusal to  
10 obey an order to answer such question or produce such evidence made by  
11 the commission pursuant to the power of the commission under this  
12 compact to grant immunity from prosecution;

13 (o) Refusal to exhibit his license or permit upon the demand of any  
14 officer, agent or employee of the commission or failure to wear such  
15 license or permit when required.

16 6. A license granted pursuant to this section shall expire on the  
17 expiration date (which shall be at least one year from the date of its  
18 issuance) set forth by the commission on the card or other means of  
19 identification issued by the commission as evidence of a license or upon  
20 the termination of employment with the employer who applied for the  
21 license. Upon expiration thereof, a license may be renewed by the  
22 commission upon fulfilling the same requirements as are set forth in  
23 this compact for an original application.

24 § 3306. Air freight terminal operators; air freight truck carriers;  
25 and airfreightmen; labor relations consultants. 1. On and after the

27 except an air carrier, shall act as an air freight terminal operator or  
28 as an air freight truck carrier or as an airfreightman labor relations

31 freight terminal operator or as an air freight truck carrier or as an  
32 airfreightman labor relations consultant, as the case may be, and no  
33 person shall employ or engage another person to perform services as an  
34 air freight terminal operator or as an air freight truck carrier or as  
35 an airfreightman labor relations consultant who is not so licensed.

36 2. Any person intending to act as an air freight terminal operator or  
37 as an air freight truck carrier or as an airfreightman labor relations  
38 consultant within the state of New York or the state of New Jersey shall  
39 file in the office of the commission a written application for a license  
40 to engage in such occupation duly signed and verified as follows:

41 (a) If the applicant is a natural person, the application shall be  
42 signed and verified by such person and if the applicant is a partner-  
43 ship, the application shall be signed and verified by each natural  
44 person composing or intending to compose such partnership. The applica-

46 any), present and previous occupations of each natural person so signing  
47 the same, and any other facts and evidence as may be required by the  
48 commission to ascertain the character, integrity, identity and criminal  
49 record, if any, of each natural person so signing such application.

50 (b) If the applicant is a corporation, the application shall be signed

4 to each such officer or stockholder and their successors in office or  
5 interest as the case may be.

6 In the event of the death, resignation or removal of any officer, and  
7 in the event of any change in the list of stockholders who shall own ten  
8 per cent or more of the stock of the corporation, the secretary of such  
9 corporation shall forthwith give notice of that fact in writing to the  
10 commission, certified by said secretary.

11 3. No such license shall be granted

12 (a) If any person whose signature or name appears in the application

14 section to sign or to be identified in the application or if the person  
15 so signing or named in the application is an undisclosed agent or trus-  
16 tee for any such real party in interest or if any such real party in  
17 interest does not sign the application;

18 (b) Unless the commission shall be satisfied that the applicant and  
19 all members, officers and stockholders required by subdivision two of  
20 this section to sign or be identified in the application for license  
21 possess good character and integrity;

22 (c) If the applicant or any member, officer or stockholder required by  
23 subdivision two of this section to sign or be identified in the applica-  
24 tion for license has, without subsequent pardon, been convicted by a  
25 court of the United States or any state or territory thereof of the  
26 commission of, or the attempt or conspiracy to commit any crime or  
27 offense described in paragraph (a) of subdivision three of section thir-  
28 ty-three hundred five of this part. Any applicant ineligible for a  
29 license by reason of any such conviction may submit satisfactory  
30 evidence to the commission that the person whose conviction was the  
31 basis of ineligibility has for a period of not less than five years,  
32 measured as hereinafter provided and up to the time of application, so  
33 conducted himself as to warrant the grant of such license, in which  
34 event the commission may, in its discretion issue an order removing such  
35 ineligibility. The aforesaid period of five years shall be measured  
36 either from the date of payment of any fine imposed upon such person or  
37 the suspension of sentence or from the date of his unrevoked release  
38 from custody by parole, commutation or termination of his sentence.  
39 Such petition may be made to the commission before or after the hearing  
40 on the application;

41 (d) If, on or after the effective date of this compact, the applicant  
42 has paid, given, caused to have been paid or given or offered to pay or  
43 give to any officer or employee of any other person employing or engag-  
44 ing him in his licensed activity any valuable consideration for an  
45 improper or unlawful purpose or to induce such officer or employee to  
46 procure the employment of the applicant in his licensed activity by such  
47 other person;

48 (e) If, on or after the effective date of this compact, the applicant  
49 has paid, given, caused to have been paid, or given or offered to pay or  
50 give to any officer or representative of a labor organization any valu-  
51 able consideration for an improper or unlawful purpose or to induce such  
52 officer or representative to subordinate the interest of such labor  
53 organization or its members in the management of the affairs of such  
54 labor organization to the interests of the applicant or any other  
55 person;

(f) If, on or after the effective date of this compact, the applicant has paid, given, caused to have been paid or given or offered to pay or give to any agent of any other person any valuable consideration for an improper or unlawful purpose or, without the knowledge and consent of such other person, to induce such agent to procure the employment of the applicant in his licensed activity by such other person.

4. When the application shall have been examined and such further inquiry and investigation made as the commission shall deem proper and when the commission shall be satisfied therefrom that the applicant possess the qualifications and requirements prescribed in this section, the commission shall issue and deliver a license to the applicant.

5. The commission shall have the power to reprimand any person licensed under this section or to revoke or suspend his license for such period as the commission deems in the public interest for any of the following causes on the part of the licensee or of any person required by subdivision two of this section to sign or be identified in an original application for a license:

(a) Any cause set forth in subdivision five of section thirty-three hundred five of this part;

(b) Failure by the licensee to maintain a complete set of books and records containing a true and accurate account of the licensee's receipts and disbursements arising out of his licensed activities;

(c) Failure to keep said books and records available during business hours for inspection by the commission and its duly designated representatives until the expiration of the fifth calendar year following the calendar year during which occurred the transactions recorded therein;

(d) Failure to pay any assessment or fee payable to the commission under this compact when due.

6. A license granted pursuant to this section shall expire on the expiration date (which shall be at least one year from the date of its issuance) set forth by the commission on the card or other means of identification issued by the commission as evidence of a license. Upon expiration thereof, a license may be renewed by the commission upon fulfilling the same requirements as are set forth in this section for an original application.

§ 3307. Air freight security area. 1. On or after the effective date of this compact, the commission shall have the power to designate any area located within an airport as an air freight security area. No person who is not licensed by the commission pursuant to this compact shall have ingress to an air freight security area unless issued a permit by the commission.

2. Any person who is not licensed by the commission pursuant to this compact and who desires upon any occasion ingress to an air freight security area shall apply at the entrance to such area for a permit for ingress for that particular occasion. In order to secure a permit, a prospective permittee must show identification establishing his name and address and he may be required by the commission to sign a consent to the surrender of his permit upon egress from such area and, if he is driving a motor vehicle, to an inspection of his motor vehicle upon egress from such area. Any person desiring a permit to enter an air freight security area may be denied such permit by the commission in its discretion if the commission determines that the presence of such person in such area would constitute a danger to the public peace or safety.

3. Any person whose business, employment or occupation requires him to have ingress upon a regular basis to an air freight security area shall be required, in order to obtain ingress to such area, to apply to the

1 commission for a permit for a fixed period of duration to be determined  
2 by the commission. Such applicant for a permit of a fixed period of  
3 duration shall fulfill the same requirements as the prospective licensee  
4 for an airfreightman's license. The commission may in the exercise of  
5 its discretion suspend or revoke such permit of a fixed period of dura-  
6 tion for the same causes which would permit the commission to revoke the  
7 license of an airfreightman.

8 4. The commission shall have the power to inspect any truck or any  
9 other motor vehicle within an air freight security area.

10 5. The provisions of this article shall not be applicable to any  
11 person who is a member of the flight crew or flight personnel of an  
12 aircraft which is operated by an air carrier and which is located within  
13 an air freight security area upon a showing of such identification as  
14 may be required by the commission.

15 § 3308. Hearings, determinations and review. 1. The commission shall  
16 not deny any application for a license or permit without giving the  
17 applicant or prospective licensee or permittee reasonable prior notice  
18 and an opportunity to be heard.

19 2. Any application for a license or permit, and any license or permit  
20 issued, may be denied, revoked or suspended, as the case may be, only in  
21 the manner prescribed in this section.

22 3. The commission may on its own initiative or on complaint of any  
23 person, including any public official or agency, institute proceedings  
24 to revoke or suspend any license or permit after a hearing at which the  
25 licensee or permittee and any person making such complaint shall be  
26 given an opportunity to be heard, provided that any order of the commis-  
27 sion revoking or suspending any license or permit shall not become  
28 effective until fifteen days subsequent to the serving of notice thereof  
29 upon the licensee or permittee unless in the opinion of the commission  
30 the continuance of the license or permit for such period would be inimi-  
31 cal to the public peace or safety. Such hearings shall be held in such  
32 manner and upon such notice as may be prescribed by the rules of the  
33 commission, but such notice shall be of not less than ten days and shall  
34 state the nature of the complaint.

35 4. Pending the determination of such hearing pursuant to subdivision  
36 three of this section, the commission may temporarily suspend a license  
37 or permit if in the opinion of the commission the continuance of the  
38 license or permit for such period is inimical to the public peace or  
39 safety.

40 5. The commission, or such member, officer, employee or agent of the  
41 commission as may be designated by the commission for such purpose,  
42 shall have the power to issue subpoenas throughout both states to compel  
43 the attendance of witnesses and the giving of testimony or production of  
44 other evidence and to administer oaths in connection with any such hear-  
45 ing. It shall be the duty of the commission or of any such member,  
46 officer, employee or agent of the commission designated by the commis-  
47 sion for such purpose to issue subpoenas at the request of and upon  
48 behalf of the licensee, permittee or applicant. The commission or such  
49 person conducting the hearing shall not be bound by common law or statu-  
50 tory rules of evidence or by technical or formal rules or procedure in  
51 the conduct of such hearing.

52 6. Upon the conclusion of the hearing, the commission shall take such  
53 action upon such findings and determinations as it deems proper and  
54 shall execute an order carrying such findings into effect. The action  
55 in the case of an application for a license or permit shall be the  
56 granting or denial thereof. The action in the case of a licensee or

1 permittee shall be revocation of the license or permit or suspension  
2 thereof for a fixed period or reprimand or a dismissal of the charges.

3 7. The action of the commission in denying any application for a  
4 license or permit or in suspending or revoking such license or permit or  
5 in reprimanding a licensee or permittee shall be subject to judicial  
6 review by a proceeding instituted in either state at the instance of the  
7 applicant, licensee or permittee in the manner provided by the law of  
8 such state for review of the final decision or action of administrative  
9 agencies of such state, provided, however, that notwithstanding any  
10 other provision of law the court shall have power to stay for not more  
11 than thirty days an order of the commission suspending or revoking a  
12 license or permit.

13 8. At hearings conducted by the commission pursuant to this section,  
14 applicants, prospective licensees and permittees, licensees and permit-  
15 tees shall have the right to be accompanied and represented by counsel.

16 9. After the conclusion of a hearing but prior to the making of an  
17 order by the commission, a hearing may, upon petition and in the  
18 discretion of the hearing officer, be reopened for the presentation of  
19 additional evidence. Such petition to reopen the hearing shall state in  
20 detail the nature of the additional evidence, together with the reasons  
21 for the failure to submit such evidence prior to the conclusion of the  
22 hearing. The commission may upon its own motion and upon reasonable  
23 notice reopen a hearing for the presentation of additional evidence.  
24 Upon petition, after the making of an order of the commission, rehearing  
25 may be granted in the discretion of the commission. Such a petition for  
26 rehearing shall state in detail the grounds upon which the petition is  
27 based and shall separately set forth each error of law and fact alleged  
28 to have been made by the commission in its determination, together with  
29 the facts and arguments in support thereof. Such petition shall be  
30 filed with the commission not later than thirty days after service of  
31 such order unless the commission for good cause shown shall otherwise  
32 direct. The commission may upon its own motion grant a rehearing after  
33 the making of an order.

34 § 3309. Expenses of administration. 1. In addition to the budget of  
35 its expenses under the waterfront commission compact, the commission  
36 shall annually adopt a budget of its expenses under this compact for  
37 each year. The annual budget shall be submitted to the governors of the  
38 two states and shall take effect as submitted provided that either  
39 governor may within thirty days disapprove or reduce any item or items,  
40 and the budget shall be adjusted accordingly.

41 2. After taking into account such funds as may be available to it from  
42 reserves in excess of ten per cent of such budget under this compact,  
43 federal grants, or otherwise, the balance of the commission's budgeted  
44 expenses shall be obtained by fees payable under this article and by  
45 assessments upon employers of persons licensed under this compact as  
46 provided in this article.

47 3. With respect to airfreightmen and airfreightman supervisors who are  
48 employed by an air freight truck carrier regularly to move freight to or  
49 from an airport, the employers shall pay to the commission for each such  
50 airfreightman and airfreightman supervisor a license fee to be deter-  
51 mined by the commission, not in excess of one hundred dollars for each  
52 year, commencing with the first day of April. The employer of every  
53 person who is issued a permit of fixed duration by the commission for  
54 ingress to an air freight security area, or the permittee himself if he  
55 is self-employed, shall pay to the commission a fee to be determined by  
56 the commission, not in excess of seventy-five dollars for each year,

1 commencing with the first day of April. The commission shall reduce the  
2 maximum fees payable under this section proportionately with any  
3 reduction in the maximum assessment rate of two per cent provided for by  
4 this section.

5 4. Every employer of airfreightmen and airfreightman supervisors  
6 licensed by the commission, except as otherwise provided in subdivision  
7 three of this section, shall pay to the commission an assessment  
8 computed upon the gross payroll payments made by such employer to airfr-  
9 eightmen and airfreightman supervisors for work performed as such, at a  
10 rate, not in excess of two per cent, computed by the commission, in the  
11 following manner: the commission shall annually estimate the fees paya-  
12 ble under this section and the gross payroll payments to be made by  
13 employers subject to assessment and shall compute the fees and a rate of  
14 assessment which will yield revenues sufficient to finance the balance  
15 of the commission's budget for each year as provided in subdivision two  
16 of this section. The commission may hold in reserve an amount not to  
17 exceed ten per cent of its total budgeted expenses for the year, which  
18 reserve shall not be included as part of the budget. Such reserve shall  
19 be held for the stabilization of annual assessments, the payment of  
20 operating deficits and for the repayment of any advances made by the two  
21 states.

22 5. The amount required to balance the commission's budget in excess of  
23 the estimated yield of the maximum fees and assessment, shall be certi-  
24 fied by the commission, with the approval of the respective governors,  
25 to the legislatures of the two states, in proportion to the respective  
26 totals of the assessments and fees paid to the commission by persons in  
27 each of the two states. The legislatures shall annually appropriate to  
28 the commission the amount so certified.

29 6. The assessments and fees hereunder shall be in lieu of any other  
30 charge for the issuance of licenses or permits by the commission pursu-  
31 ant to this compact.

32 7. In addition to any other sanction provided by law, the commission  
33 may revoke or suspend any license or permit held by any employer under  
34 this compact and/or the license or permit held under this compact by any  
35 employees of such employer, or the permit held under this compact by any  
36 permittee who is self-employed, and in addition the commission may deny  
37 ingress to such employers, employees or permittees to air freight secu-  
38 rity areas, for nonpayment of any assessment or fee when due.

39 8. Every person subject to the payment of any assessment under this  
40 compact shall file on or before the twentieth day of the first month of  
41 each calendar quarter-year a separate return, together with the payment  
42 of the assessment due, for the preceding calendar quarter-year during  
43 which any payroll payments were made to licensed persons for whom  
44 assessments are payable for work performed as such. Returns covering the  
45 amount of assessment payable shall be filed with the commission on forms  
46 to be furnished for such purpose and shall contain such data, informa-  
47 tion or matter as the commission may require to be included therein.  
48 The commission may grant a reasonable extension of time for filing  
49 returns, or for payment of assessment, whenever good cause exists.  
50 Every return shall have annexed thereto a certification to the effect  
51 that the statements contained therein are true.

52 9. Every person subject to the payment of assessment hereunder shall  
53 keep an accurate record of his employment of licensed persons for whom  
54 assessments are payable, which shall show the amount of compensation  
55 paid and such other information as the commission may require. Such  
56 records shall be preserved for a period of three years and be open for

1 inspection at reasonable times. The commission may consent to the  
2 destruction of any such records at any time after said period or may  
3 require that they be kept longer but not in excess of six years.

4 10. (a) The commission shall audit and determine the amount of assess-  
5 ment due from the return filed and such other information as is avail-  
6 able to it. Whenever a deficiency in payment of the assessment is  
7 determined the commission shall give notice of any such determination to  
8 the person liable therefor. Such determination shall finally and  
9 conclusively fix the amount due, unless the person against whom it is  
10 assessed shall, within thirty days after the giving of notice of such  
11 determination, apply in writing to the commission for a hearing, or  
12 unless the commission on its own motion shall reduce the same. After  
13 such hearing, the commission shall give notice of its decision to the  
14 person liable therefor. A determination of the commission under this  
15 subdivision shall be subject to judicial review, if application for such  
16 review is made within thirty days after the giving of notice of such  
17 decision. Any determination under this section shall be made within  
18 five years from the time the return was filed and if no return was filed  
19 such determination may be made at any time.

20 (b) Any notice authorized or required under this section may be given  
21 by mailing the same to the person for whom it is intended at the last  
22 address given by him to the commission, or in the last return filed by  
23 him with the commission under this section, or if no return has been  
24 filed then to such address as may be obtainable. The mailing of such  
25 notice shall be presumptive evidence of the receipt of same by the  
26 person to whom addressed. Any period of time, which is determined  
27 according to the provision of this subdivision, for the giving of notice  
28 shall commence to run from the date of mailing of such notice.

29 11. Every person required to pay a fee for a license or a permit under  
30 this section shall pay the same upon filing of the application with the  
31 commission for such license or permit. The fee for such license or  
32 permit shall be prorated for the fiscal year for which the same is paya-  
33 ble as of the date the application for such license or permit is filed  
34 with the commission. The commission shall prorate and make a refund of  
35 such fee for the period between the date of application and the date of  
36 the issuance of such license or permit. Upon surrender of such license  
37 or permit or upon the revocation of any such license or permit issued to  
38 an employee before the expiration of the fiscal year, the commission  
39 shall make a refund prorated for the unexpired portion of the year, less  
40 ten per cent of such refund. In the event of denial of any application  
41 for a license or permit, the commission shall refund the fee paid upon  
42 application, less ten per cent of such refund.

43 12. Whenever any person shall fail to pay, within the time limited  
44 herein, any assessment or fee which he is required to pay to the commis-  
45 sion under the provisions of this section the commission may enforce  
46 payment of such assessment or fee by civil action for the amount of such  
47 assessment or fee with interest and penalties.

48 13. The employment by a nonresident of a licensed person or permittee  
49 for whom assessments or fees are payable in either state or the desig-  
50 nation by a nonresident of a licensed person or permittee to perform  
51 work in such state shall be deemed equivalent to an appointment by such  
52 nonresident of the secretary of state of such state to be his true and  
53 lawful attorney upon whom may be served the process in any action or  
54 proceeding against him growing out of any liability for assessments or  
55 fees, penalties or interest, and a consent that any such process against  
56 him which is so served shall be of the same legal force and validity as

1 if served on him personally within such state and within the territorial  
2 jurisdiction of the court from which the process issues. Service of  
3 process within either state shall be made by either (1) personally  
4 delivering to and leaving with the secretary of state or a deputy secre-  
5 tary of state of such state duplicate copies thereof at the office of  
6 the department of state in the capital city of such state, in which  
7 event such secretary of state shall forthwith send by registered mail  
8 one of such copies to the person at the last address designated by him  
9 to the commission for any purpose under this section or in the last  
10 return filed by him under this section with the commission or as shown  
11 on the records of the commission, or if no return has been filed, at his  
12 last known office address within or without such state, or (2)  
13 personally delivering to and leaving with the secretary of state or a  
14 deputy secretary of state of such state a copy thereof at the office of  
15 the department of state in the capital city of such state and by deliv-  
16 ering a copy thereof to the person, personally without such state.  
17 Proof of such personal service without such state shall be filed with  
18 the clerk of the court in which the process is pending within thirty  
19 days after such service and such service shall be complete ten days  
20 after proof thereof is filed.

21 14. Whenever the commission shall determine that any moneys received  
22 as assessments or fees were paid in error, it may cause the same to be  
23 refunded, provided an application therefor is filed with the commission  
24 within two years from the time the erroneous payment was made.

25 15. In addition to any other powers authorized hereunder, the commis-  
26 sion shall have power to make reasonable rules and regulations to effec-  
27 tuate the purposes of this section.

28 16. When any person shall wilfully fail to pay any assessment or fee  
29 due hereunder he shall be assessed interest at a rate of one per cent  
30 per month on the amount due and unpaid and penalties of five per cent of  
31 the amount due for each thirty days or part thereof that the assessment  
32 remains unpaid. The commission may, for good cause shown, abate all or  
33 part of such penalty.

34 17. Any person who shall wilfully furnish false or fraudulent infor-  
35 mation or shall wilfully fail to furnish pertinent information as  
36 required, with respect to the amount of any assessment or fee due, shall  
37 be guilty of a misdemeanor, punishable by a fine of not more than one  
38 thousand dollars, or imprisonment for not more than one year, or both.

39 18. All funds of the commission shall be deposited with such responsi-  
40 ble banks or trust companies as may be designated by the commission.  
41 The commission may require that all such deposits be secured by obli-  
42 gations of the United States or of the states of New York or New Jersey  
43 of a market value equal at all times to the amount of the deposits, and  
44 all banks and trust companies are authorized to give such security for  
45 such deposits. The moneys so deposited shall be withdrawn only by check  
46 signed by two members of the commission or by such other officers or  
47 employees of the commission as it may from time to time designate.

48 19. The accounts, books and records of the commission, including its  
49 receipts, disbursements, contracts, leases, investments and any other  
50 matters relating to its financial standing shall be examined and audited  
51 annually by independent auditors to be retained for such purpose by the  
52 commission.

53 20. The commission shall reimburse each state for any funds advanced  
54 to the commission exclusive of sums appropriated pursuant to subdivision  
55 five of this section.

1     § 3310. General violations; prosecutions; penalties. 1. The failure  
2 of any witness, when duly subpoenaed to attend, to give testimony or  
3 produce other evidence in any investigation, interview or other proceed-  
4 ing conducted by the commission pursuant to the provisions of this  
5 compact, shall be punishable by the superior court in New Jersey and the  
6 supreme court in New York in the same manner as said failure is punisha-  
7 ble by such court in a case therein pending.

8     2. Any person who, having been duly sworn or affirmed as a witness in  
9 any investigation, interview or other proceeding conducted by the  
10 commission pursuant to the provisions of this compact, shall wilfully  
11 give false testimony shall be guilty of a misdemeanor punishable by a  
12 fine of not more than one thousand dollars or imprisonment for not more  
13 than one year or both.

14     3. Any person who interferes with or impedes the orderly licensing of  
15 or orderly granting of any permits to any other person pursuant to this  
16 compact, or who attempts, conspires, or threatens so to do, shall be  
17 guilty of a misdemeanor punishable by a fine of not more than one thou-  
18 sand dollars or imprisonment for not more than one year or both.

19     4. Any person who directly or indirectly inflicts or threatens to  
20 inflict any injury, damage, harm or loss or in any other manner prac-  
21 tices intimidation upon or against any person in order to induce or  
22 compel such person or any other person to refrain from obtaining a  
23 license or permit pursuant to this compact shall be guilty of a misde-  
24 meanor punishable by a fine of not more than one thousand dollars or  
25 imprisonment for not more than one year or both.

26     5. Any person who, without justification or excuse in law, directly or  
27 indirectly, intimidates or inflicts any injury, damage, harm, loss or  
28 economic reprisal upon any person who holds a license or permit issued  
29 by the commission pursuant to this compact, or any other person, or  
30 attempts, conspires or threatens so to do, in order to interfere with,  
31 impede or influence such licensee or permittee in the performance or  
32 discharge of his duties or obligations shall be guilty of a misdemeanor,  
33 punishable by a fine of not more than one thousand dollars or imprison-  
34 ment of not more than one year or both.

35     6. Any person who shall violate any of the provisions of this compact,  
36 for which no other penalty is prescribed, shall be guilty of a misdemea-  
37 nor, punishable by a fine of not more than one thousand dollars or by  
38 imprisonment for not more than one year or both.

39     7. In any prosecution under this compact, it shall be sufficient to  
40 prove only a single act (or a single holding out or attempt) prohibited  
41 by law without having to prove a general course of conduct, in order to  
42 prove a violation.

43     § 3311. Amendments; construction; short title. 1. Amendments and  
44 supplements to this compact to implement the purposes thereof may be  
45 adopted by the action of the legislature of either state concurred in by  
46 the legislature of the other.

47     2. If any part or provision of this compact or the application there-  
48 of to any person or circumstances be adjudged invalid by any court of  
49 competent jurisdiction, such judgment shall be confined in its operation  
50 to the part, provision or application directly involved in the contro-  
51 versy in which such judgment shall have been rendered and shall not  
52 affect or impair the validity of the remainder of this compact or the  
53 application thereof to other persons or circumstances and the two states  
54 hereby declare that they would have entered into this compact or the  
55 remainder thereof had the invalidity of such provision or application  
56 thereof been apparent.

1 3. In accordance with the ordinary rules for construction of inter-  
2 state compacts this compact shall be liberally construed to eliminate  
3 the evils described therein and to effectuate the purposes thereof.

5 Commission Compact".

39 the commission by an employee who has been convicted of a crime or  
40 offense specified in section thirty-four hundred one or section thirty-  
41 four hundred two of this part the commission, in its discretion, deter-  
42 mines in an order that it would not be contrary to the purposes and  
43 objectives of the airport commission compact for such employee to work  
44 in a particular employment otherwise prohibited by section thirty-four  
45 hundred one or section thirty-four hundred two, the provisions of  
46 section thirty-four hundred one or section thirty-four hundred two, as  
47 the case may be, shall not apply to the particular employment of such  
48 employee with respect to such conviction or convictions as are specified  
49 in the commission's order. This section is applicable only to those  
50 employees who for wages or salary perform manual, mechanical or physical

53 employed.

54 § 3404. Civil penalties. The commission may maintain a civil action

1 neglects to obey, observe or comply with any order or direction of the  
2 commission issued under this part, to recover a judgment for a money  
3 penalty not exceeding five hundred dollars for each and every offense.  
4 Every violation of any such provision, order or direction shall be a  
5 separate and distinct offense and, in case of a continuing violation,  
6 every day's continuance shall be and be deemed to be a separate and  
7 distinct offense. Any such action may be settled or discontinued on  
8 application of the commission upon such terms as the court may approve  
9 and a judgment may be rendered for an amount less than the amount  
10 demanded in the complaint as justice may require.

11 § 3405. Civil enforcement. The commission may maintain a civil action  
12 against any person to compel compliance with any of the provisions of  
13 this compact or any order or direction of the commission issued under  
14 this compact or to prevent violations, attempts or conspiracies to  
15 violate any such provisions, or interference, attempts or conspiracies  
16 to interfere with or impede the enforcement of any such provisions or  
17 the exercise or performance of any power or duty thereunder, either by  
18 mandamus, injunction or action or proceeding in lieu of prerogative  
19 writ.

20 § 3406. Exemption from arrest and service of process. If a person in  
21 obedience to a subpoena, issued pursuant to this part directing him to  
22 attend and testify comes into either state party to this part from the  
23 other state, he shall not, while in that state pursuant to such subpoena,  
24 be subject to arrest or the service of process, civil or criminal,  
25 in connection with matters which arose before his entrance into such  
26 state under the subpoena.

27 § 3407. Nonresident witnesses. Any investigation, interview or other  
28 proceeding conducted by the commission pursuant to the provisions of  
29 this compact shall be deemed to be a civil action pending in the supreme  
30 court in New York or in the superior court in New Jersey so as to permit  
31 the commission to obtain disclosure, in accordance with the provisions  
32 governing disclosure in such civil actions, from any person who may be  
33 outside the states.

34 § 3408. Officers and employees. Any officer or employee in the state,  
35 county or municipal civil service in either state who shall transfer to  
36 service with the commission may be given one or more leaves of absence  
37 without pay and may, before the expiration of such leave or leaves of  
38 absence, and without further examination or qualification, return to his  
39 former position or be certified by the appropriate civil service agency  
40 for retransfer to a comparable position in such state, county, or municipal  
41 civil service if such a position is then available.

42 The commission may, by agreement with any federal agency from which  
43 any officer or employee may transfer to service with the commission,  
44 make similar provision for the retransfer of such officer or employee to

#### SUMMARY OF WATERFRONT COMMISSION ACT

Chapter 882 of the laws of 1953, effective June 30, 1953, authorizes a Compact between the States of New Jersey and New York to improve waterfront labor conditions in the port of New York District, establishes a bi-state commission to administer the plan, and provides that in the interim, until Congress grants its consent to the Compact, the two states may separately but cooperatively place the program in operation.

#### The Interim Arrangement

Since there may be some delay in procuring Congressional consent, the statute in each State provides for a single-state commission to perform within the State the functions of the bi-state commission until Congressional approval to the Compact is obtained. The bill is so drafted that the Commission will be able to function in each State from the time of enactment of the bill.

Section 3 authorizes the Commissioners from each State to work in the closest possible cooperation with each other to effectuate the purposes of the Act.

The State of New York will advance \$400,000 to the Commission and the State of New Jersey, \$200,000, to provide initial funds for the operation of the Commission.

The licensing, registration and employment center provisions of the bill do not become operative until December 1, 1953.

### The Compact

The proposed Compact is set forth in the sixteen articles which make up Section 1 of the bill.

### Legislative Findings

Article I contains legislative declarations and findings which reflect the conclusions set forth in the Report of the New York State Crime Commission on the port of New York Waterfront, the record of the public hearings held thereon by Governor Thomas E. Dewey on June 8 and 9, 1953 and the companion report of the New Jersey Law Enforcement Council. In substance the findings are that the methods now used in the Port of New York District for hiring waterfront labor, and the conduct of the business of public loading and stevedoring are uneconomic, unjust and degrading insofar as the worker is concerned, foster waterfront crime and corruption, and adversely affect the economical and expeditious handling of port commerce. Accordingly, it is declared that the present practices of public loaders must be eliminated and that the occupations of stevedores, pier superintendents, hiring agents, pier watchmen and longshoreman must be regulated in the public interest.

### Basic Plan

The plan to improve waterfront labor conditions has five basic features:

1. Licensing of pier superintendents and hiring agents, -only persons of good character (convicted criminals are barred for at least five years) will be licensed for these key positions. The license must be requested by the employer concerned, is good only for the duration of the employment and may be revoked for specified cause;

2. Licensing of stevedores and port watchmen;

3. The abolition of "public loading;"

4. Registration of longshoremen, -the right to register is absolute unless the person had been convicted of a crime (but this disqualification may be waived by the Commission) or is engaged in subversive activity or unless his employment on the waterfront is clearly likely to endanger the public peace or safety. Longshoremen who are not attached to the waterfront labor market may be dropped from the register under specified conditions thus providing more and steadier work for and increasing the earning capacity of those who depend on this work for their livelihood;

5. Operation by the Commission of regionally located employment exchanges for registered longshoremen and licensed port watchmen, replacing the wasteful and inhuman "shape-up" method, providing information as to available employment and flexibility in obtaining such employment, but without interference with employer-employee freedom of selection or with provisions of collective bargaining agreements.

The rights of licensees and registrants are carefully protected by procedural safeguards set forth in Article XI including hearings, court review and other requirements for the protection of the individual.

#### The Waterfront Commission

Article III creates the Waterfront Commission of New York Harbor. The commission consists of two members, one from each State appointed by the Governor with the consent of the Senate, to serve for a term of three years. It is contemplated that they may be compensated either on a full time or per diem basis dependent upon whether the office will be a policy making one with administration delegated to an Executive Director or a full time executive assignment.

Appropriate provision is made for the transfer of civil service employees to service with the Commission without loss of Civil Service or retirement privileges.

The general powers of the Commission as set forth in Article IV are to make rules and regulations to carry out the statutory plan, to administer oaths and issue subpoenas, to have access to the waterfront in the performance of its duties, to investigate waterfront practices in the port district and to advise and consult with other public officers and with representatives of labor and industry on matters within its jurisdiction, including problems involved in rule making, in the granting and denial of registrations and licenses and in the maintenance of the longshoremen's register. The Commission is required to report annually to the Governors and Legislatures of both States and to make recommendations for the improvement of the conditions of waterfront labor within the port district.

In order to insure that public regulation of waterfront labor practices shall not unnecessarily continue once law and order has been restored to the waterfront, the Commission is expressly required to include in its Annual Report findings as to whether the public necessity still exists for continued registration of longshoremen, licensing of the other waterfront occupations and public operation of the employment information centers.

#### Licensing of Pier Superintendents and Hiring Agents

Article V requires that on and after December 1, 1953, any person who wishes to act as a pier superintendent or hiring agent for a shipping company or stevedore at a pier or other waterfront terminal within the port district must be licensed. Because pier superintendents and hiring agents are, or should be, key supervisory representatives of the employer for whose acts the employer should be held responsible, the application for these licenses is to be made by the prospective employer. A person is disqualified for either of these licenses if he has been convicted of a felony or high misdemeanor or of the following violations of law which, while less serious in themselves, make him a bad risk for waterfront employment: -illegally using, carrying or possessing a dangerous weapon; making or possessing burglar's instruments; buying or

receiving stolen property; unlawful entry; aiding an escape from prison; unlawfully possessing or distributing narcotic drugs and previous violation of the Compact. However, if a person so disqualified submits satisfactory evidence of good conduct for at least five years, the Commission may waive this statutory disability.

Additional grounds for disqualification for a license as a pier superintendent or hiring agent include subversive activities by the applicant or a finding that he is not a person of good character or integrity.

The term of a pier superintendent's or hiring agent's license is tied to his employment by the employer-applicant. However, it may be revoked or suspended or he may be reprimanded for the following specified causes:-violation of the Compact; conviction of a crime or other cause which would have been disqualifying originally; consorting with criminals for an unlawful purpose; fraud in securing the license or while acting thereunder; addition to or trafficking in narcotic drugs; violation of the Compact; bribing public officers or anyone else to violate their duties under the Compact; unwarranted giving of his license to someone else; impersonation of another licensee; accepting a bribe in connection with his work; coercion of longshoremen; lending money to or borrowing money from a longshoreman for a fee.

Pier superintendents and hiring agents are ineligible for membership in any union which represent longshoremen.

#### Stevedores

Article VI requires that on and after December 1, 1953 all stevedores in the port district must be licensed. The license application must fully disclose the real parties in interest. A license will be granted if the Commission is satisfied as to the good character and integrity of the real parties in interest and if the applicant is a bona fide stevedore, that is to say that he has, or will, if licensed, have a contract with a shipping company to load and unload the company's ships at a pier in this port.

Prior conviction of the same serious crimes which disqualify pier superintendents and hiring agents also disqualify a stevedore. The Commission is authorized to waive this disqualification upon a showing of at least five years' good conduct. Additional grounds for disqualification in the case of stevedores are prescribed to accord with the Crime Commission's specific findings of abuses and evils now prevalent in this industry. These include payments made for an improper or unlawful purpose and are designed to reach the payment of bribes to a shipper to obtain a stevedoring contract or to a union representative to betray his trust.

#### Public Loading

Article VII sets forth the States' policy against "public loading" and reviews the compelling policy reasons for abolition of the public loader system. Under the bill loading service will be performed in the port of New York as it is in every other major American port-by water carriers; operators of piers and other waterfront terminals at their own facilities; railroads, truckers, and other carriers in connection with freight being carried by them; shippers or consignees in connection with their own freight; and licensed stevedores, in the regular course of business, and through their own employees.

### Longshoremen

A longshoremen's register is to be established by the Commission by December 1, 1953. Article VIII sets forth the provisions with respect to the registration of longshoremen.

There is no fee for registration and no special qualifications are prescribed. The applicant must provide his name, address, social security number and such further facts as may be needed to establish his identity and criminal record, if any.

Conviction of certain serious crimes or engaging in subversive activities is made basis for disqualification. The Commission, however, may waive the disqualification in a proper case and it may register a longshoreman even though he has previously been convicted of a crime.

In the light of the Crime Commission's disclosures of the activities of known waterfront gangsters who have so far escaped being convicted of crime, provision has been inserted to permit the Commission to deny registration as a longshoreman to a person "whose presence on the piers or other waterfront terminals in the port of New York district is found by the Commission, on the basis of the facts and evidence before it, to constitute a danger to the public peace or safety."

A longshoreman may be removed or suspended from the register only for specified cause. In such case he is entitled to a hearing before the Commission, Counsel, his own witnesses, and court review. The causes specified are similar to those specified for removal of hiring agents and wilful acts involving physical injury to a person or damage to or misappropriation of property at a waterfront terminal.

Article IX contains the provisions designed to permit purging the longshoremen's register periodically of drifters and floaters who, although they are not bona fide longshoremen, have been permitted under the present system to take work away from longshoremen who depend on it for their livelihood.

For each six month period, and in advance, the Commission will establish the minimum number of days a man must work or offer himself for work as a longshoreman in order to stay on the register. A person failing so to qualify will be dropped on ten days' notice and cannot again be registered for one year unless he can show that his absence was occasioned by military service, sickness or other good cause.

### Port Watchmen

Port watchmen will be licensed pursuant to Article X. Applicants must not only possess qualifications similar to those prescribed for pier superintendents, but must also meet reasonable standards of physical and mental fitness. Since these port watchmen are security officers, prior criminal convictions is an absolute bar to a license. Because of the nature of their duties, port watchmen are not permitted to belong to the same union as longshoremen or pier superintendents or hiring agents.

The term of the port watchmen's license is three years and is not tied to a particular employment. The grounds for revocation or suspension are basically the same as those for pier superintendents and hiring agents.

### Hearings and Court Review

Article XI safeguards the rights of licensees and registrants by prescribing procedures for Commission hearings and assuring court review of Commission determinations. A registered longshoreman or any licensee

must be given notice of any charges made against him and is entitled to a hearing at which he may have counsel and cross examine witnesses and the licensee or longshoreman can require the Commission to subpoena witnesses requested by him. At least ten days advance notice of such a hearing must be provided.

The refusal to register a longshoreman or issue a license cannot be effective until after opportunity has been afforded for such hearing and any Commission determination affecting the right to work is subject to court review. The reviewing court is granted power to stay the Commission's action for thirty days. No provision is incorporated in the bill which makes refusal to testify or refusal to answer questions, without other cause, grounds for refusing or rescinding a license or registration.

#### Employment Information Centers

Article XII authorizes the Commission to establish employment information centers throughout the port district to replace the "shape-up". All hiring of longshoremen and port watchmen will be through these publicly operated centers. The employer would have freedom of choice in the selection of employees at such centers but there would be no interference with normal and proper hiring practices, including the gang or unit system, or procedures established under collective bargaining agreements not inconsistent with the requirements of the Compact. The Commission will establish a system of records and communication with employers and workers designed to provide the maximum possible information as to available employment for longshoremen. The Commission is empowered to obtain any Federal assistance that may be available under the Wagner-Peyser Act for the operation of the employment centers.

#### Expenses of Administration

Article XIII and other sections of the act adopt the principle of charging the cost of administration upon the basis of service received. The Commission will prepare an annual budget of estimated expenses and assess the cost, over federal or other contributions, against the employers of the registered and licensed waterfront employees in proportion to their gross annual payments to such employees. The rate of assessment may not be more than two percent of the payroll payments. Expenses of the Commission, in excess of amounts produced by two percent payroll assessment will be met by the two States, proportionately, out of general revenues. Until the Commission is jointly established by the two States, or July 1, 1954, whichever is earlier, the rate will be one and one-half percent in each State.

The budget of the Commission may be reduced or modified by the Governor of each State. In addition, the Commission may establish procedures to enable employers to protest budget estimates and computations of the rate of assessment.

It is felt that the savings to employers and consignees which may be obtained through a reduction in pilferage, the elimination of "phantom" employees from the payroll and other exactions and levies on commerce will greatly exceed the cost of administration of the waterfront commission program.

#### Violations

Article XIV concerns general violations of the Compact and prosecutions and penalties therefor. Contempt is made punishable in accordance with normal judicial process. Wilful, false statements under oath are constituted as perjury and other violations of the Compact or attempts or conspiracies to violate it are made punishable as is interference with the orderly registration of longshoremen.

The statute also prohibits loitering on the waterfront without satisfactory explanation. The language for this section is taken from comparable provisions of law which presently apply to subways, railroads, air and bus terminals.

Section 8 prohibits the collection of funds for waterfront labor unions having officers or agents who are convicted felons unless they have been subsequently pardoned or have received in the State of New York a certificate of good conduct.

#### Collective Bargaining Safeguarded

There is nothing in the statute which is designed or can reasonably be construed to interfere in any way with the right of the waterfront industry to select its own employees, or with the right of industry and labor to bargain collectively and agree on any method for the selection of longshoremen and port watchmen by way of seniority, experience, regular gangs or otherwise in conformity with the license, registration and employment information center provisions of the statute. Because of the apparent misunderstanding of this point reflected at the public hearings, express declaration to this effect has been included as Article XV in the Compact.

Similarly, to obviate any misunderstanding, Article XV includes an express statement that the statute is not designed and shall not be construed to limit labor's rights.
