2	behavior; and keeps students in school and class.
3	b. (1) Every school shall establish prevention programs and services
4	that may include school-based initiatives and individual interventions
5	that promote a safe and secure environment for all persons on school
6	property or at school functions, and restorative practices designed to
7	promote social and emotional learning, resolve student behavioral
8	issues, and keep students in school and in class.
9	(2) Every school shall use interventions and supports that assist
10	students in developing social and emotional competencies such as self-
11	management, self-awareness, responsible decision-making, conflict resol-
$12^{11}$	ution, and refocusing on learning.
13 14	(3) Every school shall have, and support teachers in maintaining, classrooms and classroom practices that support each student's opportu-
	nity to obtain an education, that develop each student's social-emotion-
15	
16	al skills, and that are healthy, safe, and inclusive.
17	(4) Every school shall ensure pre-service and annual training in
18	accordance with this section for all school personnel, law enforcement
19	and public or private security personnel employed, retained or
20	contracted with a school district or charter school regarding the code
21	of conduct, and the use of interventions, positive school climate prac-
22	tices, graduated and proportionate discipline, and disparities that
23	<u>exist in discipline.</u>
24	(5) Every school shall define the roles and areas of responsibility of
25	school personnel, security personnel and law enforcement in response to
26	student misconduct that violates the code of conduct. A school district
27	or charter school that employs, contracts with, or otherwise retains law
28	enforcement or public or private security personnel, including school
29	resource officers, shall establish a written contract or memorandum of
30	understanding that is developed with stakeholder input including but not
31	limited to: parents, students, school administrators, teachers, collec-
32	tive bargaining units, parent and student organizations, community
33	members, as well as probation officers, prosecutors, defense counsels

38	Such contract or memorandum of understanding shall be consistent with

44	delegate the role of school discipline to the school administration.
45	Such written contract or memorandum of understanding shall be incorpo-
46	rated into and published as part of the code of conduct.
47	c. Every school shall use graduated and proportionate discipline,
48	which shall mean a disciplinary approach that requires school personnel
49	to use the least severe action necessary to respond to inappropriate
50	behavior and requires the use of appropriate prevention programs and
51	interventions prior to and in conjunction with the use of any discipline
52	that prevents students from receiving their in-classroom education.
53	Discipline such as removals, suspensions and expulsions that prevent
54	students from receiving their in-classroom education shall be used as a
55	discipline of last resort and may only be imposed as provided in this
	section and section thirty-two hundred fourteen of this chapter.

d. (1) Restorative approaches to school climate and discipline include the use of restorative practices in classrooms and schools to proactively build a school community based upon cooperation, mutual understanding, acceptance of responsibility, trust and respect. Restorative practices may address misbehavior and harm in a way that strengthens relationships between school staff and students and among students and addresses the root causes of discipline problems.

8 (2) Restorative discipline allows students who may have violated the 9 code of conduct to take full responsibility for their behavior by 10 addressing any individuals affected by the behavior. The purpose of such 11 discipline is to help students understand why a specific behavior is wrong and to help them choose a better behavior in the future. Restora-12 13 tive practices and discipline may include class meetings, facilitated 14 circles, conferences, peer mediation and other restorative interventions that can effectively address student misconduct, hold students account-15 16 able for their behavior, repair harm to persons and property caused by 17 misconduct and foster healthy relationships within the school community. Consistent with this section and section thirty-two hundred fourteen of 18 this chapter, school personnel may use restorative discipline to respond 19 20 to student behavior.

(3) No student shall be required to participate in a restorative practice without their consent. In addition, in the case of an incident where a student has been physically injured, no student shall be required to participate in restorative practices if their parent or person in parental relation affirmatively objects upon notice. If a student chooses not to participate in a restorative practice, the school may use other approaches to respond to a code of conduct violation.

A parent or person in parental relation to the 31 student may request that the informal conference take place later than 32 forty-eight hours after the student's removal. For purposes of this 33 subdivision, "school day" shall mean a school day as defined pursuant to [**clause (v) of subparagraph three of**] paragraph [**g**] **e** of subdivision 34 35 [three] six of this section.

36 [e-] d. The principal shall not set aside the discipline imposed by 37 the teacher unless the principal finds that the charges against the 38 [**pupil**] **student** are not supported by substantial evidence or that the [pupil's] student's removal is otherwise in violation of law or that the 39 conduct warrants suspension from school pursuant to this section and a 40 suspension will be imposed. The principal's determination made pursuant 41 42 to this paragraph shall be made by the close of business on the school 43 day next succeeding the end of the forty-eight hour period for an informal [hearing] conference contained in paragraph [b] c of this 44 45 subdivision.

The expense attending the commitment and costs of 50 maintenance of [any school delinquent] a student placed as a result of a 51 finding related to school or educational issues shall be a charge 52 against the city or district where he or she resides, if such city or 53 district employs a superintendent of schools; otherwise it shall be a 54 county charge.

55 b. The school authorities may institute proceedings before a court 56 having jurisdiction to determine the liability of a <u>parent or</u> person in 1 parental relation to contribute towards the maintenance of a [school delinquent] student under sixteen years of age ordered to attend upon instruction under confinement. If the court shall find the parent or person in parental relation able to contribute towards the maintenance of such a minor, it may issue an order fixing the amount to be paid weekly.

7 [5.] 9. Involuntary transfers of [pupils] students who have not been 8 determined to be a student with a disability or a student presumed to 9 have a disability for discipline purposes.

a. The board of education, board of trustees [or sole trustee], other 10 governing body, the chancellor in the case of the city school district 11 of the city of New York, the superintendent of schools, or district 12 superintendent of schools may transfer a [pupil] student who has not 13 14 been determined to be a student with a disability as defined in section 15 forty-four hundred one of this chapter, or a student presumed to have a 16 disability for discipline purposes as defined in [paragraph g of] subdi-17 vision [three] six of this section from regular classroom instruction to appropriate educational setting in another school upon the written 18 an recommendation of the school principal and following independent review 19 20 thereof. For purposes of this section of the law, "involuntary transfer" 21 does not include a transfer made by a school district as part of a plan 22 to reduce racial imbalance within the schools or as a change in school attendance zones or geographical boundaries. 23

28 No recommendation for [pupil] student transfer shall be initiated by 29 the principal until such [pupil] student and a parent or person in 30 parental relation has been sent written notification of the consider-31 ation of transfer recommendation which shall include a description of 32 the facts and circumstances upon which the transfer is based and copies 33 of all relevant documentary evidence. Such notice shall set a time and place of an informal conference with the principal and shall inform such 34 35 parent or person in parental relation and such [pupil] student of their 36 right to be accompanied by counsel or an individual of their choice.

37 c. After the conference and if the principal concludes that the 38 [pupil] student would benefit from a transfer [or] and that the [pupil] 39 student would receive an adequate and appropriate education in another school program or facility, the principal may issue a recommendation of 40 41 transfer to the superintendent. Such recommendation shall include a 42 description of behavior and/or academic problems indicative of the need 43 for transfer; a description of alternatives explored and prior action 44 taken to resolve the problem. A copy of that letter shall be sent to the 45 parent or person in parental relation and to the [pupil] student.

46 d. Upon receipt of the principal's recommendation for transfer and a 47 determination to consider that recommendation, the superintendent shall notify the parent or person in parental relation and the [pupil] student 48 the proposed transfer and of their right to a fair hearing as 49 of 50 provided in paragraph c of subdivision [three] two of this section and 51 shall list community agencies and free legal assistance which may be of 52 assistance.
