2017-2018 Regular Sessions

IN ASSEMBLY

February 1, 2017

Introduced by M. of A. GOTTFRIED, SEPULVEDA -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to access to HIV surveillance information for purposes of care coordination

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2135 of the public health law, as amended by 2 section 3 of part A of chapter 60 of the laws of 2014, is amended to 3 read as follows:

read as follows: 3 2135. Confidentiality. All reports or information secured by the department, municipal health commissioner or district health officer under the provisions of this title shall be confidential except: (a) in 7 so far as is necessary to carry out the provisions of this title; (b) when used in the aggregate, without patient specific identifying information, in programs approved by the commissioner for the improvement of 10 the quality of medical care provided to persons with HIV/AIDS; (c) when used within the state or local health department by public health 12 disease programs to assess co-morbidity or completeness of reporting and to direct program needs, in which case patient specific identifying 13 information shall not be disclosed outside the state or local health 14 15 department; or (d) when used for purposes of patient linkage [and], 16 retention in care, and care coordination, patient specific identified information may be shared between local and state health departments 17 [and], health care providers and care coordination systems currently 18 treating the patient as approved by the commissioner. For purposes of 19 20 this section, care coordination shall mean managing, referring to, 21 locating, coordinating, and monitoring health care services for an indi-22 vidual to assure that all medically necessary health care services are 23 made available to and are effectively used by the individual in a timely 24 manner, consistent with patient autonomy, where conducted by or with the

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
