A. 438

1 § 117-e. Human organ delivery vehicle. Any vehicle which is operated by or on behalf of an organ procurement organization, as defined in subdivision five of section four thousand three hundred sixty of the public health law, for the sole purpose of transporting human organs, human tissue, or medical personnel for the purpose of organ recovery or transplantation on an emergency basis. No human organ delivery vehicle shall be operated as an authorized emergency vehicle engaged in an emergency operation unless the driver of such vehicle has undergone appropriate training for the operation of authorized emergency vehicles during emergency operations.

§ 4. This act shall take effect immediately.
