STATE OF NEW YORK

4666

2017-2018 Regular Sessions

IN ASSEMBLY

February 3, 2017

Introduced by M. of A. DINOWITZ -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the executive law, in relation to the maximum amount of the annual fee that licensed nuclear electric generating facilities are liable for in order to support state and local governmental responsibilities under accepted radiological emergency preparedness plans related to the facility operated by such licensee

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph (b) of subdivision 2 of section 29-c of the executive law, as amended by section 1 of part R of chapter 56 of the laws of 2009, is amended to read as follows:

(b) The amount of such fee shall be [~~one million dollars~~] **determined annually by the commission taking into account the costs of such responsibilities not otherwise provided for and unexpended amount of previous fees paid by any such licensee**. Such fee, which shall be payable to the commission on or before [~~December~~] **April** first, shall be expended or distributed only by appropriation. **The maximum amount of such annual fee required by this section for each facility shall be in accordance with the following table:**

For the fiscal years	**Limitation**
2013-2014	**$1,000,000**
2014-2015 and 2015-2016	**$2,000,000**
Fiscal years thereafter	**shall increase annually in each fiscal year from the prior limitation by the greater of the increase in the latest average annual Consumer Price Index for All Urban Consumers (CPI-U), as determined by the U.S. Department of Labor, or three percent.**

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
