AN ACT in relation to deeming the objects or purposes for which certain bonds were issued by the city of Buffalo to be for the construction of an archway and infrastructure improvements in the vicinity of the intersection of Michigan avenue and Broadway within said city and authorizing the expenditure of the proceeds from such bonds for such objects or purposes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative Findings. The legislature hereby finds and
2 determines that pursuant to a bond resolution dated February 21, 2012
3 adopted by the common council of the city of Buffalo, county of Erie,
4 (the "common council" and the "city" respectively) the city issued on
5 April 17, 2012, bonds in the principal amount of \$150,000 sold as part
6 of general improvement serial bonds in the aggregate principal amount of
7 \$21,640,000 to finance the cost of infrastructure improvements to the
8 archway at the intersection of Michigan avenue and Jefferson avenue
9 within the city. The legislature further finds and determines that said
10 resolution failed to include language regarding the construction of an
11 archway and to identify the accurate intersection within the city in
12 which such archway construction and such infrastructure improvements
13 were intended to be made.

14 § 2. Notwithstanding any other provision of law to the contrary, the
15 object or purposes for which said bonds were issued are hereby deemed to
16 be for the construction of an archway to be located in the vicinity of
17 the intersection of Michigan avenue and Broadway within the city in
18 addition to infrastructure improvements at the intersection of Michigan
19 avenue and Broadway consisting of a study, design, required sidewalk and
