The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 crossing photo violation-monitoring devices at any railroad sign or  
2 signal within its jurisdiction. The cost of such photo violation-moni-  
3 toring devices may be borne by the political subdivision, a commuter  
4 railroad operating within the political subdivision, or a combination of  
5 both such political subdivision and commuter railroad pursuant to a  
6 memorandum of understanding.

7 2. Such demonstration program shall utilize necessary technologies to  
8 ensure, to the extent practicable, that photographs produced by such  
9 railroad grade crossing photo violation-monitoring systems shall not  
10 include images that identify the driver, the passengers or the contents  
11 of the vehicle. Provided, however, that no notice of liability issued  
12 pursuant to this section shall be dismissed solely because a photograph  
13 or photographs allow for the identification of the contents of a vehi-  
14 cle, provided that such political subdivision has made a reasonable  
15 effort to comply with the provisions of this paragraph.

16 (b) Within the jurisdiction of any such political subdivision which  
17 has adopted a local law, ordinance or resolution pursuant to subdivision  
18 (a) of this section, the owner of a vehicle shall be liable for a penal-  
19 ty imposed pursuant to this section if such vehicle was used or operated  
20 with the permission of the owner, express or implied, in violation of  
21 section eleven hundred seventy of this article, and such violation is  
22 evidenced by information obtained from a railroad grade crossing photo  
23 violation-monitoring system; provided, however, that no owner of a vehi-  
24 cle shall be liable for a penalty imposed pursuant to this section where  
25 the operator of such vehicle has been convicted of the underlying  
26 violation of section eleven hundred seventy of this article.

27 (c) For purposes of this section, the following terms shall have the  
28 following meanings:

29 1. "Owner" shall have the meaning provided in article two-B of this  
30 chapter.

31 2. "Railroad grade crossing photo violation-monitoring system" shall  
32 mean a vehicle sensor installed to work in conjunction with a railroad  
33 sign or signal which automatically produces two or more photographs, two  
34 or more microphotographs, a videotape or other recorded images of each  
35 vehicle at the time it is used or operated in violation of section elev-  
36 en hundred seventy of this article.

37 3. "Political subdivision" shall mean a county, city, town or village  
38 located within the metropolitan commuter transportation district, as  
39 defined in section twelve hundred sixty-two of the public authorities  
40 law.

41 4. "Commuter railroad" shall mean a railroad owned and operated by the  
42 metropolitan transportation authority and located within the metropol-  
43 itan commuter transportation district, as defined in section twelve  
44 hundred sixty-two of the public authorities law.

45 (d) A certificate, sworn to or affirmed by a technician employed by  
46 the political subdivision in which the charged violation occurred, or a  
47 facsimile thereof, based upon inspection of photographs, microphoto-  
48 graphs, videotape or other recorded images produced by a railroad grade  
49 crossing photo violation-monitoring system, shall be prima facie  
50 evidence of the facts contained therein. Any photographs, microphoto-  
51 graphs, videotape or other recorded images evidencing such a violation  
52 shall be available for inspection in any proceeding to adjudicate the  
53 liability for such violation pursuant to a local law, ordinance or  
54 resolution adopted pursuant to this section.

55 (e) An owner liable for a violation of section eleven hundred seventy  
56 of this article pursuant to a local law, ordinance or resolution adopted

1 pursuant to this section shall be liable for monetary penalties in  
2 accordance with a schedule of fines and penalties to be established in  
3 such local law, ordinance or resolution. The liability of the owner  
4 pursuant to this section shall not exceed one hundred dollars for each  
5 violation; provided, however, that an adjudicating authority may provide  
6 for an additional penalty of not in excess of twenty-five dollars for  
7 each violation for the failure to respond to a notice of liability with-  
8 in the prescribed period of time.

9 (f) An imposition of liability under a local law, ordinance or resolu-  
10 tion adopted pursuant to this section shall not be deemed a conviction  
11 as an operator and shall not be made part of the operating record of the  
12 person upon whom such liability is imposed nor shall it be used for  
13 insurance purposes in the provision of motor vehicle insurance coverage.

14 (g) 1. A notice of liability shall be sent by first class mail to each  
15 person alleged to be liable as an owner for a violation of section elev-  
16 en hundred seventy of this article pursuant to this section. Personal  
17 delivery on the owner shall not be required. A manual or automatic  
18 record of mailing prepared in the ordinary course of business shall be  
19 prima facie evidence of the facts contained therein.

20 2. A notice of liability shall contain the name and address of the  
21 person alleged to be liable as an owner for a violation of section elev-  
22 en hundred seventy of this article pursuant to this section, the regis-

24 where such violation took place, the date and time of such violation and  
25 the identification number of the camera which recorded the violation or  
26 other document locator number.

27 3. The notice of liability shall contain information advising the  
28 person charged of the manner and the time in which he or she may contest  
29 the liability alleged in the notice. Such notice of liability shall also  
30 contain a warning to advise the person charged that failure to contest  
31 in the manner and time provided shall be deemed an admission of liabil-  
32 ity and that a default judgment may be entered thereon.

33 4. The notice of liability shall be prepared and mailed by the poli-  
34 tical subdivision, or by any other entity authorized by such political  
35 subdivision to prepare and mail such notification of violation.

36 (h) Adjudication of the liability imposed upon owners by this section  
37 shall be by the court having jurisdiction over traffic infractions,  
38 except that if such political subdivision has established an administra-  
39 tive tribunal to hear and determine complaints of traffic infractions  
40 constituting parking, standing or stopping violations such political  
41 subdivision may, by local law, authorize such adjudication by such  
42 tribunal.

43 (i) If an owner receives a notice of liability pursuant to this  
44 section for any time period during which the vehicle was reported to a  
45 law enforcement agency as having been stolen, it shall be a valid  
46 defense to an allegation of liability for a violation of section eleven  
47 hundred seventy of this article pursuant to this section that the vehi-  
48 cle had been reported to the police as stolen prior to the time the  
49 violation occurred and had not been recovered by such time. For purposes  
50 of asserting the defense provided by this subdivision it shall be suffi-  
51 cient that a certified copy of a police report on the stolen vehicle be  
52 sent by first class mail to the court having jurisdiction or parking  
53 violations bureau.

54 (j) 1. In such political subdivision where the adjudication of liabil-  
55 ity imposed upon owners pursuant to this section is by a court having  
56 jurisdiction, an owner who is a lessor of a vehicle to which a notice of

1 liability was issued pursuant to subdivision (g) of this section shall  
2 not be liable for the violation of section eleven hundred seventy of  
3 this article, provided that he or she sends to the court having juris-  
4 isdiction a copy of the rental, lease or other such contract document  
5 covering such vehicle on the date of the violation, with the name and  
6 address of the lessee clearly legible, within thirty-seven days after  
7 receiving notice from the court of the date and time of such violation,  
8 together with the other information contained in the original notice of  
9 liability. Failure to send such information within such thirty-seven  
10 day time period shall render the owner liable for the penalty prescribed  
11 by this section. Where the lessor complies with the provisions of this  
12 paragraph, the lessee of such vehicle on the date of such violation  
13 shall be deemed to be the owner of such vehicle for purposes of this  
14 section, shall be subject to liability for the violation of section  
15 eleven hundred seventy of this article pursuant to this section and  
16 shall be sent a notice of liability pursuant to subdivision (g) of this  
17 section.

18 2. (I) In such political subdivision which has authorized the adjudi-  
19 cation of liability imposed upon owners by this section by a parking  
20 violations bureau, an owner who is a lessor of a vehicle to which a  
21 notice of liability was issued pursuant to subdivision (g) of this  
22 section shall not be liable for the violation of section eleven hundred  
23 seventy of this article, provided that:

24 (A) prior to the violation, the lessor has filed with the bureau in  
25 accordance with the provisions of section two hundred thirty-nine of  
26 this chapter; and

27 (B) within thirty-seven days after receiving notice from the bureau of  
28 the date and time of a liability, together with the other information  
29 contained in the original notice of liability, the lessor submits to the  
30 bureau the correct name and address of the lessee of the vehicle identi-  
31 fied in the notice of liability at the time of such violation, together  
32 with such other additional information contained in the rental, lease or  
33 other contract document, as may be reasonably required by the bureau  
34 pursuant to regulations that may be promulgated for such purpose.

35 (II) Failure to comply with clause (B) of subparagraph (I) of this  
36 paragraph shall render the owner liable for the penalty prescribed in  
37 this section.

38 (III) Where the lessor complies with the provisions of this paragraph,  
39 the lessee of such vehicle on the date of such violation shall be deemed  
40 to be the owner of such vehicle for purposes of this section, shall be  
41 subject to liability for such violation pursuant to this section and  
42 shall be sent a notice of liability pursuant to subdivision (g) of this  
43 section.

44 (k) 1. If the owner liable for a violation of section eleven hundred  
45 seventy of this article pursuant to this section was not the operator of  
46 the vehicle at the time of the violation, the owner may maintain an  
47 action for indemnification against the operator.

48 2. Notwithstanding any other provision of this section, no owner of a  
49 vehicle shall be subject to a monetary fine imposed pursuant to this  
50 section if the operator of such vehicle was operating such vehicle with-  
51 out the consent of the owner at the time such operator failed to obey a  
52 railroad sign or signal indicating the approach of a train. For  
53 purposes of this subdivision there shall be a presumption that the oper-  
54 ator of such vehicle was operating such vehicle with the consent of the  
55 owner at the time such operator failed to obey a railroad sign or signal  
56 indicating the approach of a train.

1 (1) Nothing in this section shall be construed to limit the liability  
2 of an operator of a vehicle for any violation of section eleven hundred  
3 seventy of this article.

4 (m) In any such political subdivision which adopts a demonstration  
5 program pursuant to subdivision (a) of this section, such political  
6 subdivision shall submit an annual report on the results of the use of a  
7 railroad grade crossing photo violation-monitoring system to the gover-  
8 nor, the temporary president of the senate and the speaker of the assem-  
9 bly on or before June first, two thousand nineteen and on the same date  
10 in each succeeding year in which the demonstration program is operable.  
11 Such report shall include, but not be limited to:

12 1. a description of the locations where railroad grade crossing photo  
13 violation-monitoring systems were used;

14 2. the aggregate number, type and severity of accidents reported at  
15 intersections where a railroad grade crossing photo violation-monitoring  
16 system is used for the year preceding the installation of such system,  
17 to the extent the information is maintained by the department;

18 3. the aggregate number, type and severity of accidents reported at  
19 intersections where a railroad grade crossing photo violation-monitoring  
20 system is used, to the extent the information is maintained by the  
21 department;

22 4. the number of violations recorded at each intersection where a  
23 railroad grade crossing photo violation-monitoring system is used and in  
24 the aggregate on a daily, weekly and monthly basis;

25 5. the total number of notices of liability issued for violations  
26 recorded by such systems;

27 6. the number of fines and total amount of fines paid after first  
28 notice of liability issued for violations recorded by such systems;

29 7. the number of violations adjudicated and results of such adjudi-  
30 cations including breakdowns of dispositions made for violations  
31 recorded by such systems;

32 8. the total amount of revenue realized by such political subdivision  
33 from such adjudications;

34 9. expenses incurred by such political subdivision in connection with  
35 the program; and

36 10. quality of the adjudication process and its results.

37 (n) It shall be a defense to any prosecution for a violation of  
38 section eleven hundred seventy of this article pursuant to a local law  
39 or ordinance adopted pursuant to this section that the railroad signal  
40 indications were malfunctioning at the time of the alleged violation.

41 § 3. Subdivision 2 of section 87 of the public officers law is amended  
42 by adding a new paragraph (p) to read as follows:

43 (p) are photographs, microphotographs, videotape or other recorded  
44 images prepared under the authority of section eleven hundred seventy-a  
45 of the vehicle and traffic law.

46 § 4. This act shall take effect on the thirtieth day after it shall  
47 have become a law, and shall expire and be deemed repealed 5 years after  
48 such effective date.
