AN ACT to amend the tax law, in relation to farm savings accounts

Section 1. The tax law is amended by adding a new section 44 to read as follows:

§ 44. Farm savings accounts. 1. Definitions. (a) Qualified farmer. For purposes of this section, the term "qualified farmer" means, with respect to any taxable year, any individual who, during such year, was engaged in the trade or business of farming.

(b) Farm savings account. For purposes of this section, the term "farm savings account" means a trust created or organized in the United States as a farm savings account exclusively for the purpose of making qualified distributions for purposes of farm sustainability, but only if the written governing instrument creating the trust meets the following requirements:

(i) No contribution will be accepted unless it is in cash.

(ii) The trustee is a bank, credit union or other appropriate institution that demonstrates administration of the trust in a manner that is consistent with the requirements of this section.

(iii) The assets of the trust will not be commingled with other property except in a common trust fund or common investment fund.

(iv) The interest of an individual in the balance in his or her account is nonforfeitable.

(c) Qualified distribution. The term "qualified distribution" means any amount paid from a farm savings account to the account beneficiary exclusively for purposes of farm sustainability.

1 (d) Account beneficiary. The term "account beneficiary" means the
2 individual or business on whose behalf the farm savings account was
3 established.

4 2. Program description. (a) Deductions allowed. In the case of a qual-
5 ified farmer, there shall be allowed as a deduction for the taxable year
6 an amount equal to the aggregate amount paid in cash during such taxable
7 year by or on behalf of such individual to a farm savings account of
8 such individual.

9 (b) Contribution requirement. There shall be no minimum or maximum
10 contribution requirement. However, aggregate contributions may not
11 exceed total income derived from farming during a given taxable year.

12 (c) Tax treatment of accounts. A farm savings account is exempt from
13 taxation under this chapter unless such account has ceased to be a farm
14 savings account.

15 (d) Termination of accounts. If the account beneficiary ceases to
16 engage in the trade or business of farming, all farm savings accounts of
17 such individual shall cease to be such accounts and the balance of all
18 such accounts shall be treated as (i) distributed to such individual,
19 and (ii) not paid in a qualified distribution.

20 (e) Tax treatment of distributions. (i) General. In general, any
21 amount paid or distributed out of a farm savings account shall be
22 included in gross income.

23 (ii) Additional tax on non-qualified distributions. (1) In addition to
24 any other tax imposed by this chapter, any non-qualified distribution
25 from a farm savings account shall be subject to a fifteen percent
26 surcharge on the amount of such non-qualifying distribution.

27 (2) Clause one of this subparagraph shall not apply if the payment or
28 distribution is made after the account beneficiary becomes disabled or
29 dies.

30 (iii) Rollover contributions. For purposes of this section, any amount
31 paid or distributed from a farm savings account to the account benefi-
32 ciary shall be treated as a qualified distribution to the extent the
33 amount received is paid into a farm savings account for the benefit of
34 such beneficiary not later than the sixtieth day after the day on which
35 the beneficiary receives the payment or distribution.

36 (iv) Transfer of account incident to divorce. The transfer of an indi-
37 vidual's interest in a farm savings account to an individual's spouse or
38 former spouse under a divorce or separation instrument shall not be
39 considered a taxable transfer made by such individual notwithstanding
40 any other provision of this section, and such interest shall, after such
41 transfer, be treated as a farm savings account with respect to which
42 such spouse is the account beneficiary.

43 (v) Treatment after death of account beneficiary. (1) Treatment if
44 designated beneficiary is spouse. If the account beneficiary's surviving
45 spouse acquires such beneficiary's interest in a farm savings account by
46 reason of being the designated beneficiary of such account at the death
47 of the account beneficiary, such farm savings account shall be treated
48 as if the spouse were the account beneficiary.

49 (2) Other cases. If, by reason of the death of the account benefi-
50 ciary, any person acquires the account beneficiary's interest in a farm
51 savings account in a case to which clause one of this subparagraph does
52 not apply:

53 (A) such account shall cease to be a farm savings account as of the
54 date of death, and

55 (B) an amount equal to the fair market value of the assets in such
56 account on such date shall be included in such person's gross income for

1 the taxable year which includes such date if such person is not the
2 estate of such beneficiary; or if such person is the estate of such
3 beneficiary, in such beneficiary's gross income for the last taxable
4 year of such beneficiary.

5 § 2. Subsection (b) of section 612 of the tax law is amended by adding
6 a new paragraph 43 to read as follows:

7 (43) Any non-qualifying distributions made from a farm savings
8 account. This shall not include any distributions that are exempt from
9 taxation as specified in paragraph (e) of subdivision two of section
10 forty-four of this chapter.

11 § 3. Subsection (c) of section 612 of the tax law is amended by adding
12 a new paragraph 44 to read as follows:

13 (44) An amount equal to any qualified contribution to a farm savings
14 account established pursuant to section forty-four of this chapter.
