26 to the secretary of state.

27 § 573. Fiduciary duty. The board, the individual members of the board,
28 the trustees, any other agents appointed or engaged by the board, and
29 all persons serving as program staff shall discharge their duties with
30 respect to the program solely in the interest of the program's enrollees
31 and beneficiaries as follows:

32 1. for the exclusive purposes of providing benefits to enrollees and
33 beneficiaries and defraying reasonable expenses of administering the
34 program;

35 2. by investing with the care, skill, prudence, and diligence under
36 the prevailing circumstances that a prudent person acting in a like
37 capacity and familiar with those matters would use in the conduct of an
38 enterprise of a like character and with like aims; and

39 3. by using any contributions paid by employees and employers remit-
40 ting employees' own contributions into the trust exclusively for the
41 purpose of paying benefits to the enrollees of the program, for the cost

44 § 574. Duties of the board. In addition to the other duties and

47 manner that:

48 (a) accords with best practices for retirement savings vehicles;

49 (b) maximizes participation, savings, and sound investment practices
50 including considering the use of automatic enrollment as allowed under
51 federal law;

52 (c) maximizes simplicity, including ease of administration for partic-
53 ipating employers and enrollees;

54 (d) provides an efficient product to enrollees by pooling investment
55 funds;

56 (e) ensures the portability of benefits; and

1 (f) provides for the deaccumulation of enrollee assets in a manner
2 that maximizes financial security in retirement.

3 2. Appoint a trustee to the IRA fund in compliance with section 408 of
4 the Internal Revenue Code.

5 3. Explore and establish investment options, subject to this article,
6 that offer enrollees returns on contributions and the conversion of
7 individual retirement savings account balances to secure retirement
8 income without incurring debt or liabilities to the state.

9 4. Establish the process by which interest, investment earnings, and
10 investment losses are allocated to individual program accounts on a pro
11 rata basis and are computed at the interest rate on the balance of an
12 individual's account.

13 5. Make and enter into contracts necessary for the administration of
14 the program and fund, including, but not limited to, retaining and
15 contracting with investment managers, private financial institutions,
16 other financial and service providers, consultants, actuaries, counsel,
17 auditors, third-party administrators, and other professionals as neces-
18 sary.

19 6. Conduct a review of the performance of any investment vendors every
20 four years, including, but not limited to, a review of returns, fees,
21 and customer service. A copy of reviews shall be posted to the board's
22 Internet website.

23 7. Determine the number and duties of staff members needed to adminis-
24 ter the program and assemble such a staff, including, as needed, employ-
25 ing staff, and appointing a program administrator.

26 8. Cause moneys in the fund to be held and invested as pooled invest-
27 ments described in this article, with a view to achieving cost savings
28 through efficiencies and economies of scale.

29 9. Evaluate and establish the process by which an enrollee is able to
30 contribute a portion of his or her wages to the program for automatic
31 deposit of those contributions and the process by which the participat-
32 ing employer provides a payroll deposit retirement savings arrangement
33 to forward those contributions and related information to the program,
34 including, but not limited to, contracting with financial service compa-
35 nies and third-party administrators with the capability to receive and
36 process employee information and contributions for payroll deposit
37 retirement savings arrangements or similar arrangements.

38 10. Design and establish the process for enrollment including the
39 process by which an employee can opt not to participate in the program,
40 select a contribution level, select an investment option, and terminate
41 participation in the program.

42 11. Evaluate and establish the process by which an employee may volun-
43 tarily enroll in and make contributions to the program.

44 12. Accept any grants, appropriations, or other moneys from the state,
45 any unit of federal, state, or local government, or any other person,
46 firm, partnership, or corporation solely for deposit into the fund,
47 whether for investment or administrative purposes.

48 13. Evaluate the need for, and procure as needed, insurance against
49 any and all loss in connection with the property, assets, or activities
50 of the program, and indemnify as needed each member of the board from
51 personal loss or liability resulting from a member's action or inaction
52 as a member of the board.

53 14. Make provisions for the payment of administrative costs and
54 expenses for the creation, management, and operation of the program.
55 Subject to appropriation, the state may pay administrative costs associ-
56 ated with the creation and management of the program until sufficient

1 assets are available in the fund for that purpose. Thereafter, all
2 administrative costs of the fund, including repayment of any start-up
3 funds provided by the state, shall be paid only out of moneys on deposit
4 therein. However, private funds or federal funding received in order to
5 implement the program until the fund is self-sustaining shall not be
6 repaid unless those funds were offered contingent upon the promise of
7 such repayment. The board shall keep annual administrative expenses as
8 low as possible, but in no event shall they exceed 0.75% of the total
9 trust balance.

10 15. Allocate administrative fees to individual retirement accounts in
11 the program on a pro rata basis.

12 16. Set minimum and maximum contribution levels in accordance with
13 limits established for IRAs by the Internal Revenue Code.

14 17. Facilitate education and outreach to employers and employees.

15 18. Facilitate compliance by the program with all applicable require-
16 ments for the program under the Internal Revenue Code, including tax
17 qualification requirements or any other applicable law and accounting
18 requirements.

19 19. Carry out the duties and obligations of the program in an effec-
20 tive, efficient, and low-cost manner.

21 20. Exercise any and all other powers reasonably necessary for the
22 effectuation of the purposes, objectives, and provisions of this article
23 pertaining to the program.

24 21. Deposit into the New York state secure choice administrative fund
25 all grants, gifts, donations, fees, and earnings from investments from
26 the New York state secure choice savings program fund that are used to
27 recover administrative costs. All expenses of the board shall be paid
28 from the New York state secure choice administrative fund.

29 22. Determine withdrawal provisions, such as economic hardships,
30 portability and leakage.

31 23. Determine employee rights and enforcement of penalties.

32 § 575. Risk management. The board shall annually prepare and adopt a
33 written statement of investment policy that includes a risk management
34 and oversight program. This investment policy shall prohibit the board,
35 program, and fund from borrowing for investment purposes. The risk
36 management and oversight program shall be designed to ensure that an
37 effective risk management system is in place to monitor the risk levels
38 of the program and fund portfolio, to ensure that the risks taken are
39 prudent and properly managed, to provide an integrated process for over-
40 all risk management, and to assess investment returns as well as risk to
41 determine if the risks taken are adequately compensated compared to
42 applicable performance benchmarks and standards. The board shall consid-
43 er the statement of investment policy and any changes in the investment
44 policy at a public hearing.

45 § 576. Investment firms. 1. The board shall engage, after an open bid
46 process, an investment manager or managers to invest the fund and any
47 other assets of the program. Moneys in the fund may be invested or rein-
48 vested by the comptroller or may be invested in whole or in part. In
49 selecting the investment manager or managers, the board shall take into
50 consideration and give weight to the investment manager's fees and
51 charges in order to reduce the program's administrative expenses.

52 2. The investment manager or managers shall comply with any and all
53 applicable federal and state laws, rules, and regulations, as well as
54 any and all rules, policies, and guidelines promulgated by the board
55 with respect to the program and the investment of the fund, including,
56 but not limited to, the investment policy.

1 3. The investment manager or managers shall provide such reports as
2 the board deems necessary for the board to oversee each investment
3 manager's performance and the performance of the fund.

4 § 577. Investment options. 1. The board shall establish as an invest-
5 ment option a life-cycle fund with a target date based upon the age of
6 the enrollee. This shall be the default investment option for enrollees
7 who fail to elect an investment option unless and until the board desig-
8 nates by rule a new investment option as the default.

9 2. The board may also establish any or all of the following additional
10 investment options:

11 (a) a conservative principal protection fund;

12 (b) a growth fund;

13 (c) a secure return fund whose primary objective is the preservation
14 of the safety of principal and the provision of a stable and low-risk
15 rate of return; if the board elects to establish a secure return fund,
16 the board may procure any insurance, annuity, or other product to insure
17 the value of enrollees' accounts and guarantee a rate of return; the
18 cost of such funding mechanism shall be paid out of the fund; under no
19 circumstances shall the board, program, fund, the state, or any partic-
20 ipating employer assume any liability for investment or actuarial risk;
21 the board shall determine whether to establish such investment options
22 based upon an analysis of their cost, risk profile, benefit level,
23 feasibility, and ease of implementation; or

24 (d) an annuity fund.

25 3. If the board elects to establish a secure return fund, the board
26 shall then determine whether such option shall replace the target date
27 or life-cycle fund as the default investment option for enrollees who do
28 not elect an investment option. In making such determination, the board
29 shall consider the cost, risk profile, benefit level, and ease of
30 enrollment in the secure return fund. The board may at any time there-
31 after revisit this question and, based upon an analysis of these crite-
32 ria, establish either the secure return fund or the life-cycle fund as
33 the default for enrollees who do not elect an investment option.

34 § 578. Benefits. Interest, investment earnings, and investment losses
35 shall be allocated to individual program accounts as established by the
36 board pursuant to this article. An individual's retirement savings bene-
37 fit under the program shall be an amount equal to the balance in the
38 individual's program account on the date the retirement savings benefit
39 becomes payable. The state shall have no liability for the payment of
40 any benefit to any enrollee in the program.

41 § 579. Employer and employee information packets and disclosure forms.
42 1. Prior to the opening of the program for enrollment, the board shall
43 design and disseminate to all employers an employer information packet
44 and an employee information packet, which shall include background
45 information on the program, appropriate disclosures for employees, and
46 information regarding the vendor Internet website described.

47 2. The board shall provide for the contents of both the employee
48 information packet and the employer information packet. The employee
49 information packet shall be made available in English, Spanish, Haitian
50 Creole, Chinese, Korean, Russian, Arabic, and any other language the
51 comptroller deems necessary.

52 3. The employee information packet shall include a disclosure form.
53 The disclosure form shall explain, but not be limited to, all of the
54 following:

55 (a) the benefits and risks associated with making contributions to the
56 program;

- (b) the mechanics of how to make contributions to the program;
(c) how to opt out of the program;
(d) how to participate in the program with a level of employee contributions other than three percent;
(e) that they are not required to participate or contribute more than three percent;
(f) that they can opt out after they have enrolled;
(g) the process for withdrawal of retirement savings;
(h) the process for selecting beneficiaries of their retirement savings;
(i) how to obtain additional information about the program;
(j) that employees seeking financial advice should contact financial advisors, that participating employers are not in a position to provide financial advice, and that participating employers are not liable for decisions employees make pursuant to this article;
(k) information on how to access any financial literacy programs implemented by the comptroller;
(l) that the program is not an employer-sponsored retirement plan; and
(m) that the program fund is not guaranteed by the state.

4. The employee information packet shall also include a form for an employee to note his or her decision to opt out of participation in the program or elect to participate with a level of employee contributions other than three percent.

5. Participating employers shall supply the employee information packet to existing employees at least one month prior to the participating employers' launch of the program. Participating employers shall supply the employee information packet to new employees at the time of hiring, and new employees may opt out of participation in the program or elect to participate with a level of employee contributions other than three percent at that time.

§ 580. Program implementation and enrollment. Except as otherwise provided in this article, the program shall be implemented, and enrollment of employees shall begin, within twenty-four months after the effective date of this article. The provisions of this section shall be in force after the board opens the program for enrollment.

1. Each participating employer may establish a payroll deposit retirement savings arrangement to allow each employee to participate in the program and begin employee enrollment at most nine months after the board opens the program for enrollment.

2. Enrollees shall have the ability to select a contribution level into the fund. This level may be expressed as a percentage of wages or as a dollar amount up to the deductible amount for the enrollee's taxable year under section 219(b)(1)(A) of the Internal Revenue Code. Enrollees may change their contribution level at any time, subject to rules promulgated by the board. If an enrollee fails to select a contribution level using the form described in this article, then he or she shall contribute three percent of his or her wages to the program, provided that such contributions shall not cause the enrollee's total contributions to IRAs for the year to exceed the deductible amount for the enrollee's taxable year under section 219(b)(1)(A) of the Internal Revenue Code. Notwithstanding any other provision of law, any deduction from the wages of an enrollee by participating employers shall be made in accordance with the provisions in section one hundred ninety-three of the labor law. Any participating employer, who fails to make employee deductions in accordance with the provisions in section one hundred ninety-three of the labor law, shall be subject to the penalties and

1 fines provided for in sections six hundred thirty and six hundred thirty-five of the labor law.

2
3 3. Enrollees may select an investment option from the permitted
4 investment options listed in this article. Enrollees may change their
5 investment option at any time, subject to rules promulgated by the
6 board. In the event that an enrollee fails to select an investment
7 option, that enrollee shall be placed in the investment option selected
8 by the board as the default under this article. If the board has not
9 selected a default investment option under this article, then an enrollee who fails to select an investment option shall be placed in the
10 life-cycle fund investment option.

11
12 4. Following initial implementation of the program pursuant to this
13 section, at least once every year, participating employers shall designate an open enrollment period during which employees who previously
14 opted out of the program may enroll in the program.

15
16 5. An employee who opts out of the program who subsequently wants to
17 participate through the participating employer's payroll deposit retirement savings arrangement may only enroll during the participating
18 employer's designated open enrollment period or if permitted by the
19 participating employer at an earlier time.

20
21 6. Employers shall retain the option at all times to set up any type
22 of employer-sponsored retirement plan instead of having a payroll deposit retirement savings arrangement to allow employee participation in the
23 program.

24
25 7. An enrollee may terminate his or her participation in the program
26 at any time in a manner prescribed by the board.

27 8. (a) The state comptroller shall establish a website regarding the
28 secure choice savings program which shall be accessible through the
29 state comptroller's own website.

30 (b) The board shall, in conjunction with the office of the state comptroller, establish and maintain a secure website wherein enrollees may
31 log in and acquire information regarding contributions and investment
32 income allocated to, withdrawals from, and balances in their program
33 accounts for the reporting period. Such website must also include information for the enrollees regarding other options available to the
34 employee and how they can transfer their accounts to other programs
35 should they wish to do so. Such website may include any other information regarding the program as the board may determine.

36
37 § 581. Payments. Employee contributions deducted by the participating
38 employer through payroll deduction shall be paid by the participating
39 employer to the fund using one or more payroll deposit retirement
40 savings arrangements established by the board under this article,
41 either:

42
43 1. on or before the last day of the month following the month in which
44 the compensation otherwise would have been payable to the employee in
45 cash; or

46
47 2. before such later deadline prescribed by the board for making such
48 payments, but not later than the due date for the deposit of tax
49 required to be deducted and withheld relating to collection of income
50 tax at source on wages or for the deposit of tax required to be paid
51 under the unemployment insurance system for the payroll period to which
52 such payments relate.

53 § 582. Duty and liability of the state. 1. The state shall have no
54 duty or liability to any party for the payment of any retirement savings
55 benefits accrued by any enrollee under the program. Any financial
56 liability for the payment of retirement savings benefits in excess of

1 funds available under the program shall be borne solely by the entities
2 with whom the board contracts to provide insurance to protect the value
3 of the program.

4 2. No state board, commission, or agency, or any officer, employee, or
5 member thereof is liable for any loss or deficiency resulting from
6 particular investments selected under this article, except for any
7 liability that arises out of a breach of fiduciary duty.

8 § 583. Duty and liability of participating employers. 1. Participat-
9 ing employers shall not have any liability for an employee's decision to
10 participate in, or opt out of, the program or for the investment deci-
11 sions of the board or of any enrollee.

12 2. A participating employer shall not be a fiduciary, or considered to
13 be a fiduciary, over the program. A participating employer shall not
14 bear responsibility for the administration, investment, or investment
15 performance of the program. A participating employer shall not be liable
16 with regard to investment returns, program design, and benefits paid to
17 program participants.

18 § 584. Audit and reports. 1. The board shall annually submit:

19 (a) an audited financial report, prepared in accordance with generally
20 accepted accounting principles, on the operations of the program during
21 each calendar year by July first of the following year to the governor,
22 the comptroller, the superintendent of financial services and the senate
23 and assembly; and

24 (b) a report prepared by the board, which shall include, but is not
25 limited to, a summary of the benefits provided by the program, including
26 the number of enrollees in the program, the percentage and amounts of
27 investment options and rates of return, and such other information that
28 is relevant to make a full, fair, and effective disclosure of the oper-
29 ations of the program and the fund. The annual audit shall be made by an
30 independent certified public accountant and shall include, but is not
31 limited to, direct and indirect costs attributable to the use of outside
32 consultants, independent contractors, and any other persons who are not
33 state employees for the administration of the program.

34 2. In addition to any other statements or reports required by law, the
35 board shall provide periodic reports at least annually to enrollees,
36 reporting contributions and investment income allocated to, withdrawals
37 from, and balances in their program accounts for the reporting period.
38 Such reports may include any other information regarding the program as
39 the board may determine.

40 § 585. Delayed implementation. If the board does not obtain adequate
41 funds to implement the program within the time frame set forth under
42 this article and is subject to appropriation, the board may delay the
43 implementation of the program.

44 § 3. The state finance law is amended by adding two new sections 99-bb
45 and 99-cc to read as follows:

46 § 99-bb. New York state secure choice savings program fund. 1. There
47 is hereby established within the joint custody of the commissioner of
48 taxation and finance and the state comptroller in consultation with the
49 New York state secure choice savings program board, a new fund to be
50 known as the New York state secure choice savings program fund.

51 2. The fund shall include the individual retirement accounts of enrol-
52 lees, which shall be accounted for as individual accounts.

53 3. Moneys in the fund shall consist of moneys received from enrollees
54 and participating employers pursuant to automatic payroll deductions and
55 contributions to savings made under the New York state secure choice

1 savings program pursuant to article fourteen-C of the retirement and
2 social security law.

3 4. The fund shall be operated in a manner determined by the New York
4 state secure choice savings program board, provided that the fund is
5 operated so that the accounts of enrollees established under the program
6 meet the requirements for IRAs under the Internal Revenue Code.

7 5. The amounts deposited in the fund shall not constitute property of
8 the state and the fund shall not be construed to be a department, insti-
9 tution, or agency of the state. Amounts on deposit in the fund shall not
10 be commingled with state funds and the state shall have no claim to or
11 against, or interest in, such funds.
