6 mandatory in effect and shall become voluntary in operation.

7 2. A provision of law that is contained in or enacted pursuant to this  
8 title which requires one or more county or city social services

14 social services districts for the specific purpose of funding such

16 from other provisions of law enacted concurrently therewith that repeal,  
17 reduce or modify existing mandates on social services districts.

18 3. For purposes of this section, the term "law" shall mean a statute  
19 enacted by the legislature, or executive order issued by the governor,  
20 or a rule or regulation promulgated by a state agency, department,

22 4. Notwithstanding any provision of this section to the contrary, the
