The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 606 of the tax law is amended by adding a new subsection (jjj) to read as follows:

(jjj) Disabled person retrofit tax credit. (1) For taxable years beginning on or after January first, two thousand nineteen, a taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article. The amount of the credit shall be equal to thirty percent of the cost of the expenditures made by the taxpayer with respect to the installation of qualified improvements at a dwelling occupied by the taxpayer as his or her primary residence and may be allowed in the taxable year in which the expenditure is incurred; provided that the lifetime credit allowable with regard to expenditures for the installation of qualified improvements at a particular dwelling by any taxpayer shall not exceed five thousand dollars in the aggregate for improvements made to that dwelling. Subject to the provisions of this subsection, a taxpayer shall be allowed a credit, not to exceed five thousand dollars in the aggregate, for each dwelling that the taxpayer occupies as his or her primary residence and at which the taxpayer installs qualified improvements.

(2) As used in this subsection "qualified improvements" means the installation of:

1 (B) interior passage doors providing at least a thirty-two inch wide  
2 opening;

3 (C) reinforcements in bathroom walls allowing installation of grab  
4 bars around the toilet, tub and shower; and

5 (D) light switches and outlets placed in locations accessible to disa-  
6 bled persons.

7 (3) If the amount of credit allowable under this subsection shall  
8 exceed the taxpayer's tax for such year, the excess may be carried over  
9 to the following year or years and may be deducted from the taxpayer's  
10 tax for such year or years.

11 (4) (A) The provisions of this subsection shall not apply to any  
12 dwelling owned solely for commercial purposes. In the case of a building  
13 where less than the entire building is used as a residence of the  
14 taxpayer, only the portion of the total expenditures made in the build-  
15 ing that is attributable to the residence of the taxpayer shall be  
16 treated as qualified expenditures for the purposes of this subsection.

17 (B) If the taxpayer occupies the dwelling as his or her primary resi-  
18 dence for only a portion of a tax year in which a credit under this  
19 subsection is claimed, the amount of the allowable credit shall be  
20 reduced in proportion to the amount of time the taxpayer did not occupy  
21 the dwelling as his or her primary residence.

22 (C) In the case of a dwelling that is owned by and is a residence of  
23 two or more persons, other than a husband and wife, the portion of the  
24 total expenditures made in the rehabilitation of the building that is  
25 attributable to each taxpayer shall be equal to the taxpayer's share of  
26 ownership in such building.

27 (5) The taxpayer shall furnish such information as the commissioner  
28 determines is necessary to determine any credit under this subsection.

29 (6) The aggregate amount of tax credits allowed shall be one million  
30 dollars each year. Such aggregate amount of credits shall be allocated  
31 by the department among taxpayers in order of priority based upon the  
32 date of filing. If the total amount of allocated credits applied for in  
33 any particular year exceeds the aggregate amount of tax credits allowed  
34 for such year under this section, such excess shall be treated as having  
35 been applied for on the first day of the subsequent year.

36 § 2. This act shall take effect immediately and shall be deemed to  
37 have been in full force and effect on and after January 1, 2019;  
38 provided further, this act shall apply to all tax years commencing on or  
39 after January 1, 2019.
