referred to the Committee on Ways and Means -- recommitted to the
Committee on Ways and Means in accordance with Assembly Rule 3, sec. 2
-- committee discharged, bill amended, ordered reprinted as amended
and recommitted to said committee

AN ACT to amend the public health law and the executive law, in relation to establishing an electronic monitoring program for children diagnosed with an autism spectrum disorder as well as other developmental disabilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. The public health law is amended by adding a new section 2 2509 to read as follows:
- § 2509. Electronic monitoring for children with developmental disabilities. 1. For the purposes of this section the following terms shall have the following meanings:
  - (a) "commissioner" shall mean the commissioner of health;
  - (b) "child" shall mean a person under the age of eighteen years;
- 8 (c) "eligible applicant" shall mean the parent, legal guardian or
  9 custodian of a child who has been diagnosed by a physician as having an
  10 autism spectrum disorder as determined by section twenty-five hundred-j
  11 of this title or other developmental disability;
- 12 (d) "authorized family member" shall mean a designated parent, grand13 parent, sibling older than the age of eighteen, legal guardian or custo14 dian who is authorized to use a receiving device that is able to track
  15 the geographic location of an electronic monitoring device. Such indi16 viduals shall be listed on the application submitted to the department;
- 17 **and**

device that can provide continuous tracking of the geographic location 2 of children and an automated monitoring system that can be used by an 3 appropriate law enforcement agency at the request of an authorized family member.

- 2. The commissioner shall establish a program to provide electronic monitoring devices to an eligible applicant for the purpose of being able to geographically locate a child upon circumstances where the child is unable to be accounted for. The program shall facilitate the safe recovery of children diagnosed with an autism spectrum disorder or another developmental disability who are missing or abducted.
- 3. The program shall be voluntary and the following procedure shall be used for the administration of the program:
- (a) an eligible applicant may file an application with the department to be granted access to the program;
- (b) upon filing the application, an eligible applicant shall be issued 16 an electronic monitoring device that may be worn by the child, and a receiver that may be used to track the physical location of the child;
  - (c) if a child is missing an authorized family member may coordinate with the appropriate law enforcement agency and inform the agency of the location of the child using the electronic monitoring device and receiver; and
  - (d) all applicant information provided by the parent to the department shall remain confidential and not be divulged by the department except in cases where the authorized family member signs a separate consent form providing that any personally identifiable information on the child may only be released in the event that an authorized family member seeks law enforcement action to find the location of a missing child.
- 4. To the extent possible, the commissioner shall utilize munici-28 29 palities and other organizations which currently provide electronic monitoring devices for the purposes of being able to geographically 30 track children who have an autism spectrum disorder or other development 31 32 disability.
- § 2. Section 837 of the executive law is amended by adding a new 33 34 subdivision 22 to read as follows:
- 35 22. The division, in cooperation with the department of health, shall provide recommendations to law enforcement agencies regarding the risks 36 associated with autism or other developmental disabilities and appropri-37 ate response techniques concerning such disabilities. Recommendations 38 shall include information pertaining to the utilization of electronic 39 monitoring devices to determine the location of children diagnosed with 40 41 autism or other developmental disabilities.
- 42 § 3. This act shall take effect on the one hundred twentieth day after 43 it shall have become a law.
