2 York or any terminus previously served, provides a reasonable level of
3 rail passenger service, provides a schedule for implementing such
4 service, protects the public investment in the rail transportation
5 system and any other criteria deemed necessary by the commissioner of
6 transportation. Such public transportation plan shall include, but not
7 be limited to, an agreement by which such county shall be entitled to
8 lease the facilities and services comprising such rail transportation
9 system at fair market value and under such terms and conditions to be
10 determined as set forth in subdivision six of this section. Prior to
11 withdrawal pursuant to this paragraph or paragraph (b) of this subdivi-
12 sion, a county must receive approval of its public transportation plan
13 pursuant to paragraph (c) of this subdivision, (iii) on or before Decem-

15 furnish the commissioner of transportation, a copy of an agreement with
16 the authority or an operator of rail passenger service for the provision
17 of rail passenger service to and from such county and the city of New
18 York or any terminus previously served. If such agreement has not been
19 concluded by the respective parties, and a party has exercised its
20 rights pursuant to subdivision six of this section, the approval of the
21 commissioner of transportation shall not be required and the agreement
22 or order set forth in subdivision six of this section, shall determine
23 the terms and conditions of such withdrawal. If a county planning to
24 withdraw on [~~January~~] April first, [~~nineteen hundred eighty-seven~~] two
25 thousand eighteen is unable to withdraw because it could not meet the
26 requirements of this paragraph, it may elect to withdraw pursuant to
27 paragraph (b) of this subdivision hereafter.

28 (b) January first, [~~nineteen hundred eighty-eight~~] two thousand nine-
29 teen or January first, [~~nineteen hundred eighty-nine~~] two thousand twen-
30 ty. If any such county plans to withdraw on either January first, [~~nine-~~
31 ~~teen hundred eighty-eight~~] two thousand nineteen or January first,
32 [~~nineteen hundred eighty-nine~~] two thousand twenty, it shall (i) no
33 later than ninety days after the first of January of the year immedi-
34 ately preceding the year in which such county plans to withdraw from the
35 district, furnish the commissioner of transportation, the chairman of
36 the authority and the other counties which have an option to withdraw, a
37 resolution adopted by the county legislature providing notice of intent
38 to withdraw from the district, (ii) no later than one hundred twenty
39 days after the first of January of the year immediately preceding the
40 year in which such county plans to withdraw from the district furnish to
41 the commissioner of transportation, the chairman of the authority and
42 the counties which have an option to withdraw a resolution adopted by
43 the county legislature providing a public transportation plan as
44 described in this section, (iii) on or before October first of the year
45 immediately preceding the year in which such county plans to withdraw
46 from the district, furnish to the commissioner a copy of an agreement
47 with the authority or an operator of rail passenger service for the
48 provision of rail passenger service to and from such county and the city
49 of New York or any terminus previously served. If such agreement has not
50 been concluded by the respective parties, and a party has exercised its
51 rights pursuant to subdivision six of this section, the approval of the
52 commissioner of transportation shall not be required and the agreement
53 or order set forth in such subdivision six shall determine the terms and
54 conditions of such withdrawal.

55 (c) No later than thirty days after receipt of the public transporta-
56 tion plan the commissioner of transportation shall, in writing, either

1 approve such plan as conforming with the requirements heretofore
2 described or disapprove such plan as failing to meet such requirements
3 and the reasons therefor. Disapproval of a plan shall not prohibit a
4 county from resubmitting a public transportation plan and such resubmit-
5 ted plan shall be approved or disapproved no later than fifteen days
6 after receipt by the commissioner of transportation. The public trans-
7 portation plan shall be subject to any state or federal public hearing
8 requirements which the authority would be subject to if the authority
9 made the changes proposed by such plan.

10 (d) Any such county which plans to withdraw from the district must
11 meet the requirements of this section prior to the effective date of
12 withdrawal, and no withdrawal for the purposes of this section shall
13 take effect unless such county furnishes the resolutions and agreement
14 prior to the effective date of withdrawal.

15 2. The authority and any subsidiary corporation of the authority shall
16 enter into an agreement or agreements with a county that plans to with-
17 draw from the district to transfer and assign to such county all author-
18 ity and subsidiary railroad facilities and operations, rights and obli-
19 gations, and contract rights and obligations, including operating
20 contract rights and obligations, which are owned, operated, maintained
21 or used directly or by contract or which are otherwise involved in the
22 provision of railroad services to such counties. Such agreement shall
23 provide, in the event a facility, operation, right or obligation is
24 necessary and material to the provision of rail passenger service in the
25 district or is not assignable under applicable bond covenants or
26 contracts or the parties agree that it should not be assigned, that the
27 authority or subsidiary thereof shall continue to hold and be responsi-
28 ble for such facility, operation, right or obligation and that such
29 county shall reimburse to the authority that portion of the cost to the
30 authority or subsidiary of its retention of such facility, operation,
31 right or obligation that is allocable ~~to~~ within such county. If the
32 parties agree that the authority or subsidiary thereof shall operate the
33 railroad facilities in a county after the effective date of such coun-
34 ty's withdrawal, the agreement also shall provide for the terms and
35 conditions of the operation of such service.

36 3. Within forty-five days of the effective date of this section, the
37 authority and any subsidiary corporation of the authority shall provide
38 to the counties of ~~[Dutchess,]~~ Orange and Rockland a written statement,
39 including cost estimates and the useful life, if any, of all of its
40 facilities, operations, rights and obligations relating to the provision
41 of rail service in such counties.

42 4. The authority and any subsidiary corporation of the authority is
43 authorized to enter into an agreement or agreements with a county that
44 plans to withdraw from the district, pursuant to which the authority or
45 subsidiary thereof will provide technical assistance to such county
46 prior to, during and after the withdrawal, with respect to the transfer
47 of ownership, operation, maintenance and use of railroad facilities
48 within such county. Such agreement may provide that the county reimburse
49 the authority or its subsidiary for the cost to the authority and its
50 subsidiary for the provision of such technical assistance.

51 5. The authority shall have no obligation to undertake or continue any
52 project or part thereof in a current or future capital program plan
53 which pertains to railroad facilities within or services to a county
54 that withdraws from the district on or after such date of withdrawal nor
55 shall the authority enter into any contract for a project or part there-
56 of which would increase liabilities pursuant to subdivision ~~[six]~~ six-a

1 of this section in a county after such county notifies the authority of
2 its intent to withdraw as provided in subdivision one of this section,
3 provided, however, that if the authority has executed a contract for the
4 effectuation of a project or part thereof in a capital program plan in
5 such county, it shall be assigned to such county in accordance with
6 subdivision two of this section, unless the parties agree that it shall
7 not be assigned and that the authority or its subsidiary shall continue
8 to be responsible therefor, in which event the county shall reimburse
9 the authority or its subsidiary in accordance with the provisions of
10 subdivision two of this section.

11 6. Should the counties of Orange or Rockland seek to withdraw from the
12 district pursuant to this section, any such county and the authority,
13 and/or, if appropriate any subsidiary corporation of the authority shall
14 negotiate in good faith any agreement required by this section for with-
15 drawal from the district. Such negotiations shall commence not later
16 than fifteen days after the public transportation plan prepared by any
17 such county has been submitted by such county to the authority, and/or,
18 if appropriate, a subsidiary authority. In no event shall a county be
19 required to negotiate with both the authority and a subsidiary authori-
20 ty. The negotiations conducted by and the actions of the authority or
21 subsidiary authority shall be binding. If after sixty days from the
22 commencement of such negotiations or at any time thereafter the authori-
23 ty or any subsidiary corporation of the authority and a county are
24 unable to reach an agreement required by this section for such with-
25 drawal, either party may make application to a justice of the supreme
26 court presiding in the counties of Orange or Rockland for appointment of
27 a special referee. Each party shall submit to the justice a list
28 containing the names and qualifications of five persons to serve as
29 special referee. The justice shall select one person from among the
30 names submitted by the parties to serve as special referee. The special
31 referee shall mediate the negotiations for withdrawal for a period of no
32 longer than sixty days. If, at the end of said sixty day period, the
33 parties are not able to reach agreement, the special referee shall,
34 within thirty days thereafter, recommend the terms of the withdrawal to
35 the justice. The justice shall review the recommendations of the referee
36 and the positions of the parties thereon and shall issue an order
37 setting forth the terms of the withdrawal. Notwithstanding the entry of
38 such order, a county shall have fifteen days from the entry of such
39 order to terminate such proceeding. Upon the timely exercise of such
40 right to terminate, such proceeding shall be deemed null and void and of
41 no further effect. If a county has not exercised its right to terminate,
42 said order shall be subject to appellate review in accordance with the
43 civil practice law and rules, provided that any appeal from the order
44 shall be granted expedited status.

45 6-a. Any county which withdraws from the district shall reimburse to
46 the authority or its subsidiary, within the time period agreed to by the
47 parties, any capital expenditures heretofore undertaken by the authority
48 or its subsidiary for railroad facilities only within such county which
49 were financed by commuter railroad revenue bonds issued by the metropol-
50 itan transportation authority pursuant to section twelve hundred sixty-
51 nine of this [~~article~~] title and are assigned to such county in accord-
52 ance with the provisions of subdivision two of this section.

53 [~~7-~~] 6-b. The obligations of a county that withdraws from the district
54 to reimburse the authority and any subsidiary corporation of the author-
55 ity for the costs of operation, maintenance and use of passenger
56 stations pursuant to section twelve hundred seventy-seven of this [~~arti-~~

1 ~~ele]~~ title, shall continue for any such costs incurred up to the effective date of the county's withdrawal from the district and for costs incurred thereafter that result from acts preceding such withdrawal, and the applicability of the payment provisions and procedures of such section twelve hundred seventy-seven to such county shall continue thereafter with respect to the aforesaid costs.
