4 System (ACES) (AR-621-5 17 November 1993) and any successor Army regu-
5 lations, that could defray such cost; however, specifically excluding
6 the federal Montgomery GI Bill Act.

7 e. "Part-time study" shall mean enrollment in an approved post-secon-
8 dary degree program for at least six but less than twelve semester
9 hours, or the equivalent per semester, or at least four but less than

19 state at the time of entry into the armed forces of the United States
20 and is an active member of the reserve armed forces of the United
21 States.

22 3. Notwithstanding the provisions of any other general, special, or
23 local law, rule, or regulation, any active member who has successfully
24 completed advanced individual training or commissioning and other
25 requirements of the division of military and naval affairs for tuition
26 benefit eligibility shall be entitled to the tuition benefit provided by
27 this section upon his or her enrollment in a degree producing curriculum
28 in any institution.

29 4. Unless otherwise provided for in this section, eligibility for the
30 tuition benefit provided by this section shall be determined by the
31 education services offices of the division of military and naval
32 affairs, which shall issue certificates of eligibility and promulgate
33 such administrative rules and procedures as are necessary to implement
34 the tuition benefit provided under this section. Such administrative
35 rules and procedures shall include in the factors for the determination

42 6. The tuition benefit provided by this section shall be restricted to
43 legal residents of the state. The benefit may be used for either part-
44 time or full-time study. No restriction as to sessions, student status,
45 or space availability which does not apply to all students shall be
46 placed by institutions upon recipients under this program.

47 7. Upon the recipient's attainment of a baccalaureate degree or cessa-
48 tion of status as an active member, whichever occurs first, the benefit
49 provided by this section shall be discontinued. The tuition benefit
50 provided by this section may be suspended at the direction of the divi-

52 good military standing as an active member, for the failure to maintain
53 good academic progress and program pursuit, or for the failure to main-
54 tain sufficient academic standing to retain eligibility for any other
55 financial assistance the recipient may be receiving.

1 8. Unless otherwise provided for in this section, the tuition benefit
2 shall be on the terms and conditions set by the division of military and
3 naval affairs, provided that any such benefit shall not exceed an amount
4 equal to the actual annual tuition charged to the recipient or the

8 on behalf of the recipient, including the Army Continuing Education
9 System (ACES) (AR-621-5 17 November 1993) and any successor Army regu-
10 lations, and the total of all other state, federal, or other educational
11 grant aid that is received or receivable by such student during the
12 school year for which such benefit is applicable. For the purposes of
13 this subdivision, benefits available under the federal Montgomery GI
14 Bill act of 1984 shall not be considered as federal or other educational
15 aid.

16 9. Any active member who is eligible for the tuition benefit provided
17 by this section must apply for all other available state, federal,
18 including the Army Continuing Education System (ACES) (AR-621-5 17
19 November 1993) and any successor Army regulations, or other educational
20 grant aid at time of enrollment. The division of military and naval
21 affairs shall access all financial assistance available on behalf of all
22 such active members. Any grant aid or financial assistance received,
23 excluding that of the Montgomery GI Bill Act of 1984, shall be utilized
24 to offset the cost of tuition to the maximum extent possible, except
25 that nothing shall require that aid or assistance received which may be
26 used towards costs other than that of tuition shall be applied toward
27 the cost of tuition.

28 10. The tuition benefit provided by this section shall be effective
29 beginning with the school semester or quarter following the effective
30 date of this section.

31 § 2. Section 604 of the education law is amended by adding a new
32 subdivision 13 to read as follows:

33 13. Tuition awards for active members of the reserve armed forces of
34 the United States enrolled in approved post-secondary degree programs in
35 degree-granting institutions.

44 from any other fund or source pursuant to law.

45 3. Moneys of the account, following appropriation by the legislature

47 armed forces of the United States. Moneys shall be paid out of the
48 account on the audit and warrant of the state comptroller on vouchers
49 certified or approved by the adjutant general of New York state.

50 § 4. The division of military and naval affairs shall report on the
51 operation and subsequent effectiveness of the program created by this
52 act, one year after it shall have become a law and annually thereafter,

54 the assembly. Upon the expiration and repeal of the provisions of this
55 act, such division shall continue to make such report in any year in
56 which any person receives benefits under the provisions of this act.

1 § 5. This act shall take effect on the first of January next succeed-
2 ing the date on which it shall have become a law and shall expire and be
3 deemed repealed five years after such date; provided that any person who
4 has begun to receive the benefits of this act prior to its expiration
5 and repeal shall be entitled to continue to receive the benefits of this
6 act after its expiration and repeal until completion of a baccalaureate
7 degree or cessation of status as an active member, whichever occurs
8 first.
