§ 28-104.2 Application for approval of construction documents. The department shall assign an application number to and docket all applications for approval of construction documents and any amendments thereto filed with it. The department shall examine the construction documents promptly after their submission. The examination shall be made under the direction of the commissioner for compliance with the provisions of this code and other applicable laws and rules. The personnel employed for the 11 examination of construction documents shall be qualified registered 12 design professionals, experienced in building construction and design. The department shall provide written notification to owners of adjoining property at the time such application is submitted.

§ 2. Section 28-105.5 of the administrative code of the city of New York, as amended by section 11 of part A of local law number 141 of the

city of New York for the year 2013, is amended to read as follows:

§ 28-105.5 Application for permit. All applications for permits shall be submitted on forms furnished by the department. Applications shall include all information required by this code, other applicable law or

the rules of the department. The applicant shall list any portions of

22 the design that have been approved for deferred submittal in accordance

23 with section 28-104.2.6. The application shall set forth an inspection

24 program for the project. An application for a permit shall be submitted 25 no later than 12 months after the approval of all required construction

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

documents (other than those documents approved for deferred submittal).
The department shall provide written notification to owners of adjoining
property at the time such application is submitted.

- § 3. Section 28-105.12.7.1 of the administrative code of the city of New York, as amended by section 11 of part A of local law number 141 of the city of New York for the year 2013, is amended to read as follows:
- § 28-105.12.7.1 Insurance coverage for adjacent properties. A person who obtains a permit for construction, excavation or demolition oper-9 ations shall, at such person's own expense, procure and maintain for the 10 duration of the operations, insurance of a kind and in an amount speci-11 fied by rule of the department, to insure any and all adjacent property 12 owners and their lawful occupants fully for all risks of loss, damage to 13 property or injury to or death of persons, arising out of or in 14 connection with the performance of the proposed work. Such person shall 15 submit proof of insurance to the department when applying for a permit for construction, excavation or demolition work. The department shall provide such proof of such insurance together with the permit to the 17 owners of adjoining property thirty days prior to the commencement of 18 19 the construction, excavation or demolition work, except in the event 20 that emergency work is authorized as defined in section 28-105.4.1 of 21 this code. If such emergency work is necessary, the permit and proof of 22 insurance shall be provided to owners of adjoining property within a 23 reasonable timeframe.
- § 4. This act shall take effect immediately.
