1 paragraph seven of this subsection. The credit allowed under this
2 subsection shall not exceed (A) twenty-seven hundred fifty dollars for
3 the purchase of a new residence, or (B) fifty percent of the total
4 amount expended, but not to exceed twenty-seven hundred fifty dollars
5 for the retrofitting or renovation of each existing residence or unit.

6 (3) No credit shall be allowed under this subsection for the purchase,
7 retrofitting or renovation of residential rental property.

8 (4) The credit shall be allowed under this subsection only for
9 universal visitability improvements made by or at the direction of the
10 taxpayer.

11 (5) If the amount of the credit allowable under this subsection shall
12 exceed the taxpayer's tax for such year, the excess may be carried over
13 to the following year or years and may be deducted from the taxpayer's
14 tax for such year or years.

15 (6) Eligible taxpayers shall apply for the credit through the division
16 of code enforcement and administration within the department of state.
17 The division of code enforcement and administration within the depart-
18 ment of state shall issue a certification for an approved application to
19 the taxpayer that states the amount of the credit allocated to the
20 taxpayer and the allocation year.

21 (7) (A) The aggregate amount of tax credits allowed pursuant to the
22 authority of this subsection shall be one million dollars each year
23 during the period two thousand eighteen through two thousand twenty-two.
24 Such aggregate amounts of credits shall be allocated by the department
25 of state among taxpayers in order of priority based upon the date of
26 filing an application for allocation of credit with the division of code
27 enforcement and administration. If the total amount of allocated credits
28 applied for in any particular year exceeds the aggregate amount of tax
29 credits allowed for such year under this subsection, such excess shall
30 be treated as having been applied for on the first day of the subsequent
31 year.

32 (B) The secretary of state, after consulting with the commissioner,
33 shall promulgate regulations by October thirty-first, two thousand
34 seventeen to establish procedures for the allocation of tax credits as
35 required by this subparagraph. Such rules and regulations shall include
36 provisions describing the application process, the due dates for such
37 applications, the standards which shall be used to evaluate the applica-
38 tions, the documentation that will be provided to taxpayers to substan-
39 tiate to the department the amount of tax credits allocated to such
40 taxpayers, and such other provisions as deemed necessary and appropri-
41 ate. Notwithstanding any other provisions to the contrary in the state
42 administrative procedure act, such rules and regulations may be adopted
43 on an emergency basis if necessary to meet such October thirty-first,
44 two thousand seventeen deadline.

45 (8) The department of state shall submit to the governor, the tempo-
46 rary president of the senate, and the speaker of the assembly, an annual
47 report to be submitted by February first of each year evaluating the
48 effectiveness of the universal visitability tax credit provided by this
49 subsection. Such report shall be based on data available from the appli-
50 cation filed with the division of code enforcement and administration
51 for universal visitability credits. Notwithstanding any provision of law
52 to the contrary, the information contained in the report shall be public
53 information. The report may also include any recommendations of changes
54 in the calculation or administration of the credit, and any other recom-
55 mendation of the commissioner of the department of state or the division
56 of code enforcement and administration regarding continuing modifica-

1 tion, repeal of such act, and such other information regarding the act
2 as the division may feel useful and appropriate.

3 § 2. This act shall take effect immediately and shall apply to taxable
4 years commencing on and after January 1, 2018 and shall expire and be
5 deemed repealed December 31, 2022.
