AN ACT to amend the education law, in relation to parent notification of environmental health and safety hazards in schools

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 409 of the education law is amended by adding a new subdivision 3 to read as follows:

3. Notwithstanding any other provision of this section, the provisions of section four hundred nine-m of this article shall apply to all school districts, including city school districts regardless of population, boards of cooperative educational services and pre-kindergarten programs.

§ 2. The education law is amended by adding a new section 409-m to read as follows:

§ 409-m. Parent notification of environmental health and safety hazards in schools. 1. To ensure that each student, parent, person in parental relation and school employee has access to information about environmental health issues and hazards in their school environment, the following actions shall be required to be taken by schools:

a. Every school district shall appoint an information access contact person;

b. At the beginning of each school year, every school shall inform and educate students, parents, persons in parental relation and school employees that they have a right to all information about health and safety conditions in their school facilities as required in this section, including but not limited to hazardous substances used, stored or present in school facilities; construction and rehabilitation activities; air or water quality sampling results and problems; procedures for information access; identification of school district employees
