§ 2. Resolved (if the Senate concur), That article 3 of the constitution be amended by adding a new section 8-a to read as follows:

§ 8-a. The position of member of the legislature is a part-time position as a volunteer in the service of the state, and every such member may engage in a regular, legal trade or occupation while not serving as a member of the legislature. The legislature shall, every year, convene in regular session on the first Saturday after the first Thursday in January. Thereafter, the legislature shall only convene on Saturdays and Sundays during the months of January and February.

§ 3. Resolved (if the Senate concur), That sections 2, 3 and 4 of article 7 of the constitution be amended to read as follows:

§ 2. Annually, [~~on or before the first day of February in each year following the year fixed by the constitution for the election of governor and lieutenant governor, and~~] on or before the second [~~Tuesday~~] **Saturday** following the first day of the annual meeting of the legislature, [~~in all other years,~~] the governor shall submit to the legislature a budget containing a complete plan of expenditures proposed to be made before the close of the ensuing fiscal year and all moneys and revenues estimated to be available therefor, together with an explanation of the basis of such estimates and recommendations as to proposed legislation, if any, which the governor may deem necessary to provide moneys and revenues sufficient to meet such proposed expenditures. The governor may at any time within [~~thirty~~] **ten** days thereafter and, with the consent of the legislature, at any time before the adjournment thereof, amend or supplement the budget and submit amendments to any bills submitted by him or her or submit supplemental bills.

The governor and the heads of departments shall have the right, and it shall be the duty of the heads of departments when requested by either house of the legislature or an appropriate committee thereof, to appear and be heard in respect to the budget during the consideration thereof, and to answer inquiries relevant thereto. The procedure for such appearances and inquiries shall be provided by law.

§ 4. The legislature may not alter an appropriation bill submitted by the governor except to strike out or reduce items therein, but it may

add thereto items of appropriation provided that such additions are stated separately and distinctly from the original items of the bill and refer each to a single object or purpose. None of the restrictions of this section, however, shall apply to appropriations for the legislature or judiciary.

Every such appropriation bill shall be passed by both houses annually, on or before the last Sunday of February. Such an appropriation bill shall when passed by both houses be a law immediately without further action by the governor, except that appropriations for the legislature and judiciary and separate items added to the governor's bills by the legislature shall be subject to approval of the governor as provided in section 7 of article IV.
