AN ACT to amend the public housing law, in relation to the keeping of certain household pets by persons sixty years of age or older

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public housing law is amended by adding a new section 223-c to read as follows:

§ 223-c. Discrimination against persons who have certain household pets. 1. No person who is sixty years of age or older shall be denied occupancy in a dwelling in any housing project or be subjected to eviction from any such dwelling on the sole ground that such person has a common household pet which will or does reside with such person therein.

2. All municipal housing authorities shall promulgate regulations for the keeping of common household pets by persons sixty years of age or older who reside in a dwelling in any housing project. Such regulations may include consideration, after consultation with the tenants of such housing project, of other reasonable factors to govern the keeping of common household pets such as density of tenants, pet size, potential financial obligations of tenants, and standards of pet care. Such regulations may include, but not be limited to, requiring all pet owners to comply with:

(a) inoculations and licensing mandated by state and local laws, if applicable;

(b) sanitary standards governing the disposal of pet waste;

(c) pet restraint in common areas;

(d) alternate caretakers in the case of sickness or incapacity of the pet owner;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 (e) any financial responsibilities for the reasonable costs directly  
2 attributable to any damage caused by the pet, including the cost of  
3 repairs and replacements thereto; and

4 (f) the appeals process for the attempted removal of a pet pursuant to  
5 subdivision three of this section.

6 3. Any pet whose conduct or condition is duly determined to constitute  
7 a nuisance or a threat to the health or safety of the other occupants of  
8 the same project, or of other persons in the community where such  
9 project is located, may be removed by the municipal housing authority,  
10 public health officer having jurisdiction, or other appropriate authori-  
11 ty of the community where such project is located; provided, however,  
12 that prior to the removal of any pet, such municipal housing authority,  
13 public health officer having jurisdiction, or other appropriate authori-  
14 ty of the community, whichever the case may be, must provide the pet  
15 owner with a written statement that sets forth the basis for the  
16 removal. The pet owner shall be able to appeal such written findings.  
17 For purposes of this section a nuisance means the substantial interfer-  
18 ence with the health, safety, and comfort of the other tenants of the  
19 housing project, or of other persons in the community where such housing  
20 project is located.

21 4. Any agreement by a lessee or tenant waiving or modifying the rights  
22 contained in this section for the keeping of common household pets by  
23 persons sixty years of age or older shall be void as contrary to public  
24 policy.

25 5. For the purposes of this section, the term "common household pet"  
26 shall include, but not be limited to, a dog, cat, bird, or fish.

27 § 2. This act shall take effect on the first of June in the year next  
28 succeeding the year in which it shall have become a law; provided that  
29 any regulations required for the implementation of this act shall be  
30 promulgated at least 30 days prior to such effective date.
