2 ty that is engaging in human trafficking."

3 (b) In addition to the statement required by paragraph (a) of this  
4 subdivision, any bidder that maintains a written policy for preventing  
5 human trafficking within its operations, business dealings, and supply  
6 chain shall submit to the state or any public department, agency or  
7 official thereof soliciting such bid such current written policy when  
8 submitting such statement.

9 2. Notwithstanding the foregoing, the statement on human trafficking  
10 or written policy for preventing human trafficking required pursuant to  
11 subdivision one of this section may be submitted electronically in  
12 accordance with the provisions of subdivision seven of section one  
13 hundred sixty-three of this chapter.

14 3. A bid shall not be considered for award nor shall any award be made  
15 where subdivision one of this section has not been complied with;  
16 provided however, that if in any case the bidder cannot make the forego-  
17 ing certification, the bidder shall so state and shall furnish with the  
18 bid a signed statement which sets forth in detail the reasons therefor.

19 4. Any bid hereafter made to the state or any public department, agen-  
20 cy or official thereof by a corporate bidder for work or services  
21 performed or to be performed or goods sold or to be sold, where compet-  
22 itive bidding is required by statute, rule or regulation, and where such  
23 bid contains the certification or written policy referred to in subdivi-  
24 sion one of this section, shall be deemed to have been authorized by the  
25 board of directors of the bidder, and such authorization shall be deemed  
26 to include the signing and submission of the bid and the inclusion ther-  
27 ein of the certificate on human trafficking and written policy for  
28 preventing human trafficking as the act and deed of the corporation.

29 5. For the purposes of this section, the term "engaging in human traf-  
30 ficking" shall not be construed to include an individual who is or was a  
31 victim of human trafficking.

32 § 2. Subdivision 7 of section 163 of the state finance law, as amended  
33 by section 10 of part L of chapter 55 of the laws of 2012, is amended to  
34 read as follows:

35 7. Method of procurement. Consistent with the requirements of subdivi-  
36 sions three and four of this section, state agencies shall select among  
37 permissible methods of procurement including, but not limited to, an  
38 invitation for bid, request for proposals or other means of solicitation  
39 pursuant to guidelines issued by the state procurement council. State  
40 agencies may accept bids electronically including submission of the  
41 statement of non-collusion required by section one hundred thirty-nine-d  
42 of this chapter, and the statement on human trafficking and written  
43 policy for preventing human trafficking required by section one hundred  
44 thirty-nine-d-1 of this chapter, and, starting April first, two thousand  
45 twelve, and ending March thirty-first, two thousand fifteen, may, for  
46 commodity, service and technology contracts require electronic  
47 submission as the sole method for the submission of bids for the solic-  
48 itation. State agencies shall undertake no more than eighty-five such  
49 electronic bid solicitations, none of which shall be reverse auctions,  
50 prior to April first, two thousand fifteen. In addition, state agencies  
51 may conduct up to twenty reverse auctions through electronic means,  
52 prior to April first, two thousand fifteen. Prior to requiring the elec-  
53 tronic submission of bids, the agency shall make a determination, which  
54 shall be documented in the procurement record, that electronic  
55 submission affords a fair and equal opportunity for offerers to submit  
56 responsive offers. Within thirty days of the completion of the eighty-

1 fifth electronic bid solicitation, or by April first, two thousand  
2 fifteen, whichever is earlier, the commissioner shall prepare a report  
3 assessing the use of electronic submissions and make recommendations  
4 regarding future use of this procurement method. In addition, within  
5 thirty days of the completion of the twentieth reverse auction through  
6 electronic means, or by April first, two thousand fifteen, whichever is  
7 earlier, the commissioner shall prepare a report assessing the use of  
8 reverse auctions through electronic means and make recommendations  
9 regarding future use of this procurement method. Such reports shall be  
10 published on the website of the office of general services. Except where  
11 otherwise provided by law, procurements shall be competitive, and state  
12 agencies shall conduct formal competitive procurements to the maximum  
13 extent practicable. State agencies shall document the determination of  
14 the method of procurement and the basis of award in the procurement  
15 record. Where the basis for award is the best value offer, the state  
16 agency shall document, in the procurement record and in advance of the  
17 initial receipt of offers, the determination of the evaluation criteria,  
18 which whenever possible, shall be quantifiable, and the process to be  
19 used in the determination of best value and the manner in which the  
20 evaluation process and selection shall be conducted.

21 § 3. This act shall take effect on the ninetieth day after it shall  
22 have become a law and shall only apply to contracts entered into on or  
23 after such effective date; provided however, that the amendments to  
24 subdivision 7 of section 163 of the state finance law made by section  
25 two of this act shall not affect the repeal of such section and shall be  
26 deemed repealed therewith.
