IN ASSEMBLY

March 7, 2017

Introduced by M. of A. B. MILLER -- read once and referred to the
Committee on Education

AN ACT authorizing the commissioner of education to make a payment for
the allotted balance of state aid to which the city school district of
the city of Little Falls is entitled for a debt service payment for
school building purposes

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds that the
2 city school district of the city of Little Falls approved five capital
3 building projects which were designated by the state education depart-
4 ment as project numbers 0001-005, 0001-006, 0001-007, 0008-008, 0008-09.
5 In addition, the projects were eligible for certain state aid. The
6 legislature further finds that the school district issued serial bonds
7 in 1997 to finance the capital building projects. The legislature
8 further finds that the school district began receiving building aid on
9 the debt service relating to the serial bonds issued in 1997 in the
10 1997-1998 school year. The legislature further finds that due to the
11 state education department's reset of the bond issue date the payment of
12 the building aid was to start in the 1996-1997 school year. The legisla-
13 ture further finds that the state education department reduced the
14 building aid to the school district for the final debt service payment
15 due on June 15, 2014 on the serial bonds issued in 1997 for the
16 2013-2014 school year by the amount of aid the school district was to
17 receive in the 1996-1997 school year. The legislature further funds that
18 the school district did not receive payment of that building aid in the
19 1996-1997 school year. The legislature further finds that without such
20 apportionment of state aid, the payment by the school district in June,
21 2014 of the debt service payment for the serial bonds issued in 1997 for
22 the capital building projects will impose an additional, unanticipated
23 hardship on school district taxpayers.
