

STATE OF NEW YORK

6761

2017-2018 Regular Sessions

IN ASSEMBLY

March 17, 2017

Introduced by M. of A. SOLAGES -- read once and referred to the Committee on Transportation

AN ACT to require the New York state department of transportation, in consultation with the department of motor vehicles, the governor's traffic safety committee, local police agencies, local transportation entities in Nassau and Suffolk to conduct a study to evaluate the configuration of entrance and exit ramps, and signage at entrance ways and exits on the Southern State Parkway in Nassau and Suffolk counties to determine whether adequate safety measures exist to prevent collisions and the instance of wrong way drivers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The department of transportation, in consultation with the
2 department of motor vehicles, the governor's traffic safety committee,
3 local police agencies, local transportation entities in Nassau and
4 Suffolk counties, local government stakeholders, and any other agency or
5 group the department of transportation deems necessary to enlist the aid
6 of, shall conduct a study to evaluate the configuration of entrance and
7 exit ramps, and signage at entrance ways and exits on the Southern State
8 Parkway in Nassau and Suffolk counties to determine whether adequate
9 safety measures exist to prevent collisions and the instances of wrong
10 way drivers. Such study shall include, but not be limited to, design and
11 safety of the configuration of entrance and exit ramps and the feasibility
12 of implementing design changes to increase safety and reduce the
13 likelihood of collisions and wrong way driving; and the design and level
14 of safety of the signage located at entrance ways and exits and the
15 feasibility of implementing signage design changes to increase driver
16 visibility of such signage and reduce the likelihood of a collision and
17 wrong way driving; and federal funding available for highway safety
18 improvement projects. The department of transportation is authorized to
