## STATE OF NEW YORK

7197--A

2017-2018 Regular Sessions

## IN ASSEMBLY

April 12, 2017

- Introduced by M. of A. CROUCH, PALUMBO -- read once and referred to the Committee on Governmental Operations -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee
- AN ACT to amend the executive law, the county law, the general municipal law and the public health law, in relation to requiring members of the state police, county, city, village, town and district police departments, sheriff's departments, fire departments and emergency medical service providers to be trained in the administration of opioid antagonists

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The executive law is amended by adding a new section 221-e
2	to read as follows:
3	§ 221-e. Opioid antagonist training and use. 1. Definitions. As used
4	in this section, the following terms shall have the following meanings:
5	(a) "Opioid" means an opiate as defined in section thirty-three
б	hundred two of the public health law.
7	(b) "Opioid antagonist" means a federal food and drug administration-
8	approved drug that, when administered, negates or neutralizes in whole
9	or in part the pharmacological effects of an opioid in the body. The
10	opioid antagonist is limited to naloxone or other medications approved
11	by the department of health for this purpose.
12	2. All members of the state police shall be required to be trained in
13	the administration of opioid antagonists and shall carry opioid antag-
14	<u>onists in their vehicles when on duty.</u>
15	3. All members of the state police shall:
16	(a) complete an initial training program, which may include a depart-
17	ment of health registered opioid overdose prevention training program;
18	(b) complete a refresher training program at least every two years;

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD10873-02-7

A. 7197--A

1	(c) contact the emergency medical system during any response to a
2	victim of suspected drug overdose and advise if an opioid antagonist is
3	being used;
4	(d) comply with protocols for response to victims of suspected drug
5	overdose; and
б	(e) report all responses to victims of suspected drug overdose to the
7	department of health.
8	4. The costs of training and purchasing opioid antagonists shall be
9	paid for out of the department of corrections and community supervision
10	asset forfeiture account established under section ninety-seven-ooo of
11	the state finance law.
12	§ 2. The county law is amended by adding a new section 663 to read as
13	follows:
14	§ 663. Opioid antagonist training and use. 1. Definitions. As used in
15	this section, the following terms shall have the following meanings:
16	(a) "Opioid" means an opiate as defined in section thirty-three
17	hundred two of the public health law.
18	(b) "Opioid antagonist" means a federal food and drug administration-
19	approved drug that, when administered, negates or neutralizes in whole
20	or in part the pharmacological effects of an opioid in the body. The
21	opioid antagonist is limited to naloxone or other medications approved
22	by the department of health for this purpose.
23	2. All sheriffs, undersheriffs, and deputy sheriffs shall be required
24	to be trained in the administration of opioid antagonists and shall
25	<u>carry opioid antagonists in their vehicles when on duty.</u>
26	3. All sheriffs, undersheriffs and deputy sheriffs shall:
27	(a) complete an initial training program, which may include a depart-
~ ~	ment of health registered opioid overdose prevention training program;
28	<u>Mene or medicin regiptered opioid overdebe prevención cruining program</u>
28 29	(b) complete a refresher training program at least every two years;
29	(b) complete a refresher training program at least every two years;
29 30	(b) complete a refresher training program at least every two years; (c) contact the emergency medical system during any response to a
29 30 31	(b) complete a refresher training program at least every two years; (c) contact the emergency medical system during any response to a victim of suspected drug overdose and advise if an opioid antagonist is
29 30 31 32	(b) complete a refresher training program at least every two years; (c) contact the emergency medical system during any response to a victim of suspected drug overdose and advise if an opioid antagonist is being used;
29 30 31 32 33	(b) complete a refresher training program at least every two years; (c) contact the emergency medical system during any response to a victim of suspected drug overdose and advise if an opioid antagonist is being used; (d) comply with protocols for response to victims of suspected drug overdose; and (e) report all responses to victims of suspected drug overdose to the

A. 7197--A

1	3. All members of a police or fire department organized at the county,
2	<u>city, village, town or district level shall:</u>
3	(a) complete an initial training program, which may include a depart-
4	ment of health registered opioid overdose prevention training program;
5	(b) complete a refresher training program at least every two years;
6	(c) contact the emergency medical system during any response to a
7	victim of suspected drug overdose and advise if an opioid antagonist is
8	being used;
9	(d) comply with protocols for response to victims of suspected drug
10	overdose; and
11	(e) report all responses to victims of suspected drug overdose to the
12	department of health.
13	4. The costs of training and purchasing opioid antagonists shall be
14	paid for out of the department of corrections and community supervision
15	asset forfeiture account established under section ninety-seven-ooo of
16	the state finance law.
17	§ 4. The public health law is amended by adding a new section 3000-e
18	to read as follows:
19	§ 3000-e. Opioid antagonist training and use. 1. Definitions. As used
20	in this section, the following terms shall have the following meanings:
21	(a) "Opioid" means an opiate as defined in section thirty-three
22	hundred two of this chapter.
23	(b) "Opioid antagonist" means a federal food and drug administration-
24	approved drug that, when administered, negates or neutralizes in whole
25	or in part the pharmacological effects of an opioid in the body. The
26	opioid antagonist is limited to naloxone or other medications approved
27	by the department for this purpose.
28	2. Anyone who provides emergency medical services shall be required to
29	be trained in the administration of opioid antagonists and shall carry
30	opioid antagonists in their vehicle when on duty.
31	3. Anyone who provides emergency medical services shall:
32	(a) complete an initial training program, which may include a depart-
33	ment registered opioid overdose prevention training program;
34	<u>(b) complete a refresher training program at least every two years;</u>
35	(c) contact the emergency medical system during any response to a
36	victim of suspected drug overdose and advise if an opioid antagonist is
37	being used;
38	(d) comply with protocols for response to victims of suspected drug
39	overdose; and
40	(e) report all responses to victims of suspected drug overdose to the
41	department.
42	4. The costs of training and purchasing opioid antagonists shall be
43	paid for out of the department of corrections and community supervision
44	asset forfeiture account established under section ninety-seven-ooo of
45	the state finance law.
46	§ 5. This act shall take effect one year after it shall have become a
47	law.
