AN ACT granting retroactive tier IV membership in the New York state and local employees' retirement system to Rebecca Leonard

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, Rebecca
2 Leonard, formerly Rebecca Abensur, a member of the New York state and
3 local employees' retirement system, who was employed in November 2007,
4 by Half Hollow Hills Central School District, who did not file a member-
5 ship application in such system until 2010, which gave her Tier V status
6 instead of Tier IV status, where she would have been had she filed a
7 membership application when she became a permanent employee in November
8 2007 may be deemed to have become a member of the New York state and
9 local employees' retirement system in November 2007 if on or before
10 December 31, 2017 she shall file with the state comptroller a written
11 request to that effect. Upon the granting of such retroactive member-
12 ship, Rebecca Leonard shall not be granted a refund of any employee
13 contribution made by her to the New York state and local employees'
14 retirement system.

15 § 2. All past service costs associated with the implementation of this
16 act shall be borne by the county of Nassau.

17 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

ber, 2007, her first date of employment with the Half Hollow Hills Central School District. There will be no refund of member contributions.

If this legislation is enacted during the 2017 legislative session, we anticipate that there will be an increase of approximately \$2,100 in the annual contributions of Nassau County for the fiscal year ending March 31, 2018. In future years, this cost will vary as the billing rates and salary of Rebecca Leonard change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$6,730 which will be borne by Nassau County as a one-time payment. This estimated is based on the assumption that payment will be made on February 1, 2018.
