IN ASSEMBLY

May 2, 2017

Introduced by M. of A. DINOWITZ -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to direct the metropolitan transportation authority and the New York city transit authority to study aboveground transit infrastructure

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The metropolitan transportation authority and the New York
2 city transit authority, in consultation with the department of environ-
3 mental conservation and the department of health, shall conduct a study
4 to examine and evaluate aboveground stations, elevated trestles, and
5 elevated subway and railway tracks owned or controlled by the metropol-
6 itan transportation authority, regarding, but not limited to the follow-
7 ing determinations:
8 (a) review past renovations to stations to determine the amount of
9 lead paint abatement;
10 (b) determine the degree to which the metropolitan transportation
11 authority complies with the regulations under the federal Clean Air Act;
12 (c) establish recommendations to further lead paint abatement, enhance
13 air quality controls, and to ensure protection of public health and the
14 environment; and
15 (d) determine the fiscal impact of any aforementioned recommendations.
16 The metropolitan transportation authority and the New York city trans-
17 it authority, in consultation with the department of environmental
18 conservation and the department of health, shall limit such study to a
19 statistically significant subset of the aboveground stations, elevated
20 trestles, and elevated subway and railway tracks to be representative of
21 all aboveground transit infrastructure. Testing shall include all five
22 boroughs, low-income neighborhoods, and densely populated areas of the
23 city of New York.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
