2 titles in the forest ranger title series in the department of environ-  
3 mental conservation, or a university police officer appointed pursuant  
4 to paragraph 1 of subdivision two of section three hundred fifty-five of

6 2. Actually in service upon which his or her membership is based.  
7 However, in a case where a member is discontinued from service subse-  
8 quent to the accident, either voluntarily or involuntarily, and provided  
9 that the member meets the requirements of paragraph one of this subdivi-  
10 sion, application may be made, either (a) by a vested member incapaci-  
11 tated as the result of a qualifying World Trade Center condition as  
12 defined in section two of this chapter at any time, or (b) not later  
13 than two years after the member is first discontinued from service.

14 b. Application for an accidental disability retirement allowance for

16 1. Such member, or

17 2. The head of the department where such member is employed or his or

19 3. A person acting on behalf of and authorized by such member.

20 c. (a) After the filing of such an application such member shall be  
21 given one or more medical examinations. No such application shall be  
22 approved, however, unless the member or some other person on his or her  
23 behalf shall have filed written notice in the office of the comptroller  
24 within ninety days after the accident, setting forth:

25 1. The time when and the place where such accident occurred;

26 2. The particulars thereof;

27 3. The nature and extent of the member's injuries; and

28 4. His or her alleged incapacity.

29 (b) The notice herein required need not be given:

30 1. If notice of such accident shall be filed in accordance with the  
31 provisions of the workers' compensation law of any state within which a  
32 participating employer shall have its employees located or performing  
33 functions and duties within the normal scope of their employment, or

34 2. If the application for accidental disability retirement is filed  
35 within one year after the date of such accident, or

36 3. If a failure to file notice has been excused for good cause shown  
37 as provided by rules and regulations promulgated by the comptroller.

38 d. If the comptroller determines that the member is physically or  
39 mentally incapacitated for the performance of duty and ought to be  
40 retired for accidental disability, such member shall be so retired. Such  
41 retirement shall be effective as of a date approved by the comptroller.

42 e. Notwithstanding any other provision of law, the retirement allow-  
43 ance payable upon accidental disability retirement shall consist of:

44 1. An annuity which shall be the actuarial equivalent of the member's  
45 accumulated contributions, plus

46 2. A pension which is the actuarial equivalent of the reserved-for-in-  
47 creased-take-home-pay to which he or she may be entitled, if any, plus

48 3. A pension of three-quarters of his or her final average salary. The  
49 payment of such pension shall be subject to the provisions of section  
50 three hundred sixty-four of this article.

51 f. If the member, at the time of the filing of an application under  
52 the provisions of subdivision b of this section, is eligible for a  
53 service retirement benefit, then and in that event, he or she may simul-  
54 taneously file an application for service retirement in accordance with  
55 the provisions of section seventy of this chapter, provided that the  
56 member indicates on the application for service retirement that such

1 application is filed without prejudice to the application for accidental  
2 disability retirement.

3 g. For purposes of this section, the term "accident" shall have the  
4 same meaning and be interpreted in the same manner as such term is  
5 defined and interpreted to mean in section three hundred sixty-three of  
6 this title.

7 h. 1. (a) Notwithstanding any provisions of this chapter or of any  
8 general, special or local law, charter, administrative code or rule or  
9 regulation to the contrary, if any condition or impairment of health is  
10 caused by a qualifying World Trade Center condition as defined in  
11 section two of this chapter, it shall be presumptive evidence that it  
12 was incurred in the performance and discharge of duty and the natural  
13 and proximate result of an accident not caused by such member's own  
14 willful negligence, unless the contrary be proved by competent evidence.

15 (b) The comptroller is hereby authorized to promulgate rules and regu-  
16 lations to implement the provisions of this paragraph.

17 2. (a) Notwithstanding the provisions of this chapter or of any gener-  
18 al, special or local law, charter, administrative code or rule or regu-  
19 lation to the contrary, if a member who participated in World Trade  
20 Center rescue, recovery or cleanup operations, as defined in section two  
21 of this chapter, and subsequently retired on a service retirement, an  
22 ordinary disability retirement or a performance of duty disability  
23 retirement and subsequent to such retirement is determined by the comp-  
24 troller to have a qualifying World Trade Center condition, as defined in  
25 section two of this chapter, upon such determination by the comptroller  
26 it shall be presumed that such disability was incurred in the perform-  
27 ance and discharge of duty as the natural and proximate result of an  
28 accident not caused by such member's own willful negligence, and that  
29 the member would have been physically or mentally incapacitated for the  
30 performance and discharge of duty of the position from which he or she  
31 retired had the condition been known and fully developed at the time of  
32 the member's retirement, unless the contrary is proven by competent  
33 evidence.

34 (b) The comptroller shall consider a reclassification of the member's  
35 retirement as an accidental disability retirement effective as of the  
36 date of such reclassification.

37 (c) Such member's retirement option shall not be changed as a result  
38 of such reclassification.

39 (d) The member's former employer at the time of the member's retire-  
40 ment shall have an opportunity to be heard on the member's application  
41 for reclassification by the comptroller according to procedures devel-  
42 oped by the comptroller.

43 (e) The comptroller is hereby authorized to promulgate rules and regu-  
44 lations to implement the provisions of this paragraph.

45 i. Notwithstanding any other provision of this chapter or of any  
46 general, special or local law, charter, administrative code or rule or  
47 regulation to the contrary, if a retiree who: (1) has met the criteria  
48 of subdivision h of this section and retired on a service or disability  
49 retirement, or would have met the criteria if not already retired on an  
50 accidental disability; and (2) has not been retired for more than twen-  
51 ty-five years; and (3) dies from a qualifying World Trade Center condi-  
52 tion, as defined in section two of this chapter, as determined by the  
53 applicable head of the retirement system or applicable medical board,  
54 then unless the contrary be proven by competent evidence, such retiree  
55 shall be deemed to have died as a natural and proximate result of an  
56 accident sustained in the performance of duty and not as a result of

1 willful negligence on his or her part. Such retiree's eligible benefici-  
2 ary, as set forth in section three hundred sixty-one of this title,  
3 shall be entitled to an accidental death benefit as provided by section  
4 three hundred sixty-one of this title, however, for the purposes of  
5 determining the salary base upon which the accidental death benefit is  
6 calculated, the retiree shall be deemed to have died on the date of his  
7 or her retirement. Upon the retiree's death, the eligible beneficiary  
8 shall make a written application to the head of the retirement system  
9 within the time for filing an application for an accidental death bene-  
10 fit as set forth in section three hundred sixty-one of this title  
11 requesting conversion of such retiree's service or disability retirement  
12 benefit to an accidental death benefit. At the time of such conversion,  
13 the eligible beneficiary shall relinquish all rights to the prospective  
14 benefits payable under the service or disability retirement benefit,  
15 including any post-retirement death benefits, since the retiree's death.  
16 If the eligible beneficiary is not the only beneficiary receiving or  
17 entitled to receive a benefit under the service or disability retirement  
18 benefit (including, but not limited to, post-retirement death benefits  
19 or benefits paid or payable pursuant to the retiree's option selection),  
20 the accidental death benefit payments to the eligible beneficiary will  
21 be reduced by any amounts paid or payable to any other beneficiary.

22 j. Notwithstanding any other provision of this chapter or of any  
23 general, special or local law, charter, administrative code or rule or  
24 regulation to the contrary, if a member who: (1) has met the criteria of  
25 subdivision h of this section; and (2) dies in active service from a  
26 qualifying World Trade Center condition, as defined in section two of  
27 this chapter, as determined by the applicable head of the retirement  
28 system or applicable medical board to have been caused by such member's  
29 participation in the World Trade Center rescue, recovery or cleanup  
30 operations, as defined in section two of this chapter, then unless the  
31 contrary be proven by competent evidence, such member shall be deemed to  
32 have died as a natural and proximate result of an accident sustained in  
33 the performance of duty and not as a result of willful negligence on his  
34 or her part. Such member's eligible beneficiary, as set forth in section  
35 three hundred sixty-one of this title, shall be entitled to an acci-  
36 dental death benefit provided he or she makes written application to the  
37 head of the retirement system within the time for filing an application  
38 for an accidental death benefit as set forth in section three hundred  
39 sixty-one of this title.

40 § 2. The section heading and subdivision a of section 363-e of the  
41 retirement and social security law, as added by chapter 208 of the laws  
42 of 1997, are amended to read as follows:

43 Disability retirement allowance for members of the division of law  
44 enforcement in the department of environmental conservation, police  
45 officers in the department of environmental conservation, forest  
46 rangers, university police officers and the regional state park police.

47 a. Every non-seasonally appointed sworn member or officer of the divi-  
48 sion of law enforcement in the department of environmental conservation  
49 and the regional state park police, every police officer in the depart-  
50 ment of environmental conservation, every forest ranger and every  
51 university police officer appointed pursuant to paragraph 1 of subdivi-  
52 sion two of section three hundred fifty-five of the education law who  
53 becomes physically or mentally incapacitated for the performance of duty  
54 shall be covered by the provisions of this section in lieu of the  
55 provisions of section three hundred sixty-two or three hundred sixty-  
56 three of this [~~article~~] title; except, however, any such member or offi-

cer who last entered or reentered service in the department of environmental conservation or state park police, as the case may be, prior to September first, nineteen hundred ninety-seven, shall be entitled to apply for disability retirement pursuant to such sections and to receive the benefit so payable in lieu of the benefit payable pursuant to this section. The benefits provided by this section for university police officers shall be in lieu of section three hundred sixty-three of this article.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant improved accidental and performance of duty disability pensions to certain members or officers of the division of law enforcement in the department of environmental conservation, forest rangers and regional state park police. The benefit for an accidental disability would be 75% of final average salary minus worker's compensation. The benefit for a performance of duty disability benefit would be 50% of final average salary.

If this bill is enacted, the estimated increase in the annual contributions of the state of New York for the fiscal year ending March 31, 2018 would be approximately \$440,000.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$2.53 million which will be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2018.

These estimated costs are based on 689 members having an annual salary for the fiscal year ending March 31, 2016 of approximately \$59 million.
