IN ASSEMBLY

January 9, 2017

Introduced by M. of A. GUNTHER, ABINANTI, STECK, O'DONNELL, GIGLIO, GOODELL, DiPIETRO, RAIA -- Multi-Sponsored by -- M. of A. FRIEND, PALMESANO, SKARTADOS -- read once and referred to the Committee on Mental Health

AN ACT to amend the transportation law and the tax law, in relation to enacting the "integrated employment, economic development and safety net system for individuals with intellectual and developmental disabilities act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "integrated employment, economic development and safety net system
3 for individuals with intellectual and developmental disabilities act".

4 § 2. Legislative findings and intent. The legislature hereby finds and
5 declares that many citizens with intellectual and developmental disabili-
6 ties can be productive members of the general workforce in the state's
7 counties and that with planning, funding realignment, employer tax cred-
8 its, additional resources where necessary, and better coordination of
9 existing state, federal and rural resources, employment for such indi-
10 viduals will increase significantly.

11 The legislature further finds and declares that because of age, sever-
12 ity of disability or other factors, many individuals offered the oppor-
13 tunity will be unable to participate in the general workforce. Therefore
14 there must continue to be a safety net employment system to provide
15 opportunities for such individuals to work alongside their peers with
16 and without disabilities.

17 Finally, the legislature recognizes that economy and efficiency are
18 best served by utilizing the existing and extensive infrastructure for
19 purposes of providing appropriate integrated employment and spurring
20 economic development.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

§ 3. Section 14 of the transportation law is amended by adding a new subdivision 36 to read as follows:

36. The commissioner shall, in cooperation with the commissioner of developmental disabilities, establish a rural integrated transportation demonstration program, similar to such program as described in section seventy-three-e of this chapter, in six counties, each having a population of not more than two hundred thousand according to the two thousand ten federal census. The commissioner shall direct a transportation provider in each such county to study how the coordination of local human service agencies providing transportation in a rural county can increase transportation opportunities for integrated supported environment employment to individuals with intellectual and developmental disabilities in accordance with section 13.41 of the mental hygiene law. Such pilot shall provide that where a participating human service agency operates transportation services for transportation-disabled persons, the agency shall be authorized to provide coordinated transportation to other enrolled human service agency riders while remaining exempt from the provisions of article seven of this chapter, unless such transportation services are open to the public. The commissioner, in establishing and operating the program, shall consider the availability of public transportation, public safety concerns and the duplication of services. Each transportation provider participating in the program shall study the cost benefits of coordinating transportation, the quality of transportation, access for client populations and the outcomes of individuals receiving the services. Every transportation provider shall report its findings to the commissioner and the commissioner of developmental disabilities who shall jointly evaluate the findings of the study, and report thereon to the governor, the temporary president of the senate and the speaker of the assembly.

§ 4. The tax law is amended by adding a new section 43 to read as follows:

36 allowed in an amount which will reduce the tax payable to less than the
37 applicable minimum tax fixed by section one hundred eighty-three, or one
38 hundred eighty-five of this article. If, however, the amount of credit
39 allowable under this section for any taxable year reduces the tax to
40 such amount, any amount of credit not deductible in such taxable year
41 may be carried over to the following year or years, for up to fifteen
42 years, and may be deducted from the taxpayer's tax for such year or
43 years.

38 reduce the tax due for such year to less than the minimum tax fixed by
39 paragraph four of subdivision (a) of section fifteen hundred two of this
40 article or by section fifteen hundred two-a of this article, whichever
41 is applicable. However, if the amount of credit or carryovers of such
42 credit, or both, allowed under this subdivision for any taxable year
43 reduces the tax to such amount, then any amount of credit or carryovers
