2017-2018 Regular Sessions

IN ASSEMBLY

June 6, 2017

Introduced by M. of A. HYNDMAN -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to prenatal trisomy diagnosis awareness

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. The public health law is amended by adding a new section 2 2532 to read as follows:
- § 2532. Prenatal trisomy diagnosis awareness. 1. For purposes of this section, the following terms shall have the following meanings:
- 5 (a) "Health care practitioner" means a medical professional that
 6 provides prenatal or postnatal care and administers or requests adminis7 tration of a diagnostic or screening test to a pregnant woman that
 8 detects for trisomy conditions; and
- 9 <u>(b) "Trisomy conditions" means trisomy 13, otherwise known as Patau</u>
 10 <u>syndrome; trisomy 18, otherwise known as Edwards syndrome; and trisomy</u>
 11 <u>21, otherwise known as Down syndrome.</u>
- 2. A health care practitioner who orders prenatal tests for a pregnant
 woman to screen for trisomy conditions shall provide the following
 information to the pregnant woman if the test reveals a positive result
 for any of the trisomy conditions:
- 16 (a) Up-to-date and evidence-based information about the trisomy condi-17 tions that has been reviewed by medical experts and national trisomy 18 organizations. The information must be provided in a written or an 19 alternative format and must include the following:
- 20 <u>i. expected physical, developmental, educational, and psychosocial</u> 21 outcomes;
- 22 <u>ii. life expectancy;</u>
- 23 <u>iii. the clinical course description;</u>
- 24 iv. expected intellectual and functional development; and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 <u>v. treatment options available for the particular syndrome for which</u> 2 the test was positive.

- 3 (b) Contact information for nonprofit organizations that provide 4 information and support services for trisomy conditions.
 - 3. (a) The commissioner shall provide written information to health care practitioners necessary to implement subdivision two of this section.
- 8 (b) Additionally, the commissioner shall post such information on the 9 department's website.
- 10 (c) The commissioner shall follow existing department practice to 11 ensure that the information is culturally and linguistically appropriate 12 for all recipients.
- (d) Any local or national organization that provides education or services related to trisomy conditions, may request that the commissioner include the organization's informational material and contact information on the department's website. Once a request is made, the commissioner may add the information to the website.
- 18 § 2. This act shall take effect on the ninetieth day after it shall 19 have become a law. Effective immediately, the addition, amendment and/or 20 repeal of any rule or regulation necessary for the implementation of 21 this act on its effective date are authorized to be made and completed 22 on or before such effective date.
