IN ASSEMBLY

June 12, 2017

Introduced by M. of A. WOERNER -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to substances containing chorionic gonadotropin

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision (g) of schedule III of section 3306 of the public health law, as amended by chapter 457 of the laws of 2006, is amended to read as follow:

(g) Chorionic gonadotropin. **(1)** Unless specifically excepted or unless listed in another schedule any material, compound, mixture, or preparation which contains any amount of chorionic gonadotropin.

(2) Paragraph one of this subdivision shall not include any substance containing chorionic gonadotropin expressly intended for administration through implants or injection to cattle or other nonhuman species and that are approved by the federal food and drug administration solely for such use. Any individual who knowingly and willfully administers to himself or another person, prescribes, dispenses or distributes such substances for other than implantation or injection to cattle or nonhuman species shall be subject to the same penalties as a practitioner who violates the provisions of this section or any other penalties prescribed by law.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
