8 appropriate to the practice of chiropractic.

9 b. Chiropractic examination, diagnostic and treatment methods may also
10 include electrodiagnostic testing and manipulation under anesthesia when
11 appropriate education standards have been met and as approved by the
12 department as being appropriate to the practice of chiropractic.

13 c. The practice of the profession of chiropractic allows a licensed
14 chiropractor who has successfully completed a registered doctoral, post-
15 doctoral or continuing education certification program of a higher
16 education credential by an accrediting agency, which contains courses of
17 study in wellness care methods, nutrition, and dietary advice satisfac-
18 tory to the department; use of wellness care methods and the ability to
19 engage in nutritional counseling and dietary advice, including the
20 dispensing of food concentrates, food extracts, nutraceuticals, vita-
21 mins, minerals, and other nutritional supplements approved by the
22 department as being appropriate to, and as a part of, the practice of
23 chiropractic.

24 3. a. A license to practice as a chiropractor shall not permit the
25 holder thereof to use [~~radio therapy, fluoroscopy, or any form of ioniz-~~
26 ~~ing radiation except X-ray which shall be used for the detection of~~
27 ~~structural imbalance, distortion, or subluxations in the human body]~~
28 ionizing radiation sources for the purposes of radiotherapy.

29 b. The requirements and limitations with respect to the use of [~~X-ray]~~
30 diagnostic imaging studies by chiropractors shall be enforced by the
31 state commissioner of health and [~~he~~] the commissioner is authorized to
32 promulgate rules and regulations after conferring with the [~~board]~~
33 department to carry out the purposes of this subdivision.

34 c. Chiropractors shall retain for a period of three years all [~~X-ray~~
35 ~~films]~~ diagnostic images taken in the course of their practice, together
36 with the records pertaining thereto, and shall make such [~~films]~~ images
37 and records available to the state commissioner of health or his or her
38 representative on demand.

39 4. Chiropractors may use diagnostic clinical laboratory methods
40 involving chemical or biological means which particular tests and
41 services shall be approved by the department as appropriate to the prac-
42 tice of chiropractic.

43 [~~3-~~] 5. A license to practice chiropractic shall not permit the holder
44 thereof to treat for any infectious diseases such as pneumonia, any
45 communicable diseases listed in the sanitary code of the state of New
46 York, any of the cardio-vascular-renal or cardio-pulmonary diseases, any
47 surgical condition [~~of the abdomen such as acute appendicitis, or~~
48 ~~diabetes]~~, or any benign or malignant neoplasms; to operate; to reduce

§ 5. Section 6555 of the education law, as amended by chapter 537 of the laws of 1983, is amended to read as follows:

§ 6555. Exempt persons. ~~[Nothing in this article shall be construed to affect or prevent a student enrolled in a college of chiropractic in this state from engaging in all phases of clinical practice under supervision of a licensed chiropractor or physician in a curriculum registered by the department.]~~ The following persons under the following limitations may practice chiropractic within the state without a license:

1. A student enrolled in any accredited college of chiropractic engaging in all phases of clinical practice under supervision of a licensed chiropractor or physician in a curriculum registered by the department; or

2. A student who is performing a clinical externship or preceptorship in a chiropractic office or clinic setting and who is enrolled in a chiropractic school which meets the standards satisfactory to the department, provided such practice is under the direct supervision of a licensed chiropractor for a maximum period of twelve months; or

3. Any chiropractor authorized to practice chiropractic while traveling from another state or country in which he or she is licensed, to provide chiropractic services during any emergency services associated with any rescue, recovery or humanitarian relief effort provided such practice is limited to the organized emergency services; or

4. A chiropractor who is not a resident of this state who is legally qualified to practice in his or her state and who is travelling from another state for the purpose of providing chiropractic services for a specific purpose or event of limited duration; or

5. Any chiropractor who is licensed in another state or country and who is meeting or communicating with a chiropractor licensed in this state, for purposes of consultation, provided such practice is limited to such consultation; or

6. Any chiropractor who is licensed in another state or country, who is visiting a chiropractic school or teaching facility in this state to receive chiropractic instruction for a period not to exceed six months or to conduct chiropractic instruction, provided such practice is limited to such instruction and is under the general supervision of a licensed chiropractor; or

8. Any commissioned chiropractic officer who is serving in the United States armed forces or public health service or any chiropractor who is employed in the United States Veterans Administration, provided such practice is limited to such service or employment.

§ 6. Section 6556 of the education law is REPEALED and a new section 6556 is added to read as follows:

§ 6556. Limited permits. Permits limited as to eligibility, practice and duration, shall be issued by the department to eligible applicants, as follows:

1. Eligibility: The following persons shall be eligible for a limited permit:

a. A person who fulfills all requirements for a license as a chiropractor except those relating to the examination and citizenship or permanent residence in the United States;

b. A licensed foreign chiropractor who meets guidelines developed in accordance with the commissioner's regulations;

c. A licensed foreign chiropractor or a foreign intern who is in this country on a non-immigration visa for the continuation of chiropractic study who meets guidelines developed in accordance with the commissioner's regulations;

d. Any graduate of a chiropractic school which meets standards satisfactory to the department, provided such practice is under the general supervision of a licensed chiropractor for a maximum period of twelve months from date of graduation.

2. Limit of practice. A permittee shall be authorized to practice chiropractic only under the supervision of a licensed chiropractor and only in a licensed chiropractic office or clinical setting.

3. Duration. A limited permit shall be valid for one year. A limited permit may be renewed annually at the discretion of the department.

4. Fees. The fee for each limited permit and for each renewal shall be one hundred five dollars.

§ 7. The education law is amended by adding a new section 6557 to read as follows:

§ 6557. Special provisions. 1. Non-liability of licensed chiropractors for first aid or emergency treatment. Notwithstanding any inconsistent provision of any general, special or local law, any licensed chiropractor who voluntarily and without the expectation of monetary compensation renders first aid or emergency treatment at the scene of an accident or other emergency, outside a hospital, doctor's office or any other place having proper and necessary chiropractic equipment, to a person who is unconscious, ill or injured, shall not be liable for damages for injuries alleged to have been sustained by such person or for damages for the death of such person alleged to have occurred by reason of an act or omission in the rendering of such first aid or emergency treatment unless it is established that such injuries were or such death was caused by gross negligence on the part of such chiropractor. Nothing in this section shall be deemed or construed to relieve a licensed chiropractor from liability for damages for injuries or death caused by an act or omission on the part of a chiropractor while rendering professional services in the normal and ordinary course of his or her practice.

2. This article shall not be construed to affect or prevent the following:

a. The furnishing of any assistance in an emergency;

b. The chiropractor from being a primary portal of entry healthcare provider.

3. There shall be no monetary liability on the part of, and no cause of action for damages shall arise against, any person, partnership, corporation, firm, society, or other entity on account of the communication of information in the possession of such person or entity, or on

1 account of any recommendation or evaluation, regarding the qualifica-
2 tions, fitness, or professional conduct or practices of a chiropractor,
3 to any governmental agency, chiropractic society, a hospital as defined
4 in article twenty-eight of the public health law, a hospital as defined
5 in subdivision ten of section 1.03 of the mental hygiene law, or a
6 health maintenance organization organized under article forty-four of
7 the public health law or article forty-three of the insurance law,
8 including a committee of an individual practice association or medical
9 group acting pursuant to a contract with a health maintenance organiza-
10 tion. The foregoing shall not apply to information which is untrue and
11 communicated with malicious intent.

12 § 8. The education law is amended by adding a new section 6558 to read
13 as follows:

14 § 6558. Definition of chiropractic clinical assistant. 1. A chirop-
15 ractic clinical assistant is defined as a person certified in accordance
16 with this article who works under the supervision of a licensed chiro-
17 practor performing such patient duties as are assigned by the supervis-
18 ing chiropractor. A chiropractic clinical assistant may only provide
19 patient services on the orders and instructions of a supervising chiro-
20 practor. Supervision of a chiropractic clinical assistant by a licensed
21 chiropractor shall be on-site supervision, but not necessarily direct
22 personal supervision. The number of chiropractic clinical assistants
23 supervised by one licensed chiropractor shall not exceed the ratio of
24 four chiropractic clinical assistants to one licensed chiropractor as
25 shall be determined by the commissioner's regulations ensuring that
26 there be adequate supervision in the best interest of public health and
27 safety. Nothing in this section shall prohibit a hospital or other
28 public health law article twenty-eight facility from employing chirop-
29 ractic clinical assistants, provided they work under the supervision of
30 a chiropractor, physician, nurse practitioner or other medical provider
31 designated by the hospital or public health law article twenty-eight
32 facility and not beyond the scope of practice of a chiropractic clinical
33 assistant.

34 2. A certified chiropractic clinical assistant may only provide clin-
35 ical services on the orders and instructions of a supervising chiroprac-
36 tor.

37 3. The scope of services for a certified chiropractic clinical assist-
38 ant shall include assisting a chiropractor with providing certain clin-
39 ical procedures common and customary to the chiropractic setting which
40 include, but are not limited to, the following: collecting general
41 health data, such as the taking of an oral history, vital signs or
42 neurological, physiological or anatomical measurements; performing
43 objective data collection tests common and customary to the chiropractic
44 setting including, but not limited to dynamic or static surface EMG,
45 thermography, heart rate variability; applying thermal, light, air,
46 water, sound, electrical and mechanical modalities; and monitoring
47 prescribed rehabilitative activities.

48 4. A certified chiropractic clinical assistant must be adequately
49 trained in the proper operation of any device or equipment and know-
50 ledgeable of anatomy and the appropriate safety procedures and contrain-
51 dications with respect to the clinical services he or she is directed to
52 provide.

53 5. Nothing in this section shall be construed to allow a certified
54 chiropractic clinical assistant to provide a chiropractic adjustment;
55 manipulation; joint mobilization; perform radiological tests (X-rays);

1 nutritional instruction; and counseling or other therapeutic service or
2 procedure which requires individual licensure in New York state.

3 6. Registration as a certified chiropractic clinical assistant is not
4 required for individuals who perform administrative activities of a
5 non-clinical nature.

6 § 9. The education law is amended by adding a new section 6559 to read
7 as follows:

8 § 6559. Duties of chiropractic clinical assistant and the use of title
9 "chiropractic clinical assistant." Only a person certified or otherwise
10 authorized under this article shall participate in the practice of
11 chiropractic as a chiropractic clinical assistant and only a person
12 certified under this section shall use the title "chiropractic clinical
13 assistant."

14 § 10. The education law is amended by adding a new section 6560 to
15 read as follows:

16 § 6560. Requirements for certification as a chiropractic clinical
17 assistant.

18 1. Application: file an application with the department;

19 2. Education: have received an education and training in a chiroprac-
20 tic clinical assistant program in accordance with the commissioner's
21 regulations and department of education; including but not limited to a
22 minimum of twenty-four hours of didactic study;

23 3. Experience: have experience satisfactory to the department for
24 chiropractic in accordance with the commissioner's regulations;

25 4. Examination: pass an examination satisfactory to the department and
26 in accordance with the commissioner's regulations;

27 5. Age: be at least eighteen years of age;

28 6. Character: be of good moral character as determined by the depart-
29 ment;

30 7. Registration: all certified chiropractic clinical assistants shall
31 register triennially with the education department in accordance with
32 the regulations of the commissioner;

33 8. Fees: pay a fee for an initial certificate of fifty dollars, and a
34 fee of fifty dollars for each subsequent triennial registration period.

35 9. A certified chiropractic clinical assistant shall conduct them-
36 selves within the boundaries of proper ethical behavior and shall adhere
37 to acceptable standards of conduct regardless of whether a supervising
38 chiropractor or person in a position of authority may order, impart or
39 condone behavior or conduct which is improper.

40 10. "Improper conduct", under the meaning of this section, shall
41 include conduct delineated under the chiropractic practice act, regu-
42 lations, and such other New York state laws that may apply.

43 11. The department may refuse to issue, refuse to renew, or may
44 suspend, revoke, censure, reprimand, restrict, or limit the registration
45 of, or fine any person pursuant to the laws of New York state or the
46 procedures set forth herein, upon one or more of the grounds for disci-
47 pline set forth in this article.

48 § 11. The education law is amended by adding a new section 6561 to
49 read as follows:

50 § 6561. Exemptions. 1. This article shall not be construed to affect
51 or prevent a chiropractic clinical assistant student from engaging in
52 clinical assisting under the supervision of a licensed chiropractor as
53 part of a program conducted in an approved program for chiropractic
54 clinical assistants or in a clinical facility or health care agency
55 affiliated with the program for chiropractic clinical assistants.

1 2. Supervision of a chiropractic clinical assistant student by a
2 licensed chiropractor shall be on-site supervision and direct super-
3 vision.

4 § 12. The education law is amended by adding a new section 6562 to
5 read as follows:

6 § 6562. Limited permits. 1. The department shall issue a limited
7 permit to an applicant who meets all requirements for admission to the
8 certification examination.

9 2. All practice under a limited permit shall be under the supervision
10 of a licensed chiropractor or other licensed medical provider in a
11 public hospital, an incorporated hospital or clinic, a licensed proprie-
12 tary hospital, a licensed nursing home, a public health agency, a recog-
13 nized public or non-public school setting, the office of a licensed
14 chiropractor, or in the civil service of the state or political subdivi-
15 sion thereof.

16 3. Limited permits shall be for six months and the department may for
17 justifiable cause renew a limited permit provided that no applicant
18 shall practice under any limited permit for more than a total of one
19 year.

20 4. Supervision of a permittee by a licensed chiropractor shall be
21 on-site supervision and not necessarily direct personal supervision.

22 5. The fee for each limited permit and for each renewal shall be fifty
23 dollars.

24 § 13. This act shall take effect on the first of January next succeed-
25 ing the date on which it shall have become a law.
