AN ACT to amend the correction law, in relation to the establishment of a program for the use of medication assisted treatment for inmates

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The correction law is amended by adding a new section 625  
2 to read as follows:

3 § 625. Medication assisted treatment in correctional facilities. 1.  
4 For purposes of this section "medication assisted treatment" means the  
5 use of prescribed medications including, but not limited to, methadone,  
6 buprenorphine and naltrexone, combined with counseling and behavioral  
7 therapies, as a comprehensive approach to the treatment of opioid  
8 addiction.

9 2. The commissioner shall establish a program to be administered at  
10 correctional facilities in the state, for the purpose of employing medi-  
11 cation assisted treatment for inmates in such facilities who are under-  
12 going treatment for opioid addiction. Such program shall include access  
13 to methadone, buprenorphine and naltrexone for the duration of an  
14 inmate's incarceration. After a medical screening, inmates who are  
15 determined to suffer from opioid addiction, shall be offered placement  
16 in the medication assisted treatment program. Placement in such program  
17 shall not be mandatory. Such program shall include weekly counseling  
18 sessions for participating inmates.

19 3. The commissioner shall submit within one year of the effective date  
20 of this section and annually thereafter, a report to the governor, the

6 4. Participation in the medication assisted treatment program shall  
7 not be unreasonably withheld from a qualified inmate. An inmate using  
8 medication assisted treatment prior to such inmate's incarceration shall  
9 be eligible to, upon request by such inmate, continue such treatment in  
10 the medication assisted treatment program for any period of time during  
11 the duration of such inmate's incarceration. No person shall be denied  
12 participation in the program on the basis of a positive drug screening  
13 upon entering custody or upon intake into the program; nor shall any  
14 person receive a disciplinary infraction for such positive drug screen-
